Foreign Exchange Students
Dear Allie,
Ten years ago you gave me this poem and picture for mother’s day. I’ll never forget the pride I saw in your eyes or the great big hug that followed. As you know, it has been on my wall ever since. I cannot tell you how many times I have read it in the past years, I have it memorized. It’s a true treasure for me. I also, cannot tell you how much pride I have for you as I watched you grow into a beautiful young woman you have become.
You have always been a very independent person with a very easy going personality. Not many things can get you down. As you tackled the everyday challenges of growing up you had the typical ups and downs, but you were always very determined to handle most of this on your own. This has made you into a very strong young lady, who I believe will handle anything and everything that will come your way. I’m so excited to see you take on the next chapter in your life. I know there is nothing that will stop you.
This is my version of your poem I want to dedicate to you:

Dear Allie,
I will love you forever,
Forever you will be
One of my most beautiful daughters
Who means everything to me.
I thought of sending you a special gift,
just for you from me,
But I’d rather share these pictures for all the world to see.
Love you, Mom

Dear Smalls,
Congratulations! I am so proud of you and can’t wait to see what’s up next for you. No matter what you do I know it will be amazing because of your determination and strength. Go get ‘em!
Love, Amanda

Smalls,
Congrats! Now real life, real memories, and the real fun begins.
Love, Lys

Allie,
Congrats! I hope you have the time of your life in college because, as you know, four years can go by fast. Just live your life with no regrets and always do your best and success will follow. Have fun at Siena! Go Saints!
Love, Ashley

Dear Mom
I will love you forever,
Forever you will be
The most wonderful mother.
You mean everything to me,
I thought of buying you flowers
In the usual way,
But I knew you would prefer
A FOREVER bouquet!

Love, Allie
