Dedicated to the Seniors of 1978:

"We're Still the One"

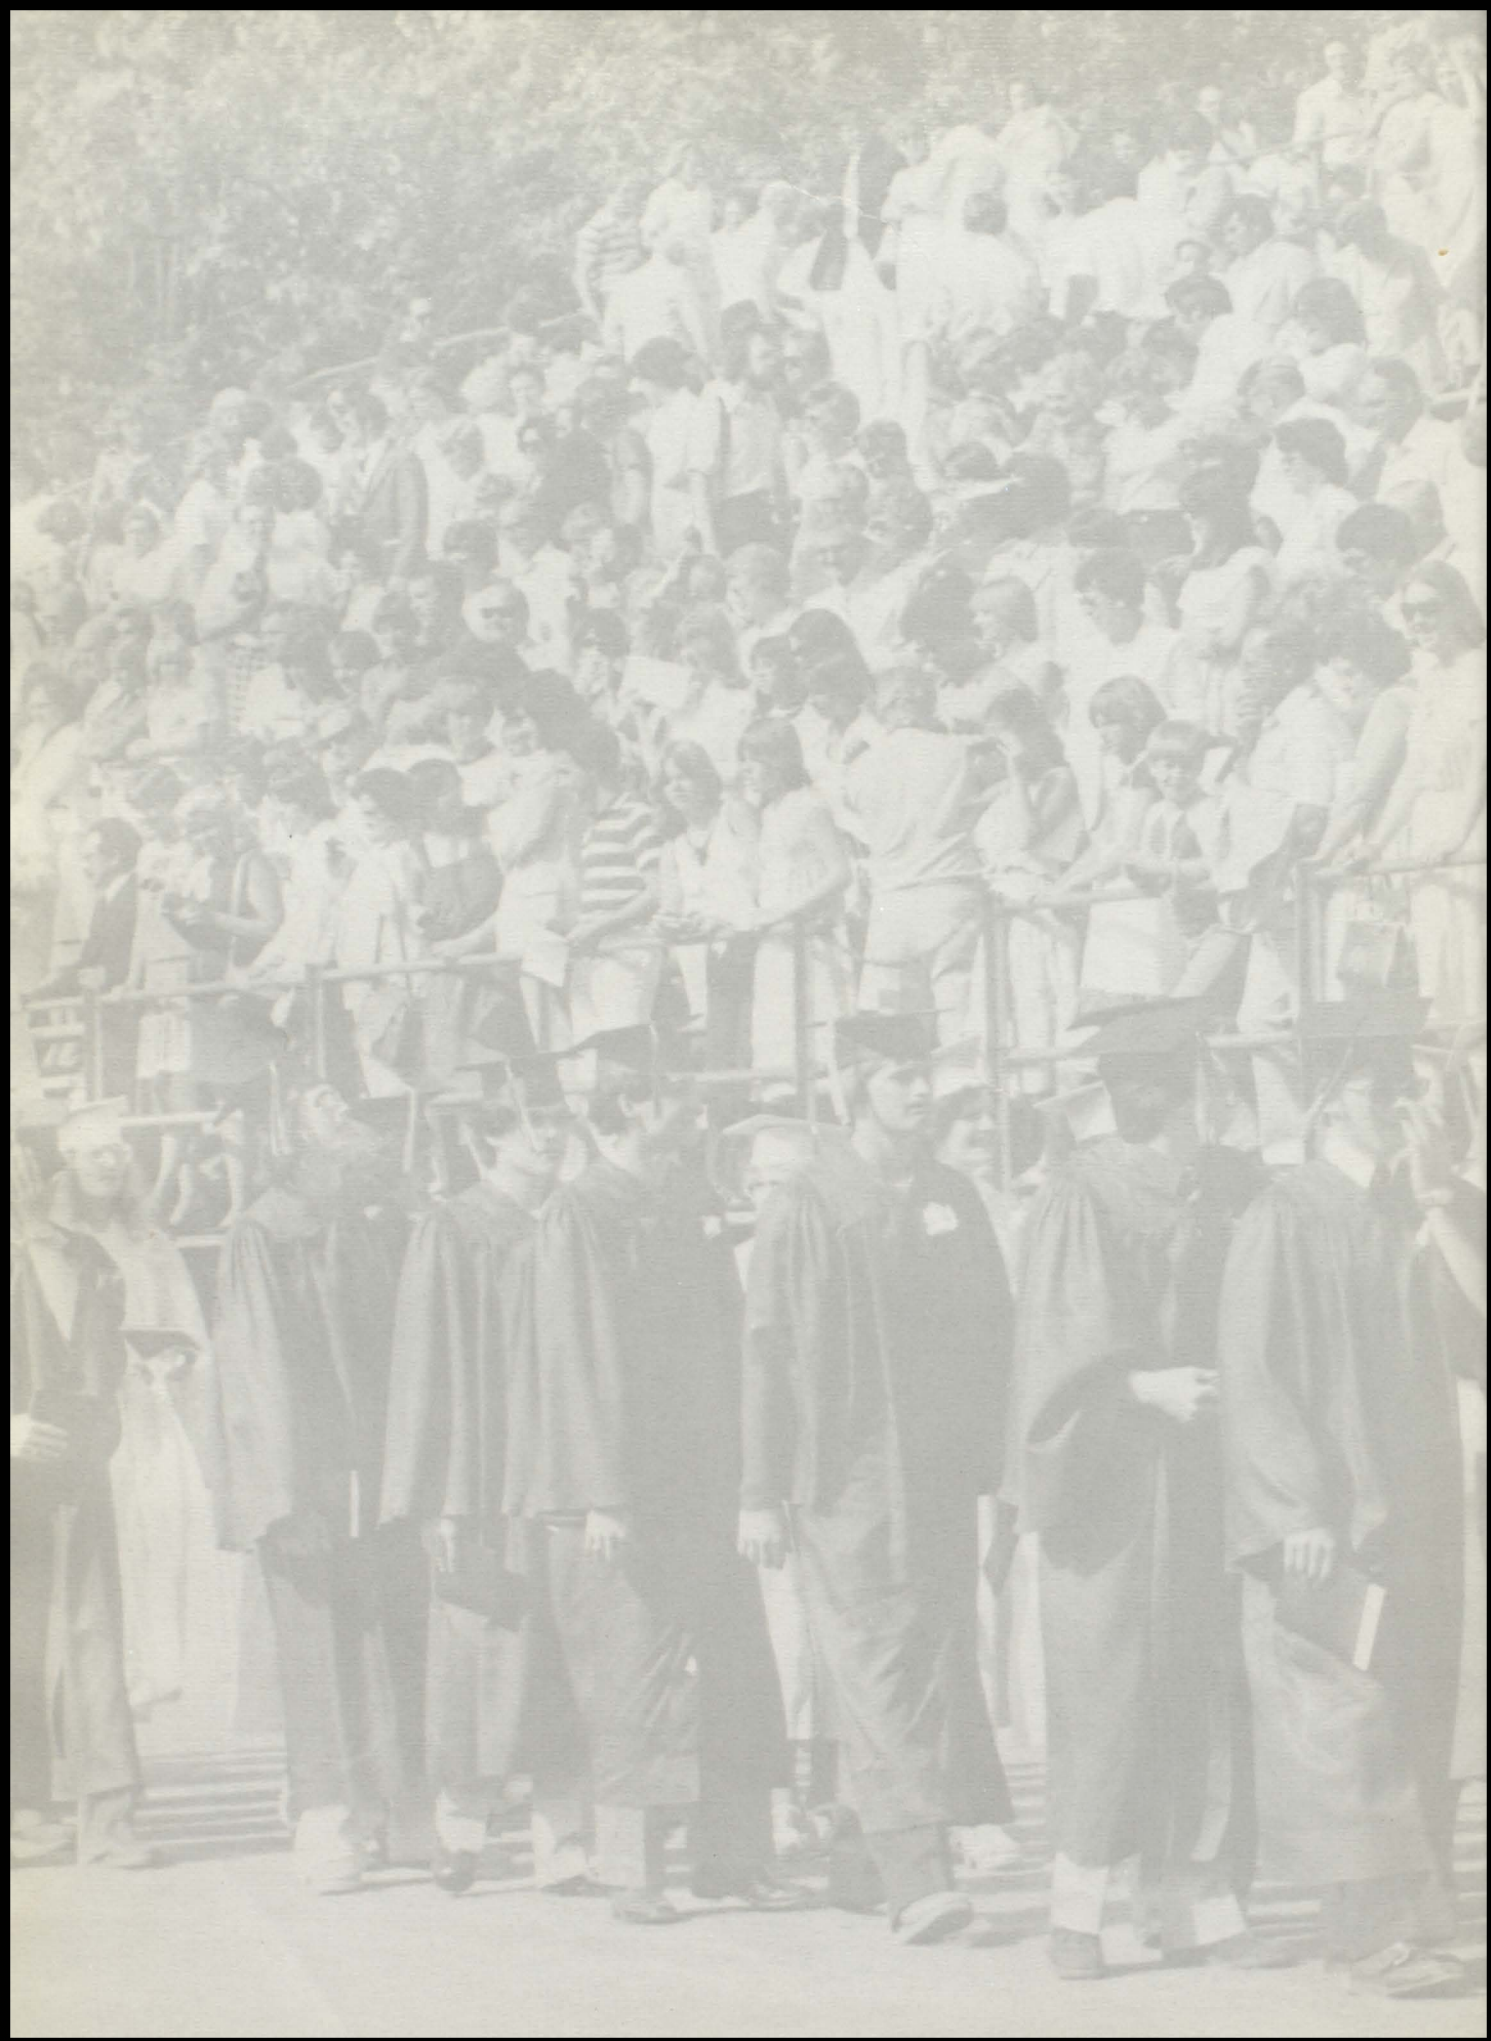

*we've been together since way back when
sometimes I think we'll never be the same again
but I want you to know, after all these years
the memories lingering are just as dear
and we're still the one*

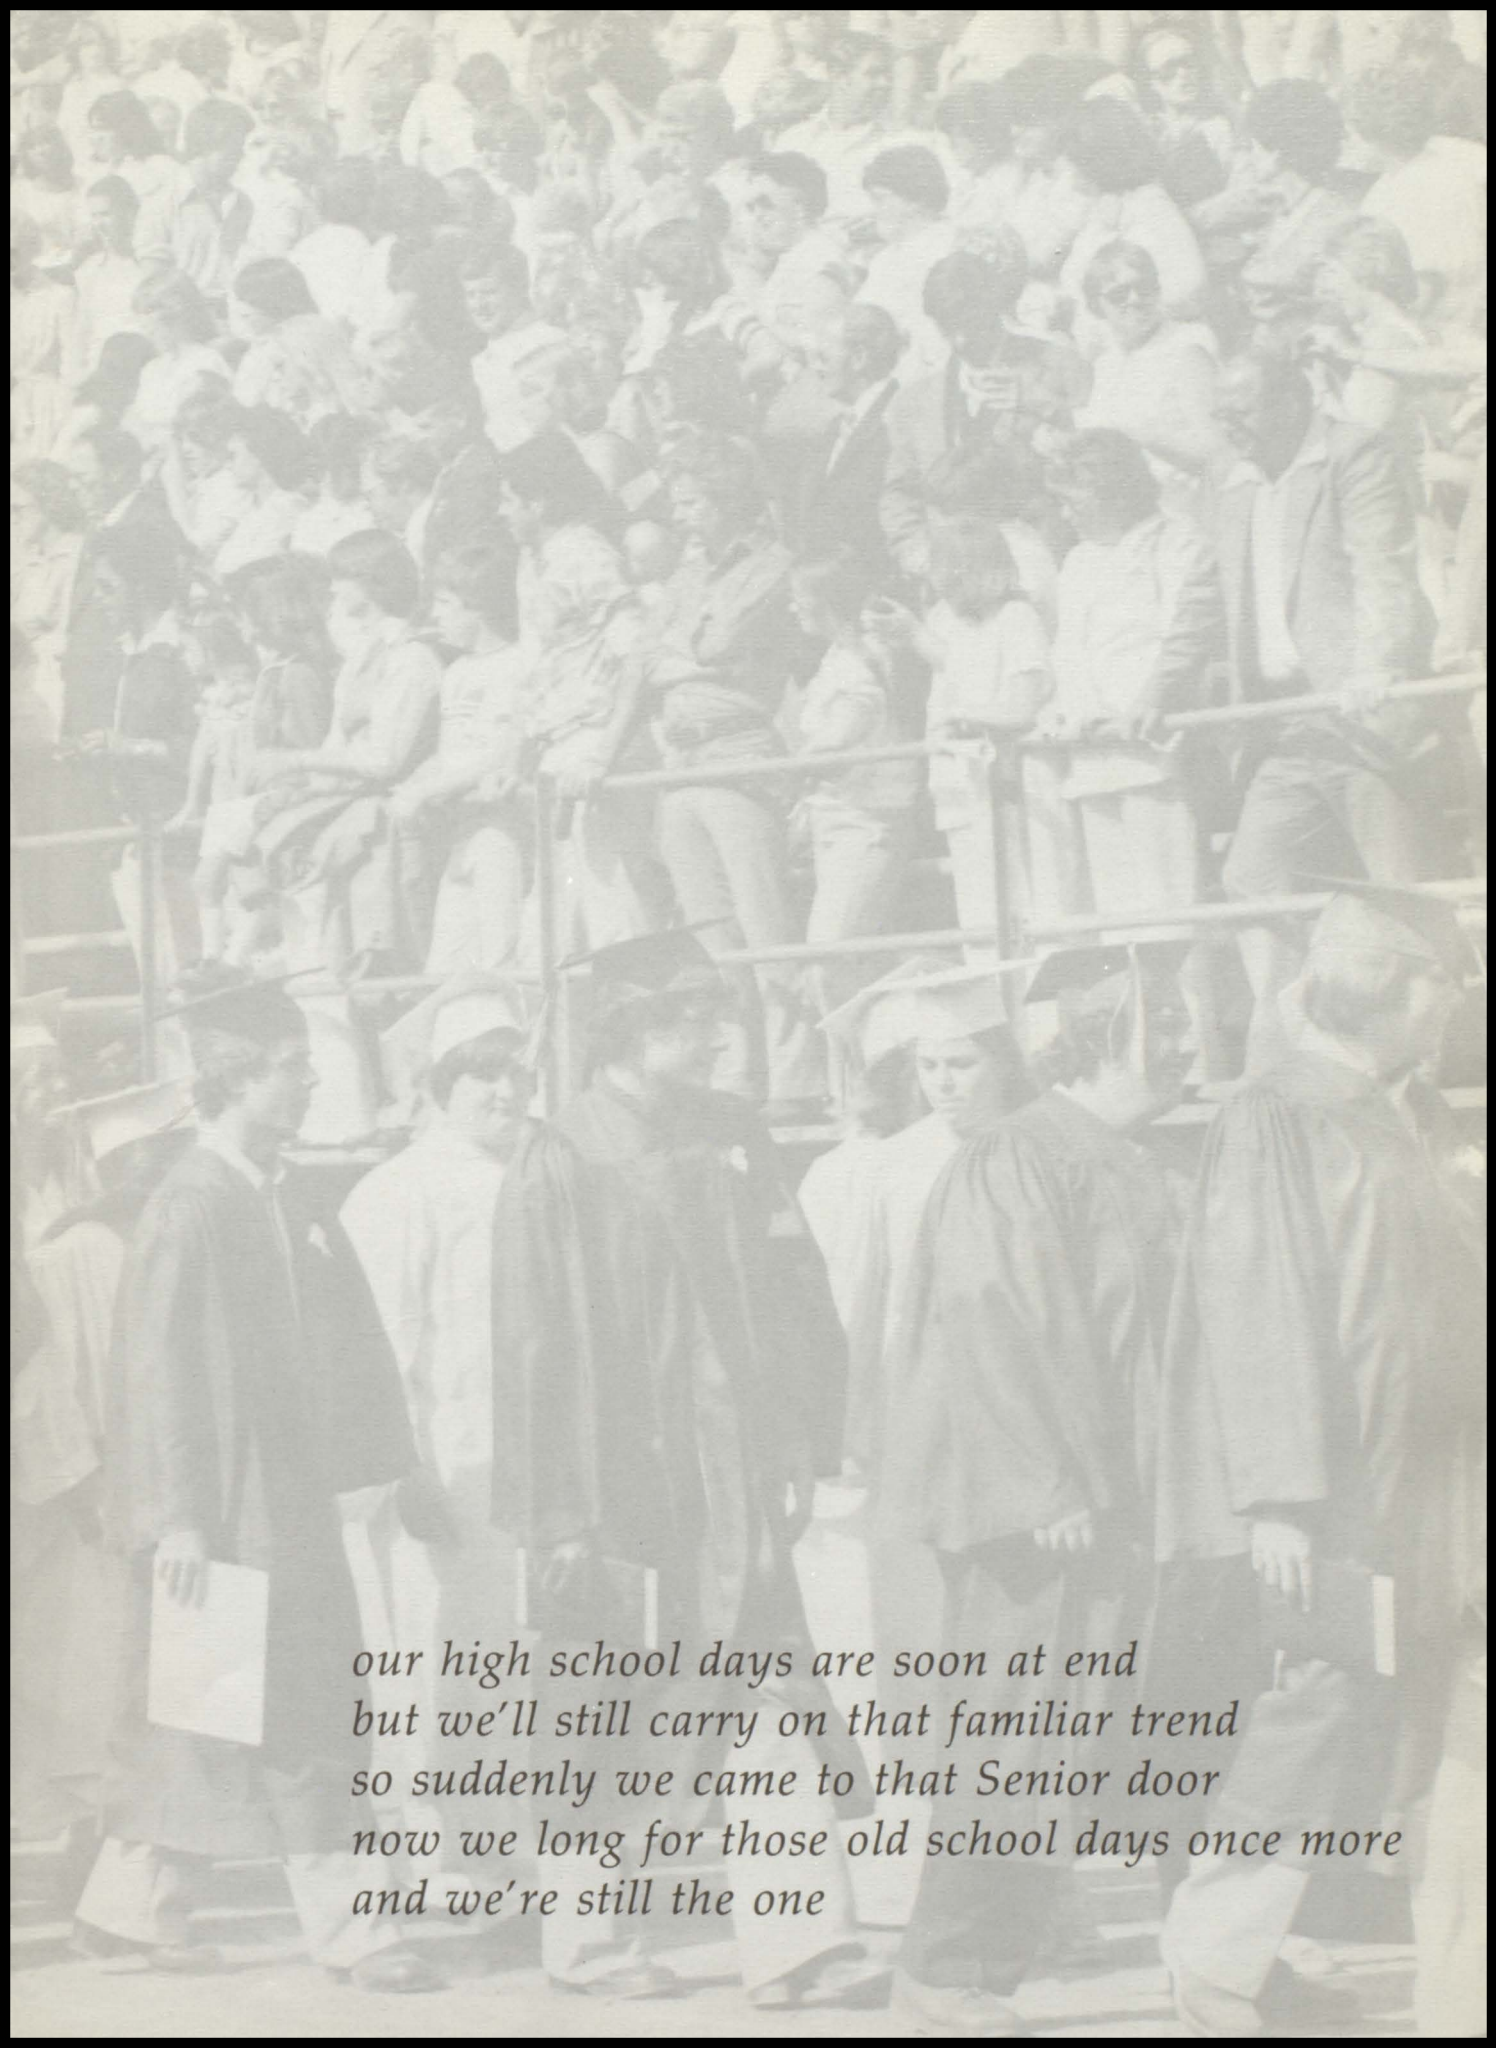

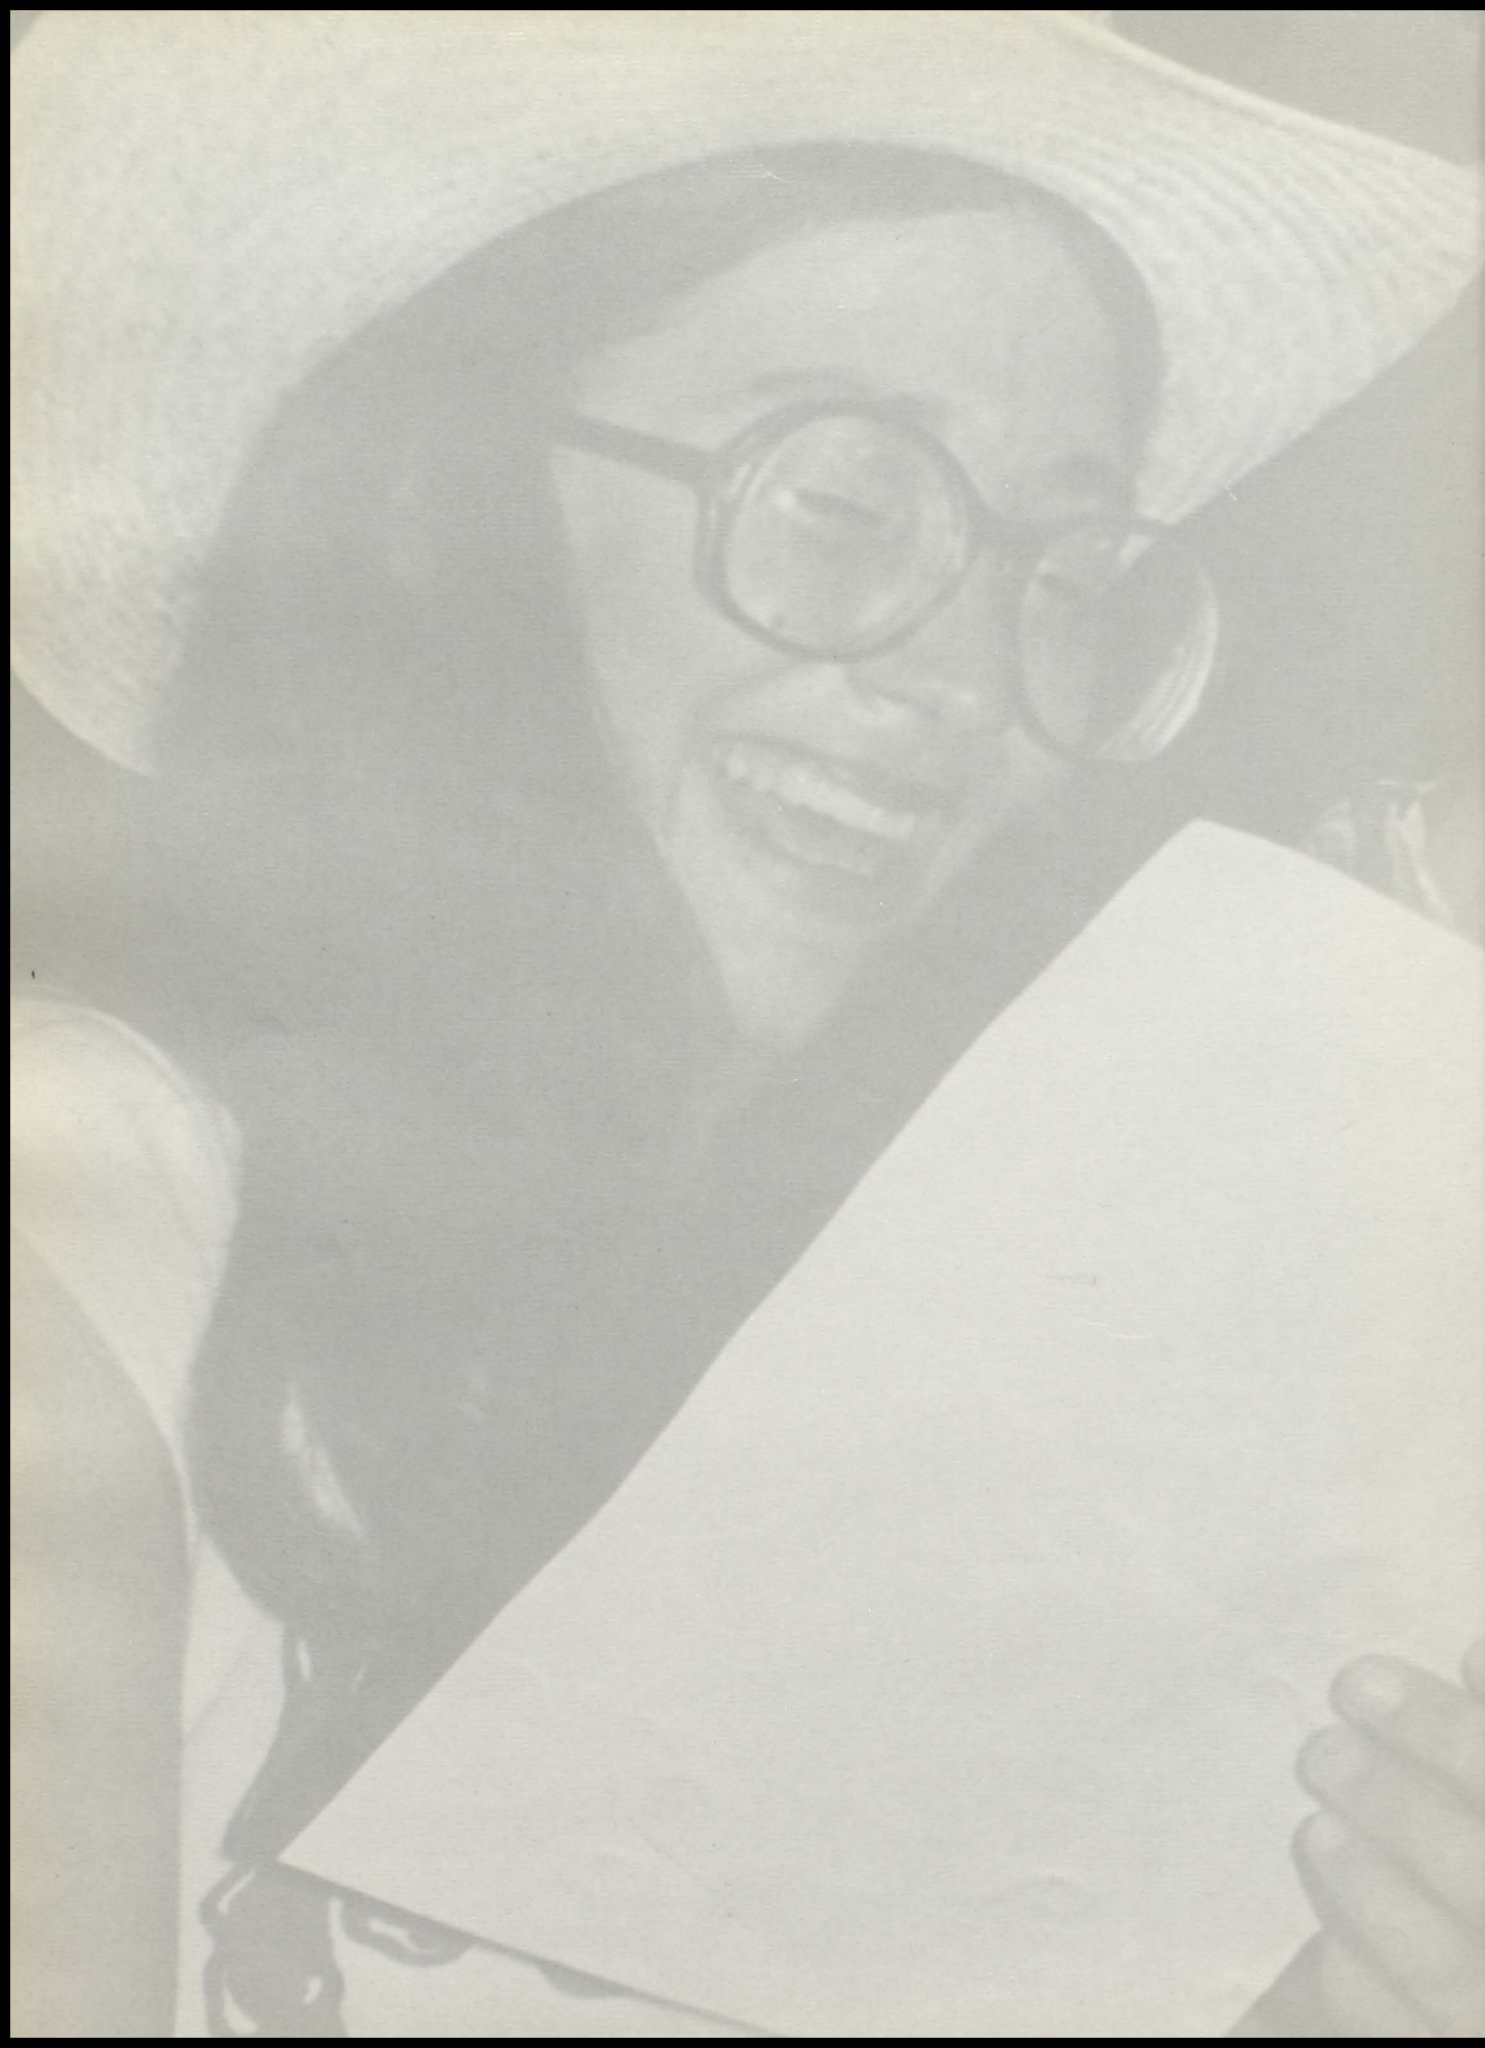

BANK

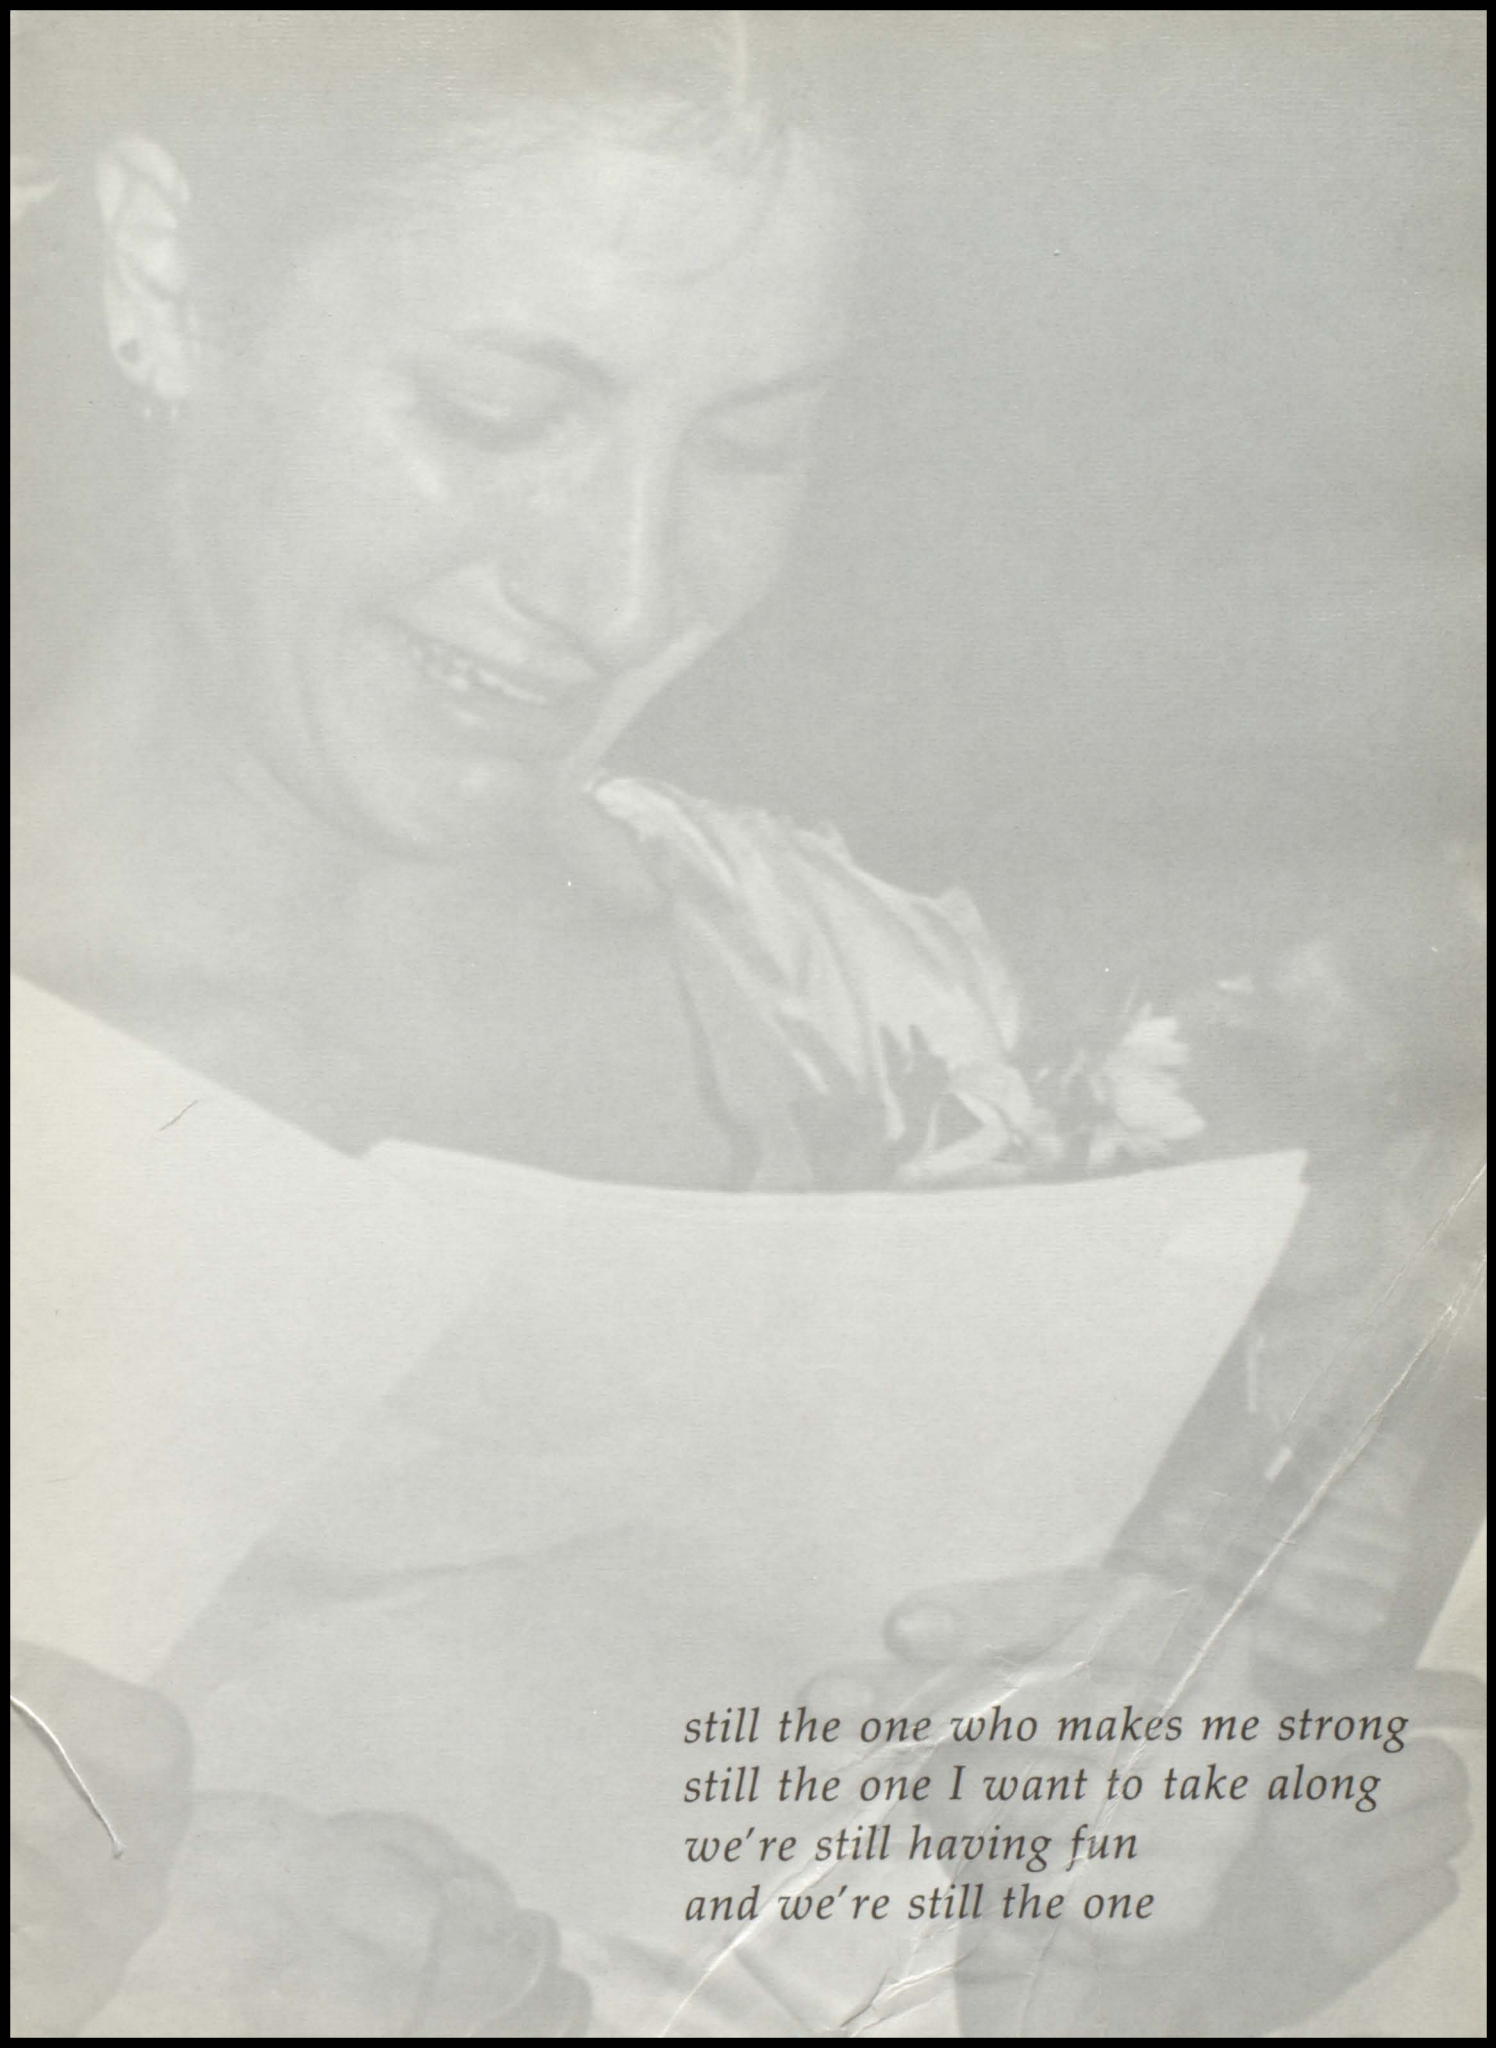

*still the one who makes me laugh
still the one that's my better half
we're still having fun
and we're still the one*

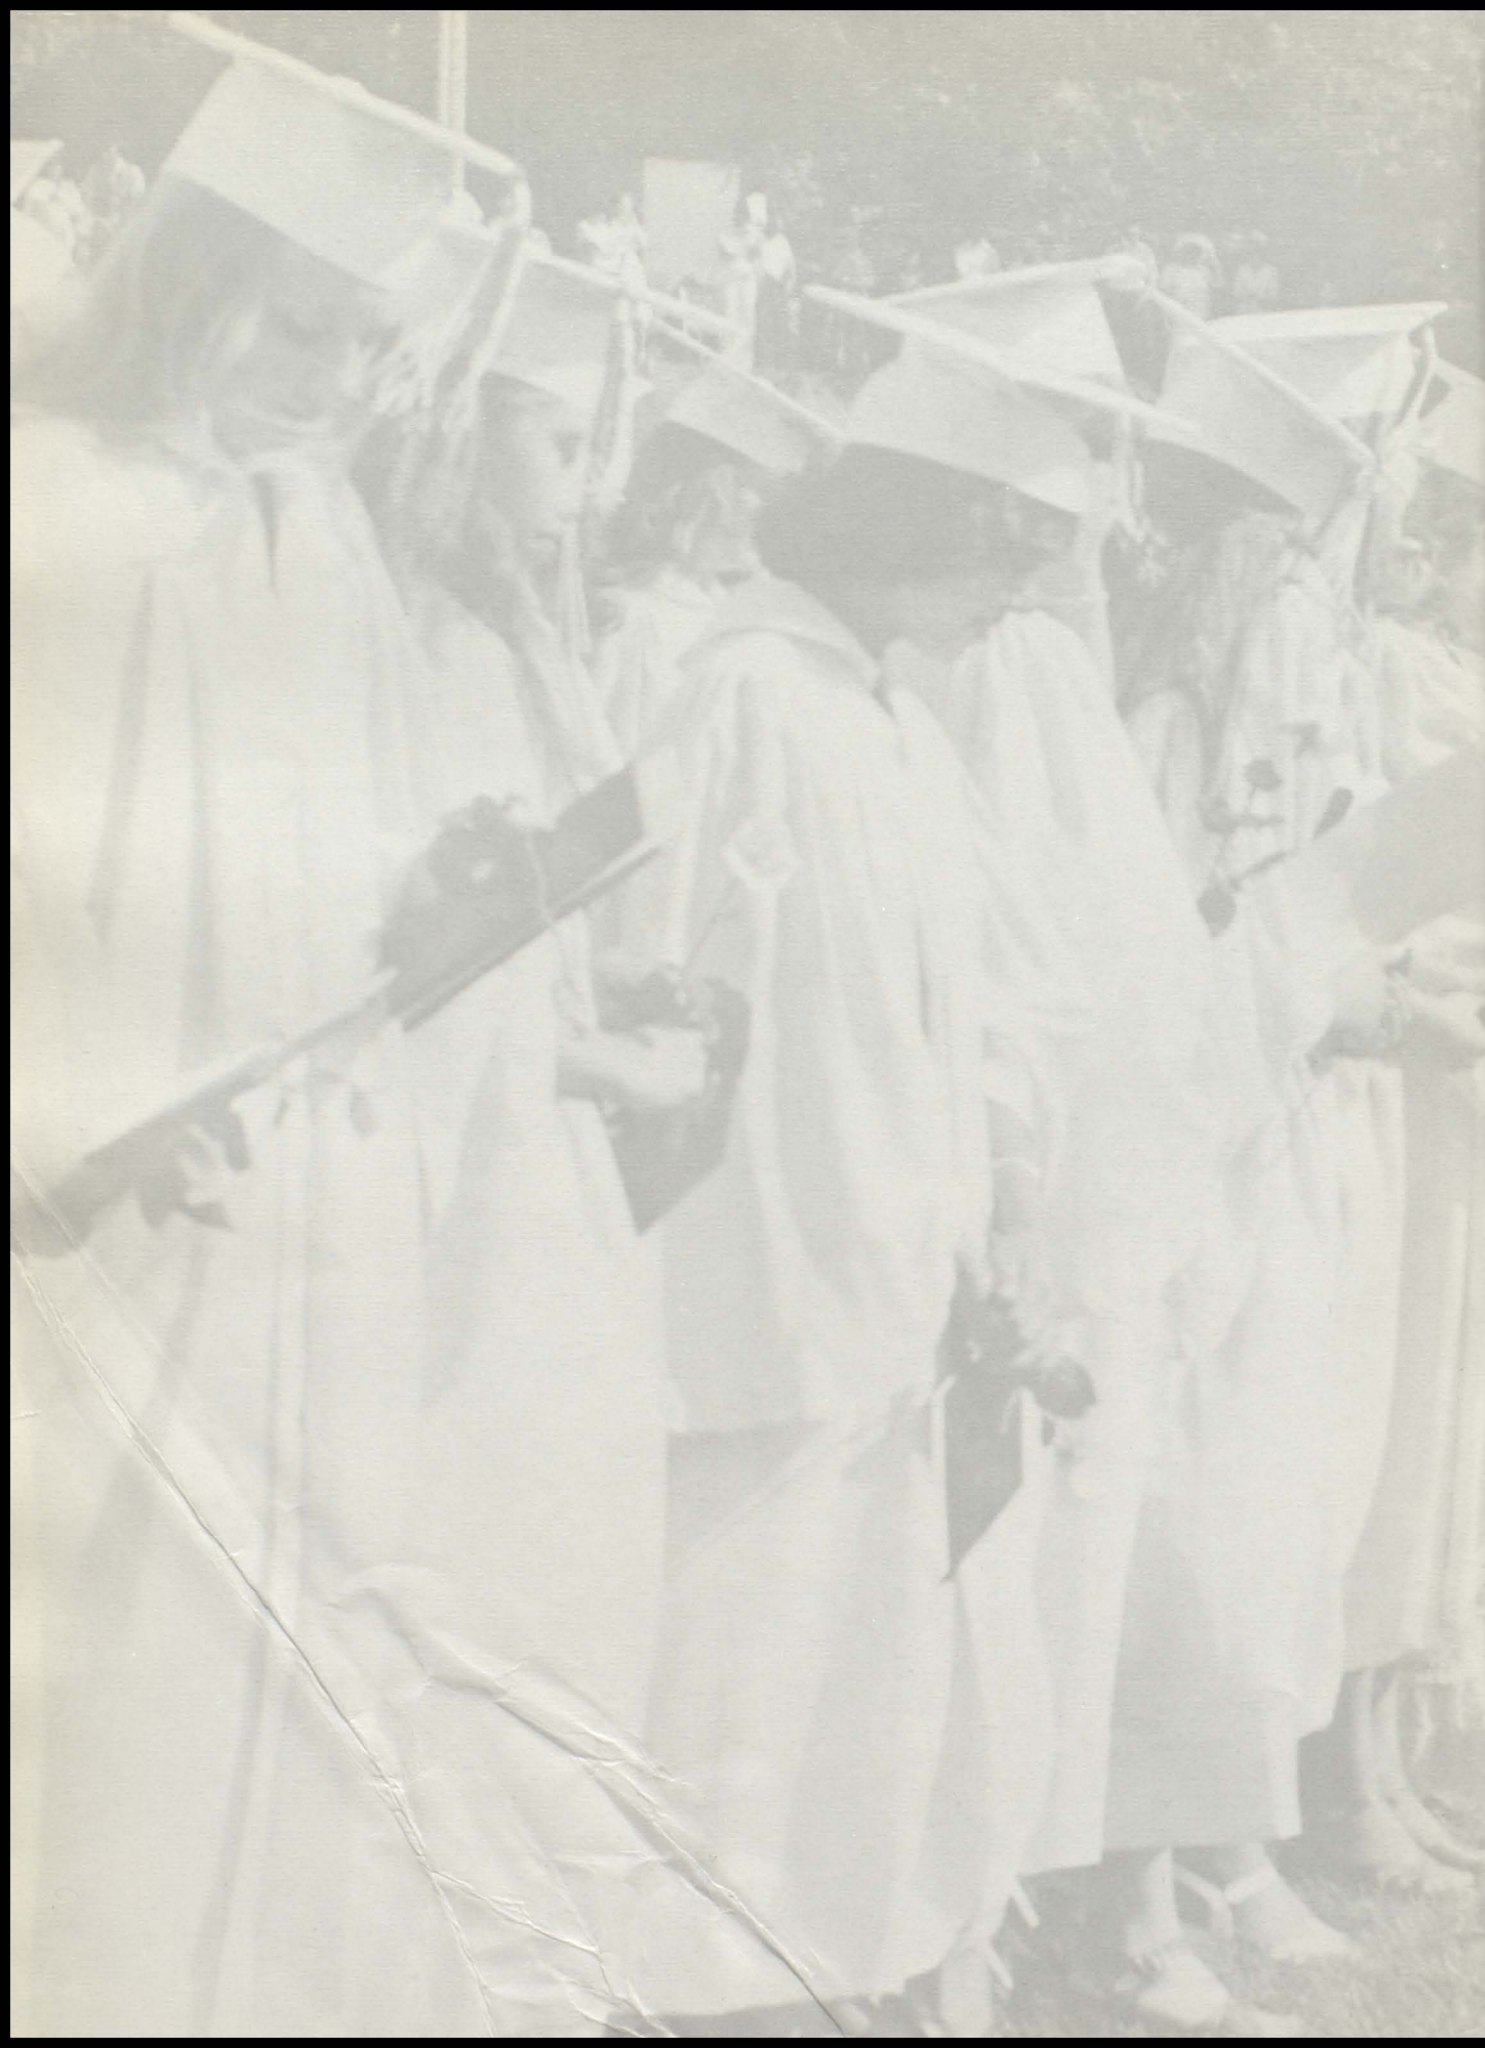

A large crowd of students is seated in bleachers, filling the upper two-thirds of the frame. They are looking in various directions, some towards the camera and others away. The students are dressed in casual attire, typical of a high school event. In the foreground, a line of graduates is walking from left to right. They are wearing dark academic regalia (gowns and stoles) and mortarboard caps. Some are holding white papers or diplomas. The graduates are positioned in the lower third of the frame, creating a sense of movement and transition from the seated audience to the active participants.

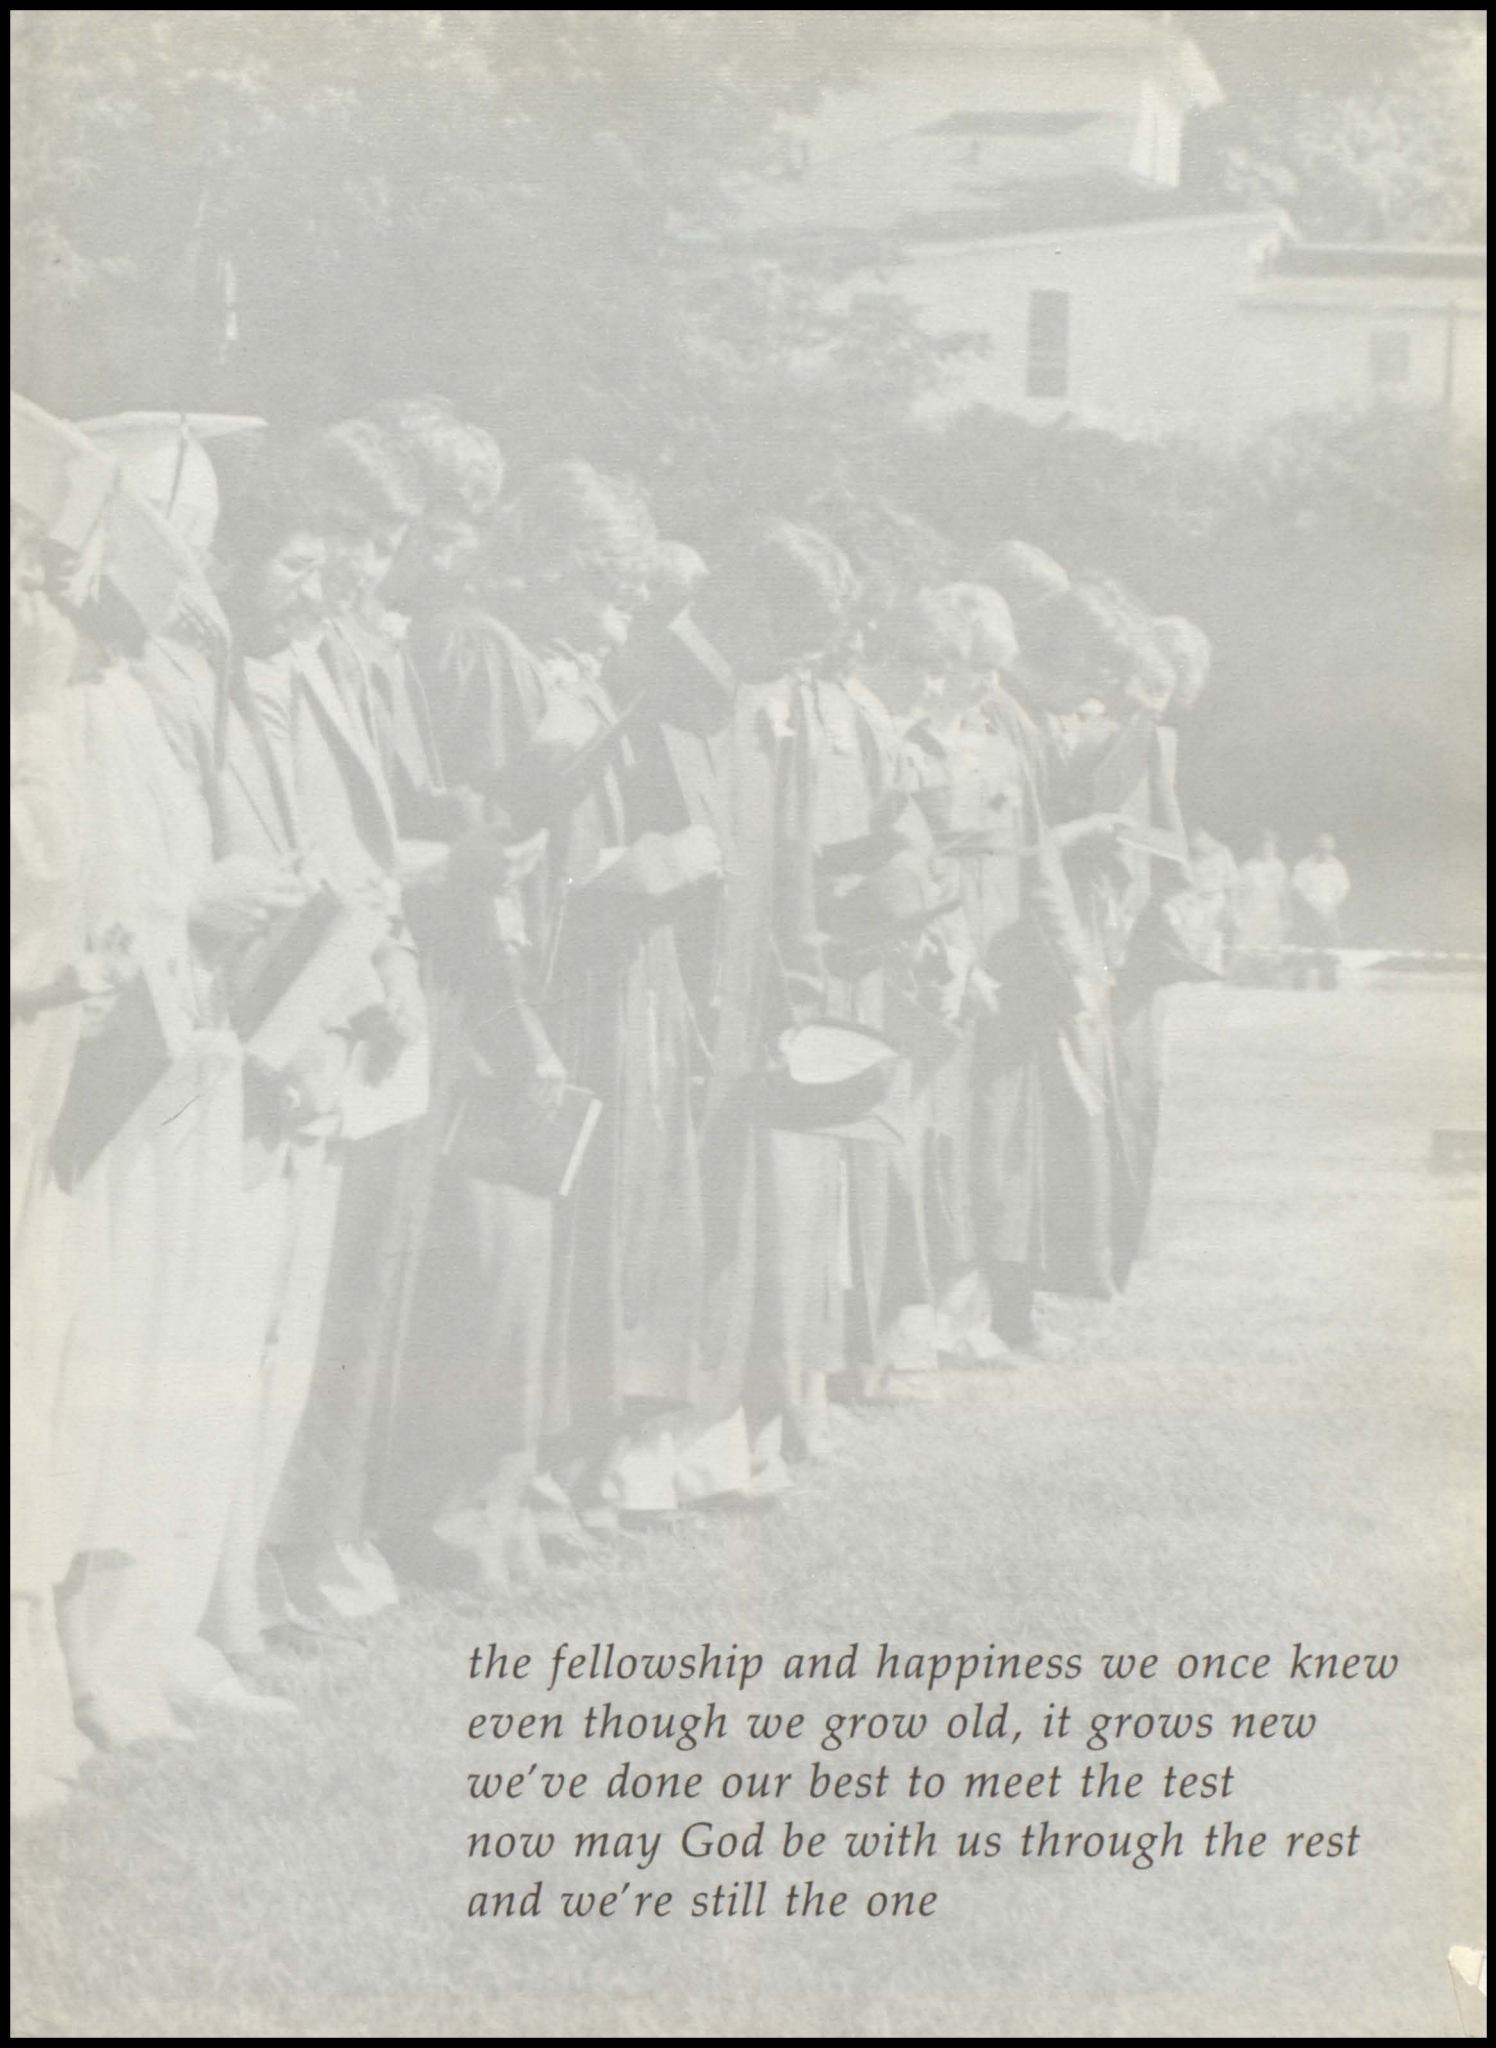

*our high school days are soon at end
but we'll still carry on that familiar trend
so suddenly we came to that Senior door
now we long for those old school days once more
and we're still the one*

*still the one who makes me strong
still the one I want to take along
we're still having fun
and we're still the one*

*the fellowship and happiness we once knew
even though we grow old, it grows new
we've done our best to meet the test
now may God be with us through the rest
and we're still the one*

Teacher of the Year

Chosen this year for Teacher of the Year was Mr. William Croft. The Yearbook staff presents this award annually to the teacher that, in our opinion, best fulfills these qualifications:

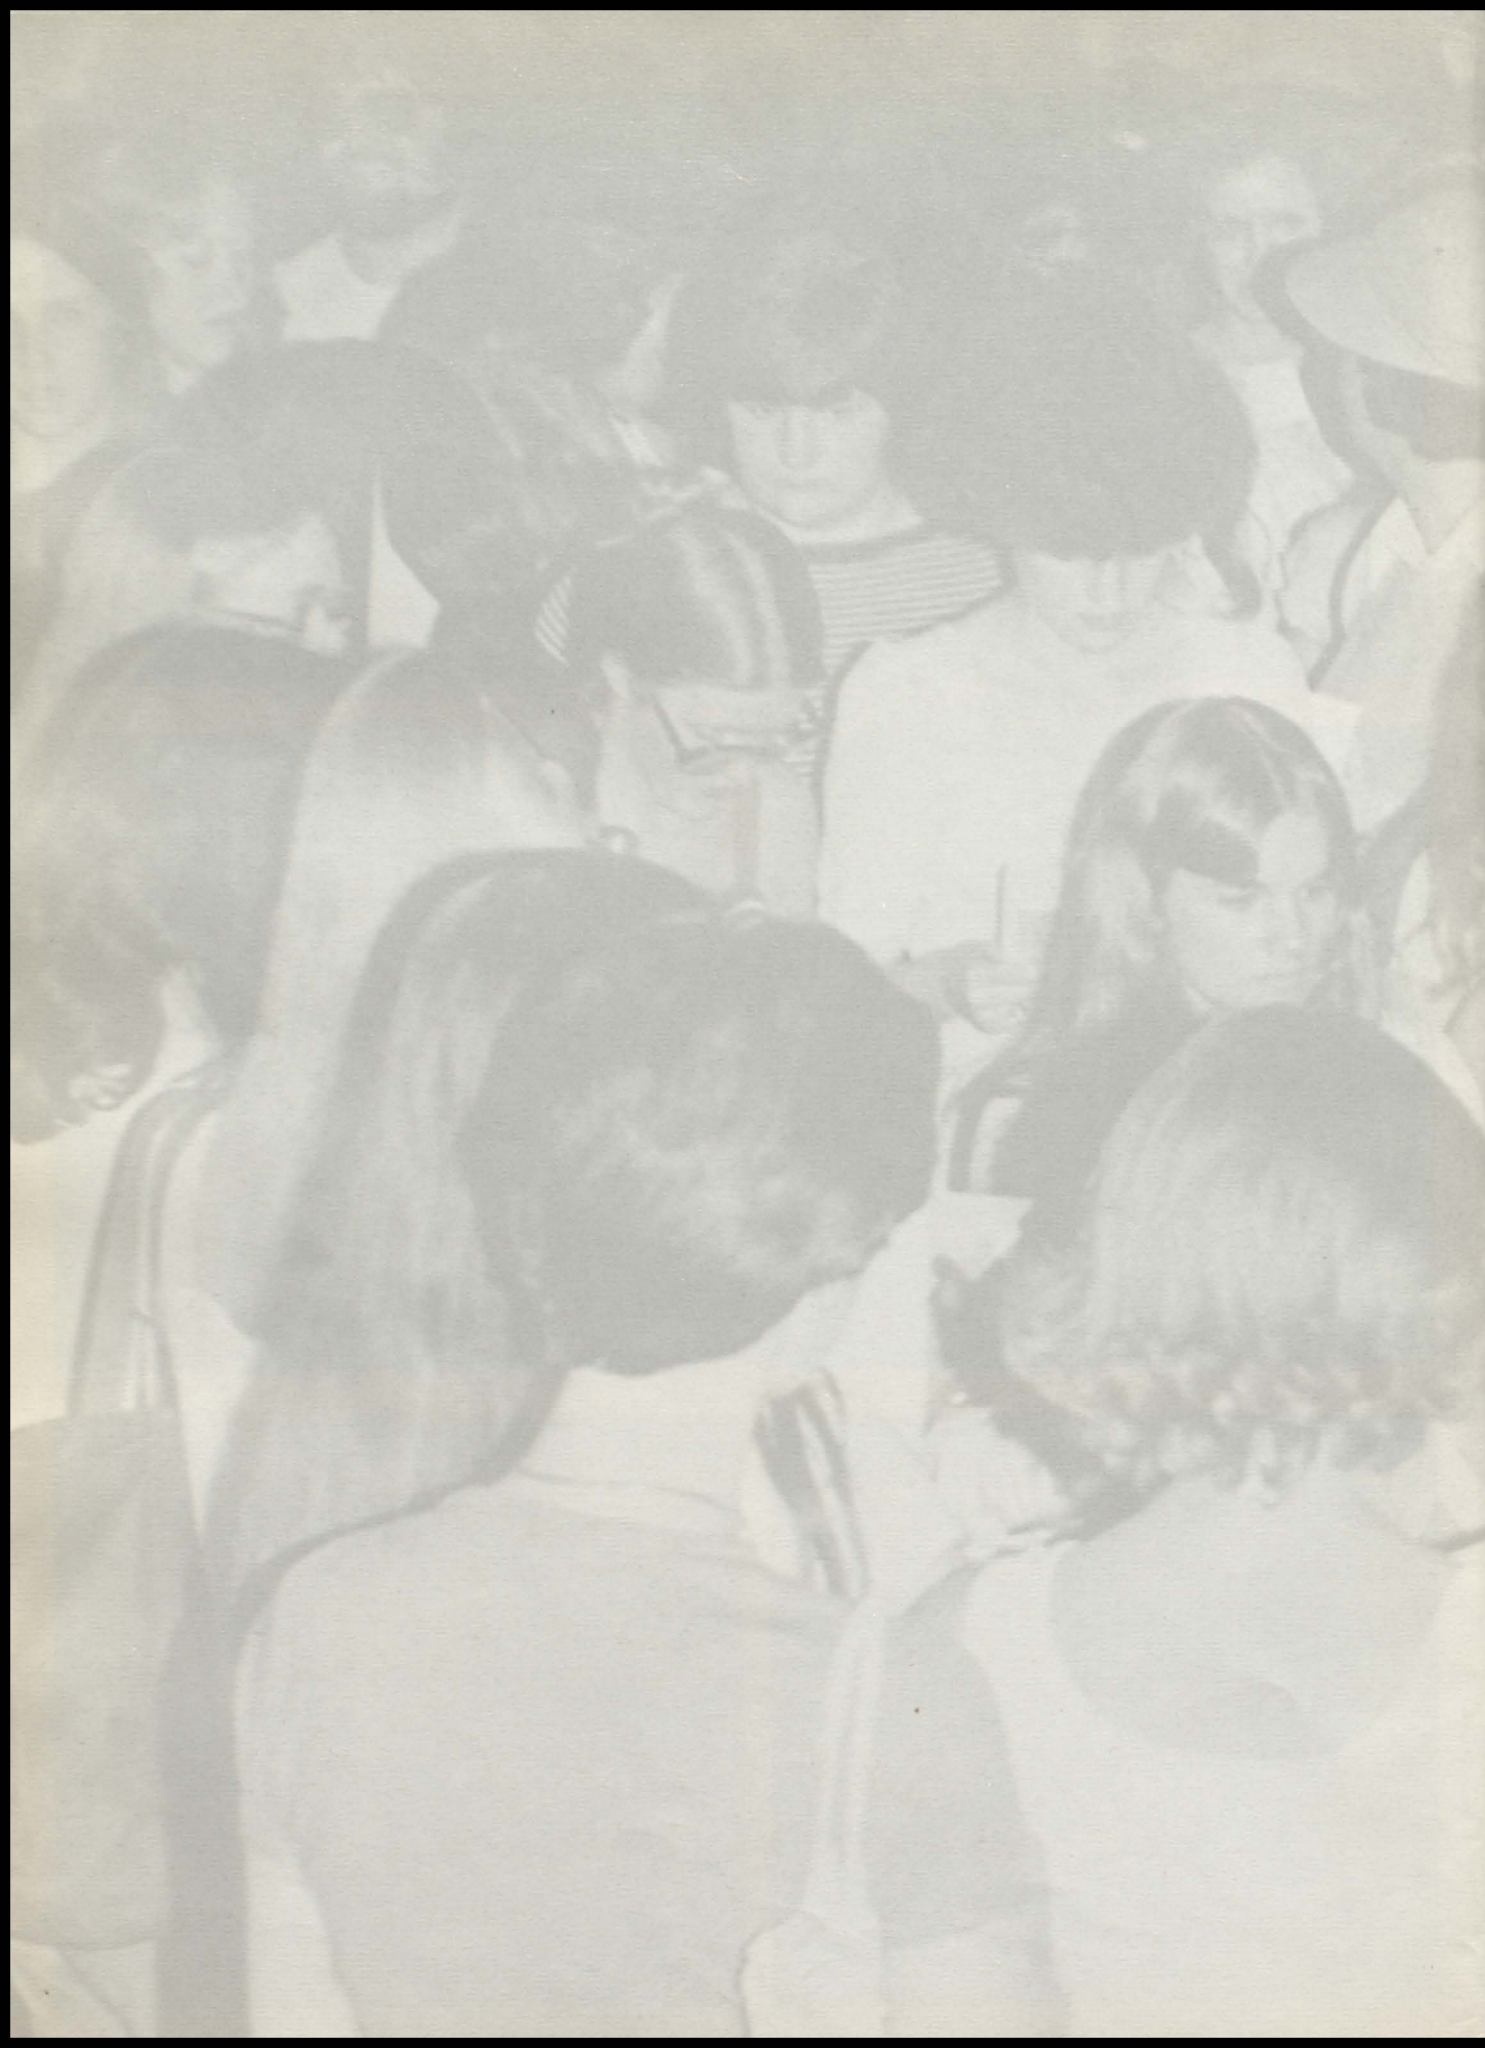

1. General attitude
2. Teacher-student relationships.
3. Knowledge and preparation in his subject.
4. Extra curricular activities.

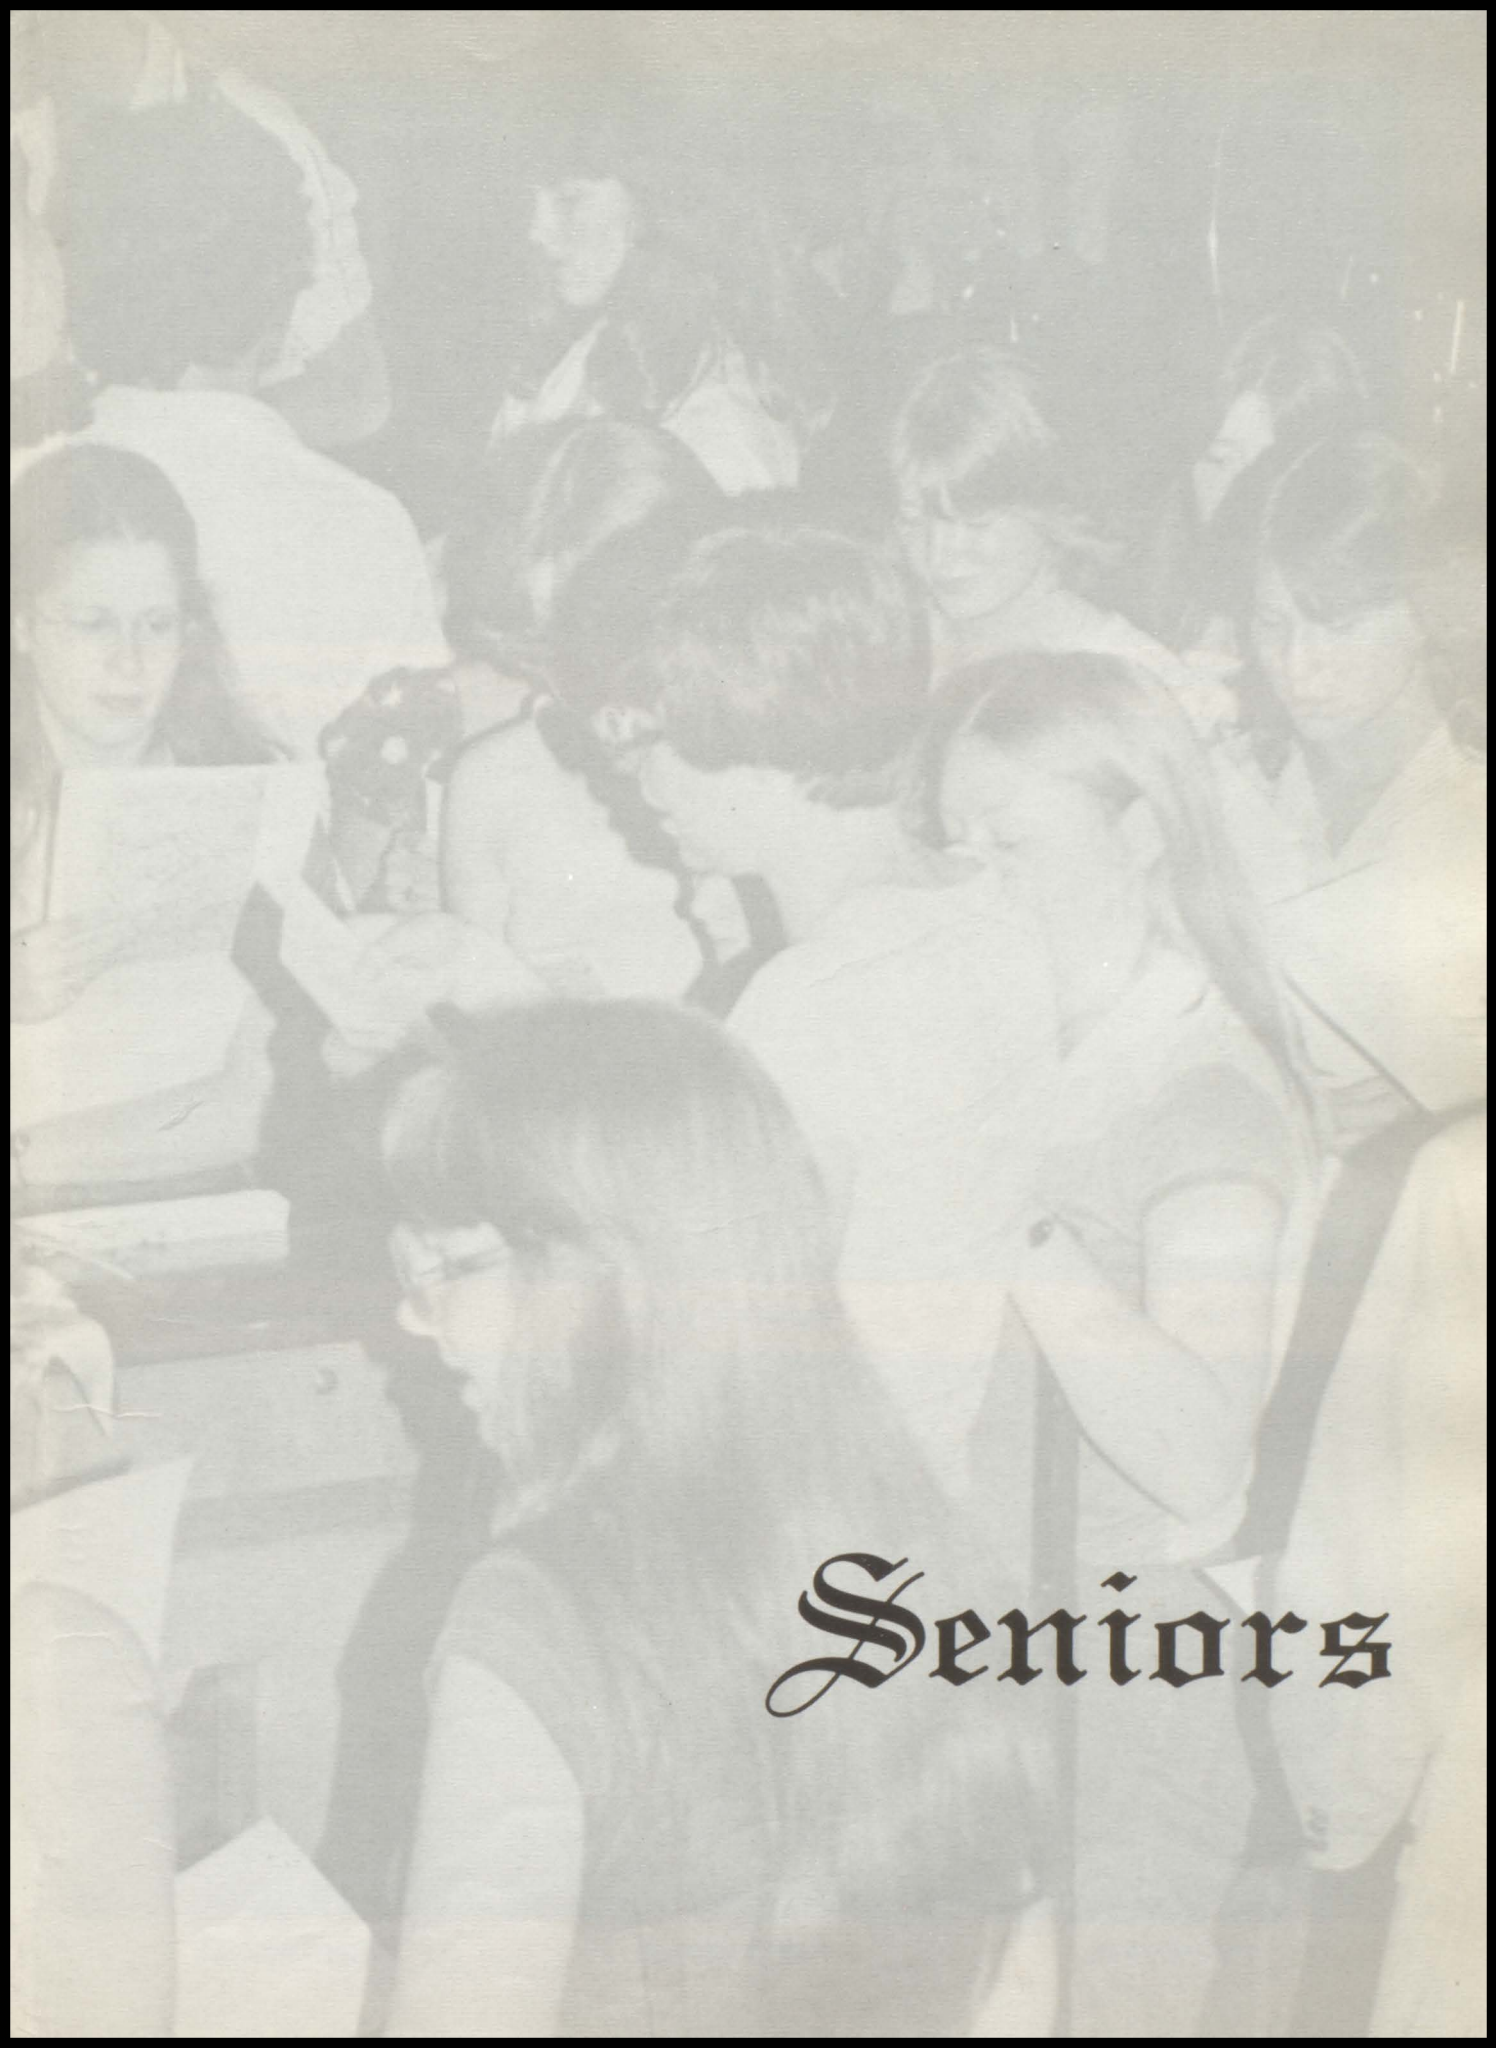

In the seven years Mr. Croft has been at T.H.S., he has taught various classes in social studies. Outside of school, he is active in coaching track and cross-country. In his spare time he enjoys fishing, hunting, gardening, and home improvements.

A large portion of his time is spent at home with his wife, Barbara, and daughters, Carrie 8, and Shelby, 5.

Though we rarely see them at their tasks, our maintenance men and women work day in and day out to make our school neat, clean, and attractive. Like clockwork, they are here to maintain our heating and cooling systems, and to keep our school in general working condition. We barely give them enough credit for the amount of effort they put into their work!

Student Life

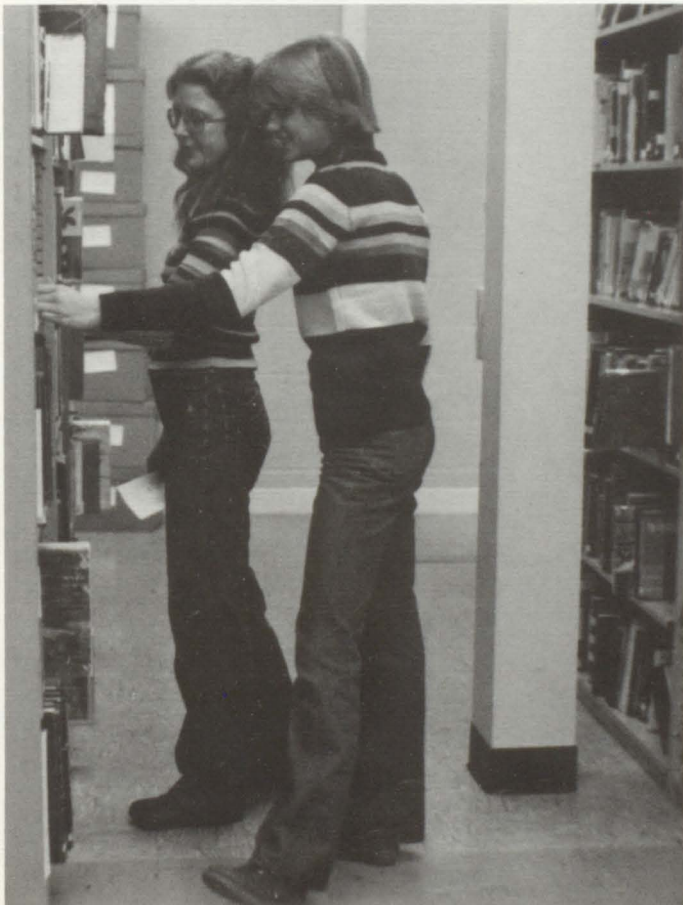

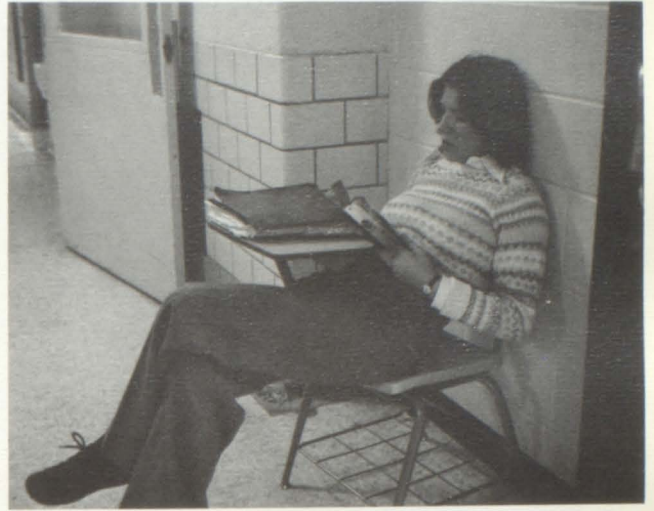

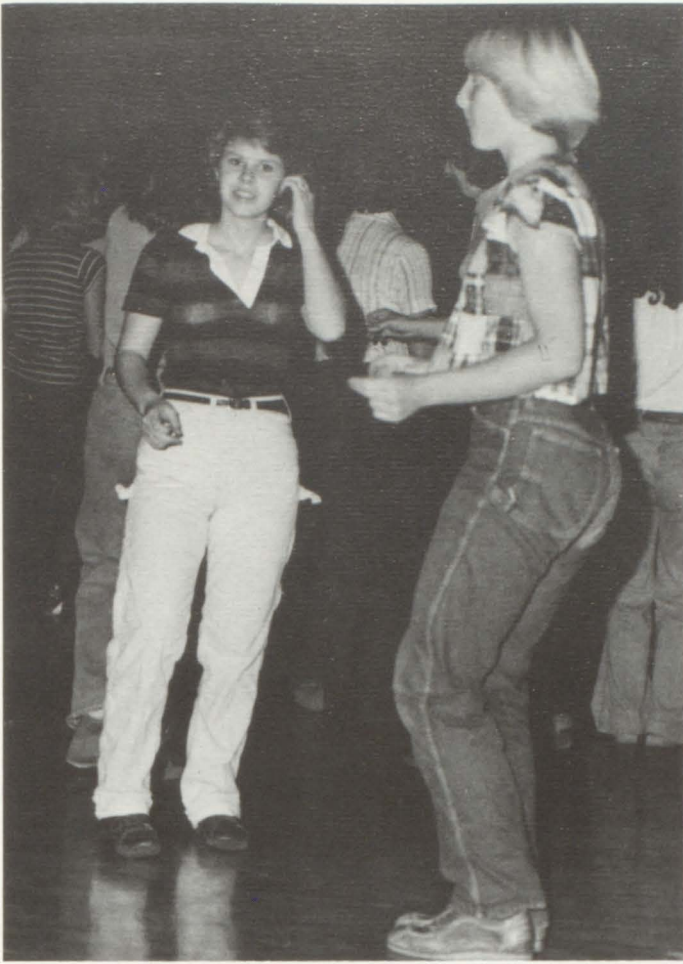

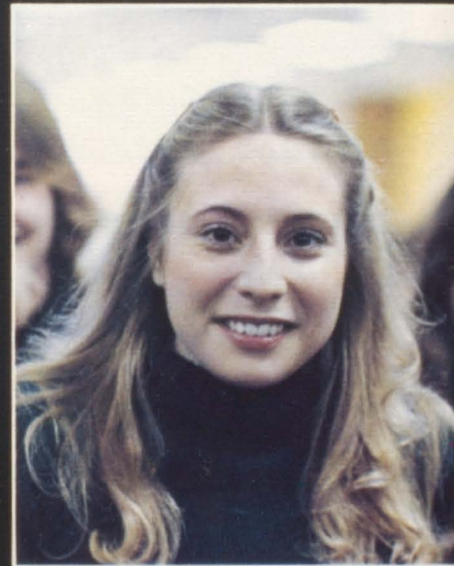

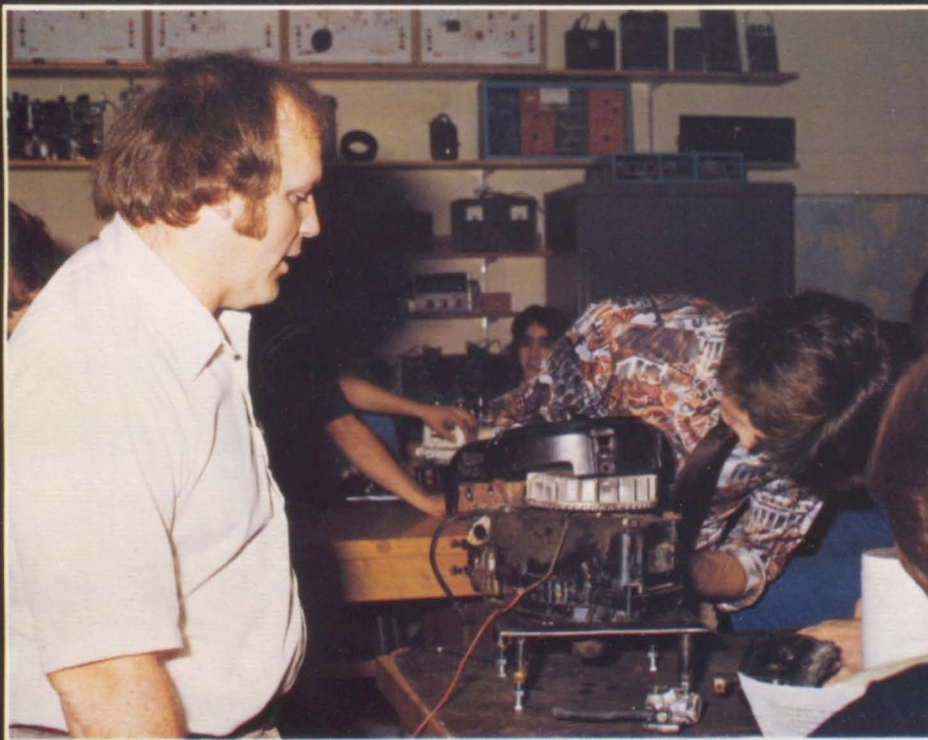

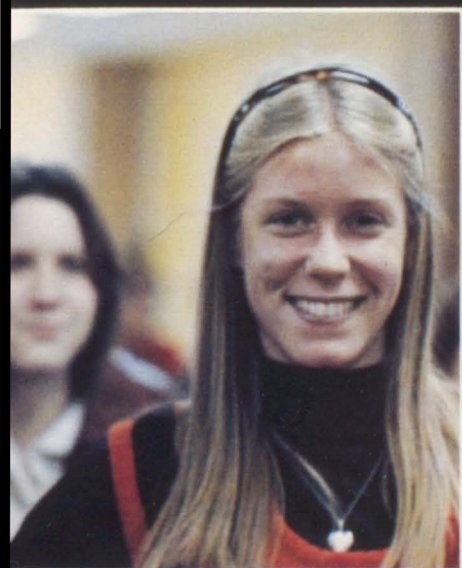

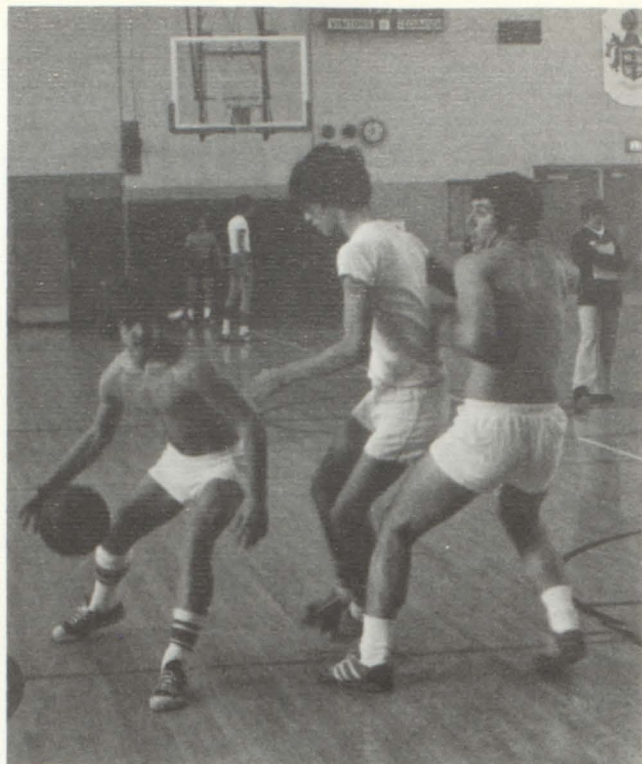

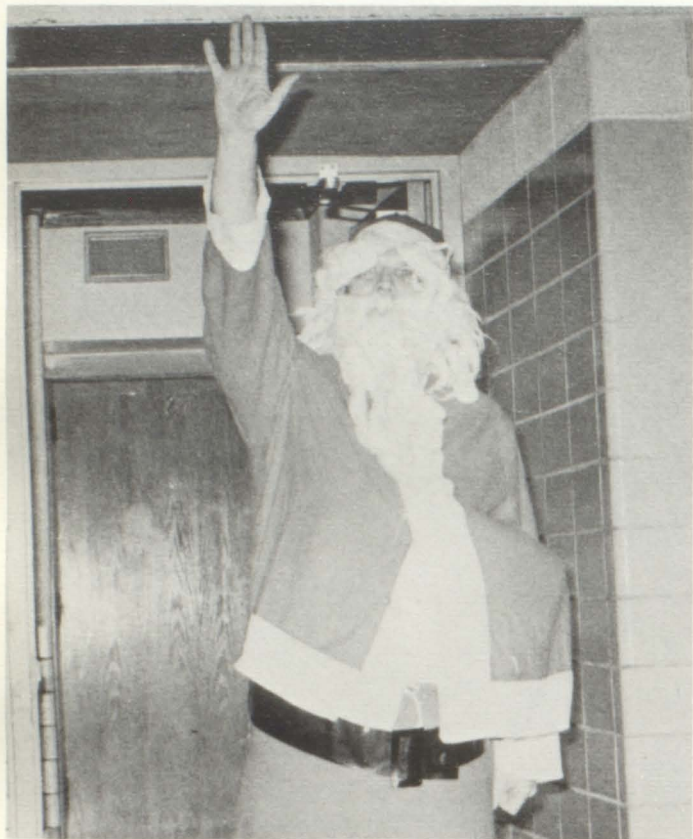

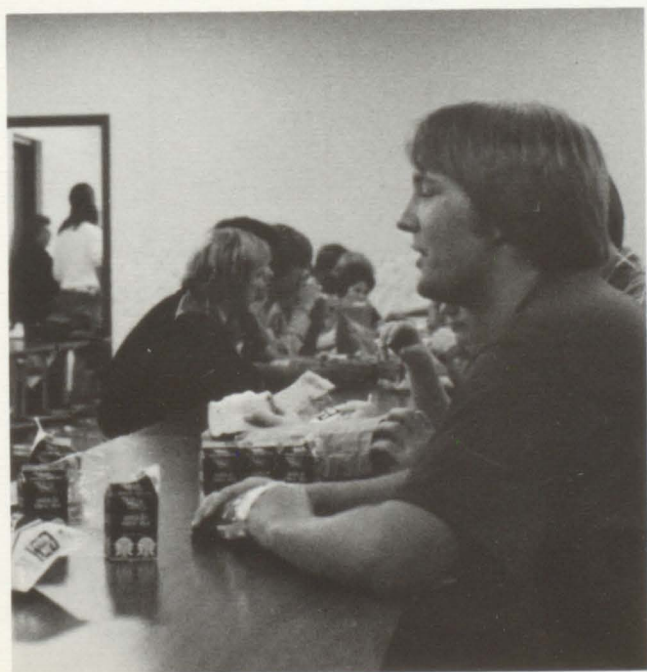

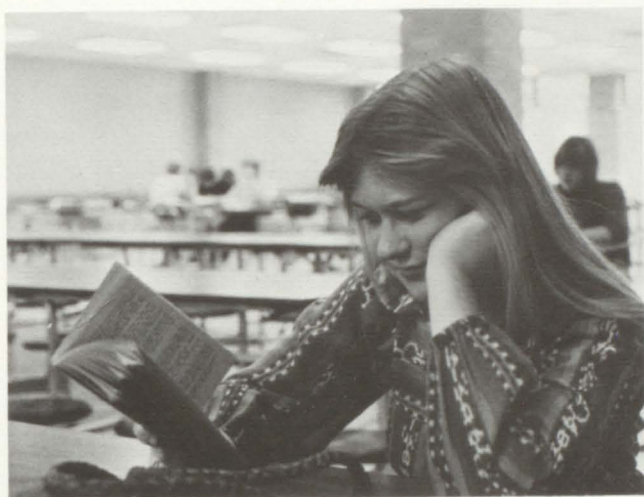

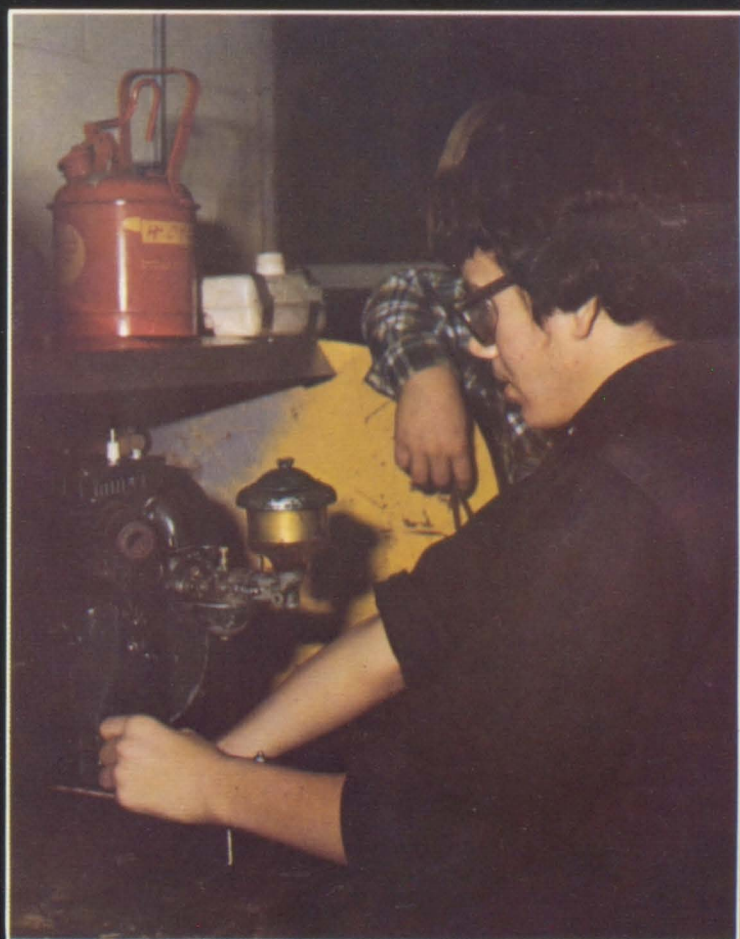

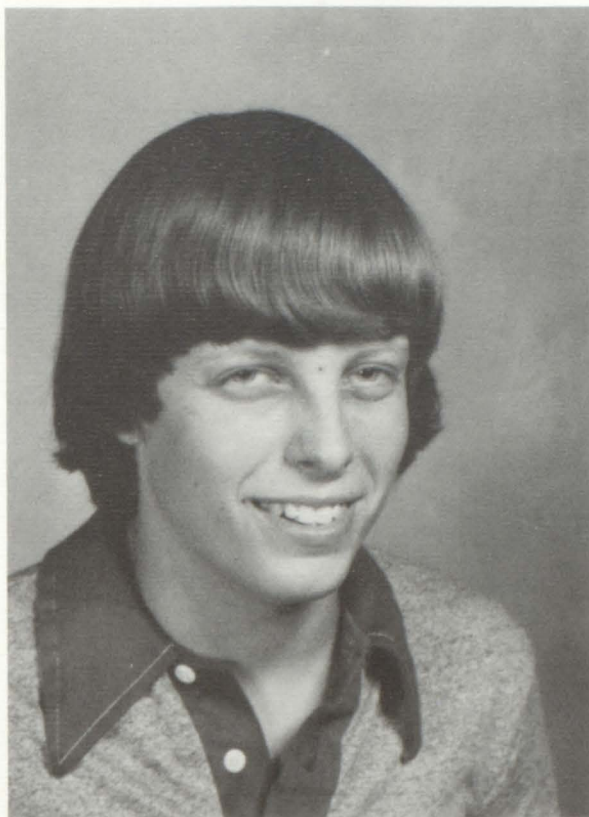

In Memory of Doug Barron

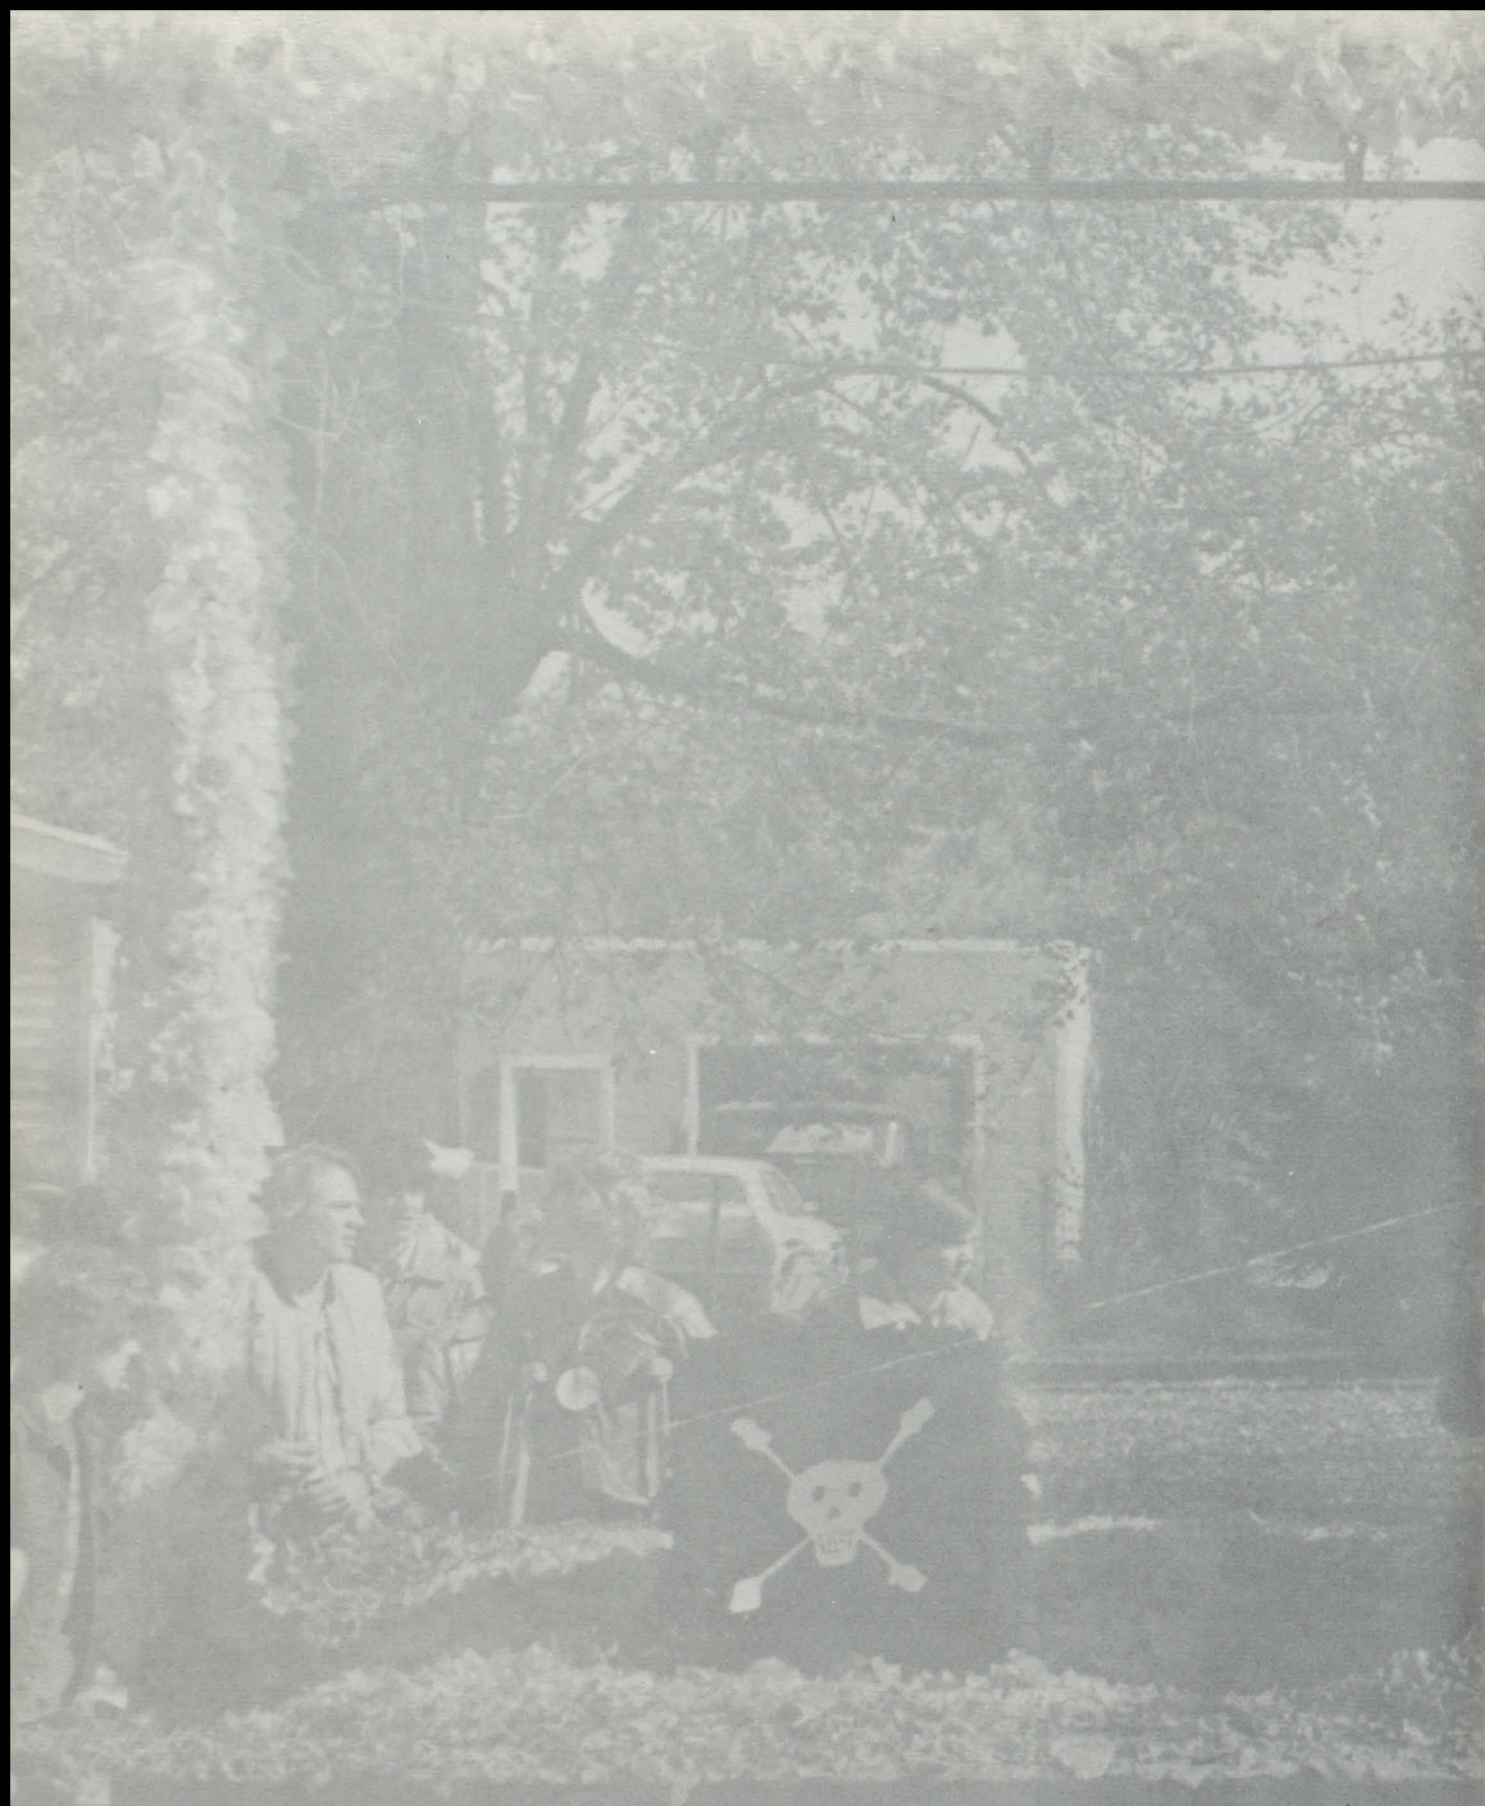

Today I witnessed a newborn life
As it came into the world.
A world that's filled with strife
And a future yet to be unfurled.

And through the years, as time goes on
He gives his childhood up.
He awakens with each new dawn
And drinks life through a silver cup.

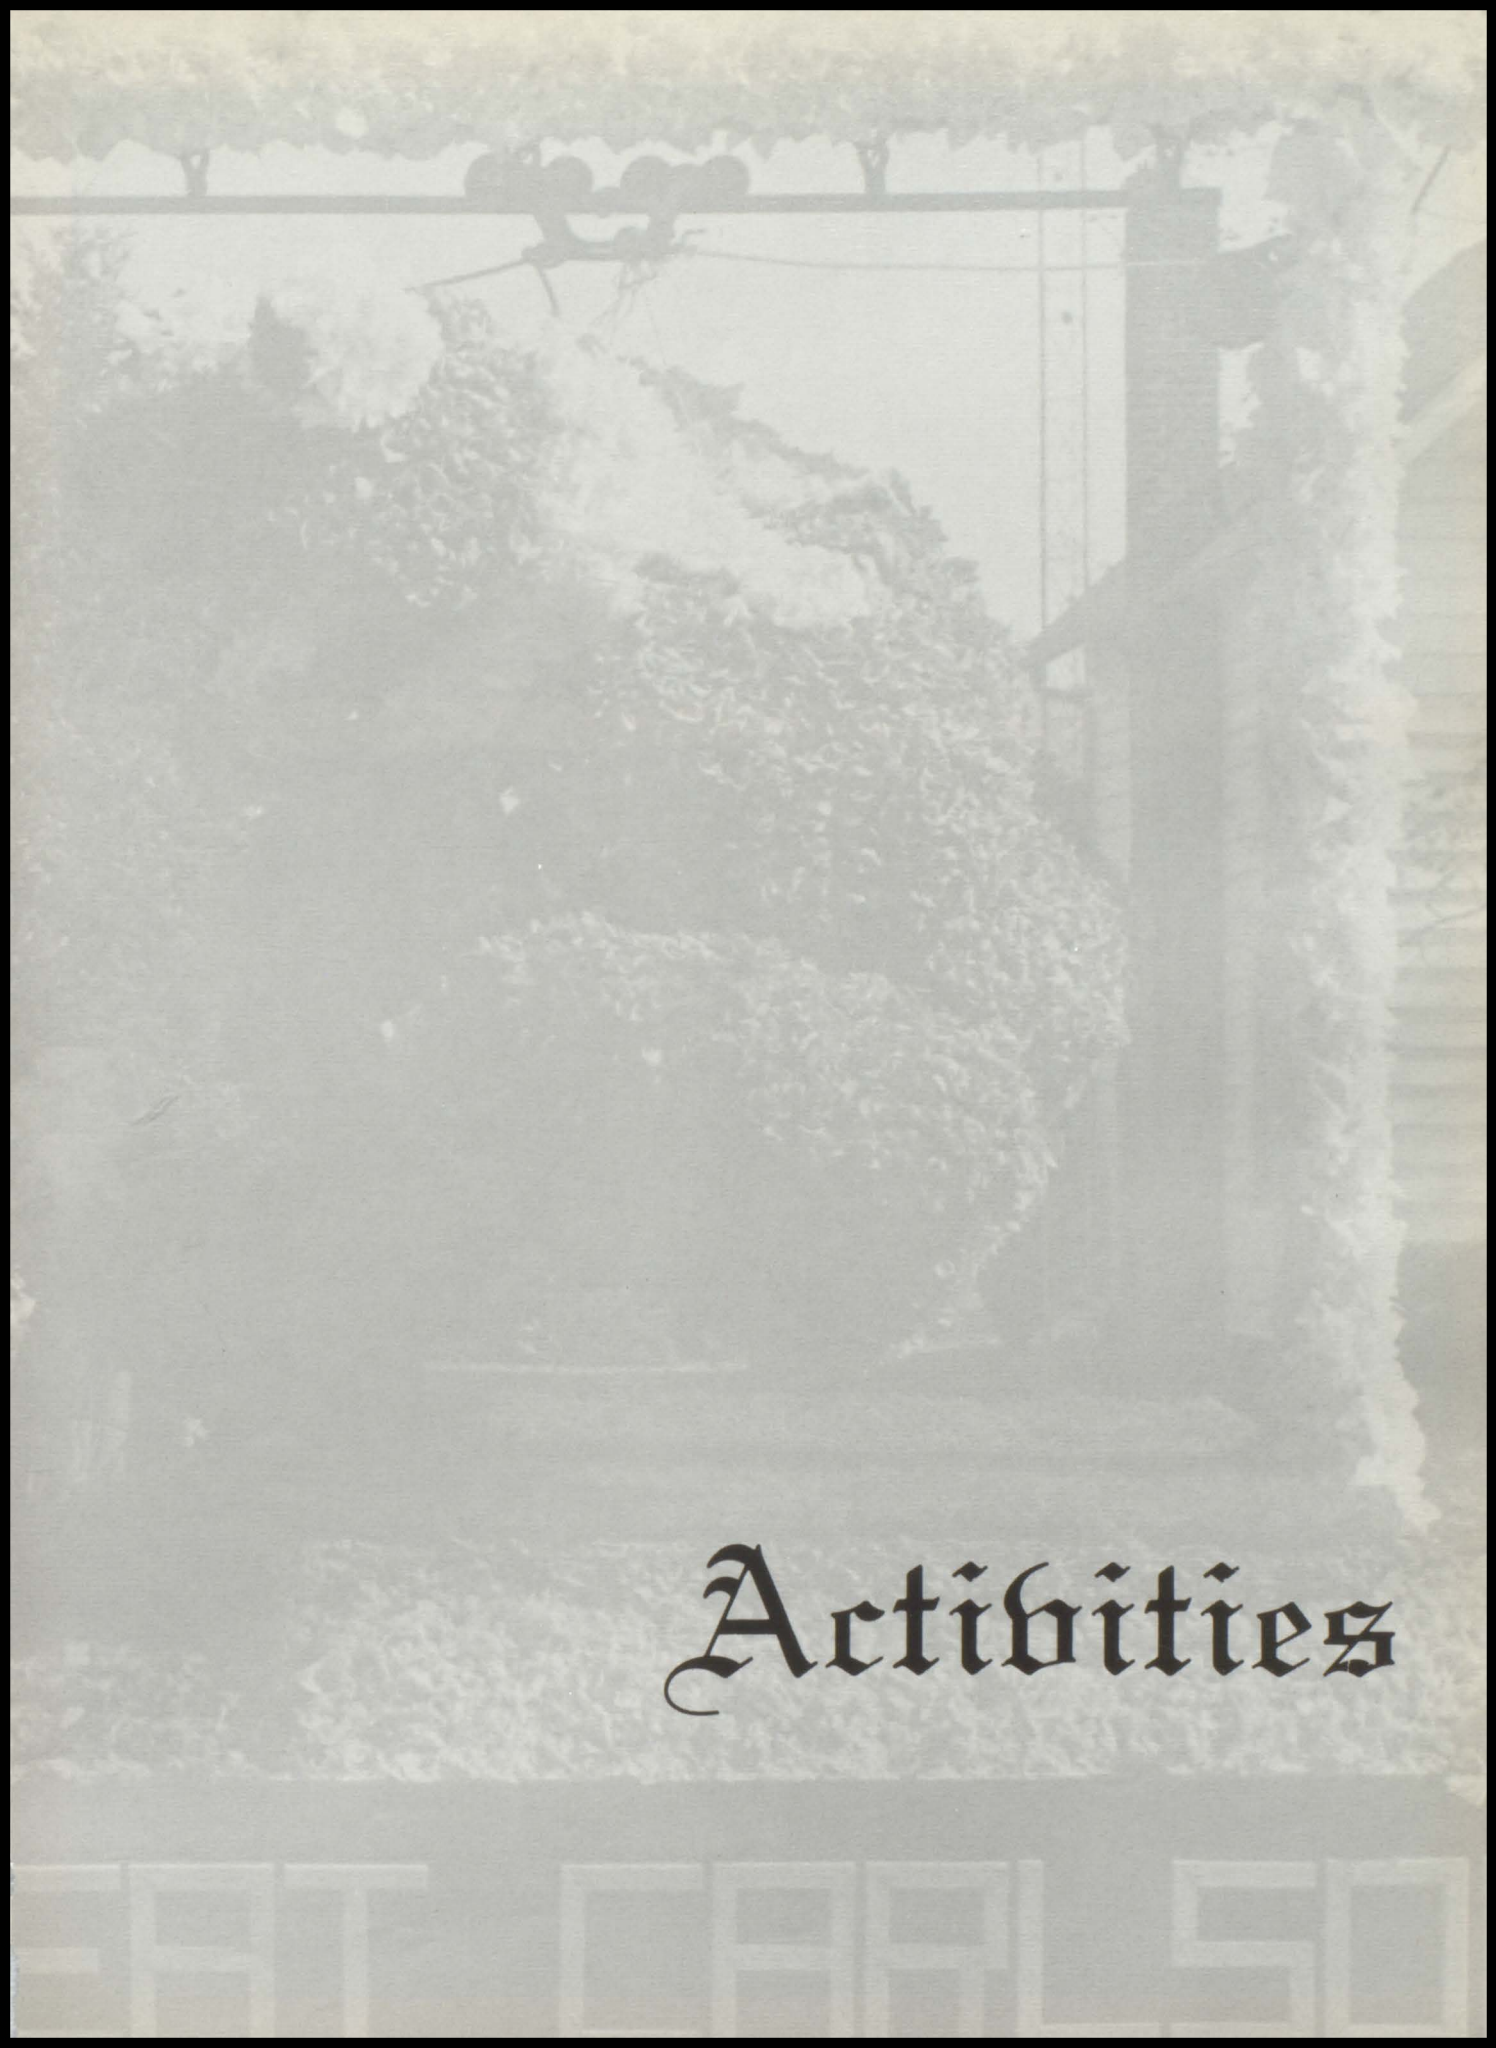

And the hour glass sands
Sift the time away.
And the life that once was man's
Is no longer here today.

And though there is a purpose
For everything that's done.
I sometimes question reasons
And the why of things to come.

Cheerleaders

The T.H.S. cheerleaders, advised by Kathleen Kelso, have again done a terrific job of keeping up the spirit and morale of the student body. They have contributed much of their time and energy to the pep rallies, football, and basketball games. The cheerleader's main job is to let the team know that the student body is behind them all the way, and they do just that. For this they deserve a great big THANK YOU from all of us.

Dear Reader:

The theme for Anath 1978 is "We're Still the One." which is not only illustrated on the cover, but through the introduction and the entire book. The Anath Staff has tried to captivate the pulsation of the school and its activities . . . homecoming . . . Lenawee County Youth Convention . . . seniors . . . faculty and staff . . . underclassmen . . . student life . . . sports . . . graduation . . . clubs . . . dances . . . awards night . . . and the talent show. Experimenting with several new techniques and ideas, we have hoped to improve the excitement of this year's Anath.

Special gratitude is extended to the following people for varying degrees of assistance with this publication:

the entire Anath Staff for their unending hours of hard work and dedication,

Mrs. Stevens, Anath advisor, for her guidance,

Doug Bynam, representative from Hunter Publishing, for all his help and advise,

Hunter Publishing for their excellent service,

Carl Habrick for taking the color pictures which appear in the Student Life section of this book,

Mary Moll for designing the cover with the help of Mrs. Fox, the Advertisers for their dedication and support which is greatly appreciated,

Mr. Cunningham for taking the pictures which appear in the Sports Records section,

the Faculty and Staff for their cooperation, and then a very special THANK YOU is extended to you readers for purchasing this year's Anath, Anath 1978.

Sincerely yours,
Sue Long
Editor-in-Chief

P.S. The word "Anath" means farewell in Indian!
