## Bring On the Fun

It is a week of fun, games, and as many people found out, no time. This week is one of the busiest and most anticipated weeks of the year. Whether it's Powder Puff football, or helping to build the floats, there just doesn't seem to be enough time for everything.

The week began with dress-up days. Monday was Sweatsuit day; Tuesday, Concert/College T-shirt day; Wednesday, Old Fads/Jr. High day; Thursday, Opposite Sex day or Twins day; and Friday, Class Colors. For the first time ever, Hat day was all week.

The evenings started out with a 4 on 4 Volleyball Tournament on Monday. The team of seniors: Brenda Roesler, Ricky Smith, Reade Rohn, and Brad Underwood came out on top. Wednesday brought with it Powder Puff Football. The Seniors dominated the game, first beating the Freshmen, then the Sophomores in the final game.

Finally, Friday came. They had been working hard on their floats all week, and each class proudly displayed their floats in the parade. The merchants then observed them and voted the seniors float, a volcano erupting onto a pirate ship, the best. The theme chosen for the floats was natural disasters.

The pep rally, which was held before the parade, was also a success. Instead of Mrs. Nancy Fisher announcing the events, temporary announcers Seniors Matt Sebring, Nate Murphy, and Garrett Roe took her place. The Seniors also defeated the Freshmen and the Juniors in the ever popular tug-of-war, which is held annually.

During Opposite Sex/Twin Day, Senior Adrian Doerr demonstrated his class spirit by dressing as the opposite sex. "I enjoyed cross-dressing for a day. Hopefully we'll have more days like this one," he commented.

The Saturday before Homecoming week began, the Art Club was already hard at work on painting the downtown windows. The windows are judged every year by the Art Club officers. This years theme, stemming away from the floats Natural Disasters, was TV shows and movies. The group led by Catherine Menyhart came in first place.

The Class of 1996 is victorious once more! Their volcano float, entitled Indians Erupt in Victory, placed first in the competition which is judged annually by the downtown merchants. Many students spent late nights at the bus garage helping to build the floats. The Freshman/Sophomore float placed second, while the Juniors came in third.

While working attentively in the computer lab, senior Larry Reau shows off his school spirit during the first ever Hat Week.

"Wow, I believe Homecoming was spectacular this year, although we are a spectacular class."

## Bringing Out The Best

It's Friday night. The air is cool, the sky is clear, and the trees are showing the first signs of fall. It is just becoming dusk as halftime begins.

The floats that had been judged earlier are steadily rolling across the field, showing everyone what each class had achieved during the week. Finally, the Royalty is driven around the field, stopping in front of the stands to be let out in a neat row. Once the Royalty is in place, last year's King and Queen, Josette McWilliams and Mark Steiner, are let out in front of them. Mark walks around in back of the Royalty, teasing a bit. Finally, he stops behind Ricky Smith and crowns him King. 'Thank you for nominating me as Homecoming King. It was a fun and exciting experience and it was an honor to represent the class of 1996,' responded Ricky. Then Josette walks around teasing like Mark did, and crowns Gloria Campbell Queen. 'Being Homecoming Queen was both a surprising and memorable moment I will never forget,' Gloria exclaimed. The crowd applauds as the King and Queen, as well as the rest of the Royalty, are escorted to their cars and driven off the field.

The remainder of the Royalty are as follows; Seniors: Roy Harnish, Sara Saksewski, Tamar Mishigian, Joe Haeussler, Ryon Heath, and Kris Hoag. Juniors: Ronee Schlegel and Scott Bailey; Sopomores: Rachelle VanZandt and Jay Rhodaberger; and Freshman: Andi Pieh and Tanner Hamilton.

Newly crowned Homecoming Royalty, Ricky Smith and Gloria Campbell, pose for the traditional pictures during half-time of the Homecoming game.

# W e l c o m e t o t h e J u n g l e . .

It's Friday night. The roar of the crowd hits your ears with such force, you're sure you won't be able to hear the next morning. The air is electric with anticipation...and you're not even in the gym yet! You enter the gym and make your way into the stands just in time. The crowd erupts as the sound system blares with an opening guitar riff...

"Welcome to the Jungle,  
We've got fun and games..."

Every nerve in your body tingles as the team bolts from the locker room, around the gym and starts their warm ups. After you're sure that your voice and ears can take no more...

"For tonight's starting line up..."

The Jungle turns around and "Who cares", or reads the newspaper during the announcing of the opposing team's starting line up, until the moment...

"And now for your Tecumseh Indians. Starting at guard..."

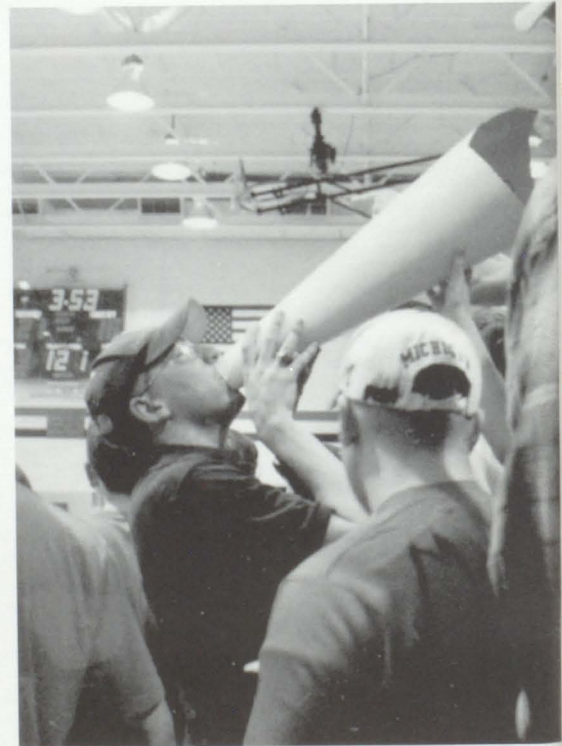

Soon the game will start. For the next 2 hours you'll laugh, scream, and yell at the refs (as much as Mr. Schmidt will allow) along with 200 other crazy teenage fans. And, by the good graces of the cheerleaders and their funds, you can even come away with some really cool little souvenirs like megaphones and mini-basketballs.

Every winter the northwest corner of the gym, or The Jungle, cheers its Indian basketball teams on to another victorious season. The Jungle began in 1989 as "Jeff's Nest", and has quickly grown into a tradition that most students here at THS can associate themselves with. During the 1993-94 basketball season, the Jungle Committee was established by the Senior and Junior classes, and presided over by President Ron S. Burley. This year it was taken over by Kevin Kintner. With their support, theme nights that were introduced earlier were carried on, like Toga Night at the TICWISS game, Camouflage, Pajama, Orange and Black, and Beach Nights. This year, The Jungle retained its title as the Ann Arbor News Best Student Section, and is revered by S.E.C. and non-league coaches everywhere. Truly this is THS at its finest.\*

# Christmas Dance

## A Christmas Carousel 1995

The lights were dim, and the music...well, the music was really loud! Early in the evening people were beginning to filter in after their dinners and most guests are busy milling around to see who else had arrived. Everyone was spiffed and looking great, and, for good reason. This was a gala event! The 1995 Christmas Dance had finally arrived. The air was charged with energy. It was a night for couples to cuddle up close to one another, for old friends to spend some quality time together, and to meet new people. For the new freshmen coming in, it was an evening of first time excitement. On the other hand, for our Seniors, there were some mixed emotions; this was their last Christmas Dance as students here at T.H.S. For Seniors, Freshmen, and all classes in between, it was a magical and memorable evening for all those who attended.

# TICWISS

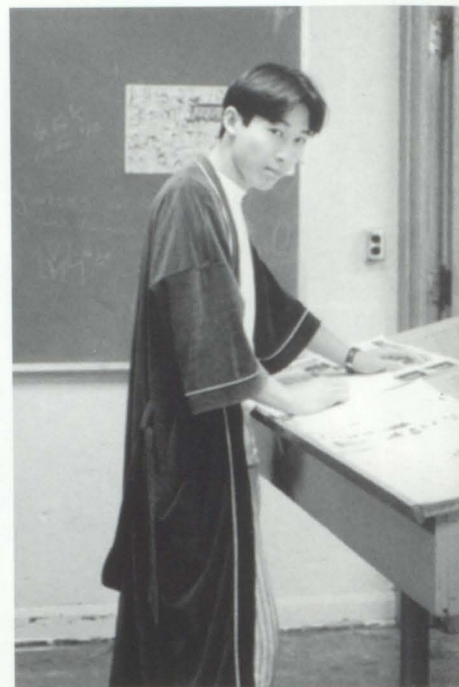

## Keeping The Season Alive

There is snow on the ground, a crisp chill in the air, and hearts decorating every storefront. You guessed it! It's time for TICWISS once again. TICWISS, Tecumseh Indians Celebrate Winter Intemural Sport Season, lasts for one week in February, during which many competitions are held, starting with the Dress-up Days.

Monday was Pajama Day, Tuesday Country Western, Wednesday Insideout Day, Thursday Beach Day, Friday was the annual Toga Day, and, continuing in the new tradition started during Homecoming, hats were worn all week. Wednesday also brought with it the 3 on 3 basketball tournament. Many participated, but the Senior team of Jake Danley, Brent Puffer, Chris Barrie, and Pete Garcia won it all.

They weren't the only Seniors to win, though. The whole Senior class won with 378 points for the week, trailing a couple of days to the Sophomores, but coming through in the end. Sophomores came in second with 288 points, Juniors third with 220, and Freshmen last with 163 points total for the entire week. Also during the week, all of the classes participated in decorating the wall behind their seats in the gym.

Participation is the key to TICWISS. Senior, Khang Tran, shows his support for his class during Pajama Day.

The seniors once again 'pull' their way to another victory. It was a tight race all week, but the Seniors prevailed with 378 points. The Sophomores were close behind with 288 points, followed by Juniors, and finally Freshmen.

Gloria Campbell

One of the events during the pep rally was to saran wrap a Varsity Basketball player then carry him over to the other end of the gym and unwrap him. Here Sophomores West Marble, Chad Gittus, and Erin Lips, had the opportunity to wrap Senior Scott Orley.

One of the longer lasting activities of the TICWISS pep rally was a lively game of Twister. The Seniors were not lucky enough to win this event. The Freshmen took first that time.

Like Homecoming, TICWISS has it's Royalty, only now it's a lot colder and a different year. After an exciting first half of the Tecumseh versus Pinckney basketball game, the TICWISS Royalty are proudly escorted out onto the court for the capacity crowd to see: Freshmen Derek Cunningham and Laura Chambers, Sophomores Lindsey Roe and Joel Schick, Juniors Katie Emery and Doron Eisenschier, and Seniors Khang Tran, April Dinius, Elizabeth Hunt, Bryan Ely, Brenda Roesler, Matt Sebring, Michelle Marcinkiewicz, and Andy Waltman.

This year's Homecoming King and Queen, Ricky Smith and Gloria Campbell, were chosen to crown this years TICWISS King and Queen. Ricky carefully takes the crown and, after a few moments of teasing, places the crown on the head of Bryan Ely. Then Gloria, with the other crown, quickly walks over to Elizabeth Hunt and places it upon her head. The crowd applauds and, after many pictures, the newly crowned King and Queen are escorted off the floor with their court.

The band plays while the teams warm up, and half time ends. The Indians went on to a fantastic win over the Pinckney Pirates, once again proving the strength of the infamous Jungle.

# Pep Rallies

## Pump Up The Players

As you enter the gym you hear the band playing, the crowd screaming and the cheerleaders cheering, as the varsity players make their way through the gym. The excitement of the day before the big game brings students and athletes together in the school gymnasium to cheer on the Varsity players. The excitement of the crowd and the cheering of the fans fills the air as our Varsity players run out wide-eyed and ready to go!

Each year the pep rallies are getting much better and now its starting to pay off. Each week more kids are getting more involved in games, music, and cheering. Junior Simone Jaynes said, "I think the pep rallies have become more exciting for the teams participating because the student body supports the team more."

"This year THS has had a lot of school spirit, and the pep rallies along with the student body participation really pepped up the team," said Sophomore Katie Burrows.

"In the beginning the pep rallies were boring, but then they got fun. I wish that there were more pep rallies before games, and that they lasted longer," commented Freshman Beth Webb.

Practicing for their performance of "Ash Kitty Kitty", this Pep Rally the most memorable. "It was a great time teaching the player's this dance," said Senior Kele Schmidt.

## Pump Up The Volume

*There was great music, hand stamping, and ID checking. Does any of this sound familiar to you? If it doesn't, you didn't come to many THS dances, did you?*

*When you walked through the doors, you heard music playing and people talking. After you waited in line for a few minutes, you walked through the cafeteria where you felt a rush of energy.*

*When asked to comment about THS dances, Junior Diane Krzemien answered, "I didn't go to many, but the few I went to were all right."*

*Dances were great fund raisers for school organizations and clubs. The dances generated money to support student activities while everyone had a great time.*

*'Even though attendance at the dances has become less and less, the D.J.'s and energy are still great. I enjoy being with my friends and just having a good time,' said Junior Andrea Oatman.*

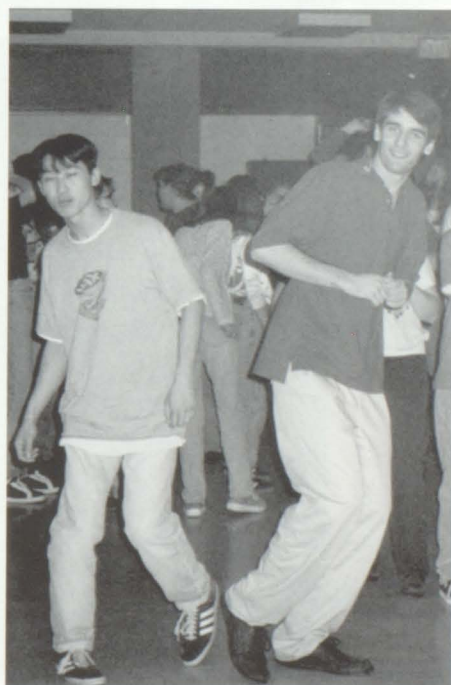

*There are not many people that attend the dances anymore, but the few that do support them make them a successful hit.*

*'I thought they were boring until I actually started dancing, then they became more enjoyable,' commented Senior John Roof.*

*Students from all the classes had a great time at the dances this year, whether they socialized, danced or just hung out with their friends.*

## Magic at Midnight

On Saturday, April 27, the 1996 Junior and Senior Prom was held. The special event took place at the Tecumseh Products Union Hall.

The theme for this year's Prom was "Magic at Midnight". The Prom started at 9:00 p.m. and lasted until 1:00 a.m. Kevin Trickey took photographs to capture the special memories of this wonderful event.

"I thought it was really cool seeing everyone dressed up. The decorations were really nice. I think the Junior class did a great job," said Junior Amanda Palmer.

Later the night, the Prom King and Queen were announced. When couples first arrived, ballots were handed out to each individual. Crowned Queen was Holly Wriska and King was Ben Rapin.

A special candle with glitter inside was given as a remembrance of the Prom. Another special event that was offered for couples was a "horse and pumpkin" carriage ride.

"It turned out to be an unforgettable night, and the best it could have been in Tecumseh," said Senior Sara Saksewski.

## Time to Relax

What do you get when you mix food, gambling, and jousting? This year's After Prom! The After Prom went from 12:30 a.m. to 3:30 a.m., and is sponsored by the parents as an alternative to going out and drinking after the Prom. It is open to anyone attending Prom, along with any senior who wishes to go. The gambling tables set up in the Cafeteria, including poker, blackjack, roulette, as well as others, proved to be quite popular. There was an opportunity to win several prizes, the largest being a 30" color T.V. Along with this contest, which was open to everybody, there was also a separate contest open only to seniors.

The theme of After Prom was "Rock-N-Roll Soda Shop", and was decorated accordingly, complete with a juke box. "The decorations were really great and the juke box was a nice touch, but it would have been more authentic if it was filled with oldies instead of country music!" said Junior Nicole Porter.

## And The Amazing Technicolor Dreamcoat

This year's major production put on by the Tecumseh Youth Theater was *Joseph and the Amazing Technicolor Dreamcoat*. Over 70 students from THS and other Tecumseh Schools participated in the show, either in major parts, dancers or as members of the chorus. The show ran for 3 nights after weeks of practices.

*Joseph* is set in the age of Pharaohs in ancient Egypt. The actual story is based on several chapters of the old testament of the Bible, pertaining to Jacob and his many sons. In the story, Joseph, played by Justin O'Niell of Onstead, is sold into slavery. His master is played by Tom Bush who also acted as an Elvis like singer and an old man. Joseph has dreams that he should have a more important role in society, or be of a higher class. In the end, his dream comes true.

*Joseph* was a huge hit and the community is looking forward the TYT's next performance, as are many aspiring actors and actresses at THS.

Playing a cross between the King of the Pharos and the "King" Elvis Presley, Junior Tom Bush hams up his part. In the back ground, Senior Ryon Heath dances.

The Senior class officers this year were Kelly Bunch, Elizabeth Hunt, Alex Schnieder and Amy Hamilton, who is not pictured. The advisor of the Class of 1996 was Mrs. Paula Bowman. The officers, along with Mrs. Bowman, organized many successful events including the Christmas Dance and Class Nite. The Senior Class of 1996 would like to thank our Freshman class advisor Mr. Fred Herman for getting them started, and Mrs. Paula Bowman for guiding them the past three years. Her leadership, support and involvement was instrumental in their class achievements and successes and greatly appreciated by the entire Class of 1996.

*Joshua Robert Otter*  
*May 6, 1978 ~ August 27, 1995*

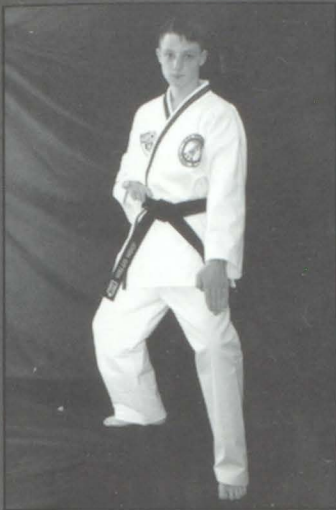

*Josh Otter was a great friend. I will always remember him for his sense of humor, positive attitude, and being there whenever he was needed. From knowing Josh since kindergarten at Patterson I know without a doubt that if there was one thing he would have wanted to do it would be to enjoy our Senior year here at THS and to share all the fun. During the good times and bad, it just won't be the same without Josh. We all miss him and always will. All the memories you have left of yourself will always be with us.*

*Sincerely,*

*Brent Puffer*

*P.S. Josh, thanks for everything.*

*When someone is gone  
we make them live on  
Through our memories,  
and our sorrows we share for them.*

*They live on in spirit,  
they are with us in every way  
They will be walking down that aisle,  
with us on graduation day.  
The thoughts of them are cherished,  
because they meant so much  
They will never be forgotten,  
because they are part of us.*

Bret Maynard and Zach VanSickle urge others to support Tecumseh's bus drivers during the protest in front of the Board of Education Building.

Gloria Campbell

In April, Tecumseh Schools bus drivers went on strike, protesting the privatization of the busing system. Many of THS's Seniors, despite the fact that they did not ride the bus, braved the cold temperatures, high winds, and the possibility of In-School-Suspension or guided studies to protest in front of the Board of Education in support of the bus drivers. Some of them were even interviewed by Toledo's Channel 13 news reporters and were aired on the 5 o'clock news.

Amy Cox and Emily Walker braved the cold to rally with their fellow Seniors.

## Going Above and Beyond

In all of our rush to include sports and extra curricular activities into our schedules, we often forget that the whole point of school is to learn. The students on these two pages have not forgotten that fact and have worked to be the best they can be academically and in the area of community service. All too often we only acknowledge the star athlete, and the star student is overshadowed. We would like to salute those students who continued to strive for academic excellence, while still including their extracurricular activities.

### H.O.B.Y.

Courtney Hoover was this year's Hugh O'Brian Youth Foundation Ambassador. She represented THS at a leadership seminar hosted by the foundation. The foundation was created to seek out, recognize, and reward potential leaders among high school Sophomores. Locally the foundation is funded by the Tecumseh Kiwanis Club.

Stephanie Catros was chosen as the Ambassador Alternate.

### D.A.R. Good Citizen

Elizabeth Hunt was chosen as Tecumseh's winner of this year's National Society of Daughters of the American Revolution good citizen award. Established in 1934, the goal of D.A.R. is to recognize and encourage outstanding young people in the pursuit of leadership, dependability, service and patriotism. The recipients of the award from Tecumseh, Britton and Clinton were presented with a pin and certificate at a dinner held to introduce them.

# Band

## *A Note Above*

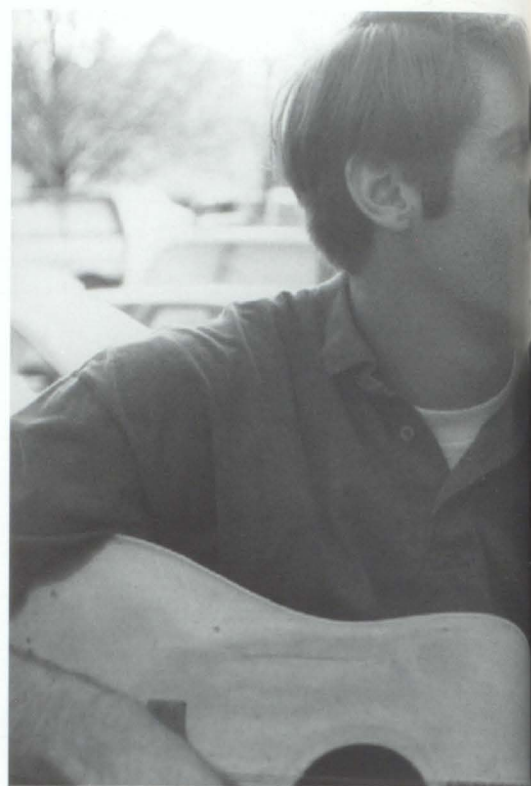

This year's band presented many fantastic performances throughout the year, including the Christmas Concert with the chorus, a spring concert, and they made a trip to Washington D.C. to perform on the capital building steps.

Sophomore Amanda Naugle said, "Being a part of the band is a great learning experience, we are given many opportunities to show our talents." This attitude is shown by many other band members that believe band is a good way to develop their playing skills.

The THS band is made up of a wide variety of students who want a way to express themselves, which is done by playing an instrument.

The THS band was able to entertain the student body throughout the year. They gave inspiration to our sports teams and they put hard work into what they do. They also put together a special jazz band which was very successful throughout the year. We hope the band will remain as great in the years to come.

# Chorus

## *Singing Their Praises*

This year the chorus at THS was made up of a wide variety of singers who truly love what they do. To become a member of the chorus each student had to have an audition with Mrs. Hunt, the chorus instructor.

Most of the students who chose to audition for the chorus did become members. After becoming part of the group they had to go through many weeks of practice. All of the practicing did pay off in the end because the chorus was able to put on many successful

performances.

This year the chorus put on several concerts. The first performance was combined with the band for a spectacular Christmas concert. They also performed in the Collage Concert in May. Many of these concerts were made extra special by soloists Kristi Tiede and Andrea Oatman who put on great performances.

After the building of a wonderful, new chorus this year, there are sure to be many more successes in the future at THS.

# Foreign Exchange

## Experiencing the Differences

NAME: Christine Burtcher  
COUNTRY: Austria

Christine missed many things from her home in Austria, but most of all, she missed her friends.

Although Christine's favorite food was tacos from Taco Bell, she thought that we Americans eat too much fast food.

NAME: Mario Bedeschi  
COUNTRY: Venezuela

Mario was thrilled to be in the United States. His favorite activity was body conditioning, while his favorite class was English with Mrs. Kastel.

When Mario returns to Venezuela, he says he will miss the easy, small town life, unlike his large home town.

NAME: Carolina Chaves  
COUNTRY: Colombia

Carolina was very happy to be able to visit Tecumseh this year. She liked most things about our town, but Homecoming and football confused her. She didn't understand why we dressed up everyday of the week.

Some of Carolina's favorite things about the United States were pumpkin pie and Art and Design.

Carolina Chaves, one of our many foreign exchange students, enjoyed painting windows at this year's Homecoming.

Bonnie Belleau

Bonnie Belleau

NAME: Dario Castro  
COUNTRY: Brazil

Since moving to the United States, Dario had a chance to experience a lot of new things. Some good, some bad, and some strange. Some things that Dario experienced that he liked were: pizza, Paint Ball, and Mrs. Kastel's English class. One thing he thought was really weird was Halloween.

NAME: Cornelia Andre  
COUNTRY: Germany

While Cornelia missed her family tremendously, she enjoyed staying with her host family. This was what she said she was going to miss the most when she returned to Germany.

NAME: Stefanie Kampmann  
COUNTRY: Germany

German bread, friends, and late curfews are just a few of the things Stefanie missed most about her home town in Germany.

Some of Stefanie's favorite American foods were muffins and apple pie.

NAME: Gulzat Jetibaeva  
COUNTRY: Kyrgyzstan

Gulzat has enjoyed many things she would not have been able to experience if she were not in foreign exchange. For example, Gulzat liked American football, pizza, her host family, and her American friends.

NAME: Christoph Geering  
COUNTRY: Switzerland

Christoph missed his girlfriend the most while he was here in the United States. He also missed the large amounts of teens that lived in his home town in Switzerland.

Christoph said that when he returns to Switzerland, he will miss his host family and new friends the most.

# Cross-Age Tutoring

## *Bridging the Age Gap*

Cross-Age tutoring is not only about teaching younger children, it's also a program about sharing, caring, making new friends, and being a great role model.

This program is unique because it allows one on one experiences with adorable children. Cross-Age is only for Juniors and Seniors who get to help out at the elementary schools and the middle school.

Each tutor gets to select their class. The second year people get first choice. From there the learning and fun

begins. Each tutor is required to do projects with their classes. The most exciting project is the Cross-Age exchange day. On this day one or two children from the tutor's class gets to visit the high school for one whole day. This provides an educational and enjoyable experience for everyone.

Being a Cross-Age tutor requires a lot of responsibility. Knowing you have helped make a difference in a child's life is a great feeling!!

# Vo-Tech

*Learning Skills For Tomorrow Today*

The 1995-1996 Vo-Tech school year had a lot to offer it's students. Some of the classes that were offered were Building Trades, Electronics, Auto Mechanics, and Graphic Design, along with many others.

In the Building Trades class students learned how to do electrical work, masonry, dry wall, and eventually the students

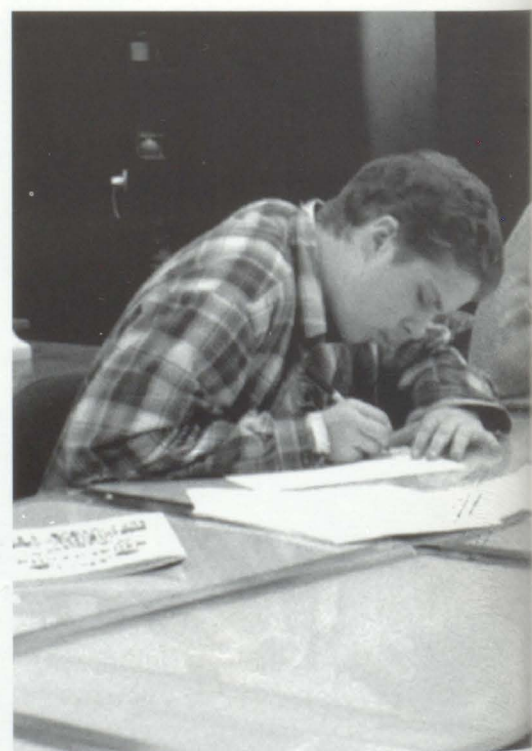

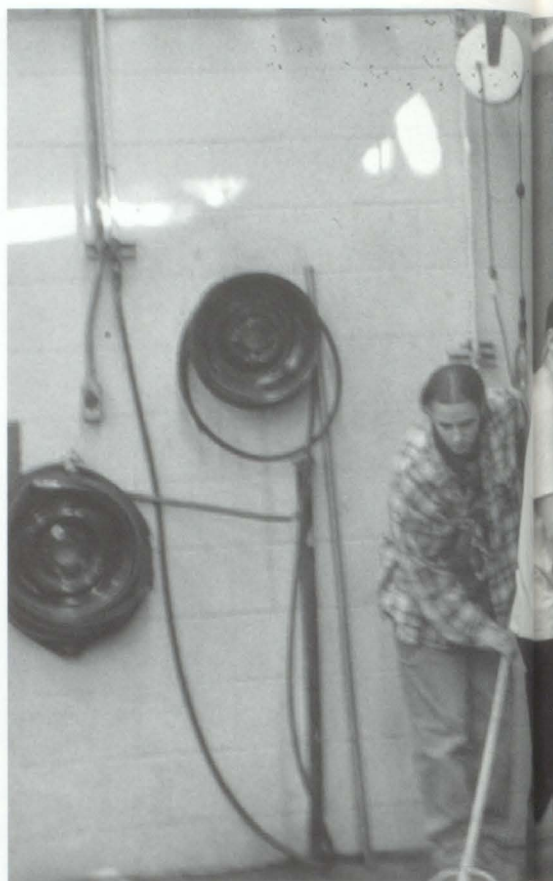

built their own practice house. In Auto Mechanics students learned how to work on cars, and how build their own engine in the advanced class. The Electronics class made their own power supply and their own amplifier for their car stereos. Graphic Design students used computers to make signs and could even make their own t-shirts.

# Yearbook

## Anath

While Yearbook may appear to be a blow-off class to some people, anyone who has worked the long hours to produce a yearbook can tell you it's not. It takes a lot of hard work and dedication to create a publication of this size. Good computer skills in desktop publishing and typing are needed, along

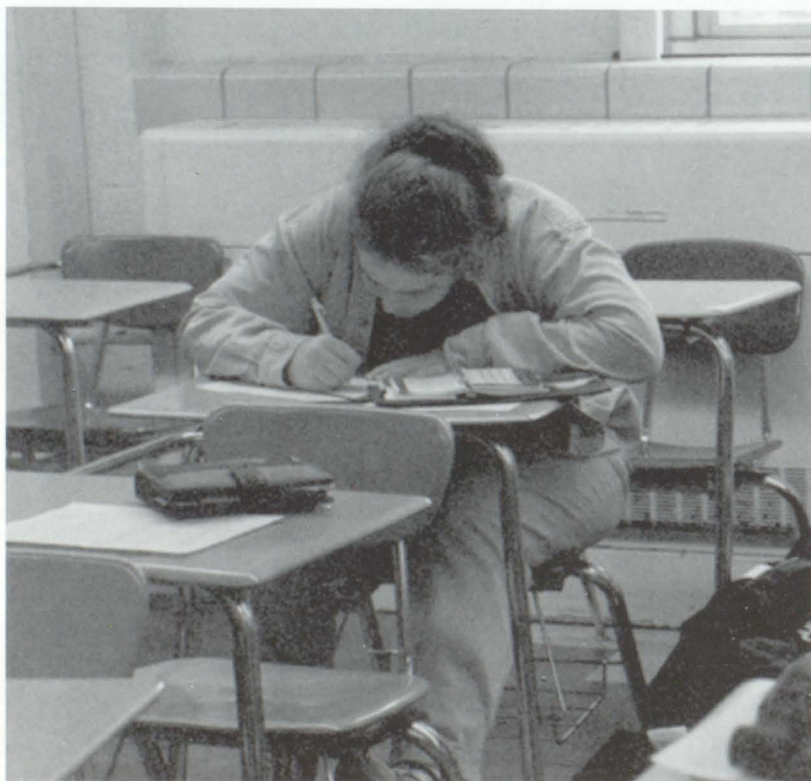

with the ability to write stories and captions to help students better remember their Tecumseh High School experiences. The ability to motivate yourself and others is also an important quality needed.

This year's Anath staff worked extra hard to make the book more user friendly and attractive.

## *Tribune*

This years THS Tribune staff had a hefty job to do: to inform the student body of upcoming functions at the school and in the area, to report on past events at school, and to entertain.

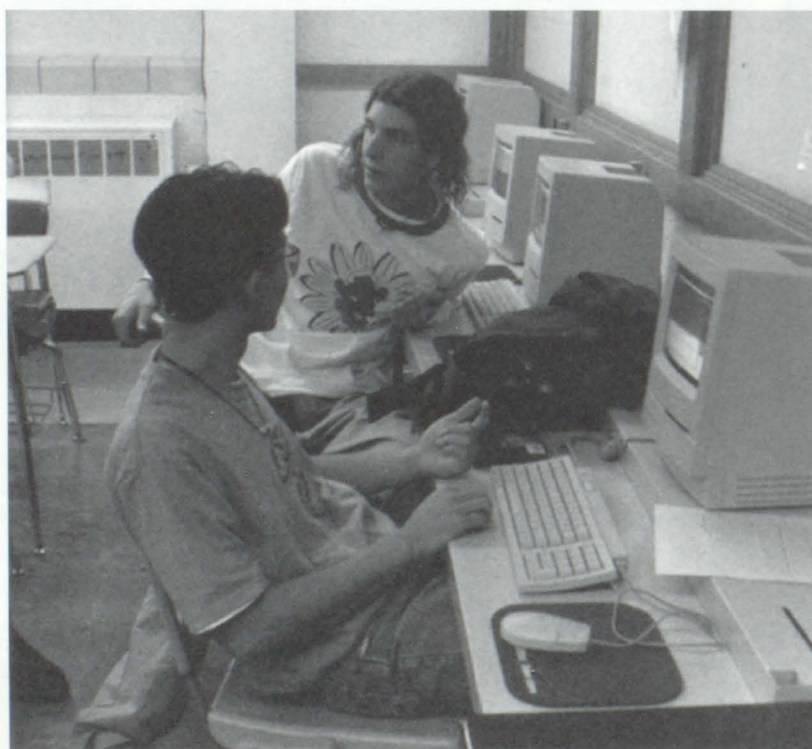

After not having a school paper last year due to a lack of students interested, many members of the student body looked

forward to the first issue of the paper, put out after Homecoming. This year's advisor was Mrs. Susan Marble and the editors were Andrea Garcia and Angela Jacobsen. They were aided by several section editors and Business Manager Amy Cox. Overall, the Tribune staff did a very good job.

# Art Show

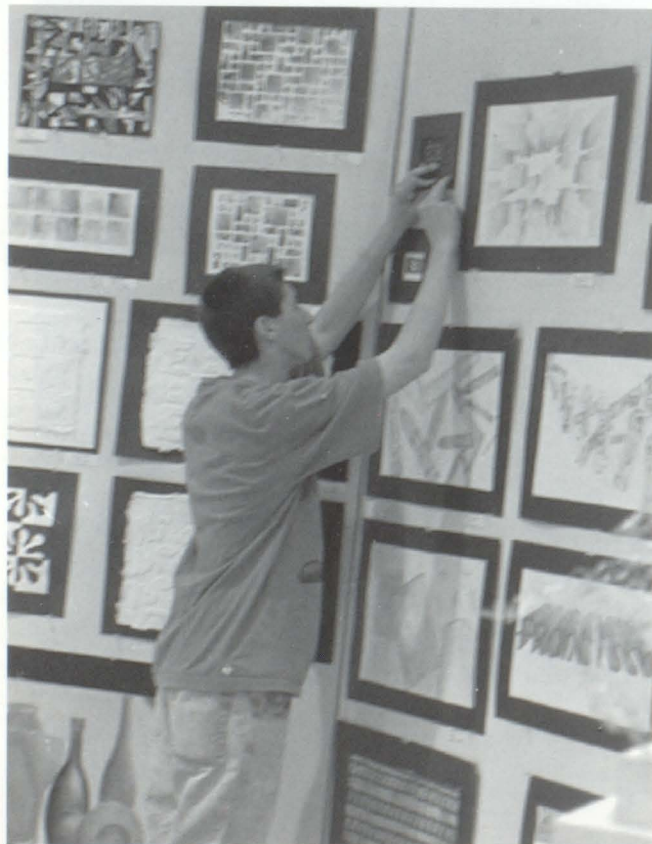

## *You Gotta Have Art...*

"I wish I could do this," commented Sophomore Maureen Hornsby as she viewed the art work in this year's Art Show. Projects of all kinds were displayed in the gym by numerous classes including Drafting I-IV, Art and Design, Ceramics I & II, Drawing I & II, Studio Art, Sculpture I & II, Jewelry I & II and Advanced Placement Art. Most students enjoyed the time spent viewing the many projects. Junior John Wertz stated, "It's very cool

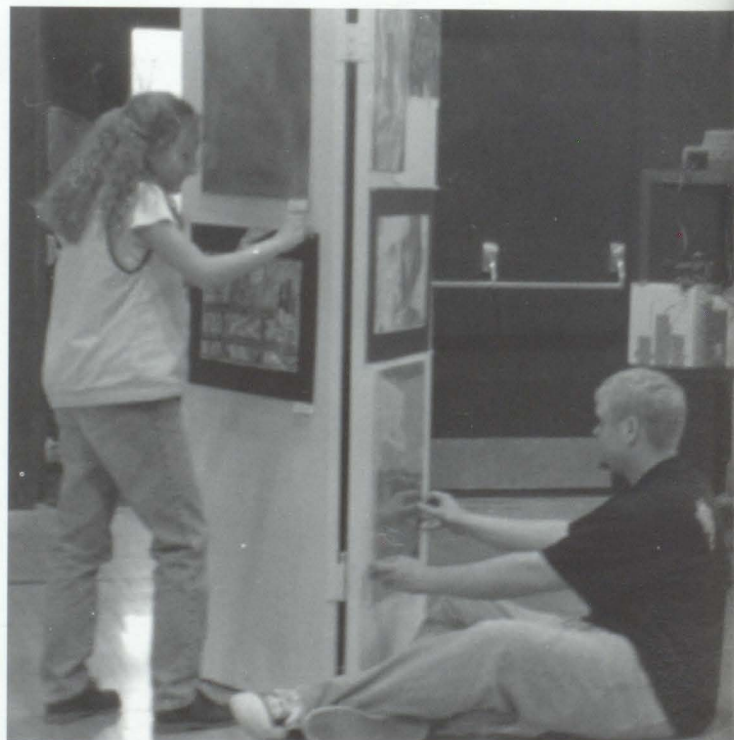

and dramatic. It makes me feel all warm and squishy inside."

The projects ranged in color, size, medium and display—from small pieces of jewelry to the model houses made in Drafting. Sophomore Jill Davis thought, "It was a good opportunity for students to display their creativity." And Junior Kendra Randolph commented, "It's pretty cool to see all you classmates' artistic sides."

## Celebration of Writing

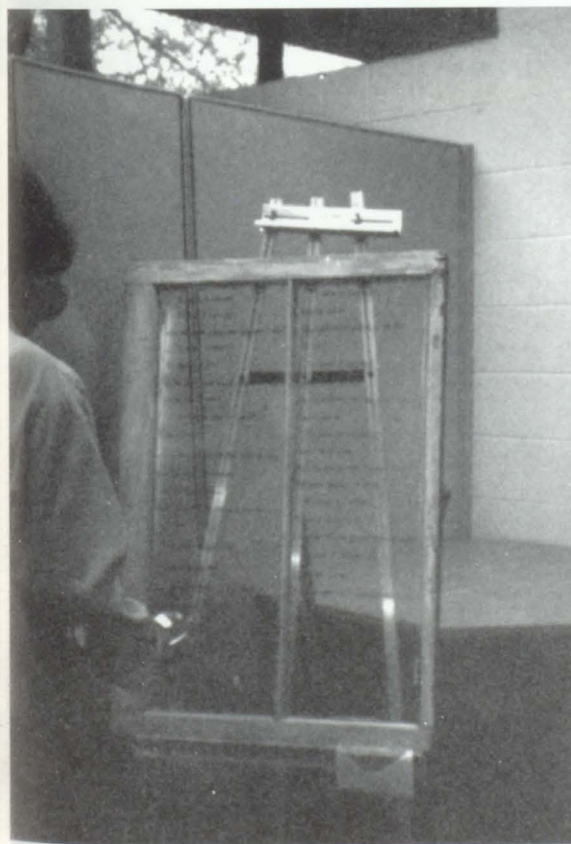

### ...And Writing!

Poems, fictional stories, and real life experiences were all on display at this year's Celebration of Writing. Projects were created by Juniors and Seniors in their English classes, and visual aides were also included.

This year's projects were displayed very creatively, from a car hood, to a two-paned window, a roll top desk, a scooter and a

graffitied locker. Projects were written about a variety of subjects: the discipline policy, vacations, jobs, llamas—just to name a few.

Somehow, all of this creativity was fit into the THS library for a short two days. It was opened to the public during and after school hours. Many proud parents came to view the teen's work.

# Awards Nite

## *Students Honored For Achievement*

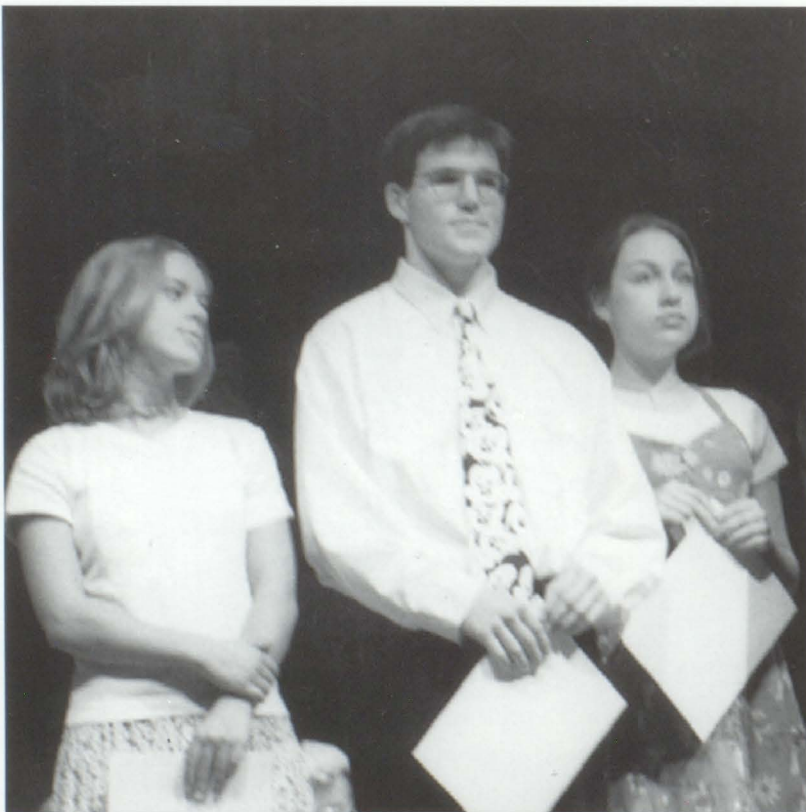

On May 15, 1996 over 300 students and parents gathered at the Civic Auditorium for the 21st annual Award's Nite. It was a night to be remembered as more than a hundred students received various departmental awards for their outstanding academic achievements.

Three special awards, D.A.R. Good Citizen Award, Hugh O'Brien Award, and Outstanding Student Council Member Award were given to Elizabeth Hunt, Courtney Hoover, Eric Schlegel, and

Alex Schneider.

Other awards that were given were: Michigan Youth Arts Creative Writing-Courtney Lawson, Michigan Math Prize Competition-Stephen Menyhart and Roy Harnish, MSVMA District/State Rating in Music-Kristi Tiede, and Michigan Tech. University Science and Math Scholar-Stephanie Swaney and Breena Whelan.

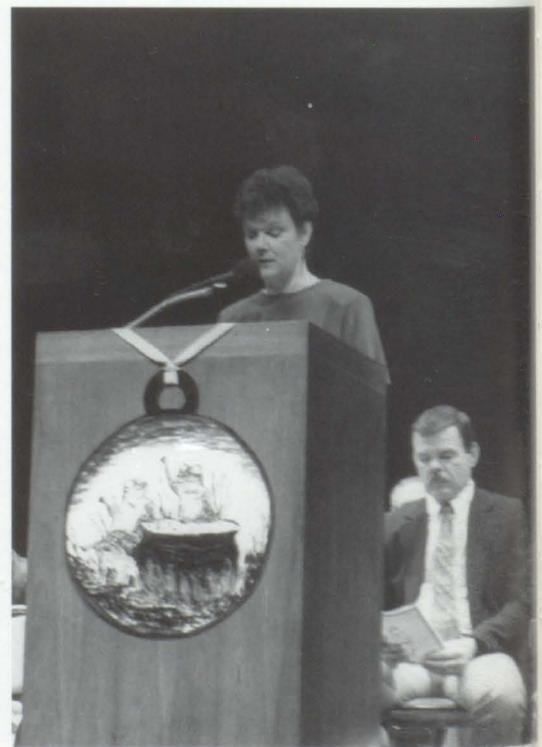

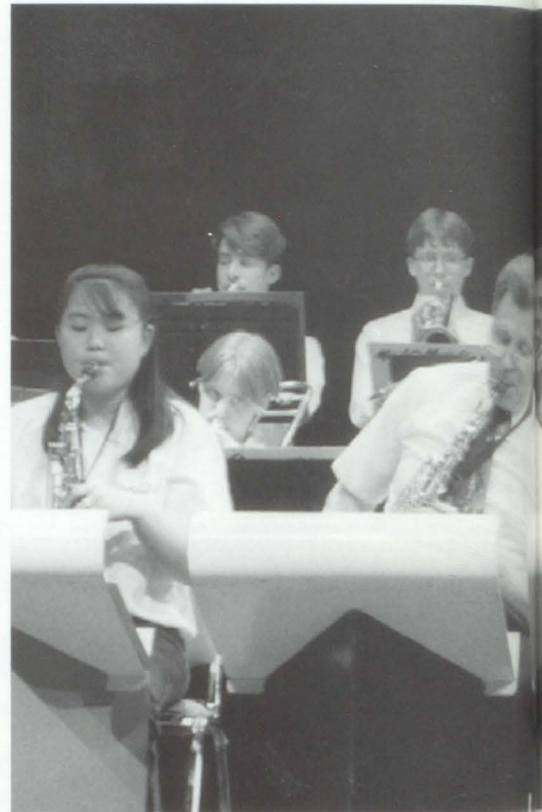

Many students were honored at Awards Nite for their special achievements and dedication.

# Student Council

The Student Council accomplished many things this year. They developed a new school constitution, participated in Student Exchange Day and organized many events surrounding Homecoming and TICWISS.

Students voted and elected members from their homeroom class, be it social studies or English. These members would represent the class during meetings, and inform students of what was discussed at the

meeting.

"The Student Exchange went very smoothly and I enjoyed my host school, Saline. I learned quite a bit about their school techniques," commented Sophomore Angie Higgins.

During Student Exchange Day, students from SEC schools came to Tecumseh, while students from Tecumseh visited their schools. This activity was very successful in sharing ideas of how students can improve their schools.

# N.H.S.

This year the National Honors Society at THS was very productive. During the holiday season, the society collected over 200 toys for the needy children of the area. Through out the year, NHS visited the nursing home at Herrick Manor several times and attended a luncheon to the Community Center's Glass Room with the elderly.

Later, NHS held the Spring Fling in conjunction with the Varsity Club and FCA. It was held for the underprivileged children of

the area, and helped with the Special Olympics

On May 28, 1996, 30 new students were inducted. The ceremony was presided over by advisor Jennifer Keffer and officers Tamar Mishigan, Eric Schlegel, Lorri Johnson and Brooke Catarina. Senior members received cords to wear at graduation. New members from grades 10 and 11 received lapel pins, membership cards and candles, which were lit by the candle of knowledge.

# S.A.D.D.

A teenager dies in an alcohol-related car accident every 22 minutes. This statistic was brought to THS this year with the "Grim Reaper". Every 22 minutes a pre-selected student was "killed". Their faces were painted white and they weren't allowed to have any contact with anyone for the rest of the day. Other S.A.D.D. activities this year included: participating in the county-wide mock disaster, tying red ribbons on the cars in the school parking lot, selling sweat shirts and t-shirts at the basketball games, and the THS

mock disaster. The officers spent all year preparing so that it would be a success. Six "victims" were made-up with blood and injuries to make it appear that they were in a car accident. Paramedics and fire crews from around Lenawee County as well as Med Flight from St. Joseph's Mercy Hospital participated in the event. The purpose was to prevent students from drinking and driving on Prom Night.

S.A.D.D.'s efforts made a strong impact on the students this year as they also hope to do in the years to come.

# Peer Listening

Who can you go to if you really need someone your age to talk to? How about a Peer Listener? This year, 25 Peer Listeners and their advisor, Miss Selle, attended a two day training session to learn how to listen properly and help their peers solve their conflicts themselves without giving advice. They also participated in monthly inservices in order to improve their knowledge in common listening topics such as suicide, drugs, alcohol, and abuse. Additionally, they

attended Peer Day on May third. The Peer Listeners had the opportunity to meet Peer Listeners from 41 other schools and participate in numerous activities such as networking, mingling, and learning about the consequences of premarital sex. If you ever need someone to talk to, just remember that you will always be able to find a Peer Listener and they will definitely be more than willing to listen to you.

# Art Club

Art Club started off the school year with the election of new officers and continued with the annual downtown window painting for Homecoming. Almost all activities from that point focused on one thing: the second annual Art Club trip. Where to this year? Washington D.C.! Art Club members held fund-raisers such as bottle drives and sucker sales to help each individual student pay for the trip.

Finally the moment they had all

been waiting for: the Art Club members packed their bags, hopped on the buses and were off, bound for our nations capitol!

As soon as they arrived, the fun began. They had opportunities to visit many of the nations famous land marks and memorials, attend shows and dine at the Hard Rock Cafe. Of course, they all listened to the THS band play on the steps of the capitol building. In all, the year was a success. Wonder where they'll go next year...

National Art Honor Society is an extension of the Art Club. Members of both clubs participate in the same activities but NAHS members are selected to join because of their outstanding artistic abilities. The NAHS induction was held on May 16, 1996 with 40 members inducted from grades 10, 11 and 12. The purposes of NAHS (as stated in the handbook) are as follows: recognize those students who have shown outstanding ability in the field of art; serve as an inspiration for students to

strive for higher goals in their work; foster excellence and a dedicated spirit in the pursuit of art; encourage the creative abilities and the talents of the individual student; assist students in working toward the attainment of their highest potential in the field of art; bring art to the attention of the school and community; increase the awareness of art as a visible area within the total school curriculum; and advance aesthetic awareness in all aspects of the total education program.

# Varsity Club/F.C.A.

The Varsity Club and Fellowship of Christian Athletes, or F.C.A., are clubs open to members of athletic teams here at T.H.S. The two clubs often work in conjunction, and many members of one area also involved in the other. The purpose of both clubs is get athletes involved in giving back to their community through public service. Varsity Club and F.C.A. are involved with the Adopt-a-Highway program and in the spring and fall take part in road cleanup. During either football or basketball season the clubs host a dance after a game. In the spring, they team up with the National Honors Society and take part in the Spring Fling, a day of fun for underprivileged children.

All in all, the Varsity Club and F.C.A. are wonderful ways for the students of T.H.S. to give back to Tecumseh.

# Earth Club

The Earth Club was founded several years ago by Mr. Eric Ferwerda, a biology teacher here at T.H.S. The purpose of the Earth Club is to bring awareness to students of the earth's pollution problems. As one of their activities, the club empties the recycling boxes that are located in every class

room. The club also sold suckers this year as a fund raiser. This club promotes a very worthwhile cause and hopefully next year they will be able to involve the student body further and accomplish more.

# Spanish Club

Like the French Club, the goal of the Spanish Club is to expose students to a new and different culture. This year the Spanish Club attended a play, then went to a Spanish restaurant afterwards. A good time was had by all, while learning. In addition to attending the play, the club watched Spanish versions of the Disney classics, *Beauty & the Beast*

and *Lion King*.

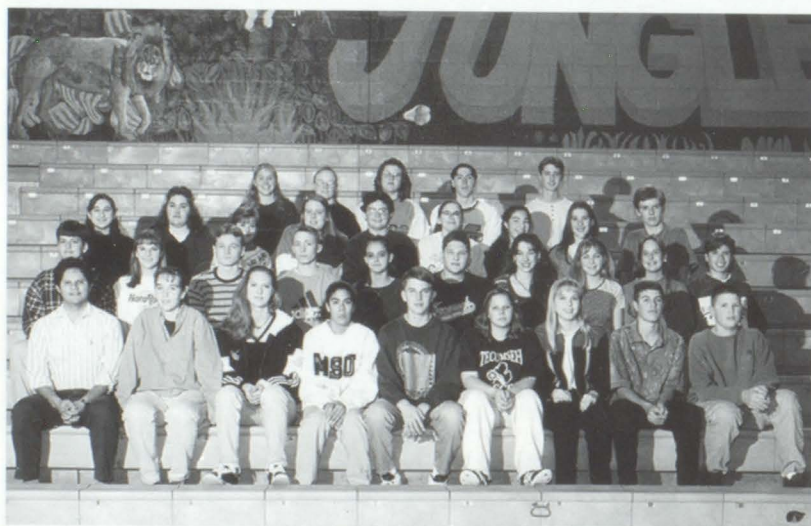

"Spanish Club was a lot of fun this year. I'm glad that I took the time to join it. I think that it is a good experience for any Spanish student," commented Sophomore Megan Schutzler.

Sophomore Melissa Motylinski added, "Spanish Club helped me learn more about the Hispanic culture."

# French Club

The French Club's goal is to provide French related activities not provided during regular class time. Some things the club does visit museums with French exhibits, prepare French meals, and host guest speakers. Unfortunately, this years French Club was

unable to participate in such activities, due to lack of time, facilities, speakers, and exhibits. The Club did, however, sponsor the student exchange in the Homecoming parade, with the Spanish Club. Hopefully, next year the French Club will be more active.

# Equations

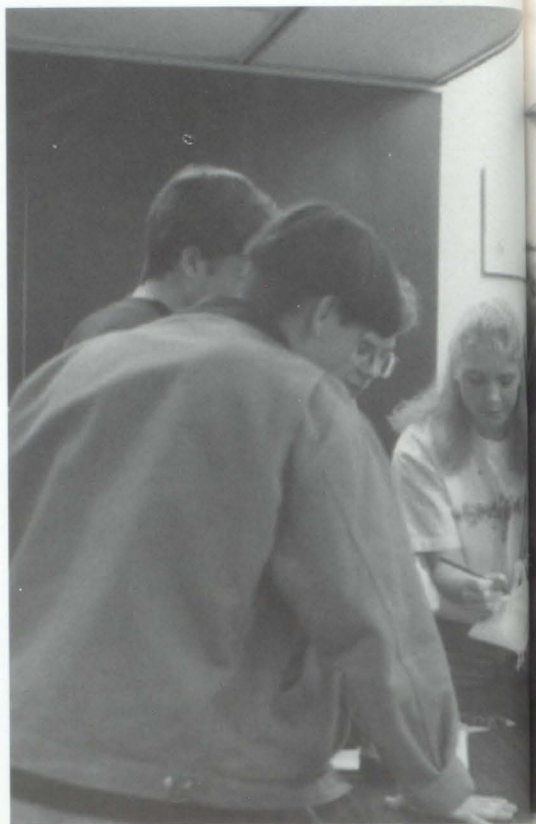

Equations is a game of concentration and persistent thinking. The game gives you a chance to apply your mathematical skills in competition. "You never realize how many mathematical tricks you actually know until you're given the opportunity to express them," commented Sophomore Josh Miller.

The very talented Equations teams are coached by Mrs. Virginia Majeske. She supplied them regularly with information

which was helpful in competition. "I have learned so much this year in Equations. It has really helped me to understand higher learning math skills," said Freshmen player Brandon Bledsoe.

During the final competition of the year, also known as the "Super Tournament," Tecumseh captured third place trophies in both divisions. Team #2 made up of A. Wells, J. Austgen, L. Hinchman, B. Ahearn, and B. Bledsoe, finished one point behind the second placed team.

# Quiz Bowl

Quiz Bowl is an academic game of dedication and constant learning. The two teams (J.V. and Varsity) practice regularly to exercise their knowledge of different topics such as history, literature, geography, and mathematics.

This years teams were blessed with many older, experienced players, including eight seniors. The Varsity team ended the regular season with seven wins and three losses. "Quiz Bowl was an enjoyable experience," said

returning Junior player Todd Tue.

Quiz Bowl this year was coached by Mrs. Susan Ellis. She helped to prepare the teams for competition as well as practicing with them regularly.

Although Quiz Bowl is an academically challenging game, everyone should try their knowledge at this exciting competitive game. "It was challenging and still fun at the same time. I'm looking forward to next year," commented Freshmen player Peter Saling.

# Hispanic Club

The Hispanic Club is very active in the community. Hispanics have the highest dropout rate, so one thing this club focuses on is encouraging Hispanic students to stay in school and become involved. They also work with other clubs in Lenawee County and help with the Hispanic senior banquet, which honors all Hispanic graduates. Not only are the students involved in this club during the

school year, but they also help migrant workers throughout the summer.

This public service helps Hispanic students reach out to their community and surrounding area, and also helps them to form life long bonds. Opportunities that can effect their future, like scholarships, are also possible because of their involvement.

# B.P.A.

BPA had many activities this year, including Teacher Appreciation Week, a career fair, collecting money and buying gifts for needy families during Christmas, leadership conferences, State Finals, and Regionals. To join BPA you must be in a business class and attend meetings twice a week. BPA brings competition for business students. First, they pick a competition to go to in regionals. The top six places in each regional competition go to

state finals for the weekend at the Renaissance Center. The top three places at the state finals go to the Nationals which were held in Arizona this year. Junior Jenny Lawrence said, "This was my first year in BPA and I have never been so inspired by something before. After competing at regionals and making it to the state finals I now know what I want to attend college for." Junior Carrie Bagby added, "You just don't know what you're missing out on."

# Equestrians

Imagine yourself in control of a 1000-pound beast galloping around an arena at speeds of up to 40 mph. Your heart pounds furiously as a sudden rush of adrenaline bursts through your veins. This is what it is like to compete on the T.H.S. Equestrian team.

Coached by Rick Kimmitt and assisted by Brenda Ery, the team of three seniors, two juniors, and two sophomores managed to finish second overall in their league after three intense meets.

Seniors Carrie Bowman, April Hardy, and Jamie Roberts used their experience in helping the younger riders as they competed against such teams as Adrian and Jackson Parma Western. Sophomore Amber Kimmitt lead the team with points this season while Sophomore Deanna Vogel trailed closely behind. Carrie Bowman comments, "The equestrian team was successful because we could compete with each other and do well in many events."

Senior April Hardy peers onward as she guides her horse around the arena.

# Winner's Circle

The '95-'96 year was a spectacular one for Winner's Circle members. This year included many exciting activities such as a U of M basketball game and a U of M hockey game as well as a Detroit Vipers hockey game. The members also got to meet the players of the hockey team and get tons of autographs!

Not only did they get to meet celebrities, Winner's Circle members also had access to super low prices on events such as

dances and sporting events. There were a few meetings which were mandatory, but they were short and usually supplied members with pizza!

All in all, Winner's Circle was a worthwhile commitment to consider. Members are required to attend a short training period and are required to refrain from use of any illegal substances. There are many advantages to being a member, and it's always a lot of fun.

"Pushing It To The Limit"

# VARSITY FOOTBALL

## Playing With Indian Pride

Expectations were high for the 1995 Tecumseh Varsity Football Team as they were predicted to finish first in the dreaded S.E.C. With a core of returning starters to head up the defense and offensive line, the Indians were looking to push for the playoffs.

The Indians started off the season by defeating the team which kept them out of the playoffs last year, Hillsdale. They then began their S.E.C. schedule with a convincing victory over a rugged Lincoln team. This victory was followed with a heartbreaking one-point loss to Tecumseh's arch rival, Saline, setting back their hopes of the S.E.C. title. After suffering their first defeat, the

tribe bounced back with a sloppy victory over a good Northwest team. "We could have easily quit on the season after the loss to Saline, but we came together as a team and pulled through," said Senior offensive lineman, T.J. Hunt

They continued their S.E.C. schedule with devastating losses to Pinckney and Milan but rebounded with two straight shutouts of Chelsea and Dexter. They ended their season with an overtime loss to Marshall who continued on into the playoffs.

Overall, Tecumseh played well as a team and learned a lot of valuable lessons while ending with a record of 5-4 and 3-3 in the S.E.C.

## Learning the Hard Way

The Freshmen Football team started well, but slowed down by the end of the season. In their first game, they defeated Hillsdale with a score of 16-14. They fought a close battle with the Saline Hornets, losing only by five points. In the game against Jackson-Northwest our defensive players played well, not allowing Jackson to score. They tied Lumen Christi in their

fifth game of the season with a score of 6-6. The team worked hard, making the season as enjoyable as possible. Coaches Carl Harsh and Greg Lewis led the team to a 1-5-2 season record. "We didn't always win, but it was still fun," stated guard Brandon Bledsoe. Everyone on the team gave a great deal of effort to make it the best season they could.

## Making the Plays

The J.V. Football team had an excellent season this year, with a total of five wins. The team played an outstanding game against Milan, with a shut out of 33-0. This illustrated the tremendous skills of both the offensive and defensive players. Coaches Jeff Baker and Mike Hoffman led the team to a 5-4 season. Sophomore Dan Naugle commented on the season by saying, "We had a pretty good

season overall. We didn't get along at first, but as the year went on we learned to get along with each other." Adam Ondrovick was the only freshman who started the season on the J.V. team. He quoted, "We had a good year, we played our best, and we had lots of fun." The team had a good season because of their positive attitudes and their determination to make the game fun.

## Finishing Strong

The THS Girls Varsity Basketball team showed much improvement over the 1995 season. Erin Lips said, "I thought we played really hard and never gave up. We are looking forward to next year. It should be a good year." Marcy Mobley stated, "I think we could have worked together more as a team and that was one of the bad points of the season."

Although the team had some pitfalls, they pulled together at the end and defeated Onstead 36-35, and played a very close game with Milan, but lost in an

excellent competition. Andrea Yalacki said, "We started out slow but we came together at the end. Districts were awesome." Jennie Webb also stated, "Our season started slow but we pulled together in the end and made things happen. We're looking forward to next year."

This team has much potential, being composed of seven Juniors, two Sophomores, one Freshman, who could all return next year. And, after all, "Pine Riders Rule!" exclaimed Juniors Ronee Schlegel, Carrie Bagby, Sarah Durkee, and Charra Lake.

## Rebound

The Girls Junior Varsity Basketball team had a hard fought season, but were unable to come out above the 500 mark, ending with a 5 and 15 record overall, and a 5 and 7 record in the SEC.

The Lady Indians played with determination and dedication but could not convert their talent to numbers. Still, they were dignified and exhibited excellent sportsmanship, despite their rocky season.

The team had a difficult time in

nonconference action, but faired better in their own Southeastern Conference. The highlight of the season was beating SEC foe Saline by one point in the later half of the season, after falling to the Hornets 39-43 earlier. The team was also able to defeat Dexter, Milan, Chelsea and Lincoln.

Many of the talented players will be moving up to Varsity next fall. Good luck in your future games, ladies!

## Tough'en It Out

The Girl's Freshmen Basketball team had a tough season this year. Their first three games were against one conference rival, Pinckney, and two against nonconference Hillsdale and Lumen Christi. The team fought hard but was overtaken by Pinckney in their opening game. The opening loss inspired them to come back and attack Hillsdale, but to no avail for the Lady Indians suffered a one-point loss.

The team was still winless, but realized they had 15 more games to go and anything could happen. The longer the season got, the less hope the team had of having a winning season. Then with only three games left and having to play Pinckney again, the team pulled out an overtime win of 53-48. None of the players should be disappointed with their season and should look at it as a learning experience for next year.

## Passing the Competition

As the year moves on, another excellent season was brought on by the Boys Varsity Soccer team this year. The guys finished a great season with a winning record of 13-4-1, scoring 70 goals to their opponents 19. Statistically, this comes out to 3.7 to 1 goals per game, and 8 shut outs.

This can be attributed to the great goal keeping of Seniors Brent Puffer and Kerstan Ryan and Junior Jamie Horn, along with Tecumseh's very strong defense led by Seniors Jeremy

"Lad" Smith and Chuck Lawhorn, and the quick offense of two of the teams captains, Seniors Ricky Smith and Roy Harnish.

Overall, the Indians had one of their strongest teams ever, despite losing many key players over the past two years.

Unfortunately, the team had to face Monroe St. Mary's Catholic Central in the first round of districts and suffered a heartbreaking loss, ending their season on a sour note.

## Undefeated-'Nuff Said!

The Tecumseh Boys Junior Varsity Soccer team had an outstanding season this year with an undefeated record of 19-0-0. They had an "all around great season," said team captain Sophomore Jon Dalton. Sophomore Jason Frost, also a captain, was more specific when he said, "We picked up a lot of dirt and kicked a lot of grass."

The Freshmen on the team also were successful on their own, adding 4 more wins to the teams total record, giving them a 23-0-0 season. The Freshmen

defeated Saline 5-0, 4-1, and Jackson 5-0, 5-0.

Statistically, the season was incredible for the young Indians with 106 goals for, to 9 against, averaging 4.6 goals to their opponents 0.4, along with combined J.V./Frosh effort of 17 shut outs.

Many of these quick-footed, talented Sophomores and Freshmen will easily fill the spots of graduating Seniors on next year's Varsity team.

## A Stroke Above in the S.E.C.

Both golf teams had an outstanding season this year. The Varsity team was ranked second in the region and 12th in the state. This is the first time in the past two years that the Varsity golf team has made it to state. "I thought we had a well balanced team with three experienced Seniors and three good Freshmen," said Senior Garrett Roe.

Varsity golf made a fine example for all THS sports with an outstanding performance record of 10-2. "There was a lot of pressure to play well and lots of

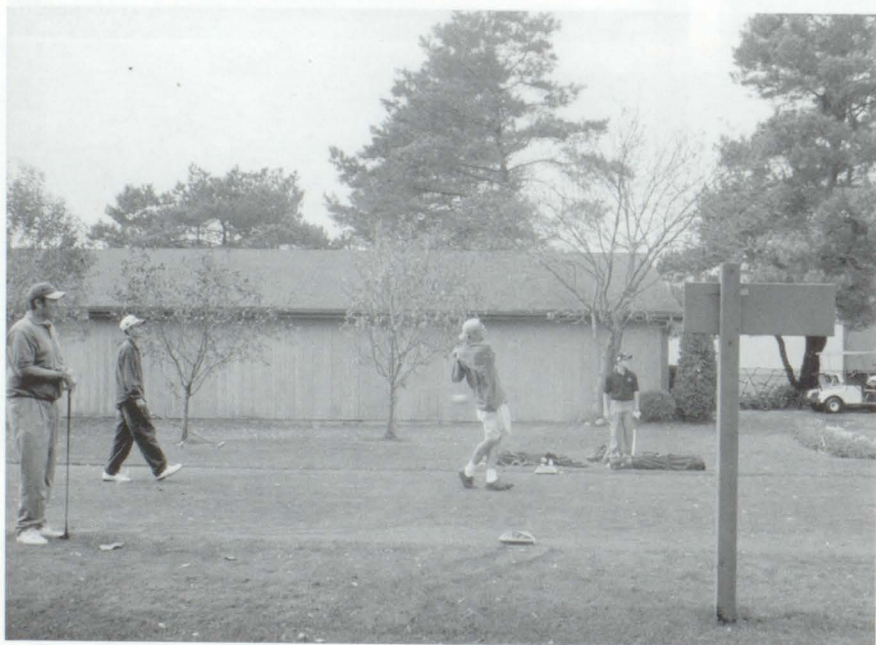

competition between the Juniors and the Seniors," replied Freshman Ed Hunerburg.

The Junior Varsity team gave an outstanding performance also. They played well, giving the Indians a record of 6-3. "We had a good season this year, and I think we'll improve even more next season," said Dan Bunch. This was a tough season, despite what the record may say, proving that determination and team spirit is an important part of every sport, and making all Indians very proud!

## Taking The Plunge

The Girls Swimming and Diving team had an excellent season this year with an outstanding record to back it up. The team was made up of 29 girls and together, with a lot of team work, they came in first place at the S.M.I.S.L. Relay competition. The hard work and team devotion put forth by each swimmer and diver took the team to the top this year. Mr. Reed was very complementary to both teams when he said, "The girls team had a great season winning the league relay meet and

finishing second in the championship as well as qualifying four divers and a swimmer for the State meet. The team had two all-league selections, one all-state selection, and four all-area honorees, so it was a great year for THS Swimming and Diving."

Erin Durkee said, "Our team did a lot better than I expected. We all practiced hard and it paid off."

## Putting it Away

The 1995 Boys Cross Country season was an interesting one. It was very sad for the eight seniors, of whom three had run since their freshman year. These four-year veterans are Mike Phillips, Kevin Brown, and Justin Compton.

Although the boys didn't win any of their dual meets, they did take first place in the senior division of the Chelsea Invitational. Team leader Justin Compton took second place at this meet.

These boys worked together all season, and fought to be recognized as a hard working

team in the tough SEC conference. Justin Compton also earned All-SEC honors by placing 9th at the difficult meet.

The last race for the varsity boys was the Regional Meet held at Cromwell Turkey Farm in Marshall. At this meet all of the boys earned their best times of their careers, with Justin placing 6th to advance to the State Finals for his third year. Good Job, Guys!

Freshman Nick Sackett was a first-year runner who improved greatly over the course of the season. "Nick will help us out in years to come," noted Bill Carter.

## A Season to Remember

The Girls Cross Country team got off to a great start, winning their first two meets and hoping to achieve a great year. With three Seniors, two Juniors, three Sophomores, and three Freshmen the team had varied levels of experience.

Freshman Shannon Gilkison broke the freshmen course record with a time of 21.54. Sophomore Megan Banfield lead the pack throughout the whole season helping them come in close for great finishes. Later in the season Banfield made All-Region Second Team. "Cross

Country was cool. We worked together to achieve goals and we had lots of fun," quoted Megan Banfield.

"The team was not as dedicated as last year, and that caused some problems. In the end we all improved," said veteran Junior Amy Pasternak.

"It takes a very determined and dedicated athlete to run cross country. I congratulate those of us who made it through the very hard but great season! Thanks girls! Good luck next year," quoted Senior Gloria Campbell.

## Welcome To The Jungle

With the departure of many key players from last years Varsity Basketball Team, Coach Oxley was looking for some of this year's Seniors to step up to the challenge of this season's tough schedule. The question was, would the Seniors have enough experience to help them through the first few contests of the season? The Indian Varsity Club answered by winning three of their first four ball games before Christmas Break, their only loss a thrilling 4 point defeat to Saline. Hopes for the S.E.C. crown were small but still strong

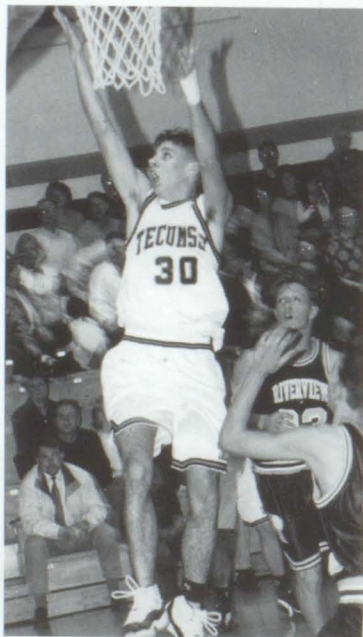

until the Varsity squad traveled to Pinckney and were beat by a tough Pirate club. "We had a strong team and always played to the level of our competition," said Junior Mike Mussleman.

After this part of the schedule the season was up and down with many highlights and low points. Tecumseh ended up with a 11-11 record overall and a 6-6 record in the S.E.C.

## Veterans Create A Strong Team

The Boys Junior Varsity squad had a successful year, rounding out their season with a 10-10 overall record. The team, composed of ten Sophomores and two Freshman, worked hard to find balance in the beginning of the season. They had the talent to stun opponents, but did not discover it until later.

Much of their scoring ability lay in the height of Sophomore Mike Koupal. At a towering 6'6, he could often score over his

opponent's heads.

The young Indians also had plenty of speed on the floor from players like Justin Miller and Brian Radant.

The year also proved to be a learning experience for the two Freshman on the team, causing them to step up the level of their game to compete in a high school forum. Many of this years players will be welcome addition to the Varsity squad next year.

6'6 Sophomore Mike Koupal was a valuable resource to the team and was moved up to Varsity for the District games. He was often lead scorer and rebounder.

## Playing Time = Experience

The Boys Frosh Basketball had a challenging season with the loss of a couple of players because of injuries. The players put up quite a fight against the other teams, giving them a memory to take back home with them.

"We tried hard and competed with the loss of two of our players!" said Mike Cadauix. Freshman had a lot of good games but never gave up the challenge. "We had a slow start, but near the end of the season we came together as a

team," said Mike Feldkamp.

The J.V. team in the past has been made up mostly of Sophomores, and many of the members of this years Frosh team will have a chance of play next year. The Indians are proud of their season and are raring to go for next year. With their youth and talent, this group is bound to go places on the court.

## Spiking to Victory

Tecumseh's Varsity Volleyball team put a lot of effort into this year. With four Sophomores, five Juniors, and only one Senior, the team worked together and achieved many of their goals. Senior Captain Brenda Roesler said in the middle of the season, "The next couple of weeks will determine the outcome of our season. We could do well and hopefully end by doing well at County and Districts." The team did do well at both and finished the season placing second over all. Roesler also said, "This year Mr. Pomy has had the opportunity to work with what I think is a truly gifted team. Whatever happens, I'm sure all the girls will be giving their best effort."

Newcomer Sophomore Heather Buswell explained, "Teamwork and

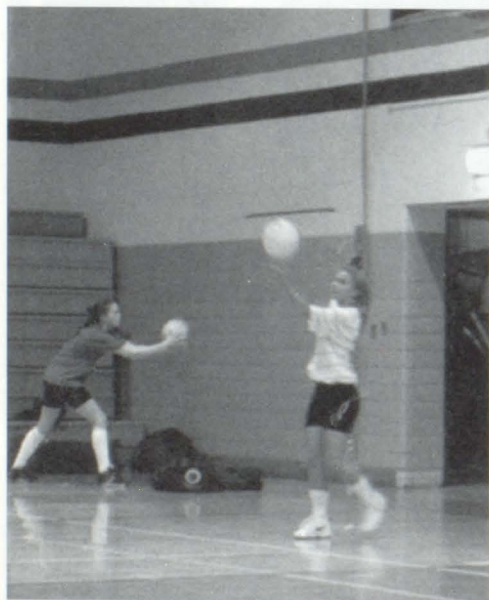

enthusiasm have played important roles this season. It's helped us to overcome this year's experiences." Teammate Junior Julia Fielder quotes, "Volleyball has been a great experience. With a close team like ours, we were all able to help each other improve."

This year's team was an experienced one. With the majority of the team returning next year, their experience should pay off even more, and the goals they wanted to achieve this year can become a higher expectation for next year. Their dedication and sportsmanship that got them places this year should take them farther through the future years. Hopefully everyone made memories they plan to share.

## Working Together For The Score

This year's Girls Junior Varsity team was a determined one. They worked together and stuck through a very competitive year. Sophomore Lisa Camfield said, "Our team this year was determined to win and never gave up. We worked hard for all of our accomplishments." Sophomore Michelle Garcia said, "When we started out it was a little rocky, but towards the end we pulled together

and had a great finish." Sophomore Stephanie Catros quotes, "This year our team really got along well. The team was loaded with talent. My best memory this year was at the County Tournament when we took second, that was when we finally put it all together." The team accomplished what they worked for and everything they earned they received.

## Indian Mat Men

The Indian Wrestlers had a rough season this year, with a few bright spots, such as finishing 6th at the Saline and Belleville tournaments. Other Bright spots were performances by Jason Mensing, Ben Baker and Ryan Miller. Miller, who had a strong 21 pins, 6 of those on wins, also placed second in the Clinton tournament, fourth in the Belleville tournament, third in the Lenawee County tournament and third at Districts.

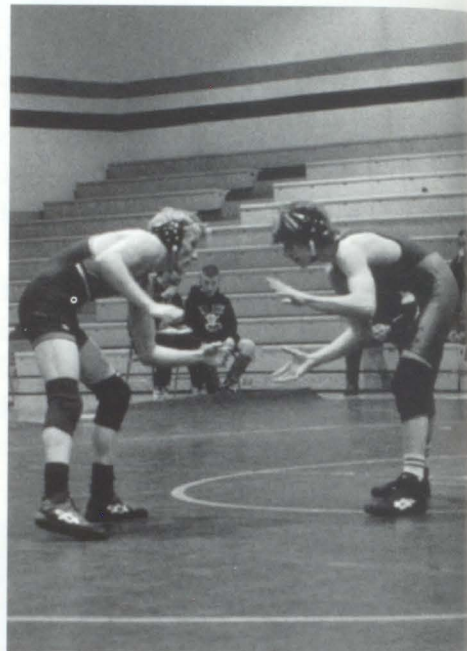

Baker also had a strong season with 27 wins and 6 winning pins. His accomplishments for the season were taking second at the Western tournament, third at Clinton, fourth at Belleville, second at County and

Districts, and S.E.C. champion.

Jason Mensing, THS's star heavyweight had the brightest season of them all with a record of 46 and 1, and 30 pins. He was the champion at every tournament, including S.E.C. and State Regionals. At the State Finals he place third.

Others finishing well in tournaments were Kris Hoag with a third place finish at Western and a fourth place finish at the S.E.C. tournament. Brothers Greg and Steve Stoddard also helped end the Indians season on a brighter note by finishing the season with winning records.

# BOYS SWIMMING & DIVING

## SPLASHING TO THE TOP

Senior Nate Murphy has been a leader on the team for four years. He has set numerous school records and also qualified for the State Meet.

The 1995/1996 Boys Swimming and Diving Team was very successful this season. Several swimmers qualified for the State Meet and the team worked extra hard in practices, preparing both physically and mentally for their competitions. As coach Larry Reed stated, "The Boys Swimming Team this year swam farther and worked harder than any team THS has previously had. It showed in the way our team dominated the distance events all year. The team broke varsity records in the 100, 200, 500 free and 100 back

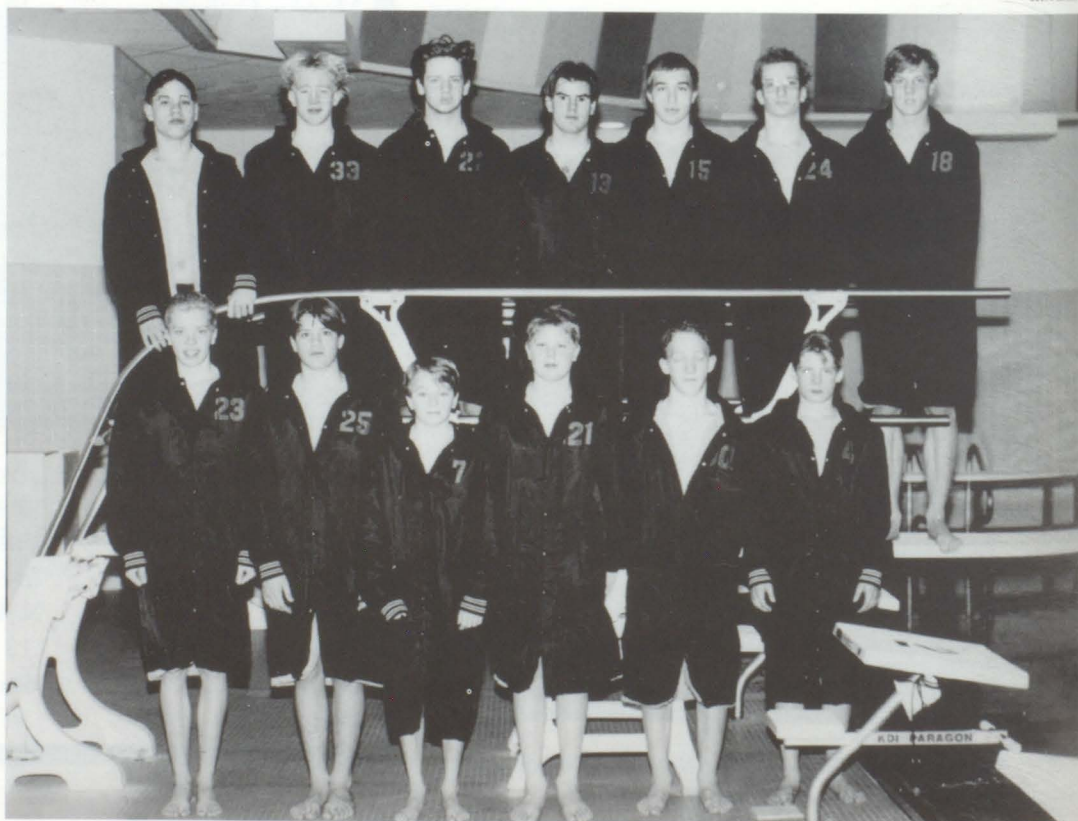

and 100 breast."

Also the team had Mike Phillips, Mark Koropcsak, Jeremy Joslin (13th in 500 free), Scott Barnes (13th in diving), Josh Tuberville (11th in 200 IM and 11th in 100 breast) and the team's champion, Nate Murphy placing 2nd in the 500 Free and 5th in the 200 Free at the State Finals. Tecumseh High School should be proud of this year's successful Boys Swimming Team. Congratulations, Guys!

## It's Outta Here!

The 1996 Boys Varsity Baseball team had an up and down season. As Junior Dan Tooman put it, "It was a shame to have that much talent and not use it to its fullest potential. Even though it was a bumpy road, it was fun being able to play with the Seniors." The team finished with an South Eastern Conference record of 8-5 including one tie and an overall record of 16-15 with one tie.

The Indians had a stacked pitching staff, along with some strong hitters, but were unable to make the two connect when needed.

Junior Mike Mussleman stated that "I think we could have done much better than we did. We had plenty of good athletes." To back up this statement, Senior Derrick Wolfe led the county in both hits and RBI's, as well as holding a .521 batting average. Junior Scott Bailey quoted, "Considering the talent we had and our final record, well, I'm no scientist, but we had a terrible year. We failed to live up to our potential. We had fun at it though."

Senior Derrick Wolfe led the county in hits as well as RBI's. Here he easily takes third base following a fantastic hit.

## Step Up To The Plate

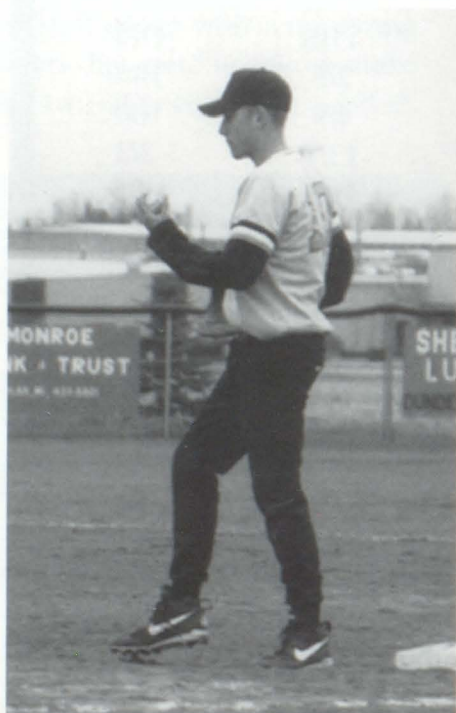

The Junior Varsity Baseball team had a very hard season, falling to a 6-14 overall record. The team, coached by Mr. Carl Harsh, worked hard at their practices this spring, but were unable to convert their hard work to wins during game time.

The team faced the usual S.E.C. conference foes Ypsi Lincoln, Saline, Milan, Pinckney, Chelsea and Dexter, but also played

non-conference teams like Coldwater, Jackson Northwest, Columbia Central and Ida. Late in the season the guys stepped up to the plate against perennial rival Adrian, but were defeated 7-12.

## Sliding For Home

The Varsity Softball team had another terrific season this spring. Coached by Mr. Carlo Mobley and Mr. Greg Lewis, this talented team was able to rank high in the S.E.C. with an 11-4 conference record and a 20-12 record overall.

The team was very young with five returning players, three of which were Seniors. Eight new players entered the roster this year.

As in years past, the team was known for its strong pitching staff, led by Junior Andrea Yalacki and Sophomore Marcy Mobley.

The squad was able to make it through districts and regionals this spring. They also had the opportunity to play teams like Ann Arbor Pioneer and St. Mary's Monroe Catholic Central, which was ranked very high in the state this year, along with scrimmaging Clinton's team.

## Hitting it Home

This year's Junior Varsity Softball team had a pretty good season in SEC, leaving a record of 5-6, but didn't do quite so well over all, ending the season with a 9-15 record.

Coached by Kathy Steuwe, the girls had a dominating offense, in all of their wins scored in the high teens to high twenties. The team also had a very strong infield and outfield, but we unable

to pull it all together when needed.

Sophomore Tiffany Johnson said, " We overcame a lot during the season. We had a young team with a lot of Freshmen. Our practices didn't look real good in the beginning, but we were able to turn it around and became one of the best hitting teams the JV squad has had."

The Freshman Softball team had a hard season that ended on a sour note. Earlier in the spring, at the start of the season, the girls had to battle the elements to even play, but no avail, for they returned home empty handed. Later, the team had to deal with a bus strike that left them without transportation to away games. The girls struggled through the rest of the season, trying to make the best of it, but injuries began to plague

them and they were unable to get over the 500 mark, ending with a record of 1-12.

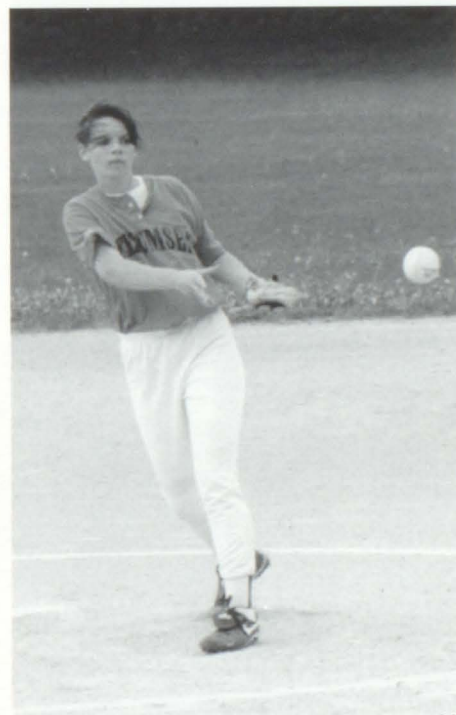

"We didn't have a very successful season, but I think we will all benefit from the mistakes we made and have a better season next year," said Freshman pitcher Ann McCann. Good luck next season!

## Kickin'

The Girls Varsity Soccer team had a kickin' season with a record of five incredible wins, nine upsetting losses and two tied games. Team captains Gloria Campbell, Michelle Kossey and Jenny VanEtten led the team this year with their experience and age.

Despite their great leadership, along with that of Coach Jose Mejia, the young team still

struggled to find their niche in the SEC conference.

After a trying season, the girls suffered a tough loss at the hands of a stacked Ann Arbor Greenhills team in the first round of districts.

With many returning Juniors and Sophomores, and players coming up from the Junior Varsity team, next year's season should be brighter.

## Moving Up Field

The Girls Junior Varsity 1996 Soccer team had an overall outstanding season. With a strong offense and an overpowering defense the girls finished the season with a record of 11-5-1.

Because of the rise in the popularity of soccer on the high school level, the young team was able to recruit many members. This was to their advantage, allowing tired legs to rest while others got their

chance to play. Also, the team acted as a reservoir of talent for the Varsity team. Many players were moved up through out the year, and many were moved up at the end of the season for the Varsity team's district game against Ann Arbor Greenhills.

The season gave new and old players alike a chance to improve their soccer skills.

## Racing to the Finish

This year's group of runners proved to be fairly successful. Being an extremely young team, this squad consisted mostly of underclassmen along with eleven Senior boys. Although their meets were kind of shaky, this squad managed to produce some of the county's best performers as well as the state's.

This year's state qualifier is senior long-jumper Khang Tran who lead the team in points while seniors Mike Phillips, Ryan Roesler, Justin Compton, T.J. Hunt, John Roof, Wayne

Higgins, and Jason Mensing also contributed significantly. Other strong points of this team include Francisco Arana, Bill Carter, and Ryan Inks from the middle and long-distance team, and Ryan Hoover, Doug Lash, Mark Magos, Nate Pound, Brandon Roberts, and Craig Schram from the field events and sprinting team.

As a whole, this team competed well and worked very hard to succeed. Next year can only be better because of many returning talented underclassmen.

Senior Mike Phillips' strong running took the mile relay and two-mile relay team to many victories this year.

## Boys Track

The BoysTrack Team faced conference teams Lincoln, Saline, Pinckney, Milan, Chelsea, and Dexter, along with nonconference teams Adrian and Lumen Christi. In the S.E.C. the boys came out with a 2-4 record, and overall had a 2-6 record.

## State Qualifier

This year's state qualifier was Senior Khang Tran. He qualified for the long jump with a leap of 20' 5.5" at the regional meet and held a personal best of 21' 00".

"This year was tough but our dedication and supportive coaches helped us through it."

# GIRLS TRACK

## Running Towards Victory

This years track team was an exceptional one. The team was young but we worked toward goals and accomplished many dreams. First year runner Sophomore Katie Burrows quotes, "The team worked very hard this year and we were happy with the results and we now have goals set for next year. Although our record wasn't the best we never gave up and look forward to next season." Burrows started the season out great because she worked hard and had very few injuries she managed to come near her many goals. Sophomore

Deanna Vogel said "I'm really proud of this years team. With a small number of runners I feel we did a spectacular job." Vogel had a great year and qualified for state in three events.

Sophomore Tori Whelan also said, "This year didn't go as well as we hoped but we had a lot of fun and did our best." Whelan had a great year, improving throughout the whole season. Through few victories and tough competition the team stuck together and ended with a great finish.

Freshman Leanne Pasternak goes airborne during one of her events at the DTI meet.

## Girls Track

This year the Girl's Track Team faced S.E.C. conference teams Lincoln, Saline, Pinckney, Milan, Chelsea, and Dexter, along with nonconference teams Adrian and Lumen Christi.

"It was a tough region to compete against and we had a lot of bad weather this year. We managed to try our best in each event and have lots of fun. Hopefully we'll make it to state where we can go out and run our best, maybe it will pay off!"

-Jennie Webb

# VARSITY & J.V. CHEERLEADING

## Indian Spirit

The ten-membered Varsity squad and the nine-membered Junior Varsity cheerleading squads started off a fun filled year with summer camp at Central Michigan University. The JV squad placed first in their division in the sideline cheer competition. The Varsity squad also put on an outstanding performance winning first place in the sideline and floor cheer competitions, and the original home pom competition. The Varsity squad also received the camp leadership award.

After camp, the girls had approximately one month to rest before they started practicing for yet another exciting football season. The next tasks for these cheerleaders were to prepare for the South East Michigan Cheer Classic Competition held here in Tecumseh and to perfect over fifty cheers to be performed

during an outstanding basketball season. The girls were required to perform two cheers incorporating jumps, mounts, and formation changes for the competition. The Junior Varsity squad put on a great performance, and the Varsity squad placed second.

All in all, the girls did a wonderful job this school year. They kept themselves busy competing, practicing routine cheers, planning exciting, fun filled pep rallies, making goody bags for the players, teaching Little Cheerleaders, participating in football team dinners, and most of all, gaining and displaying support and spirit for our athletic teams.

Varsity Cheerleaders Elizabeth Hunt, Shelle Marcinkiewickz, Michelle Kenward, Michelle Hillner, and Kele Schmidt practice one of their more difficult stunts.

# Colophon

The '95-'96 yearbook could not have been published without the help of many people and places. In the beginning...we had nothing but a major assignment: to design and create the 1996 Anath. Still, with a lot of work from a young, dedicated staff, we managed to complete the year book.

We started off the year spending two days brainstorming themes and sub-themes. Our final decision was "Putting it in Perspective", rather fitting considering the tragic start of the school year.

Business manager Amy Cox headed up our ad selling campaign soon after with much helpful advice from principal Mr. Rodney Jenkins. This year's ad sales helped to support the cost of producing the book. The staff sold suckers in November and December for \$1.00, and held our annual balloon sale in February, raising over \$150.00 in each. Book sales to students began November 1st, with the cost of \$25.00 before Christmas Vacation, \$28.00 until Valentines Day, and \$30.00 after. Renaissance card holders were given an additional \$2.00 off. A total of 600 books were printed this year.

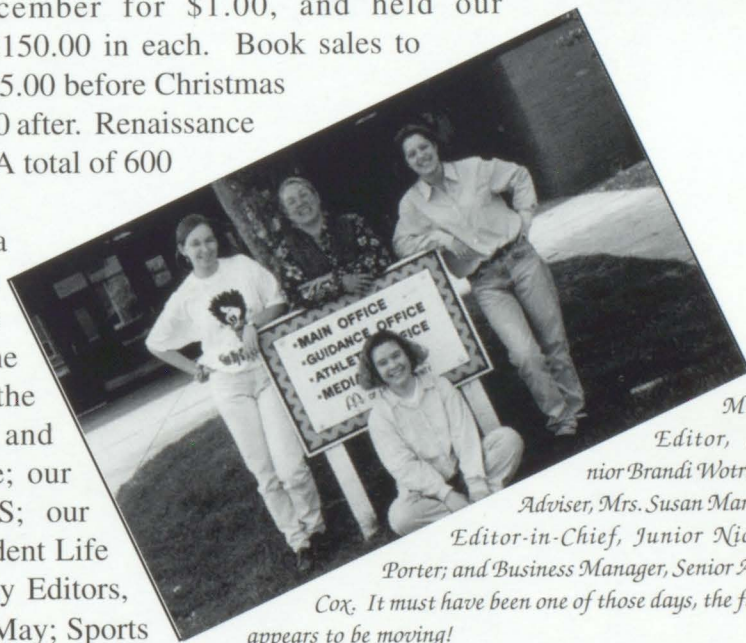

The Anath staff would like to extend a special Thank you to the staff of Spectrum Printers for all of their assistance and patience with us! The staff would also like to thank the following people for their help and support: the office staff for putting up with our requests and constant use of the phone and copier machine; our sponsors for contributing to a little piece of THS; our staff editors: Mugs Editor, Brandi Wotring; Student Life Editor, Jennie Selbert; Dividers and Photography Editors, John Lapham, Gloria Campbell and Michele LeMay; Sports Editors, Amy Pasternak and Jenni Brown; Business Manager, Amy Cox; Clubs Editor, Sarah Rosander; Academics Editor, Laura Briley; and Index and Senior Ads Editor, Debbie Messerschmidt. An extra special thank-you to our advisor, Mrs. Susan Marble. We're sorry for all of the nervous breakdowns!

But most of all I would like to thank the student body for their spirit and enthusiasm. It's you that give us a reason to produce a yearbook; give yourselves a pat on the back! Every year is different; each one helping us to put another in perspective. Thanks for sharing this one with us.

Editor-in-Chief,

# Class Nite

## Talent-O-Rama

*Garrett Roe and Elisa Trevino present one of the many awards that were given out at Class Night.*

On May 30th, class night was held at the Civic Auditorium. Class night gave the Seniors one last time to recreate memories, show their talents, and say their good-bye's.

When asked how he liked class night, Senior Khang Tran said, "Class Night was a lot of fun because it was more musical and exciting, which got the students more involved."

Some students, including Gloria Campbell, Tamar Mishigian, and Jed Hollenback displayed their singing talents, while others participated in one of the crazy skits. Nate Murphy portrayed the ever so popular Forrest Gump, and others presented awards.

"Originally, I didn't know what to expect from class night, but it turned out to be a lot of fun," replied Senior John Roof.

*John Roof and Khang Tran play the Smashing Pumpkins hit song, "Mayonnaise". They were among the many seniors who showed their musical talents at Class Nite.*

*Junior Marc Magos plays "Vic the Enchanter", modeled after Mr. Vic Stevens, and Seniors Mike Phillips, Kevin Brown and Matt Peach act as Knights of the Roundtable, in "The Quest for the Holy Diploma".*

# Graduation

## The Final Good-Bye

Smiling faces to crying eyes were seen on June 2nd, Graduation Day. Seniors were saying their final good-bye's to their friends, teachers, and THS.

The 1996 senior class had four valedictorians. They were Eric Schlegal, Holly Wriska, Allison Manzwaring, and Roy Harnish. Steve Menyhart and Kelly Bunch were the salutatorians.

The presentation of the "Sam Brooks" award was carried out during the ceremony. This award is given in memory of Sam Brooks who died during his senior year here at THS. The members of the Senior class vote on who will be the recipient of the award and this year Mrs. Hunt presented the award to Bryan Ely, with her congratulations.

Good luck to the Class of 1996, in your future. THS will always remember you as one of it's greatest memories.

*Amy Cox accepts her diploma with a smile as she looks on to her future at college.*

# *One Last Look...*

1996

At '95-96

*It's the end of another year at THS, the end of another book. We say good-bye to our friends for today, for the summer, maybe forever. But don't forget, where one thing ends, another can begin. We began this year with a new principal, a new schedule, and for some, a new perspective. While events that took place may have changed that perspective, we still managed to stay a family.*

*So, as you walk from the familiar halls of THS for what may be your last time, remember to look forward with your eyes, look back with your heart and mind, and try to keep it all in perspective.*
