*"If we had no winter,
the spring would not be so pleasant;
if we did not sometimes taste of adversity,
prosperity would not be so welcome."
-Anne Bradstreet*

*"You must take personal responsibility,
you cannot change the circumstances,
the seasons, or the wind, but you can
change yourself. That is something
you have charge of."
-Jim Rohn*

"January cold and desolate; Lightning-torn;
February dripping wet; August bears corn,
March wind ranges; September fruit;
April changes; In rough October
Birds sing in tune Earth must disrobe her;
To flowers of May, Stars fall and shoot
And sunny June In keen November;
Brings longest day; And night is long
In scorched July And cold is strong
The storm-clouds fly, In bleak December."

-Christina Georgina Rossetti

*The events of childhood do not
pass, but repeat themselves like
seasons of the year.
-Eleanor Farjeon*

*The summer night is like a perfection
of thought.
-Wallace Stevens*

SEASONS

Special Thanks to Amber Valdez for creating our cover design to fit the theme: Seasons.

Looking back on our high school lives, we will think to ourselves, "How much we have changed!" Not only will we alter appearances, but personalities will mature with the seasons, mature with the years. The bitter cold of winter as well as the warmth and beauty of summer are present every time we lose our tempers or crack smiles. The unpredictable, angry storms will be seen plenty of times in fights and disagreements, and what is left after the storm is raw. People will be left raw. Maybe from this vulnerable state we will be able to look back on our high school years and think about the good as well as the bad. We will be able to learn from our mistakes or continue to succeed with knowledge of past right-doings. High school is the winter of our adolescence and the first step into the real world, the spring of our new adult lives. It allows us to have a chance at something great, something beautiful, something summer-like. We must never forget this.

FACULTY

New Teachers

Matt Dailey graduated from Tecumseh High School and went to Michigan State University. Mr. Dailey enjoys running, soccer, and racket ball. He is also a big fan of Michigan State. He always wanted to be a teacher. He teaches World history and US history.

Stacey Kleinow teaches Special Education math. She grew up in the Irish Hills and went to Clinton High School. She graduated from Siena Heights and decided to teach math because it is not normally liked by students. She loves to run, and her favorite sport is track. The reason why she teaches is because her high school teachers inspired her.

Tracey Lorraine attended colleges all over the country, like Hiwassee College for two years, Eastern Michigan University for a year, Madonna for another, and Siena Heights to finish her college degree. Her favorite inspirational quotes are: "Life is better when it's fun," and "It's not whether you win or lose, it's how you look in the uniform." Mrs. Lorraine teaches English 10 and English 11.

Jessica Gruebner went to Delta Community College and Saginaw Valley State University. She enjoys riding horses and loves to read. The reason she teaches Spanish is because she has always loved foreign languages. Her favorite sports are equestrian, hockey, and football. Senora Gruebner teaches Spanish I.

Foreign Exchange Students

Kira Petweler comes to us from Germany. She came here because of the new experiences and to see how it is like in America. She will be heading back to Germany on June 15, 2009. She is living with the Chessor family. Kira is doing gymnastics here and likes it a lot, but she never did it back home. She enjoys hanging out with her friends and likes drawing, which is one of her favorite subjects. Her favorite thing about America is the cheaper items and Taco Bell. She likes it here in America and says we have welcomed her well. But she still misses her family and friends and is looking forward to going home.

Phireeyaporn (Jinny) Kittongsiri is from Thailand. Her favorite thing about Tecumseh is taking the classes here because her school at home had many more classes that were more difficult. She is heading back home on July 17, 2009. Her favorite classes are drawing and geometry. When she graduates, she is planning on going to college and then helping her dad with his business. She wanted to come to America because all her brothers and sisters came here with the same program. She says we have welcomed her wonderfully. Jinny misses home and wants to go back but still wishes she could stay for a while longer. She is hoping to come back to the United States someday.

Aliota Wolf is from Aachen, Germany. Her favorite part of being here is meeting people and learning new experiences. She is staying with the Mago family. She goes home on June 15, 2009, and is looking forward to seeing her family and friends again, but she will also be sad about leaving. When she's older, she plans on being a teacher. She enjoys swimming, drawing, and playing the piano. While she has been here, she has participated in swimming and soccer. She says in a lot of ways America is like her home town, but in other ways is completely different.

Roberta Bondan is from Brazil. She loves everything about being here, but her favorite thing is getting to know people from a different culture. She loves Tecumseh but really misses her friends and family back home. She felt really welcomed in Tecumseh and participated in cheerleading, cross country, and gymnastics. She thinks life in Tecumseh is very different from her life back home. She also loves taking pictures and would like to pursue some kind of career in engineering. Roberta is heading home on June 20, 2009. She made many friends and would like to come back to America some time in the future.

VOCAL

Associates-

As singers in a general choir, students will learn basic skills in vocal production, music reading, and an introduction to choreography.

Freshman Choral-

A choir made up of only freshmen! This choir is primarily for incoming freshmen, giving them a good idea of what the THS choirs are like, and to better prepare them to move on to other choirs. They also prepare for district choral festival.

The Company-

Students represent Tecumseh both inside and outside of the school in this choir. Emphasis is placed on creating a repertoire of songs and choreography that entertain audiences as a show choir. Students also participate in one or two weekend competitions during the second semester.

MUSIC

Concert Women-

Students continue to discover how their voices work as a traditional and women's show choir.

Festival Singers-

As a select group of singers, students will work toward the highest level of musical excellence possible. The course stresses individual vocal accountability, and continues to improve the singer's vocal ability and music literacy. Students also prepare for district choral festivals throughout the year.

Festival Chorale-

Students focus on increasing their vocal ability and music literacy. Students also prepare for district choral festival, and many other performances through the year.

Instrumental

INTRODUCING...

The Tecumseh Public Concert Orchestra
This year, the new class of freshmen brought with them a Tecumseh dream - a high school string orchestra. Under the direction of Mr. Michael Bough, the orchestra surprised everyone by combining with concert winds and creating the first ever Symphony Orchestra in Tecumseh. This new organization has instilled in THS a new music program that will continue for years to come.

Marching Band

This year, over one hundred students participated in the Shooting Star Marching Band. Beginning the week of July 28, the marching band began preparing their 2008-2009 season by bringing back one of their old favorites - Styxx. This year brought another first for the band as they participated in the Chelsea Invitational and at MSBOA Marching Band Festival where they earned a Division 2 rating.

Music

Concert Bands

This year the band was divided into two sections, the Concert Band and the Wind Symphony. The THS Wind Symphony is the premier wind and percussion organization in the high school, and entrance is by audition. These bands are dedicated to the performance of high-quality music and both attended MSBDA Festivals and Solo and Ensemble Festival this year.

Jazz Band

The Jazz Band at THS has a long tradition of functioning as ambassadors to the community. The Jazz Band is conceived in the big band format, with saxes, trumpets, trombones and percussion. The class meets outside the regular school day and then performs in special events.

Pep Band

Pep Band is a student-lead band that rehearses outside of school and performs at varsity basketball games. This band is made up of a variety of instruments. They play "peppy" music to cheer on our teams!

Homecoming Game

INDIANS VS. MULES!
WHO WILL WIN?

GO INDIANS!

Welcome to the Jungle!

Breakfast of Champions

Breakfast of Champions is an annual event where students who achieved a 3.0-3.49 and 3.5 and above grade point average are commended for their hard work in the previous school year. During Seminar, they receive certificates and Academic letters while enjoying the "highlight" of the event: pancakes served by King Pancakes!

Turkey Tournament

The Turkey Tournament is an annual staff versus students volleyball game that is held during the last Seminar before Thanksgiving break. This year, the students dominated the competition, leaving favorite staff such as Mr. Bullinger, Mr. Laney, Señor Mejia, and Mrs. Peake in the dust. Good job everyone!

Caribbean Holiday Dance

The theme of this year's holiday dance was "Caribbean Holiday." The Caribbean theme rang true, and the High School Cafeteria was transformed into a warm and beach-like dance floor, decorated with sparkles, sand, and the traditional holiday trees and lights. The Class of 2009 offered raffles and give-aways. During the dance, there was a limbo contest, photo scavenger hunt, hula-hoop contest, and "Guitar Hero." Under the banner of "Party Like A Rock Star." Tecumseh High School did indeed party the night away!

EQUESTRIAN TEAM - A

THE A TEAM WAS COMPOSED OF ELEVEN RIDERS THIS YEAR. EACH RIDER EARNED POINTS TOWARD THE TEAM'S TOTAL, AND EVERYONE IMPROVED GREATLY FROM THE BEGINNING OF THE SEASON TO THE END. BECAUSE THERE WERE SO MANY RIDERS AND ONLY A LIMITED NUMBER OF SLOTS, SEVERAL RIDERS HAD TO GO INTO CLASSES THEY HAD NEVER TRIED BEFORE. ON TOP OF NEW CLASSES, OVER HALF THE RIDERS HAD A NEW HORSE TO ADJUST TO. EVEN WITH ALL THE SETBACKS THE TEAM FACED, THEY STILL MANAGED TO IMPROVE DRAMATICALLY IN THEIR OVERALL TEAM SCORE. IT WILL BE EXCITING TO SEE HOW MUCH THESE RIDERS WILL IMPROVE FOR 2009.

Front row (L to R): Megan Harsh, Erika Stuenkel

THE B TEAM CONSISTED OF FIVE RETURNING RIDERS, ALL OF WHOM SHOW DURING THE SUMMER IN ADDITION TO HIGH SCHOOL. THE RIDERS ON THE B TEAM HAD TO RIDE IN AT LEAST EIGHT CLASSES AT EVERY MEET, MEANING THAT EACH RIDER HAD TO BE VERSATILE AND WILLING TO TRY NEW EVENTS. ALL OF THE HARD WORK AND PRACTICE PAID OFF AS THESE GIRLS ADVANCED TO THE REGIONAL MEET, AND EVENTUALLY TO THE STATE CHAMPIONSHIPS. AFTER A LONG FOUR DAYS OF SHOWING, THE TECUMSEH EQUESTRIAN TEAM CAME IN 4TH AT THE STATE FINALS. CONGRATULATIONS TO LIZ WANAMAKER 2008-09 MHA SCHOLARSHIP RECIPIENT

CLASS OF 2009

Leah,

I've watched you grow from my precious baby girl into a beautiful young lady. I couldn't be prouder of you. Watching you step off the bus for Kindergarten brought a tear to my eye; watching you accept your diploma will do the same. Just one more of your "big girl" steps in life for which I thank God every day for blessing us. This is just the beginning, Doop; enjoy every bit of it. Be everything you want to be, and do everything you want to do. Never, ever forget that I have always, and will always, love you with everything in me! Remember, your strong faith in God will get you through all of life's challenges - as the last few years have proved.

Mommy loves you!

Andy,

Congratulations - you made it! We are very proud of you. You have always enjoyed life, and we have loved being a part of it with you.

Best wishes to you on your next step - US Marine Corps. Thank you for serving our country.

Love,

Mom, Dad, and Matt

Congratulations

Megan,

We are so proud of our daughter. Who would have thought this little baby would grow up to be such an intelligent, beautiful, and accomplished young woman? Don't limit yourself before you have tried all that you can achieve.

Most of all, achieve happiness.

Love,
Mom and Dad

"War Eagle" - that's from Mom

Joe,

We are so proud of you. You are a strong, determined, and caring young man. We know, no matter what life may throw at you, you will manage to be positive and rise above it all. It has been a pleasure to have you as our son and watch you grow up to be the person you are today. We will always be here for you, Joe. Don't ever change the person you are. Good Luck with everything you do in the future. Love,

Mom & Dad

*To all my seniors: words can't describe what you've meant to me, and to this team, over the past four years. You've represented your school with honor and dignity, and I'm proud to have been part of your success. Carry on, in life and with your horses, as though the judge were watching.
~ Coach Ricketts*

Caroline,

It seems like only yesterday.....

From your 1st graduation at Little Indians to your High School graduation, you have had quite an adventure. We are so proud of you and all of your accomplishments. Keep your eye on the prize, and don't let anyone say you can't achieve whatever your goals.

We will always be here for you as you go through life.

Love,

Dad, Nancy and Andrew

ELECTING CHANGE ►

Using the campaign slogan, "Change we can believe in," Democrat Barack Obama won the 2008 election to become the 44th president of the United States. Obama, 47, is the first African-American to lead the nation. After his election, Obama quickly began selecting his cabinet, including asking New York Sen. Hillary Clinton, who he defeated to win the Democratic nomination, to be secretary of state.

THE TECHNOLOGY STUMP ◀

Campaigning style changed with Obama's use of the internet. Obama had about four million "friends" on Facebook and had collected about 10 million email addresses. He used texting to announce his vice presidential pick – Sen. Joe Biden of Delaware. His campaign website morphed into a transition website within 24 hours of his election.

MAVERICK RIDES OFF ◀

To win the election, Obama, a Democrat, beat Sen. John McCain, a Republican from Arizona. McCain's running mate was Alaska Gov. Sarah Palin, the first woman to run as a Republican vice presidential candidate.

LIVE FROM NEW YORK... ◀

Nobody took advantage of the election season more than the sketch comedy show *Saturday Night Live*, which brought back former cast member Tina Fey due to her resemblance to VP nominee Sarah Palin and rode Fey's impersonation to its highest ratings in years.

HISTORIC ELECTION ►

To win the Democratic nomination, Obama defeated New York Sen. Hillary Clinton, the former first lady and the person considered the front-runner of her party. The highly charged campaign included five other serious Democrat candidates. The Republican field was even bigger, with McCain coming from behind to best eight others to win his party's nomination.

DRAWING A CROWD ▼

People came to hear Obama speak during the campaign. His Democrat Party nomination acceptance speech was held at Invesco Stadium, about two miles from the convention center in Denver, to enable more than 70,000 people to attend. On election night, Obama held a victory rally in Grant Park, attended by 225,000 people.

BEEN THERE, DONE THAT

Jenna and Barbara Bush, the daughters and granddaughters of President George H.W. Bush and President George H. Bush, wrote a letter to Malia and Sasha Obama that included this advice:

- Get hugs from Ramsey, smiles from "Smiley" and talk football with Buddy, three of the White House ushers.
- Slide down the solarium banister.
- Have swimming parties.
- Get comfort from your pets.

PARTY HARDY ◀ ▼

Washington, D.C., was packed with more than two million people on Jan. 20 for the historic inauguration of the nation's first African-American president. Despite the cold weather and the need to huddle together, the crowds remained enthusiastic. Obama took the oath of office with his hand on the Bible used by President Abraham Lincoln during his first swearing-in ceremony.

SEEKING VOTES ▲

Candidates would do a lot of things on the campaign trail in pursuit of votes. Obama got winded playing basketball with the University of North Carolina's team. Mike Huckabee, a Republican candidate, played bass in his rock band Capitol Offense and even took a turn trying to rope a fake steer at the Fort Worth Stockyards.

VOTERS TURNED OUT ▲

In the general election, a record 127 million votes were cast, with about 31.7 million voting early for the first time in 30 states. However, as a percentage of voters, turnout was about 61%, versus the record of 67% in 1960. Long lines to vote, either early or on Nov. 4, were orderly. Lines were also orderly the next day as many people snatched up newspapers carrying the results.

POLITICIANS BUSTED ►

Illinois Gov. Rod Blagojevich faced federal corruption charges for allegedly trying to sell or trade Barack Obama's Illinois senate seat. U.S. Sen. Ted Stevens of Alaska was convicted of trying to conceal home renovations and other gifts from an oil industry contractor. And Detroit Mayor Kwame Kilpatrick pled guilty to obstruction of justice and resigned amid a sex scandal.

Jobs center

WHO ARE YOU? ▲

The fight against insurgents continued in Iraq and Afghanistan. While violence decreased in Iraq, Defense Secretary Robert Gates revealed plans to send more U.S. troops to Afghanistan to battle the Taliban. Deployment of American troops meant tearful farewells and joyful homecomings. Sometimes, servicemen returned to meet new family members.

GRIM ECONOMY ▲

The faltering economy instilled fear worldwide. Americans felt the recession as home foreclosures, job layoffs and food prices increased. The stock market drop of 44% in the past year stripped college and retirement investments for many people. The federal government in October approved a \$700-billion bailout plan for the nation's financial system to try to get the economy moving. In February, President Obama signed a \$787-billion economic stimulus bill to pump more money into the economy.

MAKE IT TWO FOR TIM ▼

Quarterback Tim Tebow led the Florida Gators to their second college football national championship in three years, when they defeated Oklahoma in the BCS title game, 24-14. However, the championship did not come without debate. Several other teams – including Utah, Texas and USC – continued to question why there was no playoff system and staked their own claim to the crown.

GAS UP, GAS DOWN ▼

After a record high of \$4.11 per gallon on July 17, gasoline prices were down 60% to a five-year low of \$1.63 during the last week of December, according to the American Automobile Association. Prices began rising again in early 2009. Despite the lower prices, Americans continued to drive less.

GREENING OF AMERICA ◀

Going green affected several aspects of daily life. Reusable shopping bags became a fashion statement. Buying locally produced food saved on gasoline and meant fresher tastes. And at home, more people began buying compact fluorescent light bulbs (CFL) as incandescent bulbs will be phased out in a few years. CFLs save energy and add a new shape to lighting fixtures.

Photo credit: D. Massy

BACK IN THE SPOTLIGHT ▲

The comeback of actor Robert Downey Jr. from a serious drug problem became complete this year when he landed the lead role in the hit movie *Iron Man*. Downey followed it up with another critically praised role in the comedy *Tropic Thunder*.

A MORE URGENT NEED ▲

Rising oil prices and continued climate changes made the search for alternative, renewable sources of energy a more prevalent topic of discussion. Solutions like wind farms, using large turbines, became more common.

WHO CAN YOU TRUST? ▲

Investors ranging from small charities to major international banks appeared to have lost about \$50 million in a fraudulent investment allegedly devised by a former chairman of the Nasdaq Stock Market. Bernard Madoff, 70, was charged with securities fraud in what might be one of the biggest fraud cases ever.

GAMES TO REMEMBER ▼ ►

American swimmer Michael Phelps made history at the Summer Olympics in Beijing, China, by becoming the first athlete ever to win eight gold medals at one Olympics. During his breathtaking week in the pool, seven of Phelps' eight victories were new world records.

But Phelps was not the only American making history at the Beijing games. Kobe Bryant led the men's basketball team, dubbed the "Redeem Team," to a gold medal and helped vindicate U.S. basketball after a poor showing four years ago. Nastia Liukin won the women's gymnastics all-around and tied the American record for most gymnastics medals at one Olympics with five.

Perhaps the fastest-rising star outside of Phelps' pool was Jamaica's Usain Bolt, who ran a 9.69 in the 100 meters to win the gold and shatter the previous world record.

2008 OLYMPICS MEDAL COUNT

	TOTAL	GOLD	SILVER	BRONZE
1 - United States	110	36	38	36
2 - China	100	51	21	28
3 - Russia	72	23	21	28

5 - Australia	46	14	15	17

PEANUT WITHDRAWAL ◀

Peanut butter products were recalled in 43 states after salmonella was found in peanut paste made in a Georgia plant. At least six people died and more than 485 people got sick. Peanut paste is a product used widely in snack foods, leading to goodies such as crackers, cookies, nutrition bars and ice cream leaving store shelves. Most peanut butter brands were not affected.

TIME FOR A SWITCH ▼

Governments around the world, including the United States, continued the mandated switchover from analog television broadcasting to digital.
