COMMENCEMENT

Graduation...this special, looked-forward-to-day,
marks the end of an era for you. Yet, it's also the
commencement of new, often unknown horizons. For
some, it means going on to higher educational levels, for
others, the time to seek employment. As one of the largest
electric and gas utilities in the United States, Consumers Power
Company offers a wide variety of job opportunities. We are always
looking for qualified personnel...the well-known "voice with a smile" to give our
customers help and information—bright, outgoing, responsible persons to explain
our many services—clerks and typists—outdoor jobs, planning and installing gas
and electric service, reading meters, driving trucks—etc.

Care to join us? If you do, please get in touch with our Division office in your city.
