

# DECISIONS TO MAKE

1987

# T.H.S.

*Tecumseh High School  
307 N. Maumee  
Tecumseh, Michigan  
Anath 1987 Vol. 68*

## *Dedicated to the Class of 1987*

*I stood at the head of a  
dead end highway where  
my life passed fast before  
my eyes.*

*With my Chevy '57 I dreamed  
of Hell and Heaven and  
the choices I could make  
to get me there*

*Rolling down the window  
I shook my father's hand  
I looked into his eyes  
That said I was a man.*

*My eyes glided over  
To my mother at his side  
I kissed her teary face  
That almost never cried.*

*The windows rolled up  
I took my last glance  
My focus was again upon  
The highway.*

*Ending  
Ending  
With a brick wall at the end  
My dream of Hell and Heaven  
Now departed.*

*I braked before the wall  
I closed my eyes - silence  
I know the choices now  
That I must make*

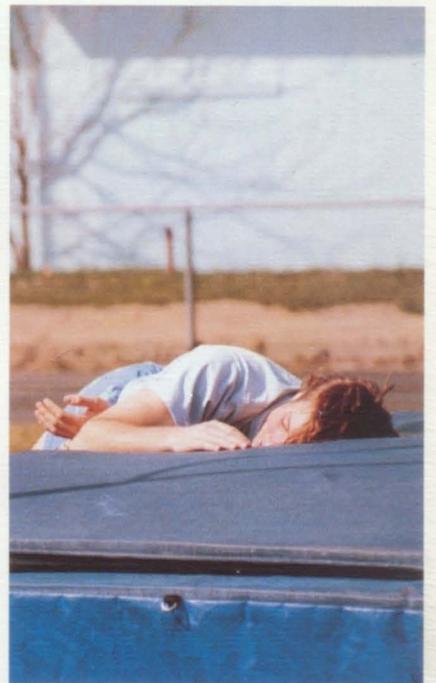

*With the pedal to the metal  
The end was drawing near  
My spirit grasped a shocking revelation.*

*My plane was not a Chevy  
My dream left on the levy  
The highway with an end  
Was now a runway*

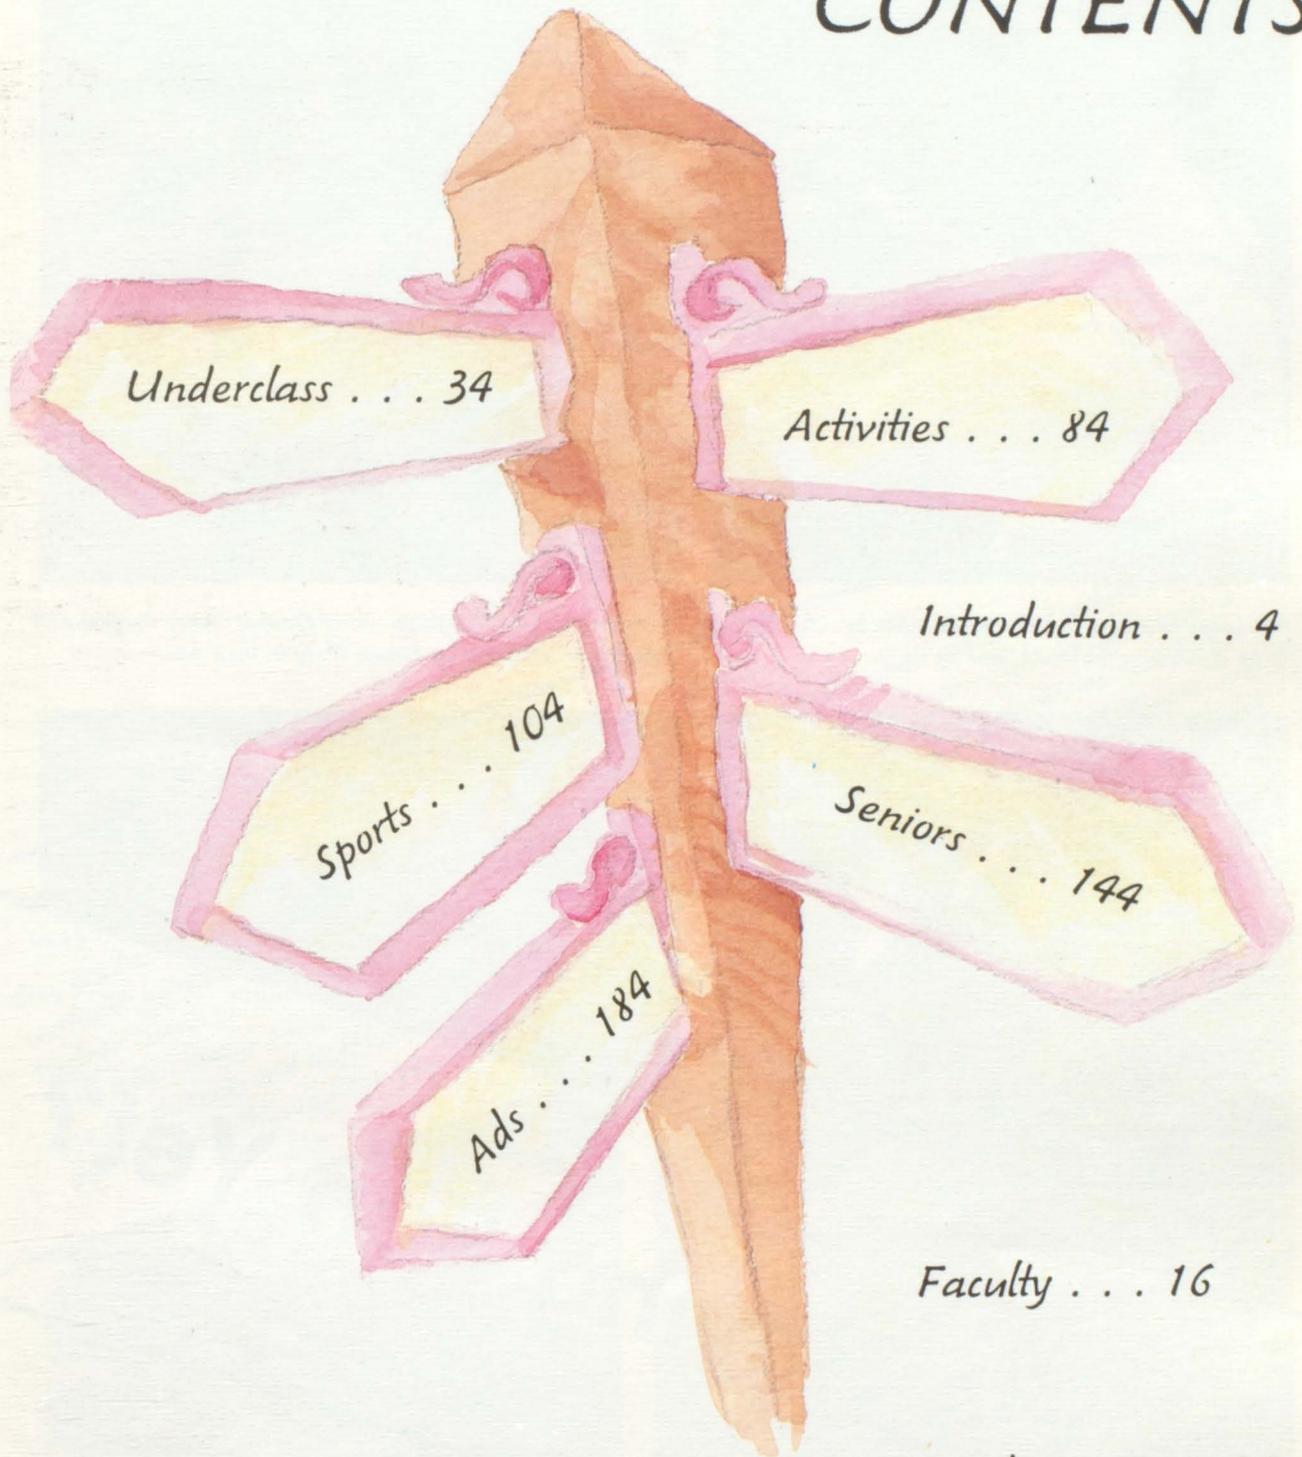

*Over the wall my dreams and  
Spirits soared  
My doubts and fears became  
A fading memory  
Farewell old road of home.*

*Welcome new sky of challenge  
No one can climb the heights  
That I'm trying.  
I'm flying.*

*from Wayne Hanson*

*This is one example of how much fun the TICWSS faculty/student basketball game was. A. Barrie, V. Anschuetz and T. Paterson scramble for the ball, but Mrs. Ellis hangs on while Mrs. Glenn reaches in to help her. And Mrs. Diepenhorst, Mrs. Prettyman, M. Ruhl, Mrs. Sutherland and J. Stroud stand by laughing.*

*THS students have many choices to make from the time they enter the ninth grade as Freshmen until they graduate four years later as Seniors. Some of the choices include which courses to take, what extra curricular activities to participate in, whether or not to go to Vo-Tech, and who to choose as your locker partner. Some of these decisions are easy to make and some are not. Whatever the students choose, we hope when they graduate from THS they will leave with happy memories. This page represents some of the fun students and staff have had this past year. Ten or twenty years from now, when you look back at the 1987 Anath, we hope you can look back and remember the great times you had at THS.*

Senior Allen Haff and Sophomore Brian Mamayek trying to make the big time. Do you think they'll succeed?

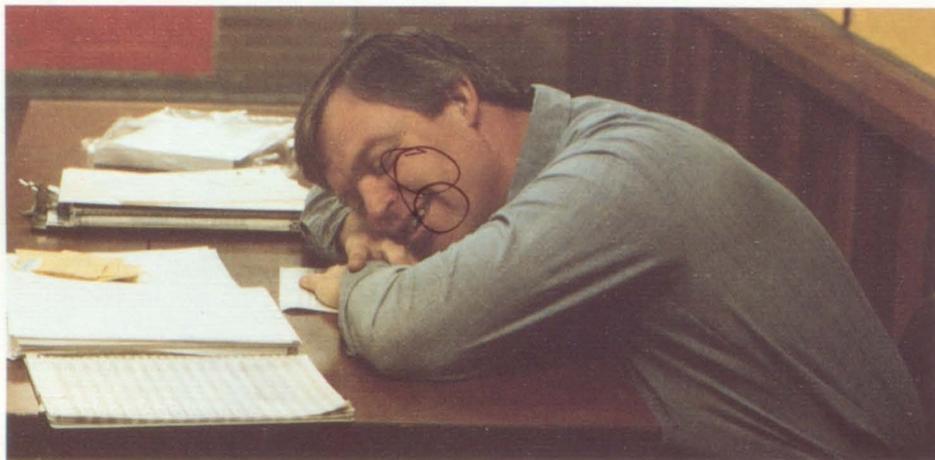

Freshman Terri Ellison cannot believe that she just got her picture taken.

Junior Michelle Georges prepares for that "big date."

Teachers find Study Hall boring too! Mr. Frenzen took a nap!!

Jenny Perrin and Kim Speller ready to hit the beach!

It seems to me that Kent, Matt, Kris, Heather, Mike, Duy and Carl know what summer's all about.

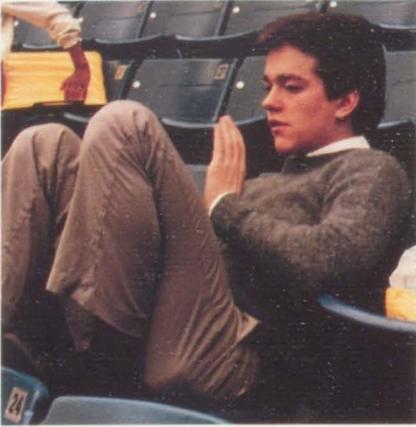

Coach Pike and senior Leah Faust enjoy a mile cool down.

Sophomore Jenny Hartley cannot believe her eyes. Someone wants to play the game she conducted at the Winter Carnival.

Senior Jim Bache may look threatening, but he's just a big teddy bear.

Senior Rick Altman enjoys the anti-drug rally held at the Pontiac Silverdome.

Juniors Mike Powers and Paula Stroud — friends forever!!!

Seniors Kelly Hartley and Keith Alexander share a sucker.

Hey! Look who's here — the four speds! Junior Jenne Lange, Sophomore Missy Curth and Juniors Lisa Osburn and Theresa Galvin. Now, where are the four studs? Hot-tub party, anyone?

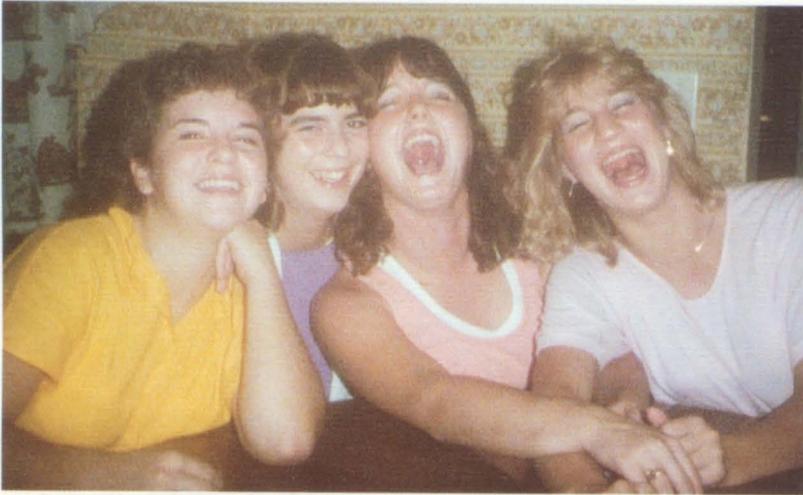

Kathy Dull, senior, chooses Diet Coke — just for the taste of it!!!

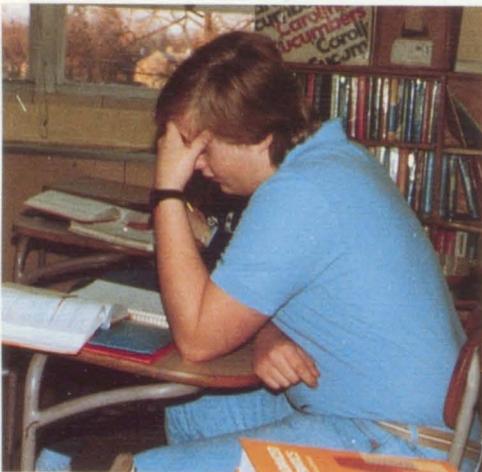

Junior Cathy Little smiles brightly as her picture is taken.

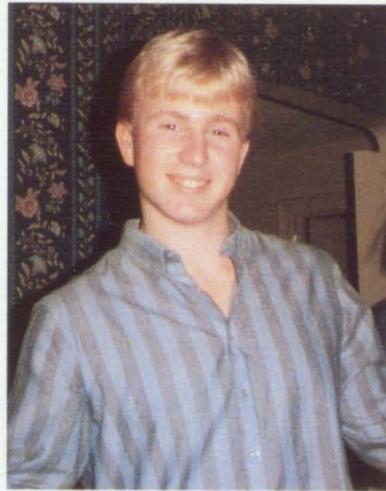

Seniors Melissa Rapin, Cindy Muncie, Heather Hudson and Brenda Lawson having fun.

Junior Lynette Seitz shows us the red shoes she got for Christmas. The woman with two red shoes. Hm.

Junior Jason Stowe concentrates — or tries.

Disappointed by their team's performance, Heidi Pramstaller and Jennifer Sisty donned their disguises so no one would know they were part of our JV Cheerleading squad.

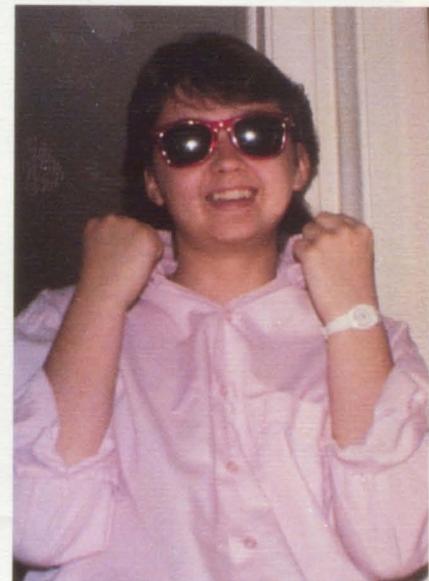

Jill Nicholson giving our cameraman a smirk.

Seniors Shannon Cadmus and Jeff Clark show off their tans at Wampler's Lake.

Senior Eugene Dinkins flashes us his pearly whites.

Sophomore Paulette Georges thinks she's too cool for THS.

Seniors John Hartley, Jeff McMuffin, Ed Wilson, Jeff Clark, Darin Forgacs, Allen Carroll, and Keith Alexander clowning around. Could this have anything to do with the Basketball team's record?

Seniors Yolanda Roukema, Anne vonKarstedt, Sophomore Stacy Frey, Freshman Jani Hatchett and Sophomore Paulette Georges enjoy a Varsity Basketball game.

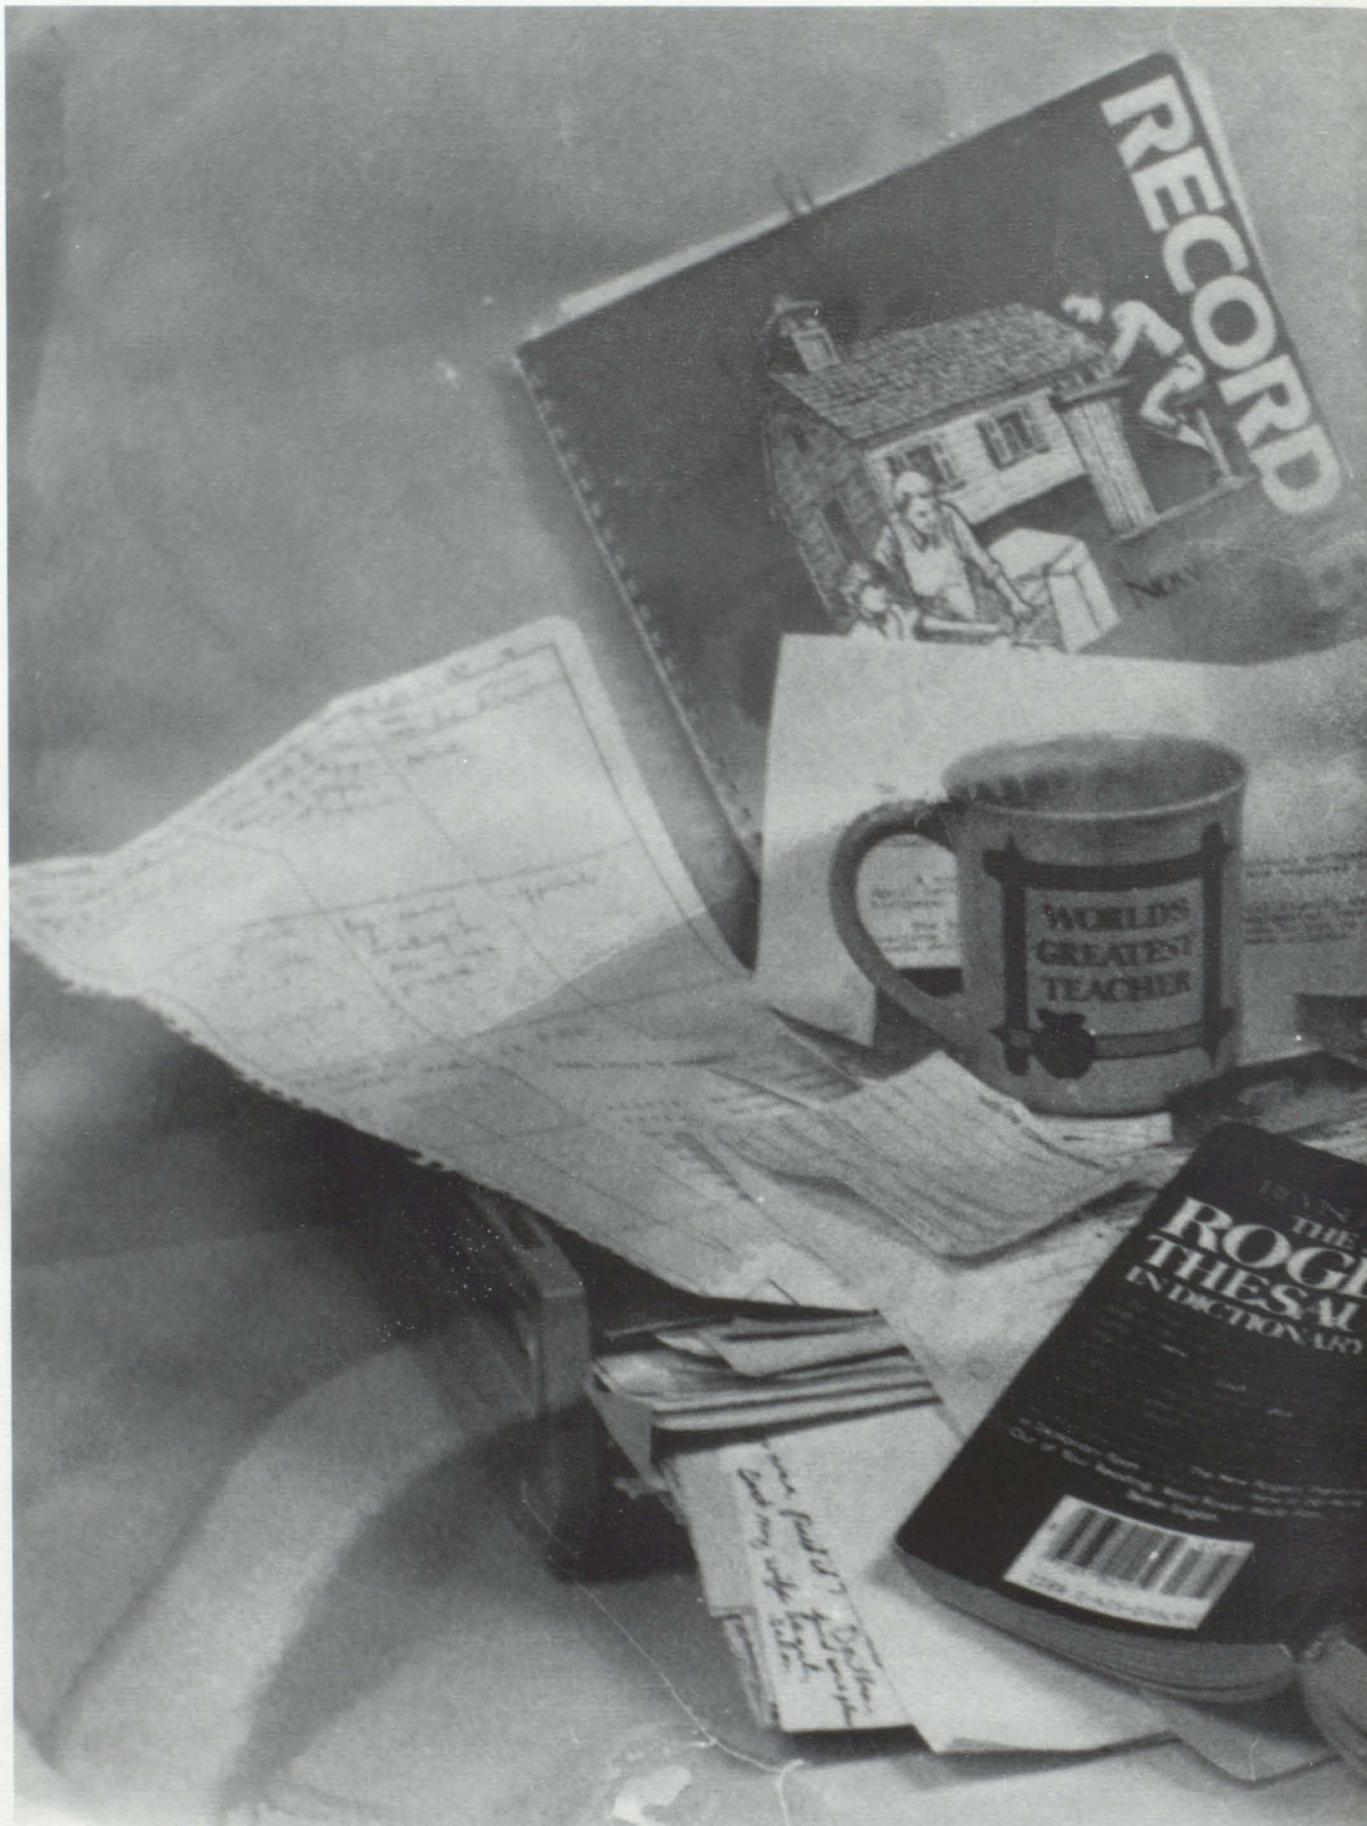

Juniors Sally Casper and Tif Winzeler take time out from making cotton candy to pose for a shot. The booth was operated by the Junior class and was, as expected, one of the main attractions.

The JV Cheerleaders really know how to party! Marci McMunn, Jennifer Sisty, Laurie Stoekel, Teri Harvey, Sara Clark and Carmen Curry chow down at a party.

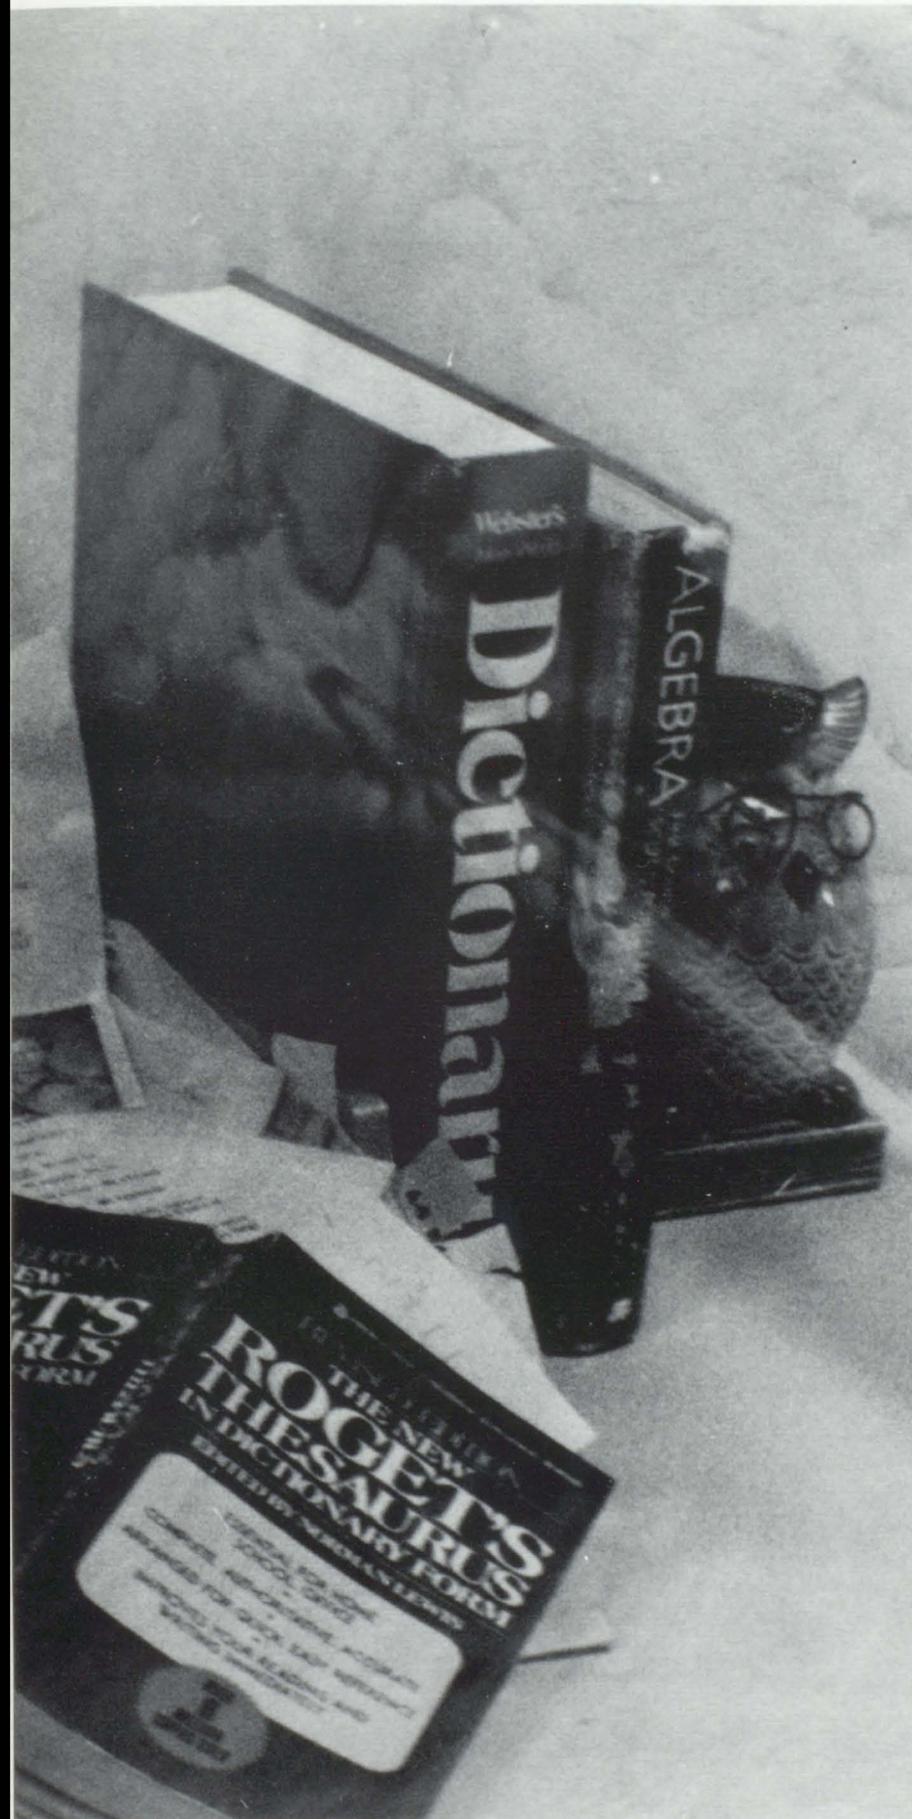

Mrs. Forgacs and assorted seniors enjoy life's simple pleasures.

## Teacher of the Year Carl Novak

I graduated from Charlevoix High School in Charlevoix, Michigan in 1970. In High School some of my activities were football, basketball, track, National Honor Society, band (I played the trumpet), Campus Life-Youth for Christ Organization and I received the senior mathematics award.

I attended Michigan State University from which I graduated in 1974. My major was mathematics, with a minor in coaching and physical education. After that I earned a Masters Degree in administration from Eastern Michigan University in 1979.

My wife, Kathy, and I were married May 26, 1979. We have two daughters; Rachel is four and Kayla is two. My wife and daughters are the most important

people in my life.

My parents were both teachers at my high school. When I was thirteen years old, I started teaching little kids how to swim, which I continued to do as a summer job after I graduated from high school. That is where my teaching career actually began. In college, since I liked math and enjoyed the teaching that I had already done, it seemed natural to go into that profession.

My professional teaching career started in St. Louis, Michigan where I taught math and coached football and basketball for two years. After that I moved to Tecumseh where I have taught in the High School for nine years and two years at the Junior High.

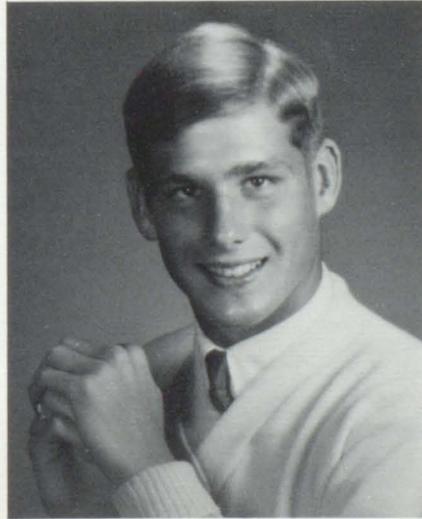

In my spare time I enjoy being with my family. Watching and

our kids grow up has been a wonderful experience for Kathy and me. We also work on many projects for our church, The United Church of Christ in Clinton. I enjoy many sports, especially basketball, running and downhill skiing.

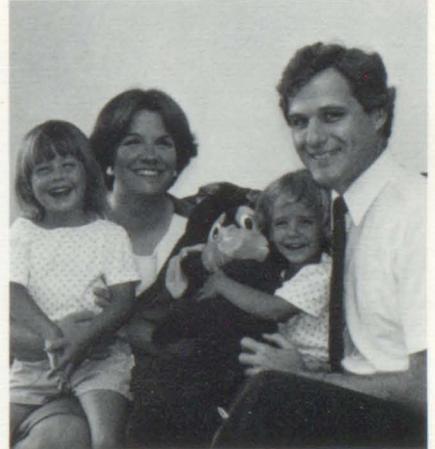

I owe my success to many people in my life: my parents, my three sisters, my twin brother, and my wife. Many of my own teachers have also inspired me, including my high school math teacher. Many present and past faculty members and administrators have helped me grow as a teacher and a person. However, the students are the most important part of any teaching job. They keep me going and motivated, because I know that they are depending on me. I really try not to let them down.

"I promise Mom, I didn't do it."

"I can't believe it's my senior year already.."

"The mouse is really mine."

## Retiring Staff

Tecumseh High School has three very dedicated employee's retiring. They are Mrs. Prettyman, Mrs. Suydam, and Mrs. Gunder.

Mrs. Prettyman has taught here for 23 years. The classes she taught were Typing I and II, Word Processing, and Wordstar.

She enjoys playing tennis, reading, sailing, traveling, and walking. She also enjoys spending time with her family. She and her husband have six children and four grandchildren. When Mrs. Prettyman retires, they plan to reside in Florida during the winter and Lake Erie in the summer.

Mrs. Suydam has been the librarian for 23 years. She has kept the library in order and also the students.

She and her husband have three grown children. She feels

her most important accomplishment is her marriage and family. After she retires she plans to do more swimming, walking, traveling, and spending more time with her family.

Mrs. Gunder has been working for T.H.S. for 15 years. She was the cheerleader advisor for the past seven years. She instilled a new pride into our cheerleading squads.

Her enthusiasm for T.H.S. and the students made her a natural as the Pep Club advisor. She also spent her days keeping the halls in order and students in line.

These three employee's have contributed much to our school. They will be greatly missed by the students and faculty, but we wish them the best in their retirement.

Mrs. Prettyman gives us one of her glowing smiles.

## Bus Drivers

How do 99.9% of most high school students get to school??? By the bus, of course. Those big yellow buses with the large black letters and red flashing lights are a standard of school transportation.

But like most things, there are drawbacks, too. How many times have you had to stand out in - 0 weather to wait for the bus and when you got to school you were a slight shade of blue? Even though you beg and beg, your mom or dad won't give you a ride to school. Well, think of the bus drivers. They have to put up with your requests for the radio to be turned up, on, off, and the station to be changed. They have to clean up after you; your gum under the seats, paper airplanes on the floor, and pick spit wads out of their hair. Driving a bus or riding on one isn't all fun and games, is it?

Mrs. Smith tells everyone she meets about her lousy bus route and the rowdy kids.

*Chris Ferow shows his math ability to his class.*

## Math

What's the first thing you think of when you hear the word math? It's usually the hours you have spent grueling over Algebra, Algebra II, Pre-Algebra, Business Math, Geometry, Pre-Calculus, General Math, or Computer Lab books. These are the many courses offered at THS.

Although math is sometimes difficult and boring, it is essential in our world today. A person with no math skills would have a hard time even existing in the real world. Skills learned in math classes can help you with many things like balancing your checkbook and shopping within your budget. So, remember, when your math homework starts piling up, think about how much you are learning and consider it a fair trade.

## Computer Lab

If you think you may be interested in learning how to operate a computer, but have no experience, THS has a class for you. Computer Literacy is a class where you can learn the basics of using a computer. The computers available are Commodore 64's, Apples, and IBM's. Besides during the class, the computer lab is open to students during some study halls. Scott Bashore says, "Computers are great, and the knowledge you can receive from them will take you far. For the time being, Computer Literacy is the only computer class, besides Mrs. Prettyman's Word Star class, and Mr. Graham's computer accounting class.

Many careers in the future will require the use of computers, so do your self a favor and keep up with the times.

## Social Studies

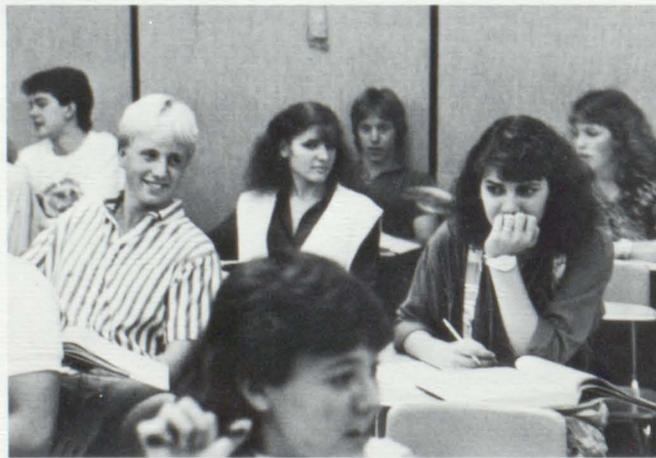

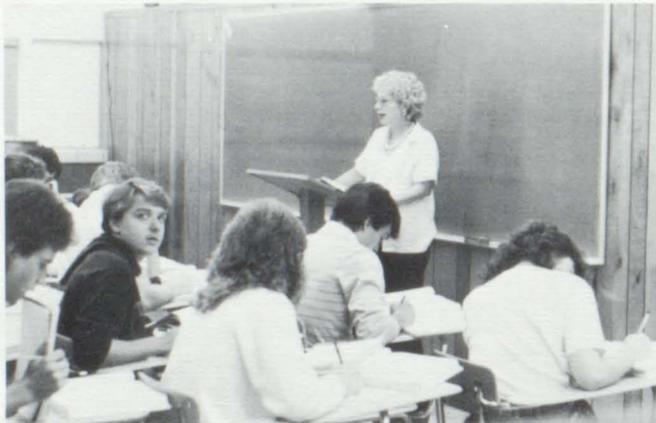

*Basic Soc. is a freshman class where students get a chance to work in the computer lab for a week.*

*U.S. History is taken during the Junior year. This class teaches the history of the United States. They also get a chance to take a bike ride through Tecumseh visiting historical sites like the cemetery and early homes built here.*

*During the Senior year the Senior Soc. class is taken. In this class government, economics, and politics are studied. This is a class*

*the Seniors often complain about because they don't like switching classes.*

*The World Affairs class can be taken anytime during the tenth grade through the twelfth grade. This class keeps students updated on things that are happening around the world. It also helps them understand current political issues. Social Studies classes are required because they prepare us for the outside world and give us a better understanding of the world and its conflicts.*

# The Wide World of Science

*T.H.S. mad scientists at their best.*

*Patty Lemerand hiding her secret experiment.*

*David Hubbard and Heath Goodwin showing off again.*

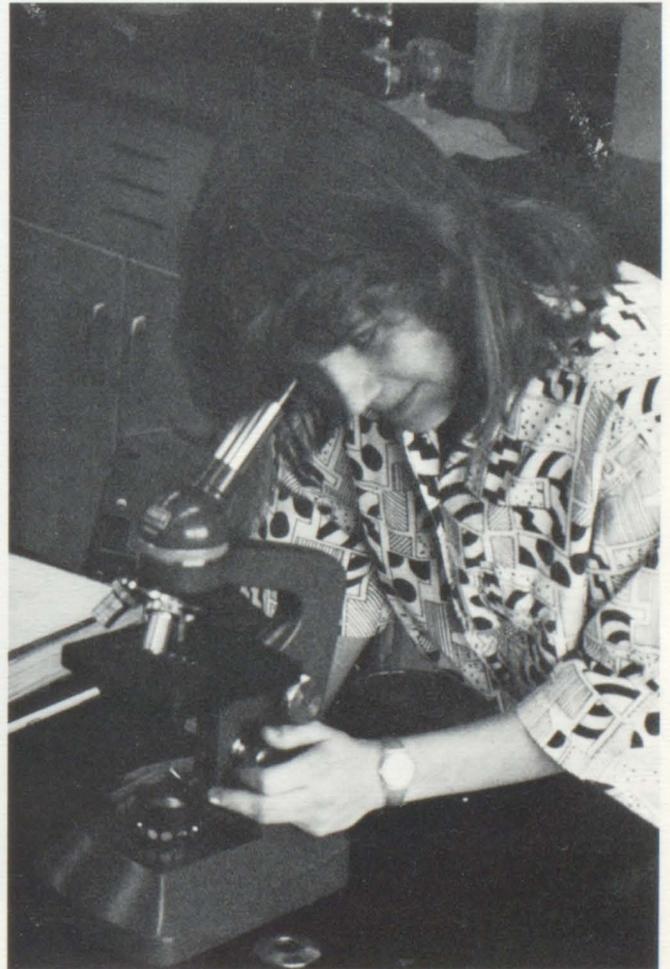

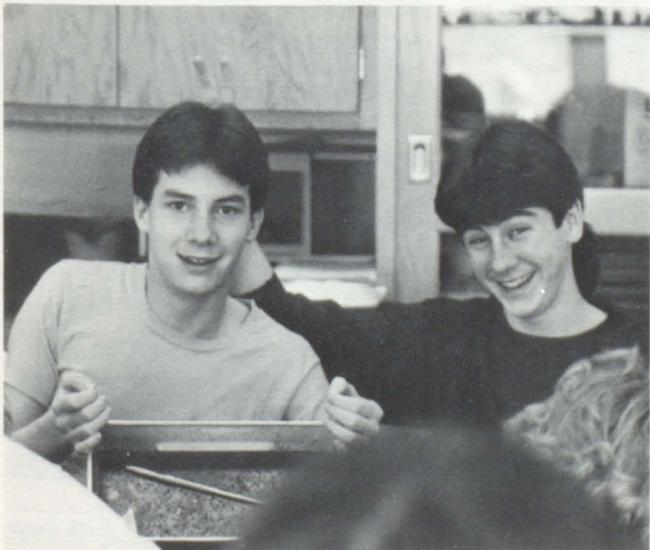

When students hear the word "Science" some think of hard tests and dissecting dead things, while other students think of exciting new discoveries and challenges in everyday life. There were many Science classes to choose from in T.H.S. this year including: Earth Science, General Science, Biology I and II, Chemistry, and Physics.

Earth Science is taught by Mr. Stevens. In this class the students are taught about geological features of the earth. Mrs. Ellis and Mr. Curth help students learn about the world around them, in General Science. The students are taught a little chemistry, biology, and earth science. Mrs. Ellis also teaches Biology along with Mr.

Nelson. The students learn about the study of living organisms. Chemistry is taught by Mr. Curth, who teaches the students about atoms, molecules, and interaction of chemicals. Physics, which is taught by Mr. Cunningham, is about the study of force, along with motion and energy.

"Science," Brenda O'Brian said, "can be pretty boring at times, but other times it can get interesting." When asked to say something about Science Mrs. Ellis said, "Science can be such a great field to be in. There are new findings and new discoveries taking place daily." Don't just take their opinion, sign up and find out for yourself!

*Dawn Doty checking out the microorganisms.*

# English

The English Department offers a variety of classes to meet the needs of students in today's society. Students leave THS having had the opportunity to acquire a solid English background in reading, writing, and spelling.

In addition to required English classes, THS offers a journalism class where young writers have a chance to write for *The Orange Spiral*. Other special activities the English Department sponsored were The Reading Month Celebration with special prizes and the Third Annual Writing Exhibit.

Mrs. Bowman explains, "I'm impressed with the fact that all of the English teachers are knowledgeable about current research on the best way to teach English. Many English teachers have completed or are working on masters degrees and all of us regularly attend conferences and workshops to continually improve our skills." Many goals of the English department are being accomplished with the addition of Advanced Placement and Acting and Play Production on next year's schedule. Some of the future goals include setting up a writing laboratory and a word processor in the library.

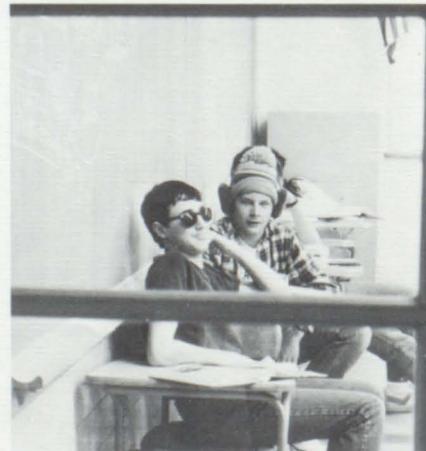

English offers such a wide variety of experience and an opportunity to continually learn and grow as a person. These are just some of the many reasons why students enjoy taking English and teachers enjoy teaching it.

## French or Spanish

Enrolling in French or Spanish can help you on your way to college. French III and IV are using college level books which were purchased at the beginning of 1986. The enrollment for Spanish and French was also higher than in previous years.

Senor Mejia and Madame Wilson both hope that students gain a feeling of accomplishment and a better understanding of the language. They also hope students become acquainted with and appreciate other cultures. Deciding which language to choose is sometimes hard, but both languages open up a new world.

Spanish students took a trip to Mexico over the summer and are hoping to travel to Spain in the summer of 1988. Some French students went to France during Spring Break with a teacher from Pinckney High School and also to Quebec, Canada over summer vacation.

The 86-87 school year has brought many opportunities and learning experiences for both French and Spanish students.

## Industrial Education

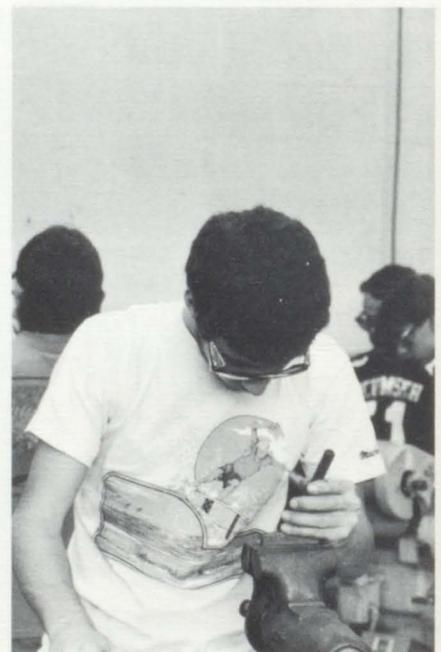

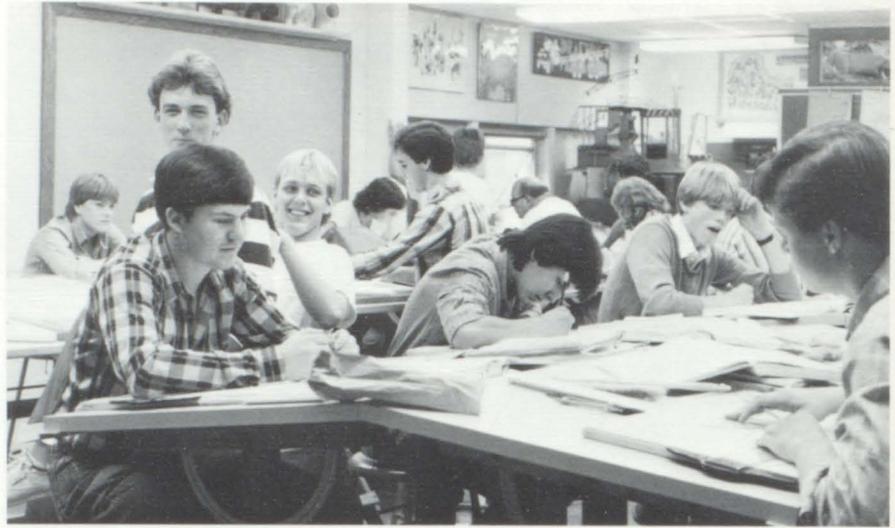

Are you interested in becoming an architect? Would you be interested in working with metals and woods as a profession or just a fun hobby? Well, if you are, T.H.S. has an assortment of classes for you.

Industrial Education offers courses like: Introduction to Woods, Introduction to Metals, Power and Energy, Metal Fabrication, Electricity and Electronics, Machining of Metals, Wood Technology, Drafting I, Machine and Architectural Drafting, and Advanced Drafting.

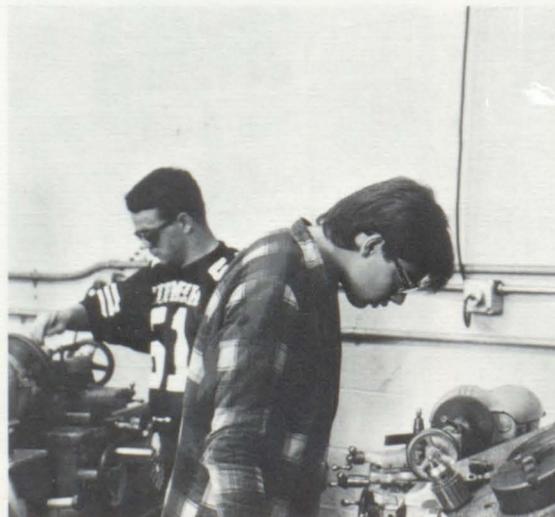

A few of the goals of the program are to help the students develop an insight and understanding of industry, plus help improve the students attitudes and work habits.

The students really enjoy these classes, especially since it gives them the opportunity to learn basic skills if they decide not to further their education. Also, it prepares students for Vo-Tech.

Students in Child Development class show off their egg-ceptionally cute kids.

Mrs. Forgacs answers Kathy Patten's question, "Are eggs born the same way?"  
 "Gee I didn't know that raising children was so difficult!"

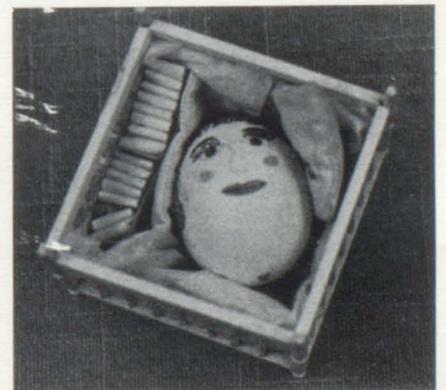

## Home Economics

Home Economics teaches more than just how to cook and sew. The Home Economics Department's primary focus is to help students get a start on life. Mrs. Forgacs teaches everything from how to cope with your emotions to setting up an apartment in such classes as Child Development, Interior Design, Independent Living, and Foods and Nutrition.

Interior Design teaches students how to design a house and decorate the interior of homes, as well as studying housing styles. The Interior Design class also took a trip to a historical home in Tecumseh.

Independent Living is another valuable class. It teaches students how to manage an apartment, keep control over a credit card, and develop relationships.

Home Economics isn't just for girls anymore. More males are enrolling because today's classes give students practical information and teaches them how to live on their own. Mrs. Forgacs said, "These are classes that will help you Survive in the world."

# YEARBOOK

Under the leadership of Mrs. Messerly and the editors, the 1987 Anath was a success.

The theme "Decisions to Make" was chosen because the high school years are a time of many decisions that will affect our lives.

Under the direction of Mike Losey, the Business department kept accurate and complete records of the money the Anath Staff received. Mike was assisted by Scott Bashore, Michelle Mullins, and Lisa Rinehart.

In the Copy department co-editors Melani Jefferies and Kelly Westgate read, wrote, or edited all the copy which appears in this year's Anath. Carmen Curry and Jody Reichenbaugh helped in this time consuming process.

The Lay-out department was headed by Amy Pramstaller and Beth Withrow who designed every page that makes up the 1987 Anath. The work of Jenny MacGeorge and Jen Sisty was a main factor in the completion of the Anath.

The Photography department is perhaps the most important of all. The students are responsible for taking pictures of quality as well as taking pictures of every activity THS is involved in. Genu Rebat-taro, editor, Paulette Georges, and Keith Hug did a super job of capturing THS.

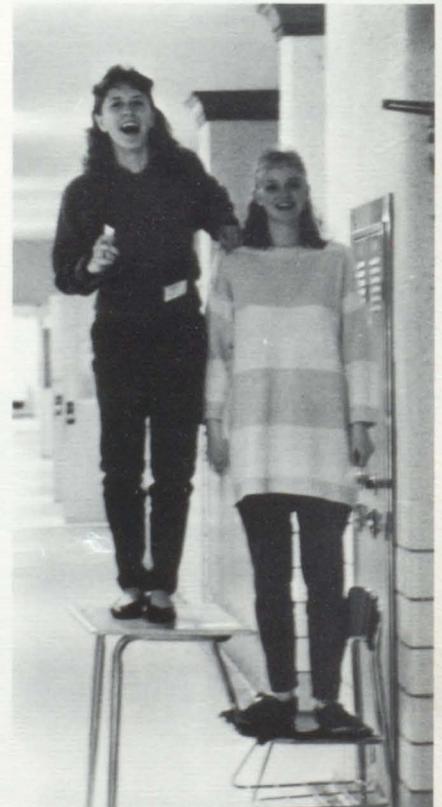

Tif Winzeler guided the Sports department in finishing the sports section. The department included Carol Jubenville, Tina Lawhorn, and Katie VanBuren.

Staff member Tina Lawhorn stated "Yearbook is an important part of my high school career."

(L to R): Mrs. Messerly, Keith Hug, Lisa Rinehart, Jenny MacGeorge, Genu Rebat-taro, Carol Jubenville, Kelly Westgate, Tif Winzeler, Beth Withrow, Amy Pramstal-ler, Melani Jeffries, Tina Lawhorn, Paulette Georges, Carmen Curry, Jen Sisty, Michelle Mullins, Scott Bashore, Katie VanBuren, and Jody Reichenbaugh.

The staff's editors: Kelly Westgate, Junior; Tif Winzeler - Sports Editor, Junior; Beth Withrow, Junior; Genu Rebettaro - Photo Editor, Sophomore; Amy Pramstaller - Layout Co-Editor, Junior; and Melani Jeffries - Senior Computer Editor.

## Orange Spiral

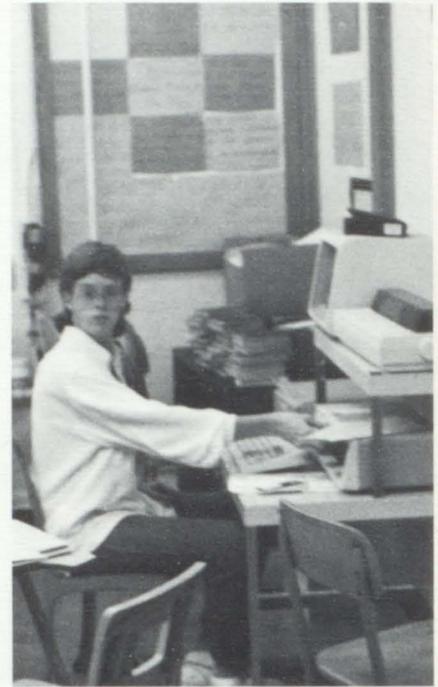

The Orange Spiral, THS'S newspaper informs the students in many ways. First through editorials and letters to the Editor, the Spiral reflects students' feelings and gives them a chance to be heard. Second, the staff tries to cover a broad range of topics that would be of interest to all students. Information given in the Spiral list students accomplishments in many different areas.

The Spiral compares favorably to other school newspapers in Michigan.

This shows that the THS journalism students enjoy putting the

paper together. Although there is much work involved there is something special about seeing an issue of the Spiral completed, printed, and published. This year the paper has purchased a new computer and printer to help them make the job easier.

As Karen Bowerman says, "I found the Orange Spiral, and the journalism class in which it was taught, to be challenging, especially academically. I would recommend this class to any student in Tecumseh who is interested in pursuing journalism."

## VO-TECH

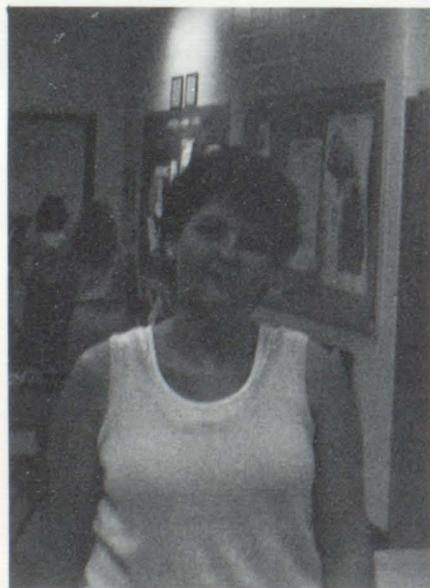

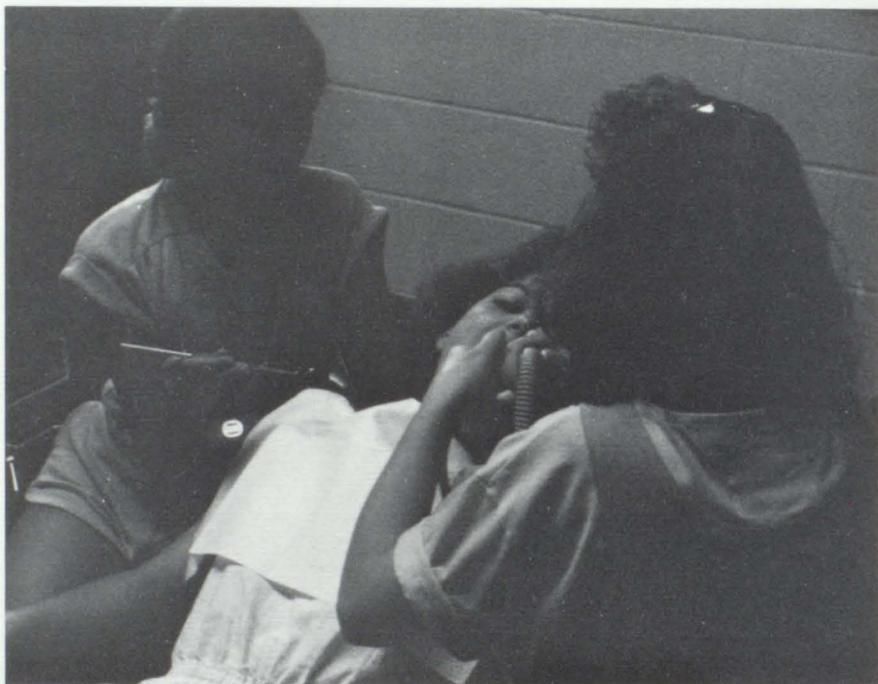

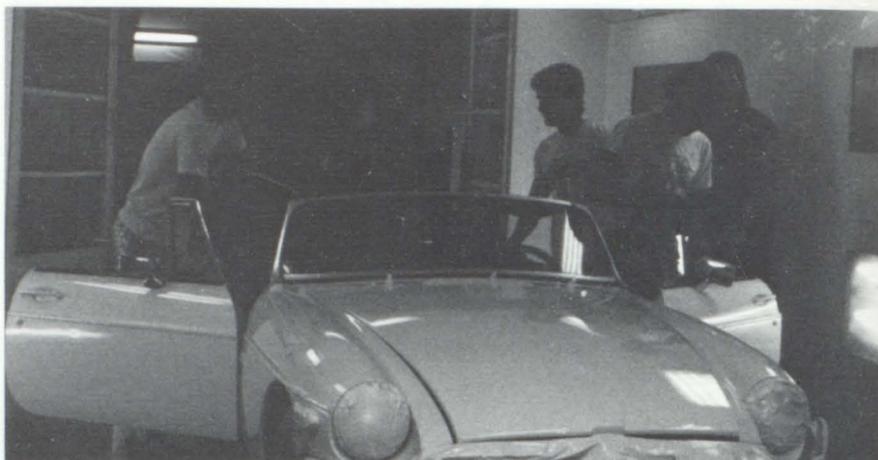

*The Lenawee Vocational-Technical Center, or Vo-Tech, is an important part of Tecumseh High School Scheduling. Approximately one-hundred and eighty students attend Vo-Tech every day.*

*The classes at Vo-Tech range from Auto Body to Horticulture and provide a wide variety of career choices for our Juniors and Seniors.*

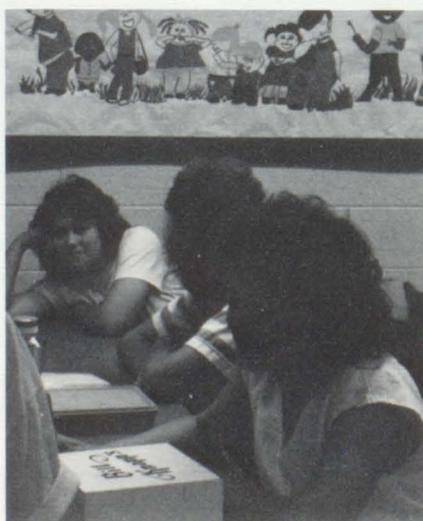

*Ninety-five percent of all Vo-Tech students receive a job right after graduation with the help of the Vo-Tech center.*

*Randy Shulters, Junior, states "Vo-Tech has helped me prepare for a good paying job right out of High School." Many other students feel the same way.*

*The kids pay close attention as Todd shows them what to do.*

## Cross Age

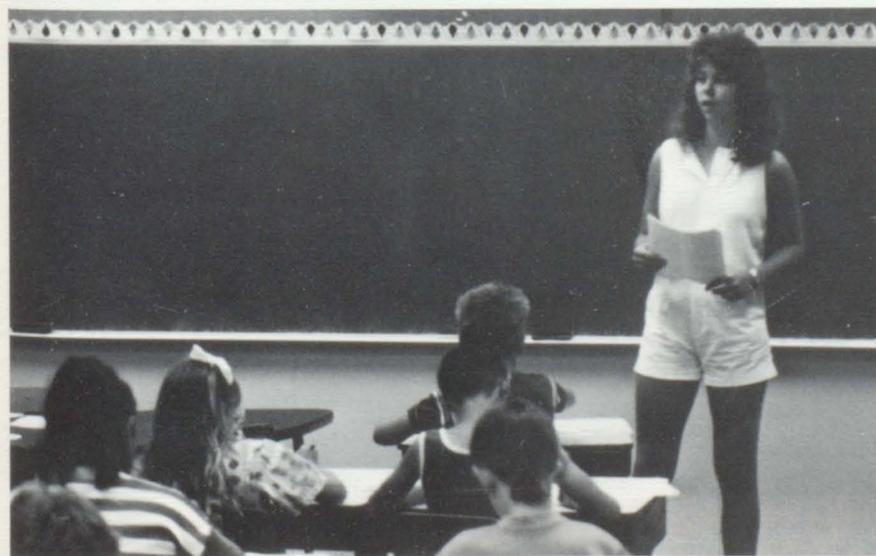

*If you would like some hands on experience with teaching children, Crossage tutoring is the class for you. Some of the requirements for tutors are good attendance, responsibility, and keeping a journal. To become a tutor the student must fill out an application for the advisor, Mrs. Sutherland. It is her job to then pick out the fifty students who will become tutors in Tecumseh elementary schools.*

*The tutors do many different things in the classroom. They may work one-on-one with a student, or correct papers, or may work with a group putting up bulletin boards, planning parties.*

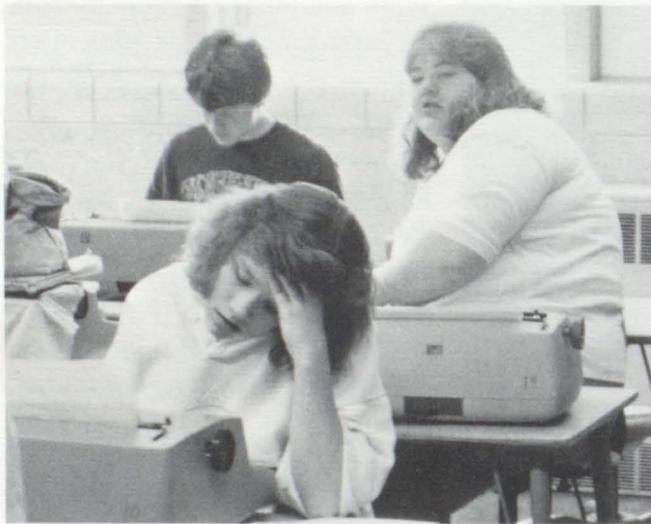

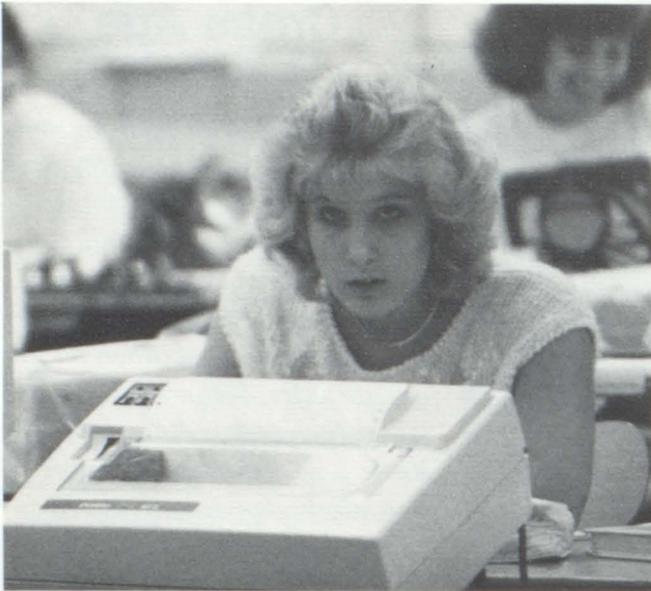

*Cross-Age Tutoring is a very positive experience for both the tutor and the children. It installs confidence and self-esteem in the tutor and it gives the children a peek at the "grown-up world" through the eyes of a new friend.*

*Todd Klanke hands out papers to his second graders.*

*Giving a spelling test is just one of the responsibilities.*

*Lisa Lolley glares at the camera.*

*Kristi Kolby having problems with her typewriter in Typing I.*

*Larry Anschuetz and Brian Mamayek flashing us their cute grins.*

## **Business**

*"Business courses have helped me prepare for my career." This quote, by a THS junior, sums up the purpose of the THS Business Department.*

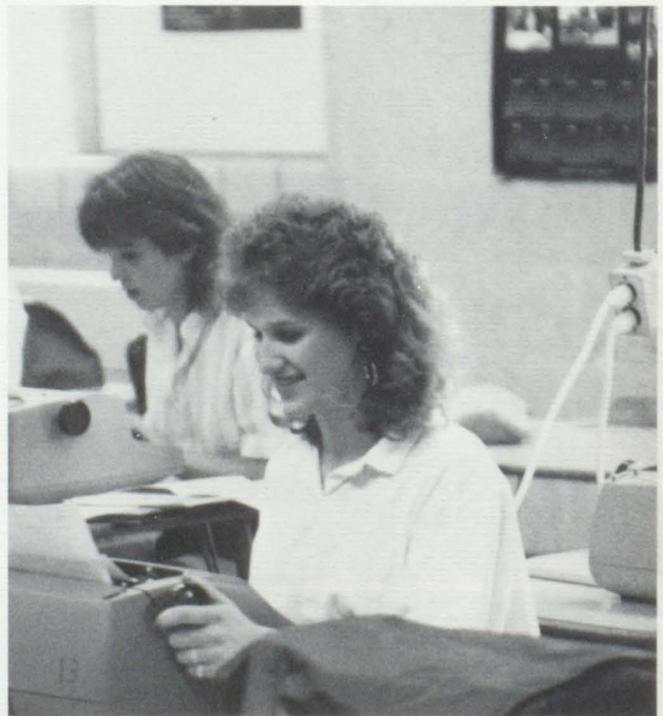

*Our business classes are very essential because they teach students how to cope in the business world and be an independent individual.*

*"Our classes are efficient and hardworking. They take career opportunity very seriously." This quote by Mrs. Prettyman, is an example of the pride our business students take in their work.*

*While some students are taking business classes to help prepare themselves for a job after graduation, others will be using the knowledge they gained to help them in college.*

*Overall, the T.H.S. Business department is an essential part of Tecumseh High School.*

*Tracy Waters amazed at her typing skills.*

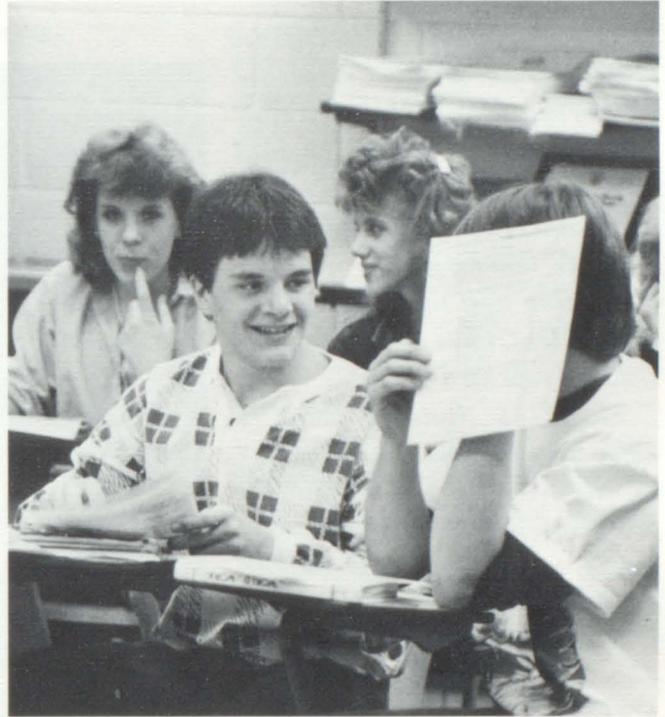

## Careers

Learning how to choose a career based on interests and abilities, the levels of education necessary for a select job, salary, job duties, and job responsibilities are a few of the things students learned in this class.

Students also learn how to write a letter of application and resumes. They study tax laws, insurance programs, legal information, how to cope with stress, and consumer information. These are all things a person needs to know after high school graduation. A sophomore, Erin Long, says, "I feel Career Education has prepared me for a job and will help make my life easier."

Mr. Nix is the chairperson of the department. This year Mr. Beham was added to the Career Education staff.

Shawn Hawley covers his face, obviously embarrassed to be talking to Max Kolby.

Chris Kennedy and Carolyn Klein discuss their Careers homework.

# Physical Education

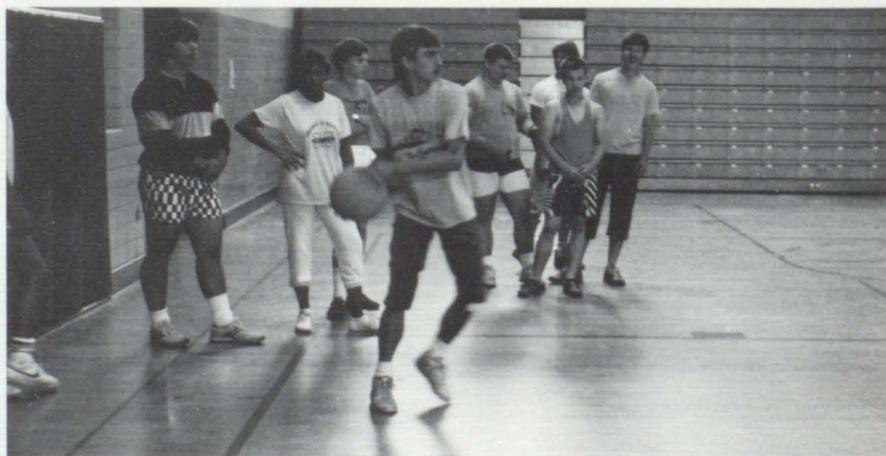

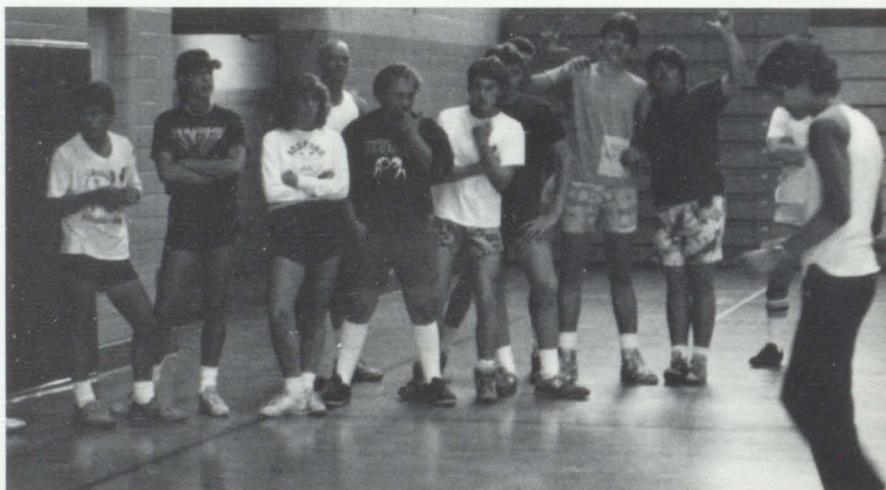

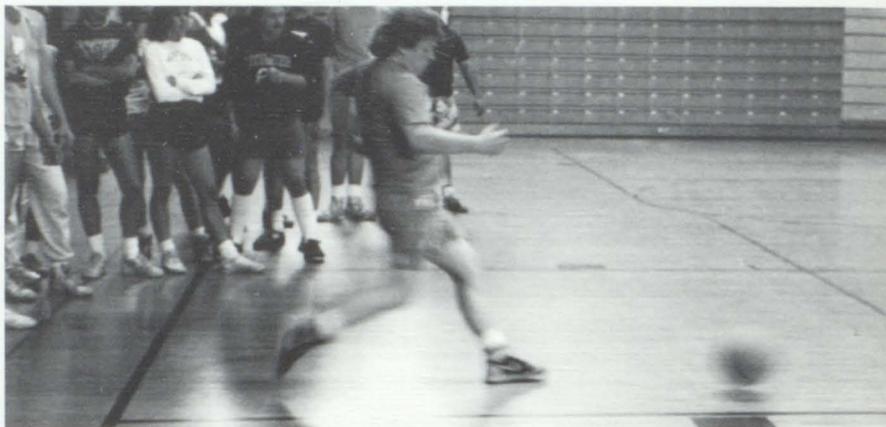

The Physical Education program had another successful year. The advanced physical education as well as general physical education classes have made significant progress in many areas such as learning how to play badminton and racquetball well. The students have developed their skills by repeated practice.

The THS students seem to enjoy the curriculum that is offered to them. The most popular programs are tennis, volleyball, soccer, paddleball, and basketball.

It is difficult to point out one program that students excell in, but if we had to choose one, it would be volleyball.

Ms. Fisher and Mrs. Richardson teach Phys. Ed. as does Mr. Oxley who says, "I enjoy teaching Phys. Ed because it gives you an opportunity to deal with students differently. The atmosphere in the gym is open and allows students to express themselves in different ways."

*Sophomore Paul Lorichon.... physical fitness at it's best!*

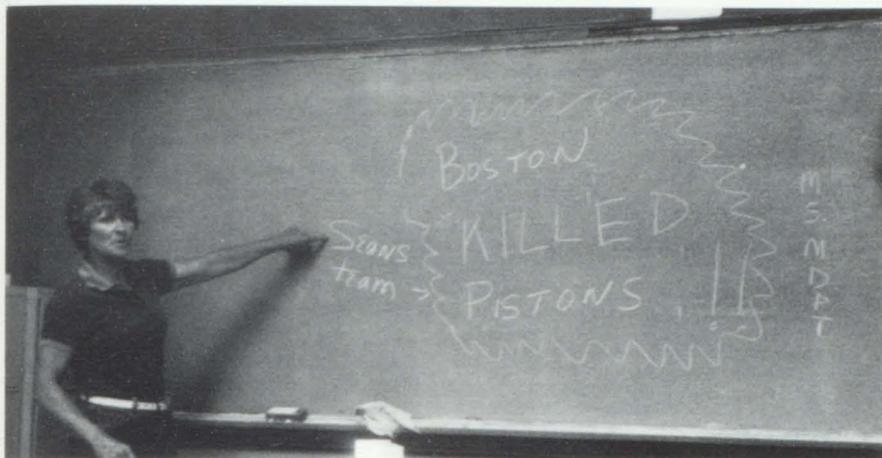

*Senior guys have a thrash attack!*

*Few members of this team seem to be concentrating on the game.*

*Junior Bob Schultz returns the ball after a successful attempt at an out.*

## HEALTH EDUCATION

*"Take note Shawn Goody," says Fisher.*

*Mike Lolley, Todd Rehberg, and Norman Nash, cram for exams.*

*Students listening carefully in Health class.*

*Health class taking a break.*

Miss Fisher and Mrs. Richardson are the teachers of our Health Education Program. They are very dedicated to helping their students learn more about their health. They help the students understand personality development, emotional growth, longevity, mental health, communicable diseases and more about drug abuse.

This class is to help our self-awareness, emotional growth, and the effects of our mental status.

Students react differently to each of the different units, but over-all the teachers think the students response is very good. When Lisa Overton was asked what she thought of the class she said "Over-all the class is very exciting." Also, she says that the class is very helpful to the students.

The teachers would like to apply more emphasis on drugs as it is becoming a major problem in our society today, These teachers would like very much to help T.H.S. students overcome the drug problem.

## Band

What would we do if we didn't have a school band? There would be no halftime shows and no concerts to go to. Lucky for us, 75 students participated in band so we could have these special events.

Several band students also went to Solo and Ensemble where they performed a solo or performed in small groups. Some of these groups received a rating of one, which is the best score, and were able to go to state competition.

For competition, the band had to play class A music instead of class B. The reason for this is because school enrollment was up, causing the band to be in a class A competition range. This put more pressure on the band since the music was tougher and judging was stricter. Practice and self-discipline was a must, since the band was more aggressive toward their playing than they had been in the past. Mr. Rice said this adjustment was a fairly smooth one.

We should be glad to have these talented students in our school to help with school spirit. Hopefully, they will continue to improve and receive our support.

Becky Ford and Kim Martin kick back and relax.

Clarinets concentrating on their music.

The trombone and saxophone sections looking very enthused.

## Choir

Have you heard the T.H.S. Choir? If not, you really should. They perform in eight concerts each year. You can hear the Choir at the Christmas Assembly, Porter Center Performance, All-County Choir Festival, and Awards Night Program. There are also four major concerts, Fall, Christmas, Mid-Winter, and Spring. They are all conducted by Ms. Helen Bendes.

The students take this class for many reasons. It is a way to express a specific talent or maybe even develop one. It is also a way to get specific voice range training. They also learn basic voice production, how to read music, sing a variety of styles and music periods for example. When Lori Houghton was asked what she thought about Choir she said, "It is a lot of fun." Ms. Bendes also has something to add about her Choir class, "This year's Choir students have probably the most outstanding source of vocal talent that I have seen since I have been at T.H.S. I hope that by the end of the semester more individuals will perform independently and the group will provide an outstanding performance!"

*Laura Altmann taking a break in Art.*

*Shelly Piper and Dina Covell, having a good time in Art I.*

## Art

*The Art Department at T.H.S. has many classes and projects offered. The teachers, Mrs. Merrill and Mr. Frenzen, feel T.H.S. has a wonderful, well-equipped art room. They wish that every student could have an opportunity to work in an art class.*

*The medias used include: computers, clay, papermaking, paint, canvas, charcoal, yarns for weaving, airbrush, wire, pencil, and many others . . .*

*Students may improve their artistic skills by learning to look at things in better ways, having a better understanding of the elements of art, and the principles of good design. Through exploration of the many medias a student may find out the areas that they are most interested in for leisure time, hobbies, or further, more serious study. T.H.S. students also learn to use these new skills in projects for other courses in addition to art.*

*As one art student says "I love my Art classes, and my high school education would not be complete without them."*

*Sally Every and Missy Curth watch closely during a demonstration.*

*Junior Sally Every, Junior Kathy Nix, and Sophomore Missy Curth show their beautiful smiles while working.*

*Jenni Donaldson lends a hand with the props for the Pajama Game.*

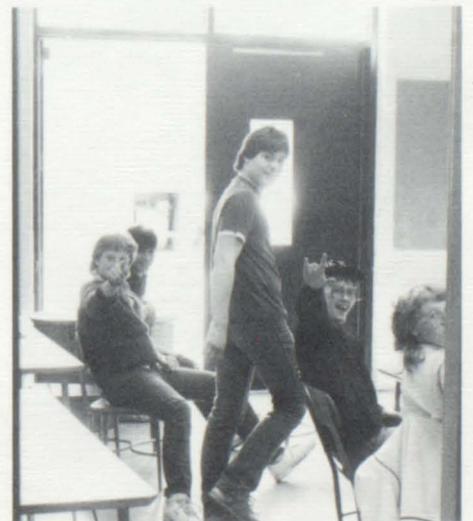

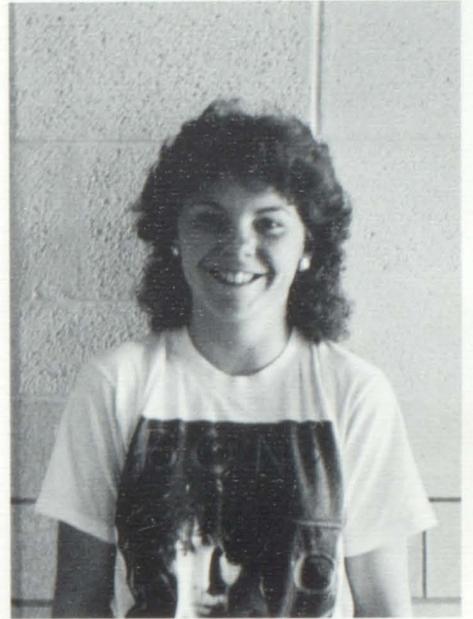

*Kim Morrison hard at work on the loom.*

*Kelly LeVeck trying to make a straight line with her talent in art.*

*Beth Barnes, Jenni Donaldson and Kim Bird decide to try on hats in the art room.*

### *The Fine Art of Note Passing*

*Dear Lisa,*

*Hi! How are you? This class is so boring, I'm about to fall asleep! Hey, did you hear about Carey's party . . .*

*You may have noticed that when teacher's lectures get boring everyone is hovering over their papers, furiously taking notes, well actually they are writing notes.*

*The fine art of note passing flourishes at T.H.S. Some of the most well-known techniques used are notes in the form of paper airplanes, sliding them across the floor, or tossing them across the room. The most obvious approach is casually dropping it in front of someone on the way to the pencil sharpener. Whichever way it is done, notepassing is definitely done with style!*

## Small Talk

*Small talk is an important form of communication for teenagers around the world. Listening in on a hallway or cafeteria conversation is an interesting experience for anyone. The students at Tecumseh High have their own distinct language which is an unique distortion of English. Actual definitions are discarded and words take on their own meaning. Examples are "wicked" or "bad," which means good. Another THS is "THRASH." For people who don't really know what this word means, here is an approximate definition. "THRASH" means to party, or have a good time. Teachers, especially English teachers, have a fit when students use slang in the class room. Maybe one reason we use it is to shut teachers, parents, and authority figures out and make it just ours.*

# Activities

## HAVE WE GOT CLUBS

*Be a leader, be of service, and join in the fun. T.H.S. has just the club for you. Throughout the school year, our clubs have been busily involved in many worthwhile projects and have had a lot of fun, too. Anyone interested can join these clubs and participate in their varied activities.*

### Art Club

*The "artistic" Art Club kept busy all year. Members painted downtown merchant's windows for Homecoming, made decorations for the city Christmas tree, visited an art exhibit, and exhibited many of their works at the 26th Annual Art Show held in the gym on May 14, 15, and 16th. Teachers from all over the county judged the work and many blue ribbons were received. Following the judging, the Home Ec. class held a dinner under the supervision of Mrs. Forgacs.*

*Front row L to R: Mrs. Merrill, T. Winezeler, S. Casper, E. Follas, and Mr. Frenzen, Back row L to R: K. Janick, M. Hood, D. Covell, K. Wann, T. Greiman, L. Houghton, J. McGeorge, J. Perrin, S. Cox, H. Greyer, B. Lieu, S. Rice, and J. Reichenbaugh.*

## BUSINESS CLUB

The Business Club advisor, Mrs. Prettyman, is retiring this year. The new advisor will be Mr. Graham. Mrs. Prettyman arranged a tour of businesses in Tecumseh for the Business Club.

Front row L to R: M. Howe, T. Goody, H. Cook, M. Losey, and P. Harper. Back row L to R: Mrs. Prettyman, A. Fuchs, J. Sabbiden, and M. Georges.

## Key Club

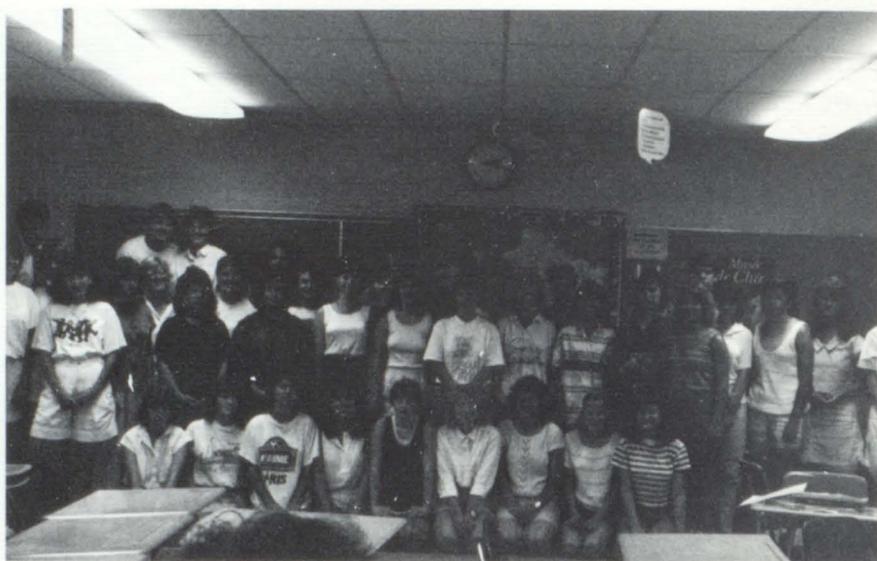

The Key Club, advised by Mr. Jim Kessler, is new this year at T.H.S. It is a service club and has been very busy helping the community. The P.I.G. project (prevent indecent graffiti) encouraged teachers to take extra time to prevent students from writing on desks, walls and posters in the halls. Another Key Club project was helping collect food and clothing for the needy during the Holidays. The Key Club's goal is to provide services that will benefit all.

Front row L to R: M. Orens, M. Mangus, Mr. Proctor, Mr. Kessler, R. Grubb, and L. Rinehardt. Back row L to R: K. Finnegan, D. Crowley, E. Hoplins, A. Vonkrstedt, B. Underferth, E. Market, K. Bowerman, M. Mullins, D. Carter, J. Covell, and G. Rebottaro.

## French Club

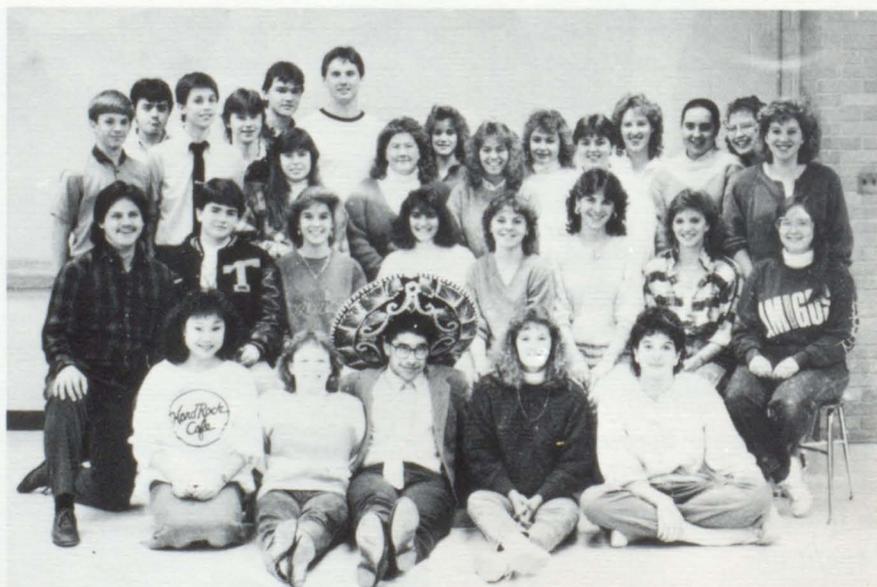

The French Club, a.k.a. "The Frenchies," enjoyed caroling at a nursing home, a trip to a French restaurant, and playing the Spanish Club in volleyball. They also had a special speaker talk to them about a trip to Quebec. At one meeting, they tested their French by watching a film in French. (It had English sub-titles).

Front row L to R: D. Carter, L. Overton, A. Lorenzen, J. Russell, C. Still, J. Perrin, C. Horkey, C. Jubenville, and J. Shuster. Middle row L to R: T. Stout, A. Burgess, H. Gallant, K. Janick, P. Kirkpatrick, S. Casper, A. Pramstaller, K. Speller, S. Cox, L. Follas, B. Bache, K. Naugle, C. Morrow, K. Weekley, S. Rage, K. Bandski, J. Staup, and M. Austin. Back row L to R: MR. Drummond, M. Losey, L. Fletcher, B. Unverferth, and A. Griffin.

## Spanish Club

Hola from all the Spanish Club members, who sponsored the "Can-Cun Beach Dance," this year. A special treat was beating (ah, we mean playing) the "Frenchies" in a volleyball game. Thirty-two club members had a chance to sample some authentic Mexican food at a restaurant in Ann Arbor.

Front row L to R: L. Stoeckel, D. Royal, A. Williams, S. Beasley, and L. Desorcie. Middle row L to R: Mr. Mejia, T. Neilson, B. Barnes, H. Cook, A. Ball, C. Croft, T. Goody, and T. Yothers. Back row L to R: K. Hug, J. English, M. Ortiz, B. Allen, E. Anglin, D. Penny, C. Every, S. Love, T. James, D. DeJonghe, J. Moody, M. Orenes, L. L. Houghton, and K. Callison.

# CLUBS

## National Honor Society

The National Honor Society helped other T.H.S. students by offering to tutor anyone who needed extra help. They inducted 32 new members into the club this year.

## PEP CLUB

The exciting, Pep Club, as always, kept their fans enthusiasm alive with TICWSS/Pep rallies, and special signs made for the gym.

## Future Farmers of America

Future Farmers of America of Tecumseh High School have combined with other members of Lenawee County Schools. This year five students from T.H.S. participated in the Parliamentary Procedure contest held in Britton, on February 12th. These students were Thad Sherman, Angela Dauber, Lynn Cromwell, Dave Hill, and Todd Tilton.

Thad Sherman went on to regional competition in Hillsdale and won a gold rating for his speech on "Bovine Growth Hormones — Their Impact on the Dairy Industry."

## PEER LISTENERS

Peer Listeners, who have been trained in basic listening and counseling skills, continued to be there for anyone who needed a friendly, non-judgmental listener. All conversations were held in confidence, so students were free to discuss whatever problem they had.

# CLUBS

# FOREIGN EXCHANGE STUDENTS

The Foreign Exchange Student Program was a big success this year. There were seven exchange students who came from different places around the world to visit Tecumseh High School for a year.

Anne VonKarstedt, the foreign exchange student from Germany, enjoyed Tecumseh. She participated in the Key Club and enjoyed going out with friends during her stay. She also enjoyed playing the violin and eating her favorite food, pizza from Pizza Hut.

Atsuko Iwasa was one of the exchange students from Japan. She enjoyed activities such as shopping, going to the movies, and bowling. She liked Tecumseh because the buildings are old and pretty. Her English was fluent after studying the language four years in Japan. She also liked it here because the people are so

friendly!

Yolanda Roukema is a sixteen year old from Leeuward, Holland. she is involved with "The Youth for Understanding" program which brought her to Tecumseh. She studied four years of English before coming to the U.S. and enjoys horseback riding, playing the saxophone, guitar, and the organ. She also likes hamburgers and milkshakes from McDonald's.

Mette Pederson came all the way from Norway to finish her Senior year here. she participated in the symphonic Band at T.H.S. and enjoyed swimming, skiing and listening to music in her spare time.

Hiromi Yakashita also from Japan joined T.H.S. second semester. She enjoyed Tecumseh because of its old streets and liked

T.H.S. because the students were kind and friendly. She also enjoys writing literature.

Maria Orenes visited us from Spain. Maria enjoyed doing such things as rollerskating, shopping, and "cruising" while in America. She liked the people and places because they were so nice.

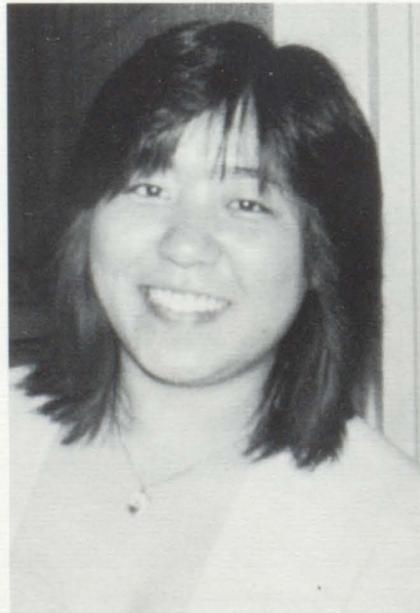

Mikko Raitis was the Foreign Exchange Student from Finland. He participated in track and was also on the volleyball team in Adrian. While in America he enjoyed going to Disney World in Florida.

All the foreign exchange students agree that their stay in Tecumseh, Michigan, USA was an experience that they will never forget! they will all be missed by students and faculty here at T.H.S.

## STUDENT EXHIBITION

*The Industrial Education, Home Economics, and Art classes held the 26th annual Student Exhibition in the gym on May 14th and 15th for the students and teachers and during the evening for parents.*

*The projects in the Industrial Education Department illustrated the hard work and dedication given by the students. There were wood, metal projects and drawings. The main attraction is the architectural models that are set up annually.*

*The Home Economics Department displayed clothing outfits, interior decorating pictures, and a wide variety of crafts.*

*The Art Department set up projects from all Art classes that included ceramics, water colors, stained glass, pointalism, sculptures, drawings and weaving.*

## COMING HOME IN 86'

*Homecoming. The very word causes shivers of anticipation to run up and down one's spine. Homecoming '86 was no exception.*

*Homecoming was celebrated one last time for the Seniors. They worked on a float with the Junior class. The theme was "Danger Zone" and it depicted a fighter plane moving from side to side. The Seniors also showed their spirit by wearing white T-shirts, Hawaiian shorts, and to keep warm in the brisk October weather, long-underwear. To keep with tradition, they painted Julie Stroud's car.*

*The Juniors had overwhelming spirit and it won them the spirit award. They wore red and also sold red balloons. The Juniors helped with the joint Senior/Junior float, and painted Kristy Feldkamp's car.*

*The Sophomores, along with the Freshman, won the award for best float, with the slogan "Blow 'Em Out." The Sophomores wore blue attire, and also sold "Class of '89" buttons, while the Freshmen wore black.*

*The Homecoming Representatives were: Freshmen, Lisa Joseph; Sophomore, Teri Harvey; and Junior, Amy Palmer. The queen was Senior, Vicki Ridgeway. The Queen's court was made up of Seniors Kathy Henning and Kris Patten. As a special treat, the Queen and her Court rode in horse drawn car-*

*riages in the Homecoming Parade. Also our Equestrian team, dressed as the three muskateers and the posse was a big hit in the parade this year.*

*The T.H.S. cheerleaders were a big part of Homecoming '86 activities. Their spirit and enthusiasm led us through the Pep Rally. They participated in the fun by letting many red balloons fly into the air. At the Homecoming Game the JV cheerleaders joined the Varsity cheerleaders in cheering for the Indians.*

*The football team was fired up for the game and the crowd was behind them all the way. The play, by Robert Mendez, that would have won the game for the Indians was called back by the referee. Outstanding players for the game were Jim Bache, rushing for 65 yards, Jeff Clark with fifteen tackles, and Robert Mendez, 18 tackles.*

*Although we lost the game to Milan, it didn't dampen our enthusias or fun at the Homecoming Dance. The main attraction was a D.J. who had a video to every song he played. Several times during the night he placed the camera on the crowd and projected the picture on the screen. The dancers loved seeing themselves dancing on the wide screen. The 1986 Homecoming Week was a fun-filled week that will be remembered for a long time!*

*Prom King and Queen, Kelly Hartley and Jim Bache.*

## **A Night to Remember**

*On May 23, 1987, the Junior-Senior Prom was held at Sauk Valley. The building was decorated beautifully with grey and pink balloon bouquets, centerpieces hand-made by the Prom committee and posters with each couples names. Glasses with the logo and brass keychains with the theme, "A Night to Remember" printed on them were given to all of the guests as special remembrances. Couples filled the dance floor and were many times dancing in the aisles as the band "Sassy" entertained for the evening. Jim Bache and Kelly Hartley were crowned King and Queen, and danced in the spotlight as the theme song was played. Prom night 1987 was a success thanks to Mr. Feldman and the junior class.*

## Student Council

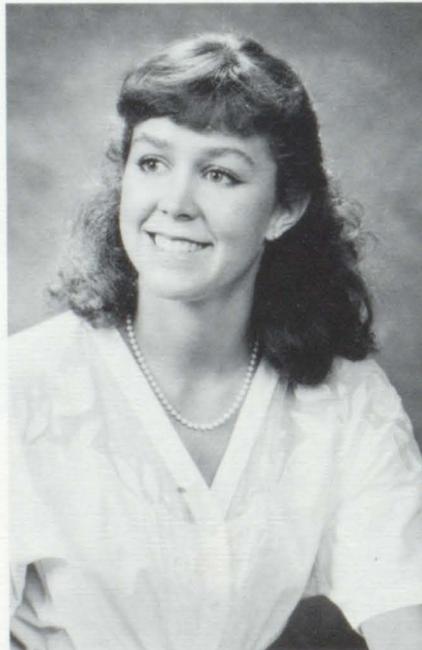

This year student council dedicated a lot of hard work and time to accomplish their goals for THS. The members worked to help their school and community to try to make Tecumseh a better place to live. Their many activities included: the Winter Carnival, Teacher's Week, the canned food drive, the Homecoming activities, plus they sponsored the Logo contest.

The student council for this year was President — Mindi Wilkins, Vice President — Judy Vanderheide, Secretary — Kristen McFadden, and Treasurer — Carl Every. Student Council advisor was Mr. Shinall. The members of Student Council must be responsible, reliable, and willing to help our school and community. If this sounds like you, then Student Council is the place for you.

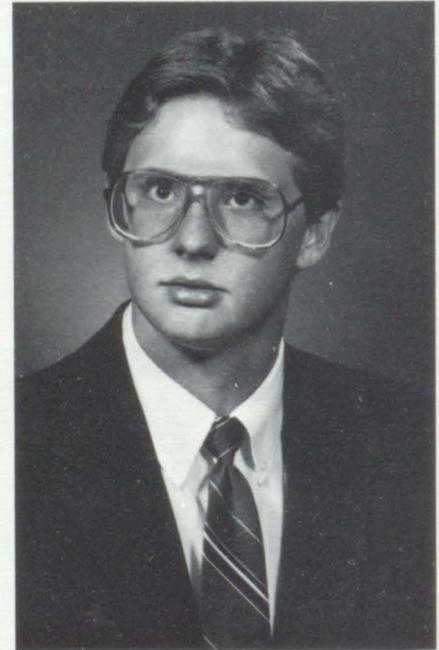

*Mindi Wilkins — President*

*Judy Vanderhide — Vice President*

*Kristen McFadden — Secretary*

*Carl Every — Treasurer*

*Gladys Sweet, Grand Marshall, leads the Homecoming Parade down Chicago Blvd.*

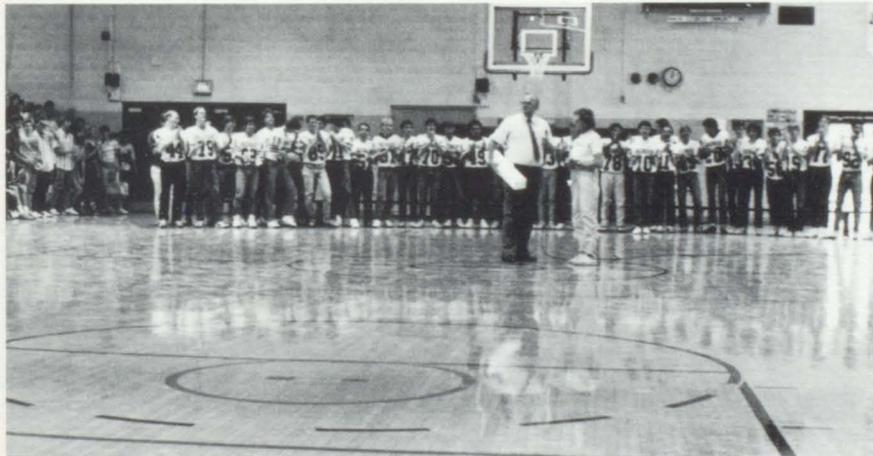

## Sweetest Day

On September 5, 1986 Gladys Sweet was honored on her last day of work. She had worked for the school 12 years as a busdriver and eight years as a custodian before she retired.

A dedicated person, she always tried to get things done as soon as she was asked. Gladys also had a good attitude towards her work, the students, and the school in general.

To honor her September fifth was declared "Sweetest Day." Gladys received a plane ticket to see her sister from the teachers, with two plaques from the athletic department and Mr. Lacny presented her with a bouquet of flowers.

T.H.S. has relied and depended on Gladys throughout her 20 years of service. She will be deeply missed by both students and faculty.

*Gladys receives a standing ovation for her years of dedicated work.*

*Mr. Graham and Mr. Shinall present Gladys with a plaque and plane ticket.*

*The proud recipients of Foreign Language awards.*

*Mike Faulkner receiving an award for business.*

*Andrea Ball receiving an award for Art.*

## AWARD'S NIGHT

May 19, 1987, at Tecumseh Civic Auditorium, was the scene for the Academic Award's Program. Mr. Vic Stevens worked hard as the chairperson for the 12th annual Award's Night to make sure it was a success. Over 100 students were given awards for their accomplishments in the academic areas.

The students who receive these awards are chosen by the faculty of that department and then a committee comprised of faculty members vote based on the students academic progress, good citizenship, and classroom behavior.

The theme of Award's Night was "Master the Possibilities," which was carried out by this year's guest faculty speaker, Mr. Graham. The chorus also helped by singing several songs.

This annual event was a big success and we thank all who participated in this event. (We also hope everyone enjoyed their evening at the Award's Night.)

*Keith Alexander receiving an award from Mr. Lacny for having a 3.0 G.P.A.*

## Peer Listeners

*Need someone to talk to? Tecumseh High school has trained students who are willing to talk to other students about their problems.*

*The Peer Listeners go through twenty hours of training in October, which is done by the staff at Call Someone Concerned. The Peer Listeners are advised by Mrs. Fall, while Mrs. Klote assists her. Peer Listeners are very important to T.H.S. They are a group of students who care and are always willing to help.*

*Peer Listeners are also involved in other programs that require good listening skills like "Say No," Four County Peer Day, and Advisory board meetings in Jackson.*

*For future development in Peer Listening, training will be continued and so will progress for better public relations throughout our school.*

*Remember Peer Listeners are also friends and they are here to help so if anyone ever needs help there is always someone to turn to.*

*THS Peer Listeners — T. Kirn, M. Fall, A. Barbre, D. Dejonghe, M. Losey, M. Papsdorf, J. Danley, T. Harvey, M. Faulkner, K. Klanke, K. Hug, K. Russell, T. James, D. Royal, C. Vondy, J. Beland.*

Tecumseh Indians

## Golfers Stay Tough

The golf season opened with good expectations from the team members. The season started off with a 321 on score on Burr Oak golf course.

At Tecumseh Invitational Tournament our team scored 13 under par 59, only missing the title spot by a single stroke. At Lenawee County Invitational the golfers did not do as well. The players call the course their second home, but it didn't seem that way. They scored the lowest of the season. Reginoals held at Pickney's course ended Tecumseh in the tenth position. Tom Clark had an 81 for the Indians.

The individuals Varsity players improved their averages from last years season. Brent Velandra improved the most.

Next year's team will consist of this year's veterans, rookies, and Freshmen.

Individuals Honors went to Myka Mckee — Best individual record, and Tom Clark received Birdman, All league first team, and Gibson most valuable player award.

With the fine coaching of Fridd and Cunningham, they can look forward to many great seasons.

# Freshman Have Great Season

The Freshman Football team had a fine year ending the season with a score of 5-4. The team beat New Boston Huron which was a thrill for them. Other schools they beat include Adrian, Gabriel Richard, Ypsilanti, and Saline.

The team consisted of twenty-eight players. David Blatt was the player with the most yards rushed. The leading tacklers were Luke Tonneberger, Rob Maynard, and Chad Dubiski.

## Straight To The Top

The J.V. team had a good year under their coaches, Mr. Schmidt and Mr. Fatchett. Their record came out 6-3. The long practices paid off. They will be a great help to the upcoming Varsity Team.

A player said, "The team had a very good season and they played very well as a team." Next year proves positive because this year's J.V. team have what it takes to take Tecumseh Football straight to the top!

# J.V. FOOTBALL

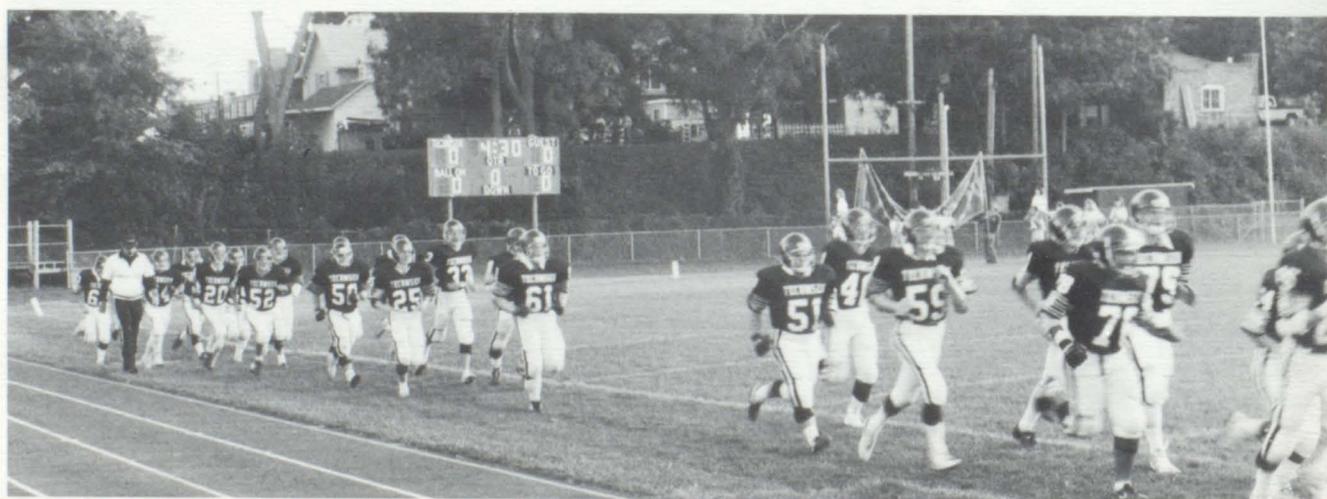

# Varsity Football

Our Varsity Football team finished with a seasonal record of 4-5. The Indians had some tough defeats including losing our Homecoming game to Milan.

Numerous honors were given to many of our players. Duy Dang received first team kicker and a visit from ABC Broadcasting Company! Other honors went to Robert Mendez and Tim Bryan for first team All-Region. Jeff Clark, Justin Bladecki, Jim Bache, Bob Terry, Darren Lagore, Jeff McMunn, Charlie Greene, Carl Every, and John Hartley received ALL-SEC Honorable Mentions.

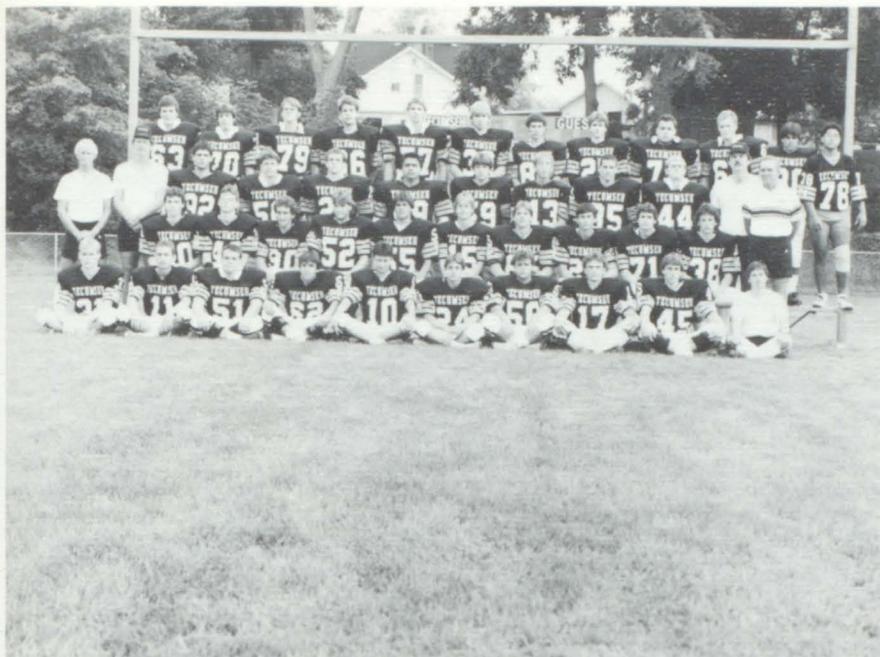

The entire student body was proud of the Indians this year. Keep up the good work, guys!

The ABC Broadcasting Company arrived at THS to cover "The Duy Dang Story"

The 1986 Varsity Football Team is geared up for another action-packed game. Along with coach Nix they hope to bring Tecumseh another victory!

## Miles and Miles of Heart

The girls 1986-87 cross country team had a fairly strong season with final league standings of 2,4. The overall results were 4,7. Lack of participation and injuries kept the team from having a better record. The team captain was Leah Faust.

The team's greatest feat was when they took 3rd at the Huron Invitational. Leah Faust, Stephanie Haines, Erika Robinson, and Julie Still were 4 invitational winners.

# CROSS

## Indians Gain Valuable Experience

The boys 1986 Cross Country team did not have a very good year due to injuries. The team still ended the season with 4 wins 7 losses. Even though the team did not do well this year, the performance improved tremendously since last year.

The team had two qualifiers for state, Dan Brackney and Mark Poling. Both ran hard all year. Brackney, who had just come back from an injury, worked hard all year in order to go to state.

One of the teams biggest thrills was winning the junior division at the Chelsea Relays. Hopefully the team will have many more performances like this next year since Mr. Croft said "The outlook for the future is good."

## Girl's Varsity Basketball

The Tecumseh Girl's varsity Basketball Team this season didn't have much size, but good quickness! They played hard and played well together as their record shows, 13-9. Good defense, teamwork, good rebounding and balanced scoring attributed to the team's average record.

Along with beating class A

schools and winning the 1st tournament game in 5 years, the team also scored 77 points in their last game on parents night!

Two players', Kelly Hartley, and Staci Demlow received special recognition this season. Kim Kurzyniec and Jenny Hartley were top rebounders while Staci Demlow lead with most assists.

Leading steals went to Liz Marvin

and Kelly Hartley was also the leading scorer.

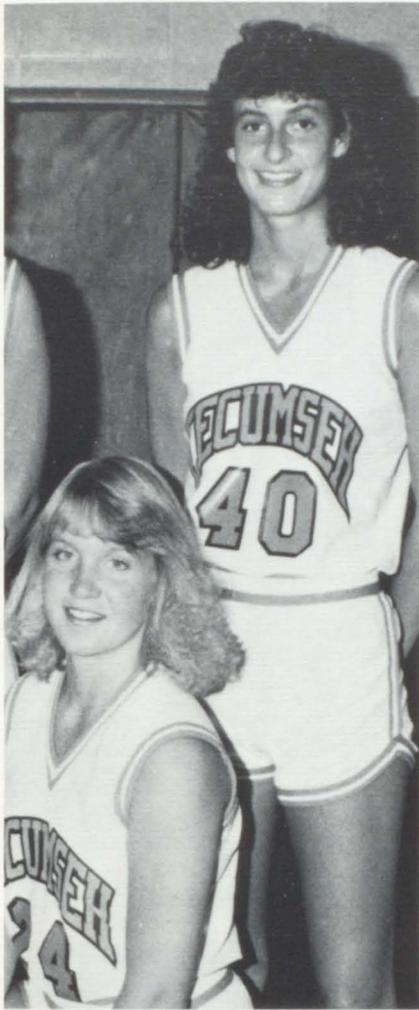

The team did have a few rough times! Some of these were not being able to beat Saline or Pickney and losing to Dexter in the tournament, (after beating them twice before).

In all the girls had a good year. Congratulations on a well played season.

## BASKETBALL

## J.V. Girls Basketball

The J.V. Girl's Basketball may not have done as well as last year, but they certainly had determination and put in lots of hard work. As coach Mr. Pomy stated, "This year has been a real learning experience for our new players."

The Netters had a seasonal record of 11-9 and a league record of 7-5. The team captains for '87 were" Buffy Klanky and Missy Curth. The team's greatest moment was the Ypsilanti game when they won with two seconds spare.

Mr. Pomy admits they lost many games they thought they should have won, but the team stuck together and learned about teamwork and the T.H.S. spirit, and that's the making of an excellent team.

Marri Ruhl looks for a team mate to pass the ball to.

## JV BASKETBALL

# GIRLS HAVE SUCCESSFUL SEASON

*This year's JV Volleyball team proved to be a success when they ended the season with a league record of nine wins and two losses putting the team in second place in the league. Coach Pomy said the team gained their poise early which made a tremendous improvement to help win games.*

*This year's most valuable players were sophomores Sheila Warner, Carrie Reau, and Buffy Klanke. Accomplishments were also made by freshmen Cori Kastel, Wendi McCarty, and Kim George in their strong performances. Some other factors that helped the team were they played as a team, worked hard, and were essential players by doing so.*

*The team's biggest thrill was when they made it to the finals in the county tournament, but they also had their worst moment at the county tournament when they lost to Morenci. The team had a good season by ending with an overall record of 21 wins and 7 losses.*

*Front row (L to R): C. Kastel, C. Reau, B. Klanke, K. Russel, and A. Moore. Back row (L to R): S. Warner, K. George, W. McCarty, J. Schick, J. Nichols, J. Still, and Coach Pomy.*

## JV VOLLEYBALL

## Varsity Volleyball

The Tecumseh Varsity Volleyball Team finished their season second in the league with a record of 9-3.

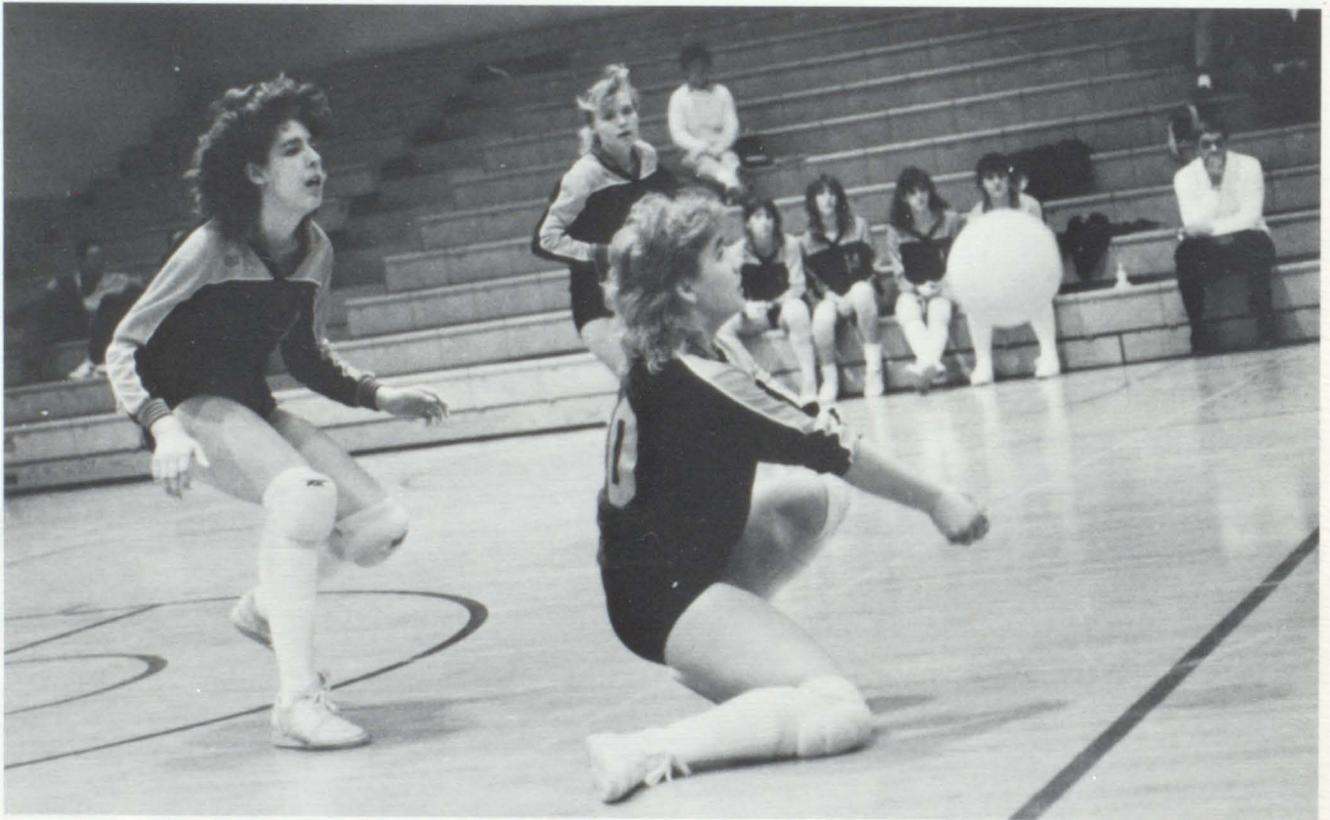

The team's captain, and most valuable player, Kelly Hartley led them in winning the County Tournament. The team came out with an overall score of 24-4, tie-

ing 0.

T.H.S. had many talented players this year. Senior Kelly Hartley was First Team in All-County, All-League, and All-Region. Jessie Raymond was first Team All-County, Second Team All-League, and Second Team All-Region. Angie Schultz was

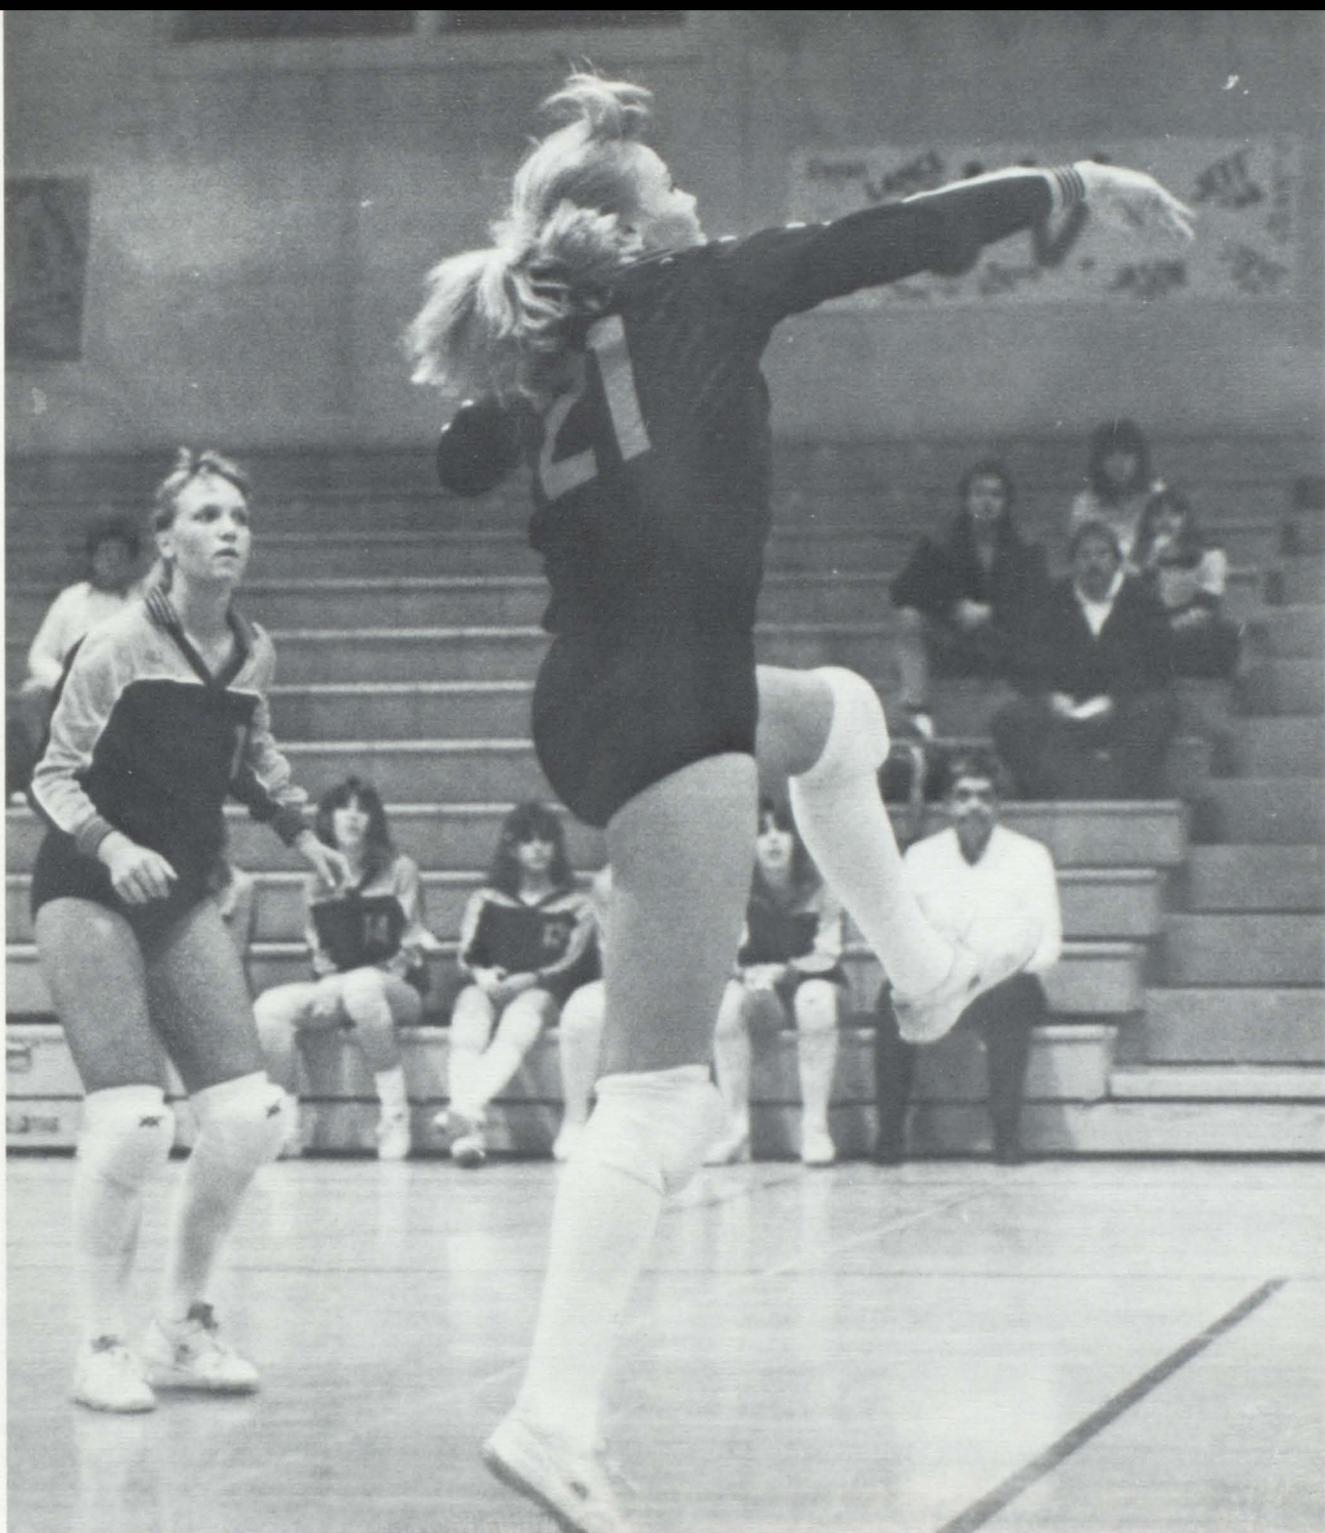

First Team All-County, Second Team All-League, and Honorable Mention for All-Region.

Tecumseh had an exceptional good team this year. Everyone contributed and stuck together and that's what made this season so successful.

## Gymnasts Pull Through Again

The Tecumseh Gymnastic team had a tremendous year with 9 wins and 2 loses. This years coach was Jane Jubenville and the assistant coach was Merritt Slusanski. This was both coaches first year in coaching a high school team.

The team in general was very close and very determined to learn new skills. This along with being

able to correct mistakes and having hard practices all attributed to the team's overall record.

Shaena Moore and Brandi Pawlowski were this years MVP's. Another leading performer was Sarah Osburn.

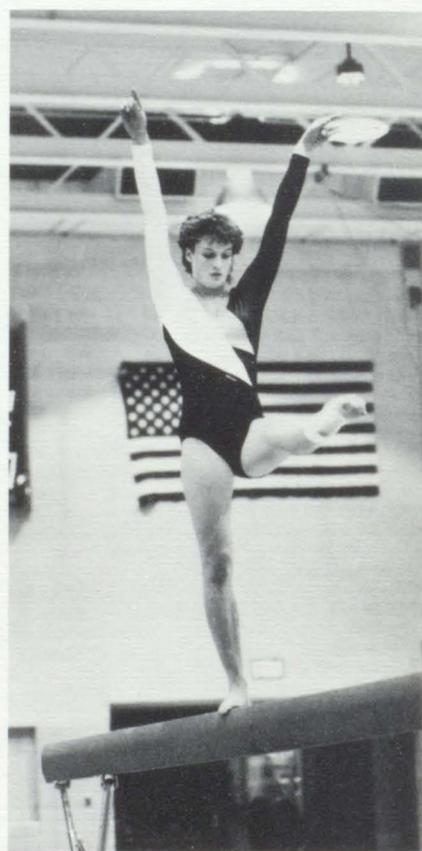

The team's biggest thrill was coming in 9th at the Freeland Invationals along with beating Hartland and winning the

Tecumseh Invationals. The teams worst moment was losing three gymnasts due to injuries in a meet against Hartland.

Although competition was good the coaches said it could have been tougher. All the girls on the team went to each meet determined to do the best they could and it shows through the 9-12 record.

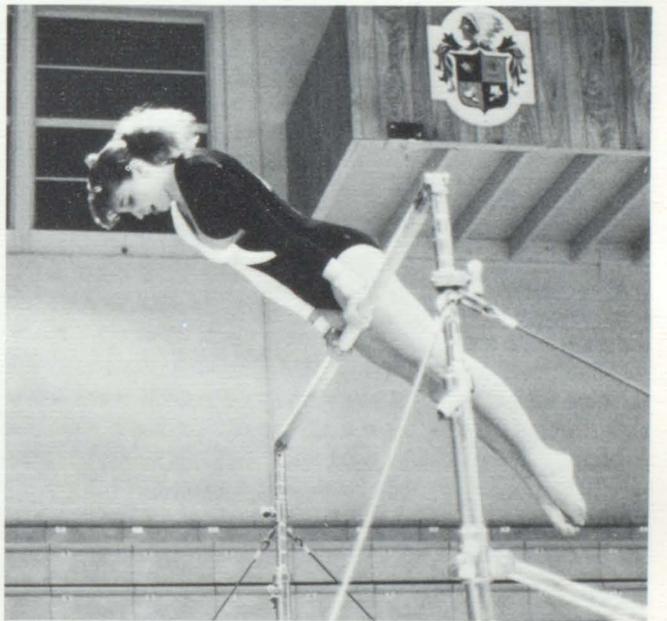

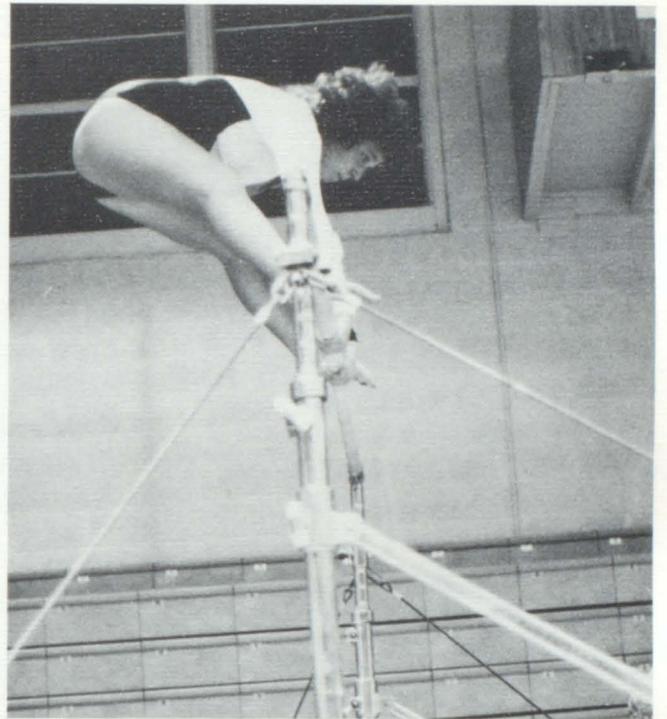

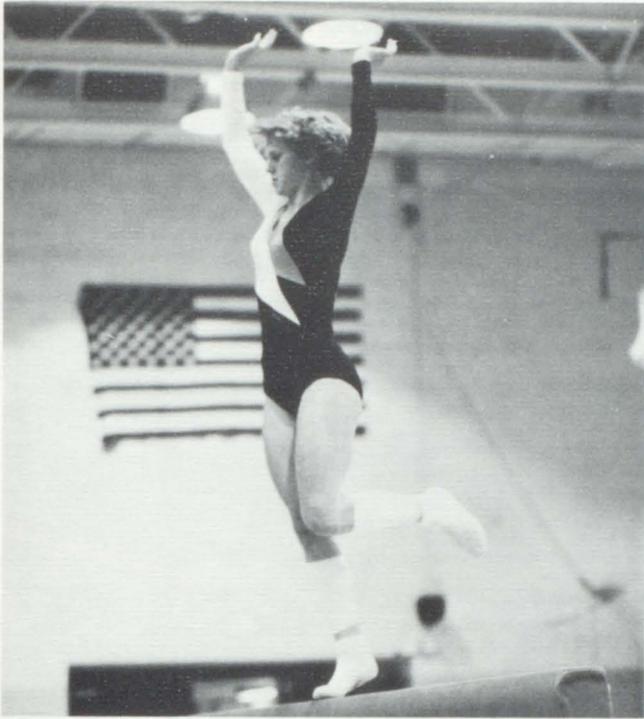

Front row (l to r) — B. Pawlowski, G. Funk, H. Hudson. Middle row (l to r) — K. Weekly, S. Osburn, L. Burns, C. Jubenville, and T. Penney. Back row (l to r) — Coach J. Jubenville, H. Hudson, M. Rapin, S. Moore, and Assistant Coach M. Slusanski.

## Grapplers Have Excellent Season!

This year's wrestling season went very well, especially for individual standings. Mark Witzke held the best record of 48-8, while Matt Papsdorf had the second best record of 25-17. Mark also had the most pins, takedowns, near fall 3, dual points, and tournament points. He also had the fastest pin of 13 seconds! Matt Papsdorf also had a good season; he held the most reversals and escapes. Tournament place winner

was Mark Witzke, 2nd at Addison Tournament, 2nd at Western tournament, 1st at League Tournament, 1st at District Tournament, and he finished 3rd at Regionals and 5th at State!

J.V. wrestlers also had an excellent season. Shawn Goody finished 3rd at Monroe tournament, and 2nd at League Tournament, and 4th at the County Tournament. Gaylon Wilkins finished 4th at the County

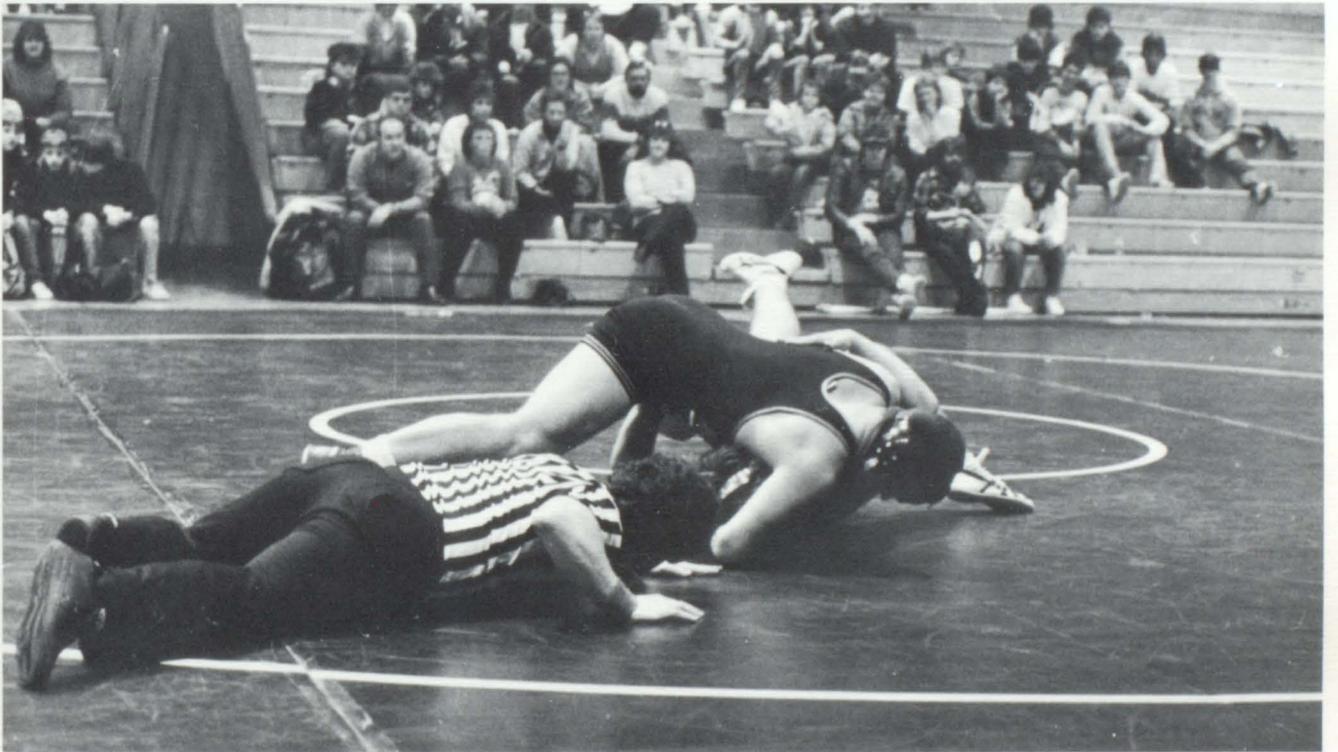

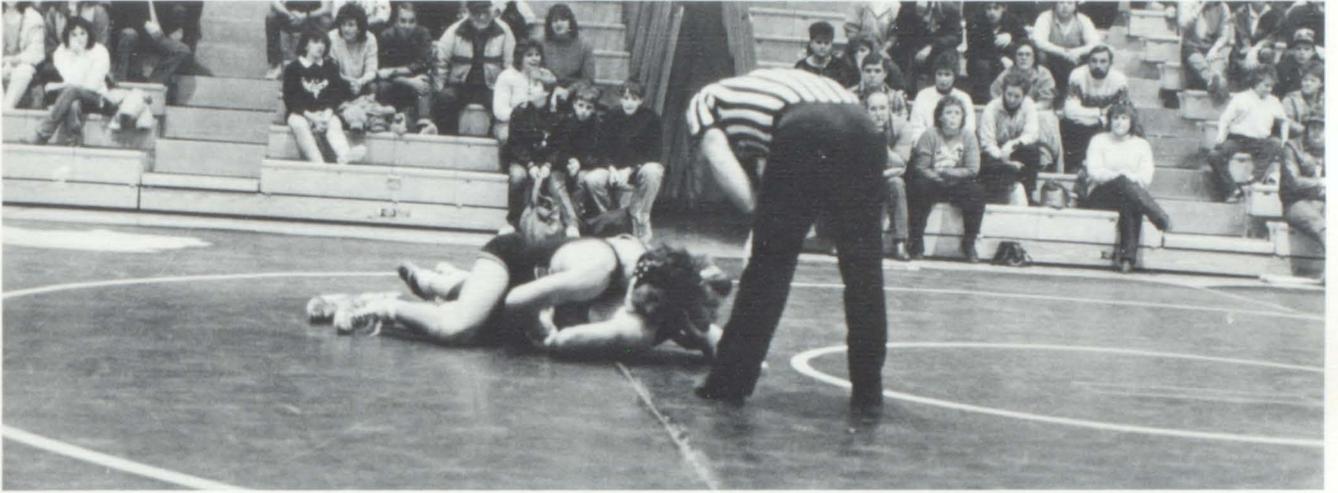

Tournament and 2nd at League. All of the grapplers showed improved skills and talent. They all tried their hardest and it showed through their season and individual records. We will all miss the excellent leadership of Mark Witzke and Matt Sussex and hopefully others have learned from them.

This year's Frosh basketball Team ended their season with a league record of 8 wins and 3 losses. Their coach, Wayne Nix, said that this team was different because they had the ability to learn a lot of different plays.

The team's greatest thrill was when they beat Saline in overtime with a final score of 58-46. Their

worst moment this season was when they lost to Adrian — twice.

The team had help from Jim Thomas who led in scores and rebounds, while Jeff Thomas led in assists and was second in scores and rebounds. The team did well by ending the season with an overall record of 12 wins and 7 losses.

## FROSH BASKETBALL

## An Improved Season

The J.V. Basketball Team ended the season placing second in the league. They ended with an overall record of 12 wins and 8 losses. The team got off to a slow start but by the end of the season they had improved as a team as well as individually.

One of the team's biggest moments was beating Saline 56-48 and when everyone scored against

Milan with a total of 82 points.

Jeff Walters led the team in scores, assists, and steals. He had a total of 215 points with a 10.8 average in scoring. Mike Faulkner led the team in rebounds with 135.

All in all the team had an improved season which will help them in the seasons to come.

*Under the leadership of coaches Don Nagle and Jim Woosly, the team had a winning season. Some impressive stats were made with Tim Ruppel's .583 batting average and Vito Aiuto, Hal Broderick, Brad Muckenstrum, and Shane LaGore each had 15 RBI's. There was also one homerun hit by Brian Haggard.*

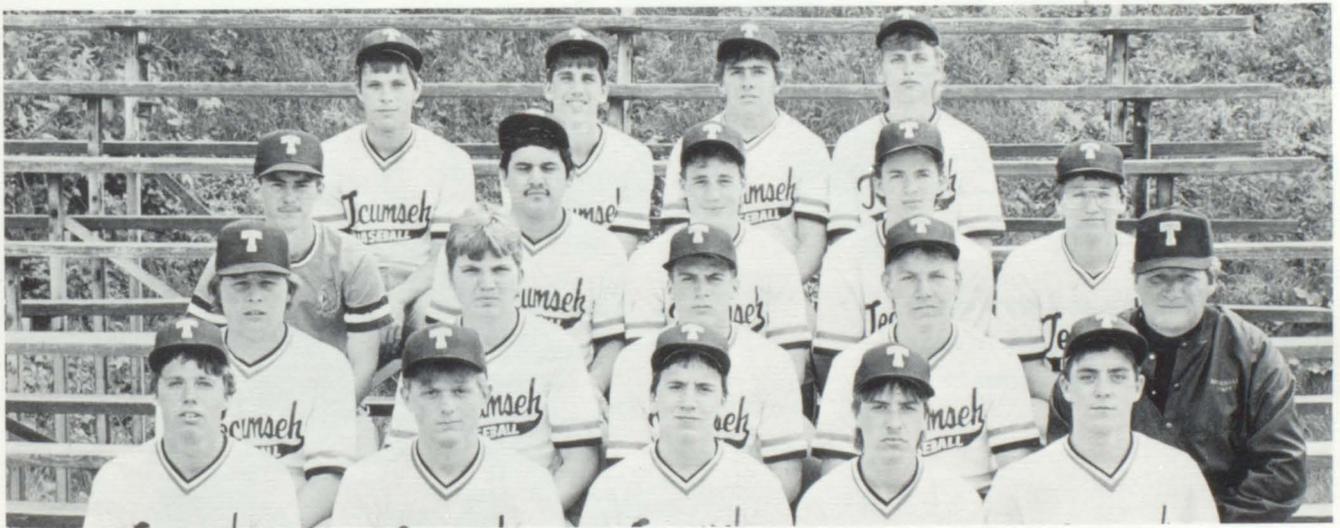

## FROSH BASEBALL

## J.V. Baseball

The Tecumseh J.V. baseball team ended the season coming in first in the league, with a score of 10-1. They also won the J.V. South Eastern Conference. Coach Rentschler credits the team as being the most talented and hardworking guys he has ever coached, and "Just a super bunch of guys."

With all the determination and hardwork shown this year, next year's team can only get better.

## J.V. BASEBALL

## Varsity Baseball

The Tecumseh Varsity Baseball Team finished the season with a record of 11 wins, 21 losses, and 1 tie under the coaching of Mr. Ondrovick. Mr. Ondrovick said, "This team was different from any other I have coached because the underclassmen that were brought up from the J.V. Team stepped in and did an outstanding job."

There were many talented players on the team. Senior John Hartley was first Team for All S.E.C. Designated Hitter and Ann Arbor News All Region Team. He also broke four school records with 26 season walks, 122 season plate appearances, 25 season plate appearances, 25 season runs scored, and 38 career runs scored. Senior Mike Conrad was Second Team for All S.E.C. Outfield. Senior Jeff Borton received an honorable Mention for All S.E.C. Outfield. Junior Darren LaGore received an Honorable Mention for All S.E.C. Infield.

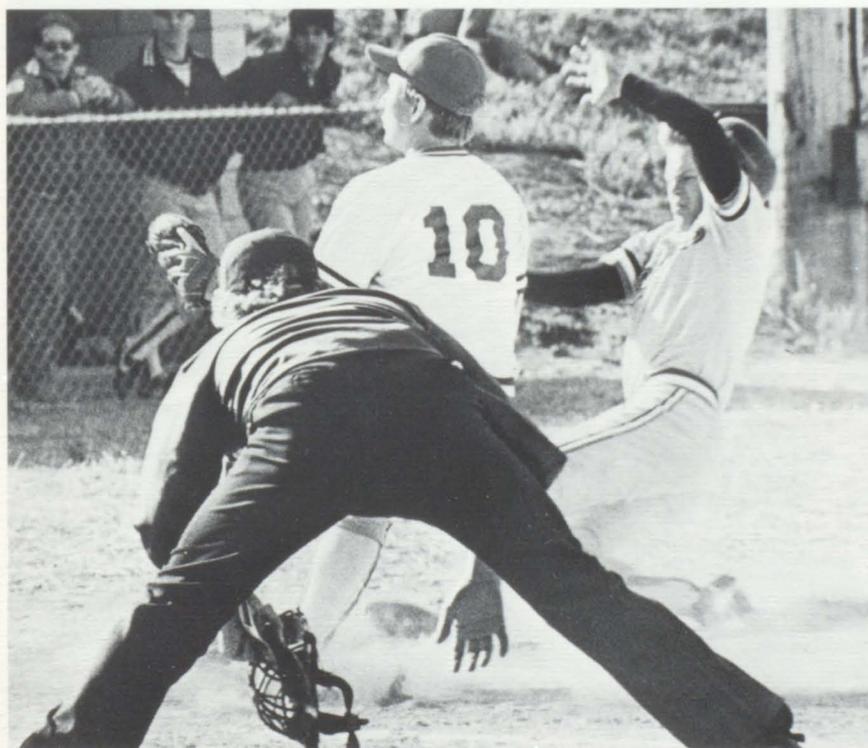

Due to the unity and hard work of the team they were able to perform at their best and achieve a great year.

## TRACK

## A Learning Season

The Tecumseh High School girl's Track Team had a learning season. There were a lot of athletes who were new and inexperienced, but improved as the season went on under coaches Ed Oxley and Steve Pike. Another setback was the over abundance of injuries that happened throughout the season.

Although they didn't win any meets within the league there were a lot of team members who improved their own personal performances. Jennifer Bechtol broke a school record in the shot-put with a throw of 36 feet eight inches. One of the teams senior's, Leah Faust, went to state for the two mile run.

The team hopes that with the experience gained by all these athletes throughout the past season they will help improve next year's team.

# We've got Spirit, Yes We Do!

WE'VE GOT SPIRIT, YES WE DO! WE'VE GOT SPIRIT — HOW 'BOUT YOU?

Who has the most school spirit? It could only be our JV and Varsity Cheerleading Squads! From the clapping of their hands to the stomping of their feet the girls have all the right ingredients for a perfect squad!

From football to basketball season the cheerleaders can be heard chanting such cheers as "the funky chicken" and "roll call".

Mrs. Gunder, their coach for eight years, takes great pride in her cheerleaders and teaches them many things. It shows — through their smiles and determination.

## CHEERLEADERS

## District Champions

Our Equestrian team is taking horseback riding seriously. This is clearly shown through their accomplishments! Becoming District Champions is hard work — but they made it! Jane Cattell, also finished 2nd in Equitation Over Fences. Competition is hard work and the team took time out to show school spirit by decorating for the Homecoming Dance.

This is a very unique team who shows talent and skill. Hopefully in the years to come the team will be as successful as they were in the 86-87 season.

THIS ONE'S FOR YOU . . .  
 Though you will not be there  
 To share the joy we face  
 In our hearts your memory lives  
 And holds its very own place  
 As we take that final step  
 On our Graduation Day  
 We hope you will know of our  
     love  
 That will never fade away  
 For friendships become so dear  
 As time passes us by  
 We learn of the joy of laughter  
 And the times we need to cry  
 And as each day comes to an  
     end  
 We always learn something  
     new  
 Friendships can be made easily  
 But keeping them is hard to do  
 You taught us many different  
     things  
 That life isn't always fair  
 But most of all to appreciate life  
 And take the time to love and  
     care  
 So John and Jeremy  
 Our friends so true  
 From our Graduating Class  
 This one's for you . . .

## As You Receive Your Diploma

When you step forward to  
re-ceive  
that all-important scroll  
It means you're one step nearer  
to your long-awaited goal.

And yet you'll never say  
good-bye  
to teachers, books, and schools.  
Life will give you new  
assignments,  
harder lessons, stricter rules.

But you'll find that your  
diploma  
will open wide the door  
of those golden opportunities  
you've been waiting to explore.

While you gather up the  
memories  
at the end of that long aisle,  
you will say good-bye to  
class-mates  
with a handclasp and a smile.

May the knowledge you have  
gathered  
keep you on the winning side  
as you proudly face the future  
with confidence and pride.

## Class Night

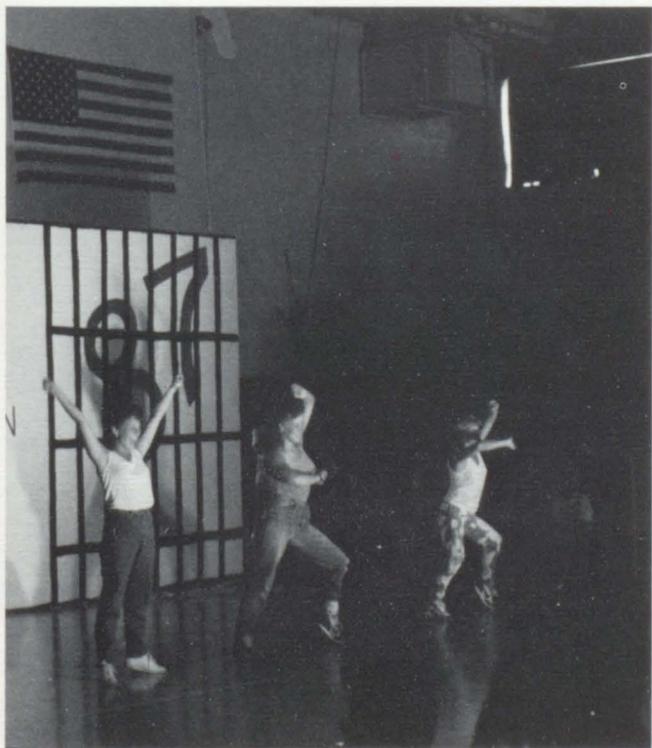

Class night 1987 went quite well this year. It showed a lot of imagination and creativity. Wheel of Fortune was performed with Jeff Clark as Pat Sajak, and Heidi Kuhman as Vanna White. Answers to the puzzles were Maximum Security, prison, and graduation. Kim Furstenburg, Jill Nicholson, and Vicki Ridgeway danced to the song "Jack Your Body," and Michelle Harvey, Vicki Anschuetz, Patty Gomez, and Paula O'Dell performed to "Hide and Seek."

Wayne Hanson played one of his original songs.

A group of senior guys sang and danced to "Jail House Rock," while senior girls performed "Rumors."

The night was ended with a slide show while the class song "Long Time;" by Boston was being played.

## Class History 1987

*The Senior class of 1987 has had an eventful four years here at THS. Under the supervision of Mary Forgacs, we've had a great many laughs and shed a few tears. Altogether we've made ourselves "The class with class."*

*As freshmen, we were new and fresh and bursting with ideals. We struggled through Basic Soc, Locker coms, and broken romances. Homecoming was an exciting experience and we were proud to have Michelle LeVeck as our representative.*

*As Sophomores we ventured on to Health & Careers and new found leadership over the freshman. We became acquainted with Mr. Hornsby, our "new" security guard. Our Homecoming representative was Kris Patten.*

*As Juniors we were anxious to be "leaders of the pack." We had our magazine sales and set records. We took our Junior bike trip to see the Tecumseh landmarks, and at Homecoming we were represented by Kathy Henning.*

*Seniors! A happy and sad occurrence. On October 12, 1986, we were struck with disaster. One of our dear friends, Jeremy Knotts, was taken from us in a car crash. The entire class of '87 mourned his death. Our Homecoming representatives were; Kris Patten, Kathy Henning, and crowned queen was Vicki Ridgeway. We held class night about "prison life" and cried as we held each other in the gym. Good-bye class of '87!*

*Let's get this picture over with and get back to work.*

## **Editors Note**

*As we look back on the 1986-87 school year, THS students made many decisions and goals. Some of these decisions have been printed throughout the book. The yearbook staff hopes we have captured these decisions the best we could.*

*We would like to thank the staff for their hard work in helping put together 1986-87 edition of the Anath. Special thanks to the editor of each department: Genu Rebattaro, Tif Winzeler, and Amy Pramstaller. Also thanks goes to our advisor, Mrs. Messerly. This was Mrs. Messerly's first year as yearbook advisor . . . She worked hard, long, hours to help us produce the best yearbook we could. When things were tough she led us through with flying colors. Thanks again and also to the student body for providing us with memories and pictures contained in "Decisions to Make."*
