The Yearbook Staff and Editors

Presenting the THS Yearbook Staff of 2006-07. In addition to the dedicated young ladies pictured below, we have many people to thank for their assistance: Mr. Don Schmidt for great team sports photos; Mrs. Ann Peake for pictures of every single thing that happens at THS; all the teachers for allowing us to interrupt their class time to get photos of their classes; and especially to Bob and Nora Guiney of Walsworth Publishing for helping us make this a true history of Tecumseh High School's 2006-07.

We are lead into this battle of computers and colors and sights under the watchful eye of the lovely Mrs. Ricketts, who would like to slap us all twice. We have all worked extremely hard on this yearbook and we hope everyone enjoys its features.

Below: Front Row: Katlyn Vance, Jennifer Barnes, Megan Kolby. Middle Row: Seniors Allyson Putt (Head Editor), Alexia Reau; Bailey McCrate, Kerri Coffman. Back Row: Tiffany Gross, Natalie Knight, Hailey Mull, Brentney Wilson, Holly Quigley, Loren Hayes. Missing: Julia Alyward

".....to our growing city and the community of Tecumseh."

I n t r o d u c t i o n

In the upper left is what started out as the first high school in the city of Tecumseh, which later became the middle school and is now the Board of Education offices. On the right was the second high school we had in town and is now the middle school. The bottom left is need for quality education. That tradition continues here at THS.our newest addition and currently our high school here in Tecumseh.

Thanks goes out to all who have been there for us

2007 Dedication

Okay so here we go; I never really knew what I was getting into when I signed up for this class as a senior. In the beginning of the year, when I found out how much work it was going to take to put this yearbook together, I was well a little worried. I felt so far in over my head that I never thought it would get finished. However, this is my senior year and I really wanted an awesome yearbook that could be filled with all the memories created throughout the year.

This year we took a vote in our class and asked our very own Mr. Scheick, Mr. Niles, and Mr. Mills to be involved in the yearbook dedication. We finally came up with an answer: Tecumseh. We are dedicating the yearbook of 2006-2007 to our growing city and the community of Tecumseh.

If you think about it, it really is a good idea to dedicate something with meaning, like our high school yearbook, to the city. The City of Tecumseh has always been here, not only for our ancestors, but will also be here for future generations. What started out as a small town with only a small population that has grown drastically. Tecumseh has also stayed with the times and kept up with the styles throughout the many years it has been around.

Tecumseh is proud of its past and has a prosperous future. Tecumseh (1824-Present) was one of the first settlements in Michigan and the first in Lenawee County. Our village site was chosen the year before at the suggestion of Austin Wing, who lived in the neighboring area of Monroe, Michigan, for close to seven years. The trail that Evans and his followers took was an Indian trail that lead them through Ypsilanti and Saline. It eventually brought them to the River Raisin where they started to explore what they thought would be the most promising land in the southeastern corner of Michigan. It became our town. As the town developed, so did its need for quality education and state-of-the-art facilities. That tradition continues today at THS.

High School is a great part of our lives; it is carefree in many ways and stressful in others. Some people don't understand that until it is almost over. We should all enjoy high school and try to make the best of it while we are here. High school is bittersweet and goes by so fast.

So here is what I have to say to everyone, after learning from many mistakes what I should have been doing all throughout high school. Freshmen - don't slack off just yet. You still have three more years to go; hang in there. Sophomores - start looking into colleges now and get a feel for what you are doing, and congrats on becoming upper classmen. Juniors - stay on top of things, get involved with your class, and take the time to enjoy your last year. Seniors - I ask that we all take a few moments to look back down memory lane and remember everything we have been through together, the good and the bad. We all say we want to get out of here and can't wait to move on, but I can't help think that part of us is scared to move on. Congratulations, we made it!

Abraham Lincoln once said, "Experience is a hard teacher because she gives the tests first, and the lessons afterward. And in the end, it's not the years in your life that count. It's the life in your years."

Thank you, Tecumseh, for supporting our educations!

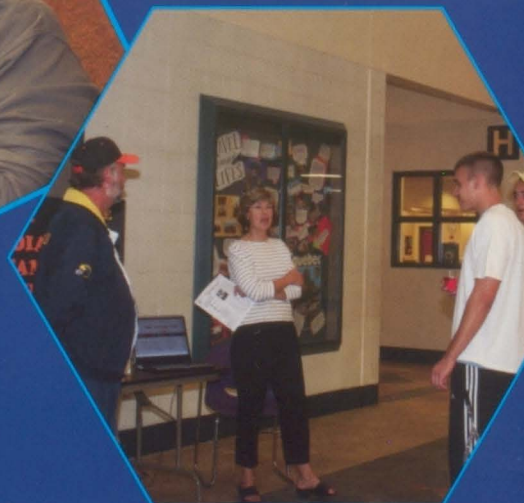

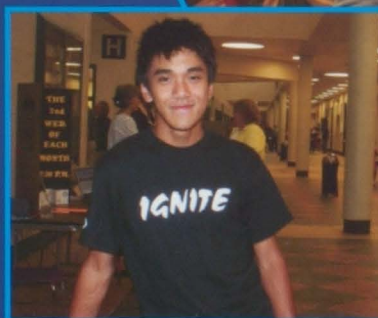

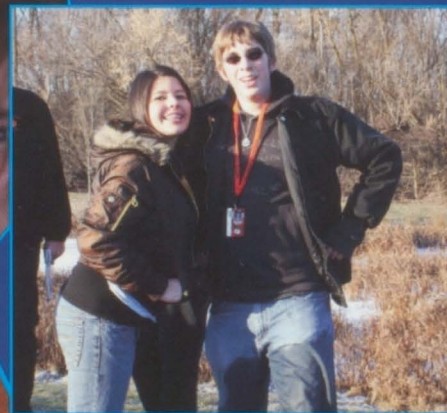

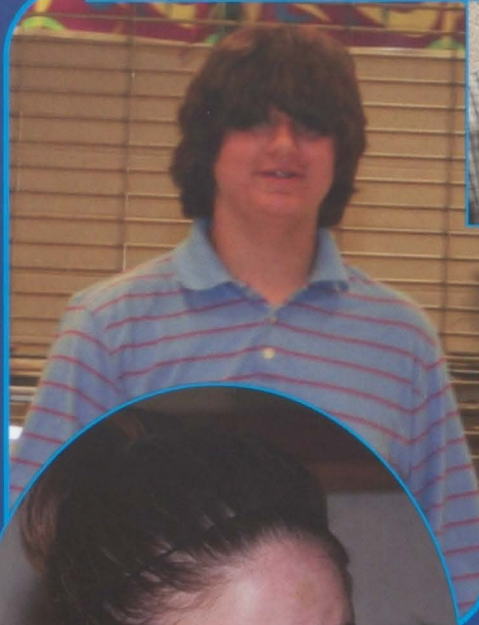

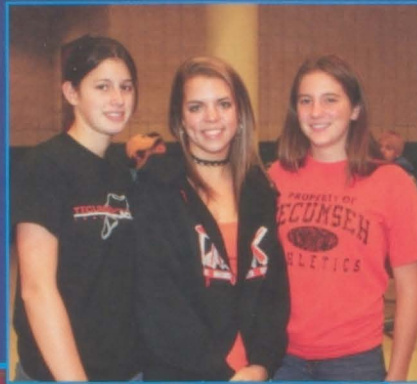

Sincerely,

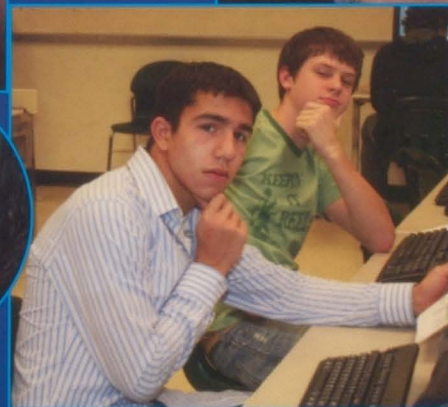

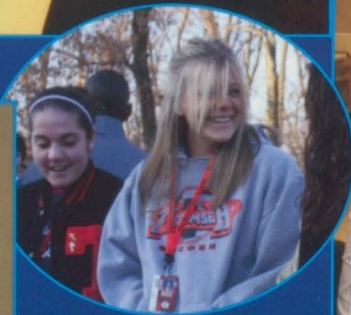

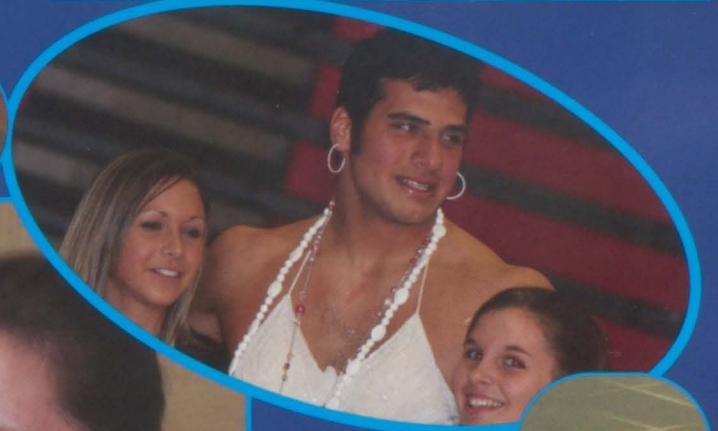

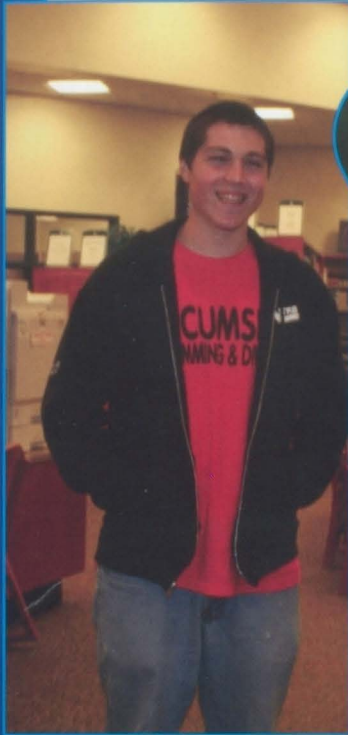

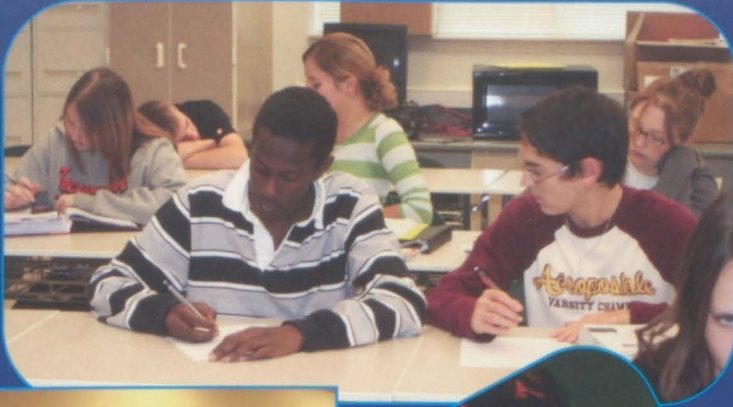

Bailey L McCrate

TECUMSEH BANDS

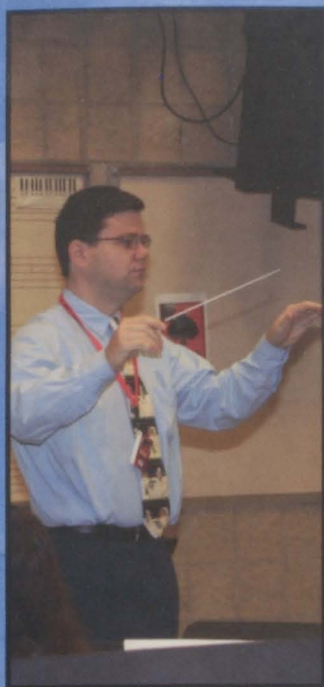

The Tecumseh Indians Shooting Stars Marching Band looks impressive in their uniforms and sound just as good. They pumped up the school at the pep assembly for homecoming this fall.

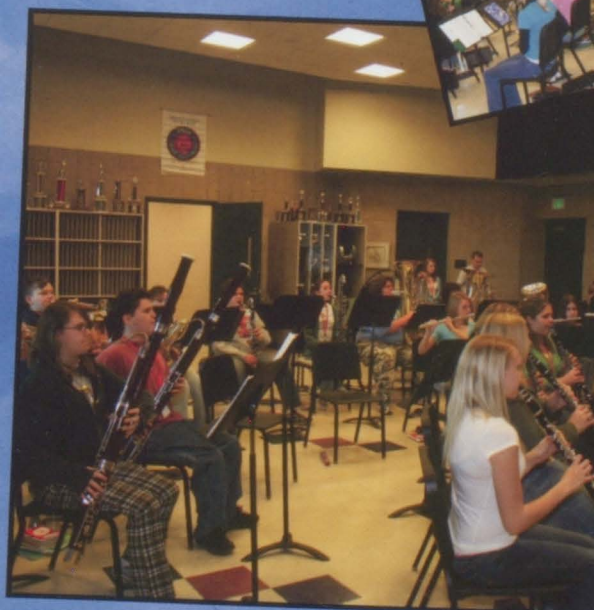

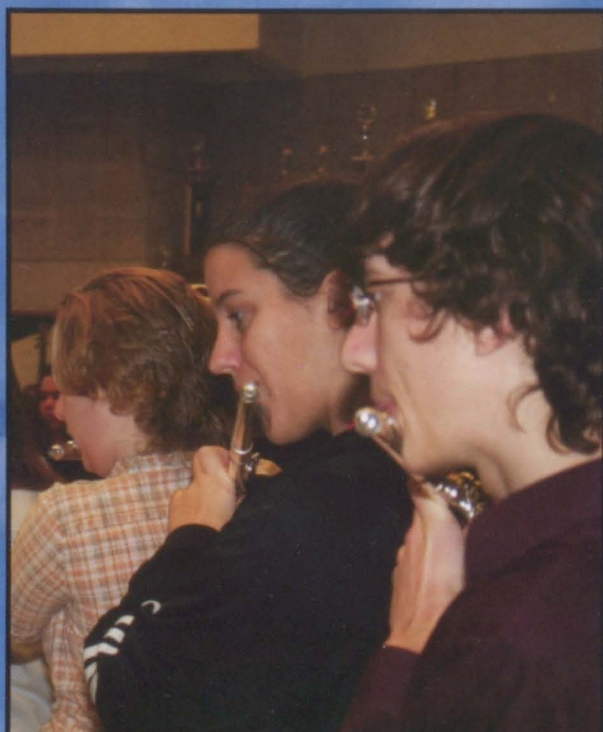

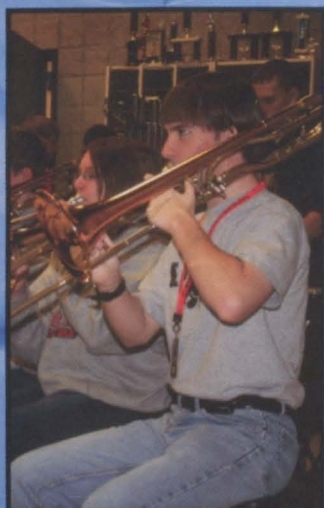

Director
Michael Bough

The Shooting Stars Marching Band marches in the Homecoming Parade. Under the direction of Michael Bough, they impressed spectators with their size and sound quality. The drumline, especially, sounded very good, as they spent a lot of extra time practicing after school.

The Marching Band pumps it up during the Homecoming Pep Assembly! They provided spirit for the whole school. The percussion section (to the left) provides more than just the rhythm for the band: they're the heart and soul.

The Tecumseh Concert and Symphony Bands were so big they had to be split up into three different hours for Mr. Bough to be able to teach them all. Participation is a little low this year, but everyone plays so well, you can't tell the difference!

Breakfast of Champions

The Breakfast of Champions is a rare delicacy for a few students. Only Seniors, Juniors and Sophomores are invited. If a student has a GPA of 3.0 or higher, then they get to go to a free breakfast, served by King Pancake, during Seminar. So, keep your grades and GPA up and you might go to The Breakfast of Champions.

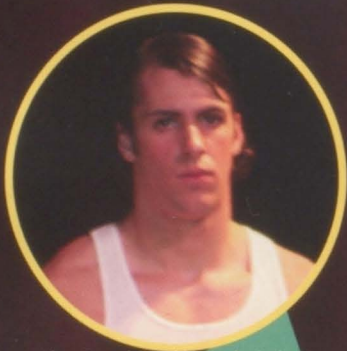

TYT Fall Production...

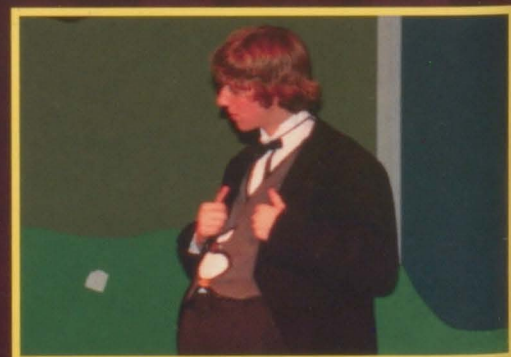

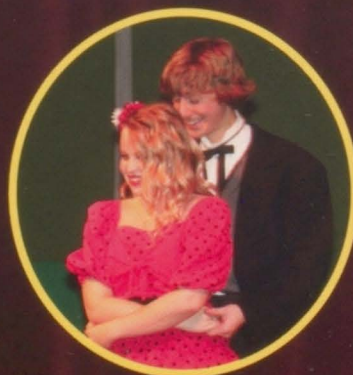

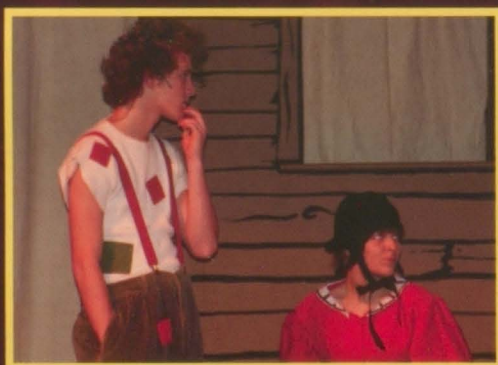

This year's TYT fall production was Norman Panama and Melvin Frank's original musical comedy, *Li'l Abner*. The play turned out to be a rootin' good time. With the help of director and vocal director, Catherine Crocetto; Ben Andre as Abner; Sara Eggleston as Daisy Mae; and the rest of the cast, everyone had a great time watching the show.

For those of you who didn't see the show, *Li'l Abner* is a resident of Dogpatch, USA. Every year this little town has a Sadie Hawkins day race where the gals chase the bachelors, hoping to get hitched. The footrace wa a beautiful ballet montage but resulted in Abner getting caught by Appassionata Von Climax, played by Danielle Mruzek, instead of his true love, Daisy Mae. All's well that ends well, and our couple is married after all.

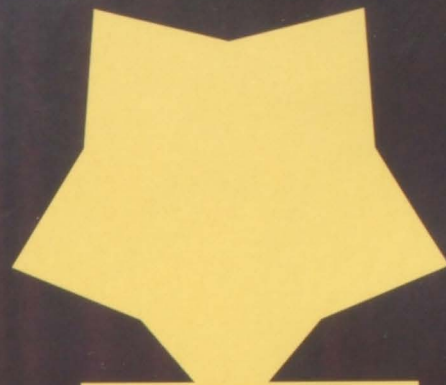

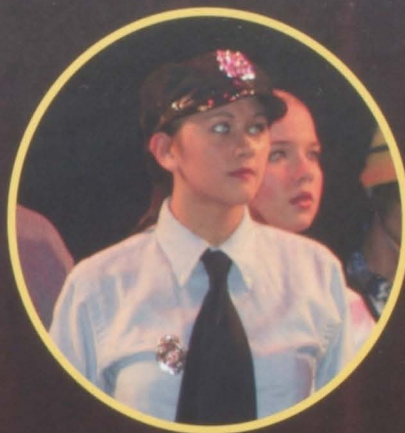

Congratulations to the cast and crew on another outstanding production!

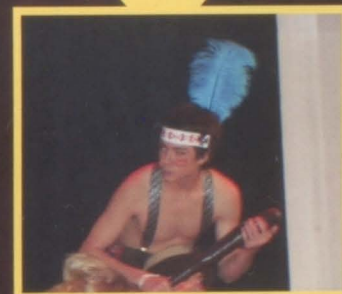

Alex Royal, looking a little brain-washed, had an awesome time doing the play, despite the fact that he had to strip down to his skivvies just to do it!

The trumpet section of the band plays a wonderful selection.

Before the concert starts, Sarah Mruzac prepares for the playing she is about to do.

The Christmas concert was one of emotional circumstances. The selection of music was brilliant and inspirational. Mr. Bough chose a wide variety of music for each band to play. Each band added something different to the concert. Weeks of practice led to great performances by each group.

Settling into their chairs, the clarinet section is ready to play.

Tinsel in T-Town

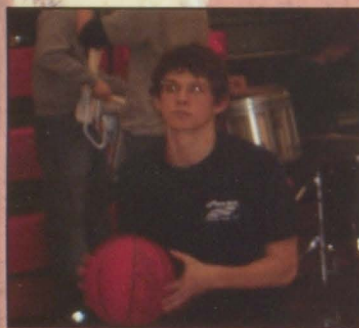

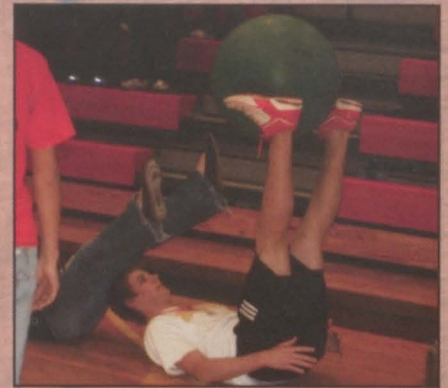

The holiday dance was announced as "Tinsel in T-Town," sponsored by the seniors. The decorations were exquisite, including large snowmen, big snowflakes, and high archways. The cafeteria looked beautiful. Everyone had a great time and made many memories of the night. Group and couple pictures were taken and all looked fabulous. Punch bowls and chocolate fountains were available, also valet parking and a coat check made the dance a night to remember.

TICWSS Dance

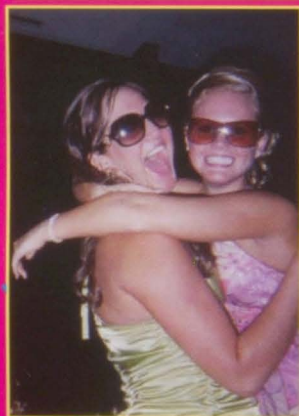

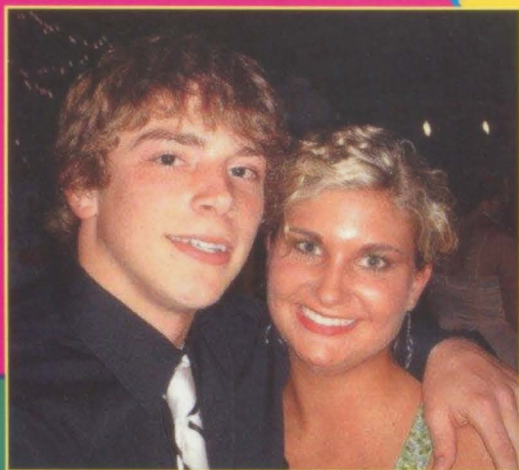

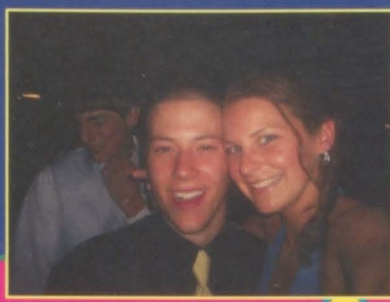

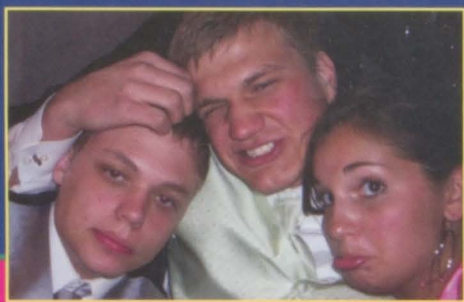

Probably the most anticipated part of TICWSS is the TICWSS dance, which takes place right after the TICWSS basketball game.

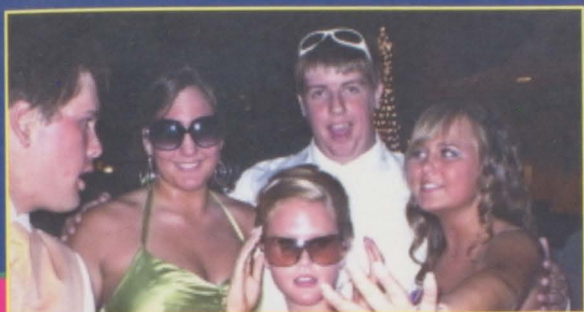

The TICWSS dance is held in the cafeteria. The lunch tables are still set up, and a DJ plays requested songs. Most of the time, the dancing that goes on is everyone doing their own thing, but when a song comes on that everyone knows, such as the "Chá Chá Slide," everyone starts dancing!

So next year, come to the cafeteria right after the game and join us!

Crucible

The

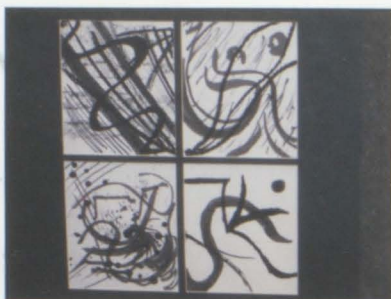

Stop eavesdropping... that's how rumors get started...

This years TYT Production was Arthur Miller's *The Crucible*, the classic play about the Salem Witch Trials in Salem, Massachusetts. Abigail Williams and a couple of girls are caught dancing naked in the woods by Reverend Samuel Parris. This leads to the accusations of the girls being witches. The girls accuse other women of the town of being witches to escape punishment, which leads to trials of these women with the people who accused them as the jury. One of the people Abigail accused was Elizabeth Proctor, John Proctor's wife. John and Abigail are having an affair. During the trials, a doll is found in the Proctor's house and this is overwhelming evidence that Elizabeth is a witch. Deputy Governor Danforth is the judge, and he believes the girls are telling the truth. Reverend Hale is called in as an expert witness. He at first believes they are witches, but then he denies it and tries to help the accused. John gets Mary Warren to testify against the girls, but when Mary enters the courtroom, Abigail and the other girls start to scream that she is sending her spirit upon them. Mary becomes afraid and accuses John of sending his spirit out upon her. John is now accused of being in league with the Devil. He considers the possibility of lying in order to save his life, but Judge Danforth wants him to sign a confession. This will show the townspeople that the witch trials are valid. John doesn't want to sign the confession because he doesn't want to incriminate his friends. So he is put to death but retains his good name and pride.

Students experiment with many different forms of artwork.

The umbrellas were a favorite in the show.

The featured projects were very creative.

(above) Not all the pieces were in color.

(above) Students take the time to admire the work of their peers.

Not all pieces were of traditional design, but those that were different were some of the more interesting and fun to look at.

Students in ceramics classes made dinner sets, and many were put on display. They show the wide range of talent and creativity Tecumseh High School students possess.

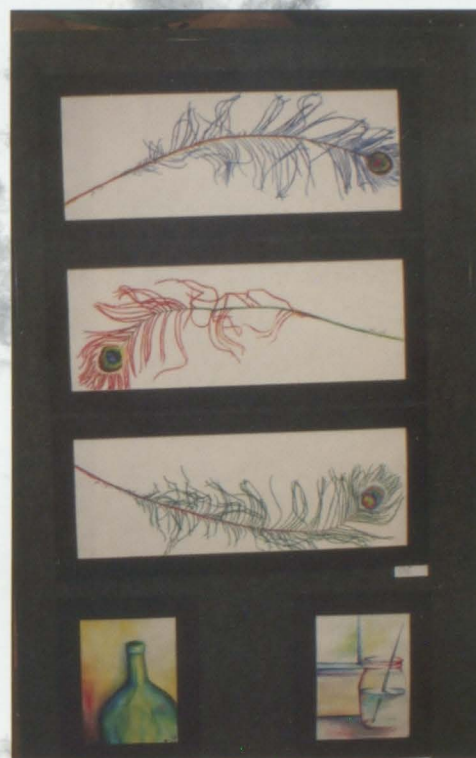

This is another example of the dinner plate sets students created.

Art Show 2007

Every year Tecumseh High School art students have the opportunity to show off their talents and best pieces in the Art Show. Tecumseh has exceptional student talent in the art department. Every year is better than the last, and this one was no exception. Featured pieces were made from a variety of mediums, from canvas to clay and everything in between.

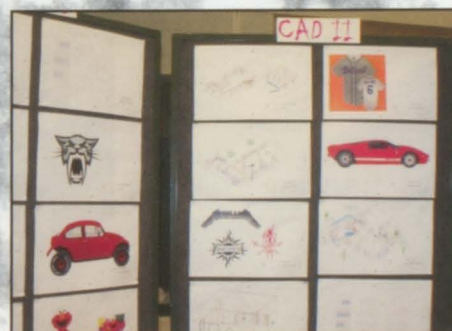

All artwork put on display by students was well done and showed how truly talented Tecumseh High School art students really are.

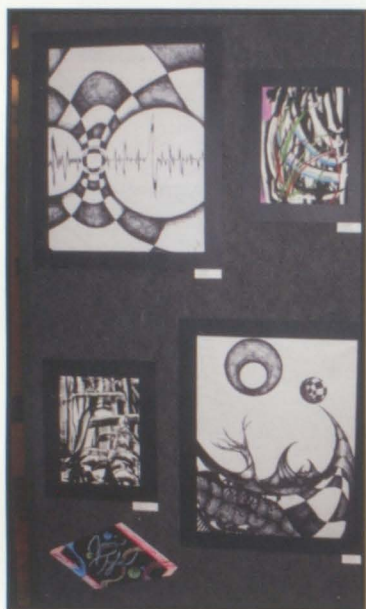

(above) A series of peacock feathers by Jaime Taylor.

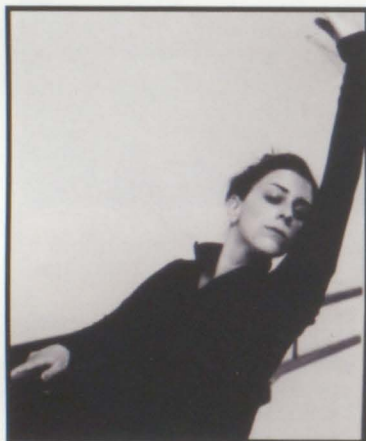

In addition to pieces from art classes, the Art Show also features projects made by students in Computer Aided Design (CAD) classes. There are four levels of CAD classes that increase in difficulty. These projects include model houses, the students designed, layouts, housing frameworks, and blueprints.

Students in CAD designed cars using computer graphing.

Students displayed a wide variety of works in the Art Show.

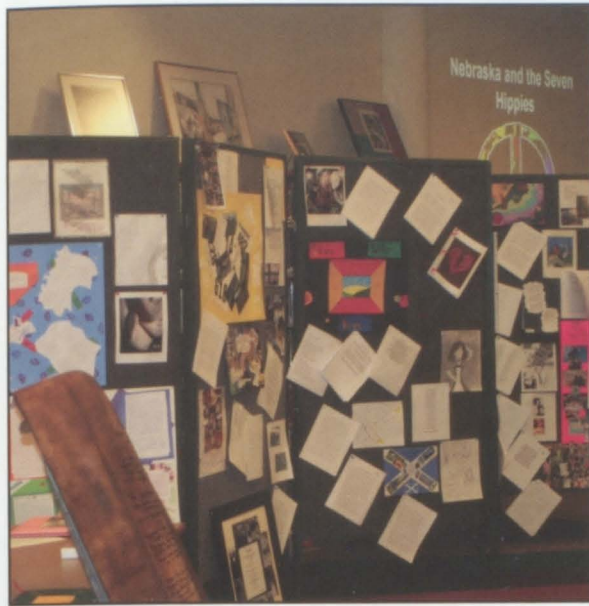

Some of the student photographs were striking.

Many pieces on display were nontraditional.

Art Show 2007

Celebration of Writing

There is always a great number of works on display. This year there were fewer pieces than usual, but that just means next year will have to be better than ever.

Students often write about events or people who have affected their lives.

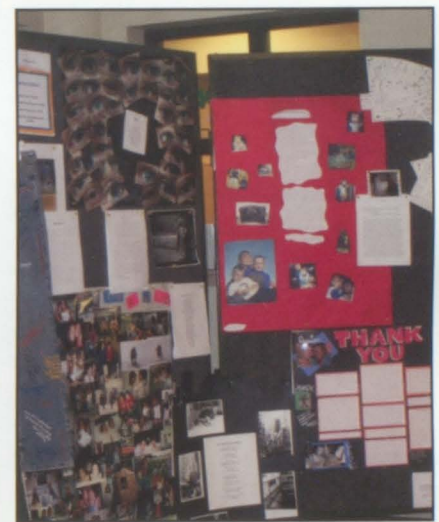

The Celebration of Writing is an annual event that celebrates the literary talent of Tecumseh High School students. Traditionally held the same time as the Art Show and limited to pieces by juniors and seniors, this year's Celebration of Writing was held in March and was open to submissions by students from all grades. All works put on display were outstanding.

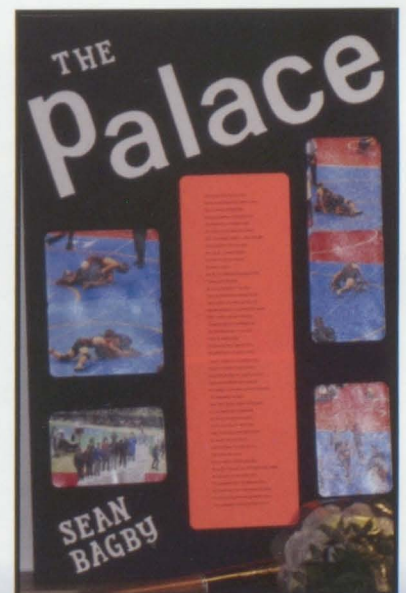

In addition to the literary aspect of the Celebration, all pieces are represented creatively in a way that compliments the piece itself. This makes it even more fun to read and enjoy the student work.

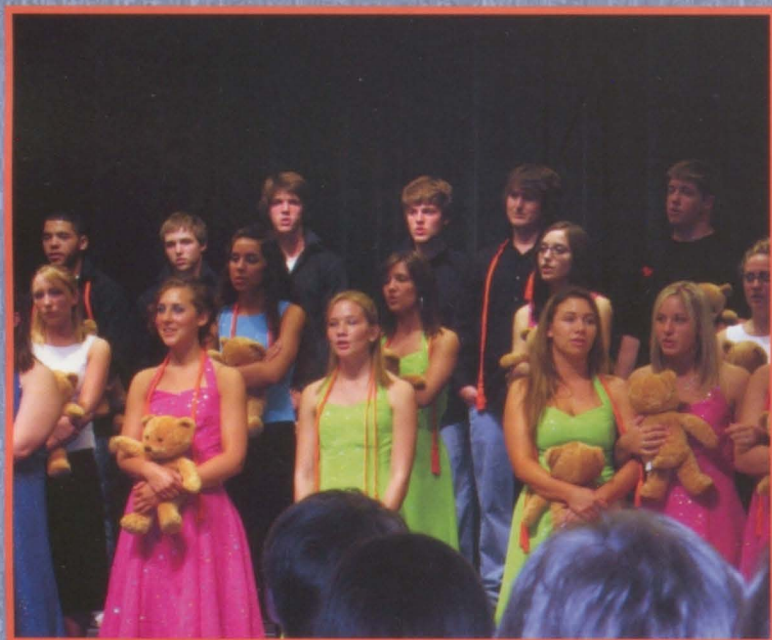

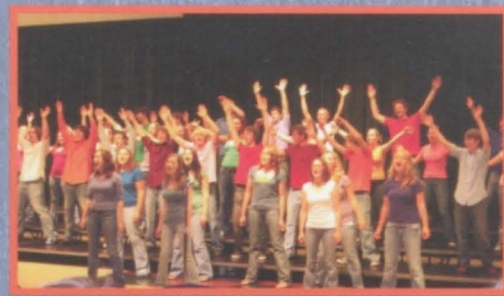

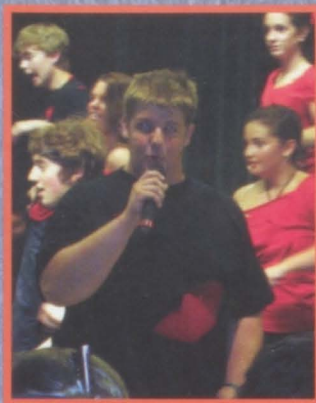

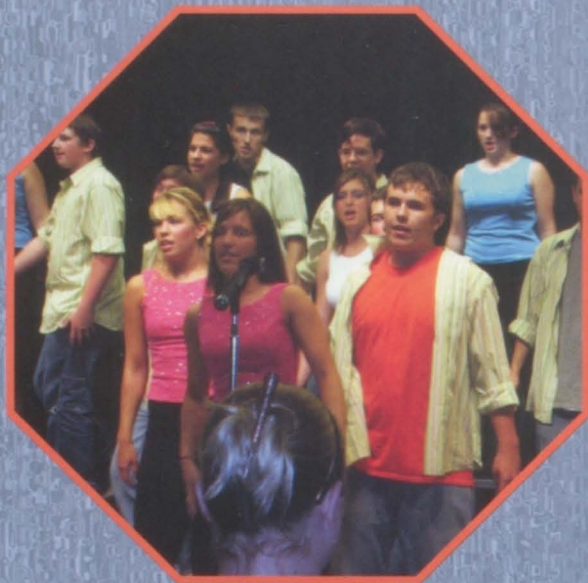

Some ways of presentation were very original.

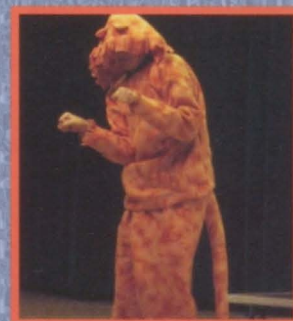

The pieces submitted are always unique.

Final Choir Concert

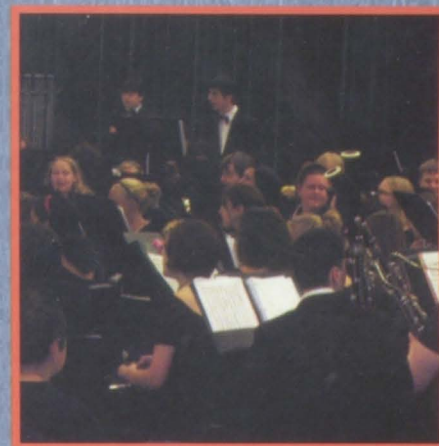

Every senior who has been in the choir for all four years was given an orange tassel to wear at graduation, and all seniors were presented a teddy bear from Mrs. Andre.

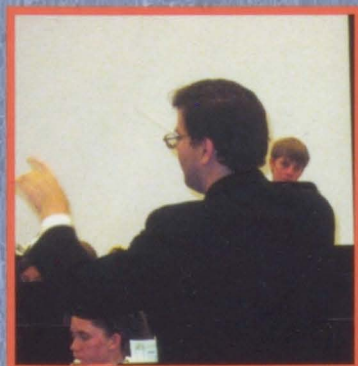

Mr. Hanna-Weir dressed as a lion for Festival Singers' "The Lion Sleeps Tonight."

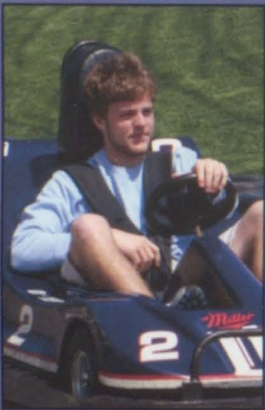

Just as the band does, the choir also hosts a final concert. For many, this is just the last concert of the year, but for others, it is the last choir concert they will ever perform in as a high school student. Unlike the band, the choir, other than the Freshman Chorale, did not perform under a theme. Freshman Chorale did selections from the Broadway musical *Wicked*, while the other choirs did songs such as Michael Jackson's "Thriller," "The Lion Sleeps Tonight," "O Happy Day," "Footloose," "1000 Miles," and "Love Heals." At the very end of the show, the seniors of the choirs all got together and sang "Turn, Turn, Turn" under the direction of Mrs. Andre, who surprised the choirs with the singing of the National Anthem to the audience at the very beginning of the show. Finally, the choirs of Tecumseh High School united together to sing the Alma Mater. For anyone who was there, whether audience members or members of the choir, it was a night no one will soon forget.

Final Band Concert

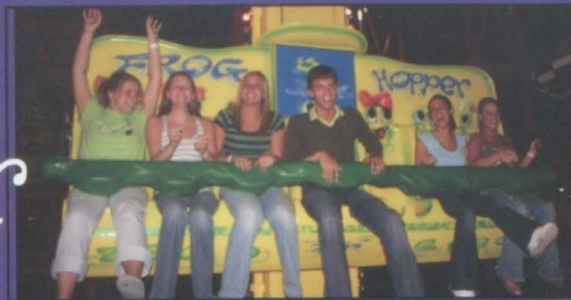

It's the end of the year, and summer's almost here. At this time each year, the band always puts on its last concert of the year, most of the time under a theme. This year's theme was "Continents" and portrayed many different styles of music from around the world, such as African and South American. Both bands, all clad in their black attire, played different sections at a time, then played together at the very end for a big combined number for the continent Australia. The band, who earned ones at District Band Festival, has done really well this year, and they are looking forward to an exciting 2008! Well done, bands!

Mystery Trip

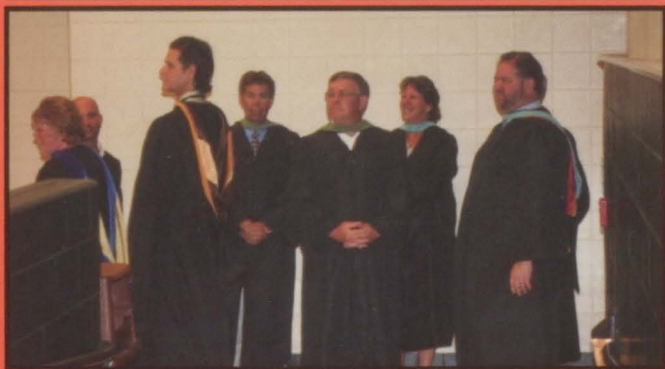

The Senior Mystery Trip took the graduating class of 2007 all over southern Michigan. They visited Craig's Cruisers, saw Spiderman III in Imax, went ice skating, and finished the day off with a riverboat cruise and dinner. So much has been said already of this class; there's so little left. There's just this: it's been a wild ride, and best wishes to all of you in the future!

this year was a tough year for the team. they faced several opponents and games that came close but were just out of their reach. through it all, they stayed strong and continued to strive for excellence. they are more than just friends. they support each other, they hold each other up. they are the tecumseh football family.

in the end, the tecumseh fans are still proud of them and support the team 100%.

Varsity Girls Basketball

Record
10-11

The Tecumseh Girls Varsity Basketball team had several return players this year, but even with that experience, they struggled against their SEC opponents and lost in District play to Saline 44-48. Next year promises to be exciting with some up and coming JV players who will make the transition to Varsity.

Homecoming

"Wow, what a season!" quoted by Coach Felkey. This year the girls started a new camp. The camp was harder than the girls had ever imagined or endured, but they overcame the challenges and learned many things that they were able to use throughout the season. During the season, the girls danced their way into the hearts of the fans with a halftime dance at every game. Little Cheer was a huge success, and the girls had a blast with the young ones. There were 12 girls on JV, and 16 girls on Varsity. This season's Varsity awards were given to the following students:

Most Dedicated -

Stephani Houghton.

Most Improved -

Marlena Hilderley

Most Spirited -

Holly Swan, Susan Gunder,
and Lauren Bender.

Thanks for a great season girls!

Boys Golf

The young men on the Tecumseh Golf team have a lot a talent, and with five seniors leaving they still have a lot of potential. Most of the guys on the team have a mean swing and are very good at short hits, too. The younger players have proven themselves worthy through their hard work this season. The whole team worked extremely hard, and their hard work paid off. The favorite team quotes for 2006-07 were: "Just dudes trying to get by," and "Tear it up."

Front row (L-R): Brandon Mercado, Kyle Hanson, Josh Short, Nick Campbell, Mitch Gramling, Benjamin Murphy.
Middle row: Ryan Beck, Kyle Sinclair, James Raupp, Dylan Orr, Ryan McDowell, Michael Dahlen.
Top row: Jason Brown, Kevin Peake, Jake Carlson, Michael Reum, Coach Patrick Pomy.

Girls Golf

The young women of the Tecumseh golf team also have a lot of talent. Katie Sinclair may be leaving, but the returning team has a ton of potential. And the girls love to have fun with each other on the course. They have worked very hard this season with only ten people on their team.

When Elizabeth Swindle was asked to describe her team she said, "Everyone is really nice and funny. I enjoyed being on the team."

Bottom Row (L-R): Samantha Sloan, Ashley Hartmann, Alexandra Campbell, Elizabeth Swindle, Megan Vredevelde.
Top Row: Coach Pomy, Shannon McKowen, Michelle Koupal, Katelyn Sessoms, Tess Sammarco.

Boys Swim and Dive

The boys swim and dive team had a successful season. They had many firsts and achieved several goals individually. The team came in second in the SAGEL League and won Erie Mason and Lakeview High School ~ Battle Creek. With a team of 26 guys, they proudly represented Tecumseh High.

Girls Swim and Dive

The high school girls Swim and Dive team spent the season constantly working hard to improve and be their best. Starting practice three weeks before school began, the girls were tired and cranky when school began. With meets, morning practices, weight lifting, and afternoon practices, the girls were exhausted but could see the rewards in the pool. They came to each meet and gave the opposing team their all. At the final meet the girls had 51 best times. Out of 32 girls, TNS had six swimmers qualify for State and two divers qualify for regionals. It turned out to be a successful season.

Men's Cross Country

THE MEN'S TEAM HAD AN AMAZING YEAR THIS YEAR. THEY CAME BACK FROM A DIFFICULT SEASON LAST YEAR AND IMPROVED CONSISTENTLY THE WHOLE YEAR. MEMBERSHIP ON THE TEAM ALSO SHOWED A STRONG INCREASE AND NOT ALL OF THE ROOKIES WERE FRESHMEN. THEY FINISHED THE SEASON WITH A STRONG 5TH PLACE AT REGIONALS. GOOD JOB, GUYS, AND WE'RE LOOKING FORWARD TO NEXT YEAR!

Tecumseh Men's team charges out to compete. Again and again, they proved the team is stronger than the individual. They did very well at that meet, taking 2nd place in the varsity race.

Ladies' Cross Country

THE LADIES' CROSS COUNTRY TEAM HAD A PHENOMENAL SEASON THIS YEAR. THEY MADE A STATEMENT EARLY ON BY WINNING THE COUNTY PREVIEW FOR THE SECOND YEAR IN A ROW. AS THE SEASON PROGRESSED, THEY ADDED 4 MORE FIRST PLACE TROPHIES AND 3 MORE SECOND PLACE TROPHIES TO THE TROPHY CASE IN THE HALLWAY. ADD THAT TO THE TWO DUAL MEET WINS, AND YOU END UP WITH AN AWESOME SEASON. THOUGH THE GIRLS MISSED PLACING FOR STATE BY ONE PLACE, THEY MADE A STATEMENT AND WILL BE A TEAM TO WATCH NEXT YEAR.

(Bottom) Amanda Putt was the number one runner for the girls team this year. She ran strong at all meets and never let her team down.

Kelley Heim, one of the captains, runs ahead of the pack. She always pumped the team up and supported the girls.

Tecumseh Varsity Basketball played well this year. They improved their overall record and ended their season with 6 wins and 15 losses. The Varsity team had a big win against Saline 46-42. Our team also outplayed Bedford for a 36-33 win on TICWISS. The boys managed one more big win against Lincoln on Parent's Night of 50-41. They played well against Adrian and came oh so close to a victory but lost at the buzzer 48-49.

This year our girls ended their season with an overall record of 25 wins, 20 losses, and 7 ties. This was an interesting season. "I was excited to get back on the court and play for my last year. Coach Mike Watkins

Due to an MHSAA rule, no USA or AAU coaches can coach high school athletics as of the end of the 2007 school year. This forced our head coach, Mike Watkins, to announce his resignation after our season came to an end. He was a great coach who made our program better. The banquet was good, but it was a shock to many that this was happening.

Mike Watkins is a great coach, and we will all miss him. However, he will still be around the gym quite a bit. Mike's wife, Kerri Watkins, has been given the job as head coach and is excited and ready to get back into the gym to begin coaching again. Kerri graduated from THS in 2000 and played on the varsity volleyball team. They did fairly well in winning a few county tournaments; they also hit state semi-finals and quarter finals a couple of times.

Competitive Cheer

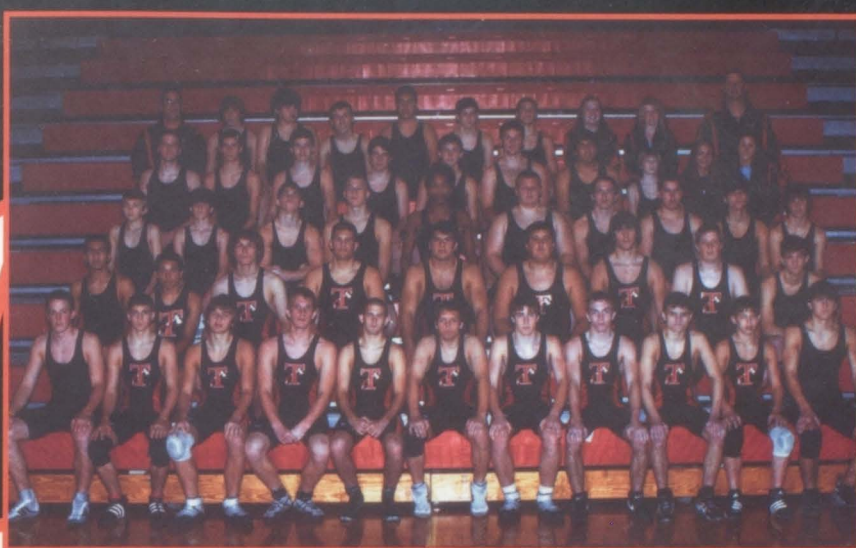

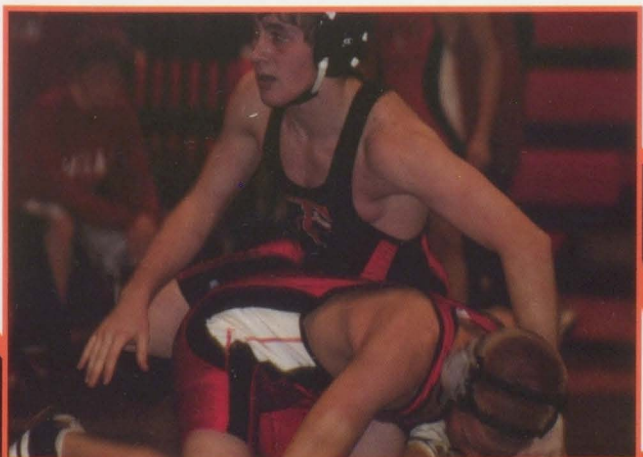

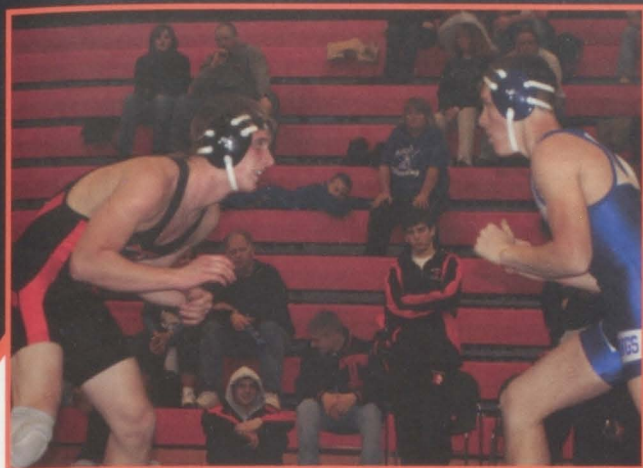

In the beginning of the season, it was pretty rough. A handful of seniors decided to take the season off and focus on preparing for college. The team was left with 50% new faces to compete, but they overcame the challenges. Considering how rough they started out, they had to work extra hard and ended up doing amazing. The team received 1st twice and 2nd five times.

A new addition this year, thanks to the parents who helped, we had our first ever home meet! This turned out to be very successful. The team went to regionals and ranked 6th, which is the highest ever in Tecumseh's history. Because they placed 6th, they were able to have All State team recognition this season.

Record 4-5

This year's Girl's Lacrosse team went 4-5 for their record. It was an interesting season, with hard practices, running, and games. When season first came around the team started with practices to get everyone acquainted, easy drills, and scrimmaging. With all that went on this season, the team did well and played as a team. The team played hard in games, and when they were on the ball they won.

The girls played a rough game. Going into the final few minutes the team came back within winning distance, but Hartland pulled two fancy shots and won the game. The next week, the team played Plymouth Canton. The team once again played rough, going into the second half with a score of 5-1. In the last two minutes of the game the score was tied, 7-7. PC scored, then Tecumseh scored to make the tie 8-8, only to score the winning goal with only 15 seconds left in the game.

There were many key players, including freshman Heather Major, who was an asset to the defense, and Autumn McMillin on offense who helped the team on many occasions. Sophomore Kacie Blayer as a midfielder was there when the team needed her. Junior Danielle Shelle was another key defender who had the skills to pick up the sport easily. The main seniors were offender Dominique Miller, and defenders Kerri Coffman and Alicia Baran.

Mens' Track and Field

The Spring 2007 season was a difficult year for the Mens' track and field program. They had their third new coach in as many years, which is difficult to build a lasting success around. However, attendance was much higher than last year and the guys built a strong foundation to ensure future goals are met. The Spring 2008 season will be an exciting time for the team.

Below, Lauren Prueter competes in the State meet. She ran amazing for the Indians this year.

Ladies' Track and Field

During the Spring 2007 season, the Ladies' Track program experienced one of the most successful seasons it has ever had. The team placed second in the SEC and second at the regional meet, qualifying there to send 10 girls in 11 events to the state meet on June 2. Of those events, three placed in the top eight in the state and received medals. Lauren Prueter, one of the strongest runners all year, placed third in her open 400m dash. Of the girls who went to state, half were seniors and they will be sorely missed next year, both in spirit and talent. Says Coach David Greene, it will be a season difficult to replicate.

THE B-TEAM EQUESTRIAN

The 2006 E-team was actually 2 teams: an A-team with 11 riders, and a B-team with 6. The A-team saw returning standout Chloe Obeid retain her title as High Point Rider. There were five other returning riders and five new riders creating a well-balanced team. We had two serious injuries on the team: Kari Kendall broke her arm in a fall from her horse, and Brianne Snyder broke her foot when her horse stepped on her. Both riders were in casts but still competed. Talk about team spirit!

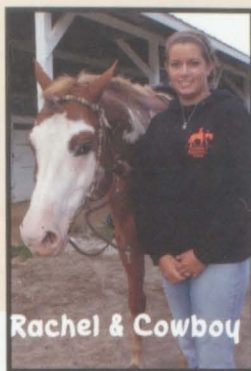

The B-team had two new riders, Charlotte Squires and Megan Harsh, and four returning riders. The B-team was District 10 Champion, Region C Reserve Champion, and earned 10th place at the State Championship meet.

Lindsey Ery and Amber Gramling tied for the team Sportsmanship Award; Doug Rombach was the Most Improved Rider; and we had two Scholar Athletes: Amber Gramling and Ray Lee. Congratulations to all the riders and their horses for making 2006 a successful year.

Steve,

From sandboxes and preschool, to the athletic fields and center stage.

We can't believe it's time to turn another page.

In looking back, it's hard to see just where the time has gone by,

In looking forward it's easy to see you going incredibly high.

We have enjoyed the ride and look forward to new places,

Where you will travel and meet new faces.

Treasure your past and invest in your tomorrows,

The excitement of the future will diminish the parting sorrows.

We are proud of you and love you in every way!

May God continue to Bless You and Keep You each and every day.

Love,

Mom, Dad, and Matt

Way to hang in there Amber! You've worked very hard and done a great job! You've got what it takes to make your dreams come true. We're very, very proud of you!

Love,
Dad, Mom, Lee, and Mitch

Grand Valley State, here she comes!!! Having you as a daughter, Carlee, has made being parents tremendously rewarding. As you celebrate your graduation and prepare to fly the coop, we look forward to the next chapter. If happiness is gained by a willingness to work hard and a genuine caring attitude, then the world holds endless possibilities for you.

We love you way past sister cat,

Nick,
Cowabunga Dude!
Where did my little Turtle go? We are so proud of the young man you have become. We want to wish you the best at Northern. (Green...of course!)

Love Mom, Dad, T.J.,

Alyssa,

Growing up you have always had a very strong will - you know what you want and go for it. You would never listen to anyone trying to stop you. This made raising you an adventure in every way and every day. Now that you are graduating, we feel very confident you will reach your goals and heaven help anyone who tries to step in your way. You have grown into a beautiful and treasured young adult who will conquer the world.

Remember no matter where your life may take you, you will always be dad's little Indian and my creep.

Love,
Mom and Dad

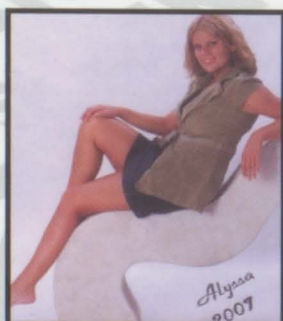

P.S. Mrs. Patteuw said you'd better hurry up if you are going to be the first female president.

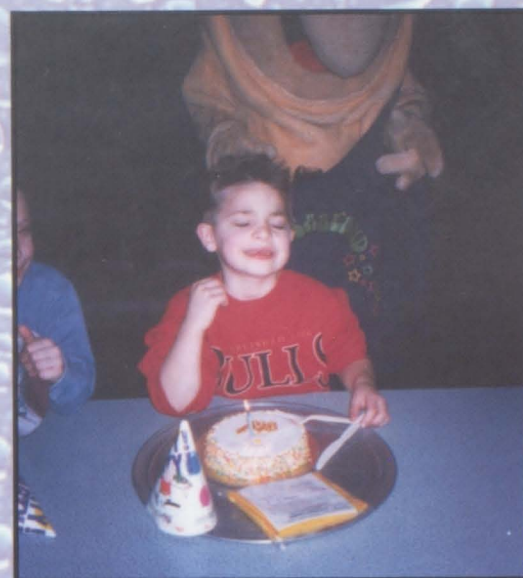

Alyssa,

Well, little sis, you finally made it! Hats off to you for sure...lol! We have been through a lot over the years, and if somebody asks me I tell them that you are my best friend, because at the end of the day, you are always there for me. Like I will always be there for you, especially when you go off to college and face the "real world" - quote from the parents! You are not only a great friend, but you do very well in school, especially when you do your Spanish homework. Well, before I ramble off too much, I just wanted to say congrats on graduating, and congrats to being a freshman all over again...haha!

With love from your sister,
Amanda

Keep your dreams and goals alive, and you will
achieve them. Always remember we love you.

Mom, George, Lyndsay, Casey, and Chelsea

Colton,

Your first breath, cry,
smile, step, stumble, and
fall. Your first at bat, pitch,
and homerun. We've been
there for them all. Always
our "little boy" you'll be.

Love, Dad, Mom, and Caitlin

Alyssa,
You have put into action the very ideals your grandparents envisioned the moment they first stepped upon American soil. Their hope was for greater opportunity but their dreams lied in the generations yet to come. Not as a life of hand-outs, but a place where success through hard work, sacrifice and a determination to never give less than your best could be realized. Theirs was a story of the true immigrant...leaving behind faces they would never look upon again, bargaining familiarity for fate, and security for success. They came with a poor man's pocketbook, but their true wealth rested in an unfaltering faith in God and a strong commitment to family. This passion paved their way and was the breath of life in every heir to follow.
. My grandparents never looked upon your face, but they knew someday you'd be here. Coming to America was their gift to you.

Your goals for the future may be your own... the possibility of them will be the greatest of all gifts that you will receive as you graduate.

Love, mom,
Terry& Evan

SAMANTHA,

WE ARE SO PROUD OF YOU. YOU ARE A STRONG, DETERMINED, AND CARING YOUNG WOMAN, AND YOU WILL ACCOMPLISH ALL YOU SET OUT TO DO. WE WATCH WITH JOY AS YOU MOVE ON TO THE NEXT CHAPTER OF YOUR LIFE. ENJOY EVERY NEW EXPERIENCE, AND CHERISH ALL YOUR MEMORIES. WE LOVE YOU.

LOVE,
MOM, DAD, KAITIN,
AND COURTNEY

Mom, Dad, Michael, and Justin

No matter what life has thrown at you David, you manage to stay positive and rise above it all. We can't begin to tell you how very proud we are of you and all you have accomplished. We will always be here for you as you spread your wings to fly out on your own.

Love Mom, Dad, Matt, & Adam

Love you,
Mom & Cale

Cory,

The race is not always to the swift,
but to those who keep on running...

Alexia

That day, the day you were born, was the most exciting day of our lives. We remember how beautiful you looked.

We should have been filled with doubts about whether we could do right by you but, not us,

We knew we were ready! We had a plan.

We would love you too much; We would protect you for a while; We would teach you how to fly on your own.

You might leave our nest now, but if we did our job well you'd be back, as our friend --Mom & Dad

Matt,

From grade school through graduation, we're very proud of you.
We know you will succeed in your future. Continue to be your best.

Love,

Dad, Mom, and Andy

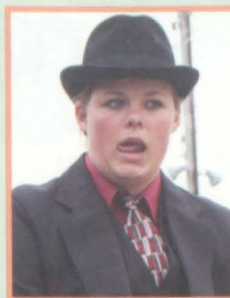

Watching you grow up has been a great joy in our lives. We can't begin to tell you how proud we are that you are our beautiful daughter. Sara, you are beautiful in more ways than one.
