School Daze

Another year had ended,
 For some, this was their last,
 There were some memorable times,
 Hold on to those memories fast.

All the sports games we've seen,
 cheering on our Indian teams,
 Voting for the Homecoming King and Queen,
 We welcome you to "The Jungle"!

Thank you, teachers and staff,
 you've helped us on our way,
 We've made it on your behalf

We'll remember your consideration in the future.

On the last day of school,
 We all have waited a long time,
 Some will move on and go their separate way,
 Others will sit back and see what they have done.

Colophon

After successfully putting out the 1996-1997 THS Yearbook at Spectrum Printers, we went back for another try at capturing your memories. Because of scheduling difficulties and graduation we lost many of our veterans, so a newer, younger Anath staff undertook the job of putting this yearbook together. The theme, "School Daze", was decided after two weeks of discussion, voting, and brainstorming. A committee of staff members then used the theme to develop a fitting cover for the book, allowing us to cover more aspects of life at THS including Alternative Activities, the Art Club Trip, Teacher Baby Pictures, the Senior Social Studies Political Convention, and of course "Pippin".

We also took on more fund-raising endeavors. Early in the school year we sold candy. On October 25th, following the final home football game of the season, the yearbook, in conjunction with the newspaper, held a dance. The event was a major success, boasting both DJ John Sebastian and the band "Crimson". The staff also sold key chains and window stickers during football and basketball seasons. During Valentine's Day week we held our annual balloon-o-gram sales. This year we were able to set a record for string used, amount sold, nerves got on, and above all, delivering all balloons. . .and having 10 minutes to spare!

S. Marble

Well, they're blown up. . .
now what do we do?

Joy Gilpin

Mrs. Marble, don't look
at the camera!

But the main point of a Colophon, beyond the logistics of the book, is to thank the outside influences who took part in some way or another during the year. First of, all thank you to Mrs. Susan Marble, our advisor this year, who after

being thrown into the job last year was actually willing to take this beast of a project under her wing again. Then, to Mr. Kevin Trickey, who was kind enough to teach our photography staff the fundamentals this fall; to D'Printer of Tipton for donating several boxes of thank you stationary to us, and Foodland for donating refreshments for our Halloween Dance. Also, the staff at THS for putting up with some of our zany requests, constant visits to the offices, and for chaperoning our dance this fall. Mrs. Nelson, we are very grateful for all of your help in editing and signing off the book this spring. Last but not least, I want to give a special thank you to Mr. Ron Frenzen, who was mine and Jennie's advisor our Freshman year, and has been very helpful throughout our four years on the staff.

Next year's staff has a big job ahead of them and we veterans (3 years or more) who are graduating, Amy, Jennie and I, are sure that they will do a wonderful job. We wish you all the best of luck.

Sincerely,

Homecoming Royalty

A Night To Remember

Excitement filled the atmosphere as the Senior, Junior, Sophomore and Freshmen floats began to file around the field. Following behind them were the 1996 Homecoming Court members. Everyone seemed to forget the chill of the air as a silence fell over the crowd that was awaiting the announcement of this years' Homecoming King and Queen. The anticipation grew as last years' King and Queen, Ricky Smith and Gloria Campbell, took their time crowning the new royalty. But soon enough the crowd roared with cheers again. Brian Plummer and Jennifer Lawrence had been elected as the 1996 Homecoming King and Queen.

"I wish that night could of lasted forever. Everyone looked so nice. It was an experience I'll never forget. Thanks for driving me DADS," said Queen Jennifer Lawrence.

The other members of the Homecoming Court are as follows: Seniors Jeremy Castorena, Scot Pittman, Chad Whelan, Camille Camron, Hillari Gawron, and Andrea Oatman; Juniors Marc Allen and Rachel Dwarzski; Sophomores Sam Valdez and Leanne Pasternak; Freshmen Geno Rebottaro and Sarah Driessche. Following the game was the annual Homecoming Dance, hosted by the Student Council. The newly crowned royalty shared a spotlight dance, as well as a dance for all court members.

Clash of the Classes

Homecoming Week is looked forward to by all. This was a week of fun and excitement. During the week there were dress-up days, a four on four volleyball tournament held Monday night, the ever popular Powder Puff Football game on Wednesday, and work on the floats continued every night at the bus garage. Sophomore Jessica Beach said, "Homecoming was a week of fun and excitement for both the students and faculty."

During the week there were dress up days. Monday was Pajama Day, Tuesday was Hippie Day, Wednesday was Big/Wild Hair Day, Thursday was Polka Dot Day, and Friday was Class Colors Day, and as a present from Mr. Jenkins hats were allowed on that day. The Juniors prevailed in the dress-up days with 339 points, edging out the Seniors by 12.

Monday and Wednesday evenings kept Spirit Week going with the four-on-four volleyball tournament and the Powder Puff games. The winning volleyball team consisted of four Juniors, James McNamara, Justin Moore, Tony Gonzalez and Jeremy Smith. The Juniors and Seniors tied the championship Powder Puff game at 12 in triple over time.

Friday afternoon the Pep Rally was held, and the Seniors won overall in Spirit Week. "There was a lot of school spirit shown by all of the classes," stated Senior Everett Stevenson. Following the Pep Rally was the parade. Members of every class proudly walked behind their floats decked out in their class colors; the Seniors in orange and black, the Juniors wore teal and purple, the Sophomores had burgundy and gold, and Freshmen donned purple and black. Members of Varsity teams rode on wagons and beds of trucks, and the Homecoming court lead in convertibles.

Later Friday evening was the football game, and during the halftime festivities the winners of the float contest were announced. Seniors were awarded first place with their entry, "There was an old coach who lived in a cleat". The Juniors followed with, "Mother Goose", then the Sophomore came in with, "Tecumseh and Milan Went Up the Hill" and the Freshmen placed last with, "Indians, Indians, Quite Contrary." The week came to a close with the very well attended dance which was hosted by Student Council, following the game.

The Seniors put much hard work and effort in to their float this year and it paid off as they were awarded first place in the float competition with their entry, "There was an old coach who lived in a cleat; he had a great team that Milan couldn't beat". They were followed by the Juniors, the Sophomores, and finally, the Freshmen.

Christmas Dance

The Crystal Ball

On Saturday December 14th, the 1996 Christmas dance was held. This special event took place in the Tecumseh High School Cafeteria.

The theme for this year's Christmas Dance was "The Crystal Ball." The dance started at 9:00 p.m. and lasted till 1:00 a.m. Jack's Place of Portraits took photographs to capture the special memories of this wonderful event.

There was a special ice sculpture shaped like a castle at the entrance of the dance. It was a very elegant addition, and overall, the decorations were terrific, including the many decorated Christmas trees and candles.

Freshmen Elicia Garcia put it best when she said, "It brought out the best in everyone."

The most exciting event of the whole night was when everyone took the floor to do the Macarena. "I had a great time," said Senior Jamie Bennett. There was more dancing this year than in past dances, and quite a few guys joined in out on the floor. Besides the Macarena, country line dancing and the electric slide were very popular.

As always this Christmas dance was held by the Senior class. "This Christmas dance was special because it was my final one. There is always something about last times to create happy memories," said Senior Joy Gilpin.

TICWISS

Winter's Spirit 1997

The last week in February is known for TICWISS, Tecumseh Indians Celebrate Intermural Sports Season. Spirit filled the whole school. People showed their school spirit by participating in dress-up days. Hat and Jersey Day was held on Monday; Tuesday was Hunter's Orange Day; Pajama Day was Wednesday; Thursday was Backwards Day, and the week came to a close with the annual Toga Day on Friday.

A special event was held on Wednesday. It was the 3 on 3 basketball shoot-out. The event took place in the gymnasium. Freshman Andy Tennyson won the three point shoot out, and the tournament winners were Juniors Justin Miller, Jason Frost, Joe Danley and Jay Rhodaburger.

Throughout the week, the classes had to rack up as many points as possible. They had many opportunities, from the dress-up days to the games at the TICWISS Pep Rally. The placings for the week were as follows: Freshmen 4th, Sophomores 3rd, Juniors 1st, and Seniors 2nd. Also, the classes got to decorate the wall over their section of bleachers in the gym. The Seniors took first place with their entry, "Space Jam".

The whole week was sponsored by the Student Council members and staff. They also sold carnations throughout the week, and gave them out on Friday during first hour.

The week came to a close on Friday with the basketball game versus Dexter. During halftime the TICWISS King and Queen were crowned. The dance followed the game, which was hosted by FCA and Varsity Club.

TICWISS Royalty

Winter's Court

This year TICWISS came, just like it does every year, and of course it had it's royalty. Tecumseh played Dexter this year and after the exciting first half, the TICWISS Royalty were escorted out onto the floor for everyone to see: Freshmen Dawn Ganzhorn and Luke Otter, Sophomores Kim Drogowski and Justin Lawrence, Juniors Shaun Harvey and Andrew Feldkamp, and Seniors Amy VanZandt, Matt Clark, Devon Cunningham, Dan Tooman, Amanda Palmer, Matt Peters, Jamie Bennett and Mike Mussleman.

Last years TICWISS King and Queen, Elizabeth Hunt and Bryan Ely, came back to crown the new royalty. Brian took the crown, walking back and forth, among the court. After a few moments of teasing, he placed the crown on the head of Matt Clark. Then, Elizabeth, with the other crown quickly, with out hesitation, walks over to Devon Cunningham and places it upon her head. The crowd cheered for the new King and Queen, while many pictures were taken of the two. After much posing, the King and Queen were escorted off the floor with their court.

At the dance following the game hosted by FCA and Varsity Club, the court were again together for a spotlight dance. Despite the loss against Dexter, it was a fantastic night for everyone, but especially for the royalty.

The Sophomore representatives for TICWISS were Justin Lawrence and Kim Drogowski.

Pep Rallies

Students Filled with Spirit

As all the students begin to pour into the gym, the excitement begins to rise. Pep rallies are a way to bring all the grades together to cheer on their Indian athletes. The atmosphere in the gym as the Varsity Players come out of the locker room was ecstatic. The student body screams as loud as they can for their athletes.

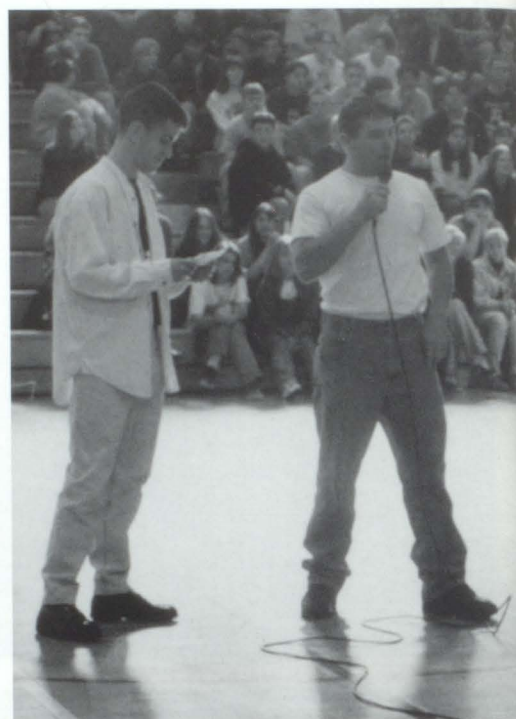

Some believe that pep rallies really help "psych" up the players for their game. Hearing their classmates cheer them on helps a lot.

Pep rallies involve the whole student body. There are always competitions between the different grades, whether it's tug o'war, shooting baskets, or just yelling the loudest.

For the first time in THS a pep rally was held for the Varsity Soccer Players in honor of Districts. Coach Mejia introduced the captains and other players along with the positions they play. The players gave the school a demonstration of what they do out on the field.

Something else that was new was a Girls Varsity Volleyball pep rally. They displayed some of their spikes and sets for the school. "Even though we didn't have much time to organize it, I'm glad that the Volleyball team finally had a pep rally. Hopefully they will continue to have them in the future," said Senior and co-captain Ronee Schlegel.

Seniors Rob Doeblin and Dan Tooman were the announcers at an exciting THS Pep Rally.

Dances

Bust A Funky Move

Ever wonder what to do after a strenuous week of school? THS dances are what many students chose as a way to unwind. It is a way to cut loose and hang out with all your friends.

Many of the students like to dance, yet there are few who hang out and talk. "The dances are all right, more students seem to be going to them this year," commented Senior Devon Cunningham.

Dances are a great fund raiser for clubs and organizations. Each dance is sponsored by a class, a club, or an organization. Student council sponsors the Homecoming Dance every year. It is held right after the Homecoming Game. The Publications Classes sponsored the Halloween dance. They hired a DJ and the band Crimson. THS doesn't always have live band dances, so this was a good change. Besides the student body unwinding, dances give the athletes a chance to relax, too.

The slow songs are a way for the students to be with their honeys. The fast songs are for anyone who wants to bust their funky move out on the dance floor.

The Roar of The Crowd, The Sound of...

The Jungle

The air is crisp and there is a dusting of snow. Football season is but a distant, bittersweet memory and Indian fans look forward to what can be called the most exciting time of the year, basketball season. But why is it so special at THS? Two words: THE JUNGLE. It's the opening riff of the guitar, the screaming of the fans as the team hits the court. It's the way the bleachers shake on Friday nights. It's all that is good here at THS.

There was a lot of uneasiness and many rumors prior to the start of Basketball season. The administration had received complaints from coaches of opponents on the behavior of the Jungle. While rules had been laid for the student body several years ago, previous administrators had not gone so far as to enforce them, and there was a wide spread feeling that this could certainly put a damper on the student bodies' spirit. "Nuts and bolts, nuts and bolts, . . ." said Senior Amanda Menter, making quite clear her view on the behavior policies enforced this year.

Despite all of this speculation, the roar was still as loud as ever. Orange tie-dyed t-shirts were designed by the Senior class and sold to the whole student body. The usual theme nights were held throughout the season, including Pajama Night, Orange and Black Night, Toga Night, and the ever popular Camouflage Night.

"I think the (Boys Varsity Basketball) team was strong all around, despite events that happened during the year and season. The Jungle was proud," said Senior Sarah Durkee, who was one of the most active members of the Jungle Committee.

Assemblies

A Change in our Dazing Ways

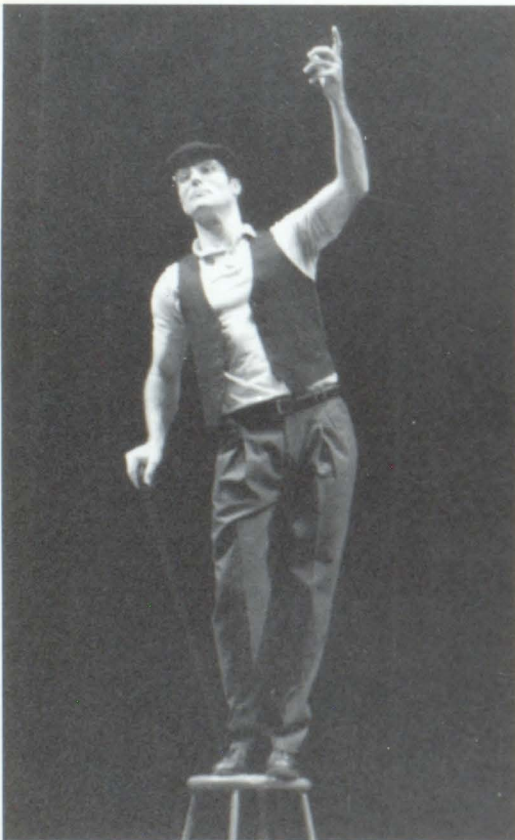

Everyone appreciates getting out of class for a school activity. We got a chance to sit back and enjoy some great performances throughout the school year. This time we had a successful group of visual experiences.

The first of the four great programs was the mime Michael Lee. He showed us how we can express ourselves without the use of words, all in a very impromptu way.

Our second assembly was sponsored by Pepsi Cola. It was a multi-media presentation about the changes and challenges we face in our high school years and dealing with choices we make about friendship, academics, and our personal leisure activities.

The Christmas band and choir concert was well organized and had a relaxing holiday motif. It offered a wide variety of symphonic and choral Christmas music.

Pippin was an experience to remember. It was opened to a limited number of students due to the amount of space in the Civic Auditorium, and was a reward for those who had excelled academically. The artistic involvement shined through. It was exciting for the student body to see their fellow classmates perform in such a theatrical event. From the props to the actors, it was a great success!

S. Marble

It all began with a silent experience! Mime Michael Lee made it all happen.

Prom

Unlock the Magic

On Saturday April 19, 1997 at the Dusseau's Hall in Ida, the biggest social event of the year took place: the 1997 Junior and Senior Prom.

The theme for this year's prom was "Unlock the Magic." Tickets per couple were \$65.00. This increase in ticket price was due to the fact that dinner was served at the prom. This elegant event started at 6:00 p.m. and ended at 12:00 a.m. Photographs were taken by "One Stop Studio" which was very efficient and did not make people wait in long lines.

Later on that night, Prom King and Queen were announced. Ballots were handed out to each couple when they first arrived. Crowned as the Queen was Katy Fasl and her date, Scot Pittman was crowned as King. This was a very memorable moment for both of them.

As a remembrance of the Prom, each person attending received a small photo album and a key chain with their prom picture in it.

Senior Camille Camron said, "I had a lot of fun dancing at Prom this year with my friends. I will always remember the good times that night brought."

After Prom

Rockin' the Night Away

The 1997 Junior/Senior after prom party was a blast. The after prom party was held from 11:00 pm to 3:30 am in the cafeteria and gymnasium. Anyone who was a Junior or Senior and wanted to go was able to attend. This year they had the normal card games, refreshments, and raffle for prizes. They also had a velcro maze and makota game. This game was like a race against the person you were playing with. You had to hit the light with your pudgil stick. The more lights you get out the higher your score was. The winner was West Marble and the prize was half off his graduation party.

When asked how the after prom was Senior Ryan Kershner commented "I thought the maze obstacle course was fun."

Around 3 a.m., Mr. Schmidt called everyone into the cafeteria to award the raffle prizes. When people first came into the party they were given a bag with tickets and playing chips. The more chips they won playing the blackjack and roulette tables, the more tickets they were given, which were in turn put into the raffle drawing. Winners received gift certificates for area restaurants, gas, and Adrian Cinema, a large fan, hand held TV, car stereo CD player and other prizes. The whole After Prom idea was started several years ago by the Parent Communications Network, and this year was especially successful.

Presents Pippin

Pippin was a wonderful experience for all who participated. Out of the 139 people that auditioned, 44 were selected to participate in the show. There were 10 gargirls, who were back up singers, and 21 troupe members who were back up singers and dancers. Then, there were the main characters, Pippin, played by Brian Hissong; Lead Player, Jay Rincon; King Charlamange, Tom Bush; Fastrada, Heather Progler; Lewis, Phil Andre; Catherine, Andrea Oatman; Theo, Ben Andre; and the two Lovely Assistants, Aja Prater and Kyrah Wiley. Participants in Pippin weren't only from Tecumseh, there were also players from Adrian, Lenawee Christian, Blissfield, Monroe, Clinton, and Sutton Elementary. "Mr. Wiley and Mrs. Andre did an excellent job casting parts. It looked as though all participants had fun!" said Junior Jill Davis.

Many people saw and appreciated the show, but not everyone fully appreciated or understood the huge amount of hard work put in by the Choral Director, Donna Andre, and Choreographer, Herb Wiley and the long hours of rehearsal put in by all. "Doing this show was like waiting in line for a roller coaster. It takes a long time to get to the point where you can perform (ride) it, but after that, it goes really fast," said Senior Tom Bush. A huge thanks also goes out to the 20 people who participated in the pit and their conductor Jim Rice, costume designers Diane Marsh and Sue Ives, set designers, and all those that helped with props and lighting. Sophomore Carrie Clute stated, "I loved what Mrs. Andre did with the production of Pippin. I liked how upbeat everyone was and the costumes were very original. Overall, Pippin was fantastic!"

Alternative Sports & Activities

What's Happenin' In T-town

What do the students that aren't football stars, the captain of the basketball team, head of the cheerleading squad, or head of the equations team do in their spare time? Most of us either In-line skate, Skateboard, hang out at Big Boy or The Pool Hall, and some of us Ski or Snowboard with the THS Ski Club. It doesn't make us losers, we just have a different idea of what's fun. I thought it would be a fresh idea to give a place in the yearbook to those of us who aren't involved in traditional extra curricular activities.

In-line skating and Skateboarding aren't exactly the easiest hobbies to persue in a town like Tecumseh, where so many areas are off limits and it is illegal to do either of these activities on the streets within the city limits.

Hanging out at Big Boy is always fun, it's a great place to talk to your friends, meet up with the group, or just kill time. Mike's Rak Tyme (the pool hall) is also a great place to hang out with all your friends and have a little pool tournament.

Skiing and Snowboarding with the Ski Club has it's pros and cons. I like the fact that everything is already planned, you just get on the bus, ski, get back on the bus and you're home. On your own you have freedom. I guess that's the price you pay for being on a school affiliated trip.

I hope you like the idea behind this page and I hope to have the opportunity to bring it to you next year.

Mike's Rak Tyme Billiards/Snooker (above) "The Pool Hall" is exactly what kids at THS have been wanting for a long time . . . Something to do!!!

Tecumseh Big Boy (left) has strangely and surprisingly become a popular hangout for the student body at THS.

Art Club Goes To...

Pittsburgh & Cleveland

The Tecumseh High School Art Club had a very busy and successful year. The club kicked off the year with the cleaning of the courtyard, then painted the windows downtown for Homecoming, adopted a family for Christmas, decorated for the Spooktacular, sponsored the annual blood drive, and went on two trips!

The Art Club travelled to a neighbor in Detroit to view an artists transformation of a run down inner city neighborhood into positive, pleasant surroundings called the Heidelberg Project. The project was started by Tyree Gyton, a resident of the area.

In the spring the club travelled to Cleveland and Pittsburgh. Members visited many interesting places including the Rock n' Roll Hall of Fame and The Andy Warhol Museum. This is the fourth year that the Art Club has travelled to a big city! "I had a good time and learned a lot about art history and experienced new forms of art," stated Sophomore Peter Saling regarding the Art Club trip. Senior Codie Horn said that "It was a lot of fun to hang out with your friends and seeing cool things."

The Art Club had a very successful yet busy year.

SENIOR Daze Past...

Looking Back

By Joy Gilpin

*Looking back on time gone by,
My mind expands and I softly sigh,
Like a gust of wind
the years blow by.*

*We're standing here on the brink of change,
And where we go know no range.
And while we're glad to be gone,
Our cherished times linger on.
The path we take is speeding along,
And the day will come when we hear a song,
Though it is but soft and faint,
We sail back there without complaint.
For here is where we grew to be
The type of people you hoped to see.*

Daze Present

The 1997 Senior Class Officers, l to r: Treasurer, Katie Emery; President, Andrea Oatman; Vice President, Katy Adair; Secretary Cyndee Brueckner; and Advisor, Mr. Fred Herman.

This year's Senior Class Officers along with those of previous years would like to extend their appreciation to Mr. Herman and the many parents who have volunteered their time to make our four years at Tecumseh High School successful and memorable.

We credit our achievements with Prom, TICWISS, the Holiday Dance as well as our well deserved Homecoming victory to Mr. Herman and his guidance. He has always allowed us accomplish our goals through our own hard work, determination, and creativity, thus making our four years all the more rewarding.

Our final parting words of advice for future Senior classes are these: remember that greatness lies in the hands of the students, and satisfaction will be achieved through the friendships and memories you will make.

Changes: Media Center Gets A New Look and Technology

With the year 2000 and the new millennium quickly approaching, THS has decided to make some major changes in their Media Center and Tech lab.

Earlier in the year, the Student Council, in conjunction with the administration, narrowed down choices for new carpeting for the Media Center and main offices. The old carpet had been there for years and was showing the wear 20+ years of students can cause. The new carpet was laid over Christmas Vacation. Much work went into preparing the area for carpeting, including packing up the many volumes of literature housed in the library, moving computers, tables and desks.

In the spring, a computer lab full of new IBMs showed up. Mixed feelings about the computers were evident through the student body. Everyone was glad to have the new computers, since the old ones were quite outdated and experienced technical troubles often. Many students are accustomed to IBMs since many have them at home, and those used in the business and info processing classes. But others had been brought up on Macs, via the Public Library's lab, the Elementary and Junior High facilities, and the Tech Bus.

Many new opportunities are expected to open up due to the new technology. Photoshop, PageMaker, Windows, and Word have been installed on the computers. While the school may be playing catch up after lagging behind compared to other schools in the S.E.C. conference, it is great to see them taking such large steps to improve the students learning edge.

Lenawee Student Political Convention

Politics in Action

This year Mr. Beham's Civinomics classes were offered a great opportunity: to represent THS in a county wide student convention which was held at the Lenawee Christian Family Centre on October 31 and November 1 from 8 a.m. to 2 p.m. Delegations from Addison, Adrian, Blissfield, Britton-Macon, Clinton, Deerfield, Hudson, Lenawee Christian, Lenawee Prep, Madison, Morenci, Onsted, Sand Creek and 58 Seniors from THS were on hand.

Check-in began at 8, and the schools were assigned areas where caucuses were held from 9:15 to 10:15. During this time, THS elected their Clerk, Alissa Ellis, Tellers Jeff Peterson and Bryan Jenkins, and Sergeants of Arms Ryan Kershner, Simone Jaynes, Barrett Biandis and Jason Cunningham. It was the hope of THS that their nominee Julia Fielder would be elected Chairperson of the convention. All delegations sent out dealers to create coalitions in order generate the most votes. Jennifer Lawrence, Jeff Eighmy, Kelley Johnson, Barrett Biandis, Sara Moore, and Tricia Harsh had this responsibility for THS. By mid-day Tecumseh had aligned with CHS, HHS, LCS, and OHS permanently.

The delegations met in the auditorium at 11:15. Jennifer Smith lead the group in the pledge of allegiance. Speeches were made by guests Doug Spade, Nick Smith, Jim Berryman, and Tim Walberg. Following the speeches the rules for the convention were brought up. Changing the order of voting was the first attempted amendment. The rules read that the votes would be taken alphabetically. Keeping with tradition, AHS and THS squared off through out the day. AHS motioned that voting be done in reverse order. After heated debate, the motion was shot down by nearly 80 votes.

During lunch more caucusing took place and by noon everyone was ready to get back to business. Unfortunately, the rules of the convention were still up in the air. Many times that day the actuality of AHS's 106 membered delegation had come into debate and it was motioned that there be a roll call of all of the schools. It was discovered that they had only 86 present. Following the roll call the Chairpersons elect began their speeches accepting their nomination. Doron Eisenscher delivered a very eloquent speech, nominating Fielder, who accepted the nomination and went on to explain why she should be elected Chairperson. Addison, LPS, DHS, Morenci, and Madison declined their Chair nominees in order to support Chris Doramis of AHS. HHS, CHS, OHS, and LCS declined theirs in order to support Fielder. The convention was adjourned 2 p.m. to be continued the following morning.

The bus ride over Friday morning was one of anticipation. Upon arrival, things heated up. Signs for Fielder were posted around the lobby areas. Possible alliance deals with Blissfield, LPS and Sand Creek were in the works. Upon the 11:15 voting time things were still up in the air. Many students took part in debates on abortion, welfare reform, juvenile crime, education reform, assisted suicide and gay marriages. These issues were voted on following lunch and the election of the chair and officers.

The coalition delegations were especially tense as all of the constituents entered the auditorium. A deal with Blissfield had been made, but Sand Creek had backed out at the last minute and LPS was split in their decision. As each delegation presented their vote, many members of the audience took notes of the numbers in order calculate the winner prior to the announcement. Doramis had won 220 to 207. Elected as Clerk was Paul VanSickle of Onsted, Renee Nino of LPS and Brandi LaVigne of Madison were elected Tellers and in the Sergeant of Arms offices were B.J. Whittemore and Paul Sturgil of Onsted, Matt VanBlack of Deerfield, and Melissa Palmer of Sand Creek.

Graduation

What Lies Ahead

After many years of being together, and going through so much this year, it was hoped that at least the weather would smile on the graduating Seniors. But, the downpour of rain on June 1 seemed to be the final raspberry blown at the Class of 1997. For the first time in over 25 years, the commencement ceremony had to be held in the gym due to inclement weather. Thankfully, the school was able to set up closed circuit television in the cafeteria for the overflow of guests and family members.

Despite graduating over 200 students, the ceremony went quickly. Speeches were delivered by Senior Class President Andrea Oatman, Salutatorian John Wertz, Valedictorians Katie Emery, Katrina Morgan, Ronee Schlegel and Breena Whelan, Superintendent Jerry Pound and School Board President Anthony Catros. Mrs. Judy Kastel awarded the Sam Brooks Memorial Scholarship to Ben Church. Mr. Walt Beham was asked to be the special speaker by the Senior Class Officers, as he had much of the Senior class for either Employability Skills or Civinomics. The diploma cases were handed out by Principal Rodney Jenkins and students were received by the School Board members. Each student was given a white rose, the class flower, by Mrs. Paula Bowman who acted as an assistant class advisor to Mr. Fred Herman this year.

Following the ceremony, actual diplomas were picked up in the cafeteria and the Class of 1997 had one last chance to be together before going their separate ways.

A Season to Rebuild

The 1996 Varsity Football team started the season off with their camp at Sauk Valley Sports Resort. "We had a lot of fun; camp rocked," said Senior Brad Wanke. Upon return to Tecumseh they began two-a-day practices. The Indians first game ended in a victory over Hillsdale. However, the following string of devastating losses after that were not expected. Despite the losses the Indians did an overall great job. They continued to work hard at practices considering the rough season.

Despite the obstacles the team faced on and off the field, players did make the S.E.C. teams. On the first team was Punter, Senior Brandon Roberts; and Kicker, Sophomore Phil Andre. Second team was Receiver, Junior Greg Abbott; and Defensive Linebacker; Sophomore Adam Ondrovick. Awarded Honorable Mention was Center, Junior Chad Gittus; Linebacker, Senior Dan Tooman; Defensive Tackle, Senior Paul Delory; and Linebacker, Sophomore Tony Kotlarczyk.

"The season was not a complete upset. We learned a lot about life and how to handle ourselves through the coaches. They are really great people in and out of football. It was fun learning from them," said Tooman. The overall record for the Indians was 1-8, but due an eligibility technicality, the record was changed to 0-9.

Frosh Football Just Getting Started

The Freshman Football team did well at first and throughout the season. They defeated Hillsdale with a score of 24-18, in their first game. In the second game they beat Lincoln, 24-12. They then battled the Saline Hornets, losing 8-13. In the game against Onsted they defeated by a close score of 20-16. In their last game of the season, the defensive players played well, not allowing Bedford to score and coming out with a score of 21-0. When asked about the season, Joel Chrch, Greg Kosh, and Josh Ely agreed that, "Despite our record, we improved throughout the season. Our lack of players at times gave other players a chance to step up and prove themselves. Overall, this season was a good learning experience. We are looking forward to our next three seasons." Coach Lewis led the team to a 4-5 season record and S.E.C. 2-2. The team did their best and gave all they could to make the season their best.

The J.V. Football team did an outstanding job winning a total of five games. They played a good first game against Hillsdale with a score of 27-20. Their second game against Lincoln finished with a winning score of 14-7. They then played the Saline Hornets losing 12-30. Their greatest game was the defeat of Columbia Central with a score of 42-0. This shows the great skills of the defensive players. With only three more games to go and a 3-3 record, the team played Chelsea. They started out slow at first with Tecumseh down 27-18. Then they started to get angry, stopping Chelsea every time they had the ball and ending with a final score of 32-27. Ken Harris commented on the season by saying, "The season was very successful. We lost some games that we should have won. But all in all the team had fun." Coach Parros and Coach Hoffman led the team to a 5-4 season record and S.E.C. 3-3. Overall the J.V. team had a very good season.

Varsity Basketball

Taking It To The Hoop

Tecumseh Indians Girls Varsity Basketball team struggled through what was a very tough season and pulled through it as a team. The team agrees that it was a great learning experience. "We had a slow, but fun season. The record isn't as good as we wanted it to be, but I believe we have the potential to do better," said Sophomore guard Amanda Moore.

Overall, the squad was very young and inexperienced on the Varsity level. Freshman Rachel Brueckner was a welcome addition to the team's lineup. Captains Andrea Yalacki and Jennie Webb were the only returning Seniors. Webb went out near mid-season with a nagging knee injury. Yalacki was much more fortunate; she broke the schools most points scored in a game record with 30 points. She was also named to the All-County first squad team, and earned many more honors through out the season.

The teams season ended on a sour note as they were defeated by Milan in the first round of Districts. Despite their disappointing record, the girls were still able hone their skills and prepare for next season.

J.V. Basketball

More Than Just A Game

The J.V. Girls Basketball team did not have the best season this year, going three of twelve, yet each game won or lost was still a learning experience that will help them in the future.

Marianne Mussleman, a Freshman, and a first time player here at THS did rather well considering the pressures of playing on a team with older girls. The same goes for Rhonda Brueckner, also a Freshman on the team. The rest of the team was composed of Sophomores, and was led by their coach, Ms. Lori Spots.

The team together, despite the losses, practiced hard and tried their best. They took their jobs very seriously and played with a lot of heart and determination. This hard work did not go unrecognized. Well done, girls!

GIRLS

Frosh Basketball Going For The Score

Although this season was not the most successful with a total of only four wins, the players all agree that they not only improved individually, but as a team.

"It's not about winning, but learning skills that will be beneficial to us in the future," said Rose Meza, power forward/center on the team. The Freshman squad experience is often referred to as a learning tool to build skills for future players.

And who better to teach them than Ms. Josette McWilliams, a former Varsity Basketball player. "Josette was an experienced coach who knew what she was doing. It was a great advantage for us to have her for our coach." Josette was a 1995 graduate of THS and with her being closer to the girls' ages, it was easier for the team to relate and work with her.

All the girls' are looking forward to playing on the J.V. and Varsity levels in the future and can't wait for the upcoming challenges.

Varsity Soccer

Shooting for the Goal

The Boys Varsity Soccer team ended yet another season with a winning record. It was the captains Scot Pittman, Ben Konz, and Brian Jenkins that pulled the team together after a somewhat shaky start. The team as a whole really did a great job making sure that they won games and most importantly, they had fun playing. The team was expected to win the district finals. However, due to some circumstances beyond the teams' control, the season ended short of ours and our loyal supporters expectations.

Captain Scot Pittman led the team in goals with help coming from Jon Dalton. Other scoring leaders were Konz and Andy Slaughter. The seemingly impenetrable defense was led by Captains Konz and Jenkins with assistance from Matthew Clark, Brian Radant, and Erik Snyder. The team was also blessed with two of the best goalies in the conference, Jamie Horn and Chris Alexander. Even though the team fell short of its goals of winning the SEC and eventually Districts (which they were quite capable of), they still had a successful season and entertained many local supporters.

Undefeated Streak Continues

The Tecumseh Boy's Junior Varsity Soccer Team finished strong once again under the leadership of Coach Mike Seal, who is known for his ability to coach talented teams. The team ended the season with a record of twelve wins, no losses, and only two ties. Captain Mike Konz helped lead the team to an undefeated season in the SEC only tying once to rival Saline late in the season.

Strong defense was played through out the year as they were only scored on five times all season, while their offense scored 45 goals total. Vincent Cox, Jimmy Torres, and Robby Torres, were the foundation for the teams defensive success. Excellent goaltending came from David Dwarzski and Willie Harmon. Players say that their success wouldn't be possible without the guidance of Coach Seal.

The J.V. squad is a proving ground for future Varsity players, and several players got the opportunity to play on the Varsity level during Districts. Most of the Sophomores on the team will be taking the places of the leaving Varsity Seniors, many of whom have played at that level for over two years.

Varsity & J.V. Golf

PUTTIN' TO A GREAT FINISH

The golf teams again returned young squads. The terrific Varsity team was led by the superb talent of two Sophomores, Chris Pomy and Matt Spohr. This year Chris and Ryan Spohr took spots on the All Region First Team, while Sophomore Mike Feldkamp earned an Honorable Mention.

The Varsity team had a great year, finishing with the outstanding honor of taking second place in the highly competitive S.E.C. The team had one lone Senior, a Junior, five Sophomores, and one Freshman. Since the team is very young and are expected to improve in the next few years, we Indians should be very proud. Great job guys!

The Junior Varsity also had an exceptionally great season with the undefeated record of 11-0 in the S.E.C. The squad was made up of eight Sophomores and one Freshman. Ryan Folgmann led the team to this exceptional season.

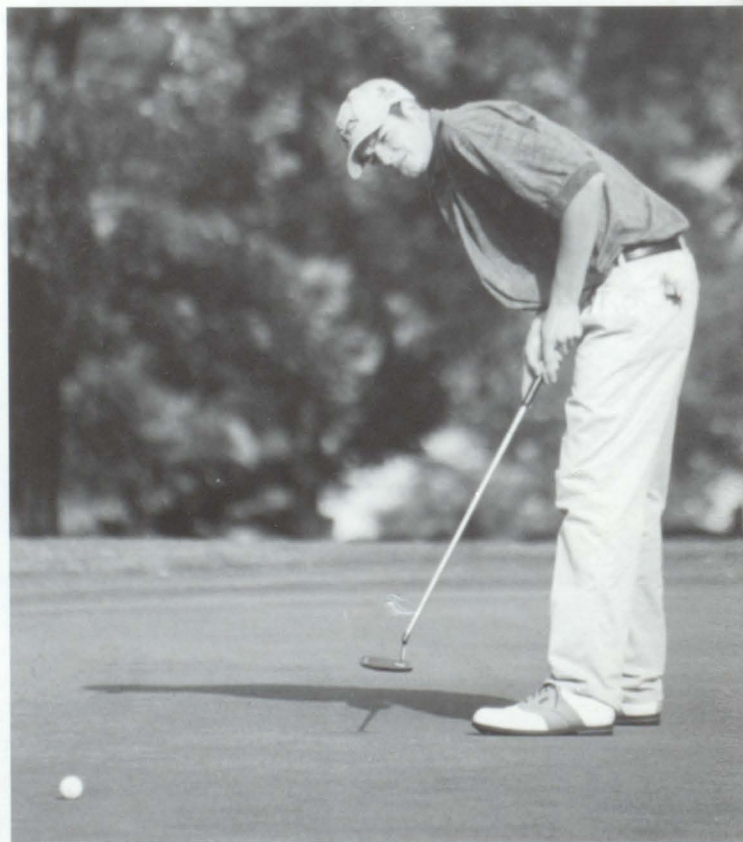

This year the golf teams showed great athletic skills. We can expect next year's team to be spectacular.

GIRLS Cross Country

A Season of Renewal

The 1996 Girls Cross Country season was not like it has been in years past, with countless trophies, victories, and record-setting individual and team performances. Rather, it was a season of renewal. The seven devoted ladies on the team worked hard to rebuild a base after the loss of several runners to graduation. Senior Amy Pasternak and Junior Jennifer Brown are the only two remaining runners from the history making 1994 team. However, this doesn't mean the 1996 season was unsuccessful. Junior Megan Banfield qualified for the State Meet and placed 71st, and was later named to the Ann Arbor News 1st team and the Daily Telegram 2nd team. Pasternak and freshman Aryn Austgen were named to the honorable mention squads in both the Ann Arbor News and the Daily Telegram.

The elimination of dual league meets and the addition of three "Jamborees" proved unpopular amongst the girls. "With such an inexperienced team, we needed those extra races to bring our times down. I think the Jamborees hurt us, both physically and mentally," stated Pasternak. Coach Fox disagreed. "I liked the Jamboree. We could see how we improved each meet."

The girls did have fun this season. "Cross Country is the most fun when you're not running!", exclaimed Catherine McArar. Banfield added, "The State Meet was a disappointment because none of my teammates were there and I'm so used to their support."

Tecumseh High School should look forward to the continued success of their ladies cross country team.

Senior Andrea Oatman was a rookie who showed much improvement over the season. She often stepped up in key races.

BOYS Cross Country

A SEASON OF DREAMS

The 1996 Boys Varsity Cross Country Team had a pretty decent season. As team captain Dean Hoover put it: "For a team full of rookies, we had an OK year. We have a lot to look forward to." The boys enjoyed a win over Columbia Central as well as a second place finish at the tough Onsted Invitational, held at Sauk Valley Sports Resort. One of the many rookies on the team was Junior Jason Austgen, who earned honorable mention in two local newspapers. "Cross Country was a great experience-we had much support from our teammates, and we had a lot of fun."

Junior Ryan Inks was another outstanding rookie. Ryan earned a spot on the Daily Telegram All-County Cross Country Team as well as the Ann Arbor News All Area Team. Ryan also qualified for the State Meet, where he earned 25th place. Dean Hoover, Bill Carter and Jason Austgen were other athletes who earned All-Area or All-County honors. Senior Sean Anderson was yet another rookie who improved greatly over the course of the season. "Cross Country is the best sport in the entire world," noted Sophomore Peter Saling.

So why does the future of Indian Cross Country look so bright? Because only three members of this rising team will graduate this spring, one being Bill Carter, Mr. Cross Country himself. Bill has run 2,284.9 miles during his career, topping any previously set record. "Run fast, get cookie," are his words of advice.

Sophomore Peter Saling has the look of exhaustion on his face as he completes his race.

Senior Bill Carter races to yet another great finish against Ida. Bill finished up his four-year-career and was awarded with the 1996 Harrier Award, the highest Cross Country honor.

Swimming & Diving

Getting In The Swim Of Things

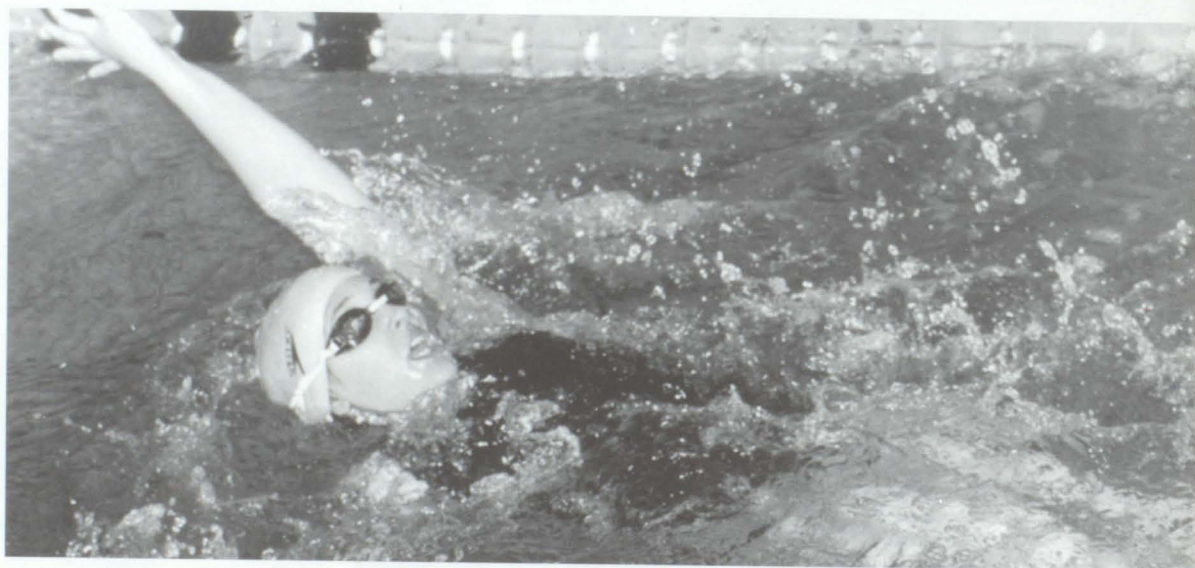

The 1996 Girls Swimming and Diving team had an outstanding season this year. They got off to a great start by winning their first three meets. Taking first place in both the S.M.I.S.L. relays and league meets they displayed their determination and skill.

Team effort was a key factor in their 10-5 season. The team consisted of 18 dedicated girls. During both practices and meets the girls swam and dove to their fullest potential.

Several team members exceeded expectations this season by setting varsity records and qualifying for the state meet. Varsity records were set in the 200 freestyle relay set by Lucie Bartkowiak, Amy Brown, SueAnn Cole and Kelly Murphy, 400 freestyle relay by the same squad, and the 500 freestyle by Kelly Murphy. The team qualified four swimmers (Senior Lucie Bartkowiak, and Sophomores Kelly Murphy, SueAnn Cole and Amy Brown) and three divers (Senior Devon Cunningham, Junior Erin Durkee and Sophomore Sarah Sears) for the state meet. Outstanding effort resulted in an exciting season for the THS girls swimming and diving team.

Jungle Fever!

With just five returning Seniors, this year's Jungle pleasers looked to be somewhat of a disappointment. But the lack of experience didn't hinder this team too much. "We finished 10-11, but lost most of our games by five points or less. We were better than our record showed," stated Senior co-captain Matt Peters. Nearly everyone would agree.

Our Indians played a pretty good game, but had difficulty in key scoring moments. Junior Joel Schick, another co-captain, added that, "The season was great at times and disappointing also." The TICWISS game versus SEC foe Dexter was a close one, but our boys couldn't quite hold off their tough defense and lost. Schick also said that "as a team we went through a lot together and had a strong team bond."

This year's eight Juniors are looking forward to a great 1997-1998 season as seniors. The last game of the year was a district game versus Ida, our team lost by a single point. "Everyone worked hard all season in games and practice," quoted Brian Radant.

Junior Joel Schick was one of the team's captains. Joel was a very exciting player to watch, often being the top scorer for the Indians.

Shootin' Hoops

The Boys 1996-97 Junior Varsity team had a great season this year. They had a few games that were down in the slumps but they brought their record back up at the end, finishing 13-7 overall.

The team went 8-4 in the tough Southeastern Conference, falling to perennially good teams like Saline and Pinckney near the end of the season, after beating them earlier. They were defeated by Milan in overtime at the end of the season, but won two back to back overtime games, one versus Dexter and the other against Hillsdale.

Tecumseh played an outstanding game against Northwest as they finished with a commanding 15 point lead. They also lost a very close game to non-conference rival Adrian, 44-45, earlier in the season.

Next year they will really pull together as a team and give their opponents some tough competition.

The Next Generation

The Boys 1996-97 Freshmen Basketball team started their high school year with an excellent season.

"We were proud to have had a winning season to start off high school basketball careers here at THS, and we are looking forward to the seasons to come," agree Freshmen Basketball players Rob Torres, Collin Coughlin, Gavin Brink and Greg Koch.

The team ended 7-4 in the Southeastern Conference, and lost only once against a non-conference team. As a Frosh team the boys got the chance to play against other schools that the J.V. and Varsity didn't, due to other school's Frosh sports programs, such as Jackson Northwest. Overall the team finished 14-5.

Congratulations on your first year in high school. Good luck in the next three years to come.

SPIKING IT OUT

The Tecumseh Girls Varsity Volleyball Team played a long but hard aggressive season this year. The team was made up of only 3 Seniors, 6 Juniors and 2 Sophomores this year. This was a mixture of different people. Junior Stephanie Catros commented, "Our record showed a little of our success this year. We were young, but with lots of experience we will have a better season next year."

These ladies have had a lot of experience, but not all together. They learned a lot this year to help them have an even better season next year. "Even though our record didn't reflect the talent our team had this year, we still had an enjoyable and memorable season," commented Senior Ronee Schlegel. Sophomore Sonja Halsey, a Varsity newcomer commented, "Our season wasn't to our favor but we stuck together and made it a fun season." With the experience these ladies have had playing they are going to have a great season next year.

Bumping Their Way Up

The Tecumseh Junior Varsity Girls Volleyball team had a good season and a great learning experience. Although they were made up of a few different teams, they tried as one winning Junior Varsity Team. They have some of last years J.V. players, Freshman team players and some incoming new freshman. They hadn't had a lot of experience playing before, but they overcame that challenge and worked very hard to pull together and learn to play as the team they were. Sophomore Megan Hunter commented, "Our team played a good season, but didn't play that way at first. After coming together as a team we played better and had a fun season, even though our record didn't show it." As the year progressed they played better as a team and worked a lot harder to have a winning season, even though their record didn't show it. This is working toward having an even better season next year.

The Tecumseh Freshman Girls Volleyball team worked together to make their season a successful one. They have a lot of talent and were able to work together as a young team. The ladies pulled together and worked hard to win the Columbia Central Volleyball Tournament. This was a great accomplishment for the netters. "Our team played well; we won a tournament despite our record. We had more fun in practice than any other team, but as a result our season record suffered," commented Rose Meza.

The girls worked together as a team and made a really good team playing together with a lot of experience. Another team member, Shay Barnett, added, "We had an interesting team, which set us up for an interesting season." Their record showed their successes through the season and they should have an even better season next year.

A Test of Strength

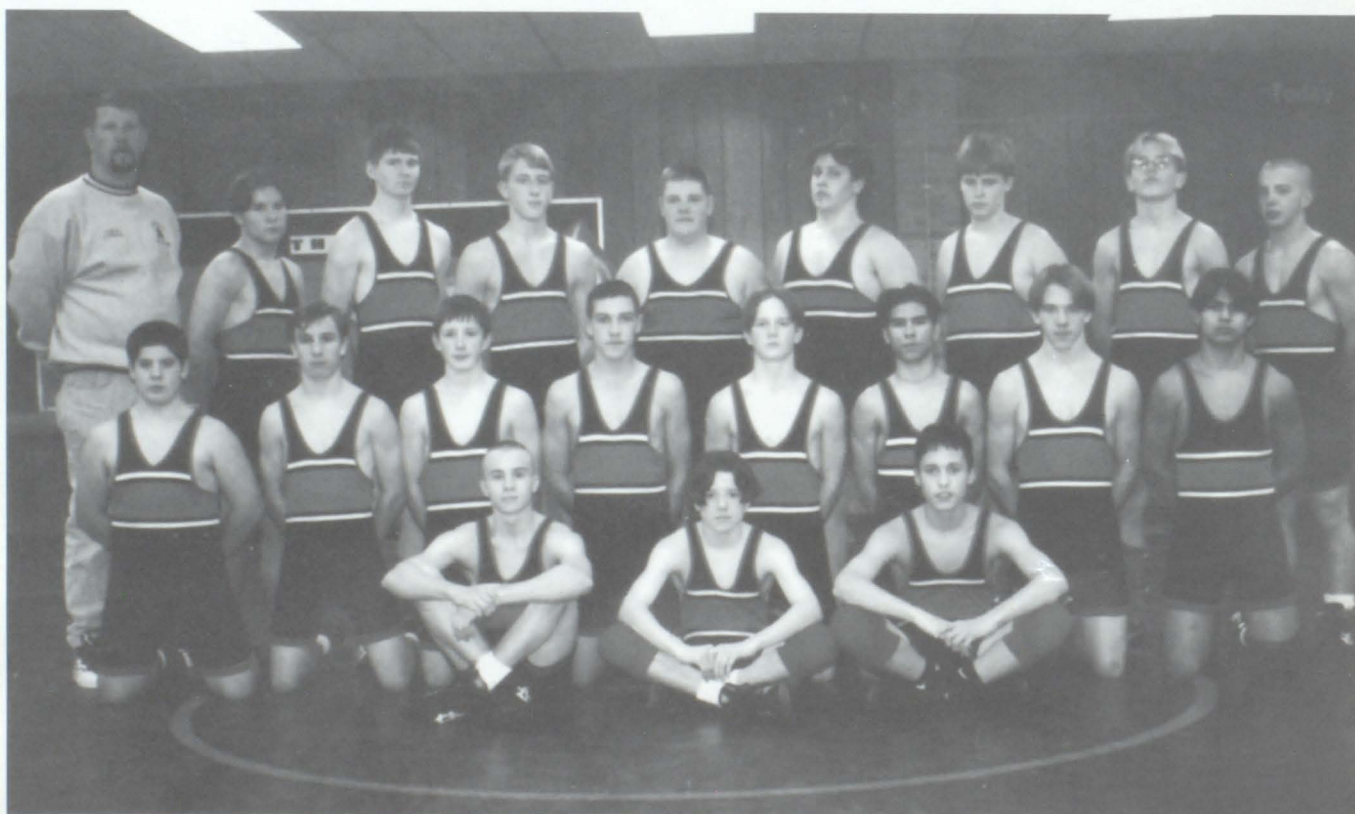

Tecumseh Indian Wrestlers had an overall great season. The Wrestlers worked together really hard to achieve their goals. The Varsity wrestlers, as well as Coach Connors, worked with the new wrestlers that came in this season, to make sure that the goals they set were achieved.

Greg Stoddard showed that hard work pays off. He was Champion at SEC with a time of 3:46. Steve Stoddard also did very well this season by placing 3rd in the league. Tom Hawkins also placed 3rd. in the league. Freshman Casey Ery placed second in the league and Jon Wines placed 4th. Sophomores Cody Arriaga and Brandon Bledsoe, and Juniors Matt Maloy and Steve Stoddard shared the spot of 4th place. "Wrestling is the hardest six minutes in sports. I'm real pleased of how well we wrestled as a team," said Tom Hawkins.

The team ended their season with a record of 6-13 overall, and 2-5 in the S.E.C. "Even though the record doesn't show it, the team gave it their all," said Ed Mathis.

Team captain Jeremy Joslin helped to lead the boy's '96-'97 swim team to a 11-5 season. Congratulations to the swim team on their efforts displayed this season. The team showed dedication and pride in their team during all practices and swim meets.

Diving was a strong point this season. Freshman Geno Rebottaro broke the varsity record in diving and placed first at the state meet. Coach Reed was a large factor in the success of the diving team.

Several individuals were able to not only swim personal best but were also able to set Varsity records. Personal bests were swum by Senior Jeremy Joslin, Junior Josh Tuberville, Freshman Matt Stretch, and Freshman Eric Allshouse. Varsity records were set by Rebottaro in diving and by Joslin and Tuberville in swimming. These individuals, with the help of their team, produced one of the most successful seasons in THS history, and sent many participants to the state meet at EMU. "I took a lot of pride in being captain of the team this season. They're a great group of guys," said Joslin. The teamwork that was displayed this season was truly outstanding.

Varsity & J.V. Cheerleading

Climbing to the Top

Who peps up the THS sports teams? The cheerleaders, of course! The cheerleaders here at THS do more than just scream and shout. The Varsity Squad attended camp this summer at Central Michigan University to perfect their skills and learn new cheers. They also held two Little Cheerleaders Clinics and worked with about 120 future cheerleaders during football and basketball season. At the end of the clinic they put on a halftime show. "The Little Cheerleaders Clinic was a huge success. We learned a lot from the little girls and they learned a lot from us," said Varsity cheerleader Angie Higgins.

The cheerleaders also get to participate in pep rallies, games and the fall and winter Homecoming festivities. "The Homecoming Parade was a blast," stated Sophomore Paula Hendricks, "riding on the mini fire truck was a fun experience." During basketball season, the cheerleaders made goody bags for the players to enjoy during away games. Behind every good man is an even better woman, and we know that our cheerleaders will always be there to support THS athletics.

Sophomore JV Cheerleader Martha Fowle was the smallest cheerleader, therefore, she was the one who was literally "thrown around".

Varsity Baseball

Stepping Up To The Plate

Like many of THS's sports, the Varsity Baseball team also experienced a rebuilding season. Facing the loss of many veterans to graduation last year, the coaches had to move down through the ranks to find the talent to step up and perform at the Varsity level. Leading the team were Seniors Scott Bailey and Justin Doehring, and Junior Todd Wriska. The team was comprised of six other Juniors, two Sophomores, and five Freshmen. "We're going to have to play with a lot of heart," said Bailey. And they did.

The team tackled a tough schedule, playing many ranked teams including Adrian and Chelsea, all in the hope of using the experiences to strengthen them. They also hosted the Tecumseh Invite and took part in the Sturgis and S.E.C. tournaments. In each tournament they went 1-1 for the day.

Overall, the squad played to a 12-22 record, and 3-9 in the S.E.C. "We did better than anyone expected," said Freshman Dan Baker. Despite the rough season, the members learned a lot about the importance of team work and that no matter what their experience or grade level is, they have something to contribute to Tecumseh athletics.

J.V. Baseball

Covering the Bases

The J.V. Baseball team put up quite an effort this season even though they met with limited success. Although their record was under .500, they won a couple games against some big teams like Hillsdale, Columbia Central, and Adrian.

When Tecumseh did prevail, it was helped by the "nightcapped" antics of Sophomore Derek Atkinson on the mound, who takes the distraction factor to a whole new level. Sophomore Ryan Folgmann was also a great addition to the pitching staff.

The Tribe split double headers with Pinckney, Adrian, and Clinton, and handily defeated Hillsdale, Columbia Central, Stockbridge, and Milan. Offensively, a lot of great plays came from the Harris brothers, Sophomore Ken and Freshman Eric. Sophomores Nate Wolfe, Vincent Cox, and Jim Torres were also contributors.

On the whole, the team played well together despite the rough schedule, and even through the losses tried to make the best of the season. Their final record in the S.E.C. was 3-8, and 10-15 overall.

Stepping Up To The Plate

The Freshmen Baseball team had a great season this year posting a final record of 12-8-1 overall and 5-5 in the S.E.C.

In seven of 21 games Tecumseh put up ten or more runs. The team also allowed their competition only three or less runs in nine of their games, and had one shut out, thanks to a terrific pitching staff.

After a tough start with a record of 4-6-1 midway through the season, the Indians really picked it up to climb above .500 by the end of the season. The biggest disappointment was being shut out twice in a double header by Saline.

For the last 10 games, the Tribe went 8-2, splitting double headers with S.E.C. rivals Saline, and Milan, and soundly defeating Riverview, Chelsea, and the Britton/Deerfield Junior Varsity squad three times.

The Frosh squad was well rounded and equally effective on offense and defense. Many players are looking forward to moving on to the Junior Varsity and even Varsity level in their Sophomore years and beyond.

Varsity Softball

Hittin' to the Top

With an outstanding record of 29-9, the Varsity Softball team had an extraordinary season. While the squad consisted of seven Juniors, four Sophomores and one Freshman, this powerful team proved age doesn't always matter.

Working their way into a difficult season, the team, coached by Greg Lewis, Carlo Mobley, and a new face, Gary Nowak, was able to come up with many victorious moments, including a first place finish in the Tecumseh Invite.

The Varsity Indian Tribe made many memorable moments in S.E.C.'s and Regionals. In the S.E.C. tournament they came away with two wins over Dexter and Lincoln, but suffered a devastating 14th inning loss to Saline.

Junior Marcy Mobley had a wonderful season coming in fourth place for number of strikeouts in a season in the state of Michigan. The teams S.E.C. record was 8-4.

JV & Frosh Softball

Putting 'Em Together

The Frosh softball team, determined as they were, had a slow start this year. Facing tough teams such as Adrian, Saline, and Brighton, they had some unfortunate losses. With the rest of their three games canceled due to weather, they didn't have much playing time or experience.

On the contrary, the J.V. softball team was off to a terrific start. Starting their season with Blissfield, Hillsdale, and Lincoln they advanced their record to 6-0. Moving on to tougher games the team was having a little trouble proving themselves successful.

After trying for three years, Kathy Stuewe, coach, was finally able to participate in the Clinton Invitational. Playing competitive teams like Ann Arbor Pioneer, Jackson Northwest, and Clinton the J.V. team played as hard as they could, coming away with a fourth place finish.

With six games left in the season it was decided that the Freshman and J.V. teams would be combined. Understandably, neither of the teams were too thrilled with the decision. But, problems were worked through and slowly everyone adjusted to the idea.

After the teams were combined they worked well together and came away with 15 wins. The team ended up with a season of 15-16 and 7-7 in the S.E.C. Freshman Rachel Brueckner enthusiastically stated, "Playing on the J.V. softball team was a great experience and a great chance to make new friends."

Kick Some Grass

For Seniors Jen Smith, Andrea Oatman, Tricia Harsh, Janna Roe, Lori Warren and Alice Schneider, it was their last season and as it unfolded, they hoped to make it memorable. Smith and Oatman were elected captains early on, and they were expected to help carry the team to greatness, as the only returning third year Senior Varsity players.

Two Sophomore players, Amanda Moore and Andi Pieh, were brought on to the roster this year, after proving themselves capable players in their Freshman year. Also, foreign exchange students Kristina Paksi and Lisa Petersson joined the team.

The team on a whole played well this season, and were lead by veteran Coach, Jose Mejia. They often were a scoring machine, due to the talent of Junior Michele Garcia. Defensively, Junior Linda Greene made many impressive saves while in goal.

While the girls season ended on a rather sour note, being bumped from districts in the first round by Dearborn Heights Crestwood, they are proud of their improvements this year and plan to continue to gain ground next year.

J.V. Soccer

Go Indians!

Composed mainly of Freshmen and new Sophomore players, this season was an uphill battle for the J.V. team.

Sophomore Kelly Meyer was in goal for her first year on the team and she was able to produce 7 shutouts during the season. Offensively, Freshmen Jenni Dalton and Amy Seal were both very powerful, and overall everyone on the team contributed. Sophomore Andi Pieh played on both the J.V. and Varsity teams.

Despite the teams record of 2-4-4 in the tough S.E.C., and 4-6-5 overall, they made the best of the season. This year they faced a developing Onsted team, along with rival county Adrian and conference dominating Saline and Pinckney. Wins came easy for the Indians when facing Ypsi-Lincoln, who is still building their young program, but overall the girls faced many teams that were at the same level and came away with 5 ties. With many Seniors on the Varsity level leaving, it is expected that some of these girls will step up and join the ranks next year.

Track & Field

A Great Start

The 1997 Girl's Varsity Track Team found themselves with a brand new coaching staff and no senior leadership this season. "We had a rough start with the coaching situation, but things turned out OK," said Junior Jennifer Brown. Juniors Deanna Vogel (sprints), Amber Kimmitt (sprints) and Dominique Walker (shot/disc) and Sophomore Leanne Pasternak (sprints) were returning letter-winners the new coaches, Matt Peterson, Dee Reau and Mike Schwenee, had the chance to work with. Sophomore Missy Arter from Belleville also proved to be a pleasant surprise, and was ranked in the top two or three county-wide in both the 300 and 110 meter hurdles. The distance area was lacking this season, but Junior Tori Whelan lead the pack.

The sprinters took home much glory this season. The 1600 meter really team of Leanne Pasternak, Missy Arter, Amber Kimmitt and Deanna Vogel placed third in the State Meet, qualified for Nationals, and broke the school record. The 800 meter relay team of Pasternak, Vogel, Kimmitt and Jessica Furgason placed ninth at the State Meet, and Vogel also qualified for State and Nationals in a few individual events as well.

Hidden Talent

The 1997 Boys Varsity Track team consisted of several old and new members. Seniors Bill Carter (distance), Marc Magos (hurdles) and Craig Schram (shot/disc) provided leadership and experience for new head coach Matt Peterson. Newcomers Junior Greg Abbott (sprints) and Sophomore Jeff Trapp (sprints) were pleasant additions to this young team.

While they went 0-7 this year and placed 7th at the S.E.C. meet, there were still many personal successes. Abbott performed well in all meets, and made State in this, his first year. His classmate Geoff Fairbanks also made State, in the pole vault. Several underclassmen stepped up and performed under pressure.

The team is still young, and it is hoped that with time they will improve and dominate the S.E.C. Over half of the team was composed of Sophomores, and if they decide to stick with the track program, T.H.S. shows real promise on the track.

To You

For all the months or years that went by
Without anything being said
Your loveable smile shielded us
From what was really in your head.

The days of the past and yet to come
Are the hardest they will ever be
But I know that you're still with me
Eventhough you can't be seen.

I need you here to help me, Jay
To share my ups and downs
And even though you've gone away
You'll always be around.

For in my heart, you'll never die
You'll be there 'til the end
Jay, this is my good-bye
Until we meet again . . .

ACADEMIC ACHIEVEMENT

Going Above and Beyond

VALEDICTORIANS & SALUTATORIAN OF THE CLASS OF 1997

Kathryn Emery, Katrina Morgan, Veronica Schlegel, and Breena Whelan were the Valedictorians for the Tecumseh High School Class of 1997. John Wertz was the Salutatorian.

Kathryn is the daughter of Tom and Pat Emery. In the fall she will be attending the University of Michigan. She has been active in J.V. and Varsity Soccer at THS, along with the Tecumseh Area Soccer Club and Ann Arbor Indoor Club, French Club, National Honor Society where she was secretary this year, Fellowship of Caring Athletes, National Math Honor Society, Varsity Club, Jungle Committee, and was class Secretary both her Junior and Senior Year.

Katrina is the daughter of Arthur and Beverly Morgan. She plans to attend the University of Michigan. She has participated in J.V. Soccer, the Art Club, Spanish Club, Winner's Circle, National Honor Society, Meals on Wheels, and S.A.D.D. She was selected by her classmates as a D.A.R. Good Citizen, and was also a National Merit Scholar, Senior of the Month, and NHSRP Scholar Finalist.

Veronica Schlegel is the daughter of Roy and Roseann Schlegel. She will be attending Michigan State University to study packaging engineering. Her extra curricular activities include Student Council, National Honor Society, French Club, Varsity Club, Fellowship of Christian Athletes, Jungle Committee, and class Vice President her Sophomore and Junior years. Athletically, she participated in AAU Volleyball, J.V. and Varsity Basketball, J.V. and Varsity Volleyball, and Varsity Track. She was also on the all academic volleyball team, and attended the Sleight Leadership Conference.

Breena Whelan is the daughter of Gordon and Lori Whelan. She plans to study nursing at Grand Valley State University. She was a member of Varsity Club, Fellowship of Christian Athletes and the French Club, along with participating in J.V. Basketball, J.V. and Varsity Volleyball, and J.V. and Varsity Soccer. She was a Michigan Tech University Science and Math Scholar.

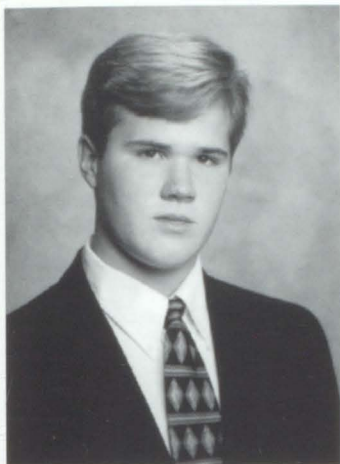

John Wertz is the son of Timothy and Janien Wertz. He plans to attend Calvin College to study biology. He participated in National Honor Society, French Club, Pep Band and was the leader of the trumpet section of the band.

SAMUEL BROOKS MEMORIAL SCHOLARSHIP

Ben Church was awarded the Sam Brooks Memorial Scholarship this year during the Graduation ceremony.

Sam Brooks was a member of the Tecumseh High School Class of 1969 who was killed in a motorcycle accident shortly before his Graduation. His classmates created this memorial scholarship in 1970 and every year it is awarded to one Senior boy who is nominated by his classmates, then selected by a board of 1969 Graduates. The recipient of the award is one who embodies many of the traits that Sam held. This honor was bestowed upon Ben by Mrs. Judy Kastel. Upon receiving the award, Ben thanked both Mrs. Kastel and the board, and obviously realize the importance of what had been given to him. Besides the scholarship, he also received a desk set and his name was engraved on a plaque that hangs in the foyer that lists the recipients each year. Tom Bush and Doron Eisenscher were also nominated.

KIWANIS SENIORS OF THE MONTH

Kierstin Curth, Matt Peters, Andrea Oatman, John Wertz, Shelly Huang, Ryan Hinkleman, Ben Church, Dorie Zorn, Rebecca Stites, Doron Eisenscher, Bill Carter, Katrina Morgan, Ronee Schlegel, Kirsten Brink, and Cyndee Brueckner were all elected Kiwanis Seniors of the Month during the school year. Many Seniors names were put on a monthly ballot, and teachers were asked to vote for a male and a female each time. In June all were invited to a dinner where they were honored for their achievements.

GIRLS AND BOYS STATE

Girls and Boys State is a chance for Juniors who are interested in politics to take part in the political workings of a nation state or city. Those who are interested go through an application process. Attending Boys State this year are Andrew Feldkamp, Todd Wriska, Troy Quigg, Chris Cetnar, Josh Miller, and B.J. Randall. The alternates are Scott Kleman, Jake Stucky and Andrew Yagiela. Attending Girls State are Catherine Menyhart, Andrea McDonald and Maggie Baldwin. The alternate is Kristin Rapin.

Those attending will help to create their own nation where they will define laws and rules to live by, much like the American founding fathers, as well as elect leaders.

H.O.B.Y.

This year's H.O.B.Y. representative from the sophomore class was Jessica Beach.

H.O.B.Y. stands for Hugh O'Brian Youth. Jessica had the opportunity to take part in a leadership conference in May with other girls from Michigan who were elected as H.O.B.Y. representatives for their schools.

In order to be eligible, she and other entrants were asked to write an essay on their community and school involvement.

BAND

Hitting All The Right Notes

Whether it was the Marching, Jazz, Pep or Symphonic Band, all members were hitting the right notes this year.

Tecumseh High School Shooting Stars Marching Band did a tremendous job performing during the football season. They had some really creative drills planned for their halftime performances. They were lead by teacher Mr. Jimmie Rice and Drum Major Senior Keith Coates.

The Pep Band did very well performing at the Varsity Basketball games. It is student organized and their goal is to have fun but still sound like a musical organization. Members had to commit to many practices and most of the games.

The Jazz Band is a volunteer group that meets as often as possible to prepare big band jazz selections to play at various band concerts throughout the year.

The band class put on a Christmas Show in conjunction with the Choir and Company, and also had a major role in the spring Collage Concert, "The Art of Collage".

CROSS-AGE TUTORING

Our Teaching Daze

The Cross-Age tutors had loads of fun this year helping with the smiling faces of the younger generation. The tutors spent about one hour a day with a class at one of the elementary schools, Herrick Park, or the Middle School, during either third or sixth hour. While there, they helped the teachers, and worked or did projects with the kids. One of the big highlights for the tutors was cross-age exchange day. Some children came to spend the day with their tutor through all their classes. They ate lunch in our cafeteria, sat in our big desks, and watched all the different people walk by in the halls. Everyone would agree that we all were delighted to have them around. Cross-age tutoring is all about helping out kids and adding to their education.

Senior Jennie Selbert said, "I really enjoyed the experience, working with the kids was great." To the past, present, and future Cross-Age Tutors, keep up the good work!

VO-TECH

Training for the Future

Another year has passed giving 11th and 12th graders a day by day career training program to help them to see what the real world is like before they hit that big campus or the work force. Vo-Tech is a great learning and fun experience for the upperclassmen to earn high school credits, sometimes while getting paid.

There are many courses to choose from. Accounting, Building Trades, Agriculture, Auto Body, and Dental Aide are only a few of the classes in the curriculum. Besides the classes, attendees also have the opportunity to join Future Farmers of America, Business Professionals of America, and other clubs through the school.

For all that attend Vo-Tech it is a hands-on experience for the career of their choice. Instead of just sitting, listening, and taking notes about it, they are actually doing it!

Everyone enjoys riding to Adrian to do something more than sitting in a classroom. Vo-Tech will always get two thumbs up!

YEARBOOK

Reliving Our Memories

Advisor Mrs. Marble gives advice on how to sell yearbook ads for the yearbook.

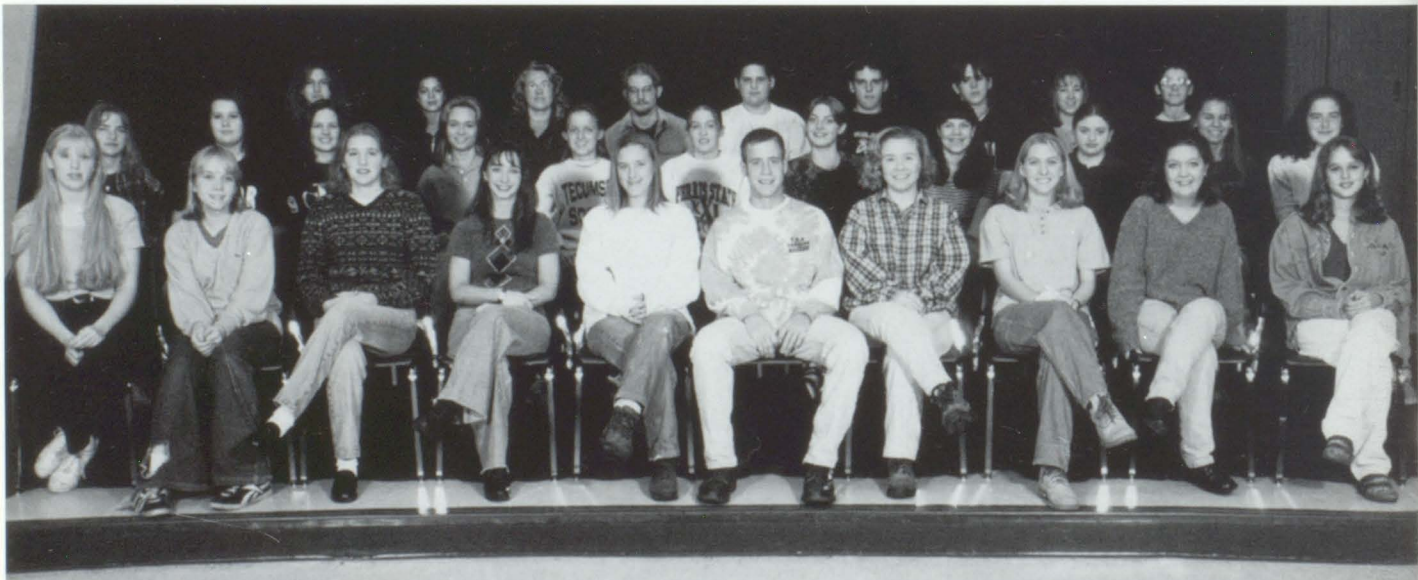

"School Daze" became the theme to the 1996-1997 yearbook. Deciding the theme became a major task for the yearbook staff this year. The class of 36 students brainstormed and voted over a course of two weeks, when the class finally came to a conclusion. Besides "School Daze" being the theme, it is also the title to the poem written on the first page. Even our cover has to do with a "Daze". We took an idea from a poster and manipulated it to fit our school colors and our theme to our yearbook. The cover was another hard decision for the staff.

The class had a number of fund-raising activities. The list includes selling candy, key chains, and bumper stickers. Another was sponsoring the Halloween dance with the Journalism class. A live student band played called "Crimson" performed along with a DJ at the dance. The dance received a great response from the student body.

Tis' the season to be giving. To help out the less fortunate, the publication classes adopted a family for the Christmas season. The classes hope to continue this good act for future years.

JOURNALISM

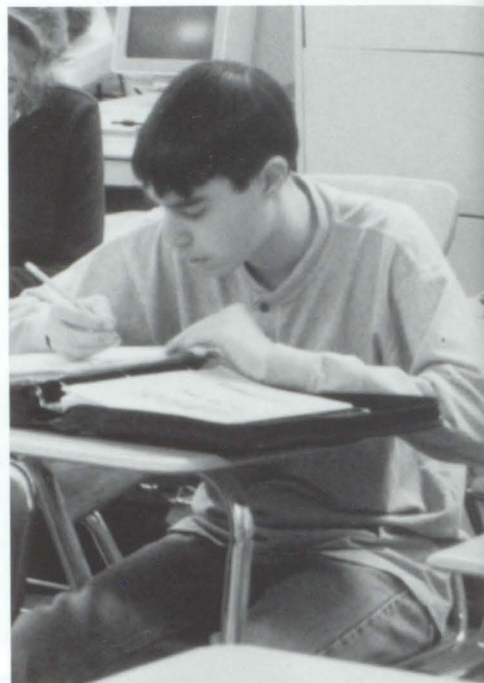

THS Tomahawk

The Newspaper staff started off the year by giving the paper a new name, going from the Tribune to the Tomahawk. They also made some major steps in production, changing from the usual cut and paste layout to doing it all in PageMaker 5.0 on computer.

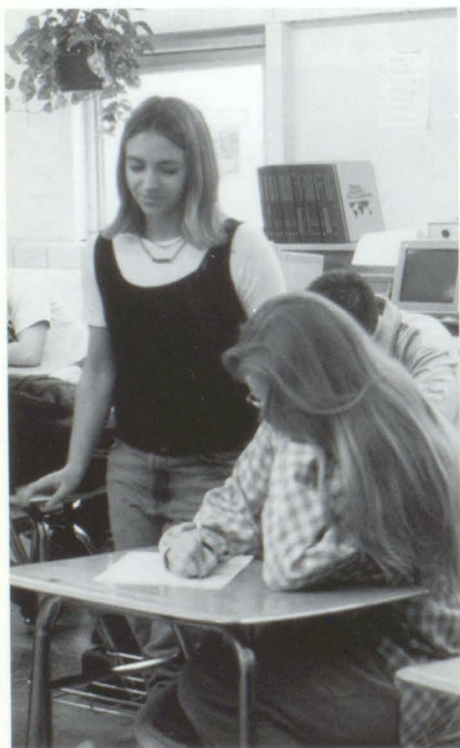

This year the staff was lead by Junior Stephanie Catros in the position of Editor in Chief. She made many writing assignments and made major decisions, besides laying out the Front and Opinion pages. Section Editors Junior West Marble, Student Life, Senior Nicole Porter, Senior Matt Habecker and Junior Rachelle VanZandt, Entertainment, were heavily involved in the daily decision making and production. Some issues had special section editors, like Senior Josh Seames for Josh's Homepage, and Sophomores Jessica Vavrinek and Claire Waltman for Foreign Exchange, Pippin, and Spring Break.

Thanks to all of the hard work put in by all of the staff members, the Tomahawk increased its quality and had a terrific year overall.

ADVANCED PLACEMENT CLASSES

Enriched Education

Looking for a challenge? A way to enrich your academic career? Possibly earn college credit? Try an Advanced Placement class on for size.

THS offers three AP courses: Art, English and French, taught by Ms. Heidi Dauphin, Mrs. Paula Bowman, and Mrs. Janet Wilson, respectively. In applying for the classes, one must have attained a certain academic level in past classes of the same subject, and for Art and English, an essay must be submitted before entrance is granted.

After admission is granted in the spring, the real fun begins. Summer work is assigned and is usually due the first or second week of school. During the school year, a lot is expected of the students. The French class speaks only French in the classroom, and concentrates their learning on literature and history, as well as advanced grammar. AP Art students are able to work with more media than other classes and are expected to finish about one project a week. English students study a wide variety of authors and types of literature. Many books are read and their meanings are discussed in depth, after which an essay is usually written. Several students carried a combination of the classes, or all three.

In the spring, tests are available for the students to take in English and French, and a portfolio is due in Art. Upon consideration of these items by an AP board, it is decided the amount of college credit the student receives, anywhere from one to five credits, depending on the college the student will be attending.

There are more AP classes slated to begin next year, opening many doors for students at THS, and bringing the school up to the standards of other local schools who have many AP classes.

Mike Hoffman created this fish tank in his AP Art class. His work in general, along with this piece, generated a lot of positive comments.

Members of the Advanced Placement English class take part in one of the many group discussions that took place over the year. The class spent a lot of time discussing the meaning of literary works before writing essays, and group input was often helpful.

MTV

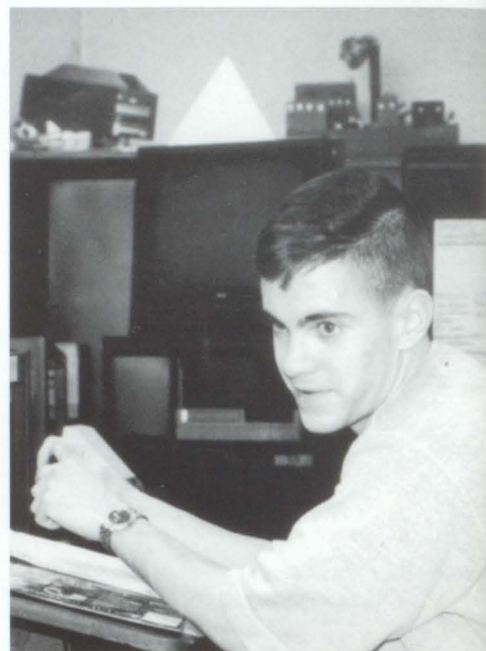

Multimedia Telecommunications Video

The MTV class is new at THS this year. MTV stands for Multimedia Telecommunications and Video. This hands on class is lead by Mr. Roberts.

The students in this class are learning how to use the internet, e-mail, and set up there very own web pages. They also tape the morning announcements, special announcements, tape major sporting events, and also do some work on the public access station. These are only a few of the things that this class does. When Senior Todd Tue was asked about the class he commented "MTV is a great class. It allows you to learn things you normally wouldn't learn in school. The projects are fun and the team work is great."

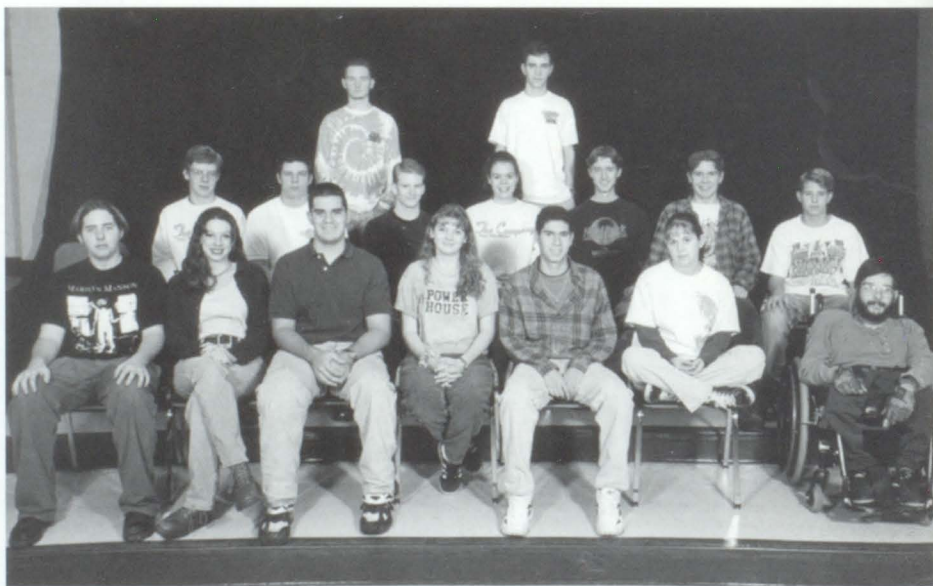

This class has also hosted The Happy Birthday Bash Dance in November.

ART SHOW

You Gotta Have Art

The Art Department had a banner year in the creativity department, and very proudly displayed the artistic talent present at THS in this years Art Show. All of the art students contributed at least one piece. The AP Art Students showed their portfolio work.

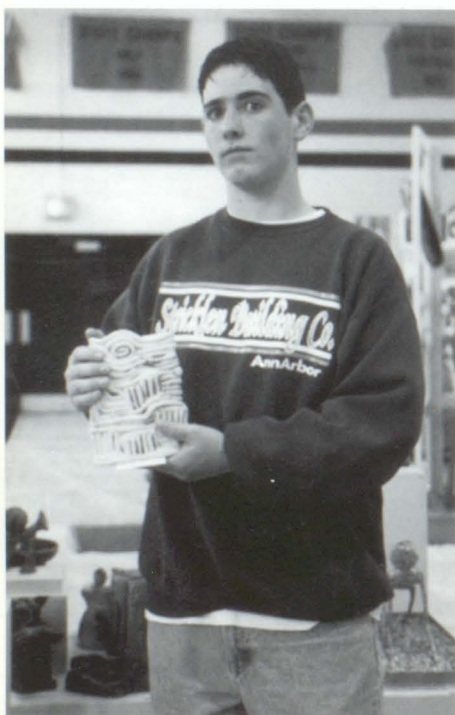

The IQP-9, Drafting, and Industrial Tech classes also made contributions, showing off block projects, scale houses and other structures, and drawings.

The show was set up in the gym and students were invited to visit it during the school day and in the evening. It was also open to the public. Representatives from area art galleries visited and several students were offered the chance to have thier work displayed or bought. THS should be proud of all of the talented artists it houses within its walls, and further encourage their creativity.

Senior Todd Tue combined his Celebration of Writing and Art Show Projects, using them to explain and illustrate each other.

It was a fitting tribute to their departed friend and classmate.

CELEBRATION OF WRITING Creativity on Display

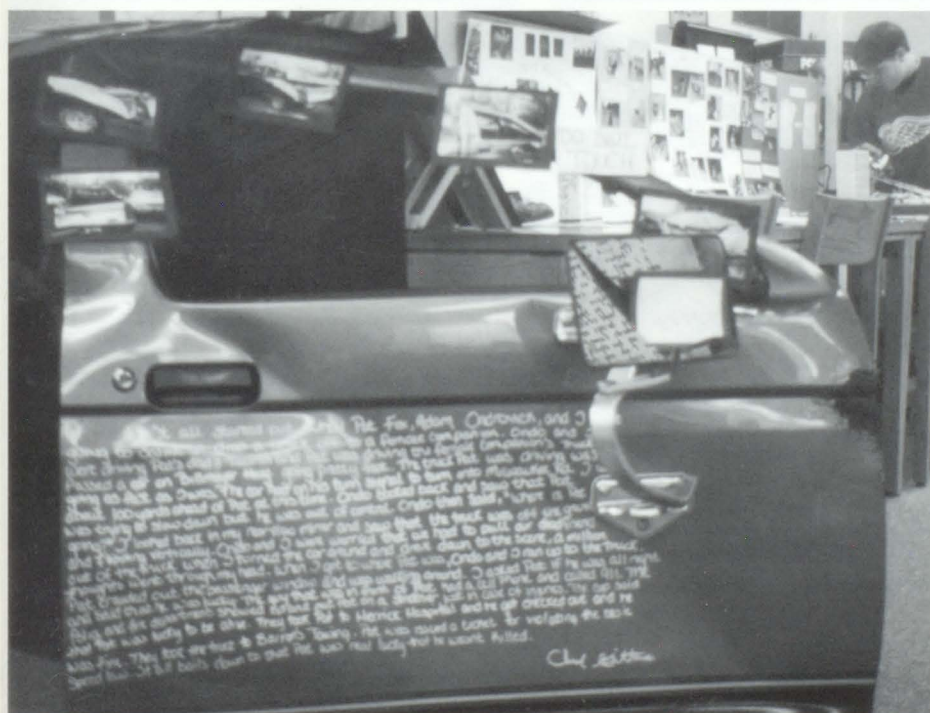

Michele LeMay

The annual Celebration of Writing was again a huge success. This year only the Juniors displayed their work in the library, while the Seniors used the gym. Much hard work was put into this great undertaking by Mrs. Dinah Wakeford, and all of the students who displayed their writings.

Every Junior and Senior is expected to contribute a piece of writing, be it a personal narrative, poem or story. The display was open to the classes during the school day, and was also open in the evenings to the community. All were encouraged to write notes of praise that were later distributed to the students.

As always, one of the most popular topics for writing was friends, but the Seniors also took this as a chance to reflect on their years at THS, and perhaps hand a little knowledge on to the underclassmen.

Michele LeMay

Junior Chad Gittus contributed this piece describing the events leading up to and a crash that involved his friend and classmate Pat Fox. He wrote his piece on part of the remains of the truck.

CHORUS AND COMPANY

Holding the Key

This year's music department received a new addition, Donna Andre. Mrs. Andre came to take over the choir here at THS. She didn't just teach the choir though. She expanded it. Mrs. Andre added a second choir called Company. You had to audition and practice began at 6:45 in the morning.

Even though there were two choirs, it seemed as though there was only one. The choir and Company had many performances together. There was a fall, winter, and spring "oldies" concert, collage, and a performance with all other choirs in the SEC district.

Designed as a show choir, Company performed for the LISD superintendents and the school board. They did shows at the Christmas parade and the Porter Center. They also sang at school functions, such as Awards Night and basketball games.

This year's choirs showed the remarkable amount of talent here at THS. They also showed that change is good.

After the SEC performance in Lincoln, some of the choir and Company members brought pajamas for the long ride home. This picture displays the unity between the two choirs.

STUDENT COUNCIL

Student Council has tried many new things this year. They changed the procedure for electing representatives, started an Alumni Hall of Fame, gave money to charity, planned to buy a rock for the school, and as always were responsible for making Homecoming and TICWISS happen.

Representatives of the council were picked by writing a letter explaining why they wanted to be chosen and also getting a letter of recommendation from a teacher. Those people who fulfilled those requirements were then voted on by their class. There were eight people picked per class.

The Student Council put money toward the charity for Stephanie Smith. This young girl needed a stem cell transplant in order to survive. Luckily the money was raised in time for her to get the transplant.

A plan to purchase a rock was also put into motion in the spring. The rock would be placed on the grass in front of the weight room so that the students may paint it, much like the one on US-12 in Saline.

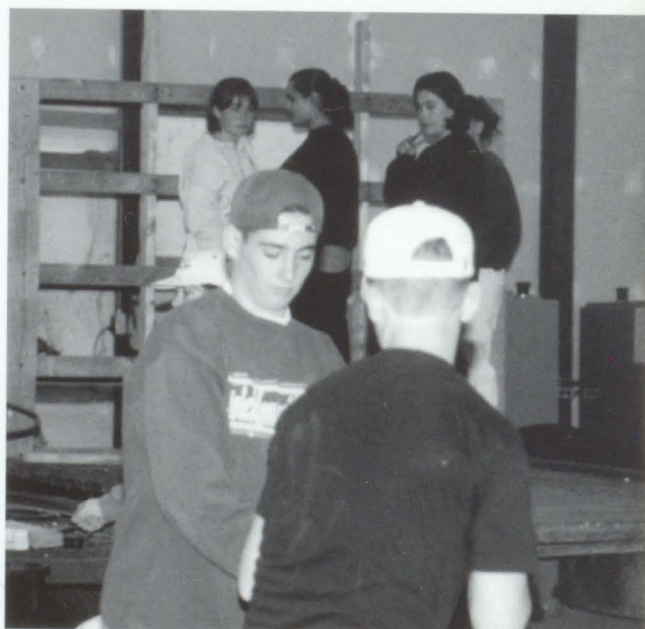

This was a very successful year for the Student Council and it will continue to improve in the years to come.

N.H.S.

If you are a Senior, Junior, or in the spring semester of your Sophomore year and carry a 3.3 grade point average you might want to think about joining the National Honor Society. Students are invited to join if they meet the G.P.A. criteria. They are given an application where they have to list their involvements in sports, school and community/church activities. Students considered to meet all of the established criteria concerning character, scholarship, leadership, and community activeness are inducted at the end of the school year.

This club gets involved in many activities. This years activities were the Special Olympics, the Spring Fling, babysitting for school meetings, S.E.C. luncheon, selling shamrocks for muscular dystrophy, donating money to Stephanie Smith and to a battered womens shelter, tutor in the junior high and high school, selling pretzels at the craft show, and eating lunch with senior citizens. All members are expected to have at least 15 hours of community service by the end of the year.

National Honor Society had a busy yet successful year and hopes to have many new members and exciting activities in the year ahead.

S.A.D.D.

Continually, individuals are in vehicular collisions, and it is said 80% of them are caused by people who choose to drive intoxicated. The hardest part of it all is that the victims of these crashes may die or be seriously injured because a person chose to drive their car when they knew they were incapable of driving it. The scary part of it is that those victims may be your friend, parent, sibling, grandparent or another close relative. Whoever the victims may be, this carelessness must be stopped. The people who make students aware of drunk driving are members of S.A.D.D., or Students Against Drunk Driving. This club reminds us yearly that driving drunk is the beginning of a tragedy. They do this by "The Angel of Death." This Angel and club members choose random students to represent the innocent victims who are killed. They paint the victim's faces and the student body has to go through the school day without conversing with the victims. The victims have to live without their voices for anywhere from one hour to the whole day. This gives the students only a small idea of the pain and frustration of losing a loved one to a fatal crash caused by drunk driving. The S.A.D.D. club also does many other things but this one event is the most effective simulation.

PEER LISTENING

"Do any of you know who you can go to if you're having a problem and you can't communicate with your parents, friends, or school counselor?" was a question asked by English teacher Mrs. Bowman. None of the students answered. The answer to this question is a club called Peer Listening. The purpose of this club is to help students deal with their problems whether it be depression, distress, alcoholism, drug abuse, etc. The students chosen to participate in this club are students who are willing to listen to any problem you may be coping with.

This 1997 year on January 10 and March 27, Peer Listeners of Tecumseh High School had to come through for many fellow students. The students had been overwhelmed by the horrible tragedies of beloved classmates Brandi Snyder and Jay Rhodaberger. Peer Listeners along with counselors and ministers listened to the student's, teacher's and administrator's stories and questions. Overall this year's Peer Listeners were very helpful and reassuring to all of us here at Tecumseh High. "Peer Listening is one of the most beneficial clubs in the school. Peers helping peers is what brings the school together," said Mandi Sessoms.

VARSITY CLUB & F.C.A.

The Fellowship of Caring Athletes (FCA) and Varsity Club participated in many activities in their 1996 - 1997 school year. Some of the members were included in all different activities such as a nursing home Christmas party, cleaning the highway for environmental safety, the Spring Fling kids party and a bowling tournament. Though that might not be a lot, don't worry there is more. Earlier in the year they sponsored a Hawaiian Luau following a Friday night game, along with hosting and sponsoring the TICWISS dance.

To be considered a member of F.C.A. or Varsity Club, one needs to take part in one of the club's service projects. Several of the events are held in conjunction with N.H.S.

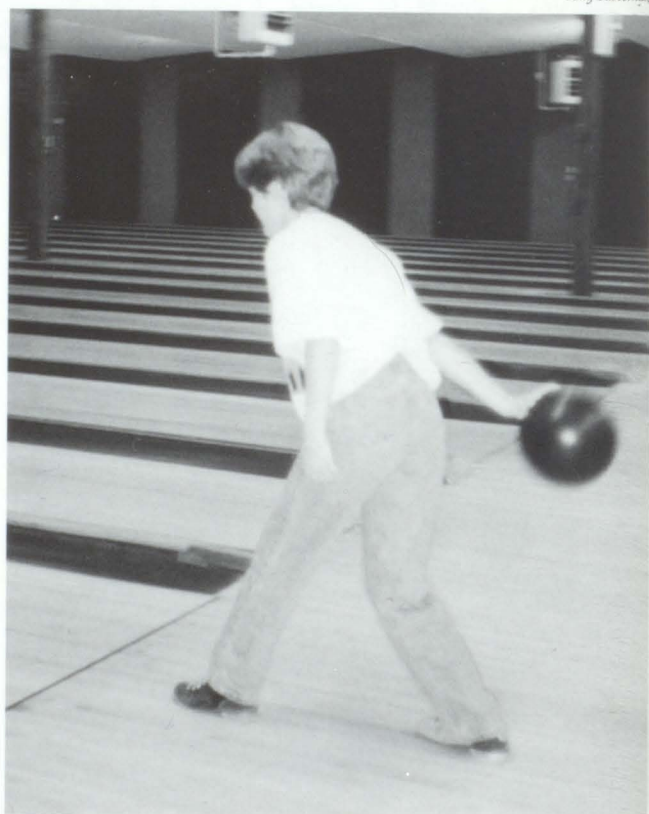

The clubs' meetings average around one to two a month and are always very productive. THS IQP-9 and Chemistry teacher Mr. Jim Curth is the advisor.

If anyone is looking into joining this club for fun activities, it is simple. All you have to have is a Varsity letter or be a caring athlete.

N.M.H.S

The National Math Honor Society is a club for people who excel in math. This is the clubs second year in action and it proved to be very successful.

The requirements to be in National Math Honor Society are that you have had four semesters of math and maintained a B or higher, you must have approval from your math teacher, acceptance from all current N.M.H.S. officers, and a completed written essay.

The club's main purpose is to promote mathematics as well as getting involved in regular club activities. This year they sold daffodils and held a car wash.

Mrs. Elizabeth Lentz is the advisor to this new club. Its President is Shelly Huang; Vice President, West Marble; Treasurer, Sarah Durkee; and Co-Secretaries Carrie Bagby and Andrea Yalacki. All of them did a lot of work to get this club going in the past two years. In the fall new members will be initiated.

This year was a successful year. The club hopes to leap forward into their third year with many new activities.

N.A.H.S.

The National Art Honor Society is an advanced extension of the Art Club that is offered to students who show an exceptional ability in their art classes. It is offered to students in the 10th, 11th and 12th grade.

As tradition goes, the N.A.H.S. induction ceremony takes place on the opening day of the Art Show & Celebration of Writing. The advisors of N.A.H.S., who are Mr. Ron Frenzen, Ms. Heidi Dauphin and Mrs. Michelle Ford, all spoke at the initiation as well as a guest speaker. The key note speaker was Vicki Beagle, a student teacher who spent last year with the art department. All students inducted received a carnation as well as a membership card. The graduating Seniors also received satin cords in both the primary and secondary colors to be worn at Graduation. Overall, those inducted should feel a sense of pride in their accomplishments in the field of art.

FRENCH CLUB

This club is one that many students here at Tecumseh High School enjoy. The students have fun learning about the different culture and ideas of the French. They learn of the fascinating and sophisticated lives of the French society. In France, most time is spent enjoying the finer things in life. Unlike America they live for life and not for work or money. The French Club will be getting the chance of a life time to explore the French environment this summer when they travel to France. The club will be visiting Versailles, Champs Elyse, the Eiffel Tower, Notre Dame, and the Louvre. They will experience a whole new world and learn to appreciate the French way of life and grow to love the beautiful sights that have been enjoyed for centuries. Tecumseh High School members of the French club feel that this experience is one that will never be forgotten.

The Spanish Club is an opportunity for students at Tecumseh High School to learn more about the culture and values of a different society. They learn more about the way people in a foreign country live their daily lives. They gain a respect for the different aspects of culture. Not only do they learn a foreign language but they try new foods and dances.

The Spanish community has a variety of foods to experiment with such as burritos, enchiladas, Spanish rice, quesidillas, tamales, and tortillas.

The Spanish Club also takes time to listen to different kinds of music. Some singers range from the late, famous tejano singer Selena to the tunes of Mazz and the ever popular Macarena sung by Los Del Mar.

The Spanish Club provides an alternative lifestyle to Tecumseh High School students.

Pinata's are very much a part of the Spanish culture the Spanish Club learned about this year. American Disney and Warner Brothers characters are very popular in Mexico.

EQUATIONS

Equations is a game and a club rolled into one. It is a fun and educational game, which helps improve math skills, while having fun.

Equations tournaments are held once a month at the Vo-Tech center in Adrian. Two different teams represent Tecumseh and compete against teams from other schools including Adrian, Blissfield, Britton, Madison, Morenci and other schools in the Lenawee County school district.

The very talented Equations teams are coached by Mrs. Virginia Majeske. She supplies and guides them through skills in competition on Friday's practices.

During the Super Tournament in April, both teams respectfully placed third in their divisions. The tournament is an all day event that starts around 9 a.m. Lunch is served there, and following lunch, trophies are given to the winning teams and teams can give a Most Valuable Player Trophy to a member of their squad. Junior Josh Miller was voted M.V.P. by the Tecumseh team.

QUIZ BOWL

Quiz Bowl is an academic game of constant learning and dedication. It consists of two teams (J.V. and Varsity) which answer questions on topics such as history, literature, geography and mathematics. Like the name suggests, it merely consists of a question being asked and a student ringing in to answer it. If they are correct, their team earns points. If not, they lose them. While it may seem relatively simple, the questions are very challenging.

The two teams are coached by Mrs. Susan Ellis, a Biological science teacher here at THS. The team competes against schools in the S.E.C. as well as non-conference schools.

During the summer the team competes against other schools in Lenawee County at the County fairgrounds in Adrian. A majority of this competition takes place during fair time. In order to prepare, the team holds many meetings and practices.

EQUESTRIANS

This years Equestrians Team showed a tremendous amount of talent. After winning the District 10 title, Tecumseh won the Class C state championship for the first time ever. The state meet was sponsored by the Michigan Interscholastic Horsemanship Association, and was held at the Michigan State Fairgrounds.

The team scored 116 points total. The closest competitor was 23 points behind. Captain Emily Ery was the high scorer for the team.

Equestrians are allowed to compete in 6 of 17 classes. Nine events are Western and Eight are English-style. Points are awarded based on the order of finish in each event.

For the first time, the team was coached by Rick Kimmitt and Brenda Ery. Its members included Seniors Emily Ery and Heather Myers, Juniors Amber Kimmitt and Deanna Vogel, and Freshman Kari Pilbeam. They've set a goal for the teams in the years to come to accomplish.

Freshman Kari Pilbeam had this comment about the season, "A lot of hard work and dedication made this year very exciting. It wasn't until we got to state that we realized how tough our county and district really is."

B.P.A.

This year's Business Professionals of America had a very successful year. 13 members of the group qualified for the state competition in Detroit. While there, they competed in mini-sessions, and generalized and specialized tests. They attended a dinner dance and had parties in the hall every night. Those that attended were Seniors Jennifer Lawrence, Doron Eisenscher, Carrie Bagby, Jami Poley; Juniors Julia Peters, Jackie Buck, Matt Harper, Lisa Camfield; Sophomores Kim Drogowski, Nicole Ruiz, Meggan Wanke, Crystal Bordner; and Freshman Rhiannon Riley. From there Doron Eisenscher and Crystal Bordner qualified for nationals held in Florida. They were accompanied by Jenny Lawrence, Carrie Bagby, and Mrs. Janusek.

BPA activities were funded by a car wash, a plant sale, and donations made by the community.

Julia Peters had this comment, "I would encourage everyone in a business class to join BPA. Our activities were such a blast. We learned not only business skills and how to succeed in our careers, but we also got to know our classmates better while having a good time."

HISPANIC CLUB

The Hispanic Club, directed by Spanish teacher Senor Jose Mejia, was created to make Hispanic students at THS aware of their heritage and allow them to take part in events that celebrate and explore their culture. In turn, it also helps to realize and achieve their goals.

The major event of the year took place in the fall when the club and other students from THS attended a luncheon at Ypsi-Lincoln to celebrate Hispanic Culture and History month. It also gave them a chance to meet with other Hispanic Clubs and students in the S.E.C.

In the past, the club has also helped the community by tutoring elementary school children and acting as role models.

While the club was not especially active this year, they still are an integral part of the clubs community and encouraging diversity at THS.

WINNERS CIRCLE

The Winner's Circle of the 1996-1997 school year proved to be a great success. It was made up of approximately 90 dedicated students who pledged to remain drug and alcohol free for a whole year as well as completing community service. With the help of the members, many activities were accomplished.

Throughout the year and over the summer, the members of the Winner's Circle helped out at many events to earn their community service credit. They helped at the Choices Week Expo, a craft show, served as D.A.R.E. Role Models, and P.S.I. As incentives, there was a trip to Cedar Point in the summer as well as a Mud Volleyball Tournament. Also, if the members completed at least 3 community service projects, then they received discounts on Prom tickets.

Overall, if a student is able to commit to being drug and alcohol free, then being a member of Winner's Circle can be very beneficial. "If you are dedicated to the standards of Winner's Circle, then the group is a lot of fun," says Sophomore member Ann McCann.

EARTH CLUB

Promoting environmental awareness is the main objective of the Tecumseh High School's Earth Club. The student's involved are active in recycling, restoring, and recreation.

The contributions of this year's earth club include a 500 dollar donation to a young lady named Stephanie Smith, who was in need of an operation. They helped the F.C.A. and Varsity Club sell raffle tickets to raise additional funds for Stephanie. The club also had a shirt sale. The shirts displayed environmental logos. All of this work was lead by Advisor Mr. Ferwerda, a Biology teacher at T.H.S., and President Simone Jaynes.

The Earth Club gives Tecumseh High School a chance to take an active part in keeping our environment safe and secure.

VIDEO CLUB

Imagine creating your own movie, television show, or music video. These are all things people in the Video Club experience. It may sound like a huge amount of fun and excitement. "Video Club was high intensity non-stop excitement. It's a rollercoaster and I never want to get off." quotes Senior Todd Tue, but this club requires a lot of patience and hard work.

Video Club brings Tecumseh High School daily announcements. Occasionally on these sometimes humorous and enjoyable announcements students get a chance to view all the past events placed into one movie collage.

Video Club gives students a chance to be a director, scriptwriter, announcer, or even a cameraperson. These students also take time to wish Tecumseh High School students a "Happy Birthday" and display the students childhood photo with a recent one, too.

Out of all the clubs in Tecumseh High School the Video Club is one of the most active. "I hope many more will reach for the flavor," said Todd Tue.

Memories of Friendship

*As I look up to the stars,
I watch and dream of where you are.*

*I know you're high above my stare,
Among Heavenly Compnay with you there.*

*I sit and think of where you dwell
With God, and in my heart as well.*

*I often remember times we shared,
In hopes I'll someday meet you there.*

*I'll never forget you or the fun we had together,
Because memories and friendship last forever.*

In Closing . . .

. . . Well, all in all it was a good year, right? An atypical year if anything. We made it through in one piece, that's what really matters. It's amazing how one can adjust to most any situation when put into it often enough. Predictability is one of the most comforting aspects of THS. That best sums up our experiences here.

The farther along we get, the more dazed the past looks. We speed through everything (including the parking lot), and find ourselves waiting for the end of the hour, for Friday, for Homecoming, TICWISS, Dances, waiting to graduate . . .

then we look back and a small part of us whispers, "If I would have spent less time waiting and more time seizing the moment..." But if you try to remember a specific time where you were waiting, it's all a daze. Do you even remember the first day of school? These major events are what will give us our most fond and prominent memories. Reflecting upon this point, the title "School Daze" seems all the more fitting.

It seems like the world revolves around us so quickly, we barely have time to breath. Can you imagine life in any other way? Where would our interest be? Where would our drive be? It's this quick pace that keeps us going on to the next big event. Pretty soon the next big event is Graduation, and we all take a step back to look at the big picture. In the four years we spend within the confines of THS, we mature, and grow physically, emotionally and intellectually. In the simplest

terms, high school can be called a factory that takes us in as Freshmen when we are still children, and after molding and working us for sometime, we come out as the final product: adults.

One day all of us will walk the hallways of THS for the last time as a student and no matter how one may view their days here, each will feel a rush of feelings. Feelings of excitement and dread for what is to come and is unknown to us; regret and sadness for the years gone by; and happiness for all of the above may come into play. As we cross the threshold into adulthood, we may yearn to keep the simplicity of life at THS in our hearts.

Despite the head spinning pace of it all, we will always look back on our days here with fond memories of Indian Pride, of our School Daze.
