High school can be hard, but it must be harder for the Foreign Exchange students. Tecumseh High School had the honor of hosting three outstanding foreign exchange students this year, all seniors. *Pere Servera*, *Daniela Marques*, and *Roberto Castellon* were the new additions to our wonderful family here at THS.

We asked the foreign exchange students how they felt coming to a new place about which they knew almost nothing. Many of us would be extremely scared going to a foreign place, but *Roberto* told us he was very comfortable with the whole situation. *Daniela* and *Pere* had other opinions. *Pere* said he was

nervous because he didn't know our language very well. *Daniela* said, "The first week was very strange and hard. The language and the classes were hard, but people tried helping, and now I feel more comfortable." We also asked these three how our school and city differ from theirs. *Roberto* said, "Tecumseh has football and baseball, and we don't. And Tecumseh offers more classes." *Pere* noticed differences in "the way Tecumseh does sports; we have sports separate from the high school." *Daniela* and *Roberto* compared their homes to Tecumseh. *Roberto* said, "Tecumseh is very different. Michigan is bigger and more attractive." *Daniela*

We enjoyed having these students in our building. Good luck to you, and thank you for joining us this year.
