Dear Lauren,

Eighteen years ago a huge ray of sunshine came into our lives named Lauren Ashley. Oh boy, we were so very happy to have this beautiful little girl. I think the whole hospital heard me when I went down the hall to tell Papa and Uncle Marty that we have a “girl.” You continue to light up our lives with your sunshine. You are our “Tiny Dancer.” We wish you the very best of everything as you continue through your life’s journey. Follow your dreams, stay true to who you are and where you have been. We really look forward to you continuing to dance in college. May that ray of sunshine keep on shining...

Love always,

Nana & Papa
