This Book Is Dedicated To . . .

The students of Tecumseh High School who made the 1983-1984 school year one full of memories, laughter, and excitement. It is the hope of the year-book staff that in years to come, when you look back at the pages of this book, you will be reminded of those very special moments of your high school years.

TAKE A WHOLE NEW LOOK

*Your bones they creak your
eyelids barely move, your aw-
ful tired of trying and too lazy
to adapt, your runnin out of
juice my boy, we need some get
up gas.*

*Take a whole new look, find a
whole new plan, get your guns
a movin and dust off them
hands. Examine them choices
pick your way through, that
world out their is racin and its
waitin just for you.*

*Look a different way, see a
separate view, not all of lifes a
thinkin just like you.*

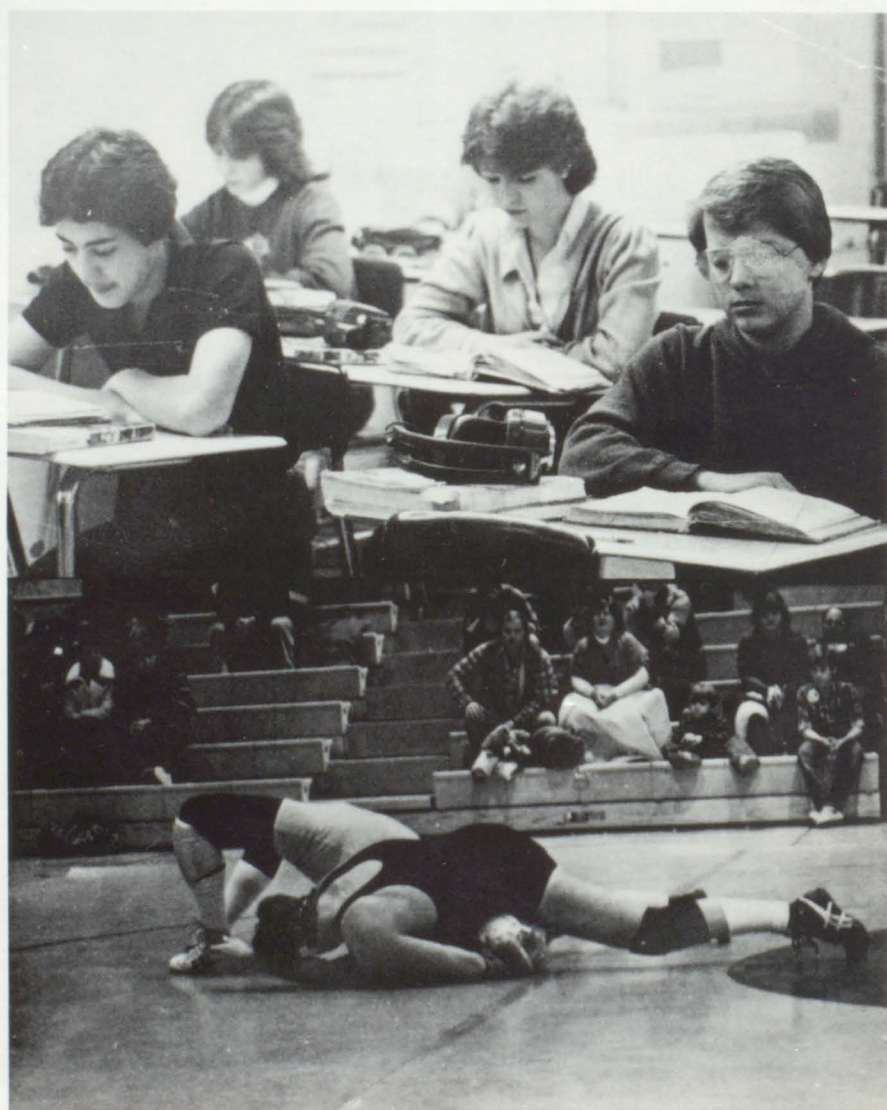

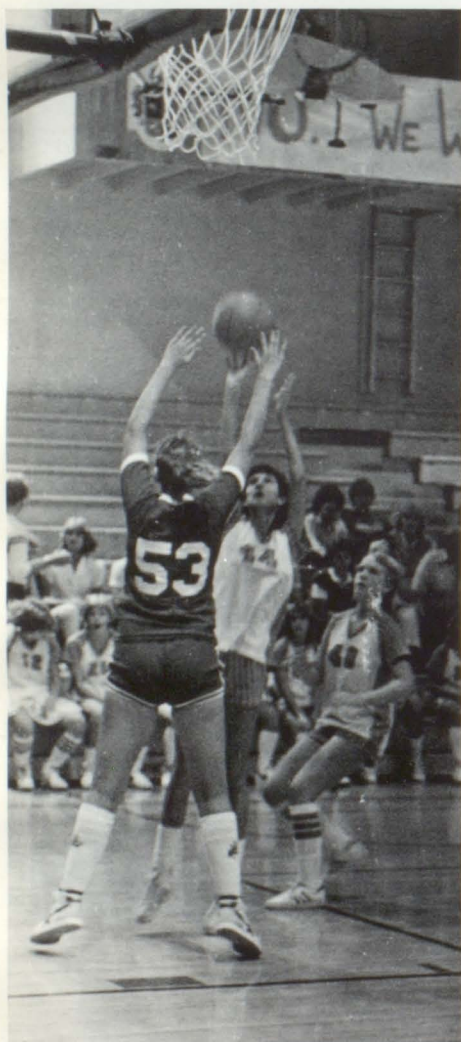

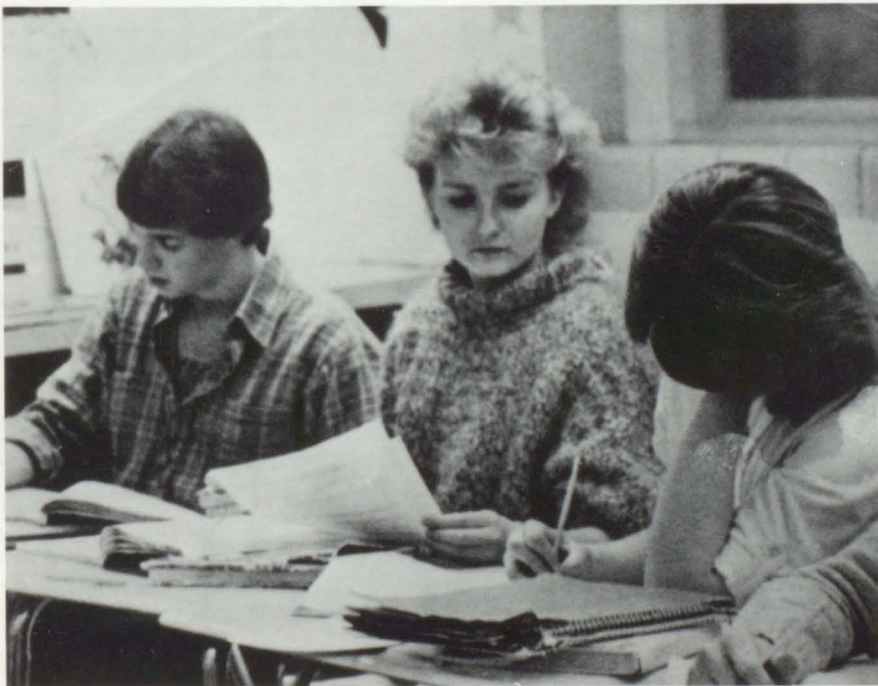

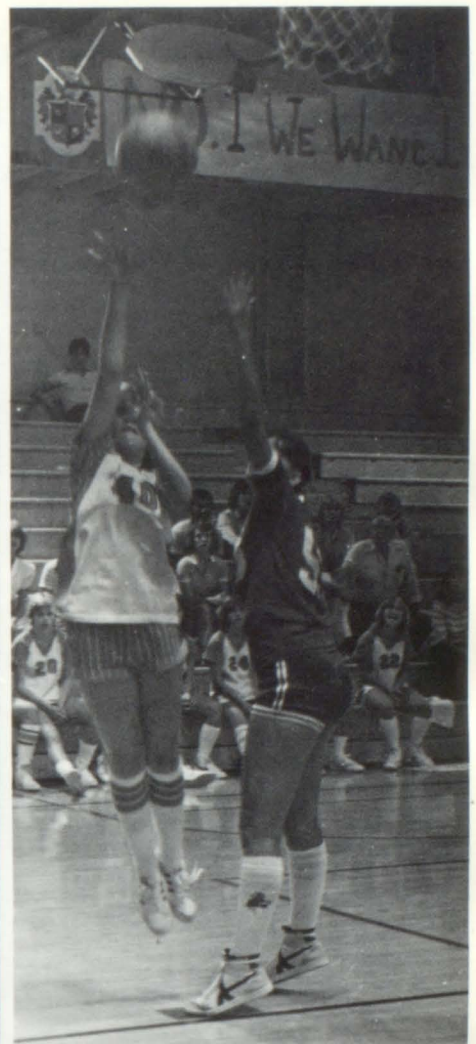

*A road it narrows and your
caution lights flare up, find a
new path and trace it down,
lose yourself in goals and
hopes and pray you won't be
found.*

*Friends need help your home-
work is failin, your job is hur-
tin and you think you must be
ailin. Don't fret nor holler
cause its not all that bad, pick
up your boots my boy and give
it a stab.*

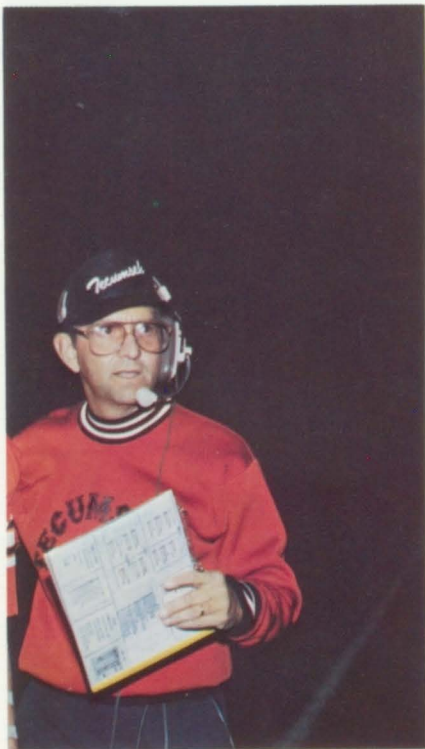

*Turn away and look back
again, close your eyes and take
a deep breath, ride those
waves through rough and
smooth, your a fighter and you
know you just can't lose.*

*An evening of problems ventures
long through the night, tiresome
anxieties waver in your mind.
Take a break and let it rest,
wake up in the morning revived
and fresh.*

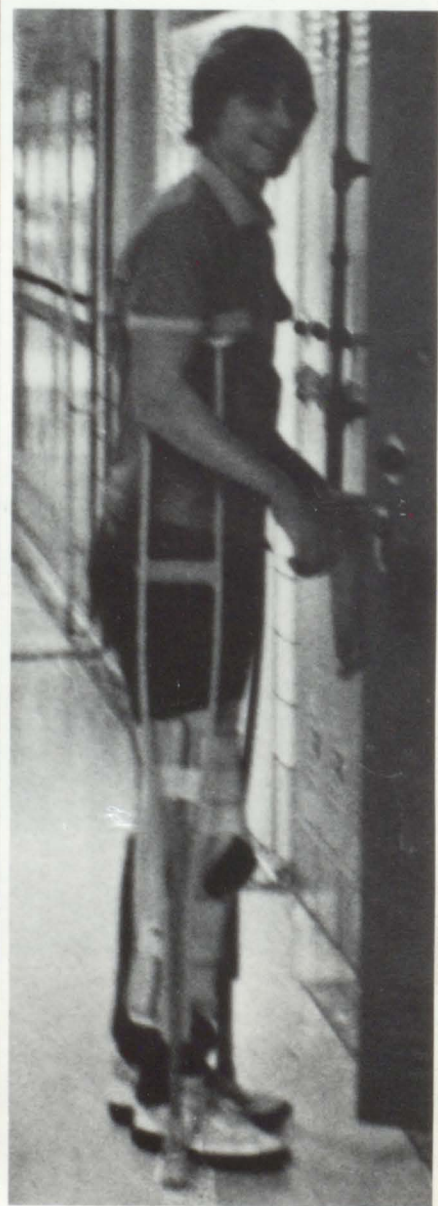

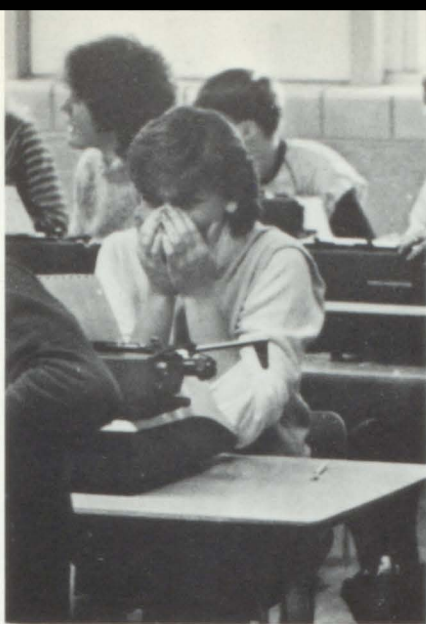

One year at a time our world it
does climb, whether up or down
it always comes around. Lettin
you jump for all your worth, so
go for it baby, and show us how
it works!

Stick your head outside the door, take a chance and go for more. Retrieve a future that lifts you up, work it out put it to the test. Its all in fun ain't life the best.

*Take the time to smell the
roses, make the time and re-
look again. Your young and
fresh make it last, see it comin,
prove it out, the world is out
there handin out dreams, get
the motivation, latch that
hook, rev up your dusty will,
and Take A Whole New Look!*

School Bids Farewell To Mr. Duhan

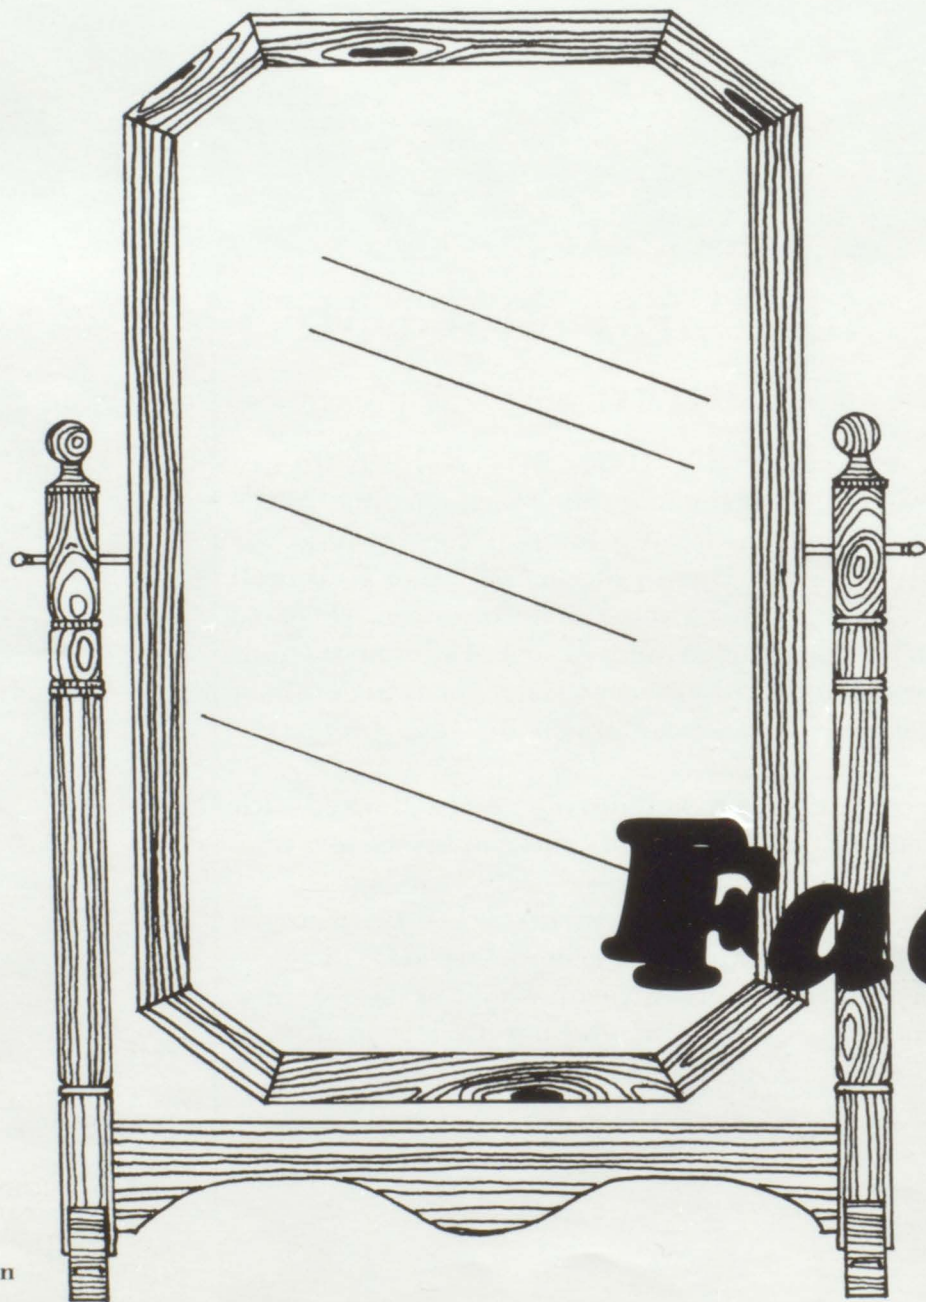

On Monday, February 20, 1984, Mr. Robert Duhan announced his resignation at the monthly board meeting. In the last 17 years Mr. Duhan has been a familiar face around the Tecumseh area. In 1971 Mr. Duhan succeeded James McDowell as superintendent after serving 4 years as his assistant. He came to Tecumseh with a strong background in school administration. He was a superintendent at Ulby, served six years as high school principal at Manchester, and was administrative assistant to the superintendent at Garden City.

He served the school district well during an era marked with contractual difficulties between schools and employees at a time of high inflation and shortage of funds.

Duhans most recognizable achievement in his 13 years as superintendent was the addition and remodeling at THS.

Mr. Duhan, a respected school head who was active in a number of community organizations, did not disclose his future plans. So good luck Mr. Duhan in whatever you do.

Student Teachers

Experiences expanded this year as we had the privilege of having two student teachers in our midst. Both which were enthused with the workmanship of the teachers as well as the students:

The first student teacher, Miss Carol McNaughton, worked under the guidance of Mr. Raeburn. She is a 1984 graduate of Siena Heights College. Her major course of study was math and english.

The next visitor was Mrs. Paula Konalke. She was a 1968 graduate of Siena Heights College. She worked under the guidance of Mr. Lovett, her major was psychology.

We would like to express our appreciation for their impressive educational experiences and for sharing them with us here at Tecumseh High School.

Miss McMaughton intently at work.

Mrs. Konalke helps supervise student Jeff Crunkilton in Senior Social studies.

Sue Carpenter and Mrs. Konalke smilingly enjoy a senior social studies assignment.

FRONT ROW (L to R): B. Thomas; M. Pilbeam; E. Handy; S. Dunbar; B. Retan; G. Purple; B. Smith; B. Downard. BACK ROW (L to R): W. Johnson; G. Carlson; J. Glascock; G. Kittle; S. Kennedy; B. Weimer; R. Forrest.

Bus Drivers

The ventures never end for a bus driver at THS. Their journey begins at 6:15 in the morning and usually doesn't end until 5:00 at night. All that time is spent picking up a total of 2600 students, which are spread out among a variety of high school, Vo-Tech, and elementary students.

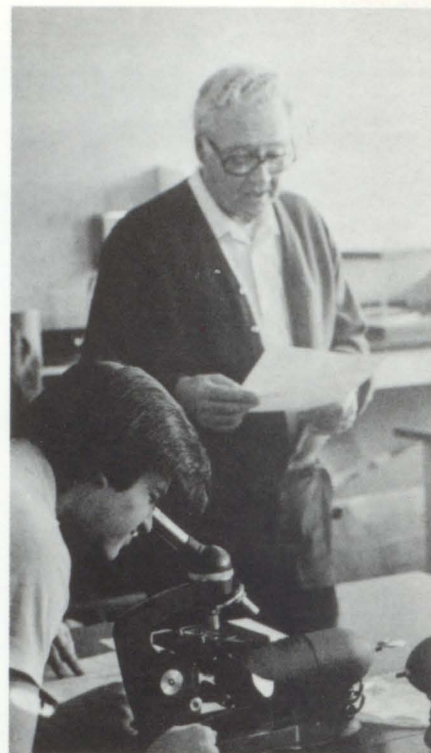

There is an average of 70 students per bus relying on our bus drivers to deliver them safely to school. Bus drivers are a necessary part of our school system, so look at them with respect the next time you board your bus for your journey to school.

Mrs. Kennedy adjusts the bus to make her students more comfortable.

Mr. Raeburn enjoys teaching students the basic concepts of the use of a computer.

Mr. Burns gladly gives some help to a student of his.

Mrs. Wakeford "becomes" a student in one of her English classes.

Working furiously to return tests to students, Mr. Connors quickly grades the papers.

Miss Kelso stares out the window at the sun.

"Are you sure that you are doing the experiment right?"

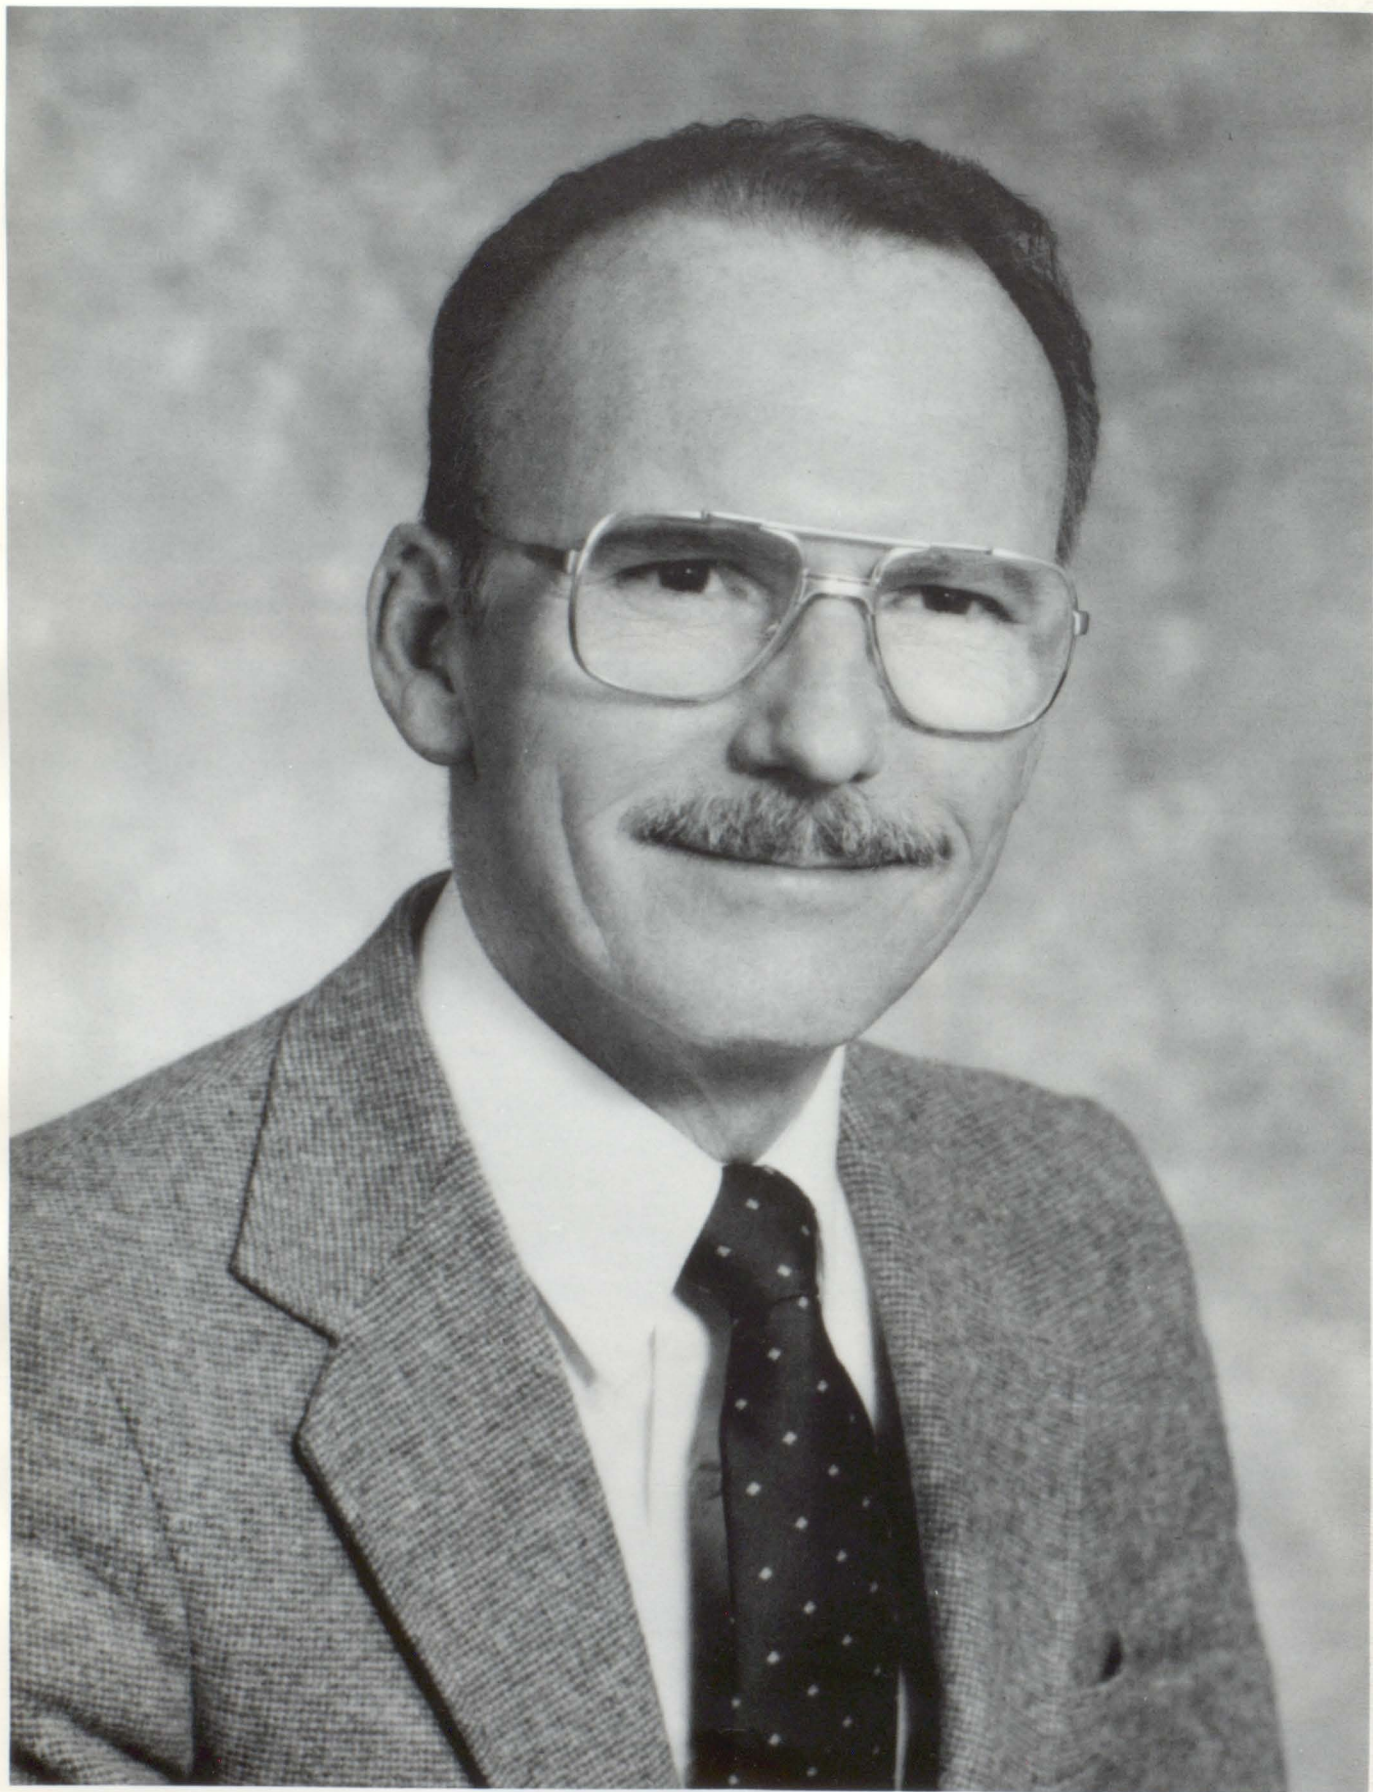

This is how the teachers "get down!"

Mr. Feldman carefully operates the machine.

Mr. Stevens solves another problem for the students of his Algebra II class.

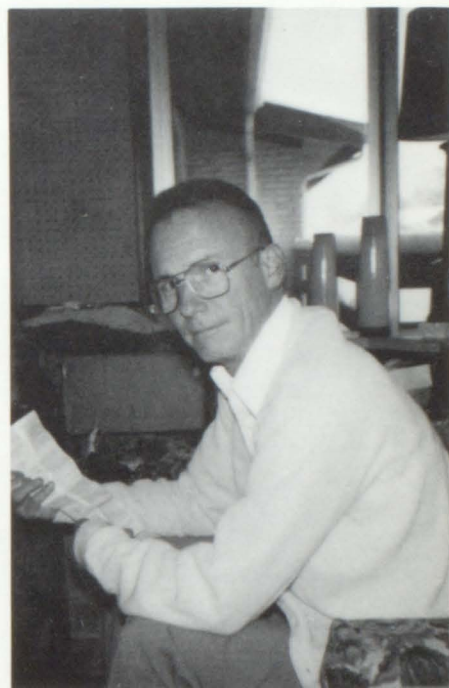

First of all if we ask ourselves what actually makes a good teacher could we reply, someone who is well preserved in the structure of our world or one who can be strict yet capable at all times. No teacher has ever been categorized, and this years Teacher of the Year is no exception.

Mr. Jack Whelan notably aware in politics, seriously involved in community activities and only slightly crazed in the aspect of teaching all ages of teenagers. Mr. Whelan was born in Jackson Mi, but after one year moved to Tecumseh his home of all these years. An alumni of THS himself he went on to college attending Eastern Michigan University. The most apparent reason he chose teaching as a career was because he felt the need to help young people get their lives together and get them on good solid ground after completing high school. Through his eighteen years of teaching at THS he discovered or rather yet attained a know how of getting through to students. Getting down to a comfortable basis with the kids has always been the best and most useful way to communicate explained Mr. Whelan. Classes taught by him are mainly economically oriented courses including Business law, marketing, accounting and of course Senior Soc! Out of school Mr. Whelan gets involved in such activities as bowling, golf and tennis. Also helping a lot of the retired community better understand their roles as tax payers and citizens. After all of these years of teaching Mr. Whelan sees a coming back of the basic principles and standards of 25 or 30 years ago. This may be due to the influence and cooperation of the community.

Mr. Whelan is a dedicated and honest man with a lot of special qualities that give him a concerned sense of helping that appeals to everyone, be it student or community member. We thank you for all your devoted years here at THS and hope your experience and influence will be continued for many years to come!

In memory of Danielle Gill

You Were

You were the light that shined so bright, you were the sky in my day and night. You were the smile that lite up my day, you were my friend in every way.

You were the image that danced in my past, you gave me hope and made it last. You were the sun that greeted me each day, you were my friend in every way.

You were my heart that reached within, you were my soul that let friendship in. You were so kind in all that you'd say, you were my friend in every way.

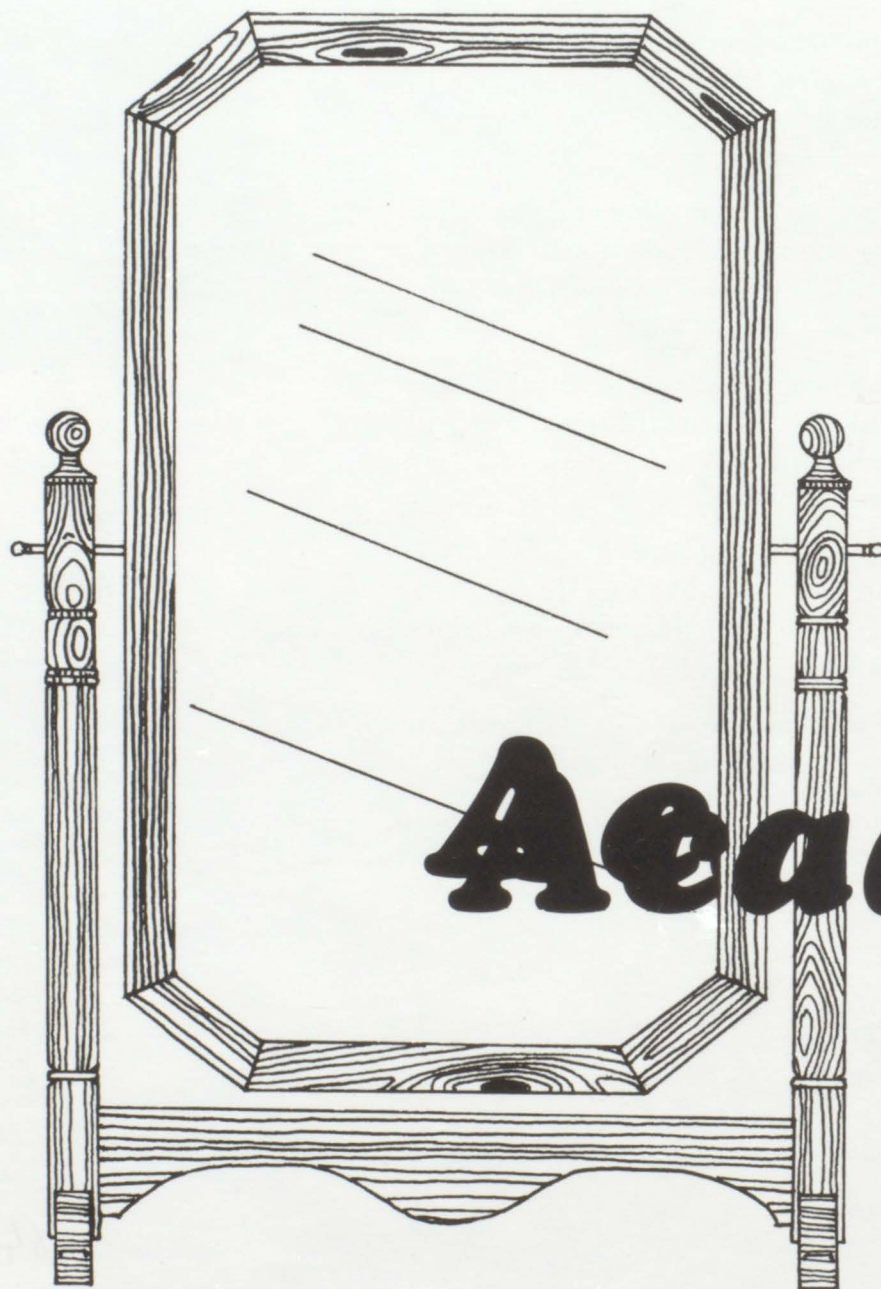

You were the river that flowed so clear, you were my will as I looked in the mirror. You were my friend so anxious and bright, you were my friend that made it seem right.

A friend of all times, a song in my heart, the memories we had will never part.

Math- Computers

The Math Department offered a variety of courses this past year. Many changes have been made, this includes both teachers and courses.

The Math Department offered its customary courses: General Math, Pre-Algebra, Algebra, Algebra II, Geometry, Pre-Calculus and Business Math. In addition to these courses, the Math Department added a Computer Lit. course which was taught by Mr. Raeburn.

Besides the new course, we also welcomed two new teachers to the Math Department. Mr. Cunningham expanded his schedule to include a Pre-Algebra class. Also, Mr. Nelson added an Algebra II class to his schedule.

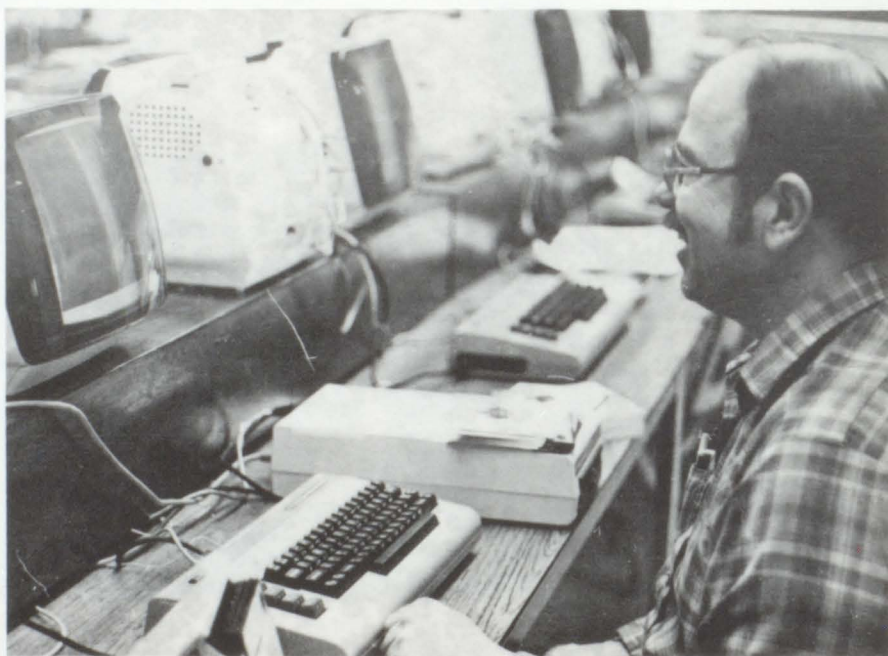

Mr. Stevens gives the class the rest of an Algebra II test. Good Luck Students!

Tim Knight does his best to keep a straight face as Miss Kelso stands over him.

Phil Langmeyer and Matt Lorenzen are concentrating in hopes that they will understand the lesson for the day in Algebra II.

Computer Lit teacher Mr. Raeburn is obviously pleased with the way his program worked out.

Science teacher Mr. Curth helps his assistants.

Donna Heeson is inspecting her investigation in Biology II.

Science

"Oh how gross!" This remark came from a Biology I student who was in the process of dissecting a frog. Each student is required a year of science to graduate from Tecumseh. It takes a lot of concentration and sometimes logic.

There are many different and interesting varieties of the science field offered here at Tecumseh. Biology I students dissected simple animal forms. Biology II students observed tadpoles they created by Vistro Fertilization of frog eggs. And, of course, there was The Annual Physics Olympics. Chemistry, Earth Science, Agricultural Science, and General Science are also offered.

Teachers who try to make these a little more fun while the students try to comprehend are: Mr. Curth, Mr. Cunningham, Mr. Burns and chairman, Mr. Nelson.

Mr. Burns examines a specimen with Perry Harrison in General Science.

English

Our English Department is different than any other in the state. It is highly rated, and it suits the students to make it an all-around successful program. The English program is continually being revised and reviewed, having changes made so it can be as good as possible. Our staff attends conferences and other schools, always searching to better our program. If something in particular is not appealing to the students, it is dropped because student opinion means a lot and helps to better the program. Our English teachers are well qualified and teach the classes they are best qualified for. The teachers try to cover literature and writing on three levels: general, basic, and advanced. This way the individual students receive the attention they need. A wide variety of English classes are offered, especially in the mini-courses, which adds variety. Two especially important classes are public speaking and essential writing which are a great help to students. Our school is very fortunate to have such a qualified English department because it gives us the best advantages for later life.

Social studies

The Social Studies Department offers a wide variety of courses to the students here at T.H.S. This department requires three years of study for graduation.

The courses offered are as follows: Senior Social Studies, U.S. History, World History, World Affairs, Basic Social Studies, Psychology and World Geography.

Basic Social Studies, U.S. History, and Senior Social Studies are the required courses. These courses cover many important facts to make us all better citizens. Such areas are: State and local government, economics, world politics and world regions are covered. U.S. History provides us with a better understanding of our heritage.

The Social Studies Department had a very successful year.

Foreign Language

"It sometimes can be difficult, but it can also be a lot of fun!" a foreign language student commented.

The ability to be able to accept a challenge is a quality needed to learn a foreign language. Offered here at THS are French and Spanish, "It's not as easy as you think it may be."

Mrs. Wilson and Mrs. Coba teach the respective languages. "In my opinion, learning a new language is a whole new experience because you learn so many new aspects about the people of a country," said Mrs. Wilson.

Culture days in these classes offer students a chance to experience the food and lifestyle of the Spanish and French speaking countries. Among the other many different activities Mrs. Coba and Mrs. Wilson come up with to make the learning a little more fun are games, which benefit spelling and pronunciation, and participating in Foreign Language Week. Students look forward to their French and Spanish classes because they never know what awaits them there.

Business

Tradition and technology blended nicely to add new dimensions to the perennial "bore" of high school courses — Business.

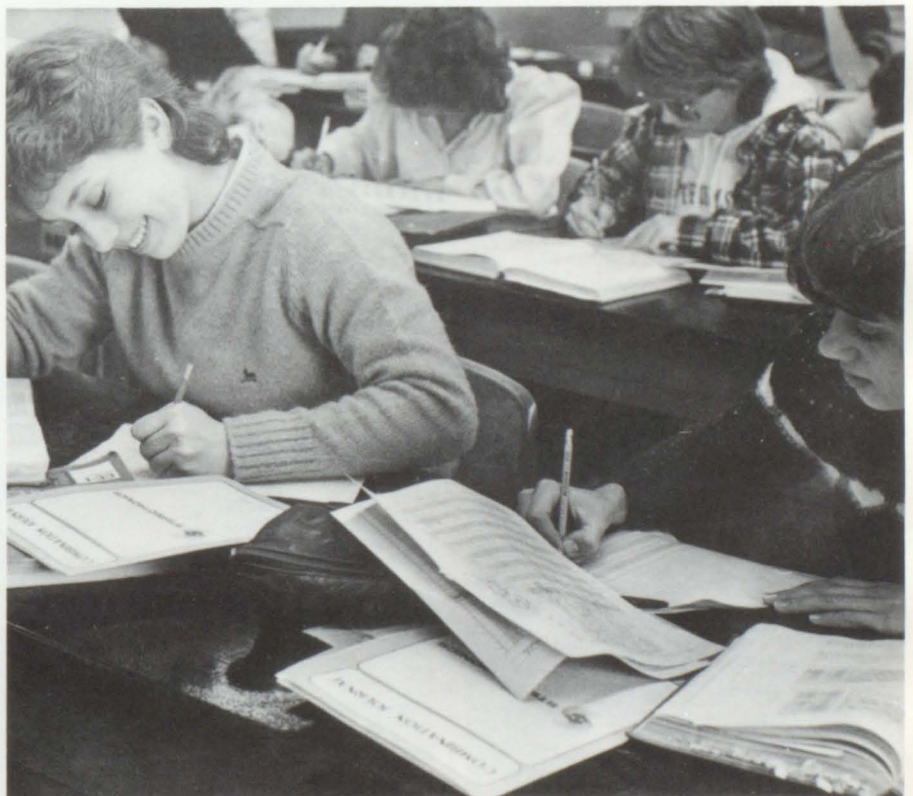

The Business Department is comprised of eleven different courses. This department embodies Personal Typing, Typing 1,2, Marketing, Office Machines, Accounting 1,2, Stenography 1,2, Business Law and General Business.

"In the near future the Business Department would like to start a word processing course", explains Mr. Frank Graham, Department Chairperson, "but first we need to acquire a few Word Processors!"

Business courses introduce students to the many different courses that the business world has to offer. It gives them practical experience with business procedures.

Home Economics

Lately with everyone dealing with a growing issue called equal rights, THS has been doing their fair share by exhibiting a remarkable number of male students plunging in head first to all sorts of Home Economic classes. Several new classes are being offered under the Home Economic program such as clothing & Textiles, child development, advanced foods plus many more.

Understanding exactly what a class offers is the main objective anyone should find out before taking it. A popular and eventful class for anyone who enjoys food, would be Advanced food. This class helps the more serious cooks get a head start in preparing all sorts of low cost meals, that would astonish even the most famous chefs. Also offered for the future mother or father is child development. It gives a most delightful look at raising children, which shows us such helpful hints from delivery to discipling a child.

Remember Home Economics is not just a class for cooks, and seamstresses anymore, this class goes to show anyone that everyday activities can be a wonderful experience.

Industrial Arts

"This class is very educational. It will help a lot in your future no matter what field you go into." This comment came from Bob Jordan who was referring to Drafting II, one of the many classes offered in Industrial Arts.

Industrial Art is the study of our technology, including industrial tools, materials, processes, products, occupations and related problems. It involves activities conducted in shops, laboratories and drafting rooms.

Some of the classes offered are drafting, electricity and electronics, wood and metal classes, and power and energy.

Industrial Art courses are very beneficial to the student. I've learned a great deal in my class," says one sophomore. "Its never boring, were always doing something new," commented another sophomore. These classes will help students develop an insight and understanding of industry in our society. They will also develop skill in the proficient and safe use of tools and machines.

Annual Staff

"Take a Whole New Look" is the theme for the 1983-84 Anath. This theme was selected because it encompasses the many aspects of school life, that we would include in our book.

There are many changes and improvements that were made in this year's edition. An improvement that were made is in the quality of the photographs. They are sharper, clearer pictures this year. Tool lines around pictures and more detailed copy was added to the yearbook.

The Anath Staff consists of 4 departments: Business, Copy, Layout and Design, and Photography. These departments accomodate fifteen staff members.

The Business department handles all monies of the Anath staff, coordinates the sales of advertisements, book sales, and handles all communications.

Our copy department types all of the copy for the book. They design the copy format, and make alterations in it. Copy assignments and editing are also done by this department.

Layout and Design: The students in this department deal with designing and completing pages. They also deal with coordinating the theme for the book.

The photography department takes all of the photos that appear in the Anath. They also handle all of the printing and developing of these pictures.

The advisor of the Anath Staff is Mrs. Jody Stevens. She has been advisor for nine years.

The 1983-84 editors are Kristin Long and Mike Walper. Copy Editor: Trudi Hibbard. Photography Editor: J.R. Smith.

Orange Spiral

The Orange Spiral is made up of 22 hardworking students, with the responsibility of producing a newspaper which is informative and at the same time entertaining. The paper provides a means of communication between high school students and the community.

The students on the staff, actually layout copy and set up each issue at the Tecumseh Herald. "This hands on experience is a valuable asset in pursuing future careers in journalism," commented advisor Mrs. Jody Stevens.

Vo-Tech

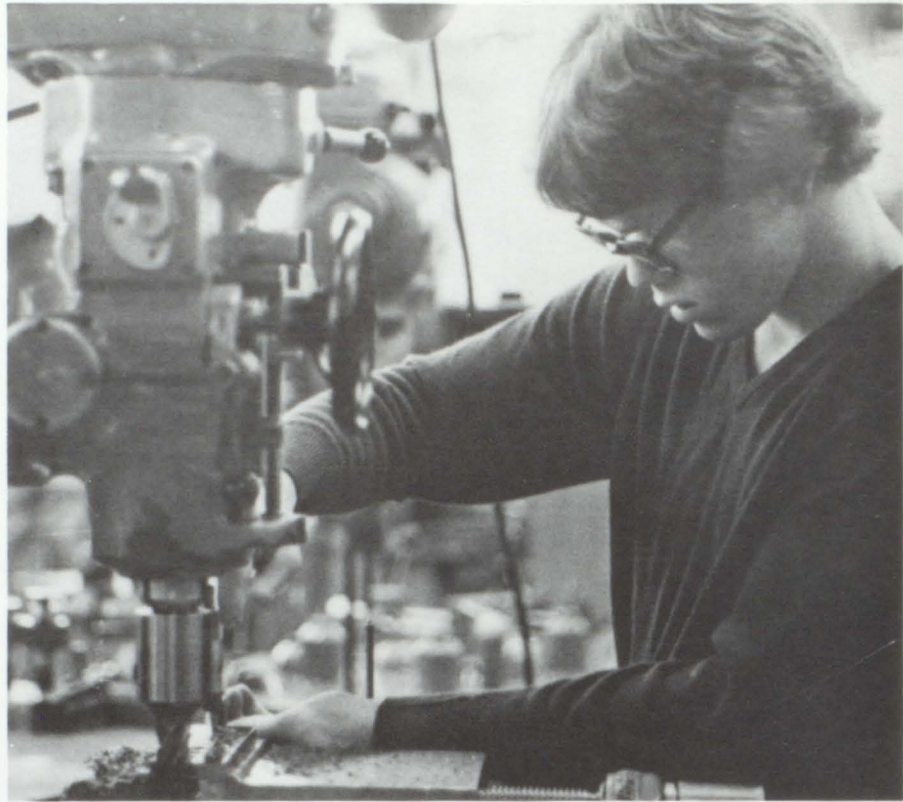

Vo-Tech which is short for Vocational Technical Center, is located on the outskirts of Adrian, MI.

Vo-Tech is a learning center that provides students with actual training in technical careers.

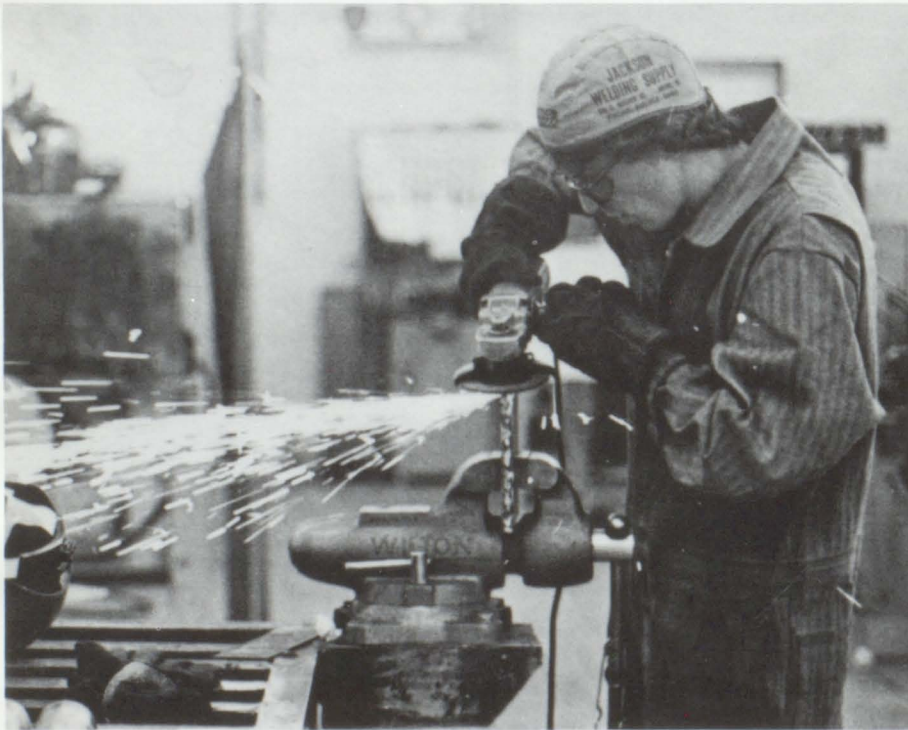

Approximately two hundred students attend Vo-Tech each year from T.H.S. These students attend Vo-Tech in shifts. First shift takes place from nine o'clock until eleven. Also offered is a third shift from three to six p.m.

Many courses are available at Vo-Tech. Included in the center are: Printing, Electronics, Child Care and many more.

Vo-Tech is for the individual who desires first hand training in the career of their choice.

Cross-Age Tutoring

Compared to last years total of twenty-eight, the number of cross-age tutors almost doubled. "I am so pleased that so many kids are interested in the class." "However, forty-two students are too many in one section, we need to offer two sections to the students." replied advisor Karla Sutherland.

The Cross-Age Tutoring program is offered to tenth, eleventh, and twelfth grade students. It is a course in which the students go to an elementary school of their choice, every day fourth hour and help students with their schoolwork. It always gives the tutors the satisfaction of knowing that they had helped someone. Every few weeks the tutors meet with Mrs. Sutherland to discuss their problems, feelings, and good experiences they have encountered. One tutor stated that "If you love working and helping kids, this is a class to take."

Sometimes studying outside of the classroom is a common happening as with tutor Kris Gagnon.

Band

The school year began with a more promising note this year for the bands of Tecumseh. The Tecumseh Shooting Stars played before Tecumseh fans at pre-game and times. The band marched with over one hundred members on the field. It was the largest Tecumseh band seen in a long time. Besides playing at the games, the Shooting Stars marched in the Clinton Fall Festival, Homecoming, the Christmas and Memorial Day parades for the public.

After the marching season concluded, the Concert and Symphonic Bands took control. Both bands played three concerts this year for the public, but most of the band's time was spent preparing for Festival, which is a contest in which bands are judged on overall performance.

Selected members of both bands were selected for Pep Band. This band provided musical entertainment for the fans at boy's Varsity and Junior Varsity Basketball games.

At the end of January, numerous students were chosen for the Lenawee All-County Band. Our students have dominated this group with the number of musicians in the band again this year.

A very special group that has helped our band both financially and spiritually is the Bandboosters. The Bandboosters is made up of band parents which hold fund raisers to support our band. They are greatly appreciated.

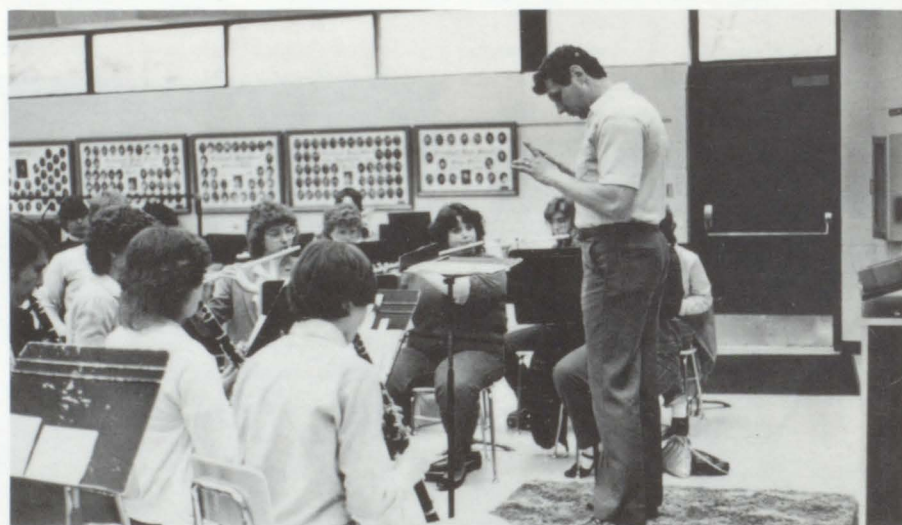

All this year the T.H.S. band program did quite well. Last year it looked pretty grim at the beginning of the year, and then things slowly came into focus. Hopefully next year will be even better.

Choir

The Tecumseh High School Choir meets sixth hour every day. Under the direction of Mrs. Helen Bendes, the students learn vocal techniques and also experimented with many different forms of music.

During the one hour the choir meets, the students prepare music for the concerts held throughout the year. The Choir planned many new activities such as holding a couple of fund raisers to raise money so that the group would be able to do different activities. During the course of the year, the Choir prepared a concert for the people at the Milton C. Porter Center.

The Choir has come a long way since last year when it wasn't even sure if there was going to be a music program. Hopes are high that next year will be even better.

Career Education

Career Education is a course invented towards assisting sophomore students in making their career goals and plans. The class helps the student in making decisions and choosing the path he or she wishes to take in the future.

The Career Education class is divided into four parts; a mini psychology section, a career exploration section, Business English section and section on the operation of computers and microfiche. The instructor Mr. Wayne Nix, works with the students in each section, but there is a lot that the student can do on his/her own.

The Career Education class is required for graduation from T.H.S. The course is planned into the sophomore schedule. This is only a semester course.

By the end of the course, the students have a good idea on what is open to them in the career world.

Physical Education

Physical Education is one of the more popular classes at Tecumseh High School. Students take part in such activities as soccer, volleyball, badminton, and gymnastics. All of which are taught by a qualified staff: Miss Fisher, Mrs. Richardson, and Mr. Oxley.

One student exclaims that, "Phys. Ed is a great way of keeping in shape, plus it is a good break from my other classes."

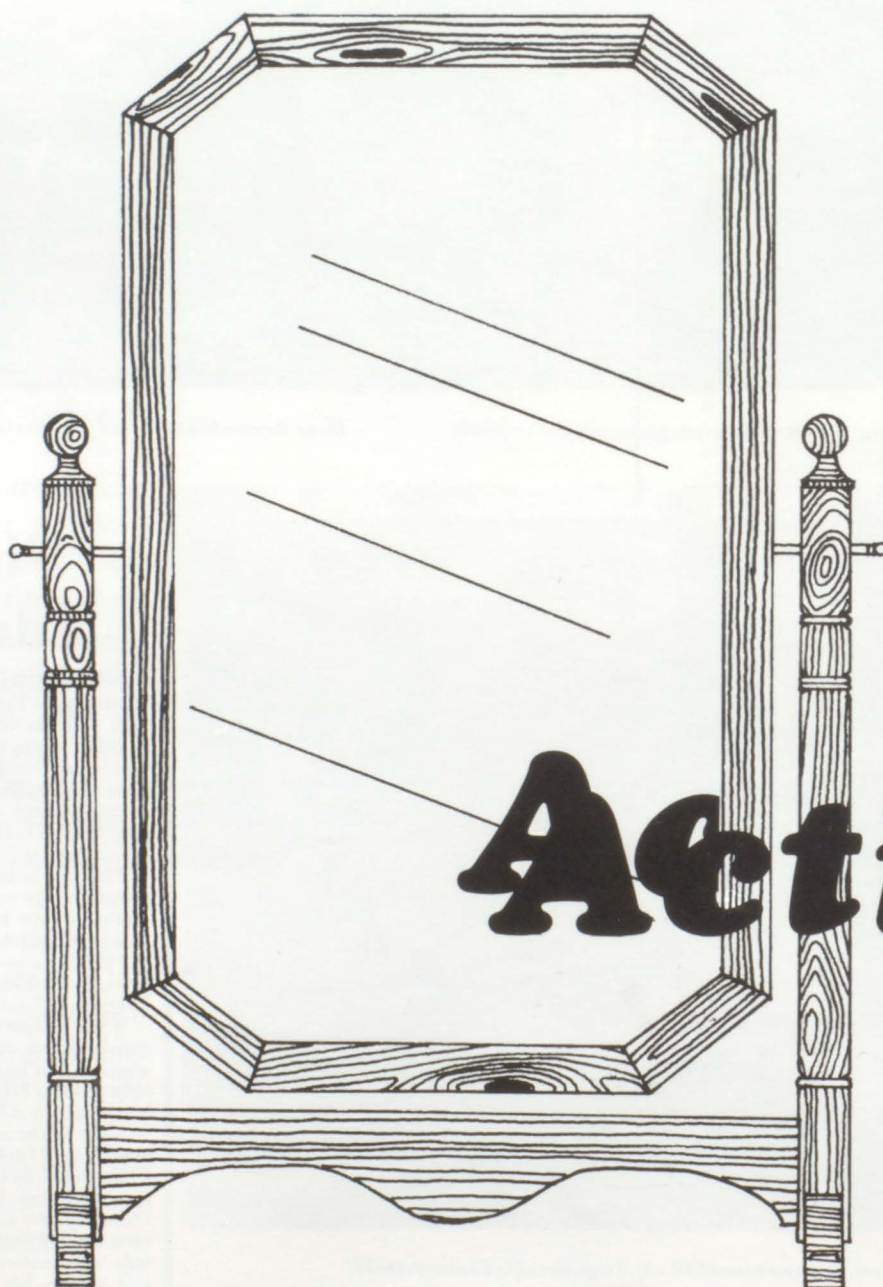

Yet P.E. is only half of the Phys. Ed. Department. As sophomores each student is required to take Health, a semester course that you must pass to graduate from THS.

"You have to work hard in this class to get a good grade. A lot of the things we learn are very interesting," said one sophomore.

When people hear the word "health", they usually think of your physical well being — whether you have a cold or not. But with the help of Miss Fisher and Mrs. Richardson you learn there's a lot more to it.

What is the most powerful drug known to man? You'll find out when the people from the Crisis Walk-In Center come in for a two week drug program. You'll also learn about mental illnesses, first aid, and a lot more, all in eighteen weeks. The Health Department will provide information that will be helpful for the rest of your life.

NHS — Intellectuals Getting Involved

Intelligence. One of the many qualities that those in National Honor Society have in common. Being a member of NHS is an honor as well as a great privilege. A high grade point average must be achieved and maintained in order to remain a member. NHS is truly a club that strives for excellence.

Our National Honor Society consists of about 70 members and participates in many activities throughout the year. The club held a Christmas party at the nursing home, an Easter party for the underprivileged children, and had a Halloween escort/house sitting service. The members also had a tutoring program to help fellow students. NHS had a booth at the Winter Carnival, a spring dance during Sponge Week along with being guides for the open house and ushers at graduation. NHS also published the *Golden Chord*, a newsletter distributed throughout various schools.

Each year new members are accepted at an induction ceremony which also recognizes old members. "This is a responsible and cooperative organization with strong learning and a joy to work with," states the advisor, Mr. Nix. The officers were: Pres. — JoHanna Bailey; V.P. — Chris Clark; Sec. — Beth Gramling; and Treas. — Amy Decker.

FCA — Pride in Helping Others

Fellowship of Christian Athletes, otherwise known as FCA, is a club with a great many members, to narrow it down to about 54 of them.

A very active and influential club makes FCA a well-known organization with a great deal of responsibility. Helping people is an important of this club's vast responsibilities, giving parties for the local nursing homes, helping to organize an Easter party for underprivileged children of Tecumseh. Letting FCA members enjoying entertainment for themselves is filled with sports events, pizza parties, and even a concert now and then. All through the year, FCA spends a great deal of time and effort fulfilling their civic duties, as well as a couple of days off for adventures for them and their club members.

1983-84 officers were: President — Kristin Long; Vice president — Jaime Nicholson; Secretary — Chris Clark; Treasurer — Ruth Schafer; Advisor — Mr. Curth.

Varsity Club — The True Athlete

The THS Varsity Club has long been an activity oriented club. One must have a varsity letter to become a member and new students are always welcome. Doing such good deeds as sponsoring a Christmas party at the nursing home, and a Easter party for the underprivileged kids, along with the help of fellow clubs including FCA and NHS. Also enjoying fun events like concerts, sports events and pizza parties, Varsity Club members participated in a wide variety of adventurous and exciting activities. In order to pay for those such fun times, Varsity Club does certain profitable services such as selling carnations and roses to be handed out to everyone's sweethearts on Valentines Day. Varsity Club is for the student determined to get involved in every occasion of excitement in and out of school.

Pep Club — The Backbone of Spirit

Spirit is the word the THS Pep Club lived by. A lot of spirit is what they displayed with a whopping membership of fifty-five people this year, this number is three times as many as last year. Some of the activities included not only creating enough commotion to bring bleachers full of people to our basketball games, but they also assumed sponsorship of TICWISS week which was extremely successful. Other events included organizing the games for Homecoming, selling kazoos for a money making project. Another good deed was going to the nursing home and distributing Easter baskets for the elderly. Being a member of Pep Club leaves a great deal of freedom for anyone, this club denotes the meanings action, spirit and excitement and we all know THS has a fair share of that. Officers were Pres. — Tammy McMahon; V.P. — Kathy Stevens; and Sec. & Treas. — Lisa Gregg!

French Club — The Language of Love

“Parlez-vous francais?”

You would answer, “Oui,” if your in the French Club. The club headed by Mrs. Wilson had great fun in partaking in some exciting events this year. The French Club held a party for all the Foreign Exchange Students, held a several course dinner, visited the Toledo Museum, made crepes at the Winter Carnival, and visited a French restaurant. Officers this year were: JoHanna Bailey, Pres.; Julie Foss, V.P.; Lori Perry, Sec.; and Karen Prezioso, Treas. We’d like to say, “merci beacoup” to all the French Club members for broadening our horizons and helping us learn a little about culture in another country!

Spanish Club — Ole

The 1983-84 Spanish Club, under the direction of Senora Coba, had a statiating (satisfactory) year. By that, all the money made by the club was used to eat at Spanish restaurants or to cook a Spanish dinner.

The club's main money-maker this year was the Winter Carnival. This year, like others, the Spanish Club sponsored 'churros', a fried funnel cake topped with powdered sugar. Muy delicioso.

Next year, the club hopes to be more involved in school activities and fund-raisers.

The officers this year were: President — Lisa Cheney; Vice-President — Lisa Craig; Secretary — Dawn Ketola, Treasurer — Beverly Cabose; Historian — Cere Wood.

FRONT ROW (L to R): S. Kanous, L. Tiede, R. Dittmer, D. Ives, A. Novesky, BACK ROW (L to R): S. Pool, K. Prezioso, K. Crittenden, R. Frenzen, I. Sandig, A. Merrill, L. Joseph.

Art Club — Creative Minds at Work

The Art Club is for art students who have a deeper interest in art than just taking classes.

They have done a number of activities, such as painting the windows uptown for Homecoming, and helping with the set of the TYT production of Finians's Rainbow. They also visited the Toledo Art Museum. Whether it was for community or for the school, the Art Club put all their effort into every project. Silkscreening T-shirts, and sponsoring a dance were just a few other exciting things that the group did. Art Club members don't require any special talent nor do they expect that art will be your career. Art Club is primarily for anyone that has a interest in being creative and enjoying fun with it now and then.

The advisor of Art Club is Ann Merrill. Pres. — Karen Prezioso; V.P. — Kelli Crittenden; Sec. — Ann Wann; Treas. — Laura Joseph.

Sharon McLonergan played by Jackie Johnstone gazes at her co-star Carl Every.

Carl Every portrays Woody Mahmey in the TYT production of *Finians Rainbow*.

Finian's Rainbow

Finian's Rainbow revolves around Finian and his daughter, Sharon, who come to the United States from Glocca Morra. With them they bring a crock of stolen gold, captured from the leprechaun, Og. Along the way, a Senator Rawkins becomes invisible, a mute learns to speak, love blossoms and the magic of the leprechauns' spells are felt by all.

A touch of Irish charm is one way of describing *Finian's Rainbow*, the classic American musical. It was originally written with two different aspects of life, a romantic fantasy and a social commentary on life in the late 40's. The Tecumseh Youth Theater performed the play St. Patrick's day weekend at the Civic Auditorium, with Mr. Tom Sura's editing in order to have fun with an Irish fantasy. The new storyline highlights the importance of imagination, fantasy and optimism.

The play was skillfully performed with a cast of many students from THS holding the positions of main characters, dancers and chorus. The play was very successful under the direction of Tom Sura, musical direction by Helen Bendes and choreography by Jo Cooley. The Irish Fantasy, *Finian's Rainbow*, left everyone longing to find the pot of gold at the end of the rainbow.

Business Club — Future Business Executives

The 1983-84 Business Club helped its members get a head start on their future business careers. It also gives them a basic understanding of how the business world operates.

The Business Club does more than explore business activities. In November, to raise money they sponsored a dance. During Christmas they held a Christmas card writing party. They also sponsored a candy wheel and the computer portraits booth at the Winter Carnival.

They hope to purchase soft ware or micro-computers. To help pay for this equipment they sold candy.

Around May they held a banquet for its members. "This has been the best year the Business Club has had financially," explains Peggy McCarley. The advisor was Mrs. Ruth Prettyman. Officers of the club included; Pres. — Denise Rose; V.P. — Sue Green; Sec. — Brenda Schook; Treas. — Kelly Sayler; and Publicity — Michelle Sackett.

JUNIOR ACHIEVEMENT

Junior Achievement — A Career Oriented Club

Junior Achievement is an important part of the development of social skills, buying and selling skills and the ability to get along with people.

Approximately 25 students are members of this club. Of those 25, there are three companies which work in the sales of products which are made in this club.

For work outside of high school this club enables you to prepare yourself for the oncoming responsibilities in the years to come. J.A. is an ideal way to motivate team communication and cooperation with a group of people.

J.A. is available to any student who is looking towards a career in product marketing or any other business related career. In being a member of J.A. you are not only helping yourself but giving the people around you a great deal of satisfaction. That anyone can be proud of!

J.A. is a learning experience and a suitable preparation for a career in the business world. It is an important extra curricular activity at T.H.S.

Foreign Exchange Students

The best and most useful way to learn about other countries cultures is not in a book or a movie, but from people themselves. That is the exact goal of the Foreign Exchange program, to let us experience other ways of life different of our own. Every year THS welcomes a group of students into our school to let us in on their culture and in turn we show them how we live here in America. People have always by far the most accurate source of communication and information, so naturally getting it through these students is an excellent way to receive first hand knowledge on other countries cultures. Sharing new and different ideas is an experience for all and with the help of four exchange students, THS got a taste of a new kind of adventure.

These four exchange students vary greatly in personality and nationality. Ingeborg Sandig who stems from the friendly country of Holland intrigues us by sharing a couple of her favorite things about America. She explains that "big" is the key word in our language, she enjoys our big shopping malls, big cars, big houses, and those big delicious pizzas! Our school system offers a wider variety of courses for students to take says Ingeborg, whereas in Hol-

land they only offer basic subjects. This change was a pleasant one for her as routine can become quite boring. Ingeborg said that she really valued her trip to America and will never forget her one year spent here.

Coming from Northern Finland was Pia Laakso who stayed with the Archer family while here. Her hobbies included writing poetry, downhill skiing and watching car races. She was amazed at the school spirit we had here at THS, which was a big change since her school has no clubs or teams. Just to compare our schoolwork with that of Pias she explained that our senior year is only as hard as her tenth grade year. Foreign Languages are emphasized a great deal in Finland and Pias knowledge of languages is revealed in her courses back home which include a big schedule of five separate languages. Three of them are required and two are of her own choosing. She enjoyed her stay here in our country but as she states she misses her homeland very much.

"The Land of Opportunities" is our next visitors view of the United States, a popular saying in her country. Betina Betzer from the very small country of Denmark explains that in her country everybody is given a chance, which gives them a great deal of middle class people. Danes are shy people says Betina so hugs and kisses aren't common things to see everyday on the streets.

Growing up with beer and wine is a commonplace in Denmark so its not a very abused substance. Drugs are almost impossible to find, no one wants to get involved. Betina exclaimed with a great deal of emotion that she loved the United States and was happy with her visit.

The only boy of the four was Magnus Lonngren from the small country of Sweden. In his free time Magnus engages in such hobbies as fishing, playing tennis, and sailing. After returning to Sweden Magnus will go to a boarding school to try and receive his bachelors degree. His aim is to become an airline pilot. Transportation for Magnus is his trusty bicycle, because in almost every European country you must be eighteen to drive. Magnus said his stay in America was quite an experience for him and was happy to be able to be a part of the Foreign Exchange Students program.

Being an exchange student is an excellent way to learn about another countries environment and culture. By doing this we can make better relationships and understandings between each other. If we look at the world today we can see the importance of that. We are happy to have had the privilege of knowing these four bright students.

Homecoming Celebration Returns

The energy flowed from the beginning of the day and when the time came for the Homecoming pep rally the energy exploded. Following the pep rally was the exciting Homecoming parade which provided entertaining sights for all the spectators to view as the parade wound its way through town. The floats, derived from comic strips, were proudly displayed by the four classes.

Anticipation mounted as daylight fell and darkness began. Once at the game enthusiasm and anticipation continued to build as the fans encour-

aged the Indian team. Finally the awaited moment at halftime arrived when Lisa Gregg was named Homecoming Queen '83. Lisa was accompanied by her court Tammi Schneck and Lori Harper. The junior representative was Dawn Ketola; sophomore representative was Sally Lemanski; and the freshmen representative was Michelle LeVeck.

The '83 Homecoming was filled with spirit and sharing of energy throughout the student body. It was a pleasant change from last years one-game season.

TICWSS

TICWSS. What is TICWSS? Tecumseh Indians Celebrate Winter Sports Season. That is TICWSS! Hopefully, a new tradition has developed at THS. Mrs. Gunder is responsible for thinking of TICWSS which was developed to promote the winter sports season.

Various events transpired all throughout TICWSS week including a bonfire which drew a big crowd. Three of the winter coaches spoke to create some spirit towards the season to come. The first wrestling meet also occurred during this week. Friday afternoon the excitement and spirit rose along with the voices as the separate classes cheered along with the cheerleaders. A few of the teachers also participated in a cheer as they "showed us how they get down." Anticipation mounted at the beginning of the opening basketball game, and exploded as Tom Lopez was declared the first TICWSS king of Tecumseh. Completing his court was Tim Butler and Chris Wallich. The freshmen rep. was Jim Bache, the sophomore rep. was Mike Penney and the junior rep. was Jamie Nicholson. After the game, a dance sponsored by the Pep club rounded off a full week. Mrs. Gunder commented that "It was a good week and hopefully it will become a tradition. There are some things that we will do differently but it was pretty successful for the first time.

King to be Tom Lopez and his mom.

A Beautiful Spring Gathering

"The Best is Yet to Come" was the theme for the 1984 Junior-Senior Prom. An air of elegance lingered about the room as the couples cascaded across the dance floor. The Prom was held at the very ornate Sauk Valley.

Music was provided by the St. Joseph's Youth Groups sound system and the band Akuda. Steve Eardley and Lisa Gregg were crowned King and Queen, who entertained all with a solo dance to this year's theme song, "The Best is Yet to Come," by Bryan Adams.

The Juniors did a spectacular job preparing just the right setting on that special night for all.

Student Council

Student Council kept up an interesting and rapid pace this year tackling such projects as the banana booth at the winter carnival, talent show, and several dances. Student Council is composed of one representative from each homeroom chosen by all the members of his or her class. Their responsibility as classroom rep. is to regularly attend all student council meetings and relay all the information and news of the school happenings to their class. Student Council was devised in order to keep all students aware and up to date on school issues. This year with all sports and clubs back into action students council's job was even more important, getting spirit and life back into THS. Student Council Officers included: Pres. — Mike Walper; V. Pres. — Carl Harsh; Sec. — Letty Worley; Treas. — Jenny Nix; and Adv. — Mr. Montcalm.

Industrial Arts Show

Mrs. Roberts points out an interesting project to J. Holderman, Ed Wilson, and Ron Jones at the Industrial Art Show.

The 23rd Annual Student Exhibition was held in May. Through the combined efforts of three departments. Art; Industrial Education; and Home Economics, the students offered a large display of projects.

The Art Department revealed work from Art I, Art II, Drawing, Commercial Art, Ceramics I and Ceramics II. A variety of media filled the gym, including watercolors, ceramics, plaster weaving, rug-hooking, and stained glass. Mrs. Merrill was pleased at how well organized this years' exhibition was compared to last year.

The projects in the Industrial Education Department were used to teach and illustrate the following divisions: material removal, material forming, assembly molding, and finishing. The big attraction was the architectural models that have become an annual exhibit.

The highlights of the Home Ec display were the face models which were dressed in clothes and accessories. There were a wide variety of craft items including several quilts, stuffed animals, and candlewicking.

"The importance of the show is the students being able to display their work for their peers," commented

Sponge Week

Spring began on a high note as THS held it's traditional sponge week. Although the week got off to a slow start it proved to be a fun experience.

Imitation day started the week off with a wide variety of costumes from Dorothy of the Wizard of Oz to Snoopy of the Peanuts gang. The following day brought a touch of Greek culture to THS. Togas filled the halls with rainbows and flowers. The third day was Hippie day which proved successful. Flower children and protesters with headbands and Jean Jackets were a familiar sight. The most popular day was Beach day. The aroma of cocoa butter permeated the hallways as students in short shorts and sunglasses made their way to class. The final day of this fun-filled week was slave day an auction of slaves was held in the gym where the prospective slave owners purchased their slaves to do their menial tasks.

Overall, Sponge week was a very exciting, successful, extraordinary strange week.

Awards Night

The 9th Annual Awards Night Program was held Tuesday, May 22nd, at the Tecumseh Civic Auditorium. This program is held every year in the Spring to acknowledge students who have made commendable achievements in the various academic areas. The program revolved around the theme "Go for the Gold!" With the 1984 Olympics being held this year, it was very appropriate. Mrs. Pamela Muncie was the M.C. and did a superb job. The program was divided into three sections: Senior 3.0+ awards, Departmental Awards and Special Awards. The senior 3.0+ awards were presented by principal Clarence Lacny, to those seniors who have maintained a 3.0 or better grade point average throughout their high school career. Then the departmental awards were presented to those deserving students by representatives from the departments. The Special Awards were distributed last. The Most-Outstanding Student Council Member Award was presented by the Student Council Pres. Mike Walper. Mr. Lacny presented the D.A.R. Good Citizens Award and the Hugh O'Brien Award. Overall at least 150 students were recognized. To receive an award students must maintain high academic standards and citizenship in their classroom work. Special thanks should go to the Awards Committee and all those who worked and made the program possible. Dan Gamber also provided the musical entertainment for the evening on the piano.

Talent Show

The THS Talent Show happens every year around the month of April and the talent we are introduced to lasts a lifetime. From swingers to singers we are blessed with an immense variety of conventional ways of entertaining THS students. This year was a definite crowd pleaser in all who observed it. With Dan Gamber, Jackie Johnstone, Dan Negrete, Kim White, Mike Fletcher and Jeanne VanderHeide all humming through tunes some with rhythm some with style, but all with a sort of pizzazz that kept our toes tapping. Suzi Randolph gave us a delightful demonstration of dance movements to the tune of Lionel Ritchie's "All Night Long" which just happens to be Suzi's fourth performance in THS talent shows. A new and definitely accepted idea this year was a group of young and exceptionally talented kids called Breakdancers who at least merely stunned us with their smooth moving to vibrating Funk music. Those kids, who included Jimmy Valdez, Curt Burnley, Jeff Russell, Kevin Delisle, Andy Herevia did a wonderful job of capturing our attention. Rick Aranda another four year member of our Talent show gave us a glowing tribute to the senior class with a rendition of their class song (Time) "Wasted on the Way". With the help of his brother and two very talented young men we observed history in the making. This years talent show kept us moving all the way, and hopefully next year we will discover several more talented young men and women of THS.

Tough Competition

Golfer's Have Rebuilding Season

"We could have done a lot better, but we didn't play up to our potential. I was especially disappointed in the way I played, personally." This was a comment from Chris Napieralski, similar to those of some other Indian golfers.

"One might ask what was wrong with this team?" said Coach Cunningham. "Why did it do so poorly?" Actually, we didn't do that bad at all. Our team average didn't vary by more than three strokes from two years ago when we finished 16-1. The reason was in the competition. Our opponents were significantly better this year — especially in the league.

The season started out dur-

ing the summer with the usual tournaments and our players were fairly well represented in the standings. Bob Foster won the men's county championship, with paired winners and leaders in various tournaments. Chris Clark won the county championship. "I enjoyed the season," she said, "It was great fun plus the experience I gained playing with the boys helped a lot."

Our first win in the regular season came against Milan. Playing for the first time in history at Raisin Valley, the team fashioned an eight shot win.

The league meet turned out somewhat as expected this year except for the fact that Tecum-

seh finished over Saline. Foster was tri-medalist for the meet and was also named all league for his overall play for the season. The team finished fourth in the league.

What's in store for 84? Garry Richardson improved a great deal over the previous season and will likely take over senior Bob Foster's top spot. Sophomore Chris Napieralski will give Garry a good run for number one. Other obvious varsity candidates are Mike McDowell, Mike Crudder, and Ron Schaffer. We feel the Indians will again be competitive in 1984.

Lady Cagers Master a 9-7 Record

"1-2-3 Let's Go!"

That was the cheer for this year's J.V. Girl's Basketball Team. Usually they got out on the court and did just that, they went; up and down the court, diving after a loose ball, and fighting for the win. Coach Pat Pomy was the motivation behind this victorious team. Coach Pomy comments, "Desire and hustle helped to make up for our lack of experience. No one gave less than 100 percent at any time, and more often the girls gave a lot more. They played hurt, sick, and sometimes both. Their courage and effort gave them the winning edge."

The freshmen began this season with only one year of junior high basketball experience. The challenges they were to face had not yet started, but were waiting in the future. The J.V.'s had a lot going for them with seven returning sophomores. Each knew what to expect when striving for a victory.

"We weren't sure how our

season was going to be. We all worked hard and did the best we could. At times, things looked pretty bad, but we didn't give up!" Jean Tilton commented.

Andrea Clark, a key player for the team, was moved up to the varsity team in the latter part of the season. Despite losing one of their major scorers, the girls had a positive attitude for the remaining games. Team work, talent, good luck, and an experienced coach brought the J.V. Girl's Basketball Team to a successful 9-7 season.

"It was a very short season for us sophomores," Jean continues, "moving up to varsity next year means losing the coach and a good friend we've had for four years." The rest of the sophomores added that they would miss Mr. Pomy also, and thanked him for a terrific season. The student body would like to thank the team for regaining Tecumseh's winning status, lost by a defeating season last year.

Andrea Clark awaits the outcome of a battle for a loose ball.

Disillusioning Season

Girl's Fall Prey to Opponents

The season for the 1983 Girl's Varsity Basketball Team was one of rebuilding. The experienced players were plagued by an onslaught of injuries and illness. Because of this, Coach Spagnoli played the younger players for most of the season. Coach Spagnoli said, "The year was disappointing but the team played hard and the attitude was great!" Two players received state honors: Ruth Schafer, who had played a little less than one season, was placed on the 2nd team, All South East Conference and

also received an honorable mention in the Ann Arbor News All Region Team. Sophomore Debi Bailey also received an honorable mention in the All South East Conference. Both Ruth and Debi also received recognition in the Adrian Daily Telegram.

Although the team finished with an overall record of 5-14, a lot of experience was gained. The players who will return next season will be better prepared and we hope that that will be a stepping stone for a better season in 1984.

Brenda Boot proved herself as a strong runner when she qualified for state competition.

Two Attend State

Females Dominate '83 Season

The Cross Country Team began it's rebuilding process after not having a cross country team in 1982. Coach Pike helped the team achieve their 5-2 overall record. He has been coaching at Tecumseh High for two years, one year as the long distance coach for the track team, and this year coaching the six girls on the cross country team.

"He has been running for many years so he knows and understands the strains put upon a long distance runner," commented Brenda Boot.

In the beginning of the season, Tecumseh did itself proud by winning their first two meets. Towards the end of the season Tecumseh fell behind by a slight margin. The team feels that they worked to their full potential.

In the Hillsdale Invitational the team brought home a second place. At the Regionals they also did well coming in fifth.

Jeanne Vanderheide and Brenda Boot were both qualifiers. They both did well with Vanderheide placing 17th and Boot coming in 35th.

Vanderheide was selected for All League. She was also selected for the most valuable player award.

"Running at state was an experience for me because it was one of the biggest meets I've ever run in and I knew there was a lot of good runners out there," explains Vanderheide.

Coach Pike comments on how really hard the team tried this year. He says, "They put out a lot of effort and I think they did a good job."

J.V. Gridders Fall Short

Because of the elimination of last year's football program, the team of freshmen and sophomores that played on the 1983 J.V. Football Squad were excited at the prospect of once again being able to play.

Regarding their 2-7 record, Coach Croft pointed out that, "This season was not one of special plays." The season be-

gan with losses to Hillsdale and Northwest, then the Indians came back for their first win against Milan. The teams only other win came when they beat Dexter with a 6-0 score.

The team as a whole had many fine players on both offense and defense. Tom Baker was the leading rusher on offense while the leading defen-

sive players were Steve DeShano and Phil Gordon. "The team showed a lot of improvement as the year went on," replied Coach Croft. "They played well as a team and should provide the varsity with some fine players in the next two years."

Gridders Compile 3-6 Record

After one year without football, do you think Tecumseh would lose the football fever? "Not a chance!" exclaimed one eager fan. With team captains Tim Butler, Bob Jordan, and Steve Eardley leading our team to a 3-2 record in the league and 6-3 overall, how could we miss? Although this team was faced with a difficult task of competing against teams with an extra year of experience, after not having football in 1982, dedication and hard work helped make this a good season in many ways.

"Team attitude was a big contributing factor this year," replied Coach Nix, "without it the team doesn't work as a

whole."

When the season began, the team started out slow with two consecutive losses against Hillsdale and Jackson Northwest. But as the season progressed, T.H.S. came back with several wins from such teams as Milan and Chelsea.

Junior Eric Hoffman put extra effort into the team as a defensive linebacker and one of the teams leading scorers. Other major contributors included Gregg Knight, Jamie Nicholson, Bob Bagby, and Carl Harsh. Ending the season with a well deserved record, Tecumseh again can be proud of their dedicated T.H.S. football teams.

Spirit!

The Girl's Stood By

Who was it who always stood by the Tecumseh football and basketball players when they had lost a game? And who was it that was always the first to congratulate a player on a good game? If you named any one of the Varsity or J.V. cheerleaders, you guessed right. Organized by Mrs. Gunder, the cheerleaders help to spark the fans enthusiasm and boost the players morale. A lot of time and hard work goes into being a cheerleader. You must attend a cheerleading camp and then attend practices every week. There is as much dedication to being a cheerleader as there is to any other sport. Our thanks go out to this year's cheerleaders and Mrs. Gunder for an outstanding job.

Good Season

Girls Achieve 9-8 Season

This year's J.V. Volleyball team proved successful as they came out on top with 9 wins and 8 losses. "Volleyball is a lot harder than most people think it is," said one team member. The girls Spent hours of practice on bumps sets and even practicing how to fall. They started off the season with a win against South Lyon and lost their next three matches in a row. The Indians never lost their spunk though and for the rest of the season they didn't lost more than two in a row. "We had a good season. Especially for a J.V. team, because what we are really doing as a J.V. team is getting ready for varsity," said Wendy Ray. "Volleyball is a great sport for teamwork and we couldn't have done as well as we did if we hadn't all worked together."

Netters Break Even

The Varsity Volleyball team had neither a winning season nor a losing season this year going 11-11. They proved to be a good strong team though and never dropped more than two in a row. "Our hardest losses were those to Saline," commented one girl. "They beat us by about ten points every game." Tecumseh had some very outstanding volleyball players last year. Senior Chris Clark was named to the AnnArbor News All Area Team and All League 2nd team. Jenny Nix was also named to All League 2nd team and sophomore Andrea Clark received All League Honorable Mention. "We never really got motivated during the season," said Andrea. We did play some very good games though."

Outstanding Season

Gymnasts Tumble To State

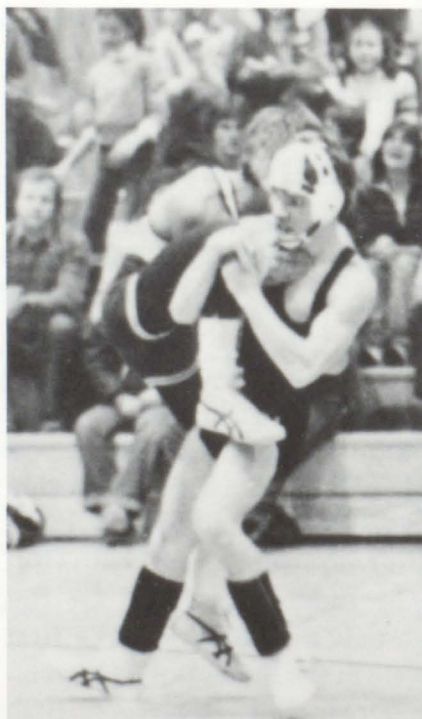

The gymnastics team had an outstanding season last year going 10-3, with one loss to Adrian by only five points. Tecumseh also placed well at invitationals this year with a fifth at Saline and second at Hillsdale. Kristin McFadden placed third and Sherry Funk placed fourth individually. The Indians qualified for Regionals as a team for the first time in the history of THS gymnastics. The girls took fifth overall and Kristin McFadden advanced to state on the beam and the uneven bars. "This year has been really exciting

for me as a freshmen. I never expected to be where I am now — skillwise," said Kristin, "It's a lot of hard work but it really pays. And it's fun to be a part of, thanks to our coaches." Kristin set three school records this year on the beam, bars, and her floor routine. Senior Gaylee Smith set the school record on vault. But, gymnastics is not an "individual" sport. It is a team sport. The girls set a meet record of 123.55 at regionals. The team should all be very proud.

Sad Season

Grapplers Face Defeat

This year's Varsity Wrestling team, as a whole, were very disappointed over their 3-12 season record. Individually though, some members of the team did exceptionally well. Rod Casarez, a second year varsity wrestler, led the team with 21 pins. Bob Bagby led with 71 takedowns and 28 escapes. Rick Aranda had another terrific year. He captured the fastest pin of the year record at 14 seconds. Rick placed first in the district tournaments and regionals. He also placed fourth at state finals. Rick was quoted to say that he was very proud of himself to finally achieve such a rank at state level. The team has a lot of promise, being so young, and THS wrestling fans will all look forward to a more promising season next year.

Disappointing Season

Young Cagers Lack Experience

The J.V. Basketball team had a very disappointing season this year going only 6-11. The Indians started off the year with a win against Airport but lost the next eight games. They never lost heart though, as they won the last three games of the season. "The high point of the year was coming back and beating Chelsea," commented sophomore Phil Gordon.

"The season was disappointing in reference to our record, but that was because of our inexperience early," said teammate Brad Anschuetz. "I like to

look back on the fact that we won five of our last eight games." Brad and Brian Richardson played consistently well all season. Mat Ruhl was greatly improved and David Whelan came on strong at the end of the year. Both are good varsity prospect. There are also some very promising freshmen on the team so look out for the Indians next year. As sophomore Mike Crudder put it, "So our record wasn't very good. What the heck — we had a good time.!"

Sophomore Brad Anschuetz and freshmen Eddie Wilson and Jeff McMunn all saw a substantial amount of playing time.

Dreams Diminished

Boys Have Disappointing Season

The Indians went into the season this year with high hopes, winning their first two games. This included Jackson Lumen Christi. "The win was a big deal for us," said senior Mike Walper. "Tecumseh hasn't beaten them in a number of years." The team's hopes were shot down by a heartbreaking loss to Milan and from then on things went up and down. The Indians were looking forward to tournament play to make amends for the season, but dropped their first game to saline. By beating Chelsea though, they acquired fifth place in the SEC tournament. This placed them fourth in the league. In district action Tecumseh lost early to Brooklyn C.C. Senior Bob Foster was named to Second Team All League and Second Team All County. Junior Tim Vannatter was also named to Second Team All League.

8-1. This was the record of the girls track team this year as they lost only their first meet to Ann Arbor Huron. "This was my first year in track and at times I got so frustrated I wanted to quit," said sophomore Lesa Drazic. "I'm glad I didn't though because I learned a lot and it was fun being on the team."

The Indians were first in the

South Eastern Conference, tied with Milan. They also did well at regionals placing 3rd behind Milan and Grosseisle.

Girls who qualified for state were as follows: Andrea Clark — High jump; Kathy Bakus — high jump; Ann Wann — long jump, 300 hurdles, and 110 hurdles; Brenda Boot — mile and 880.

Team Improves

Tracksters Break Even

The male Tracksters of THS did very well this year. Although they went only 5-5, they won more meets than the last three years combined. "This year was quite an improvement over last year, but we still have a ways to go." This comment came from a junior and the other team members agreed.

Two school records were set in 1984. Junior Ralph Booth in discus and senior Bill Powers tied the record for the 100 yd. dash.

Several individuals also received awards. In the 400 meter relay Tom Foster, Jim Bache, Bill Powers and Garry Richardson received First Team all league. Qualifiers for the state meet were as follows: Ralph Booth — discus; Rick Aranda — shot put; Kevin Johnson — 400; 400 meter relay team — Bill Powers, Tom Hawkins, Garry Richardson, and Kevin Johnson. Johnson also received Outstanding Athlete at the Daily Telegram Individual Invitational.

J.V. Girls Go 7-9

Team work and determination is what helped the J.V. Softball team reach an improved record as compared to last year. The girls concluded the year with 7 wins and 9 losses. Most Tecumseh J.V. Softball teams have not done this well in preceding seasons. Coach Retan comments, "The team strived to succeed and sometimes came up short in the 'scored runs' category, but their effort and togetherness kept them together."

"We had a fun season. Chelsea was tough, but we were able to at least stand on our feet the second time we played them," replied Stephanie Archer when asked how she felt the team did. Shannon Cadmus also answered, "I learned a lot for my first year, I was sorry to see the season end." But, the girls will be returning next season so we can all look forward to another terrific team and some very exciting softball.

Too Bad

Rough Season For the Girls

The Varsity Softball Team faced a disappointing season gaining only one win and 19 losses. Having a new coach led to many changes in styles in '84, and may lead to a promising season next year. When asked to talk about the team's season, Becky Lange replied, "Even though our records don't show it, we've gained experience as a team. Next year we'll just have to try a little harder." Best of luck goes out to the team and coach Tom Aiuto for a better season next year.

games. "The high point of the season was when we beat Chelsea," said Mike Penney. This game fell in the middle of a five game winning streak. "The turning point of the season was when we lost to Saline because after that we never really re-

Boys Have Winning Season

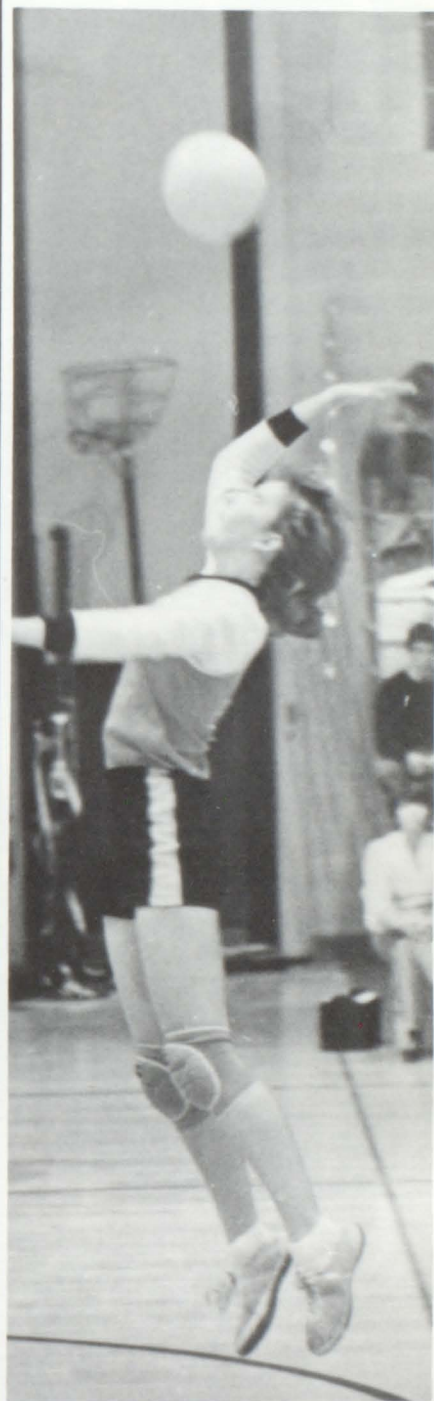

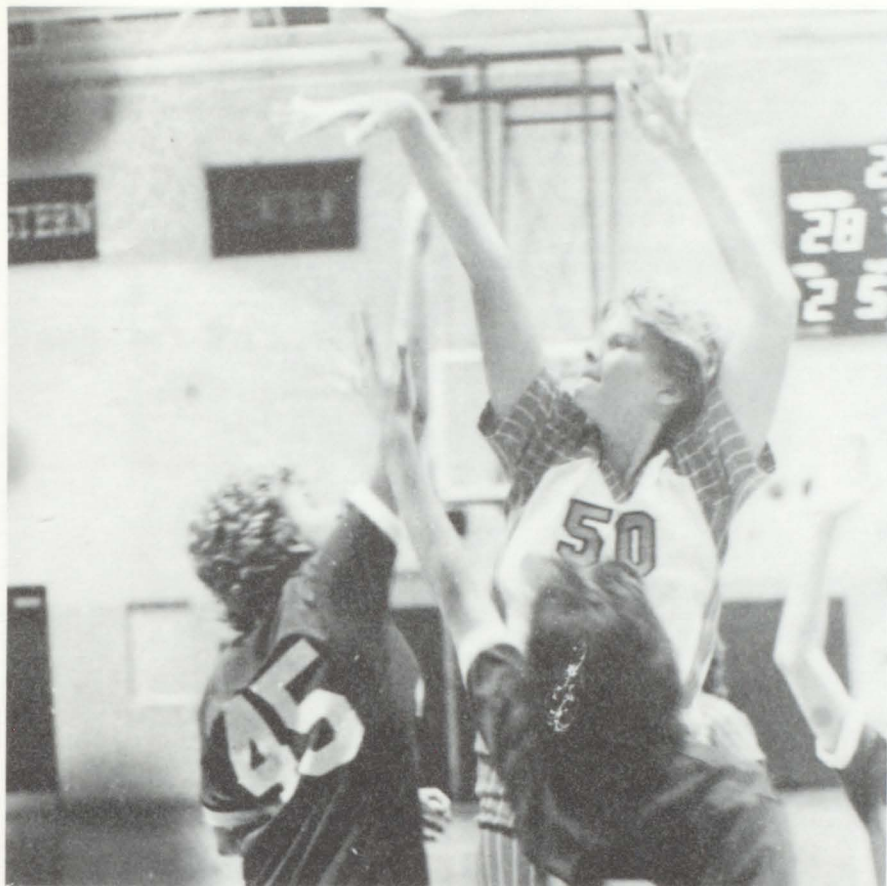

There are no words to say how the 1984 Varsity Baseball team performed except for outstanding. Taking third place in the S.E.C. with a 5-4 record, the Indians went on to complete their regular season with 10 wins and 14 losses overall. Mike Walper led the team with "most runs scored," he crossed home plate 21 times. Jamie Nicholson set a new record of 4 homeruns in a single season. Jamie was also chosen to the Ann Arbor News Tournament team for the infield. Other individual awards were:

Suzi Randolph, Lisa Gregg, Amy Davis, Jackie Johnstone, Dan Gamber, Mark Mains, Jeff Wood, and Steve Eardley all strutted their stuff to the tune "Sharp Dressed Man" by ZZ Top.

The movie, soundtrack, and song "Footloose" were all big hits during the 1983-1984 school year and these girls made the song an even bigger hit during Class Night '84: A. Bachman, J. Nix, T. Olson, L. Gregg, M. Slusarski, T. McMahon, C. Clark, K. Stevens, C. Goodacre, S. Randolph, A. Decker, B. Gramling, J. Johnstone, C. Chouinard.

All must bid farewell to high school at one time or another and these guys made sure it was done up good: B. Powers, R. Aranda, M. Sackett, A. Bick, J. Tressler, E. Vargas, B. Foster, C. Smith, D. Pistor.

Class Night

Remember when we heard gossip, rumors and all sorts of new and exciting stories in high school, and when asked where it came from we remarked "through the grapevine." For this years '84 classnight we really did hear it through the grapevine, 202 vines to be exact! A delightful theme was presented to us "I heard it through the Grapevine" a memorable song by the departed Marvin Gaye, with the use of nine swinging and swaying grapes to lead us on in. The actual storyline was about two seniors on the phone the night before class night reminiscing about high school. The skits which included sharp-dressed man, Lennie & the squigtones, Happy trails, teachers lounge, the rose, and an invigorating skit of Footloose expertly performed by the '84 class members. With the receiving of funny awards and the presentation of the class key to the Juniors, '84 class night was a smashing success for all who entertained us as well as the spectators. Mrs. Kinnard the advisor of class night for many years now did a wonderful job of organizing it and presenting it. A slide show ended the night on a up note knowing that only a short time remained for the outgoing seniors, and with that in mind all that lay ahead was the class party!!!

1984 Commencement

Beautiful was the only way to describe the day on which the class of 1984 graduated. A soft subtle breeze made caps fly and tassels swing, but relieved the graduates of the humidity in the air. Starting out the ceremony, Reverend Kenneth Boyd gave the invocation and then turned the stage over to Mr. Lacny, Tecumseh High School's principal.

The girls were dressed in soft pink robes and carried white carnations that were dipped in pink. The boys were in pale grey and wore white carnations. The uplifting colors, the warm weather, and the excitement in the air all added to the mood of the occasion.

JoHanna Bailey, the class valedictorian, gave a speech that reminded all of the graduates of the good times and the bad. She presented words of praise toward the

seniors and bid farewell to all. The class salutatorian, Amy Decker, also spoke of the past, the present, and what may be in the future. Also given special attention were those graduates who received scholarships and special awards for their academic abilities and citizenship.

The guest speaker was Dr. Eileen Rice and she talked about the future and gave the graduates some advice on the years to come. Finally, the big moment arrived when the diplomas were handed out and all the years of work were brought to an end for those graduates. Rev. Boyd gave the benediction which ended the ceremony and the 216 graduates departed, knowing that ahead of them lie new goals, new friends, and new experiences. Congratulations to the class of 1984.

Kelly Ireland and Becky Irwin were anxiously awaiting that special moment when they would receive their diplomas.

These chairs were soon filled with the graduates of the class of 1984. The stage provided a handsome backdrop and added to the beauty of the day.

The third of June was a beautiful day weather-wise and because it brought to an end the high school days of the class of 1984.

The superintendent of Tecumseh schools, Robert Duhan, presented the graduates with their diplomas. Here, the girls are finishing up while the boys anxiously await.

Andrea Bachmann, Melanie Baker, Cynthia Barnes, Christine Brooks, Machele Brooks, and Beverly Cabose are shown waiting and listening to one of the many presentations given during the ceremony.

Randal Kelley, Scott Klanke, and Gregg Knight are on their way to one of the biggest moments of their lives.

THE HISTORY OF THE CLASS OF 1984

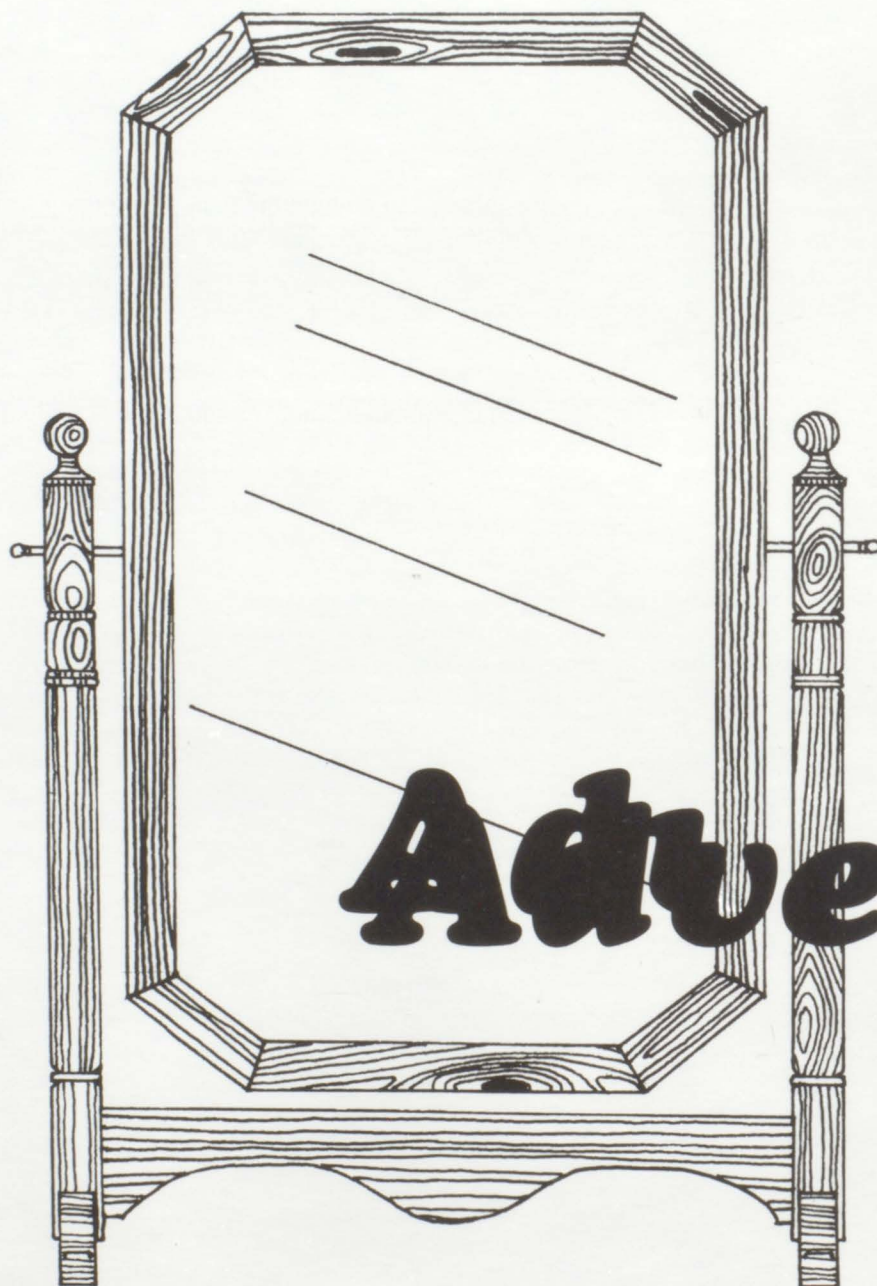

Alas, the time arrived — we were freshman entering high school. The changes and adjustments during our freshman year were to be the biggest and most valuable ones in all of our years here at THS. Miss Kelso graciously volunteered to be our class advisor and our class officers were named Pres. — Mike Walper, V. Pres. — Brenda Spagnoli, Sec. — Lori Harper, Treas. — Kristin Long. So our first big event Homecoming, was upon us. Placing third in the float competition with our Walt Disney character Donald Duck boasting the slogan Quack'Em, our Homecoming representative Tami Schneck proudly represented our class. The year progressed onward with new challenges and opportunities opening up around us.

Tenth grade began sooner than expected. We elected as officers Pres. — Mike Walper, V. Pres. — Brenda Spagnoli, Sec. — Amy Davis, Treas. — JoHanna Bailey. Ready and willing to get actively involved, we soon engaged in the traditional Homecoming competition and tied for second with Crazy Harry, the legendary creature from the muppet show. Once again Tami Schneck was chosen as our Homecoming representative. Suddenly our freshman fantasies were reality and we were no longer the youngsters of the school.

Prevailing into our Junior year with the attitude that we were over the hill and on our way out. Our class number dropped to an all time low. With the defeat of the millage the year began slow and sluggish. With so much time on our hands, entertainment was scarce. So we devised a substitute for Homecoming appropriately named Oktoberfest, still following some of the same old traditions, we elected Lori Harper to be our Oktoberfest Rep. With a football game consisting of Indians vs. Indians, our grey skies soon began to clear. Show the Kids we Care, a parent organized committee made possible the reenstatement of athletics and clubs to our school system. Now the ball was rolling in a very familiar direction. The traditional responsibility of sponsoring the Prom was upon us. Due to the lack of funds Miss Kelso no longer was our advisor, but filling the gap and contributing his time was Ward Eardley a familiar name to the community. The theme "Just You and I" set the mood and made for a beautiful night, and one of the most well attended proms in THS history. It was held in May at Sauk Valley, a two-story lodge located in Irish Hills. We ended the year on a up note, knowing when we returned the soon to be vacated senior position would be ours.

Senior Year — we arrived predominately at the top of the heap, ready to face high school for the last and most decisive year. Our officers for the 1984 school year were Pres. — Mike Fletcher, V. Pres. — Lori Harper, Sec. — Lisa Gregg, Treas. — Amy Davis. Again Homecoming was back in full but instead of four separate floats, all classes combined strategies and made one large one to represent THS. Each class got to put their own intuitive ideas on it. Plus a new creation was amongst us, each class decorated a car with such ravishings as paint and streamers, these were retired cars so no actual harm was done. We tied for third in the car competition, and the Queen Lisa Gregg and her court Tami Schneck and Lori Harper represented a true beauty and grace to THS onlookers. All in all homecoming brought with it a definite week of excitement and took the doldrums out of the back to school blues. All throughout the year preparation for Graduation continued on ordering caps, gowns, and invitations were just part of the details. Getting our minds set on the future and after school plans we, visited colleges, hunted for jobs, and anxiously awaited the day when that diploma was truly ours. The class of '84 was fortunate enough not to have had any fatalities in the four year stretch of high school. Not knowing what lie ahead we ventured away from the large monumental structure, but always carrying with us the memories of THS and the friendships that we made.

Editor's Note

Yet another year has passed and, along with it, feelings of joy, sorrow, and dismay. These feelings, good and bad alike, are what constitute a yearbook for it is these feelings that we on the yearbook staff have tried to capture. With the completion of what seems like "just another year of hard work and frustration," we may not realize the full value of many events and emotions. But, whether it be tomorrow, the next day, or even ten years from now, someday memories of high school will find their way into your thoughts. It is at that moment that the memories we have captured in this book will prove their worth. Many people are deserving

of thanks for assisting in the preparation of this book. Of course the members of the staff for their patience and hard work during some trying hours. A big "thank you" also goes out to Kent Downing and other members of the Tecumseh Herald for all their help throughout the year. Finally, appreciation goes to Mrs. Stevens, the staff advisor, for her help and support. Good luck to her and next year's staff. May they find the task of putting together the 1984-1985 book as satisfying and as much of an experience as we have.

Co-Editors,
Kristin Long and Mike Walper
