A thought is

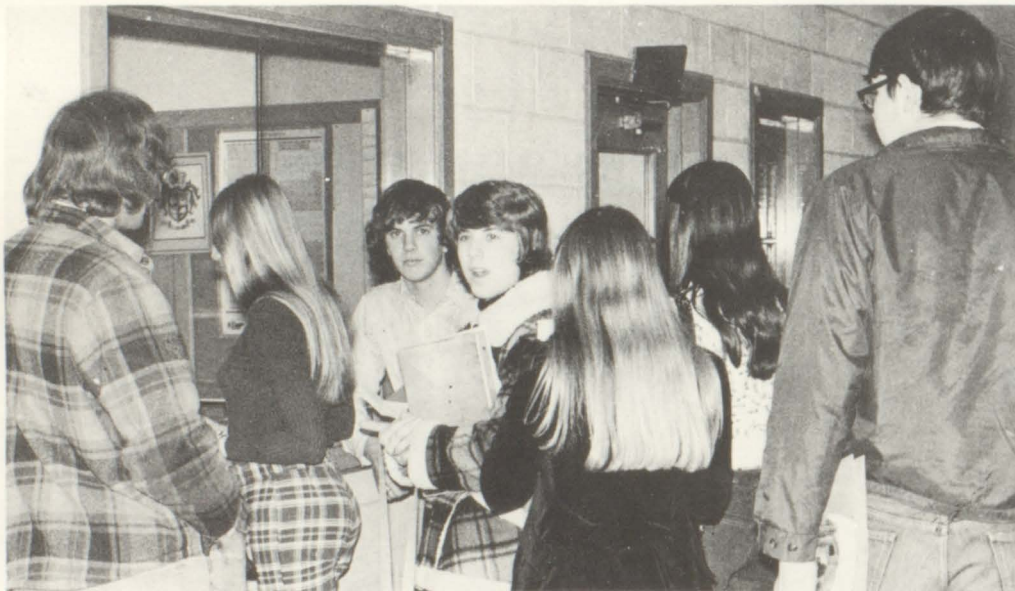

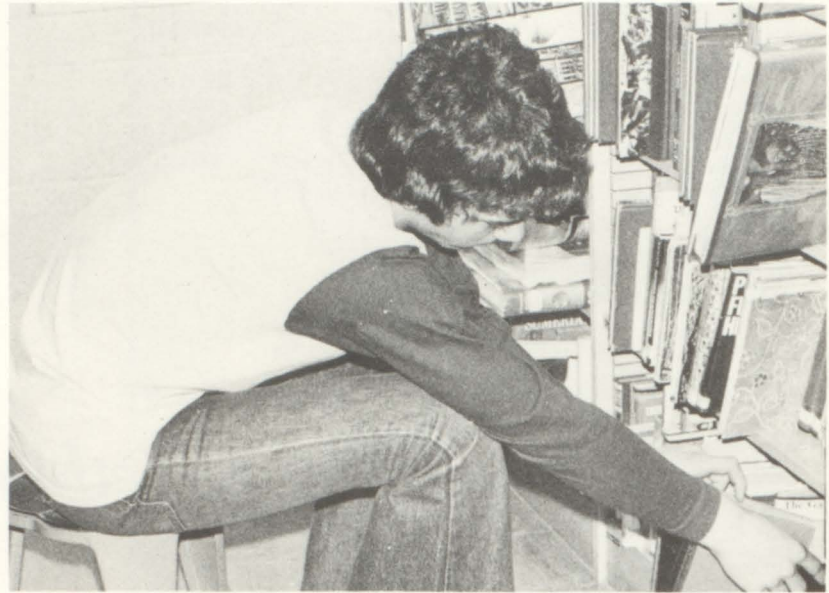

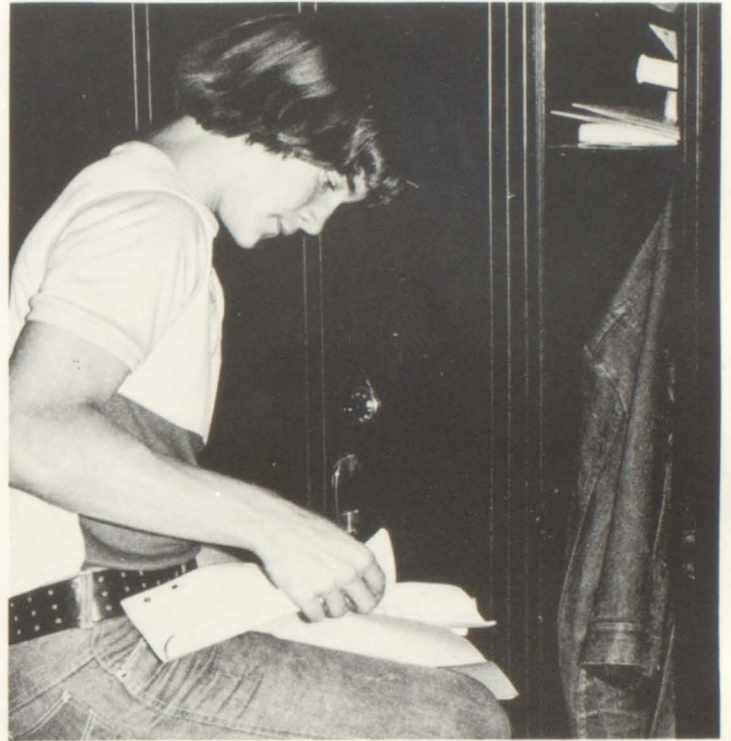

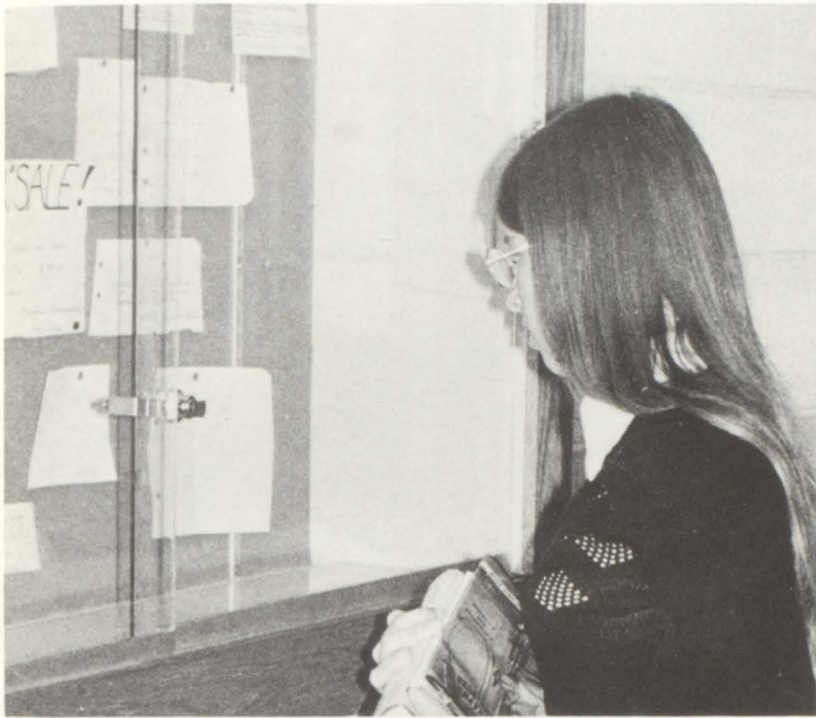

something you call your own.

Confusion is . . .

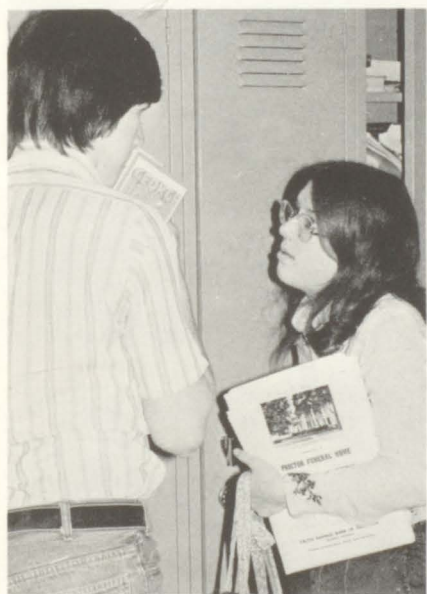

when you know what you want, but you don't know where to look for it.

A friend is . . .

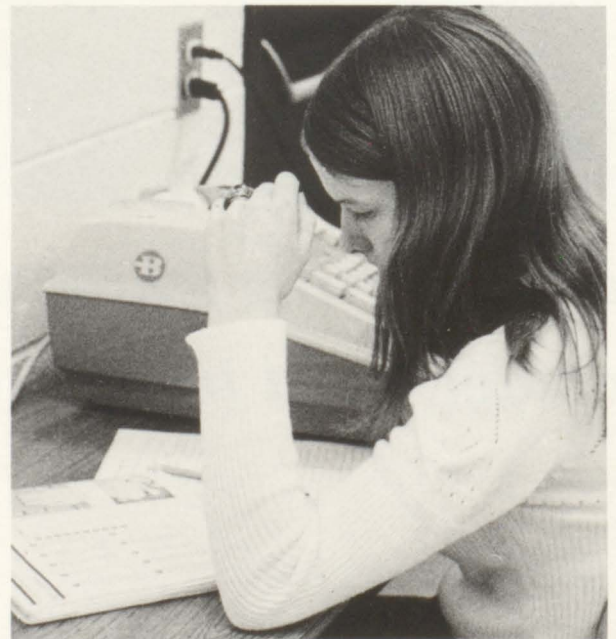

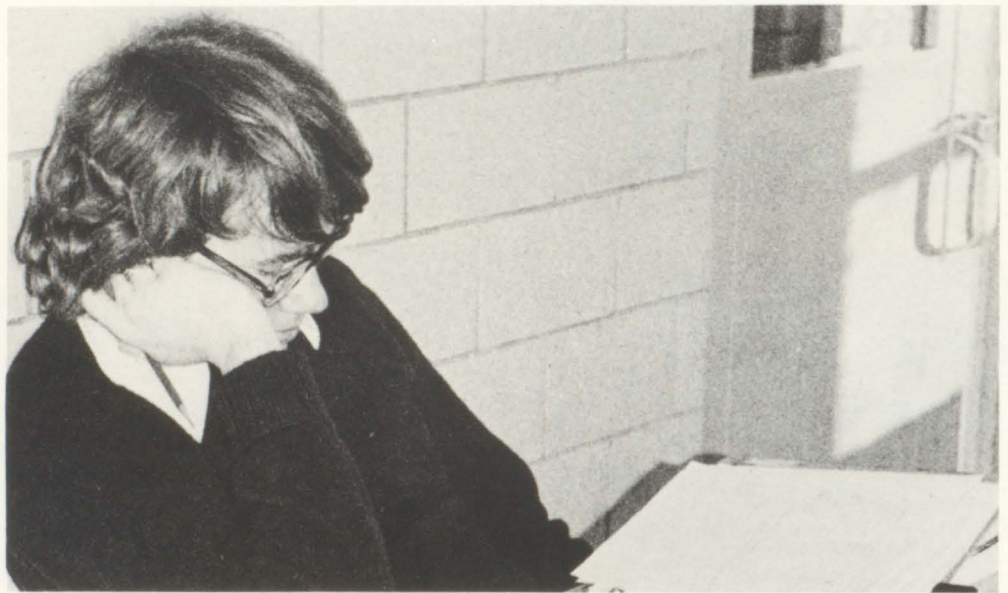

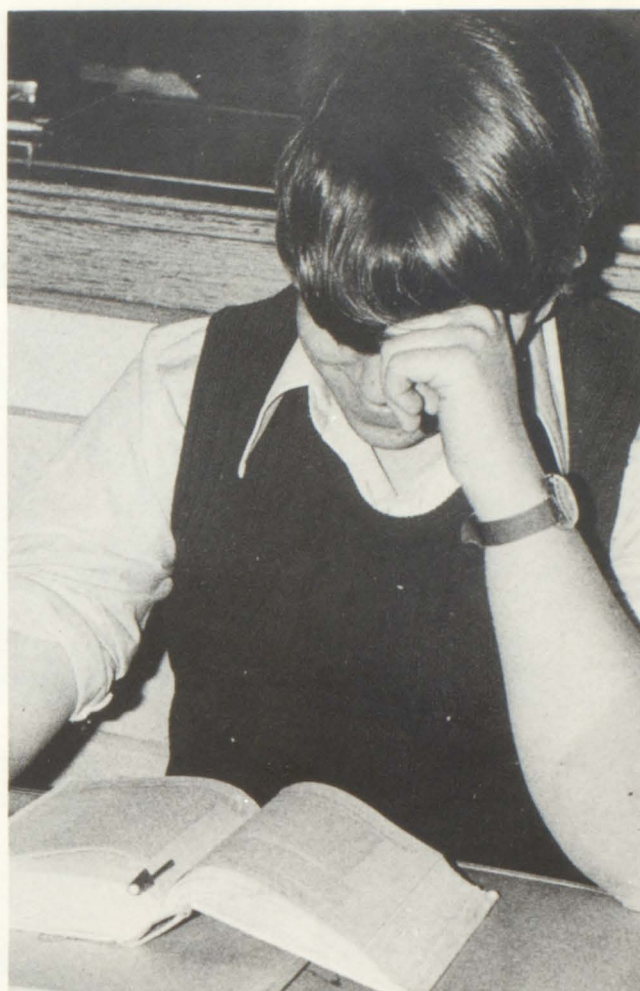

*a comforting smile and a
tender word in a time of need.*

A book is . . .

a place to lose yourself,

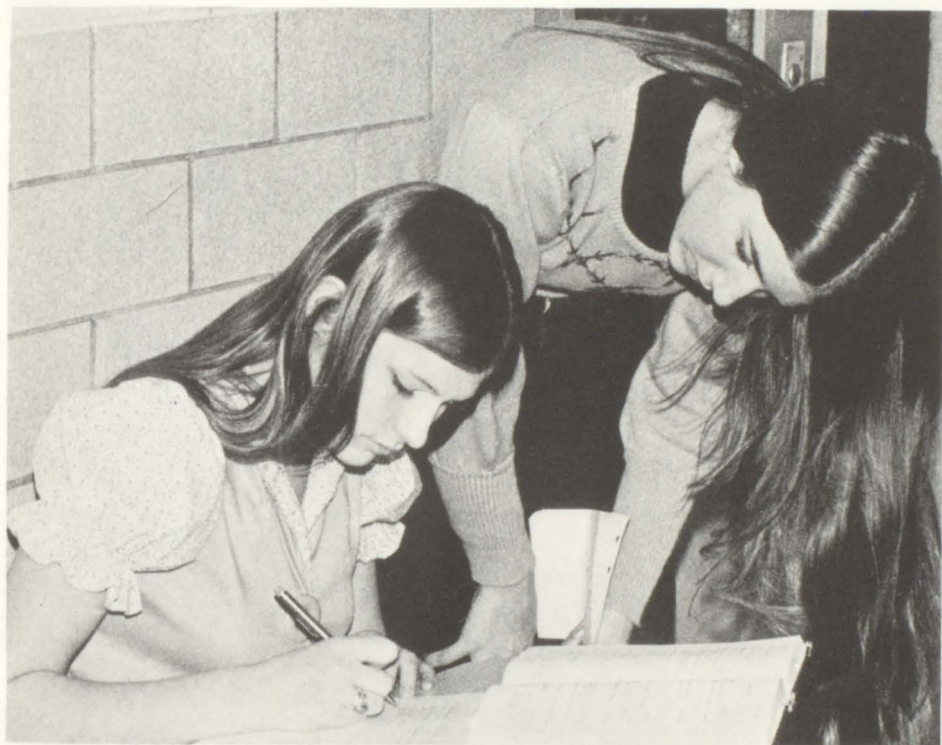

*a place to find yourself,
a place to become yourself.*

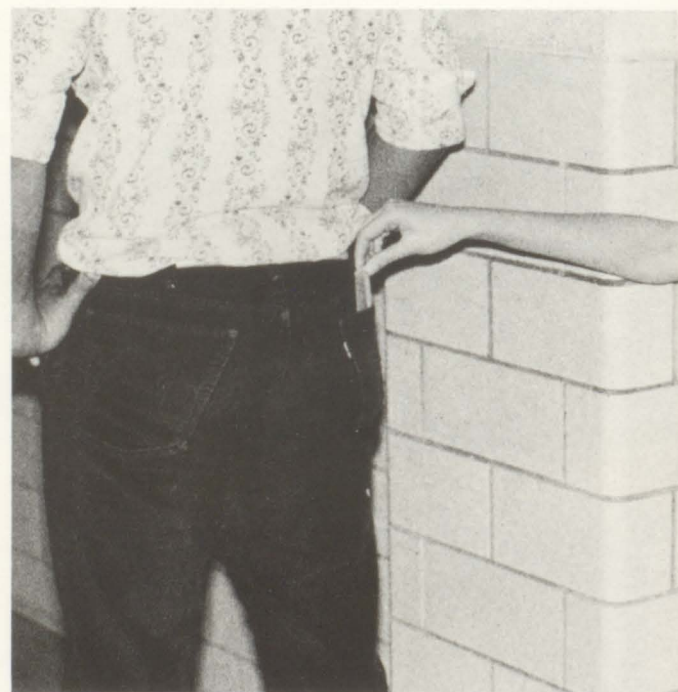

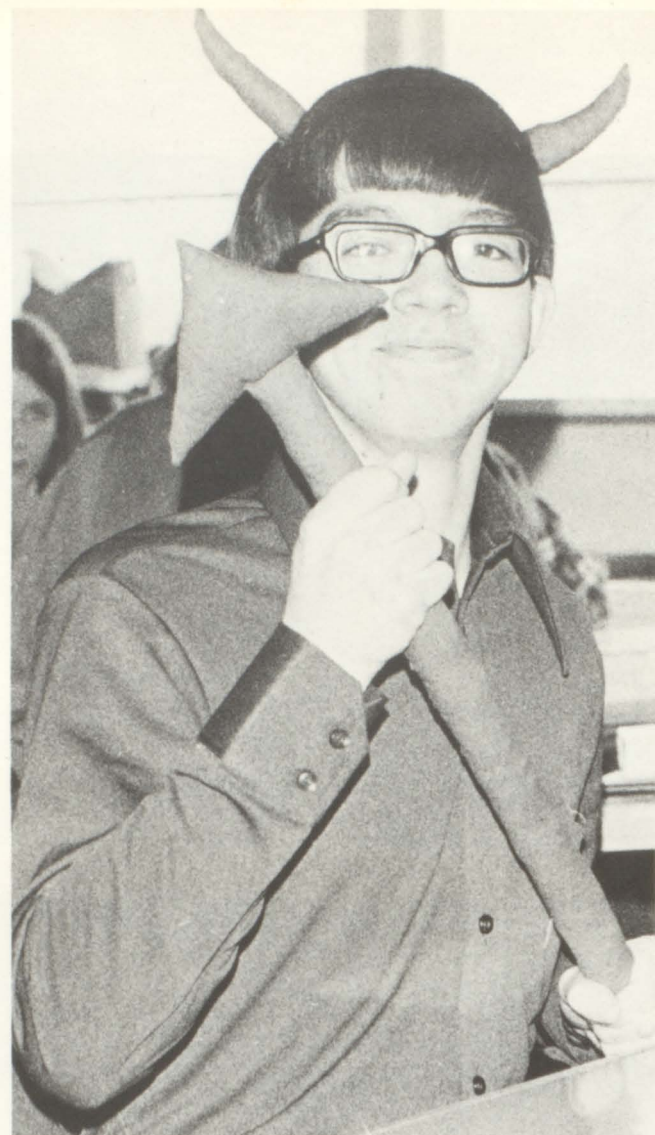

Learning is . . .

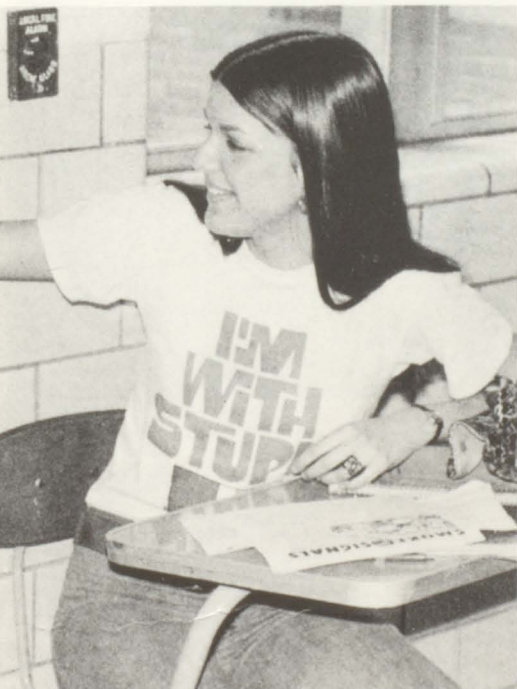

something we have to do ourselves.

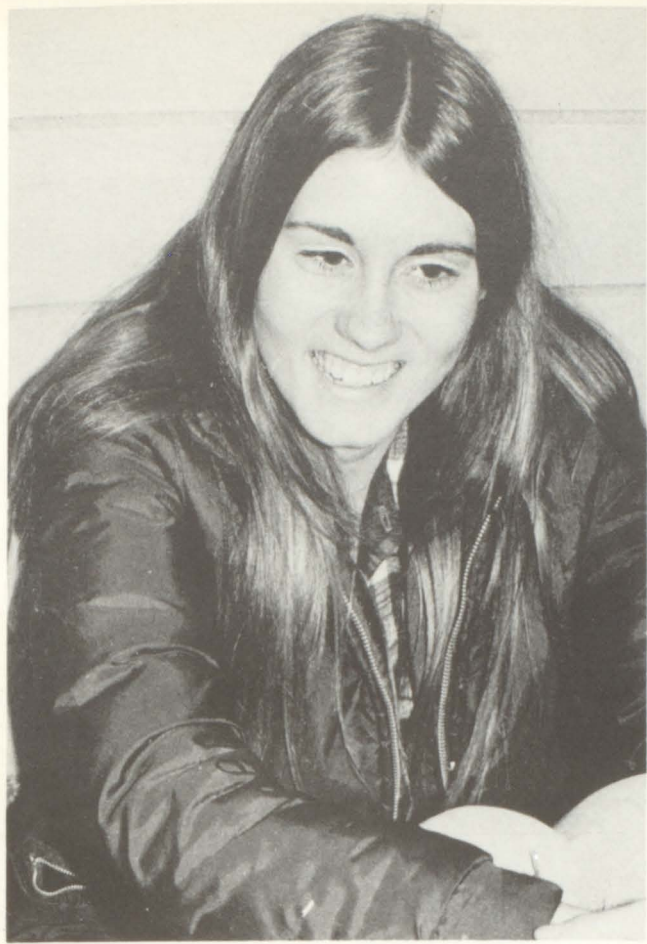

Temptation is . . .

one of your worst enemies.

Laughter is . . .

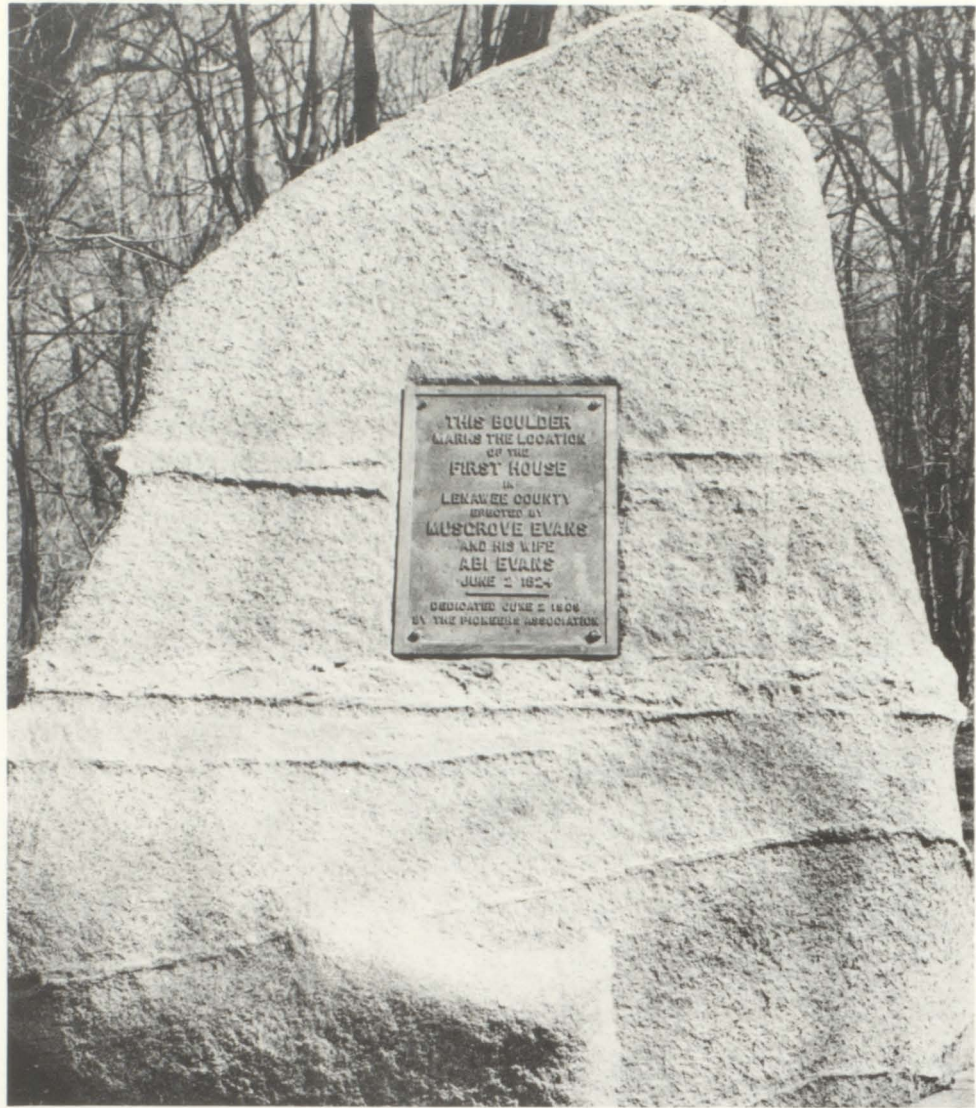

bursting forth

in the language of joy.

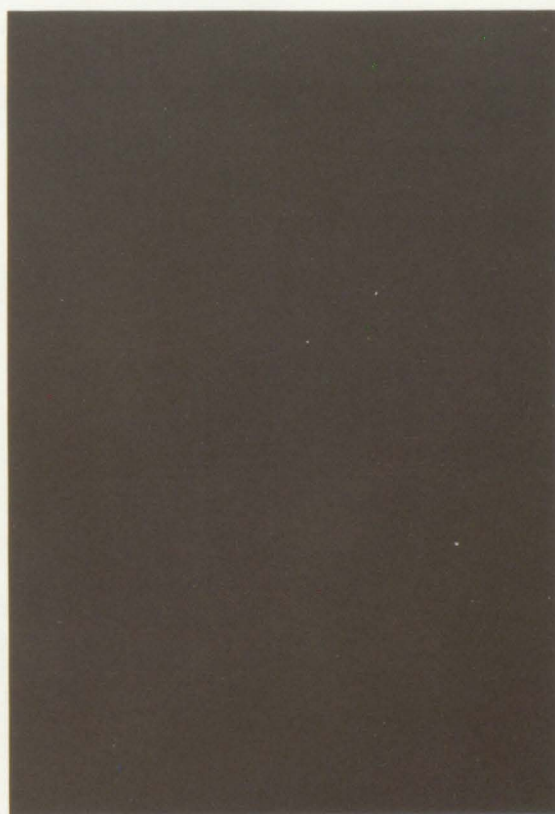

Anath, 1974, dedicates this years annual to the City of Tecumseh with our congratulations on its 150th anniversary.

STUDENT
LIFE

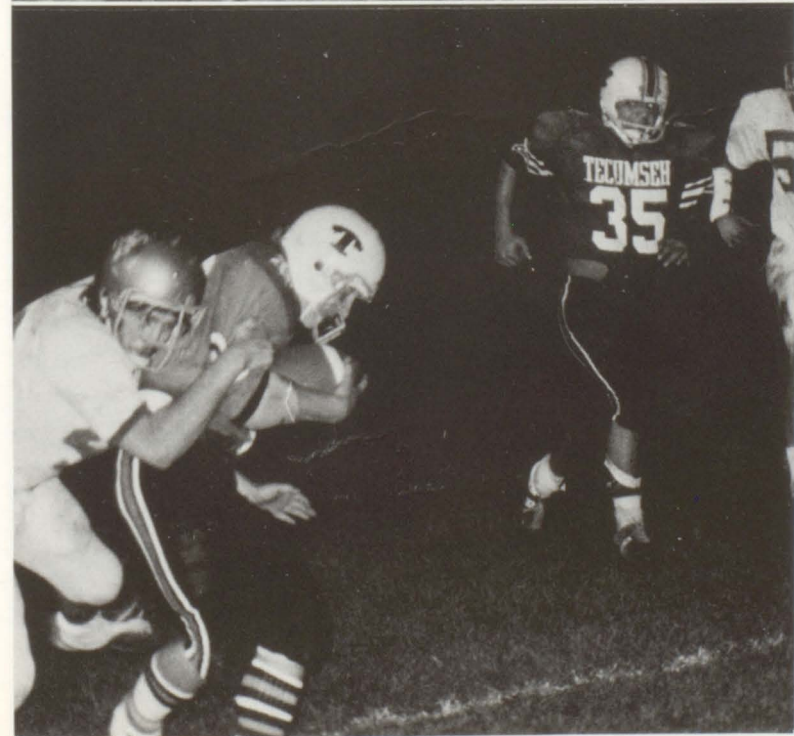

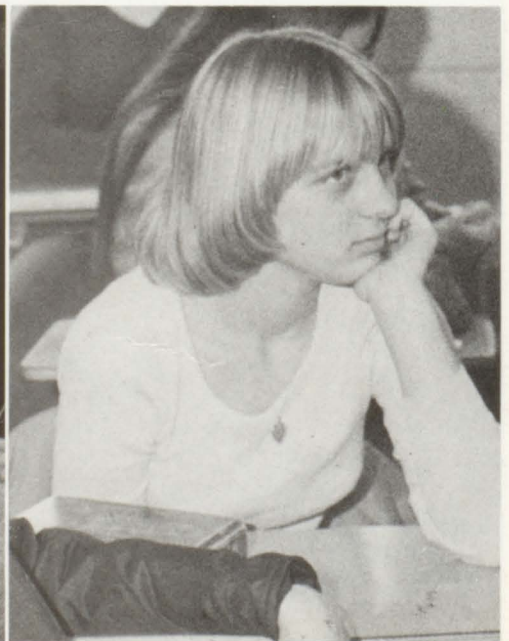

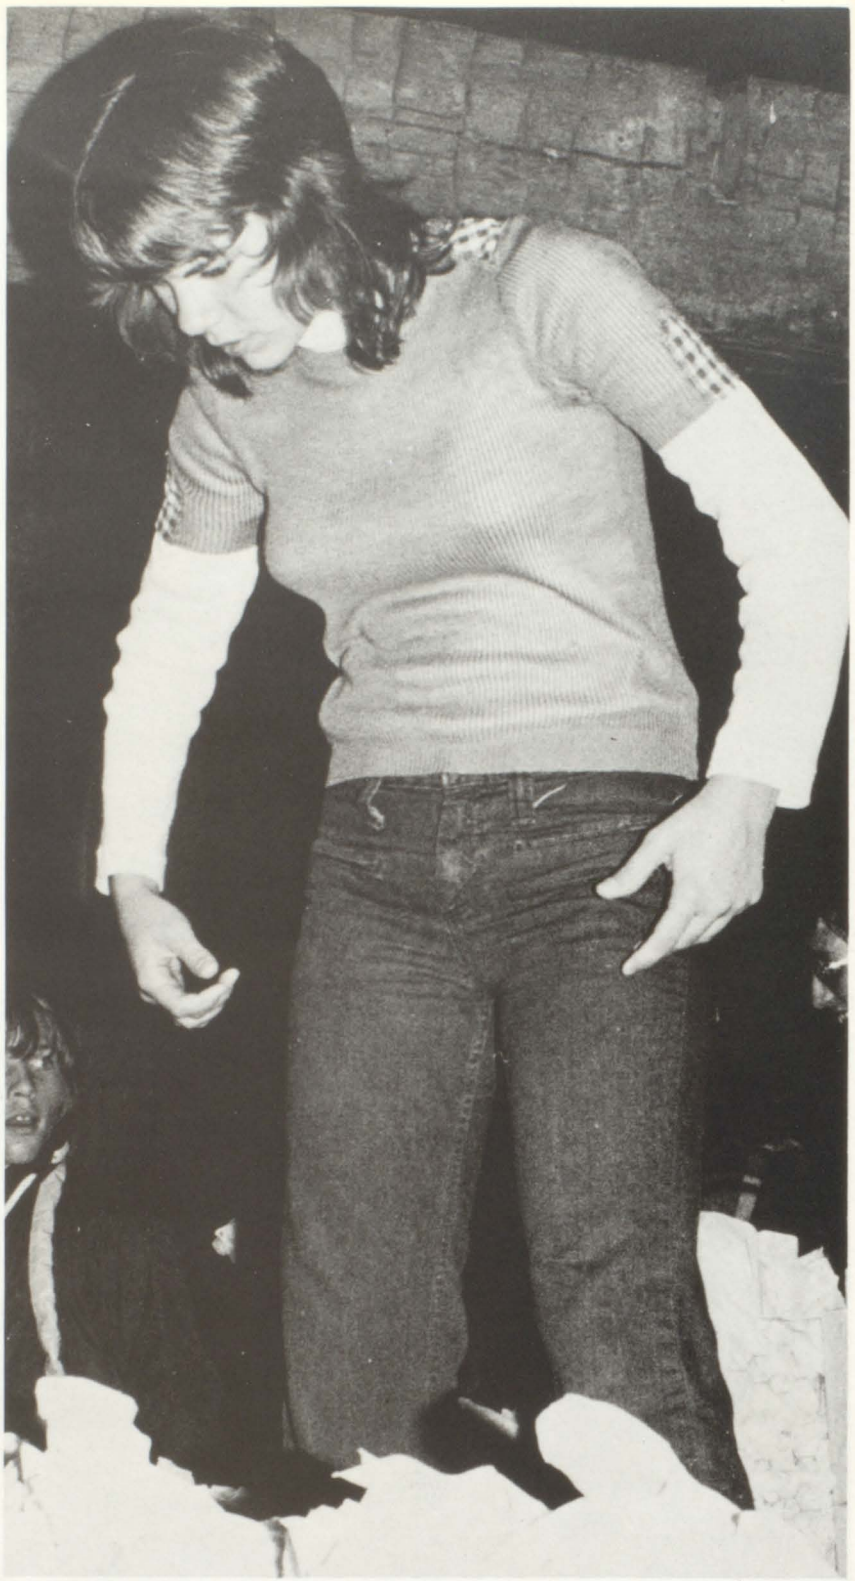

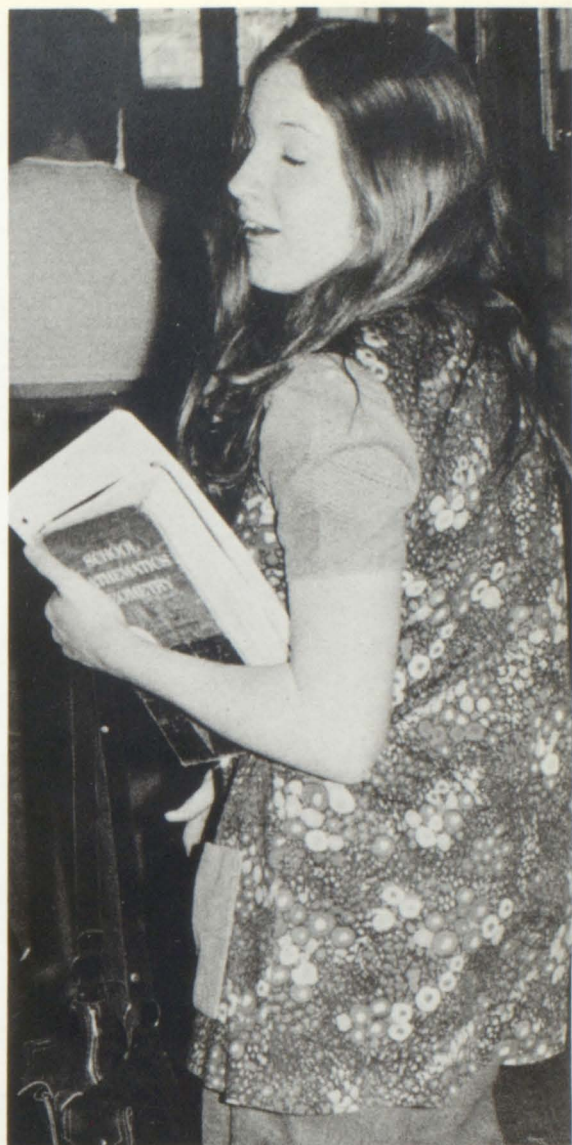

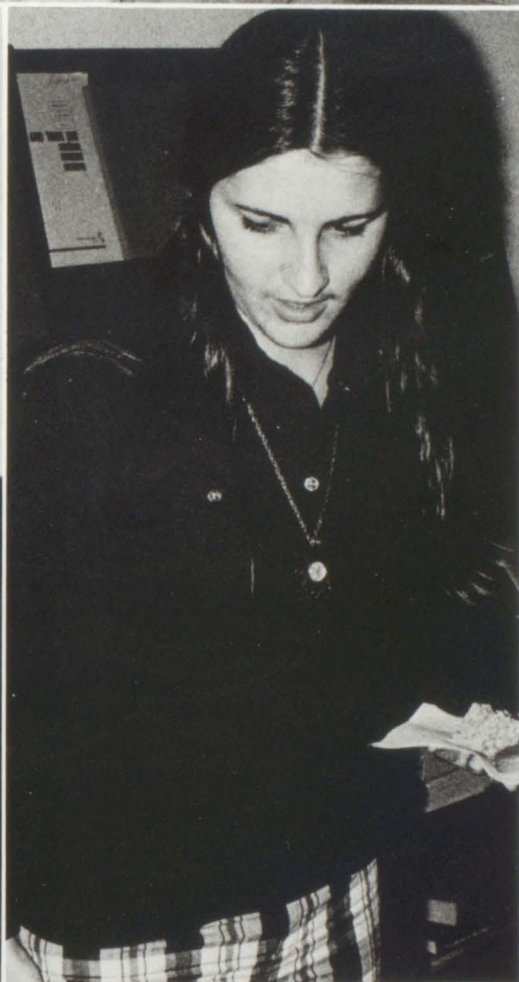

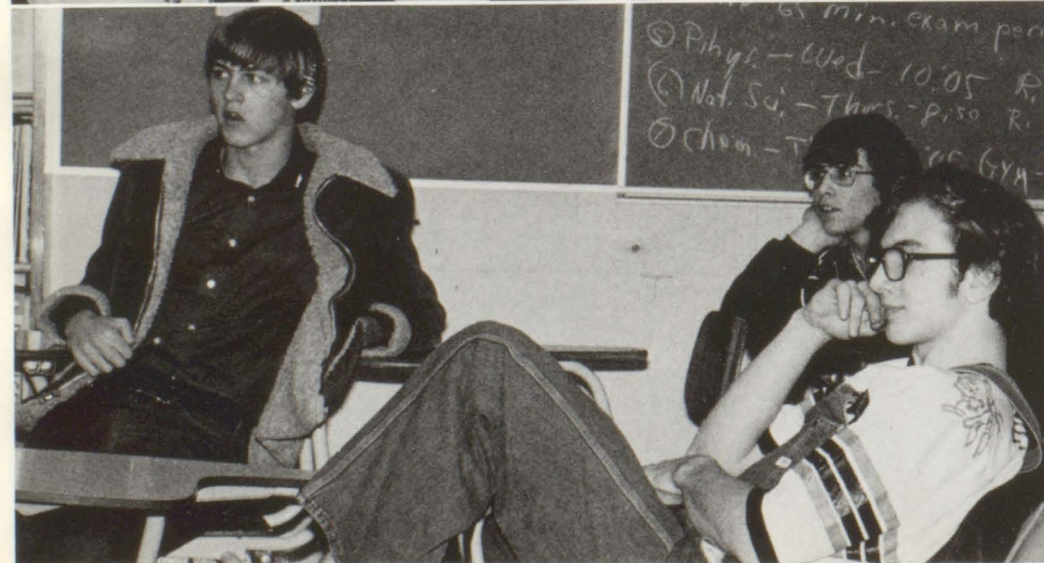

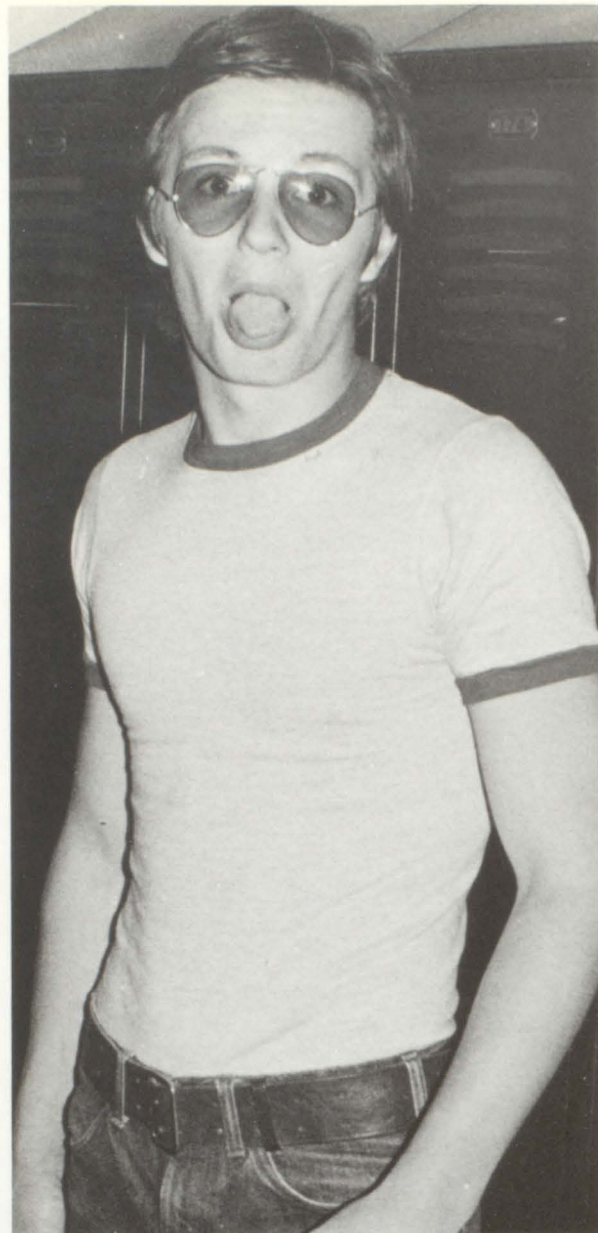

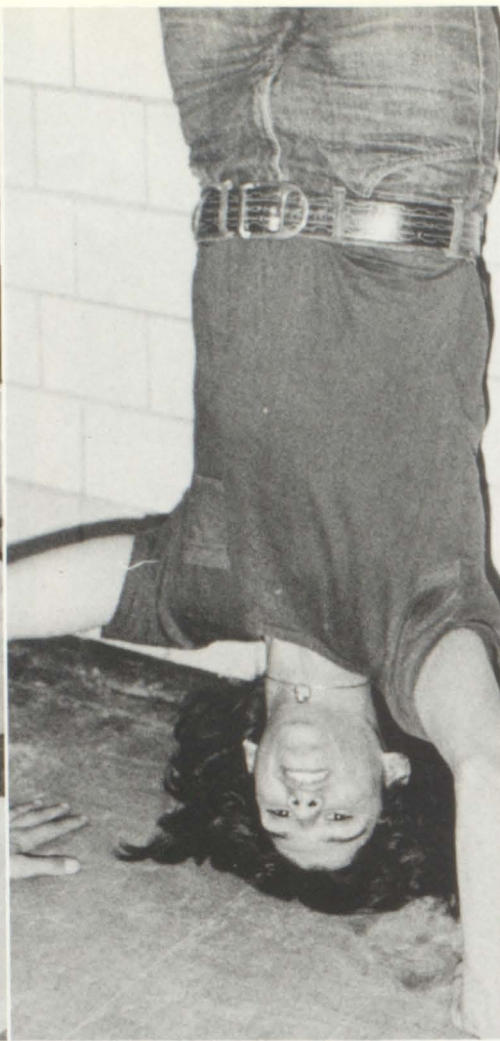

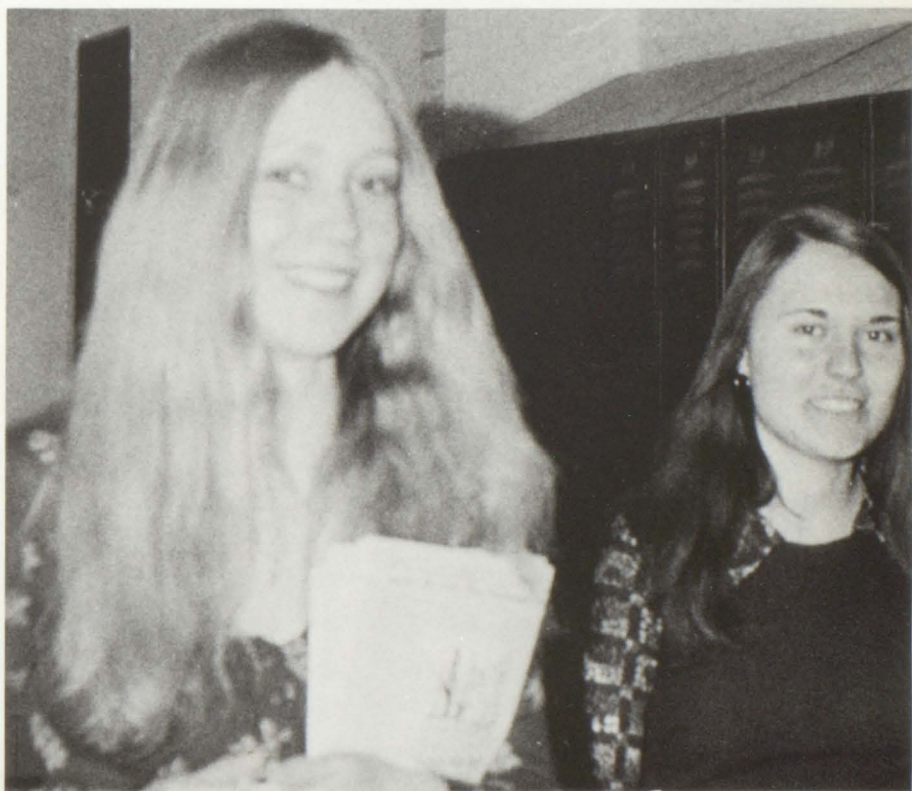

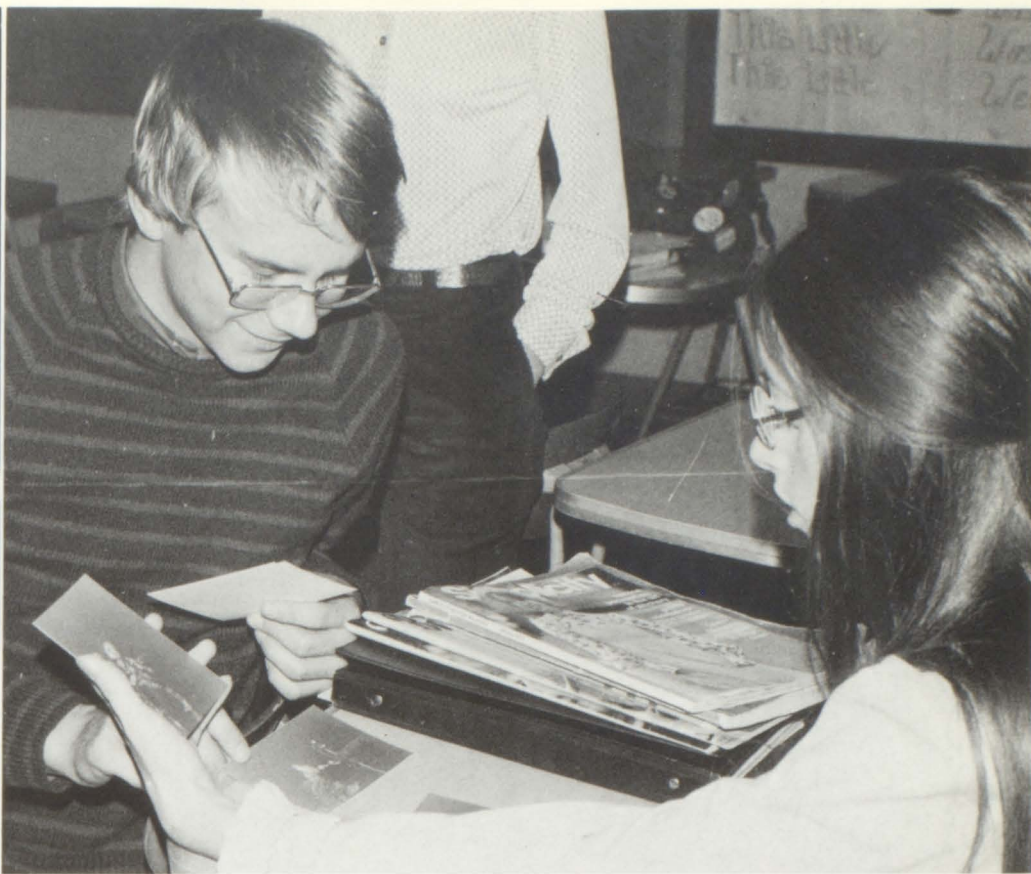

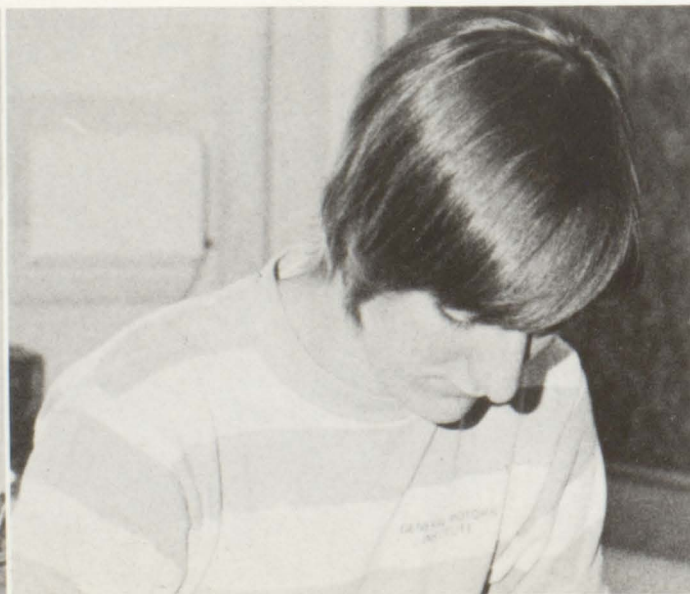

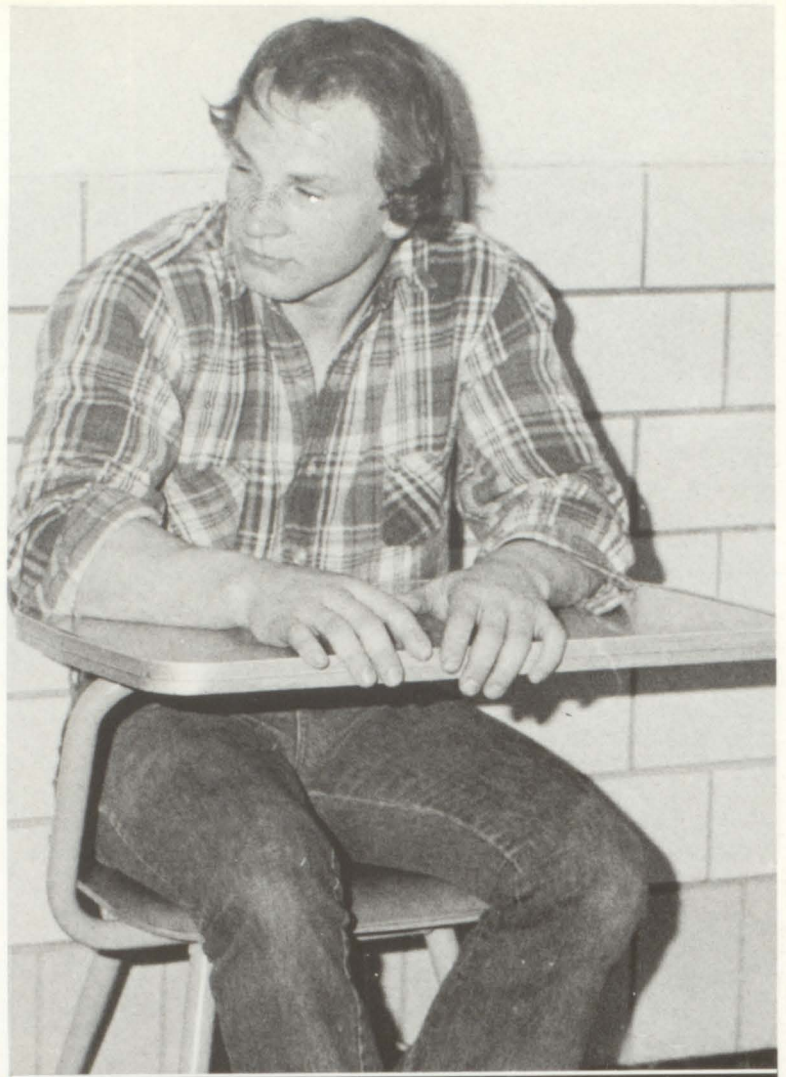

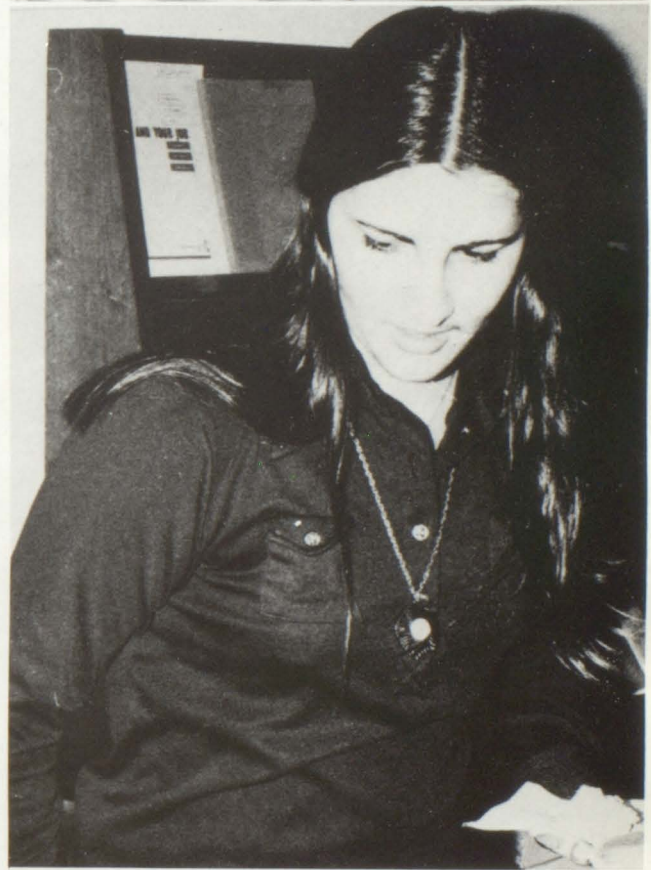

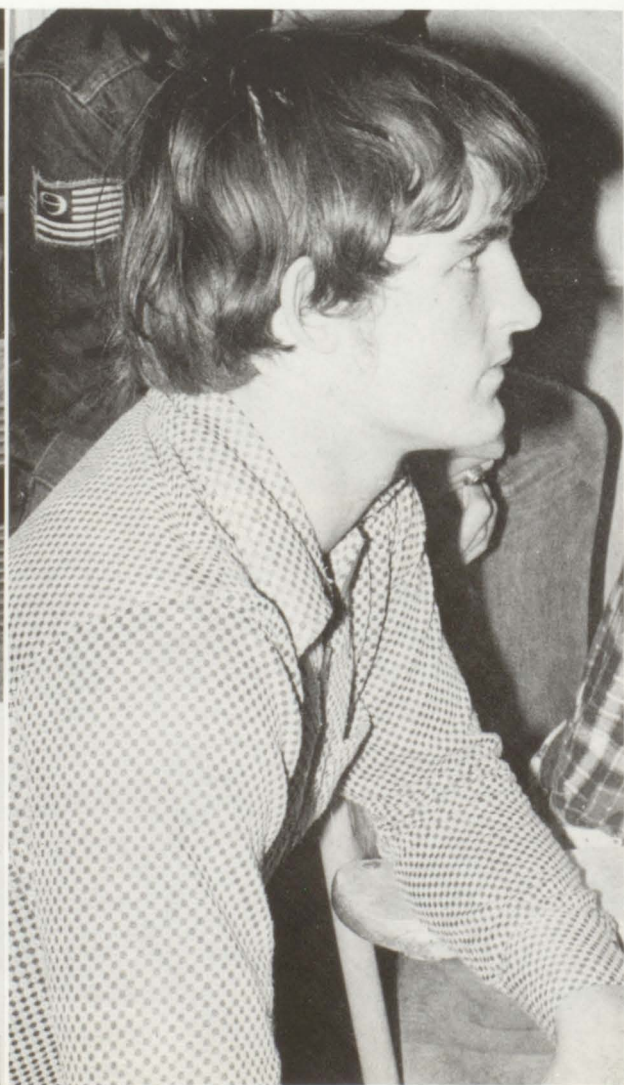

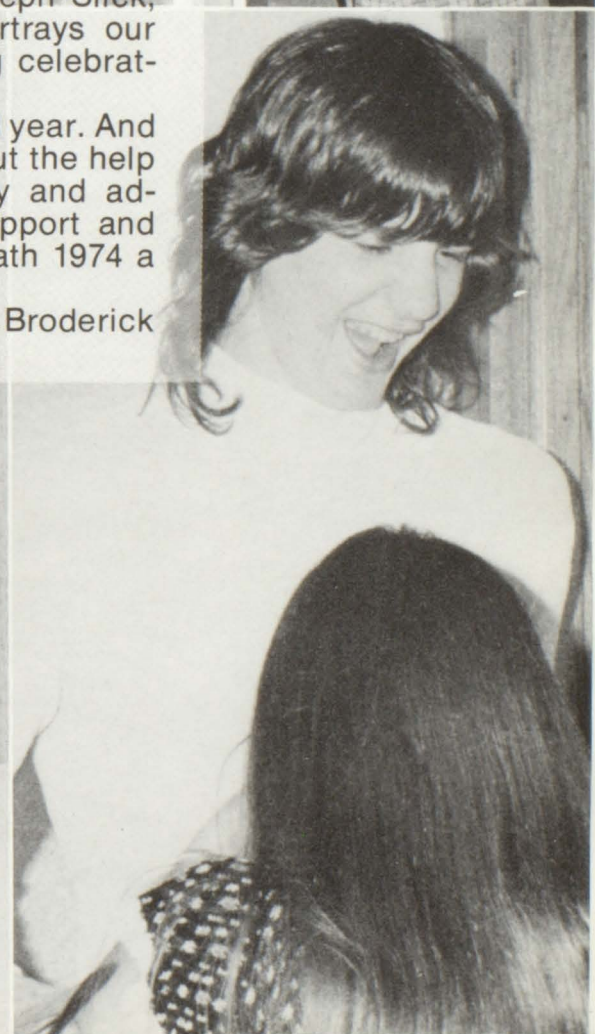

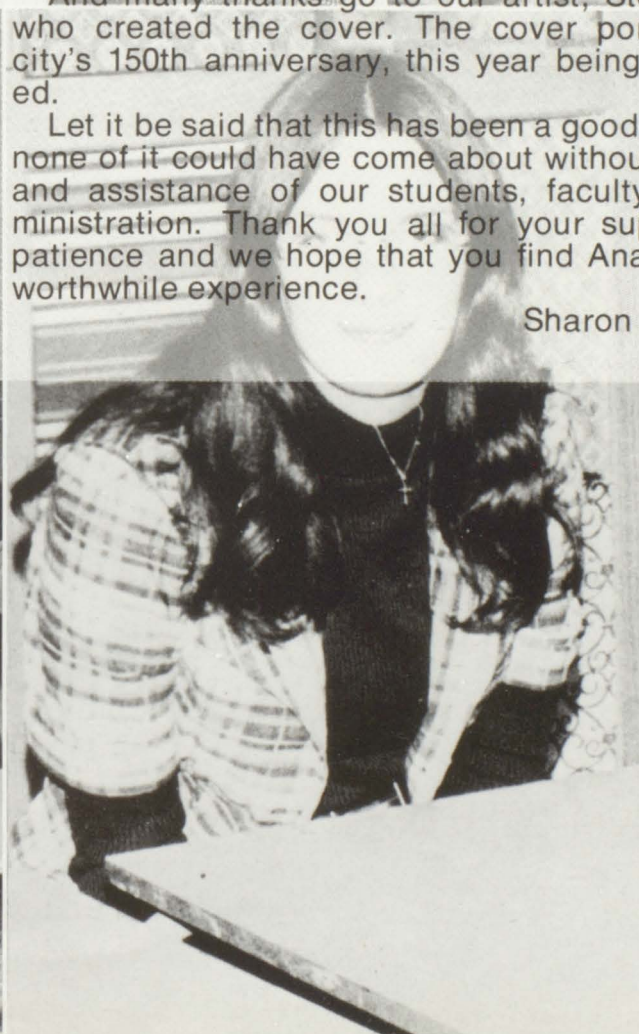

As in years past, the Annual Staff, itself, tried to create a book which grasps the feelings of THS. Well, this year, Anath '74 has been composed by all the students of THS. The intro-section is made-up of "your" ideas and emotions on the various topics. Instead of just the small few who have the privilege of working on the Yearbook.

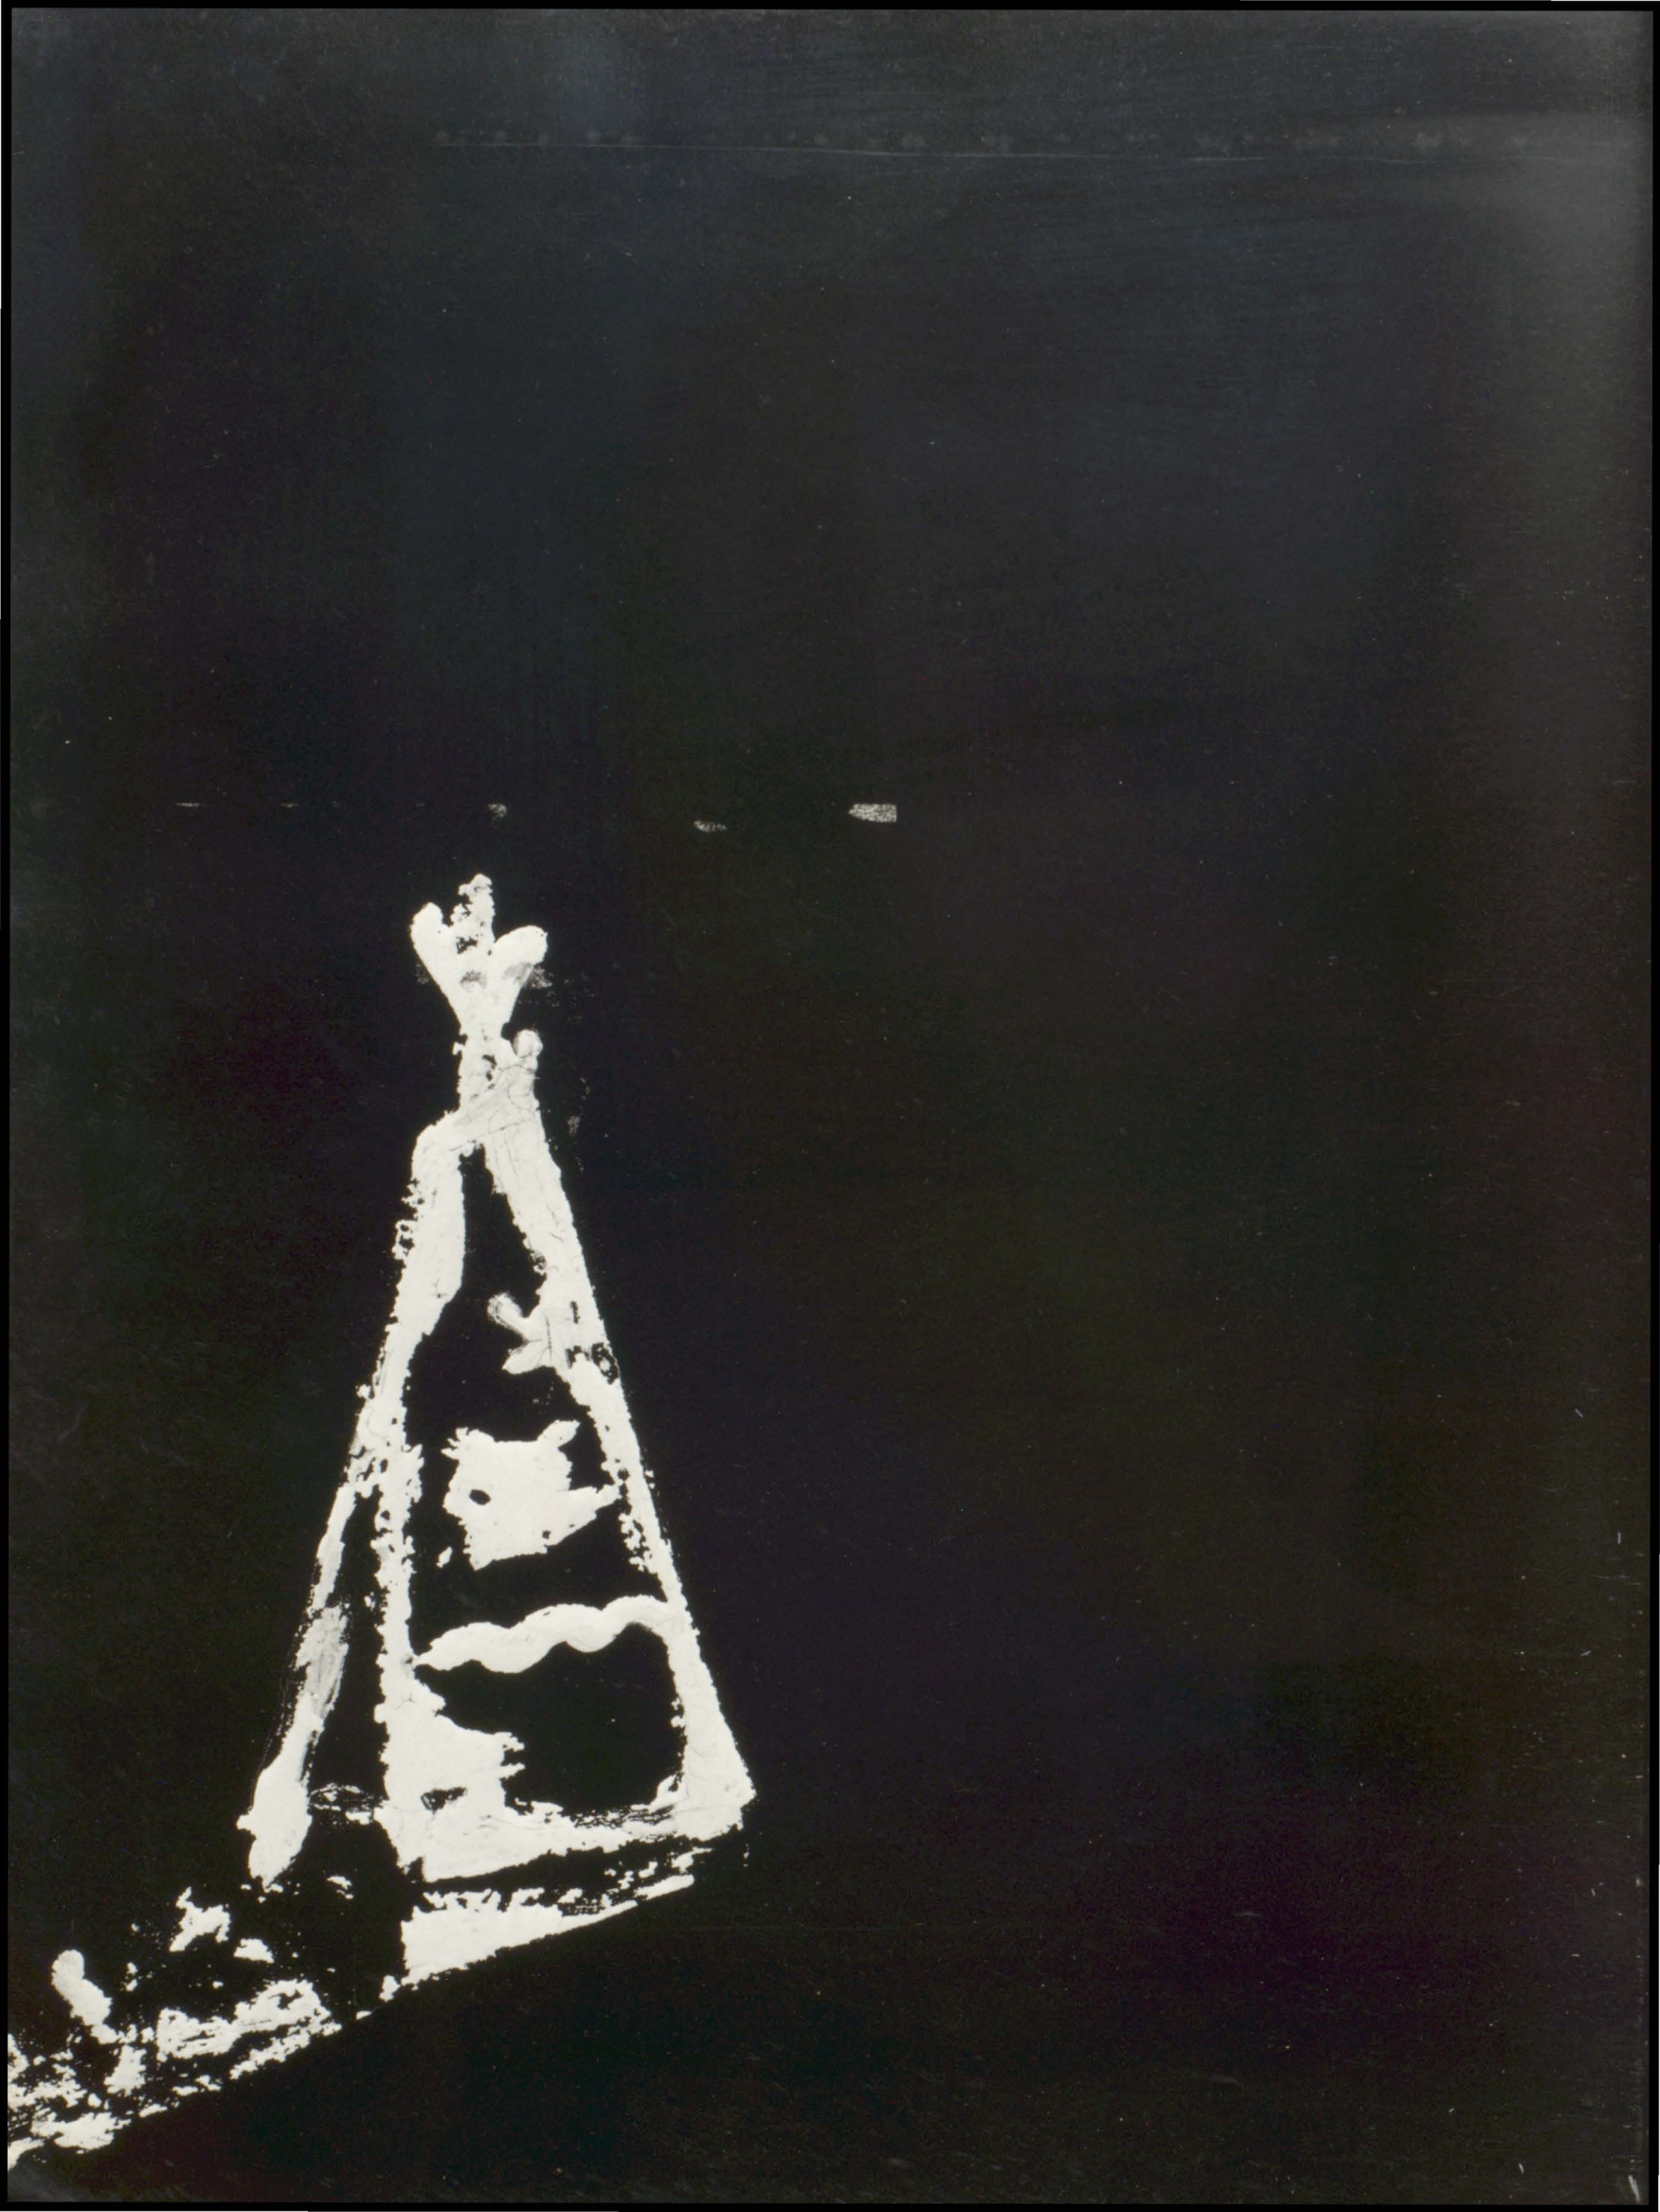

The Yearbook Staff is greatly indebted to our fine photography department. Without them, the book could not possibly instill in your minds the necessary emotions of the past year. Also, all of us would like to thank our advisor, Mr. Lovett, for his patience and trust in all of us. Sometimes it seemed as if we wouldn't pull it off on time but his deliberate prodding and help got us through.

And many thanks go to our artist, Steph Slick, who created the cover. The cover portrays our city's 150th anniversary, this year being celebrated.

Let it be said that this has been a good year. And none of it could have come about without the help and assistance of our students, faculty and administration. Thank you all for your support and patience and we hope that you find Anath 1974 a worthwhile experience.

High School Administration

This year, the Administration is in the hands of someone who has a familiar face to most of us, Mr. Dermont Poley. Mr. Poley is in charge of the curriculum, supervision, records, and also school policies. He takes care of attendance and discipline for the seniors, and also handles student, staff, and public relations.

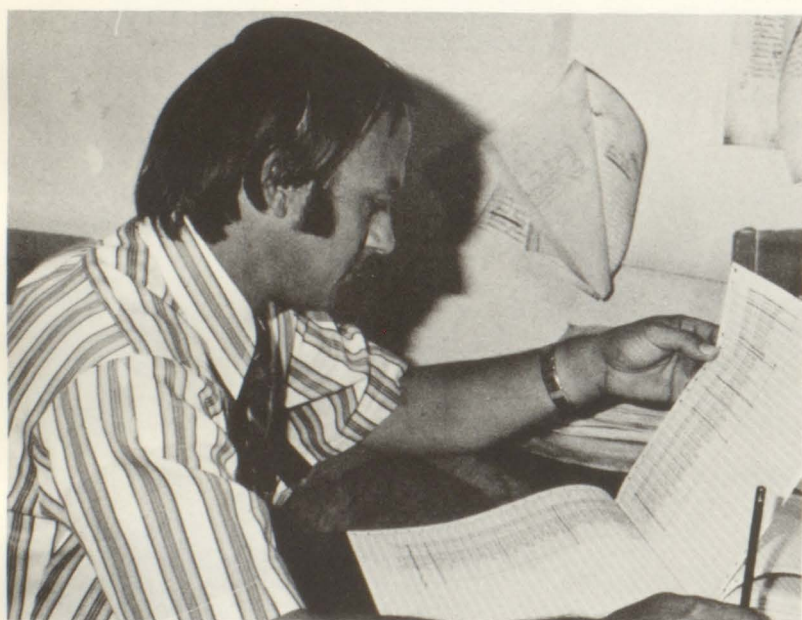

Among those familiar faces, you have probably noticed a new face in THS. Mr. Raymond Bandlow. Mr. Bandlow came to us from Port Huron and has much experience behind him. His duties are to check attendance, and discipline the underclassmen. He handles announcements, bulletins, scheduling, enrollment, and pupil progress.

Our system would not be complete without an Athletic Director. Mr. Donald Brazee is the High School's director. He also is head of extra curricular activities, such as Student Assembly, the Activities Calender, clubs, and organizations. He presides over the assemblies and publications of the school.

They all are an important part of the structure of Tecumseh High School.

Counselors

Mr. Neville L. Hart began the Counseling and Guidance services for Tecumseh High School nineteen years ago. Then in 1956, Mr. John F. Pobuda was directed to organize and administer a guidance program for the 453 high school students. As the number of students increased, the guidance services and the number of counselors grew to accommodate the change. We presently have four counselors, Mr. Thomas Muncie, Mr. Mary Fall, Mr. John F. Pobuda, and Mr. Ronald Spagnoli, who cheerfully assist the students with the help of Mrs. Barbara Johnson, the Guidance Office secretary.

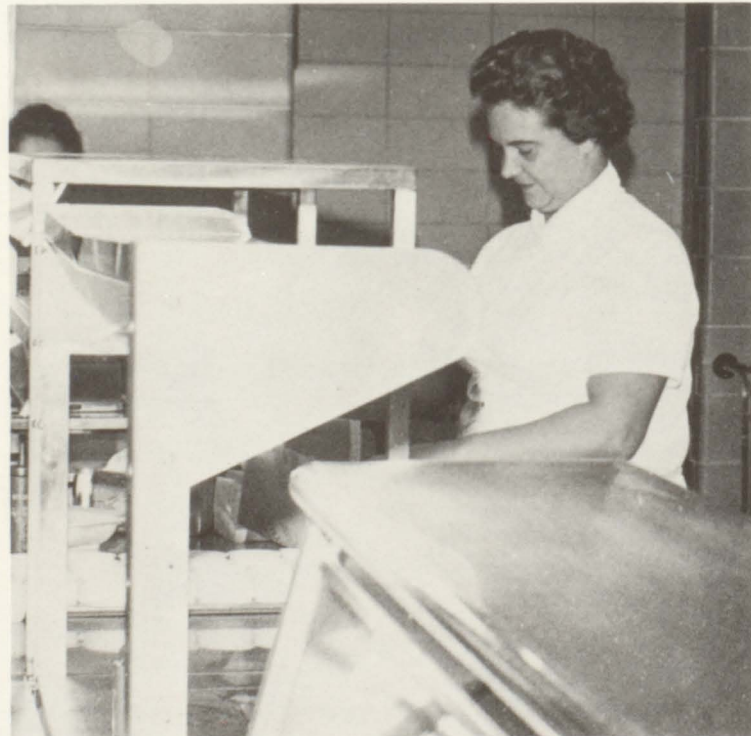

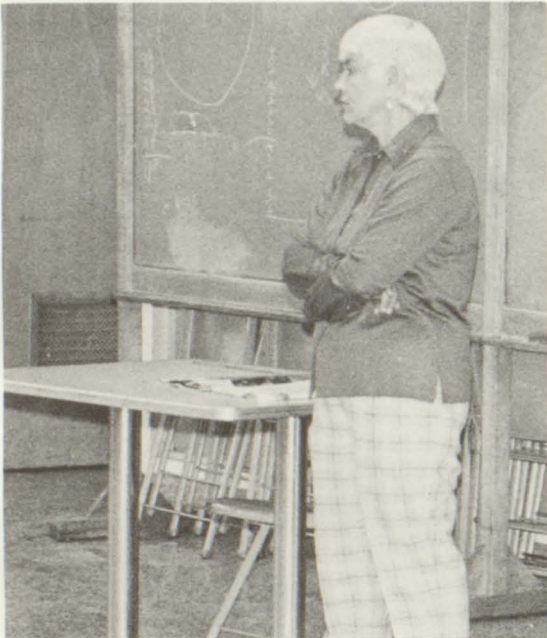

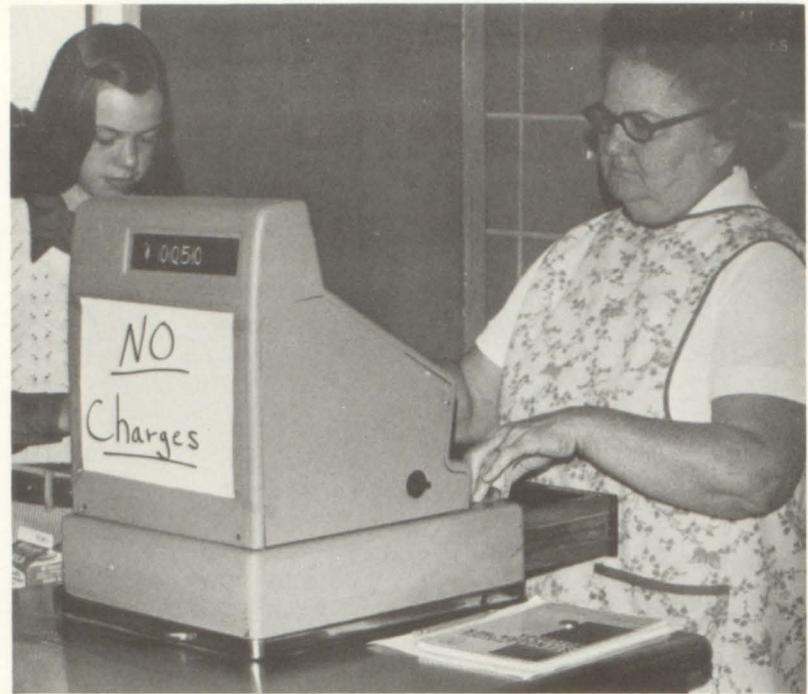

Office Staff

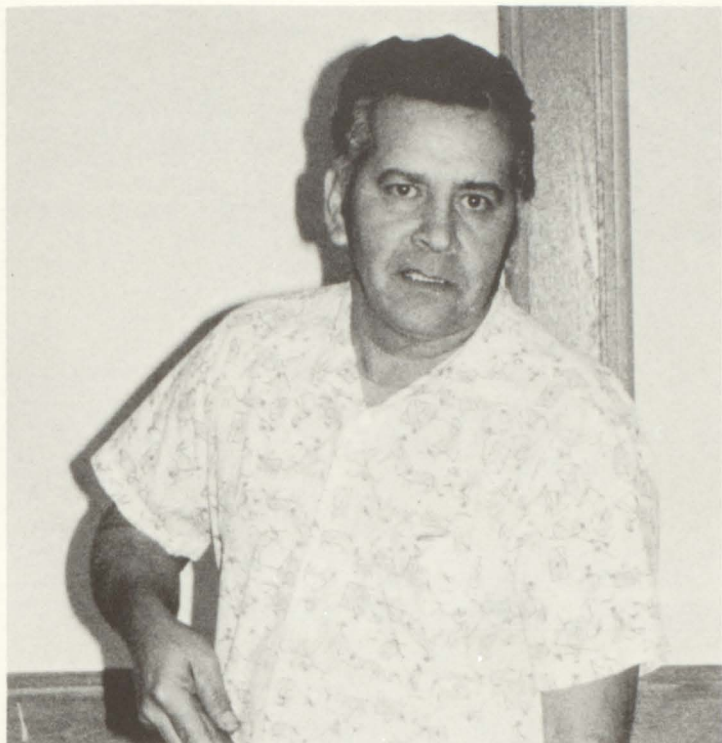

Tecumseh High School would not be complete without our Office Staff. The secretaries take care of the bookwork, typing, filing, and attendance. Personal records are kept correct and up to date. They also are very concerned with keeping the faculty, students, and Administration informed, organized, and content.

Cafeteria

The women who work in the cafeteria come early in the morning to prepare the menu of the day. Their friendly words and cheerful smiles are appreciated as students enter the lunch line. They seem to get to know the students just by seeing them every day in the lunch room.

Librarians

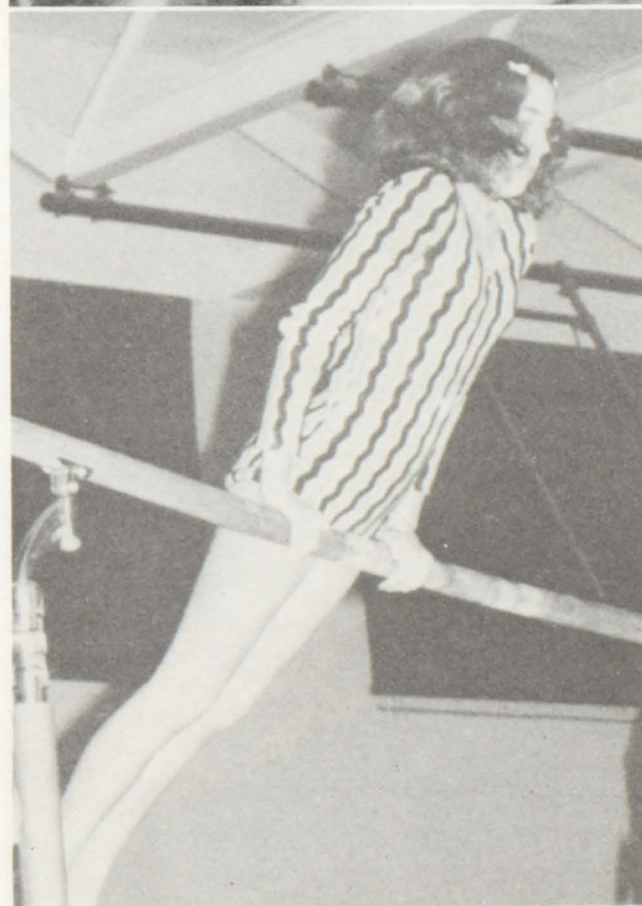

Some students have given their time as library assistants during their study hall. In taking part with keeping the library organized, orderly, and the materials circulating they received a little responsibility, and also a way to pass the time in study hall.

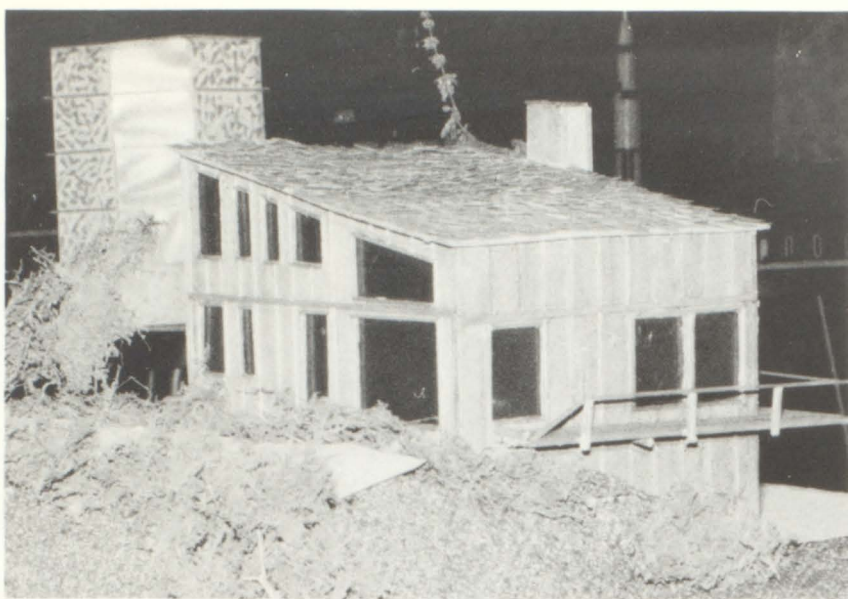

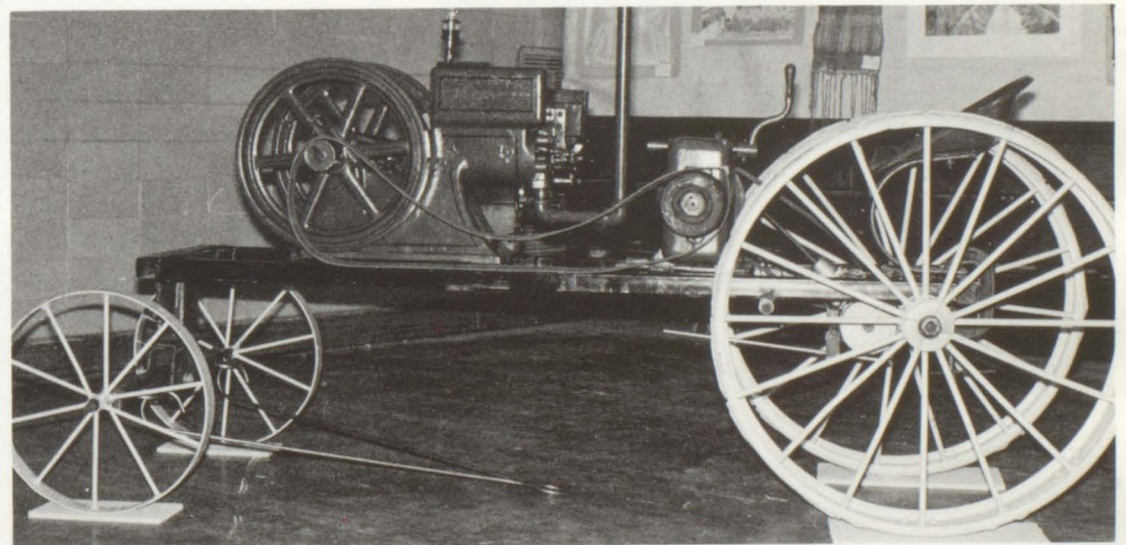

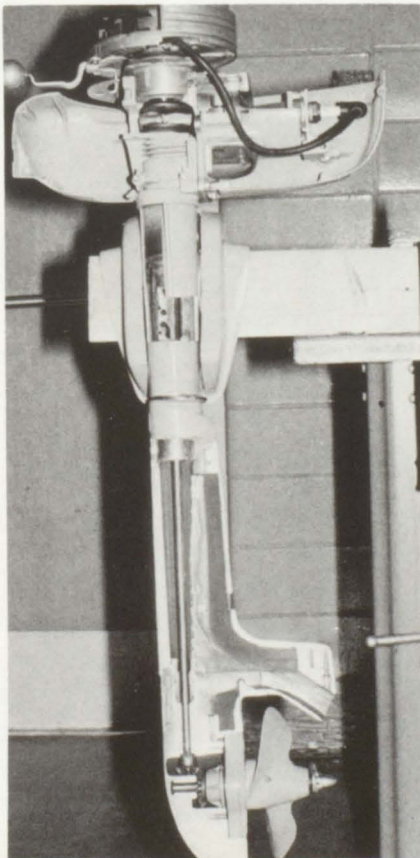

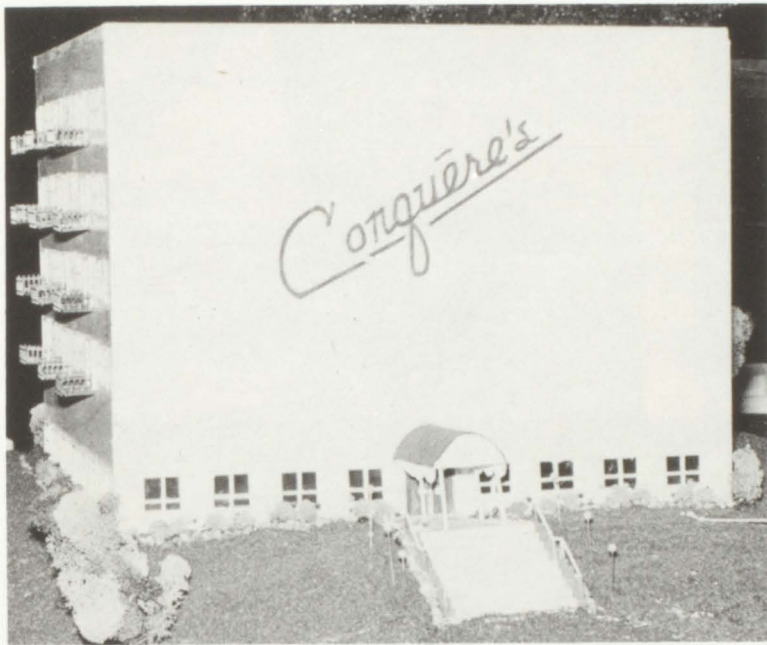

Modern Dance

In recent years a new way of expression has been developed in dance. Last year, the Modern Dance program was re-vitalized by Mrs. Eugene Cooley. Throughout the year they learned and developed dancing techniques for a spring Modern Dance Show. The Show was a success and expressed the need for dance in THS activities.

Many hours of hard work and patience went into this years Industrial Arts Show. The Home Economics, Drafting, Horticulture, Art, and Industrial Arts departments were well represented. Everything from a model engine to plant terrariums were contributed and displayed.

The high school gym was open all day for homerooms to visit and also from 7-9 p.m. so the parents could view their children's projects.

Many thanks to our talented young people.

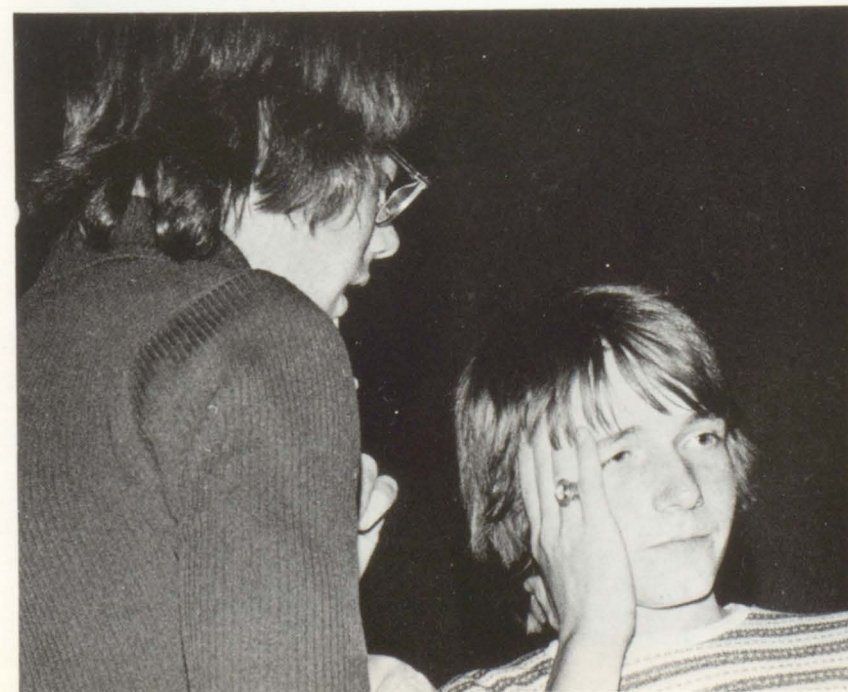

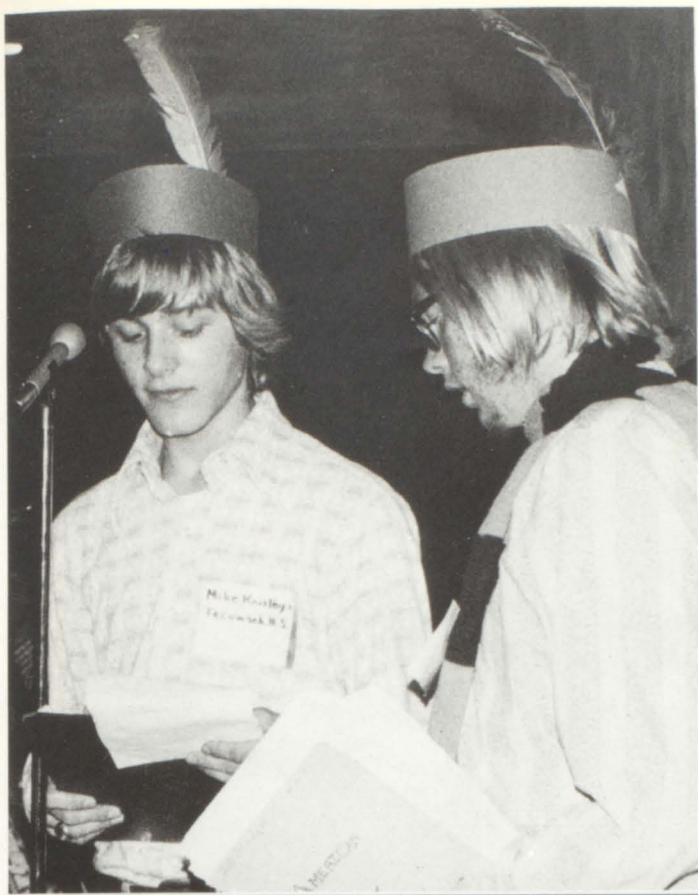

Youth Convention

Under parliamentary procedure, this year's Lenawee County Youth Convention ran smoothly and added much to the knowledge of those attending. Members of all classes, Freshmen through Seniors, attended the annual event.

The participants left early in the morning and headed for Adrian College, the convention location. They spent the entire day trying to pass their bills and pieces of legislation and also they were campaigning for the various nominees that would rule over the meeting. Sherrie MacGeorge, a senior from Tecumseh, was unanimously voted in as Parliamentarian of the 1973 convention.

Many thanks and praises we send to our fine classmates for their show of leadership.

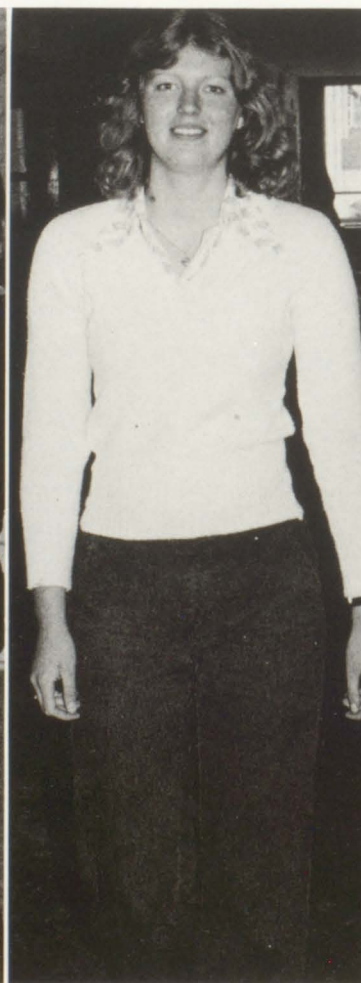

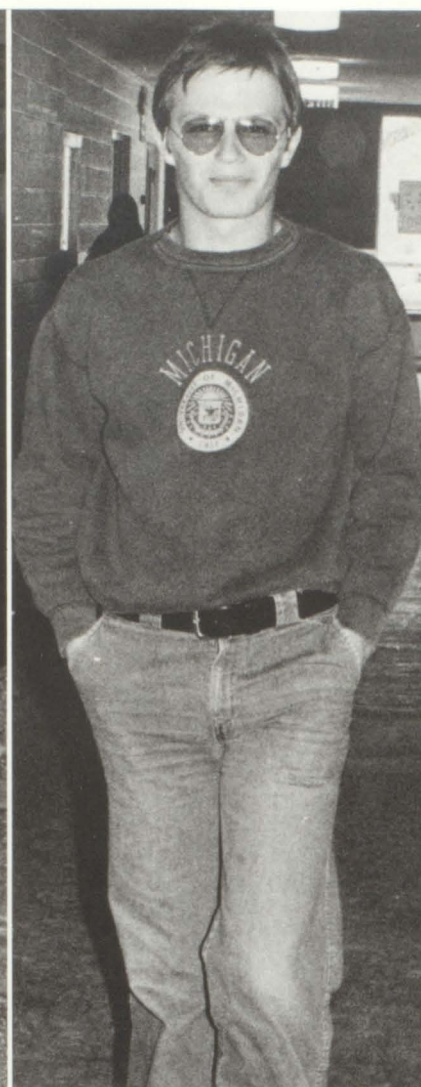

Exchange Students

Our three exchange students have found 1973-74 to be a year of discovery. Trixi Luftt is from Germany and spent the year with the Max Hallett family. She thoroughly enjoyed her stay in the United States, with its many customs and traditions. She was active in the Girl's Intramural sports and also the Junior Play.

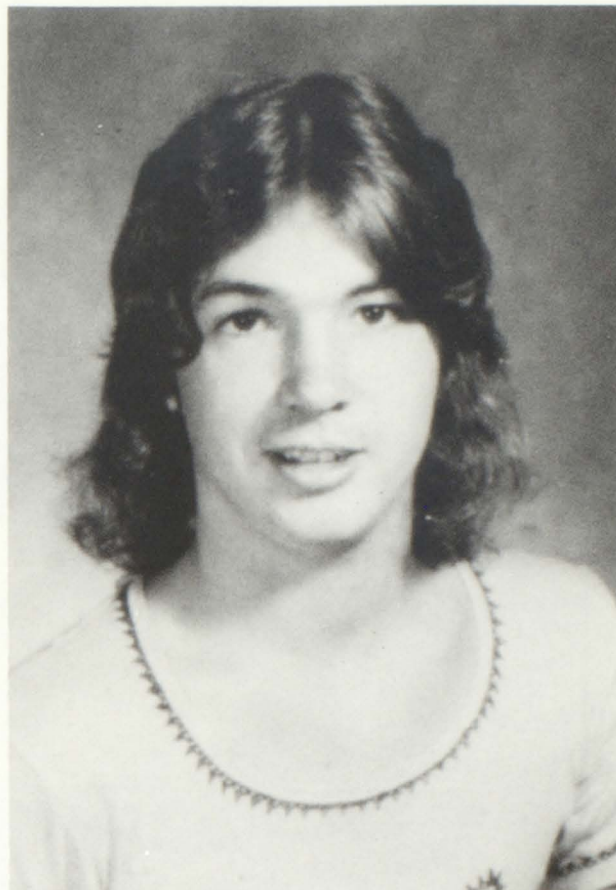

This year Tecumseh had two students from Sweden. Annika Petterson came to us in December to live with the Earl Baldwin family. She adjusted to the American lifestyle quickly and she was always ready for fun.

Also from Sweden was Magnus Grundskog. Magnus played Varsity Football and Intramurals. From his Swedish tongue-twisters to his ever present ambition to have fun, Magnus added much to everyone's days. The Harold Broderick family hosted his stay in the United States.

We're sure our three exchange students as well as all the people of THS will always remember and cherish 1973-74.

In Memoriam

Bill Crothers

WHEN I MUST LEAVE YOU

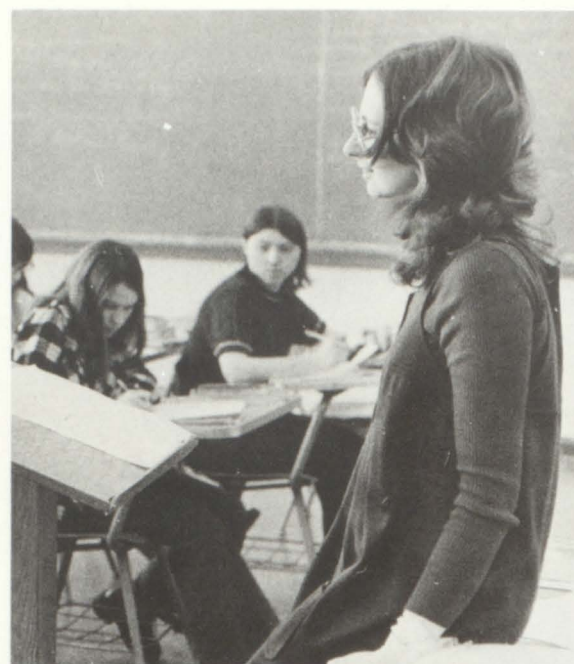

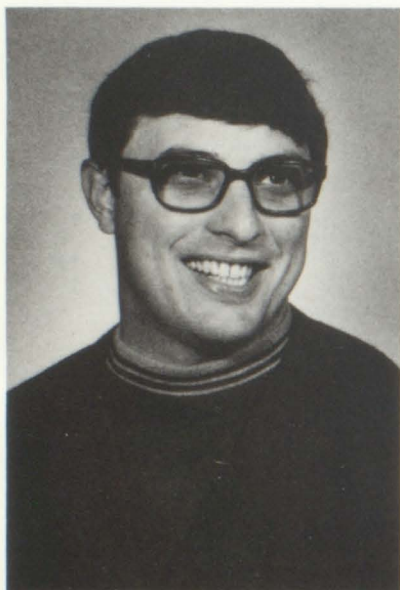

When I must leave you for a little while,
Please do not grieve and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!

Type A

Even though their class is small they do many different things. They are taught their subjects in their room, and also additional activities. The class mainly focuses on living skills, work experience, and how to live independently in the community. Together they learn to work and help each other, which is most important for everyone to master.

Linda Drengberg, Central Michigan University, B.S., Secondary Special Education.

Orthopedic

Students from all areas of Lenawee County are bussed to the Orthopedic Room here at Tecumseh High School. This is the only classroom in the county for physically handicapped and deaf students of Jr. High and High School age.

The students are on regular academic programs but many must use wheel chairs or crutches for transportation. An elevator enables them to get to classes on the second floor. A teachers aide, Katherine Pacheco, helps get the students to their classes. The students are integrated for at least one subject. Many of them, in spite of their handicaps, are able to maintain above average to superior grades.

Vo-Tech

The primary purpose of the Lenawee Vocational Center is to prepare High School students for full-time employment in recognized occupations upon graduation. Also many students continue their education at the various colleges and universities to pursue their interests further. Vo-Tec is a constant challenge of one's desires to find and develop their assets.

Sports Awards 1973-74

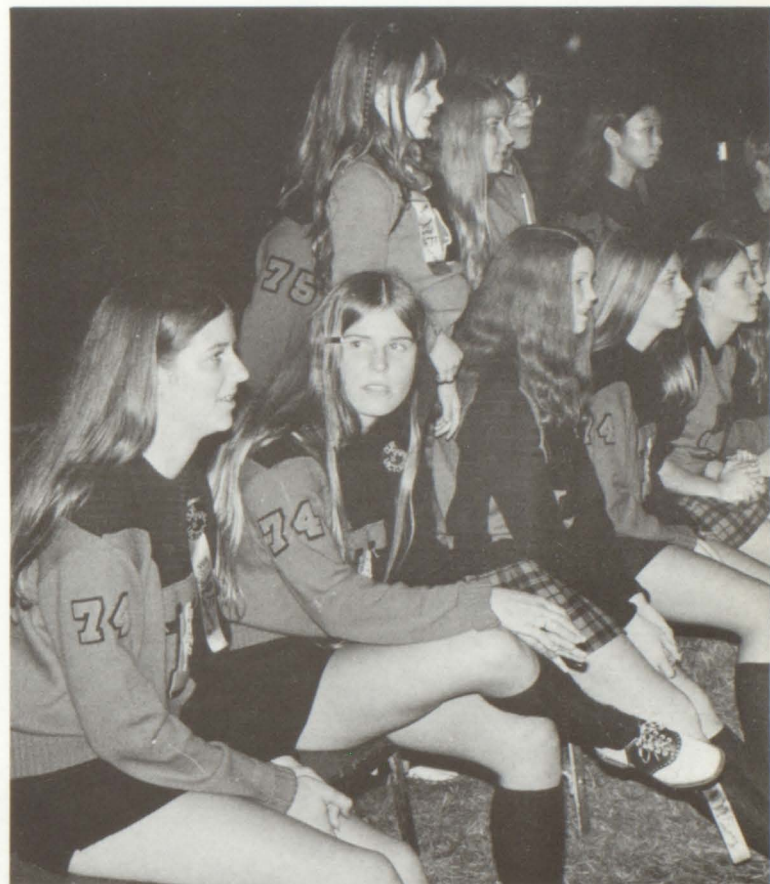

In order to recognize the athletes at THS, the Fall-Winter-Spring Sports Banquets were held at the end of the seasons to present the awards to deserving athletes. With recognition, the Athletics Department can evaluate and improve their program to meet the physical educational needs at our school.

HOMECOMING

1973

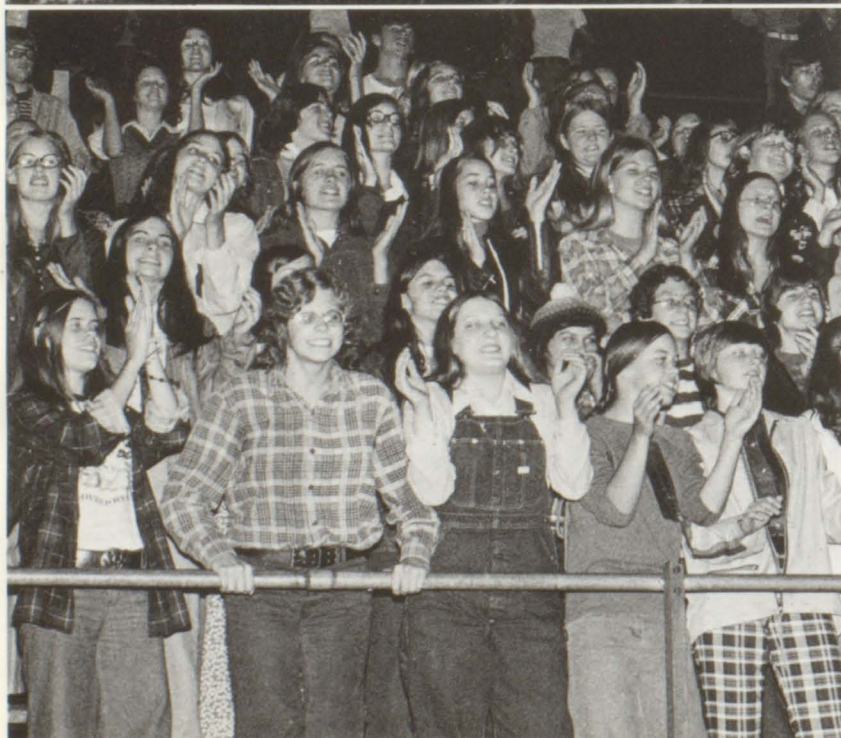

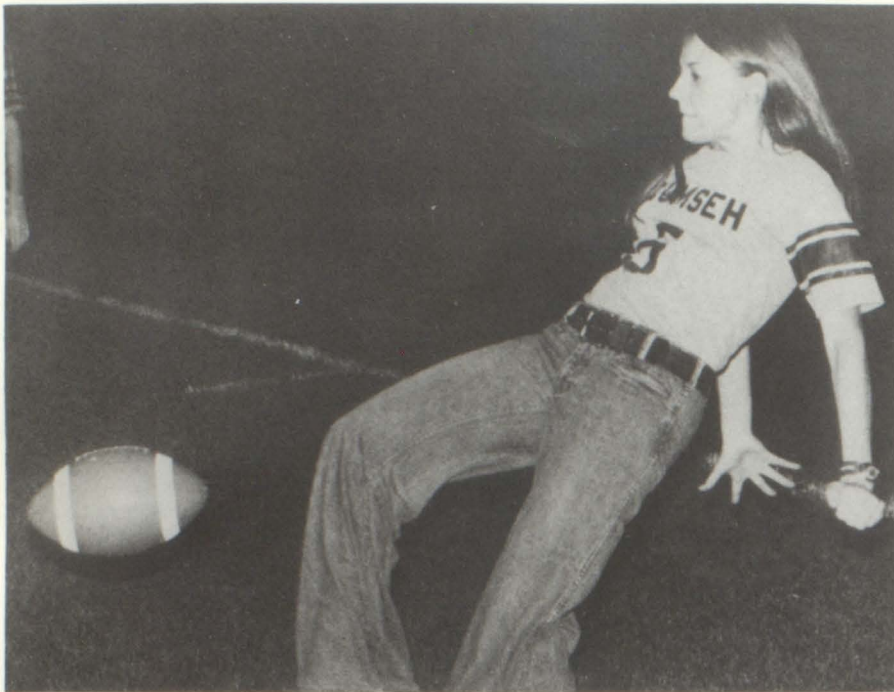

"Indians are a shoo-in" couldn't have proved to be truer than on October 12, 1973. The Homecoming activities were sparked by the Junior class taking first place in the float competition, while the Seniors settled for second, Sophomores third, and the Freshmen last place. The students were swept away by the excitement of the festivities and they cheered the "mighty Indians" on to a victorious week over the Jefferson Bears, by a score of 19-6.

Ms. Terri Rupert reigned as queen over the dance which featured the band, Sideshow. The queen and her court added the final "touch of magic" to a victorious eve.

Sponge Week

Again, Sponge Week erupted with full force as we viewed many students dressed in the "day's fashion." Mini-courses were tried for two days and everything from ballroom dancing to witchcraft was tried and tested.

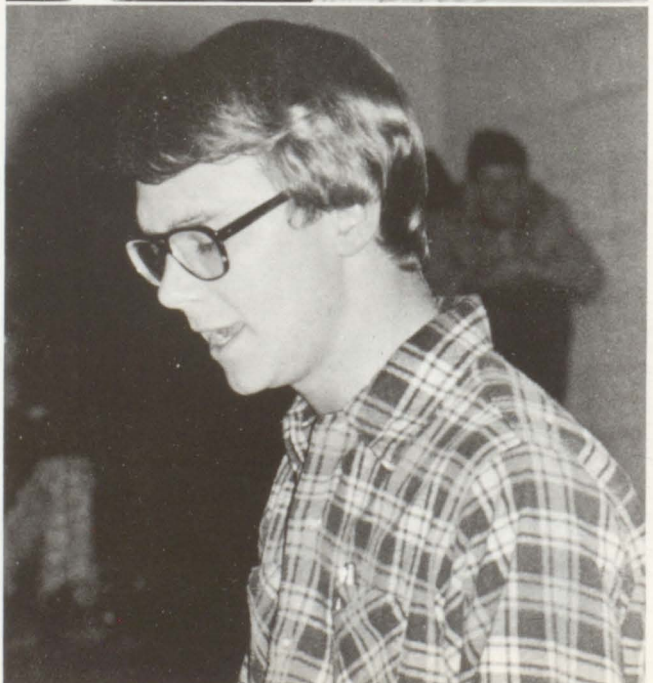

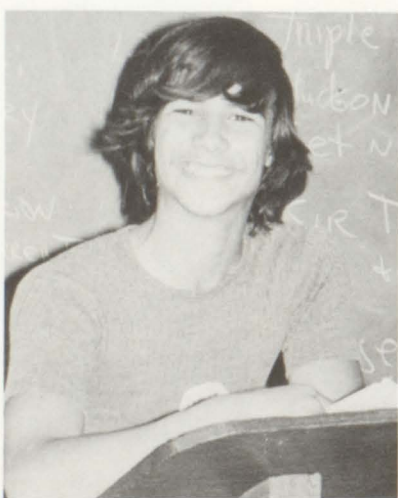

Speaking for the student body we've concluded these days were worthwhile and knowledgeable.

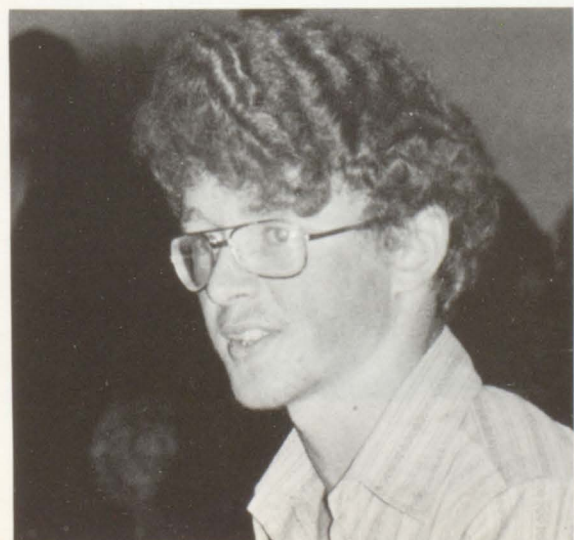

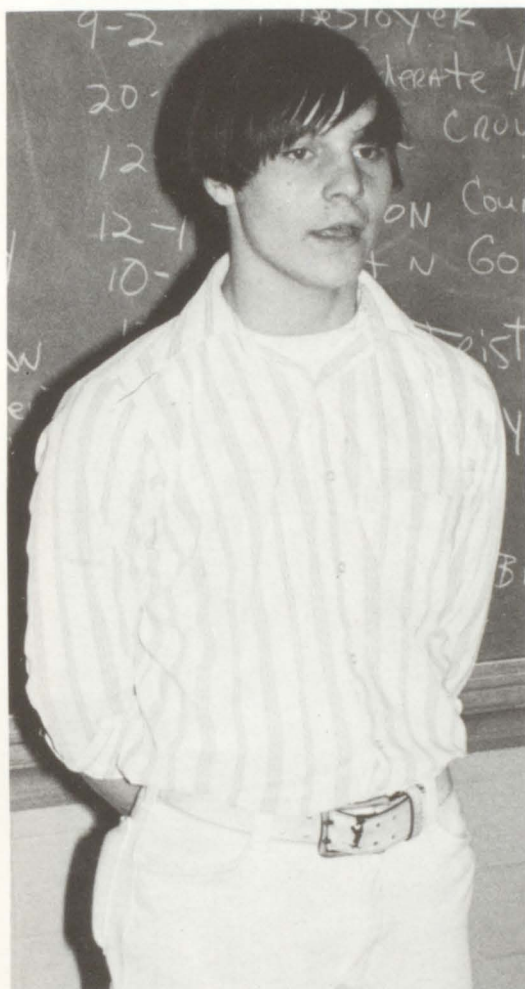

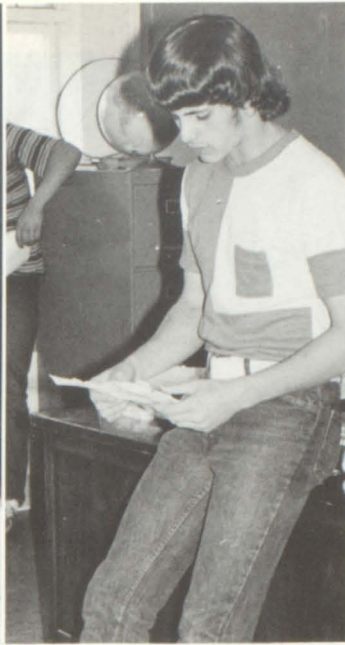

A dance was held featuring "Myron & the VanDells" on the Friday night preceding Sponge Week. Everyone dressed for the occasion and the "good times rolled." Thank-you's go to the Student Assembly for the planning of the week but many more thanks go to all who participated.

Elections 1974

Class officers and Student Assembly elections were held in May again this year. The candidates ran an all-out campaign, from posters and buttons to speeches. Much time and effort went into the campaigns.

Student Assembly winners were Jackie White, Treasurer, Jan Feight, Secretary, and Russell Church & Laurel Scheuerman, President & Vice President, respectively.

Annual Staff

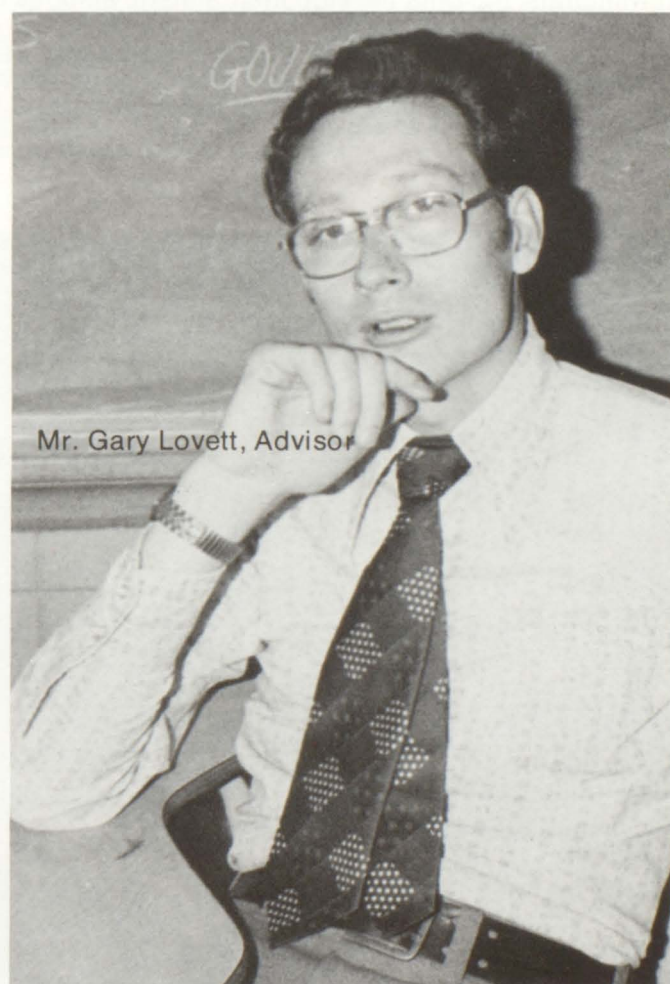

The students of THS are an important part of our school. The Annual Staff's chief goal is to improve upon the annual every year and produce a No. 1 book in which we feel will represent the school creatively and completely. The members are divided in areas and all have their special duties, such as lay-outs, photography, advertising, and copy. Cooperation by the students, teachers, and administration is also important for information pertaining to their clubs, activities, and credits. The staff would like to produce an annual that the students can look back upon when they have achieved their goals in life and be proud that they attended Tecumseh High School.

Girls Intramurals

A new sort of athletic program was devised this year for girls. In Girls Intramurals, the girls develop their athletic abilities in basketball, volleyball, tennis, track, softball, and much more. Under the guidance of Mrs. Wood, they have developed their skills and discovered the meaning of sportsmanship by working, and during competition. Giving the student the chance to develop their physical abilities is as important as her mental abilities.

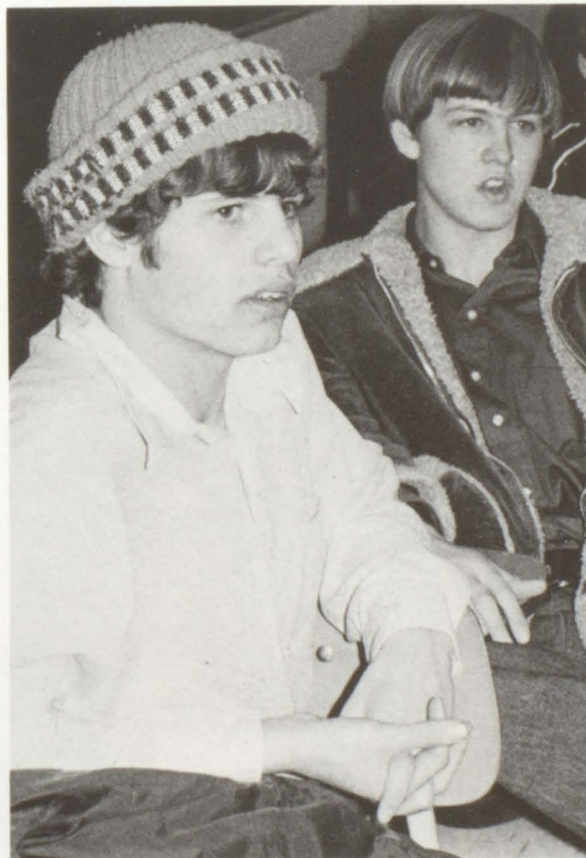

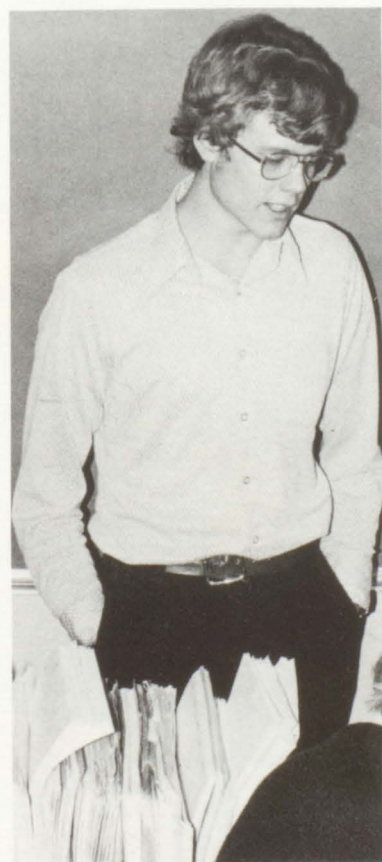

Varsity Club

In order to be eligible to be a member of Varsity Club, the student must obtain a Varsity letter. The purpose of the club is to promote interest in the school athletic programs, raise the standards of scholarships, and sportsmanship, and give athletics publicity. The Club also has duties, such as, selling tickets at the gates, working in the box office, and much more. They also are involved with projects, selling candy, and enjoying field trips to professional and college level athletic events.

Members of the Varsity Club are R. Brooks Pres., S. Briggs V.P., P. Connors Tres., D. Eggleston Secr., T. Tilton, D. McLoughlin, F. Bock, K. Osburn, J. Frownfelter, J. Burns, D. Rapin, J. Shough, B. Cook, D. Bunch, D. Bozeman, P. Lemanski, M. Grundskog, S. Phelps, G. Williams, J. Vaughn, M. Duhan, K. Jacoby, M. Yoder.

French Club

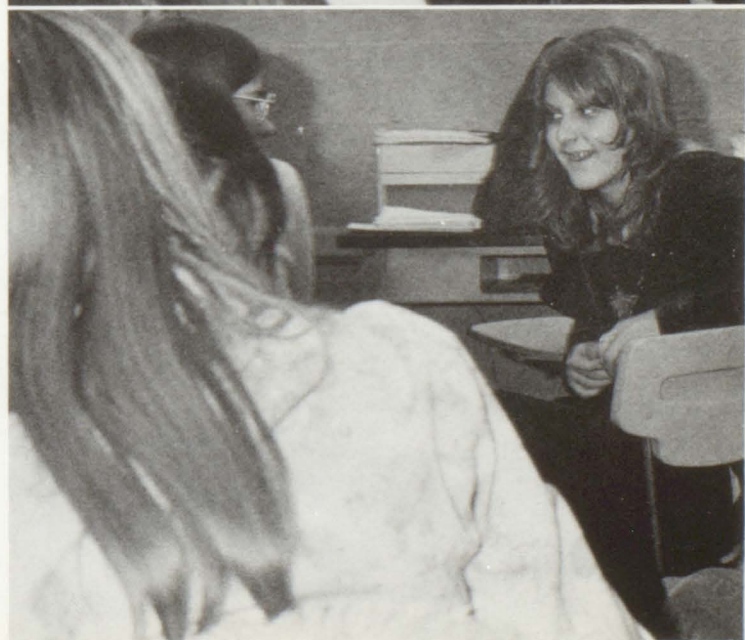

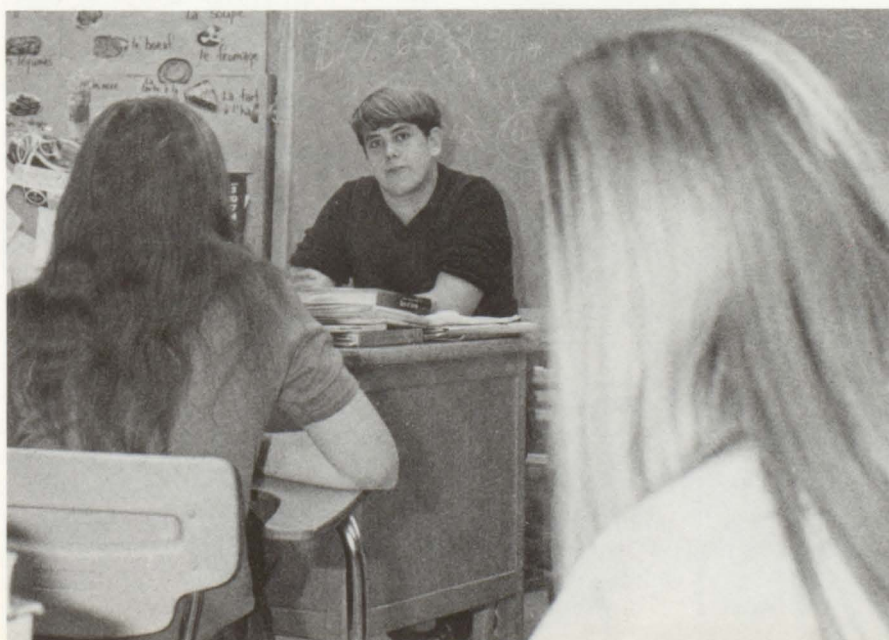

The French Club started its year off with their annual hayride. The Club has constantly grown in size and fun, and is enjoyed by many throughout the year. The Club is perhaps most helpful to the students who are entitled to go to France as part of the Voyage en France project of the Club. These students scrimp and save and work very hard throughout High School to go to France on a reduced rate.

The French Club again this year played a key role in our school activities throughout the year.

Student Assembly

This year's Student Assembly was a successful year of fine leadership. Under the direction of Mr. Donald Brazee, the officers and Assemblymen showed equal representation needed to accomplish not only their goals, but the goals of every student in THS. Even better relationships were achieved between students, faculty, and Administration as to the previous year. Also, much was accomplished, including the installation of the stereo system for the cafeteria, a Winter Carnival, the annual Funny Awards, and the promotion of student unity. President John Keller, a Junior this year, performed his duties well and with honor.

SMOKE SIGNALS

The main purpose of Smoke Signals is to inform the students and faculty at THS as to what goes on and is going to happen. Also included in the publications are stories and ideas by the students that are put in for the consideration of enjoyment of the reader.

The paper consists of news, editorials, features, and stories. There were also seasonal additions. Under the guidance of Ms. Kahle, the Smoke Signals staff completed another successful year.

Medical Careers

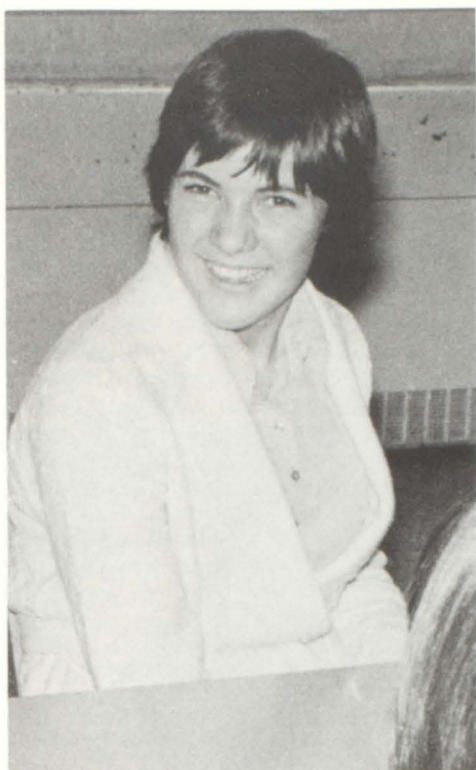

The purpose of Medical Careers is to further students in the field of medicine and to spur interests. They keep themselves busy with money making activities and medical research. The money is used for a scholarship for one of the year's seniors, and also donated to research.

FTA

The purpose of Future Teachers is to explore the teaching profession, and at the same time develop a greater understanding of it. By being in this club, the members get a chance to Cadet Teach. We are able to receive guidance in pretraining which can be directed toward their professional choice. Also, at the end of the year, we give a scholarship to a deserving senior who is interested in furthering his education concerning teaching.

FFA

To encourage citizenship, leadership, and cooperation, the Future Farmers of America have created a club to open opportunities in agriculture for interested students. F.F.A. has had the yearly project of raising broilers, and farming 20 acres of land. They also manage the greenhouse here at THS and get involved with individual projects. The students enter contests throughout the year and are usually quite successful. The club has also taught its members the importance of working together on parliamentary procedure, greenhand speech, and Ag Forum.

FBLA

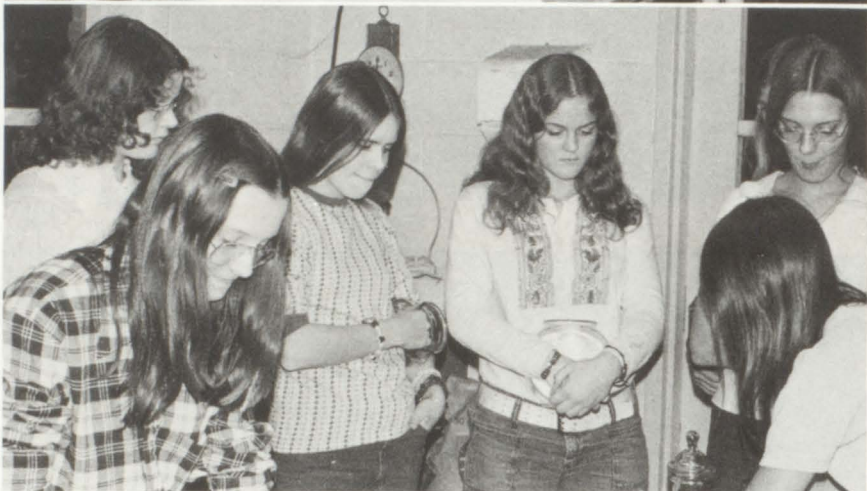

F.B.L.A. has helped students interested in the business field. By attending the meetings and hearing guest speakers, they can decide what area of business might be of interest to them, and what colleges they may wish to attend. Every member has a chance to take part in learning, working, and just having fun while they contribute.

Art Club

The Art Club, in the past years, has stressed the importance of developing the artistic abilities and personal expression of individual students at THS. The club has business meetings every other week, and they also have individual and group projects. This year they have with mobiles, printing, modge podge, and other arts and crafts. The club has a lot of fun just sitting around experiencing and creating what they think, feel, and see.

Junior Play

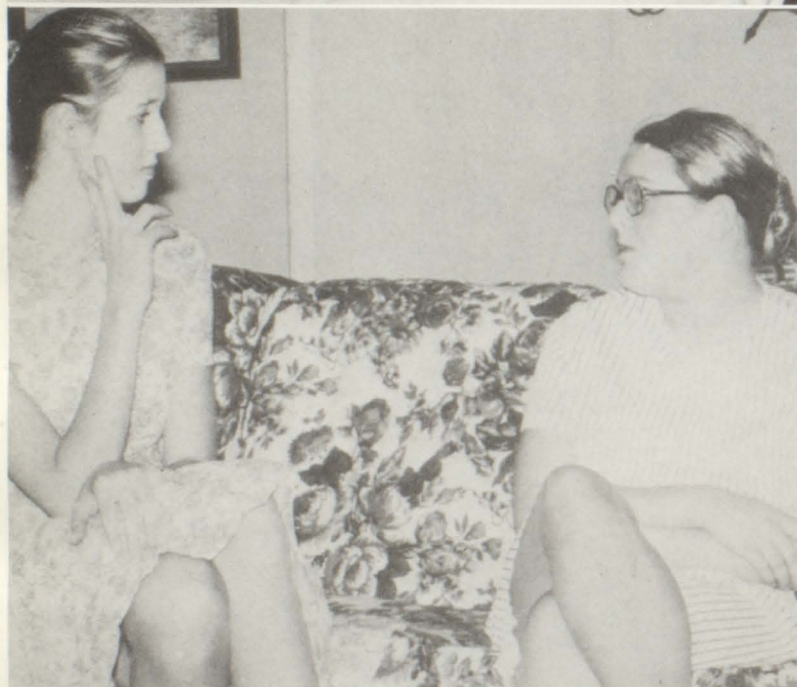

This year the Junior Class presented "The Man Who Came To Dinner". The play consists of Larry Hollis who plays Whiteside, the main character, Julie Murphy portraying Maggie, another main character. The supporting cast included Tim Prettyman, Bob Webb, Dana Dunbar, Mike Ocamb, Doug Gilpin, Russ Church, Scott Kampmueller, Jim Manley, Mike Connors, Rory Skinner, Shawn Dalton, Don Rapin, Darrell Bozeman, Therse Desmet, Nicky McKee, Marsha Bale, Denise Osburn, Maureen O'Brien, Trixie Luftt, Jan Feight, Kathy Koszka, Jenny Cook, and Beth Webber. Mrs. Kinnard will be working with the students and Jan Feight as student director.

The play turned out as a worthwhile project for the entire class.

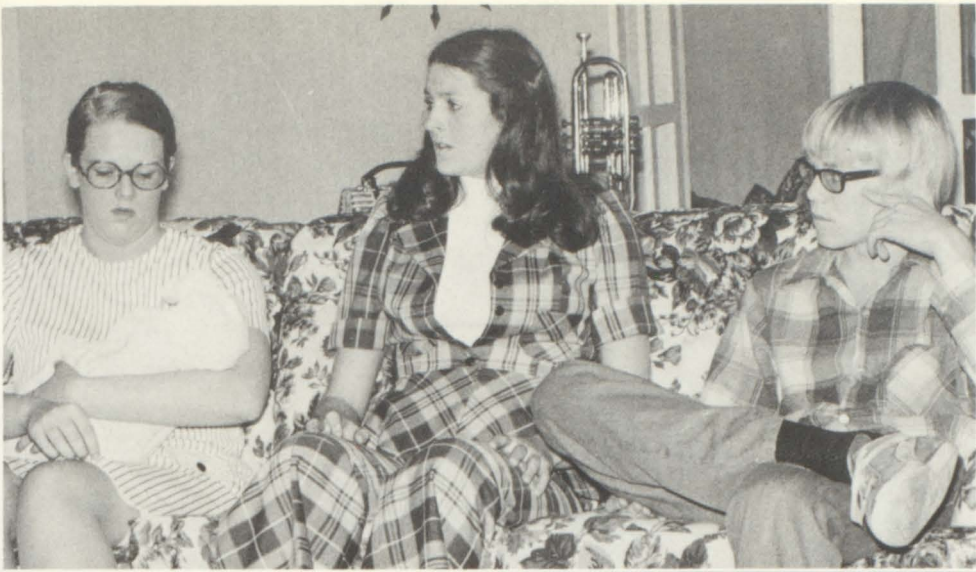

SENIOR PLAY

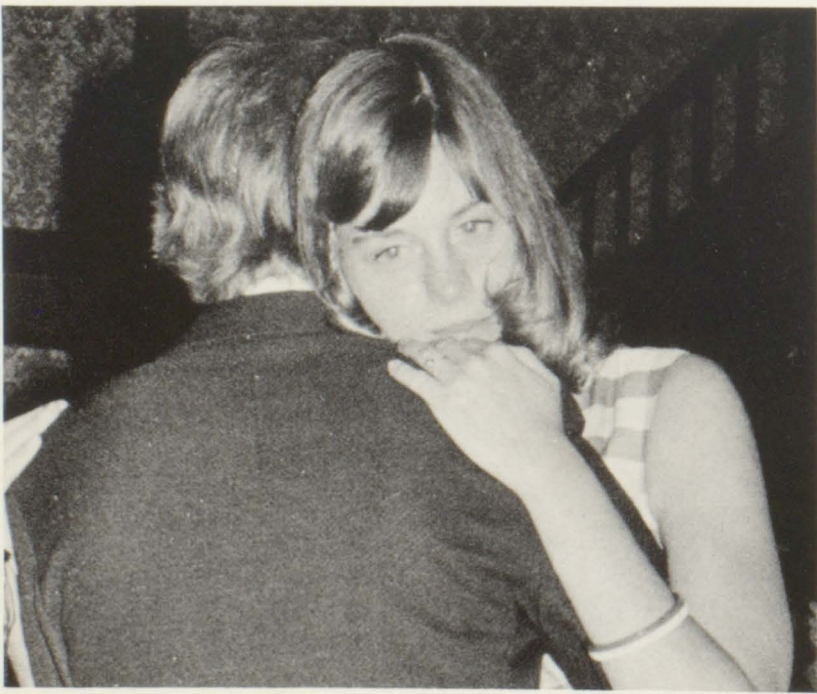

Those "super seniors" did it again! For the first time on the Glass Room's stage was presented "Little Scandal."

In the spot lights were the leading cast members, Melinda Church and Frank Bock. Adding to the total performances were Vickie Felton, Steve Flanders, Doug Eggleston, Nancy Warner, Diane Weigle, Al Schafer, Mike Feight, Frank Rapin, Diane Stevens, Bob Lawson, and Julie Coak.

The play centered around a small-town city girl who upon return from Europe brings back a small baby. The town gossip soars and the suspicions heighten. To climax the events, the baby's widowed father returns just in time to save the baby from two hillbilly black-market baby sellers. Congratulations to the Class of '74 and Mrs. Glenn.

The Class of 1975 hosted the 1974 Prom with a theme of "Knights in White Satin." More than one hundred dazzling couples danced to the music of "Universe," a select band from Ann Arbor.

The evening was highlighted by the announcement of King and Queen and their court. Runners-up were Tom Tilton and Paula Macbeth, and Dan Fitch and Carolyn Catalano. Reigning as King was Gordie Whelan and his Queen was Laurie Faling . . .

All who attended the Prom, held at Ludwig Hall, Siena Heights College, had a wonderful time.

Thank you, Juniors for a successful evening.

Class Night

The great Class of 1974 presented "Goodbye Yellow Brick Road" before a filled gym. The major role of Dorothy was played by Ms. Diane Stevens, while The Tin Man was Max Bidle, Scarecrow was Peg Aebersold, and The Cowardly Lion was portrayed by Roger Cook. Max and Peg were this year's co-valedictorians while Roger was salutatorian. The class traveled down the road as Freshmen, doing some of the funny and "cool" things we thought we did!

As the years wore on, we were constantly building better floats but still getting anything but FIRST place. But we made-up for that with our many parties and all of the good times we shared.

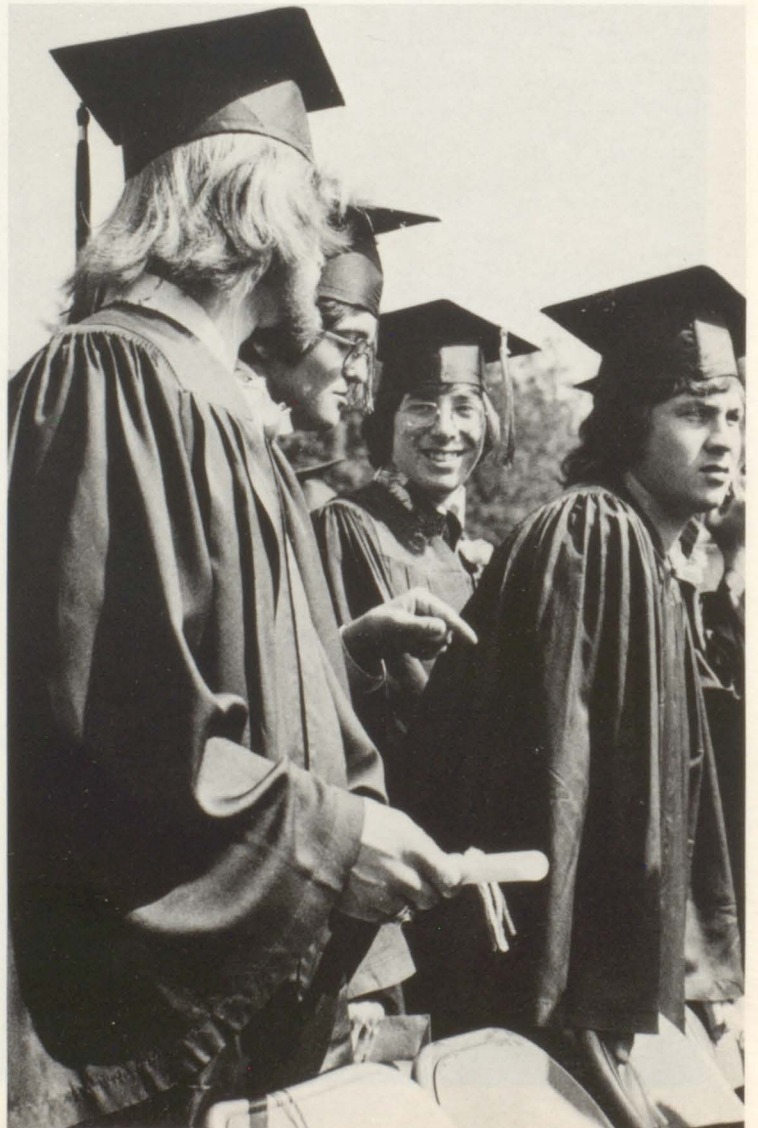

We re-enacted the Talent Show in which we won FIRST PLACE And also we showed how much talent we had when it came to acting in the Junior and Senior plays. My, those were the days.

Finally, we ended the night with our class song, "We May Never Pass This Way Again." And to top off the evening, the Class of 1974 presented an aluminum boat to our class advisor, Mr. Larry Crittenden.

Commencements

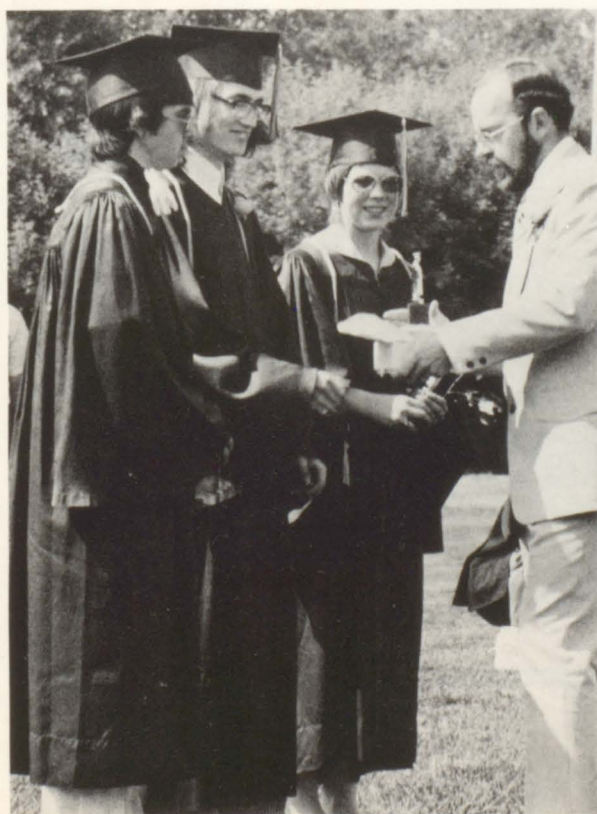

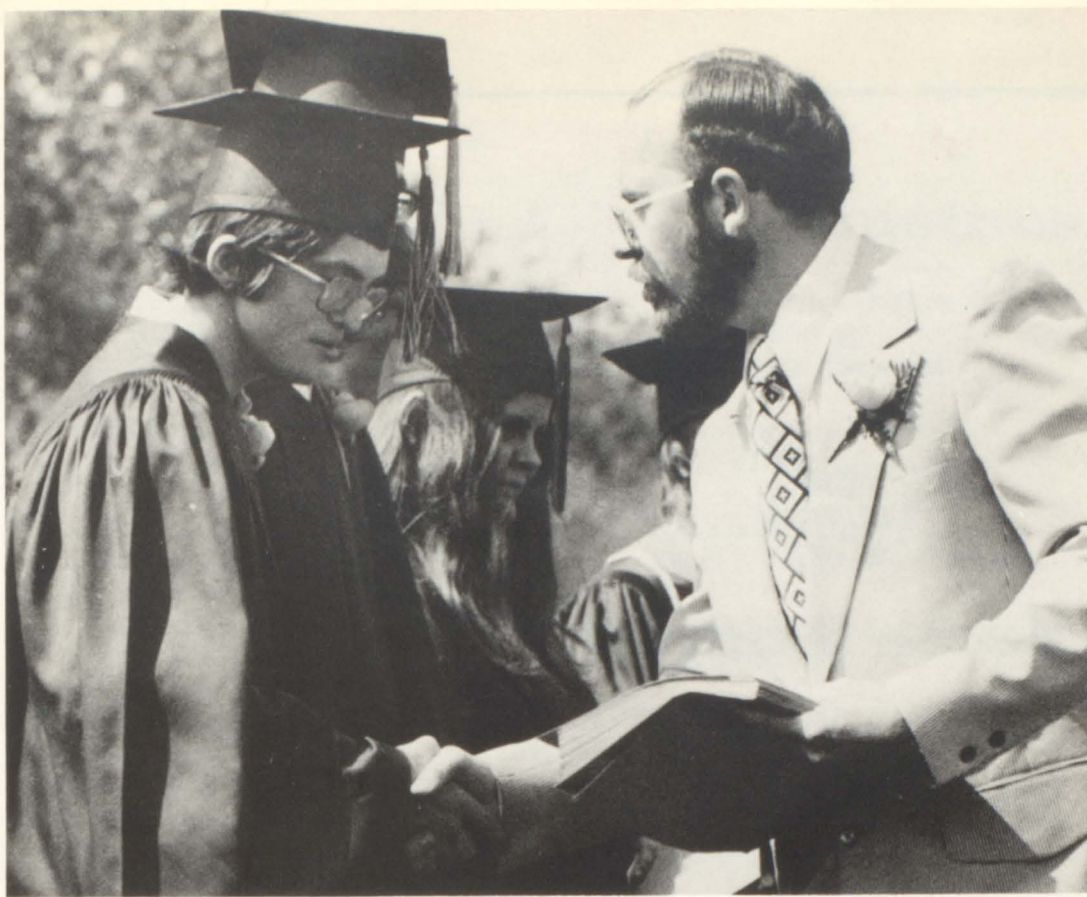

Commencement — what a funny word for the end. But for many of the Seniors it will be just a brand new beginning. Off to jobs, to college, travelling or just "taking a year's rest" will be the main objectives for the young adults.

The commencement exercises wouldn't be complete without diplomas. Mr. Dermont Poley, THS principal, awarded each graduate his diploma.

Rev. Duane Ruff of Tecumseh Friends Church gave the invocation and the address. Awards and scholarships were presented by Mr. Poley to the deserving graduates.

Highlighting the day, Peg Aebersold and Max Bidle, sharing the valedictorian position, each gave a speech. Roger Cook, class of 74's salutatorian, gave the salutatory.

As the class song denotes, we may never pass this way again. Good luck, graduates!
