

The Graduating Class

of 1961 Presents. . .

SENIOR

ECHOES

VOLUME XLIII

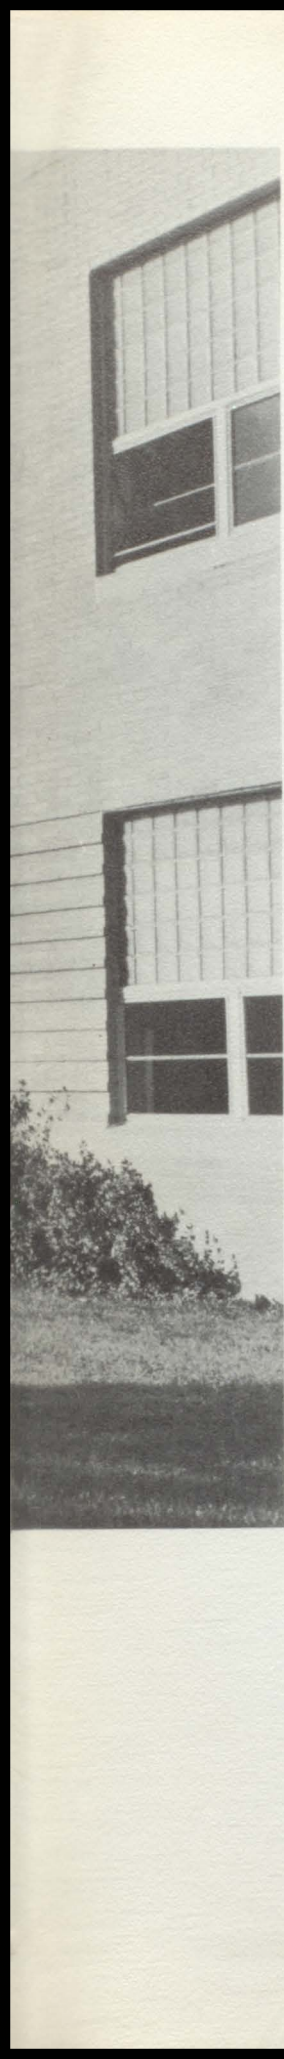

Published by the Senior Class

Tecumseh High School

JUNE 1961

Not Finished, Just Begun

It is the desire of the Annual Staff that this yearbook bring back many memories of the joys and sorrows of high school. But we wish to show more than just the activities and fun of our high school years. It is our wish to present those few, seemingly insignificant moments of quiet before a football game starts, an award is given, or the Homecoming Queen is announced. We hope that these silences will be thought of as echoes, echoes of a lasting nature.

Echoes of Power

Each morning before the first bell announces the start of classes, silence pervades the administration office for a brief period. During this time, Mr. Hart and the rest of the administration take time for a brief check of the activities scheduled before the rush of another day begins.

Echoes of Learning

The hushed silences during tests and the brief pauses before the next day's assignments are given represent our advancement in learning as much as paying attention to lectures and doing homework symbolize our constantly increasing knowledge.

Echoes of Achievement

Everyone remembers proudly the time that he received an award or recognition for some commendable act. All the feelings of pride, happiness, and satisfaction that came to the winner in that moment of silence before he receives his award cannot possibly be described. Perhaps that brief silent moment of self-acknowledgment will mean more than all the praises given the winner by his friends.

The Top Twenty

Helen Miller
SALUTATORIAN

These twenty seniors are those with the highest scholastic averages for seven semesters of high school. Most have also participated in sports and taken part in many club activities. These people are an active force in Tecumseh High School, and it is hoped that they will continue to be as active and responsible in their future lives.

The following seniors hold the third through twentieth positions based on their scholastic average for seven semesters of high school:

First Row: Linda Davis, Margaret Horvath, Susan Day, Jane Hodges, Isabel McCombs, Jean Hohenstein, Marjorie VanValkenburg, Shirley Wagoner, Evelyn Beland
Second Row: Camilla Grigg, Inez Boltz, Jean Hoag, Robert Fisher, Dale Tuckey, Larry Titley, Robert Koffron, Mary Tilton, Brenda Sprague

Boys State, a nation-wide project made possible by the American Legion, is held each year to give junior boys active participation in democratic government. Various civic organizations in any city in the state serve as sponsors of the youths, who are chosen for outstanding qualities of citizenship and leadership. 1100 boys attended the week-long program on the Michigan State University campus during the summer of 1960. In addition to attending classes and lectures, each boy was chosen by other delegates to hold an office on either city, county, or state level.

Tecumseh, the sponsor of eighteen boys, had the highest representation in Michigan for 1960. Its delegates were:

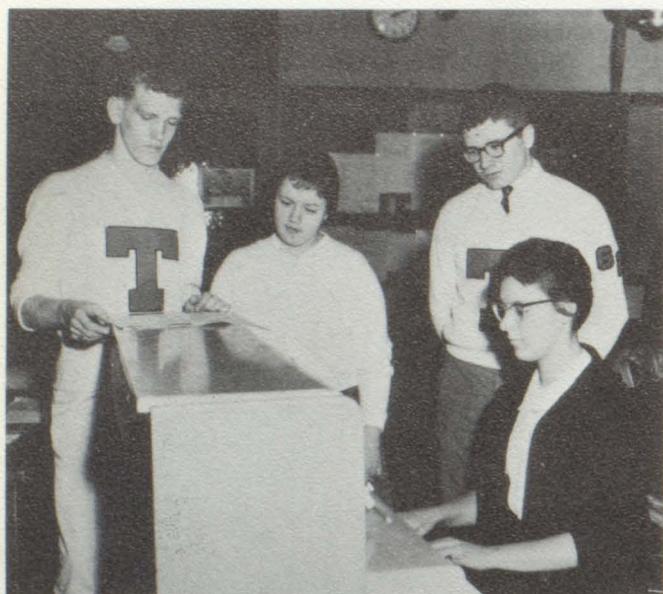

Standing: Dick Hyatt, Eugene Brice, Ron Hathaway, Dean Eddy, Dale Tuckey, Ken Beevers, Jim Ripley, Jim Bashore, Jerry Breitenwischer

Kneeling: Larry Titley, Bob Koffron, Jon Aho, Mike Tucker, Tim Tietsema, Mike Robison

The D.A.R. Award, an annual award presented to a Senior Girl with outstanding citizenship and leadership qualities, was received this year by Inez Boltz. She was also recognized by the Student Council as its Most Valuable Member for 1959-60. This honor is conferred on a non-officer council member each spring.

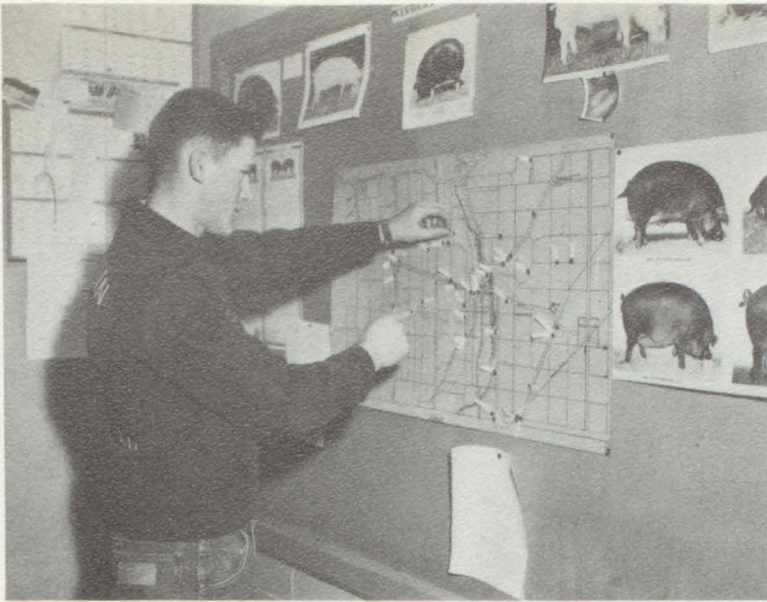

At the finish of football season each year, The Varsity team selects two senior players to receive recognition for their work. Jon Aho (right), left halfback, was chosen Outstanding Back, and Ron Hathaway, left tackle, as the Outstanding Lineman.

Each Michigan high school was invited this year to send a quartet to the tryouts for the Michigan State Honors Choir. The choir rehearses once a month to prepare for performances for various occasions. Experience in group singing is the main benefit received from participation. This quartet from Tecumseh, Dennis Bryan (left), tenor, Jean Thomas-alto, Mike Rohrer (bass), and Sue Day (seated)-Soprano, passed the tryout and are choir members.

Helen Miller was selected by the National Council of English Teachers as one of the nation's outstanding English students. Presented in January, the award was based on an autobiography, a grammar test, an impromptu theme, and letters of recommendation. Only Juniors are eligible; results are announced during the participant's Senior year.

A Tecumseh High School agriculture student is chosen each year to receive the title of Outstanding Ag. Student. He is chosen on the basis of outstanding projects throughout his high school years, activity in group projects, such as the pig chain and the corn project, and high grades in Ag. The recipient of the award for 1961 was Harvey Spreeman.

Nancy Beland and Mike Rohrer won second and third honors respectively at the district contest for forensics. Both entered the Declamation Area (memorized speeches), and practiced for six weeks for the contests. Nancy also participated in the regional contest in April.

One of the areas in which students are able to earn money for their Senior trip is the annual Junior Class magazine sales. The drive lasts three or four weeks; students receive from 30% to 50% profit from sales made during this period. The thirty students with the highest sales receive a stuffed animal as a prize, while the two highest salesmen are allowed to choose their award—a radio, typewriter, record player, etc. The two winners for the Class of 1961 were Camilla Grigg (left) and Barbara Damon.

Each spring college-bound Juniors are given the three-hour National Merit Scholarship Qualifying Test. Since the test and scoring system are national, colleges use the NMSQT as one method of screening applicants. High scorers are then at an advantage when applying to colleges. Superior scorers are also recognized with awards, which Jerome Kemp (left) and Bob Fisher received.

The 3rd Annual Michigan State Mathematics Prize Competition, open to all high school students, was held last winter. Prizes were awarded according to scores received on a two-hour examination. Camilla Grigg received a Certificate of Merit commending her for scoring the highest of all Tecumseh entrants.

The Michigan Youth for Understanding Chorale has served as a musical diplomat during tours of Europe and South America. Members are chosen in the fall and practice weekly for their tour the following season. Dennis Bryan (right) was a member of the 1959-60 Chorale, while Linda Dean and Dan Harvey are 1960-61 members.

During the fall semester each year, excellent samples of writing are sent to the Detroit News Scholastic Writing Contest. From the more than 25,000 Michigan entries for 1960, Tecumseh won commendations and honorable mentions. The winners were Adelle DePuy, Meredith Munger, Helen Miller, Tim Sisson, Mike Cook (front), and Eugene Brion. Jack Dick, not shown, also placed in the contest.

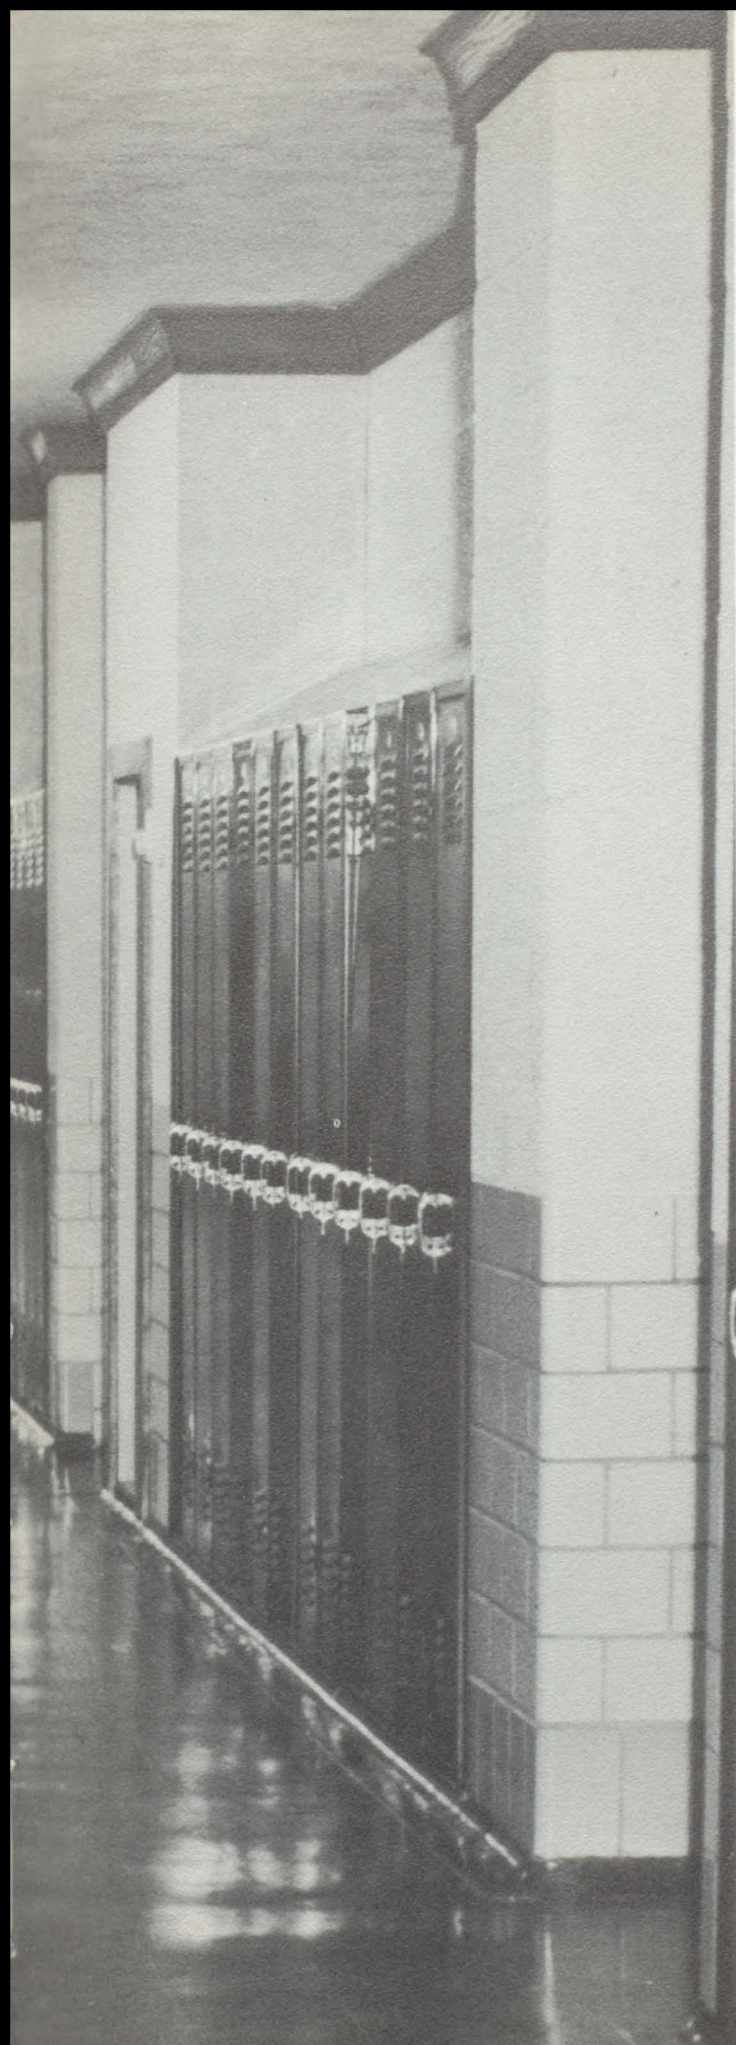

Sections one and two of the Student Council Constitution state that its president "must be either a senior or junior during his term of office and have served at least one term on a student council," and "will be elected by a simple majority, secret ballot vote of the student body, senior excluded." The office is one of great responsibility and one to which respect is due. Mike Rohrer, a member of the Junior Class, is the 1960-61 Student Council President.

Bookkeeping students are given a series of twelve tests throughout the year. In the spring, the people with the three highest test-score averages are awarded a certificate of proficiency. The girls who received the award in 1960 were Donna Cubberly (left), Marjorie VanValkenburg, and Dorothy Mackey.

Echoes of Experience

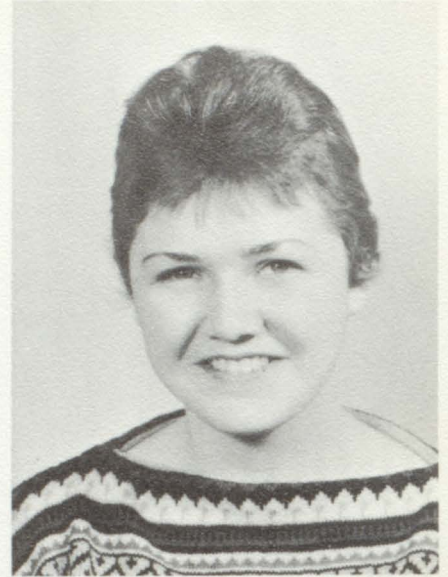

As each senior receives his diploma, there is silence—the silence of a goal that has been achieved, the silence of pride and happiness, the silence of leaving something behind forever. After all the parties and dances classes and meetings, comes this silence, like a final good-bye from the empty halls.

Seniors say good-bye

Tom Barton
PRESIDENT

After nearly four years of dances, parties, athletic contests, tests, studying, and above all, fun, it has come time for the seniors to graduate. As part of the final year of high school, the seniors were in complete charge of refreshments sold at football and basketball games. In addition, they sponsored the successful "Olde-Fashioned Christmas Dance". After the excitement of the senior trip to Washington, the enjoyment of the Prom and of the Junior-Senior picnic, the seniors are now ready to graduate and to say a final good-bye to high school.

Echoes of Youth

After the final day of exams in June amid the celebration of another school year's close, come the thoughts of a year past and a year to come. Their duties and responsibilities not yet completed, the underclassmen will return next year to continue their education.

Juniors finish busy year

Ron O'Neill
PRESIDENT

The juniors have had an especially busy year in which they have showed good leadership and careful planning. Among their many activities was the magazine sales. For this project, the class was divided into two rival teams to promote the sales. Other junior activities included a class party, the sponsorship of the Junior Prom, and the planning of the Junior-Senior Picnic. We congratulate the juniors on successfully completing a year filled with many responsibilities.

Sophomores broaden experiences

Dan Van Valkenburg
PRESIDENT

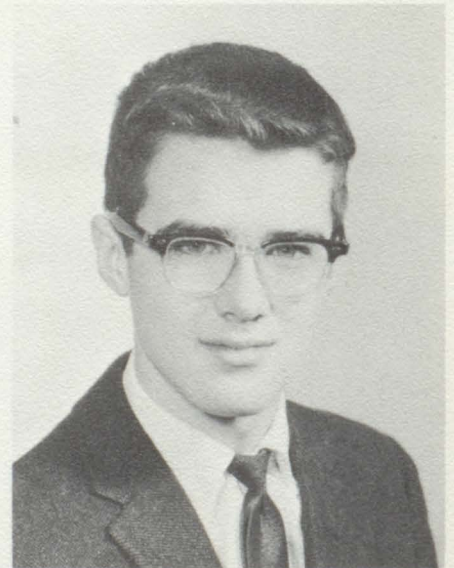

During their second year of high school, the sophomores have gained more experience as well as knowledge. The big event of the year was the ordering and purchasing of class rings. The head for the ring was available in pins and in many different stones, including onyx, mother of pearl, and white gold. Also, the sophomores were allowed to join the extra-curricular clubs, such as Future Nurses, Future Homemakers, Future Teachers, and Future Farmers. With these new opportunities, the sophomores have had many chances for broadening their experiences.

Freshmen meet responsibilities

Sue Kotts
PRESIDENT

This has been a year of new responsibilities and activities for the freshmen. After the excitement of finally becoming duly installed in high school had passed, the frosh were introduced to football and basketball games. Dances and parties, including the Christmas Dance, the Sponge Dance, and the Prom, followed in rapid succession for them. The freshmen, having completed their first busy year, have three more years ahead of them, each one busier and better than the last.

Echoes of Organizations

A pounding of the gavel and the sound of the president's voice calling for order are familiar sounds at any club meeting. Also familiar is the brief silence which intervenes after the meeting has been called to order. During this silence, the president remembers last-minute details to add to the business at hand while club members prepare to participate in another Tecumseh High School club meeting.

The sincere interest of Mr. Howard in the Student Council has led to valuable student experiences.

The Student Council, the governing group of our student body, is composed of representatives from each of the four classes. Its purpose is to regulate the activities of the students by procuring entertainment and educational programs, by helping to draw up school regulations, and by providing for safety in the school.

This year the Council instituted a new charter policy for all school clubs and organizations. Some of the other projects included buying a new flag for the study hall, sponsoring the Homecoming and Sponge Dances, and conducting a spirit trophy contest between all of the classes. One other new project was participating in the Huron League Sportsmanship Trophy Contest.

Although the Scout has been published for three years, this is the first year that it has been distributed free of charge. The paper is printed by the Tecumseh Herald, and published every other week. The 1960-61 Scout has done an excellent job of reporting timely and educational issues for the high school student body. In addition to putting out the paper, the Staff sponsored a dance after one of our basketball games.

Music And Marches

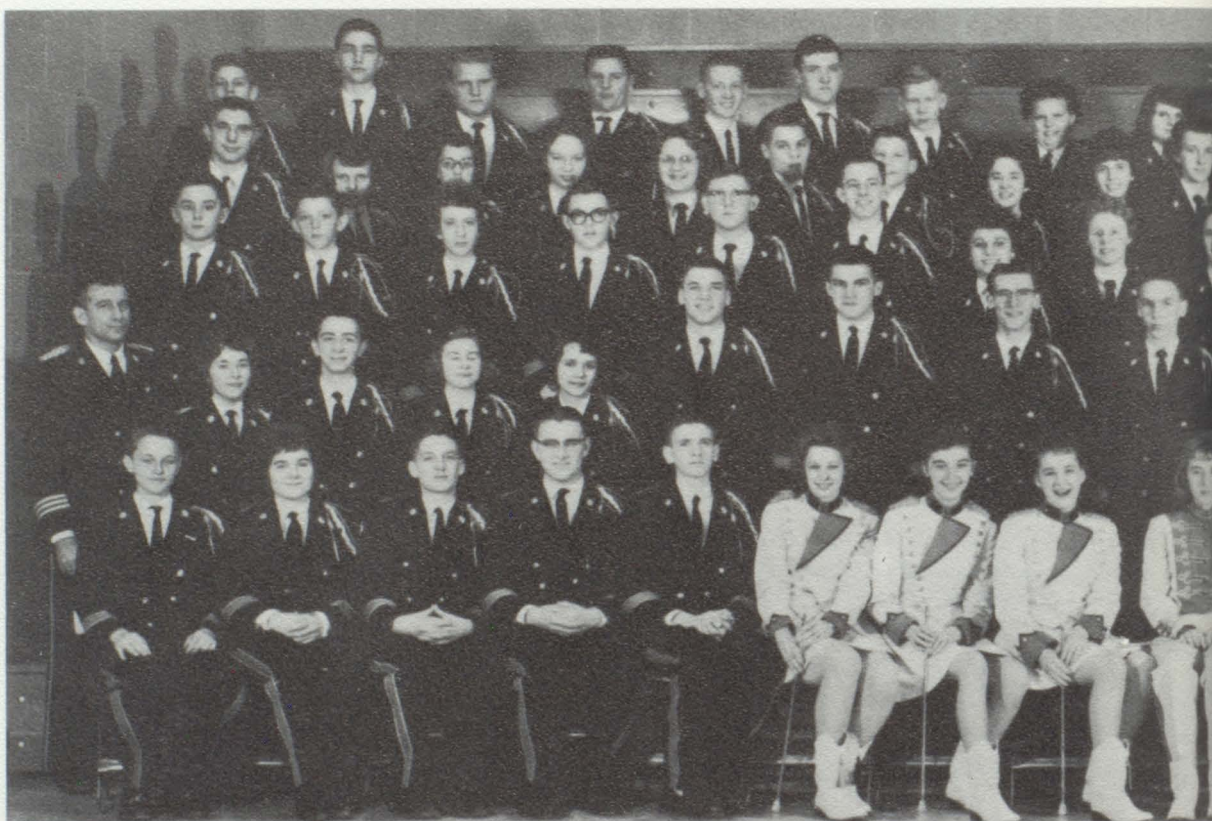

Mr. Johnson assisted by Mr. Cowdrey instills in Band members love for music. On the field as in the class this experience is evident.

The Tecumseh High School Band has furnished us with much entertainment this year. At each home football game, the members presented the half-time show under the leadership of Lana Wright as Drum Majorette, Cynthia Poley as Head Majorette, and Mr. Johnson and Mr. Cowdrey as directors.

The band participated in the University of Michigan Band Day and also took part with ten other bands in the Lenawee County Band Festival. Besides these activities, there are several parades in which the band has marched. Some of these are the Homecoming, Political, Safety Check, and Band Tag Day parades.

The pep band has played at our pep meetings and the home basketball games. At some of these

games, we were entertained by the German Band which is composed of band members.

At Christmas time two special programs were presented. One was combined with the Chorus for the student body; while the other, solely by the band, was open to the public. The Spring Concert was arranged for the conclusion of the school year.

Under Mr. Bennett's guidance, the chorus has increased threefold and students have come to know the impact of music.

The Sound Of Music

At the beginning of the school year, over one hundred chorus members performed for parents and the faculty at the open house. Through some of the verses made by the members, many of our parents got to know the "truer" side of our teachers.

An assembly presented by the chorus and band was performed for a student assembly. Later the chorus gave a Christmas concert, "Echoes of Christmas."

During the year concerts at Ann Arbor and Toledo were attended with much enjoyment.

In February the chorus competed in the District Vocal Festival, and receiving the highest possible score, went to the State Vocal Festival.

First Row: Diane Roe, Terrie McEnroe, Vickie McVay, Ann Marks, Sharon Snyder, Ruth Milosh, Gail DeMass, Mike Carney, Ron O'Neil, Dan VanValkenburg, Bill Brown, Gary Tietsema, Gregg King, Dale Close, Sandra Petrovish, Cathy Merritt, Anna McCann, Elli Gorzkiewicz, Janet Damberg, Jean Thomas, Della Holdridge

This spring a showboat concert was given. Following that, the chorus concluded the year by singing at commencement and graduation.

United Nations Sparks Debaters

Left to right: Arthur Collingsworth, Sue Fuller, Sharon Gillin, Phillip Miller, Nancy Nixon, Fawn Choske

This year the debate topic was "Resolved, that the United Nations should be significantly strengthened." This was indeed a timely subject, for the strength of the United Nations is very important.

On the affirmative team were Nancy Nixon and Fawn Choske. The negative team consisted of Arthur Collingsworth, with Sue Fuller and Phil Miller alternating.

The team debated with Coldwater (both losses), Ypsi Lincoln (affirmative won, negative lost), Romulus (affirmative won, negative lost), Grosse Ile (affirmative won, negative lost). At the district eliminations our affirmative team debated Ann Arbor and lost.

Our team was at a disadvantage, for none of the members had any previous experience in debating. This was also Mr. Bronzo's first year as coach.

Realizing the importance of communication, Mr. Bronzo guides the debaters through another year.

Forensics Shows Versatility

Standing: Mary Hunter, Jean Hoag, Arthur Collingsworth, Jon Aho, Dale Tuckey, Allen Hizer, Mike Rohrer, Nancy Beland
Sitting: Connie Schneider, Adele DePuy, Nancy Nixon, Isabel McCombs, Fawn Choske, Mary Ann Mead

The forensic program, like the debate schedule, is managed by the University of Michigan. As part of this spring speech program, students participate in five categories. They are: humorous, declamation, dramatic, original oratory and extemporaneous speeches. This year students were guided by Mr. Bronzo for the local and district contests. Tecumseh won first place in extemporaneous speaking for the 1959-1960 season.

Teamwork Core of G.A.A.

Clockwise: Sherry Packard, Joy Bays, Joan Allshouse, Nancy Smith, Ellen Spreeman

The purpose of the G.A.A., as stated in the constitution, is the participation of all high school girls in an extensive athletic program, the encouragement and development of good sportsmanship, and the development of physical skill.

Throughout the year, the girls participated in such activities as softball, field hockey, line soccer, basketball, dancing, volley ball and jolly games. Two swimming parties were held and archery and bowling were enjoyed.

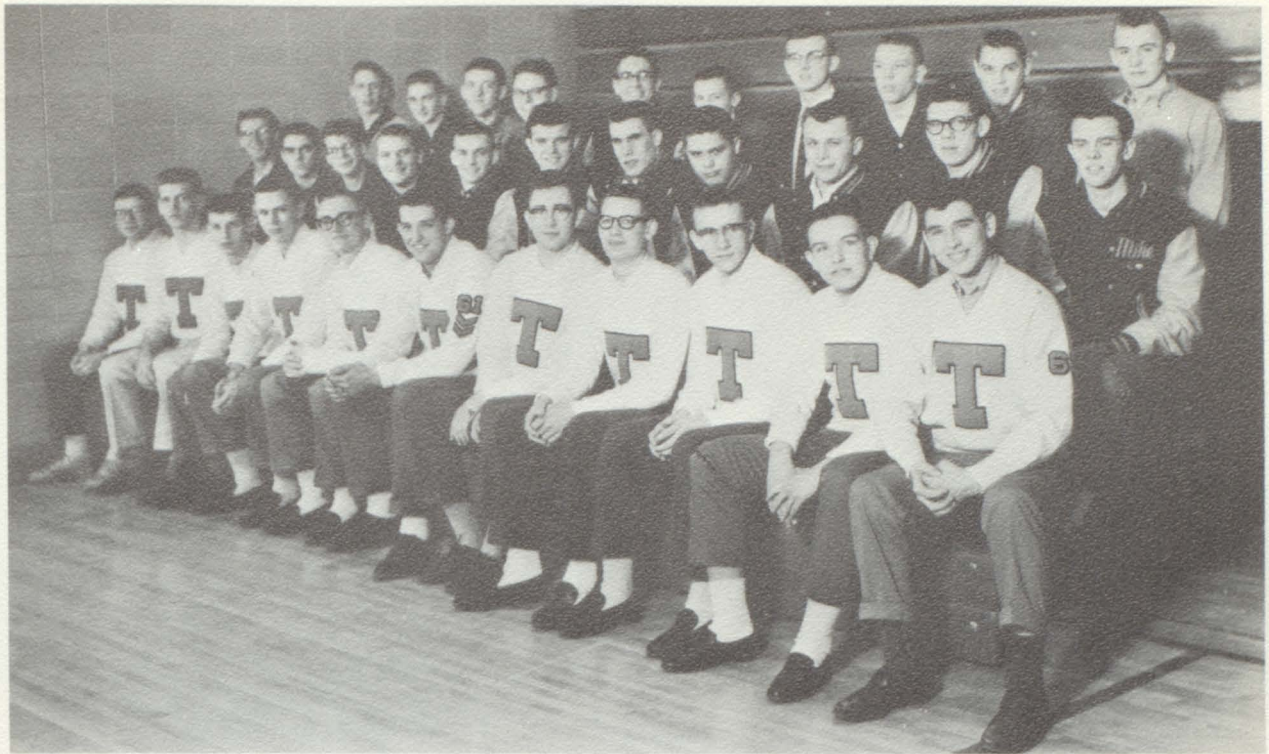

This year the club sponsored two dances after the games. The Mother and Daughter Banquet was held in May.

A sincere effort has been made this year to raise the prestige of athletics and the standing of the Varsity Club in Tecumseh High School. The two requirements for membership are the earning of a varsity letter and the successful completion of a week of initiation. This year twenty-two new members were brought in.

In November the club went to the Detroit Lions-Chicago Bears football game in Detroit. The coaching staff, Dr. Blanden, and Mr. Glascock were all guests of the club.

Blazers with a Tecumseh crest were presented to the coaches by the Varsity Club. Two dances, one after Christmas and one later as a benefit dance for the Sports Booster Club, were sponsored.

For the first time, the motion was formally adopted that managers who had earned Varsity letters be permitted to join the Club.

The Future Nurses began the school year by initiating twenty-three new members in a candle-light service. Guest speakers were present at several of the meetings.

For Christmas the girls made favors for the hospital. Lilies were sold for the Easter project. They held their annual Mother and Daughter Banquet in the spring.

Among the hospitals visited by the girls this year were: University Hospital in Ann Arbor, Grace and Henry Ford Hospitals in Detroit, and Mercy Hospital in Toledo.

An outstanding project undertaken by the girls was the adoption of a Burmese orphan.

The Lois D. Service Future Teachers' Club began this year by initiating over twenty new members. The following meetings, which took place once a month, were devoted to the business meeting, a guest speaker connected with the teaching profession, and refreshments.

In the spring of 1960 the club sent two representatives, Mary Hunter and Jean Hoag, to the annual Michigan Future Teachers' Association Conference at the Mich. Educ. Assoc. Campsite, Lake St. Marys in Battle Creek.

This year the members have again enjoyed participating in the cadet teaching program. Through this program, in which they assist junior high and elementary teachers, they have the opportunity to learn and to cultivate the qualities essential in a good teacher.

The Future Teachers' Club continues under the guidance of Mr. Sommers as a vital student activity.

Through Mr. Sommer's interest, the Bible Club was organized, and stresses the importance of a Christian life.

The main objective for the Teens for Christ is the promotion of fellowship and activities among students. The club also encourages Christian principles for everyday living, endeavors to interest others in Christ-like living, and encourages higher moral standards, especially by example. Bible Teachings, with emphasis on the teachings of Christ and application to everyday life, are presented at the meetings.

Regular meetings consist of devotions, speakers, slides, Bible quizzes and games. Quiz teams of five members and one alternate held contests pertaining to the Bible. A banquet for all Bible clubs in this area is being planned by the Adrian Club.

Science experiments and projects were made possible by Mr. Trudeau and Mr. Nelson. Their time and effort has been greatly appreciated.

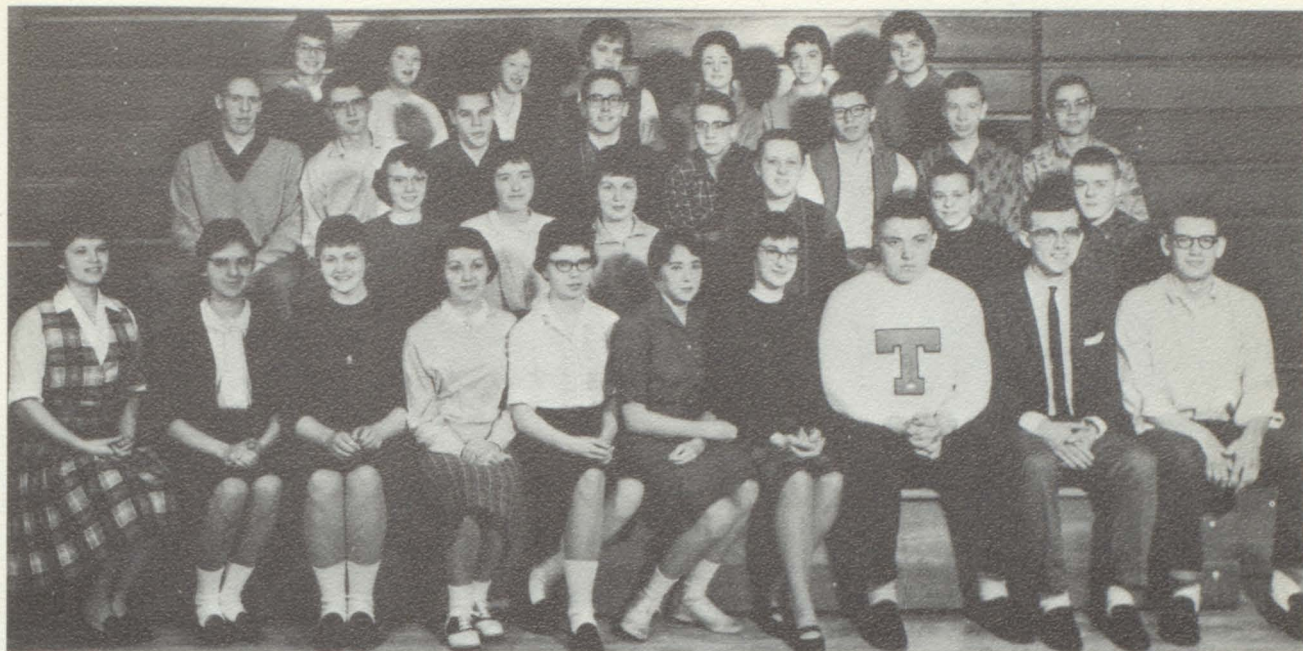

One of the new clubs this year is the Science Club. Its purpose is to promote science in Tecumseh High School. This is an opportunity for students to explore the particular field of science in which they are interested. Each Saturday morning the science laboratory was open so members could perform experiments and do further research on projects.

Meetings were designed to present a variety of scientific occupations. Dr. Dustin and Mr. Clarence Damon, each spoke on the advantages and disadvantages of their careers.

The club held a Science Fair in March where each member's project was displayed.

The Neville L. Hart chapter of the National Honors Society has taken two years in being organized. The members of the organization must have at least a "B" average, display qualities of leadership, school spirit, and responsibility, and be selected by the faculty.

On Thursday morning, March 16, the induction of the new members took place before the student body. The eleventh and twelfth grade members are active members while the tenth grade members are probationary ones. There are no ninth grade representatives in the club.

Instead of being an honorary member society, as many others are, ours is an active one. The object of the club members is to help out the student body and faculty whenever possible. We all hope that this will become one of the prominent assets of our school.

Sponges,

Sponges,

Sponges

A wonderful evening climaxes a hectic week.

Old clothes and mouths full of gum and candy marked the beginning of Sponge Week, held March 23-25. This is the time of the year when the courtesies are reversed, and it is the female's duty to do all the inviting.

After the day of aching jaws, came color day. Each class was represented by a different color. The seniors wore black, the juniors red, the sophomores brown, and the freshmen green. The teachers entered the activities by wearing blue.

The last day of Sponge Week, dress-up day, was a sudden change from the relaxed atmosphere of the previous days. Everyone was attired in their best suits and dresses.

Climaxing Sponge Week was the "Sponge Week Squeeze", held March 26th. With the girls acting as escorts, each boy was presented with a corsage, composed of gum, candy, ribbon, crepe paper, and other materials.

Green, pink, blue, and yellow sponges and a multi-colored false ceiling were the only decorations used. Simply, but effectively, the sponges were hung from the false ceiling. Extending nearly to the dance floor, they covered one side of the gym. On the other side, Johnny Harbard's band played until the magic hour of midnight.

Shortly before midnight, Fred Betzoldt, junior candidate for king, was crowned by Michael Fero, president of the Student Council. The other candidates for king were: seniors, Dick Horvath and Roger Korte, juniors, Dale Tuckey, sophomores, Carl Wilt and Tom Simmons, and freshmen, Tim Sisson and Mike Cook. Chaperoning the dance were Mr. and Mrs. Howard.

Johnny Harbard answers a request.

Junior-Senior Picnic

The shortest distance between two points is a straight line.

Volleyball competed with sack races, baseball, and tug-of-war.

Volleyballs, baseballs, basketballs, and baseball bats were in full array on May 20th, 1960. The occasion? The Junior-Senior Picnic, held on the athletic field in honor of the seniors.

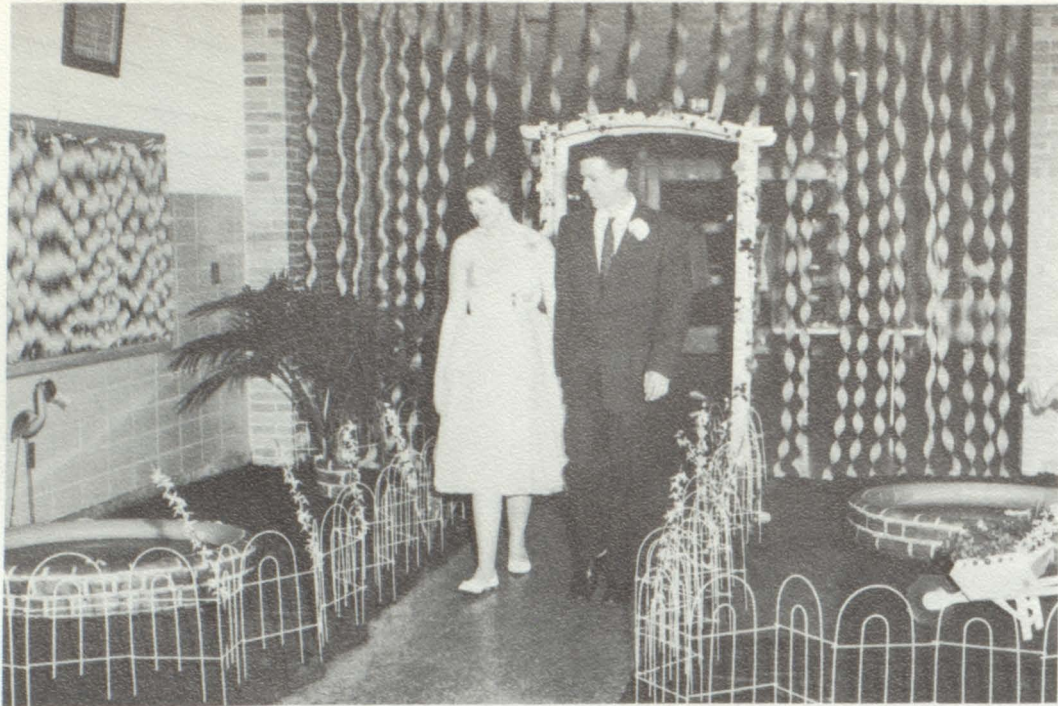

The many activities included the annual tug-of-war between the boys and the girls. Naturally, the male superiority asserted itself in their victory. Sack and three-legged races also provided a great deal of amusement for the spectators.

Mrs. O'Neill, with the assistance of several junior girls, prepared a very enjoyable meal. Sloppy joes, potato salad, baked beans, potato chips, cake, ice cream, and milk were eagerly devoured.

Mr. Gross and Mr. Murdock, the junior and senior advisors, respectively, supervised the picnic. They were assisted by several faculty members.

The Junior-Senior Picnic, one of the more informal events of the year, was enjoyed very much by the students and teachers who attended it.

Juniors Entertain Guests In Deep South

Inez Boltz and Fred Betzoldt stroll through the hall, transformed by the southern theme.

An old-fashioned river boat, docked near bales of cotton, gay Southern gardens, enhanced by green and white streamers, and a ceiling of glittering stars marked the Junior-Senior Prom, held May 7th.

Jim and Kendra lead the grand march.

As the couples entered the dance, they passed underneath a flower-covered trellis and down a path, between pools of shimmering water, surrounded by blooming gardens. Jim Withrow met the couples at the door and presented them with engraved announcements.

The gymnasium had been magically converted into a Southern dreamland with a huge garden at one end, complete with two bubbling fountains and bordered by a white picket fence.

Opposite the garden was a large, white plantation home. Ropes of flowers decorated the pillars of the veranda, where Al Blazer's band from Ann Arbor played until twelve-thirty. Near the plantation home was the riverboat which lent a finishing touch to the tableau of a nineteenth century Southern plantation.

In the center of the dance floor was a quaint love-seat surrounded on three sides by potted palms. This became the throne when the senior candidates were crowned king and queen later in the evening. Chaperoning the dance were Mr. and Mrs. Gross and Mr. and Mrs. Howard.

Time to enjoy "An Olde Fashioned Christmas."

Christmas Dance Sparkles

The traditional red and green were used throughout "An Olde-Fashioned Dance," Friday night, December 23rd. Leading the way into this holiday wonderland was an authentic rail fence. Beyond this fence was a nineteenth-century crimson sleigh containing a jumble of brightly wrapped packages.

The couples, as they danced to the music of Cal Damon's Combo, were surrounded by vivid red and green streamers, sharply contrasted by inter-mingled streamers of white. Rising from the dance floor, the streamers fell into a gently curved false ceiling. Above the center of the floor, suspended like a green moon, was a ball of holly, evergreens, and mistletoe. At the far end of the Yuletide scene was the traditional Christmas tree, gaily lit with brightly colored lights and topped by a shiny red Santa. An artificial brick fireplace containing a glowing paper fire had stockings which were hung "with the greatest of care", providing a background for the band as they played until midnight. The tables, forming a white border around the dance floor, were decorated with red and green metallic Christmas trees.

An unusual rustic fence blends into the Christmas theme.

A holiday mood surrounds happy dancers.

Echoes of Sports

All tangled thoughts within the player's mind are pushed aside by the tenseness of the moment before the starting signal. The crowd is hushed in anticipation of the action which will terminate in the glory of victory or the reproach of defeat. Then the suspended moment ends.

Cheerleaders Sport Spirit

Left to Right: Janet Murphy, Vicki Baughey, Norma Luce, Susie Owen, Susan Frost, Suzy Morden

Go! Fight! Win! Twelve girls led us this year through ups and downs; never failing to give their full support to the teams. Spirit and good sportsmanship are what they strived for in every way, in every game.

During the year skits were presented. At one of these, the cheerleaders dressed as Southerners and proceeded to get some boys to help lead in the cheers. Before one of the home football games, we had a pep rally during the evening on the field.

Quite often as you toured the corridors on the day

of a game, slogans were seen on doors, windows, walls, and lights. The players' lockers had signs encouraging them to "Rake up the Maples!"

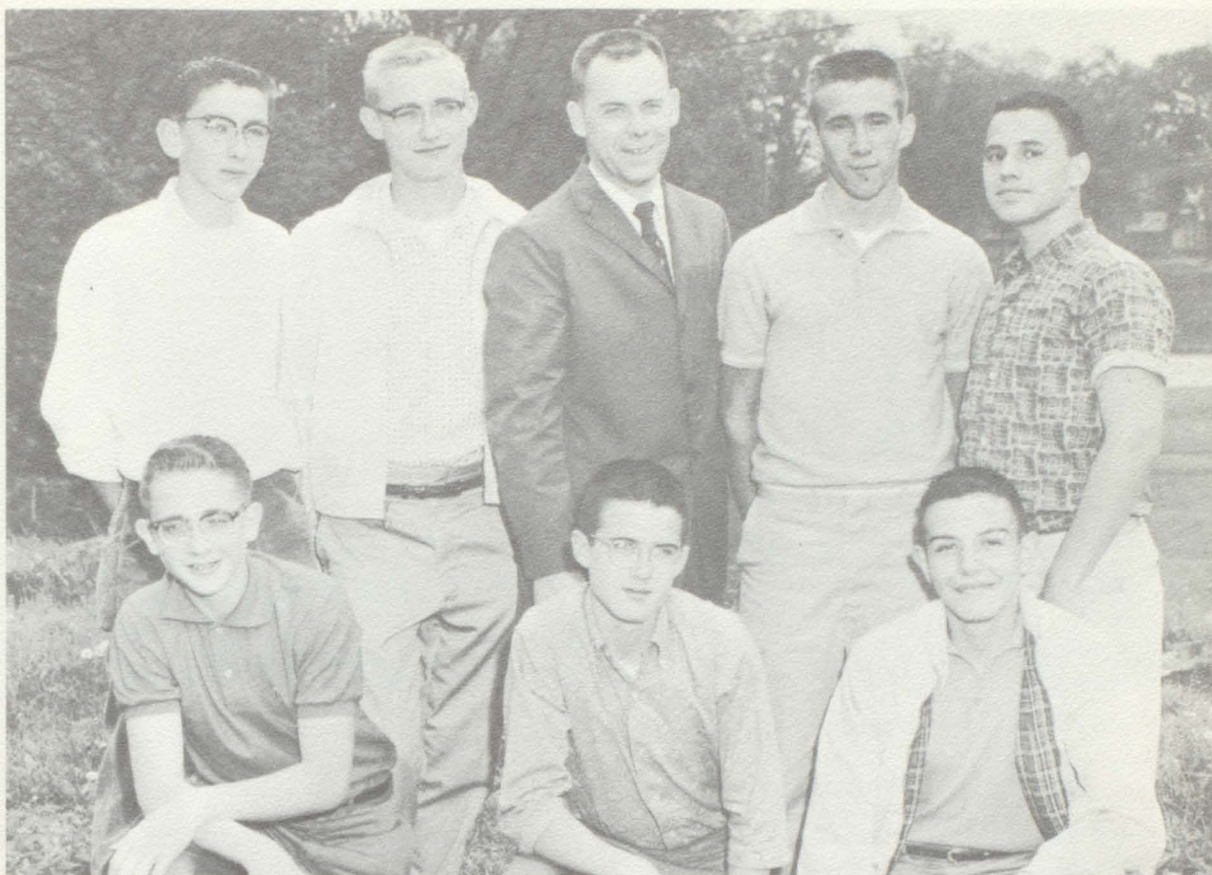

They also sponsored a dance after one of our home games. It isn't just fun being a cheerleader, there's a great deal of hard work involved. Several times during the week, these girls practiced, usually for two hours.

Our cheerleaders deserve sincere appreciation from all of us for their effort to keep school spirit alive.

Linksmen Have 3—4 Season

Standing: Steve Forgacs, Mike Tucker, Coach Murdoch, Jim Hoot, and Roger Fox
Sitting: Mike Rice, Jack Dick, and Dave Blanden

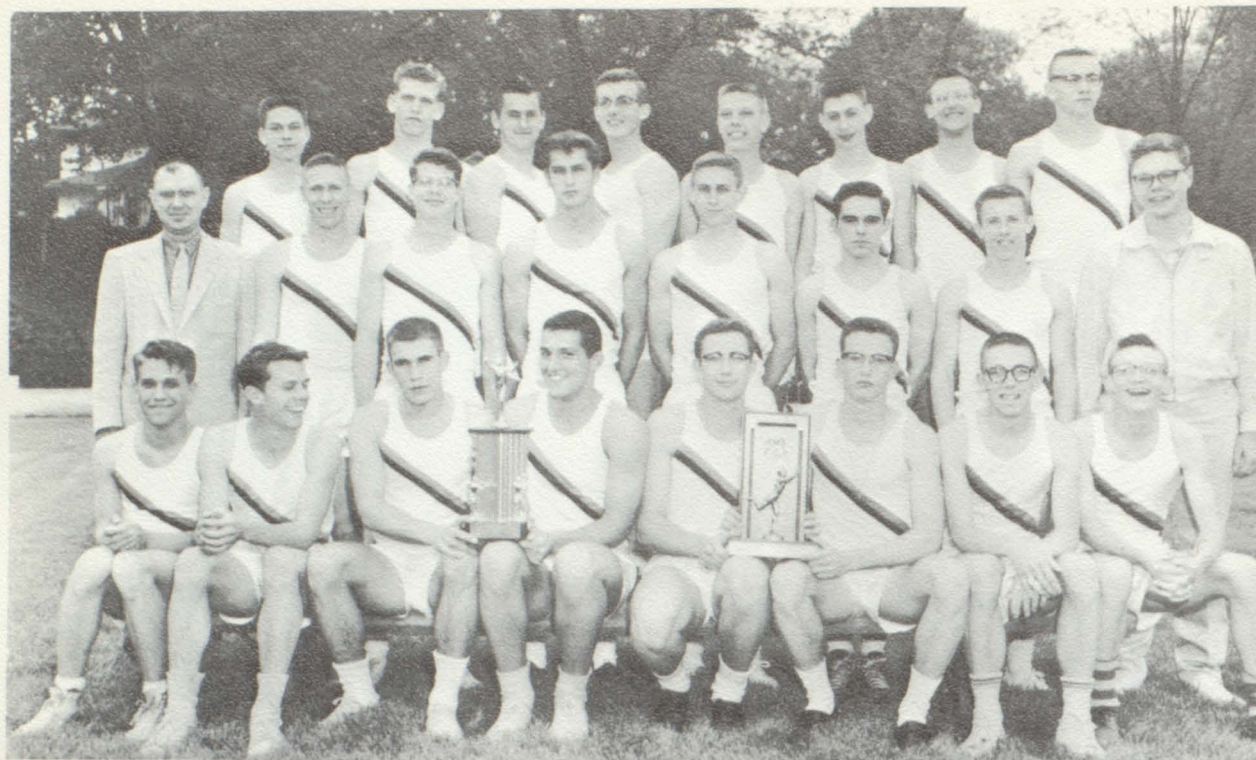

The 1960 Tecumseh High School golfers, under the guidance of Coach Murdoch, did not experience as successful a season as usual; the overall record was three wins and four losses. The two letter-winners were senior Mike Tucker and sophomore Dave Blanden who scored consistently in the low eighties.

In the first match we were beaten by Monroe. Our next opponent was Madison, whom we defeated twice by topping their scores 182 in a home match and 183 in an away match. Adrian and Jackson St. Mary added two more losses to our record. The regular season ended with our defeat of Milan. In the Regionals, held at Brighton in May, we finished with a fourth place. We competed against twelve other teams. This year Coach Murdoch hopes to letter more boys.

Mike Tucker practices again.

The T.H.S. track team climaxed a successful 1960 season by winning the league meet.

During the season, the Indians won all seven dual meets in which they participated. Their first win was Grosse Ile 68 to 41. Flat Rock followed with a final score of $36\frac{1}{3}$ to $72\frac{2}{3}$. Dundee was defeated 84 to 25, and we nosed past a good Adrian team with a final score of $55\frac{1}{2}$ to $33\frac{1}{2}$. During this meet our team set a new school record.

We went on to defeat the Blissfield and Boysville teams by 70 to 39 and 74 to 35, Milan $65\frac{1}{2}$ to $43\frac{1}{2}$ and Lincoln $56\frac{1}{2}$ to $52\frac{1}{2}$. In the last dual meet of the year, we routed Airport 61 to 48.

In the League Meet, Dale Tuckey tied for first place in pole vault giving us a score of 40 $\frac{2}{10}$ to Lincoln's 40 $\frac{7}{10}$.

The 1960 letter winners were: Seniors—Tom Walters, Dick Solarski, Roger Mead, Bruce Antrobus, Terry Hendricks, Phil Hendershot; Juniors—Jon Aho, Dean Eddy, Bob Koffron, Dennis Bryan, Dale Tuckey; Sophomores—Craig Winters, Bob French, Tom Simmons, Fred Betzoldt; Freshmen—Dick Golat, Phil Radant, Jack Rutherford. Jerome Kemp was the manager.

Thinclads await turn.

The batsmen, led by Mr. Duncan Lectka, had a fourteen game schedule in the 1960 season. Despite a pitching problem and rugged competition, they finished with a 6 won—8 lost record.

Recognition should be given to Steve Kruger, who did almost all the pitching for the Indians throughout the season. One of the team's strongest victories was a deftly pitched, 3 to 1 win over Flat Rock.

Letter winners were, Seniors: Bob Dick, Jim Curth, and Steve Kruger; Juniors: Eugene Brion, Dave Brooks, Tom Barton, Mike Robison, Del Poskarbiewicz, and Walt Girback; Sophomores: Tim Whitney; and Freshman: Tim Sisson.

Pitching will again be a decisive problem for the Indians in 1961.

The 1960 Indian footballers set out to defend their championship earned last year, our first season in the Huron League. After winning three fairly easy contests over Willow Run (37-0), Dundee (14-12), and Ypsilanti Lincoln (26-6); the team ran into the well prepared, hard running squad of Big Reds from Milan. Beaten by Milan (27-0), the Indians went on to defeat Flat Rock (42-13), Airport (27-17) and a fast team from Blissfield (21-7).

On November 4, Coach Lectka's team clinched a tie for first place by upending the undefeated Red Devils from Grosse Ile (33-17). This victory was led by the driving play of fullback Mike Green.

The following week on November 11, the Indians moved into Adrian's Maple Stadium. The game was a battle that saw the score 7 to 7 at the finale.

The 1960 squad did succeed in defending their championship and concluded with another fine season.

The Junior Varsity squad, under the direction of Coach Trudeau, did not have as successful a season as in previous years. The reasons for this were a lack of teams which would schedule games with us and top sophomores were moved to the Varsity squad. They finished with a one win, two losses, and one tie record.

Varsity Has Tough Season

Standing: Jack Dick, Dan Greene, Coach Murdock, Roy Rodriguez, Manager Steve Fretwell
Kneeling: Norman Tucker, Jerry Breitenwischer, Larry Titley, John Britton, Tim Sisson

The 1960-61 Tecumseh Varsity basketball team, with a new coach, experienced a rebuilding season this year. Only one letterman from last year's championship team returned.

Travelling to Dundee for our first game, we were soundly trounced, 66-41. Flat Rock played us on our own floor and defeated us 52-44. We then narrowly defeated Airport by a 52-51 score on their own floor.

In the next two home games we were defeated by Blissfield 61-57, and over Christmas vacation we won over Adrian 61-56.

Travelling to Milan, we were defeated 52-51 when a Milan player scored at the sound of the final buzzer. Mike Tucker, suffering a broken arm in the third quarter, was lost for the season. This loss will certainly affect the team's chances in the tournaments.

The following week we met Ypsi Lincoln at Ypsi, and were defeated 71-44 in one of our worst games of the season. Our next opponent was Grosse Ile, who defeated us 63-51 on our own floor.

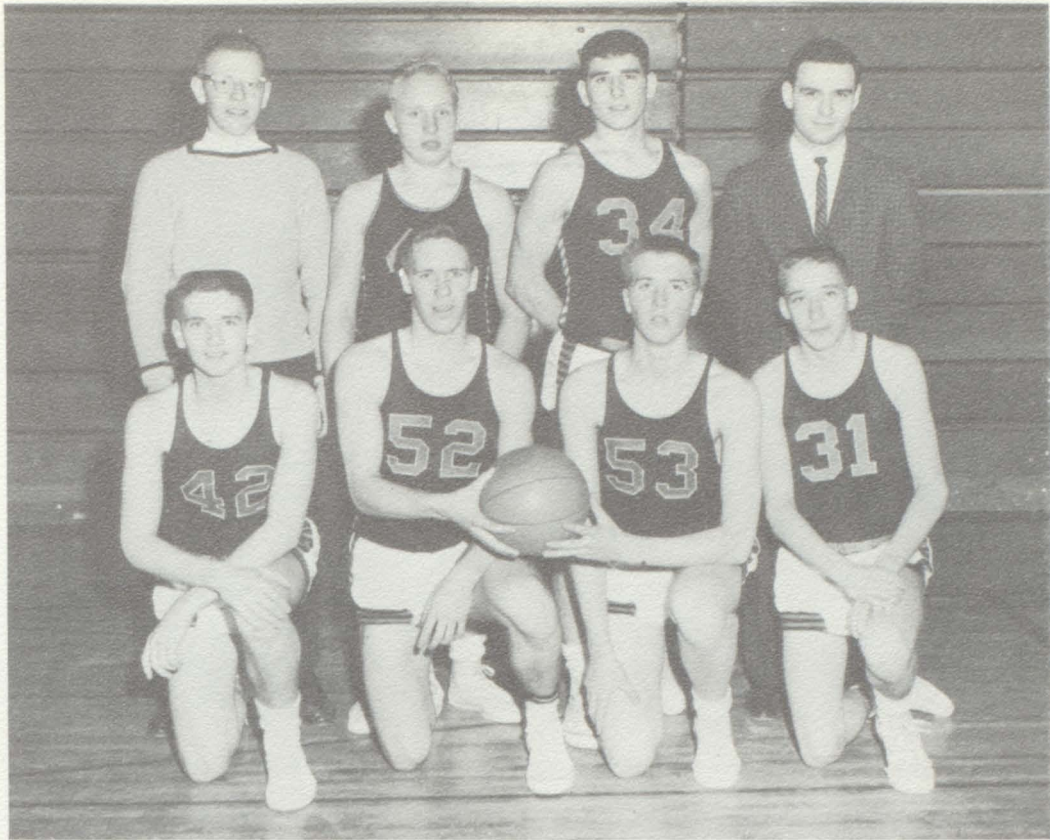

Starting the second half of the season the Indians experienced three straight losses. Dundee won 62-45 at home. Then travelling to Flat Rock we were defeated in a close game, 48-46. At Blissfield we suffered another loss, this time the score was 62-50.

The next game against Milan was played our best game of the season, revenging an earlier defeat by a score of 75-61. Facing Ypsi Lincoln in a home game, the Railsplitters defeated us, 75-64. Travelling to Grosse Ile, we were defeated by the champions of the Huron League by a 65-60 score.

In the last game of the season Airport defeated us 76-64 on our own floor.

Coach James Hoffman's first year as J.V. coach ended fairly well. The team won 8 games and lost 7. Since the Varsity team was made up primarily of underclassmen, the J.V.'s were also. The Freshmen team provided more players when boys were taken from the J.V. team to the Varsity.

At one time Craig Rosacrans had a nineteen point average. After being brought up from the freshman team, Clark Nichols scored 141 points in twelve games and Jerry Hebb totaled 95 points in thirteen games.

Standing: Howard Majtyka, Jay Osburn, Mike Blumerick, Coach Brazee, John Mensing, Charles Squires, Barry Bradish
Kneeling: George Moricz, Gene Manwaring, Jim Baker, Greg Long, Mike Wilson, Charles Saling

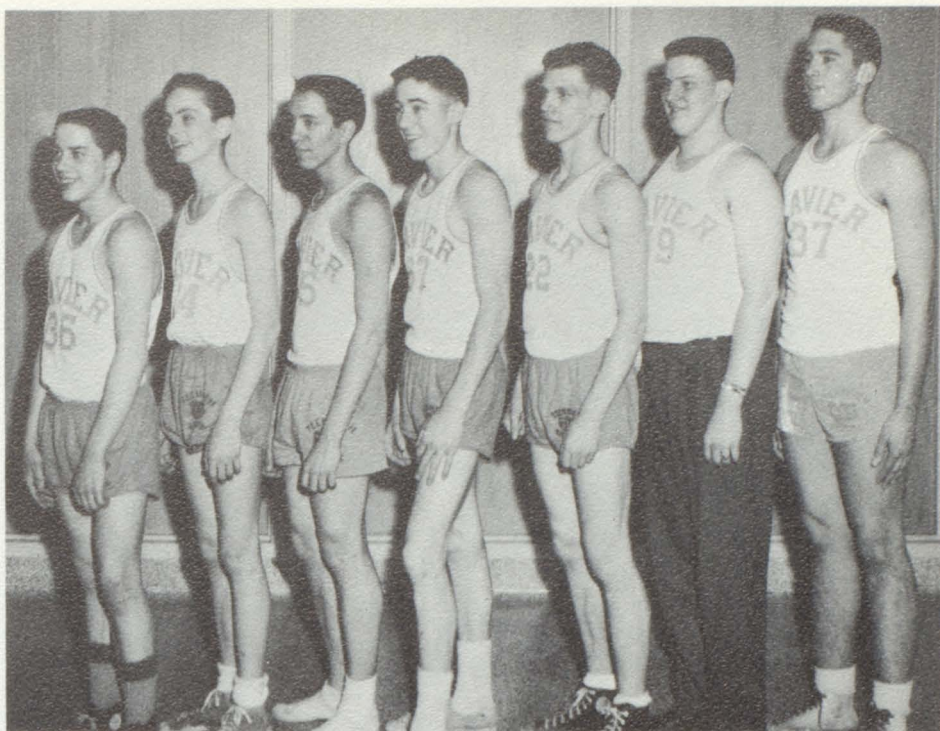

Coach Brazee

The ninth grade boys under Coach Don Brazee turned in their uniforms after completing a very successful season. Besides winning ten games, the team saw a number of its players move up to the Junior Varsity and several to the Varsity team.

In the early weeks of the season the team was led by Jerry Hebb and Clark Nichols. After they moved up, John Oberlin led the team, followed closely by Jim Baker and Jim Newell.

Intramural Basketball Leagues

American League: Jim LeBaron, Pete Gebarowski, Jim Graham, Bill Fisher, Dennis Bryan, John Boyes, Chuck Osburn

The Intramural basketball program consisted of two leagues again this year. The National League teams were made up of boys in the freshman and sophomore class, while the American League teams were made up primarily of juniors and seniors. There

were five teams in each league.

Team Number 1, under co-captains Dennis Bryan and Bob Fisher, won the championship in the American League, while in the National, Team Number 2, captained by Dick Golat, took the championship.

National League: Dick Golat, Ron Majtyka, Larry Harper, Rodney Fairbanks, Tom Kish, Bill Bishop, Glen Schmidt

Girls' Varsity Basketball

Left to Right: Sheila O'Neil, Mary Wing, Evelyn Beland, Nancy Smith, Jackie Barth, Miss Bierley, Betty Barth, Joy Bays, Nancy George, Ellen Spreeman, Jean Packard

The 1960-61 Girls' Varsity Team competed with Clinton, Manchester, Britton, Dundee, and Milan with a finishing record of three wins and two losses. Their coach this year has been Miss Arlene Bierley.

Our first game of the season was on our home court with Dundee, which we won, 33-25.

January 30, the Britton team traveled here and were defeated, 42-15.

The following week Tecumseh played at Clinton and lost its first game of the season, 17-16.

On February 13 Tecumseh played at Milan High and left victorious, 19-15. The Clinton girls came here in March and again won, 36-14.

The team has two scheduled games with Manchester during the latter part of March. Good luck, girls.

The Junior Varsity Girls' Basketball team, coached by Miss Pocklington, had a record of two wins and three losses for the 1960-61 season. The girls played Clinton, Manchester, Britton, Dundee, and Milan.

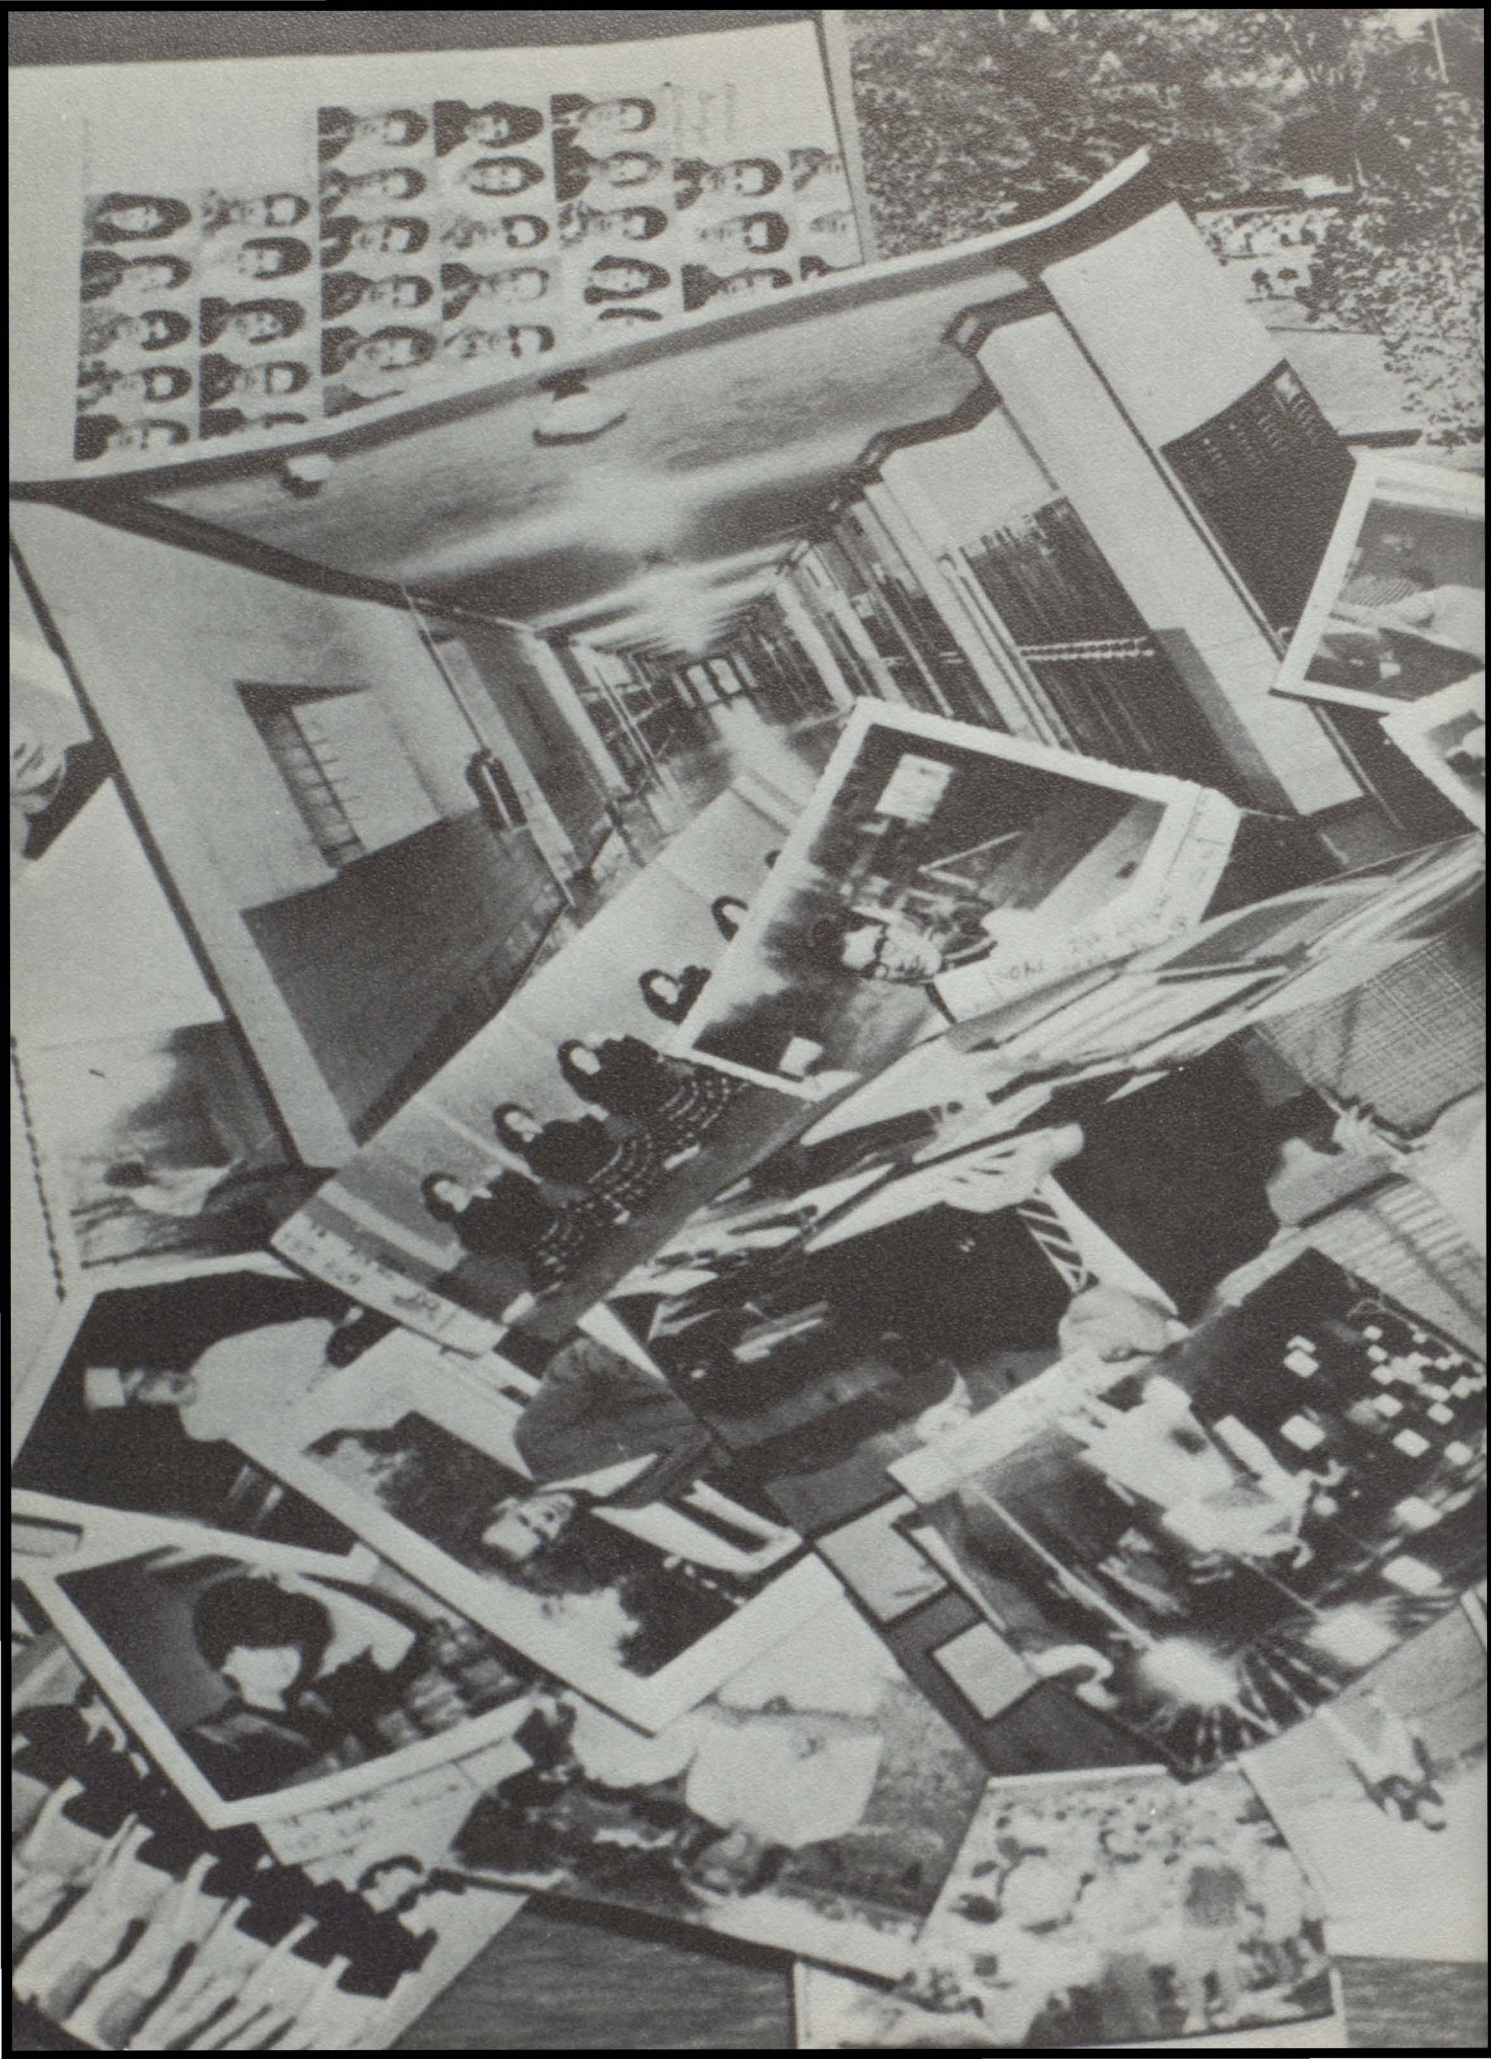

The opening game was on the home court with Dundee. Tecumseh won, 38-11.

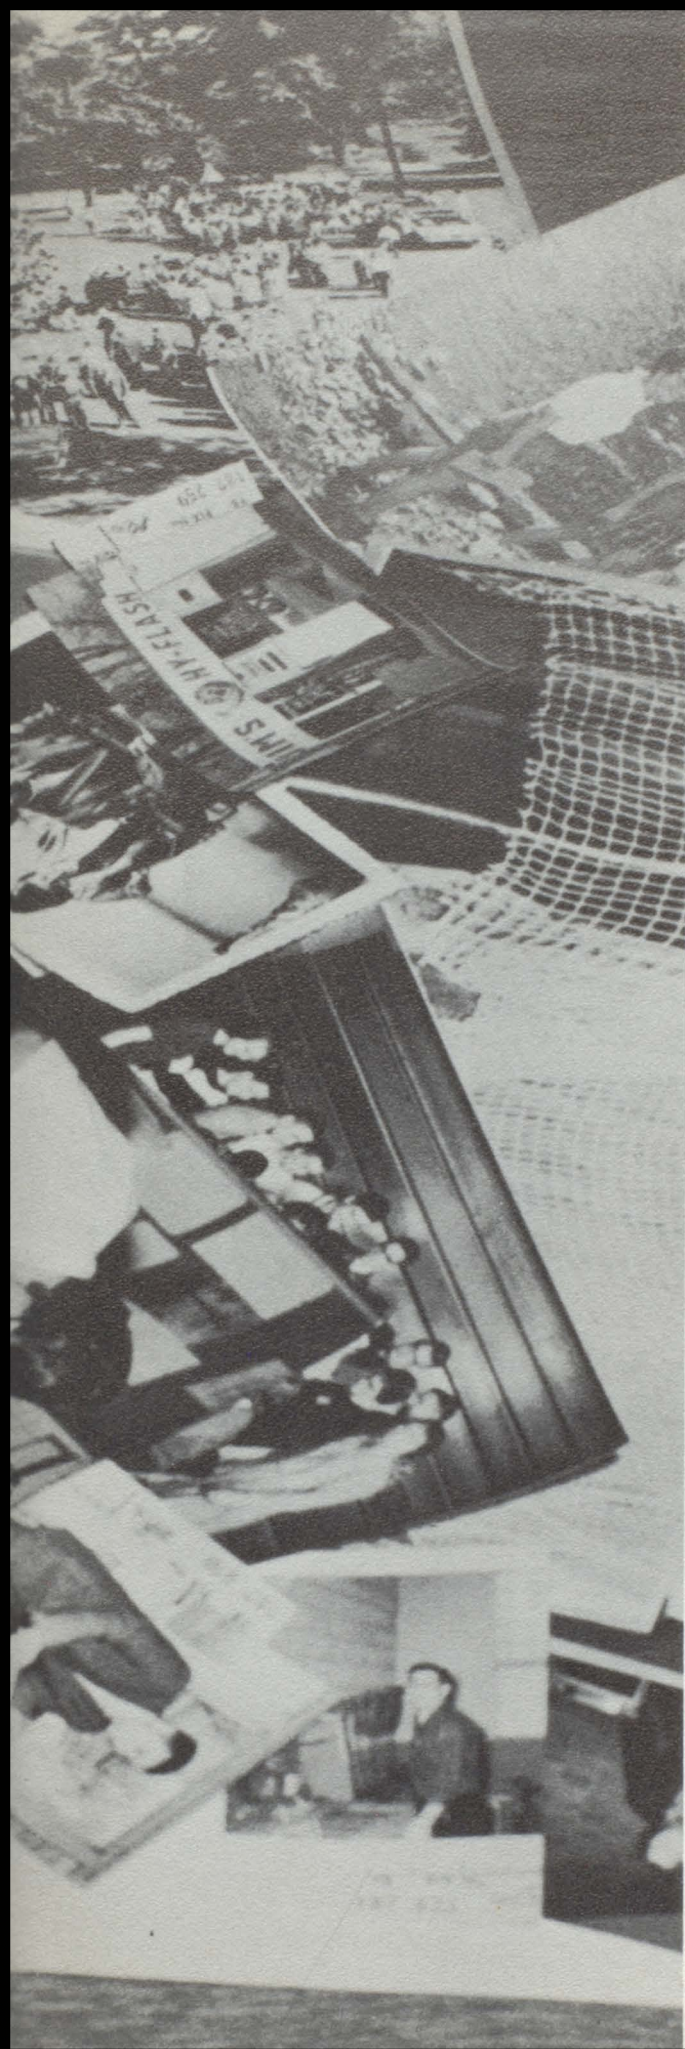

January 30 the Britton girls defeated Tecumseh 12-35. However we lost our next contest, at Clinton, 16-17.

February 13 we traveled to Milan and played one of our best games, defeating them 23-6.

Clinton played here March 6 and lost 23-13.

The squad has two scheduled games with Manchester during the latter part of March.

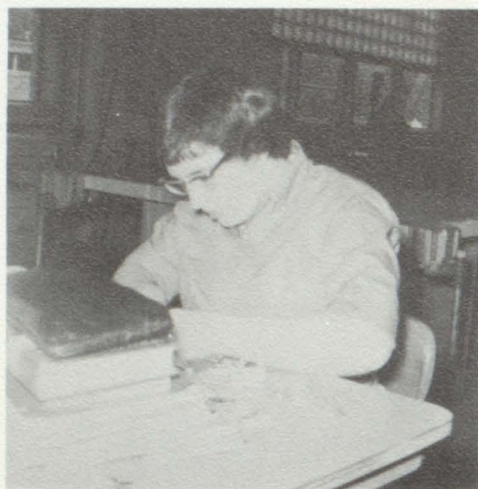

Echoes of Laughter

It is hard to forget but more fun to remember those hilarious and sometimes embarrassing experiences common to all of us. As we think back and recall those events, we cannot help but remember the dreadful silences during which we realized that we had done something wrong or foolish, much to the great amusement of everyone. More often than not, it was those horrible silences of realization which proved to be worse than the actual incidents themselves.

Echoes of Commerce

A hushed and deserted business section greets the sleepy morning of each day. The bustle and noise of the previous day have been erased by the quiet stillness of early morning, before the dormant stores wake up once again and prepare to continue their respective businesses during another busy day.
